ARTICLE 1 RECOGNITION

1.1 **Bargaining Unit.** Pursuant to the certification of the Florida Public Employees Relations Commission, dated June 18, 1980, of the United Faculty of Florida (UFF) as the exclusive representative, solely for the purpose of collective bargaining with respect to wages, hours, and other conditions of employment as specifically set forth in the Agreement, for all employees in the bargaining unit described in said certification, the Board of Regents has entered into this Agreement. The bargaining unit is described in the certification but, for convenience, may be described as employees in the following titles at the University of South Florida:

Graduate Research Assistant,
Graduate Research Associate,
Graduate Teaching Assistant,
Graduate Teaching Associate, and
Graduate Assistant.

1.2 **Exceptions.** Nothing contained in this Agreement shall be construed to prevent the Board or its representatives from meeting with any individual or organization or hear views on any matter; provided, however, that as to any such matter which is a proper subject of collective bargaining and covered by a term of this Agreement, any changes or modification shall be made only through negotiations and agreement with UFF.

ARTICLE 2 APPOINTMENTS, REAPPOINTMENTS, AND TERMINATIONS

2.1 **Letter of Appointment.** The University shall make appointments on standard letters of appointment, signed by a representative of the University designated by the president or representative and the appointee. The letter of appointment shall be sent to the appointee within ten (10) days after the conditions necessary for the appointment have been met. No salary shall be paid in the absence of a signed letter of appointment properly on file with the University. The employing department shall ensure that the signed letter of appointment is properly on file. The University may add additional informational items but may not thereby abridge the rights or benefits provided in this Agreement. The letter shall contain the following elements as a minimum:

- (a) Date;
- (b) Professional Classification System title and class code, if any;
- (c) Employment unit (e.g., department, college, institute, area, center, etc.);
- (d) Length of appointment;
- (e) Special conditions of employment;
- (f) Name of supervisor;
- (g) A statement that the employee's signature thereon shall not be deemed a waiver of the right to process a grievance with respect thereto in compliance with Article 11, Grievance Procedure;
- (h) A statement that the appointment is subject to the Constitution and laws of the State of Florida and the United States, the rules of the Board and the University, and this Agreement;
- (i) Percent of full-time effort (FTE) assigned; and
- (j) Salary rate and bi-weekly stipend.

2.2 Reappointments. No appointment shall create any right, interest, or expectancy in any other appointment beyond its specific term. Upon written request, the GAU shall be provided information regarding established guidelines for teaching assistant appointments. When appointed, employees shall be provided with criteria concerning reappointment.

2.3 Length of Appointment. Appointments may be for any period of time up to one (1) calendar year. The Board of Regents and the UFF encourage the University to appoint the majority of employees to appointments of at least one (1) academic year. Appointments for graduate assistants shall be consistent with the faculty calendar (19.5 pay periods), if practicable.

2.4 Notice.

(a) Fall Appointments. Employees serving in at least one (1) semester appointment during an academic year shall be provided with a letter of intent regarding continuation or noncontinuation of employment for the subsequent Fall semester by April 30. A final letter of appointment, if necessary, shall be provided to the employee by June 30.

(b) Spring Appointments. Employees who will be offered an appointment to commence at the start of the Spring semester, shall be provided with a letter of intent by August 30. A final letter of appointment for mid-year appointees, if necessary, shall be provided to the employee by October 30.

2.5 Changes in Appointment.

(a) Any appointment may be curtailed, diminished, or terminated at any time, only by reason of any one of the following:

(1) Continued failure to perform duties as specified in the Letter of Appointment, after written notification.

(2) Failure of the employee, in the academic judgment of the University, to maintain satisfactory student status or to make appropriate progress toward the degree;

(3) Incompetence, which is documented, or misconduct of the employee;

(4) Completion of degree requirements;

(5) Lack of funds as a result of adverse financial conditions; or

(6) No further need, in the opinion of the University, department or other unit, for the functions being performed. If the functions are reinstated during the period of the employee's appointment, as specified in Section 2.1, the employee shall be reappointed to these functions for the remainder of such appointment period.

