Application Executive Summary

This application requests Federal Transit Administration (FTA) Section 5311 Rural Formula and Intercity Bus funds apportioned to the State of California for capital, planning, operations and administration projects as follows:

Federal Funding Year (FFY) 2023 in the amount of \$1,291,792 (Rural \$738,072 and Rural Transit Assistance Program (RTAP) full appt \$553,720)

FFY 2024 in the amount of \$42,829,317 (Rural \$42,217,402 and RTAP \$611,915)

FFY 2025 in the amount of \$629,507 (RTAP full appt)

Total projects costs are \$133,359,959

Total Federal Share: \$44,750,616, which includes \$310,094 in Transportation Development (Toll) Credits

Total Local Share: \$88,609,343

FFY 2024 Section 5311 funds apportioned to California in the amount of \$410,088 will be obligated at a later date.

Pursuant to Section 120(b)(2) of Title 23 USC, California is eligible for increased Federal Share rates of 88.53% (capital) and 55.33% (operating), depending on type of project (Sliding Scale). The required signed agreement between the Department and FHWA is saved in the Recipient Documents section of TrAMS.

Due to the use of Toll Credits in the amount of \$310,094 that are requested in lieu of Local Share, the effective Federal Share for projects to be funded by this award will differ from the usual rates.

Caltrans FSTIP was originally approved on 12/16/2024. This grant application is supported via Amendment Modification 7 of Caltrans FSTIP approved on 5/2/2025. This approval is noted in its letter uploaded to the grant application which also includes Caltrans addendum of 5311 rural non-MPO projects, i.e. Rural Non-MPO_Admin Mod-07_050225.pdf. Additionally, MPOs are also incorporated by reference in Caltrans FSTIP approval letter and FSTIPs individually uploaded to the grant application, along with any amendments. For programming information, see Program of Projects columns Y, Z, AA, AU, and AV (i.e. NEW Copy of FFY24 5311 PoP_Report_Cat A-B 4-25-25 Vehicle Report 8-6-25 Final -8.6.25.xls).

The grant application includes Category A (projects 1 thru 6) and Category B projects (projects 7 thru 13). For Category B projects, Caltrans will amend the programming, along with the grant award, prior to Caltrans completing drawdowns for these projects.

The Program of Projects (POP) showing project details for each apportionment (such as the FTIP/STIP

information, match percentages, milestone dates, vehicle information, programming, etc.) are attached as an Excel document in TrAMS.

Frequency of Milestone Progress Reports (MPR)

Does this application include funds for research and/or development activities?

This award does not include research and development activities.

Pre-Award Authority

This award is using Pre-Award Authority.

Does this application include suballocation funds?

Recipient organization is the Designated Recipient and can apply for and receive these apportioned funds.

Will this Grant be using Lapsing Funds?

Yes, this Grant will use Lapsing Funds.

Will indirect costs be applied to this application?

This award does not include an indirect cost rate.

Indirect Rate Details: N/A

Requires E.O. 12372 Review

No, this application does not require E.O. 12372 Review.

Delinquent Federal Debt

No, my organization does not have delinquent federal debt.

Award Description

Purpose

The purpose of the award is to provide of this award is to provide operating funds for the period of July 1, 2024 to June 30 2025, provide seven (7) replacement vehicles, one (1) service expansion vehicle, two (2) perform preventative maintenance, and perform state administrative and oversight activities.

Activities to be performed:

Funds will cover operating expenses such as salaries, fuel, and items having a useful life of less than one year, capital expenses for vehicles, preventive maintenance, and costs incurred by the State for its grant administration and subrecipient oversight activities.

Expected outcomes:

Funding will allow the continued operation of transit services, timely replacement, service expansion and preventative maintenance and oversight for federal compliance requirements.

Intended beneficiaries:

California residents using transit within the rural areas of the state.

Subrecipient Activities:

Subrecipients will receive funding assistance for the following project types under this grant: Purchases of vehicles, preventative maintenance and operating assistance.

Part 3: Project Information

Project Title: 5311 FFY 2024 Vehicle Purchases (Category A)

Project Number	Temporary Project Number	Date Created	Start Date	End Date
CA-2025-276-01-00	1622-2025-3-P1	1/21/2025	7/1/2024	6/30/2028

Project Description

This project provides funding for vehicle purchase activities in rural portions of California.

All purchased vehicles will meet the Clean Air Act standards (CAA) and the Americans with Disabilities Act (ADA) requirements. Also, all vehicles being replaced have met its useful life and will be disposed of in accordance with Federal requirements and Caltrans State Management Plan procedures. Information for all vehicles, including expected useful life, is found in the Program of Projects columns AI thru AS (i.e. NEW Copy of FFY24 5311 PoP_Report_Cat A-B 4-25-25 Vehicle Report 8-6-25 Final -8.6.25.xls).

Project Benefits

Assist transportation providers that provide transit to rural area.

Additional Information

None provided.

Project Environmental Findings**Finding: Class II(c) - Categorical Exclusions (C-List)****Class Level Description**

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

Categorical Exclusion Description

Type 07: Acquisition, installation, rehabilitation, replacement, and maintenance of vehicles or equipment, within or accommodated by existing facilities, that does not result in a change in functional use of the facilities, such as: equipment to be located within existing facilities and with no substantial off-

site impacts; and vehicles, including buses, rail cars, trolley cars, ferry boats and people movers that can be accommodated by existing facilities or by new facilities that qualify for a categorical exclusion.

Project Environmental Findings

Finding: Class II(c) - Categorical Exclusions (C-List)

Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

Categorical Exclusion Description

Type 07: Acquisition, installation, rehabilitation, replacement, and maintenance of vehicles or equipment, within or accommodated by existing facilities, that does not result in a change in functional use of the facilities, such as: equipment to be located within existing facilities and with no substantial off-site impacts; and vehicles, including buses, rail cars, trolley cars, ferry boats and people movers that can be accommodated by existing facilities or by new facilities that qualify for a categorical exclusion.

Project Environmental Findings

Finding: Class II(c) - Categorical Exclusions (C-List)

Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

Categorical Exclusion Description

Type 04: Planning and administrative activities which do not involve or lead directly to construction, such as: training, technical assistance and research; promulgation of rules, regulations, directives, or program guidance; approval of project concepts; engineering; and operating assistance to transit authorities to continue existing service or increase service to meet routine demand.

Project Environmental Findings

Finding: Class II(c) - Categorical Exclusions (C-List)

Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

Categorical Exclusion Description

Type 04: Planning and administrative activities which do not involve or lead directly to construction, such as: training, technical assistance and research; promulgation of rules, regulations, directives, or program guidance; approval of project concepts; engineering; and operating assistance to transit authorities to continue existing service or increase service to meet routine demand.
