Dear Mr. Sciulli:

This office has recently completed an audit of the Pennsylvania State Council of Carpenters under the Compliance Audit Program (CAP) to determine the organization's compliance with the provisions of the Labor-Management Reporting and Disclosure Act of 1959 (LMRDA). As discussed during the exit interview with you on September 30, 2016, no violations of the LMRDA were disclosed in areas of financial activity included in the CAP. This does not exhaust all possible problem areas, however, since the audit conducted was limited in scope and did not include all areas of the union's operation.

I want to extend my personal appreciation to you and Keystone Mountain Lakes Regional Council Controller Gloria Roman, for the cooperation and courtesy extended during this compliance audit. I strongly recommend that you make sure this letter and the compliance assistance materials provided to you are passed on to future officers. If we can provide any additional assistance, please do not hesitate to call.

Sincerely,

[REDACTED]