(b) In case of 2.5 (a)(5) and/or (6) above, the University shall provide two weeks notice, if practicable, and make every effort to reassign the affected employee. The notice shall include a statement which indicates that this action is grievable under the provisions of the BOR-GAU Collective Bargaining Agreement.

ARTICLE 3 EMPLOYMENT PERFORMANCE EVALUATION

3.1 Policy. The job performance of each employee, whose term of appointment is one (1) semester or longer, shall be evaluated in writing once during each such appointment. The annual employment evaluation shall include evaluation of assigned duties and such other responsibilities as are appropriate to the assignment. Personnel decisions shall take such annual evaluations into account, provided that personnel decisions need not be based solely on written employment performance evaluations.

3.2 Procedures. The employment evaluation shall be discussed with the employee, at which time any deficiencies shall be specifically noted and suggestions for their improvement made. A reasonable schedule shall be given to accomplish the necessary

improvements. Such evaluation shall be placed in the employee's evaluation file. The employment evaluation shall be signed by the person who performed the evaluation and shall be shown to the employee, who shall be given the opportunity to sign it. A copy of the employment evaluation shall be given to the employee. The employee may attach a concise comment to the evaluation. Written student comments or evaluations need not be signed to be used for evaluation purposes.

3.3 Observations and Visitations.

(a) Observations or visitations for the purpose of evaluating employee performance may be either announced or unannounced.

(b) Unannounced. Where a faculty member has responsibility for a laboratory or teaches a lecture course and research assistants/associates assist in the laboratory or teaching assistants/associates conduct discussion groups, that faculty member has the right of unlimited access to the laboratory or classroom for supervision and/or evaluation purposes.

(c) Announced. Where an employee has primary responsibility for the classroom or laboratory, observations or visitations shall be subject to the following:

(1) The employee shall be informed of the name of the observer and the two week period during which the observation will be made at least one (1) week in advance of the observation or visitation period.

(2) Within two (2) weeks after an observation or visitation, the employee shall have an opportunity to meet and discuss the observation or visitation with the observer.

(3) A concise written comment by the observer regarding the observation or visitation shall be placed in the evaluation file. A copy of such comment shall be given to the employee. Such comment shall not be grievable; however, the employee shall have the right to respond in writing and shall have such response attached. The employee shall have the right, to be exercised within three (3) working days after the meeting with the observer, to request in writing an additional observation or visitation by a different observer. Such additional observation or visitation shall be accomplished prior to the end of the semester, and shall be placed in the evaluation file.

3.4 Criteria.

(a) The annual performance evaluation shall be based upon assigned duties, and shall consider the nature of the assignment, in terms, where applicable, of:

(1) Teaching effectiveness, including effectiveness in presenting knowledge, information, and ideas by means or methods such as lecture, discussion,

assignment and recitation, demonstration, laboratory exercise, practical experience, and direct consultation with students. The evaluation shall include consideration of effectiveness in imparting knowledge and skills, and effectiveness in stimulating students' critical thinking and/or creative abilities, and adherence to accepted standards of professional behavior in meeting responsibilities to students.

(2) Contribution to the discovery of new knowledge, development of new educational techniques, and other forms of creative activity. The evaluation shall include consideration of the employee's productivity, including the quality and quantity of what has been done during the year, and of the employee's research and other creative programs and contributions; and recognition by the academic or professional community of what is done.

ARTICLE 4 EMPLOYEE EVALUATION FILE

4.1 Policy. There shall be only one (1) employee evaluation file in which all written materials used to evaluate employee performance are maintained so that when evaluations and personnel decisions are made, the only documents which may be used are those contained in that file. A copy of the employee's performance evaluation shall be given to the employee in accordance with Section 3.2. Employees shall be notified, upon request, of the location of the employee evaluation file and the identity of the custodian. A notice specifying the location of the official evaluation file shall be posted in each department or comparable unit.

