Dear Mr. Gibson

This office has recently completed an audit of Letter Carriers BR 1779 under the Compliance Audit Program (CAP) to determine your organization's compliance with the provisions of the Labor-Management Reporting and Disclosure Act of 1959 (LMRDA). As discussed during the exit interview with you on December 19, 2008, the following problems were disclosed during the CAP. The matters listed below are not an exhaustive list of all possible problem areas since the audit conducted was limited in scope.

Recordkeeping Violations

Title II of the LMRDA establishes certain reporting and recordkeeping requirements. Section 206 requires, among other things, that labor organizations maintain adequate records for at least five years by which each receipt and disbursement of funds, as well as all account balances, can be verified, explained, and clarified. As a general rule, labor organizations must maintain all records used or received in the course of union business.

For disbursements, this includes not only original bills, invoices, receipts, vouchers, and applicable resolutions, but also documentation showing the nature of the union business requiring the disbursement, the goods or services received, and the identity of the recipient(s) of the goods or services. In most instances, this documentation requirement can be satisfied with a sufficiently descriptive expense receipt or invoice. If

an expense receipt is not sufficiently descriptive, a union officer or employee should write a note on it providing the additional information. For money it receives, the labor organization must keep at least one record showing the date, amount, purpose, and source of that money. The labor organization must also retain bank records for all accounts.

The audit of BR 1779's 2008 records revealed the following recordkeeping violations:

1. Disposition of Property

BR 1779 did not maintain an inventory of hats, jackets, and other property it purchased, sold, or gave away. The union must report the value of any union property on hand at the beginning and end of each year in Item 30 (Other Assets) of the LM-3. The union must retain an inventory or similar record of property on hand to verify, clarify, and explain the information that must be reported in Item 30.

The union must record in at least one record the date and amount received from each sale of union hats, jackets and other items.

2. Failure to Record Receipts

BR 1779 did not record check number 3898, dated February 28, 2007, in the amount of \$200.00 in its receipts records.

BR 1779 did not record a credit received from Bank of America in the amount of \$500.00 that was received on August 1, 2007 in its receipts records.

Union receipts records must include an adequate identification of all money the union receives. The records should show the date and amount received, and the source of the money.

Based on your assurance that BR 1779 will retain adequate documentation in the future, OLMS will take no further enforcement action at this time regarding the above violations.

Reporting Violations

The audit disclosed a violation of LMRDA Section 201(b), which requires labor organizations to file annual financial reports accurately disclosing their financial condition and operations. The Labor Organization Annual Report Form LM-3 filed by BR 1779 for fiscal year ending January 31, 2008, was deficient in the following areas:

1. Disbursements to Officers

BR 1779 did not include some reimbursements to officers totaling at least \$6,047.90 in the amounts reported Item 24 (All Officers and Disbursements to Officers). It appears the union erroneously reported these payments in Item 54 (Other Disbursements).

The union must report most direct disbursements to BR 1779 officers and some indirect disbursements made on behalf of its officers in Item 24. A "direct disbursement" to an officer is a payment made to an officer in the form of cash, property, goods, services, or other things of value. See the instructions for Item 24 for a discussion of certain direct disbursements to officers that do not have to be reported in Item 24. An "indirect disbursement" to an officer is a payment to another party (including a credit card company) for cash, property, goods, services, or other things of value received by or on behalf of an officer. However, indirect disbursements for temporary lodging (such as a union check issued to a hotel) or for transportation by a public carrier (such as an airline) for an officer traveling on union business should be reported in Item 48 (Office and Administrative Expense).

2. Acquire/Dispose of Property

Item 13 of the LM-3 asks, "During the reporting period did your organization acquire or dispose of any assets in any manner other than by purchase or sale?" should have been answered, "Yes," because the union gave away t-shirts during the year. The union must identify the type and value of any property received or given away in the additional information section of the LM report along with the identity of the recipient(s) or donor(s) of such property. The union does not have to itemize every recipient of such giveaways by name. The union can describe the recipients by broad categories if appropriate such as "members" or "new retirees." In addition, the union must report the cost, book value, and trade-in allowance for assets that it traded in.

BR 1779 must file an amended Form LM-3 for fiscal year ending January 31, 2008, to correct the deficient items discussed above. I provided you with a blank form and instructions, and advised you that the reporting forms and instructions are available on the OLMS website (www.olms.dol.gov). The amended Form LM-3 should be submitted to this office at the above address as soon as possible, but not later than February 8, 2009. Before filing, review the report thoroughly to be sure it is complete, accurate, and signed properly with original signatures.

Other Violations

The audit disclosed the following other violation(s):

1. Inadequate Bonding

The audit revealed a violation of LMRDA Section 502 (Bonding), which requires that union officers and employees be bonded for no less than 10 percent of the total funds those individuals or their predecessors handled during the preceding fiscal year. However, the union obtained adequate bonding coverage and provided evidence of this to OLMS during the audit. As a result, OLMS will take no further enforcement action regarding this issue.

I want to extend my personal appreciation to Letter Carriers BR 1779 for the cooperation and courtesy extended by you during this compliance audit. I strongly recommend that you make sure this letter and the compliance assistance materials provided to you are passed on to future officers. If we can provide any additional assistance, please do not hesitate to call.

Sincerely,

Investigator
