Dear Mr. Boskovich:

This office has recently completed an audit of Iron Workers District Council Chicago and Vicinity under the Compliance Audit Program (CAP) to determine your organization's compliance with the provisions of the Labor-Management Reporting and Disclosure Act of 1959 (LMRDA). As discussed during the exit interview with you on August 16, 2012, no violations of the LMRDA were disclosed in areas of financial activity included in the CAP. This does not exhaust all possible problem areas, however, since the audit conducted was limited in scope and did not include all areas of your union's operation.

I want to extend my personal appreciation to Iron Workers District Council Chicago and Vicinity for the cooperation and courtesy extended during this compliance audit. If we can provide any additional assistance, please do not hesitate to call.

Sincerely,

[REDACTED]

Investigator