4.2 Access. An employee may examine the employee evaluation file upon reasonable advance notice, during the regular business hours of the office in which the file is kept, normally within the same business day as the employee requests to see it and under such conditions as are necessary to insure its integrity and safekeeping. Upon request and the payment of a reasonable fee for photocopying, an employee may obtain copies of any materials in the evaluation file and may attach a concise statement in response to any item therein. A person designated by the employee may examine that employee's evaluation file with the written authorization of the employee concerned and subject to the same limitations on access that are applicable to the employee.

4.3 Indemnification. UFF agrees to indemnify and hold the Board and the University, and their officials, agents, and representatives harmless from and against any and all

liability for any improper, illegal, or unauthorized use by UFF of information contained in such employee evaluation file.

4.4 Use of Evaluative Material. In the event a grievance proceeds to arbitration, the Board, UFF, the arbitrator, and the grievant shall have the right to use copies of materials from the grievant's evaluation file relevant thereto in the arbitration proceedings.

4.5 Anonymous Material. No anonymous material shall be placed in an employee evaluation file, except for student evaluations which are part of a regular evaluation procedure of classroom instruction.

4.6 Materials in Evaluation File. Evaluative materials or summaries thereof, prepared as part of a regular employee evaluation system, may be placed in an employee evaluation file when signed.

4.7 Removal of Contents. Materials shown to be contrary to fact shall be removed from the file. This section shall not authorize the removal of materials from the employee evaluation file when there is a dispute concerning a matter of judgment or opinion rather than fact. Materials may also be removed pursuant to the resolution of a grievance.

4.8 Confidentiality. Except as noted above, only University and Board officials responsible for the supervision or evaluation of employees may inspect information reflecting evaluation of employee performance contained in such files, except upon order of a court of competent jurisdiction.

ARTICLE 5 ACADEMIC FREEDOM

It is the policy of the Board and UFF to encourage graduate assistants, in fulfillment of their assigned teaching responsibilities, to give their own interpretation of instructional materials used by them -- whether self-chosen or prescribed by the teaching unit -- within the bounds of knowledge and methodologies appropriate to the disciplinary field, under the guidance of the employing department or unit. In fulfilling assigned research duties, graduate assistants will be encouraged to exercise creativity and sound judgment in carrying out the theoretical, conceptual, and methodological design of the research under the guidance of the research supervisor. When the Graduate Assistant is primarily responsible for the

course, the Graduate Assistant shall determine grades in accordance with University and Board policies.

ARTICLE 6 WORKLOAD

6.1 Assignment of Responsibilities.

(a) No employee shall be assigned employment responsibilities during a semester that exceed an average of ten (10) hours per week for one-fourth time; thirteen and one-third (13.3) hours per week for one-third time; or twenty (20) hours per week for a one-half time appointment.

(b) For the purposes of determining whether an assignment can be accomplished within the time limitations described herein, research and other activities that lead directly or indirectly to an employee's thesis, dissertation, or other degree requirements need not be counted as part of the assigned workload.

6.2 Procedure to Resolve Workload Disputes.

(a) In the event an employee has reason to believe that the assignment exceeds the guidelines described in Section 6.1, the employee may, within fourteen (14) days following the date on which the employee knew or reasonably should have known that the assignment exceeded the guidelines, notify the faculty supervisor of such reasons and discuss the matter with the individual who has given the assignment. If that discussion does not resolve the dispute, the employee may, within seven (7) days thereafter, request that the assignment be reviewed by a three-person committee.

(b) Such review shall be requested by the employee by filing with the chair the form contained in Appendix A, which shall contain the reasons the employee believes the assignment exceeds the guidelines stated in Section 6.1 and the name of a faculty member in the employee's department who shall serve on the review committee. The college dean or designee shall be the second faculty member. The third member shall be a member of the department faculty selected by mutual agreement of the two (2) previously selected members or by alternately striking names from a list of department faculty members until one (1) name remains.

(c) The employee may address the committee but the review is specifically intended to be informal.

(d) The committee shall, by majority vote, determine whether the assignment exceeds the guidelines stated in Section 6.1. Such decision shall be rendered as soon as practicable but not later than fifteen (15) working days following the request for review.

