WHEREAS, there is a bargaining history between the parties in respect to a bargaining unit that is described in the most recent Agreement between the parties that expired May 31, 1993;

WHEREAS, the parties in collective bargaining for a successor agreement to the expired Agreement have bargained to impasse in respect to subject matter that is related to the health and welfare of bargaining unit employees;

WHEREAS, the parties have most recently arrived at an understanding in respect to a dispute concerning health and welfare issues that affect bargaining unit employees; and

WHEREAS, the parties have determined that it is in their mutual interest that such understanding should not appear in their successor agreement and is best memorialized in a supplemental agreement to such successor agreement.

NOW, THEREFORE, in consideration of the mutual promises by and between the parties, it is hereby agreed that:

1. This Supplemental Agreement shall become effective on the date of execution of the successor agreement, and anything that appears in such successor agreement that conflicts, whether directly or indirectly, with any provision in this Supplemental Agreement shall be superseded by this Supplemental Agreement.

2. Upon the execution of this Supplemental Agreement, the

parties shall each designate and appoint two persons to a committee, which committee shall be a permanent committee known as "Chicago District Council of Carpenters Millmen Welfare Committee" (hereafter "Committee"). The Committee shall have as its Chairperson one of the persons designated and appointed by WAC and as its Vice Chairperson one of the persons designated and appointed by the Union. The Committee shall meet periodically at such places and times as determined by the Chairperson, but such Committee shall not meet less frequently than once every three months.

3. The Committee shall be autonomous and independent of the Board of Trustees of the Chicago District Council of Carpenters Welfare Fund (hereafter "Carpenters Welfare Fund") and shall exist primarily for the purpose of designing a plan of benefits for bargaining unit employees that shall be submitted to the Board of Trustees of the Carpenters Welfare Fund for acceptance, approval, adoption and implementation by such Board of Trustees upon the expiration date of the then current successor agreement. In no event shall the cost of the plan of benefits designed by the Committee and/or any other reasonable and necessary expenses of the Committee exceed the rate of contribution for health and welfare negotiated by the parties in their then negotiations for a successor agreement.

4. The plan of benefits designed by the Committee and submitted to the Board of Trustees of the Carpenters Welfare Fund shall be accepted, approved, adopted and implemented by such Board of Trustees in the interest of bargaining unit employees and such

other participants, if any, who may be affected thereby.

5. In the performance of their duties and responsibilities as members of the Committee under this Supplemental Agreement, it is contemplated that the Committee may from time to time require the professional assistance of the Administrator of the Carpenters Welfare Fund and/or that of one or more of the then consultants of the Carpenters Welfare Fund. In that event, the expense of such assistance, if any, shall be paid by the Carpenters Welfare Fund.

6. In the event that the members of the Committee become deadlocked in respect to any issue(s) properly before the Committee, such issue(s) shall be resolved by reference to the grievance procedure in the then current collective bargaining agreement between the parties. In the event there is then no collective bargaining agreement in effect, the parties shall refer such issue(s) to the grievance procedure in their then most recent collective bargaining agreement. All issues in dispute will be resolved by the procedures in the Third Step set forth in Article 25 of the current collective bargaining agreement insofar as such procedures are applicable.

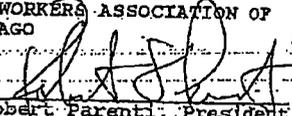

7. This Supplemental Agreement must be approved by resolution of the Board of Trustees of the Carpenters Welfare Fund.

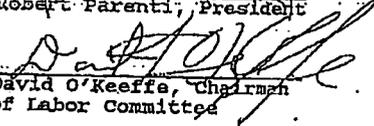

8. Agreements reached by the Committee may be made applicable to participants apart from bargaining unit employees. In that event, the recommendations of the Committee may include additional participants as well as such employees.

IN WITNESS WHEREOF, the parties have executed this Supplemen-

tal Agreement this ^{twentieth} ~~22nd~~ day of February, 1994.
