Dear Mr. Giorgi:

This office has recently completed an audit of Teamsters Local 600 under the Compliance Audit Program (CAP) to determine your organization's compliance with the provisions of the Labor-Management Reporting and Disclosure Act of 1959 (LMRDA). As discussed during the exit interview with you and Bookkeeper Barbara O'Mara on Friday, April 24, 2009, the following problems were disclosed during the CAP. The matters listed below are not an exhaustive list of all possible problem areas since the audit conducted was limited in scope.

Reporting Violation

The audit disclosed a violation of LMRDA Section 201(a), which requires that a union submit a copy of its revised constitution and bylaws with its LM report when it makes changes to its constitution or bylaws. Local 600 amended its constitution and bylaws in 2007, but did not file a copy with its LM report for that year.

Local 600 has now filed a copy of its constitution and bylaws.

I want to extend my personal appreciation to Teamsters Local 600 for the cooperation and courtesy extended during this compliance audit. I strongly recommend that you make sure this letter and the compliance assistance materials provided to you are