Upon such a determination, corrective action shall be taken, including retroactive pay if appropriate.

6.3 **Grievability.** This expedited procedure shall be the sole and exclusive method for resolving disputes under this article and workload disputes shall not be subject to the Grievance Procedure.

ARTICLE 7 OUTSIDE ACTIVITY/CONFLICT OF INTEREST

7.1 **Policy.** Outside employment or other activities that the University can show interfere with an employee's obligation to the University or that constitute a conflict of interest are prohibited. No employee who engages in outside employment or other activity shall claim to be an official University representative in connection with an outside employment or other activity. No employee may use University personnel, equipment, or facilities in connection with the outside employment or activity.

7.2 **Report of Outside Activity.**

(a) Any employee who proposes to engage in any outside activity which the employee should reasonably conclude may create a conflict of interest, shall report to the employee's supervisor, in writing, the details of such proposed activity prior to engaging therein.

(b) The report, as described in paragraph 7.2(a), shall include, where applicable, the name of the employer or other recipient of services; the funding source; the location where such activity shall be performed; and the nature and extent of the activity.

ARTICLE 8 UNLAWFUL DISCRIMINATION

8.1 **Policy.** Neither the Board nor UFF shall discriminate against any employee based upon race, color, sex, religious creed, national origin, age, veteran status, handicap, marital status, or membership or non-membership in a union. Claims of such discrimination by the University or the Board may be presented as grievances pursuant to Article 11, Grievance Procedure. It is the intent of the parties that matters which may be presented as grievances under Article 11, Grievance Procedure, be presented and resolved thereunder

instead of using other procedures. UFF agrees not to process cases arising under this Article when alternate procedures to Article 11 are initiated by the Grievant.

8.2 Sexual Harassment.

(a) Sexual harassment is a form of sex discrimination, and on June 19, 1986, the United States Supreme Court, in Meritor Savings Bank v. Vinson, approved the following definition of sexual harassment (29 CFR 1604.11a) in the employment context:

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment, (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

(b) Employees are responsible for immediately reporting concerns regarding sexual harassment to appropriate administrators. Appropriate administrators include, but are not limited to, the employee's immediate supervisor, graduate coordinator, department chair, or Dean, or administrators in the university's Office of Equal Opportunity Programs.

ARTICLE 9 COPYRIGHTS AND PATENTS

9.1 Disclosure. An employee shall disclose all patentable inventions and technological developments which the employee may develop or discover while an employee of the University. With respect to discoveries or inventions made during the course of approved outside employment, the employee may delay such disclosure for no more than one hundred and eighty (180) days, when necessary to protect the outside employer's interests, until the decision has been made whether to seek a patent.

9.2 Waiver of Rights. While an employee may, in accordance with Article 7, Outside Activity/Conflict of interest, engage in outside employment pursuant to a consulting agreement, the Office of Academic Affairs and the Division of Sponsored Research, must approve any requirement by the outside employer that the employee waive the

employee's/university's rights to any patentable invention or discoveries which arise during the course of such outside employment. An employee who proposes to engage in outside employment shall furnish a copy of the University's patents policy to the outside employer prior to or at the time the consulting agreement is executed.

9.3 Federal Sponsorship. If the employee's activities involve inventions or discoveries conceived under Federal sponsorship or supported by University funds or resources, then the Office of Academic Affairs and the Division of Sponsored Research shall not grant permission to waive patent rights.

9.4 Reporting Procedures. The employee shall report to the President or designee the nature of the discovery or new invention, together with an outline of the project and the conditions under which it was done. If the University wishes to assert its interest in the patent, the President or designee shall inform the employee within a maximum of one hundred and thirty-five (135) days. It is understood that every effort shall be made at appropriate administrative levels to expedite the decision-making process to minimize the time involved. The division of proceeds between the University and the employee generated by the licensing of patent rights or trade secrets shall be negotiated and reflected in a written contract between the University and the employee. All such agreements shall comport with and satisfy any preexisting commitments to outside sponsoring agencies, but the employee shall not commit any act which would tend to defeat the University's interest in the matter, and the University shall take any necessary steps to protect such interest.

