Dear Mr. Casella:

This office has recently completed an audit of ATU Local 1027 under the Compliance Audit Program (CAP) to determine your organization's compliance with the provisions of the Labor-Management Reporting and Disclosure Act of 1959 (LMRDA). As discussed during the exit interview with you and President Al Munoz on June 11, 2019, the following problem was disclosed during the CAP. The matter listed below is not an exhaustive list of all possible problem areas since the audit conducted was limited in scope.

#### Failure to File Bylaws

The audit disclosed a violation of LMRDA Section 201(a), which requires that a union submit a copy of its revised constitution and bylaws with its LM report when it makes changes to its constitution or bylaws. Local 1027 amended its constitution and bylaws in October 2018, but did not file a copy with its LM report for that year.

Local 1027 has now filed a copy of its constitution and bylaws.

I want to extend my personal appreciation to ATU Local 1027 for the cooperation and courtesy extended during this compliance audit. I strongly recommend that you make sure this letter and the compliance assistance materials provided to you are passed on to future officers. If we can provide any additional assistance, please do not hesitate to call.

Sincerely,

[REDACTED]  
Investigator

CC: Al Munoz, President
