LM Number: 043831

Dear Mr. Charbonneau:

This office has recently completed an audit of IATSE Local 504 under the Compliance Audit Program (CAP) to determine your organization's compliance with the provisions of the Labor-Management Reporting and Disclosure Act of 1959 (LMRDA). As discussed during the exit interview with Treasurer Mark E. Hopkins and Office Manager Joni Douglass on October 15, 2018, the following problems were disclosed during the CAP. The matters listed below are not an exhaustive list of all possible problem areas since the audit conducted was limited in scope.

Recordkeeping Violation

Title II of the LMRDA establishes certain reporting and recordkeeping requirements. Section 206 requires, among other things, that labor organizations maintain adequate records for at least five years by which each receipt and disbursement of funds, as well as all account balances, can be verified, explained, and clarified. As a general rule, labor organizations must maintain all records used or received in the course of union business.

For disbursements, this includes not only original bills, invoices, receipts, vouchers, and applicable resolutions, but also documentation showing the nature of the union business requiring the disbursement, the goods or services received, and the identity of the recipient(s) of the goods or services. In most instances, this documentation requirement can be satisfied with a sufficiently descriptive expense receipt or invoice. If an expense receipt is not sufficiently descriptive, a union officer or employee should write a note on it providing the additional information. For money it receives, the labor organization must keep at least one record showing the date, amount, purpose, and source of that money. The labor organization must also retain bank records for all accounts.

The audit of Local 504's 2017 records revealed the following recordkeeping violation:

Other

The union failed to maintain adequate records to verify, explain or clarify, or to use in checking on the accuracy or completeness of reports required to be filed with the Secretary of Labor totaling at least \$6,790.00. This included a Miller Kaplan Arase LLP payment which lacked

support documentation detailing the purpose of the expenditure and the nature of the union business to which it pertained.

As previously noted above, labor organizations must retain original receipts, bills, and vouchers for all disbursements. The president and treasurer (or corresponding principal officers) of your union, who are required to sign your union's LM report, are responsible for properly maintaining union records.

Based on your assurance that Local 504 will retain adequate documentation in the future, OLMS will take no further enforcement action at this time regarding the above violations.

Other Violation

The audit disclosed the following other violation:

Inadequate Bonding

The audit revealed a violation of LMRDA Section 502 (Bonding), which requires that union officers and employees be bonded for no less than 10 percent of the total funds those individuals or their predecessors handled during the preceding fiscal year.

The audit revealed that Local 504's officers and employees were not bonded for the minimum amount required at the time of the audit. However, the union obtained adequate bonding coverage and provided evidence of this to OLMS during the audit. As a result, OLMS will take no further enforcement action regarding this issue.

I want to extend my personal appreciation to IATSE Local 504 for the cooperation and courtesy extended during this compliance audit. I strongly recommend that you make sure this letter and the compliance assistance materials provided to you are passed on to future officers. If we can provide any additional assistance, please do not hesitate to call.

Sincerely,