ARTICLE 10 INABILITY TO SERVE

An employee shall not be required to perform assigned duties when disabled or otherwise unable to perform them because of injury, illness, jury duty, required U.S. military service, or when unable to so perform because the employee's presence is required elsewhere because of injury, illness, or death in the immediate family. Immediate family shall consist of mother, father, spouse, sister, brother, child, or other relative living in the employee's household. The employee shall notify the supervisor in advance of each leave. Leave under this Article shall be with pay for up to five (5) days per semester appointment. Each employee shall be credited with such five (5) days at the beginning of each semester and

shall use leave in increments of not less than one (1) day. For example, an employee scheduled to work six (6) hours on Monday and three (3) hours on Tuesday, who is unable to perform assigned duties on these days for any of the reasons described above, would be charged with two (2) days of leave, regardless of FTE appointment, or number of work hours scheduled. The leave provided under this article shall not be cumulative.

ARTICLE 11 GRIEVANCE PROCEDURE AND ARBITRATION

11.1 Purpose. The parties agree that all problems should be resolved, whenever possible, before the filing of a grievance and they encourage open communication between administrators and employees so that resort to the formal grievance procedure will not be necessary. The parties further encourage the informal resolution of grievances. At each step in the grievance process, participants are encouraged to pursue appropriate modes of conflict resolution. The purpose of this Article is to promote a prompt and efficient procedure for the investigation and resolution of grievances. The procedures hereinafter set forth shall be the sole and exclusive method of resolving the grievances of employees.

11.2 Resort to Other Procedures. If prior to seeking resolution of a dispute by filing a grievance hereunder, or while the grievance proceeding is in progress, an employee or UFF seeks resolution of the matter in any other forum, whether administrative or judicial, the employer shall have no obligation to entertain or proceed further with the matter pursuant to this grievance procedure. Further, since the parties do not intend that this grievance procedure be a device for appellate review, the President's response to a recommendation of a hearing officer or other individual or group having appropriate jurisdiction in any other procedure shall not be an act or omission giving rise to a grievance under this procedure.

11.3 Definitions. As used herein:

(a) The term "grievance" shall mean a dispute concerning the interpretation or application of a specific term or provision of this Agreement, filed pursuant to this Article, and subject to those exclusions appearing in other Articles of this Agreement.

(b) The term "grievant" shall mean an employee or group of employees who has filed a grievance in a dispute over a provision of this Agreement which confers rights upon them, or UFF which has filed a grievance in a dispute over a provision of this Agreement that confers rights upon UFF. A grievance filed by UFF which alleges a violation of its

rights by two (2) or more colleges, or a grievance filed by employees in two (2) or more colleges, shall be initiated at Step 1.

11.4 Representation. UFF shall have the exclusive right to represent any employee in grievances filed hereunder, provided employees may represent themselves or be represented by legal counsel. If an employee elects not to be represented by UFF, the Board or the University shall promptly inform UFF in writing of the grievance. No resolution of any individually processed grievance shall be inconsistent with the terms of this Agreement and for this purpose UFF shall have the right to have an observer present at all meetings called between grievants and the University for the purpose of discussing grievances.

11.5 Grievance Representatives. UFF shall furnish annually to the Board and the University a list of all persons authorized to act as grievance representatives and shall update the list as needed. The UFF grievance representative shall have the responsibility to meet all instructional, research, and other duties and responsibilities incidental to the assigned workload. Some of these activities are scheduled to be performed at particular times. Such representative shall have the right, during times outside of the hours scheduled for these activities, to investigate, consult, and prepare grievance presentations and attend grievance meetings. Should any hearings or meetings with the President, the Board, or their representatives necessitate rescheduling of assigned duties, the representative may, with the approval of the appropriate administrator, arrange for the rescheduling of such duties or their coverage by colleagues. Such approval shall not be unreasonably withheld.

11.6 Appearances.

(a) When an employee participates during working hours in arbitration proceedings or in a grievance meeting between the grievant or representative and the President or Board or either of their representatives, that employee's compensation shall neither be reduced nor increased for time spent in those activities.

(b) Prior to participation in any such proceedings, conferences, or meetings, the employee shall make arrangements acceptable to the appropriate supervisor for the performance of the employee's duties. Approval of such arrangements shall not be unreasonably withheld. Time spent in such activities outside regular working hours shall not be counted as time worked.

11.7 **Grievance Forms.** All written grievances, requests for review, and arbitration notices must be submitted in writing on forms attached to this Agreement as Appendices C, D, E, and F respectively, and shall be signed by the grievant. Except for the initial filing of the grievance, if there is difficulty in meeting any time limit, the UFF representative may sign such documents for the grievant. The Board, or its representatives, including those University representatives responsible for reviewing grievances at Step 1 or Step 2, may refuse consideration of a grievance not filed in accordance with this Article.

FORMAL GRIEVANCE PROCEDURE

11.8 **Filing.** The filing of a written grievance shall constitute a waiver of any rights the grievant may have under Chapter 120, Florida Statutes, or under any other University procedures with regard to the matters contained in the grievance. A grievance may be withdrawn at any time by the grievant or by the UFF representative.

11.9 **Oral Step.**

(a) An employee having a dispute concerning the interpretation or application of a specific term or provision of this Agreement may, within thirty (30) days following the act or omission giving rise thereto, or the date on which the employee knew or reasonably should have known of such act or omission, whichever is later, file a grievance by presenting the grievance orally to the employee's faculty supervisor. At the time the grievance is filed, the grievant shall identify it as such.

(b) The faculty supervisor, and the college dean, if appropriate, shall discuss the grievance with the grievant and/or the grievant's representative, if any, and shall issue a decision within ten (10) days following the date the grievance is filed at the Oral Step.

11.10 **Step 1.**

(a) If a grievance is not satisfactorily resolved at the Oral Step, the grievant may file a written grievance, on the form contained in Appendix C, with the graduate dean or designee within ten (10) days after the receipt of the decision at the Oral Step.

(b) In advance of the Step 1 meeting, the grievant shall have the right, upon request, to a copy of any identifiable and currently existing documents relevant to the grievance.

(c) At the Step 1 meeting, the grievant shall have the right to present any evidence in support of the grievance. The graduate dean shall meet with the grievant and/or the grievant's representative no later than ten (10) days following the filing of the

grievance at Step 1 and shall issue a written decision to the grievant and the grievant's representative, if any, within ten (10) days following the meeting.

11.11 Step 2.

(a) If the grievance has not been satisfactorily resolved at Step 1, UFF may, upon request of the grievant and on the form contained in Appendix D, request a review of the Step 1 decision by the President of the University. The request shall be made within ten (10) days after receipt of the Step 1 decision, and shall include a copy of the grievance form filed at Step 1 and all written responses and documents in support of the grievance.

(b) The President, or his/her representative, shall meet with the UFF grievance representative within ten (10) days after receipt of the request at Step 2 and shall issue a written decision to the grievant and the grievant's representative, if any, within ten (10) days following the meeting.

11.12 Step 3.

(a) If the grievance has not been satisfactorily resolved at Step 2, the grievant may, on the form contained in Appendix E, file a request for review with the Chancellor or representative within ten (10) days following the receipt of the Step 2 decision. The request shall include a copy of the grievance form filed at Step 1, the Step 2 Request for Review, and all written responses and documents in support of the grievance.

(b) The Chancellor or representative shall schedule a meeting with the UFF grievance representative within fifteen (15) days after the filing of the grievance at Step 3 and shall issue a written decision to the grievant and the grievant's representative, if any, within twenty-five (25) days following the meeting.

11.13 Step 4. If the grievance has not been satisfactorily resolved at Step 3, UFF may, upon the request of the grievant, proceed to arbitration by filing a written notice of intent to do so on a form contained in Appendix F. Notice of intent to proceed to arbitration must be filed with the Chancellor or representative within twenty-five (25) days after receipt of the Step 3 decision and shall be signed by the grievant and the UFF President or representative.

11.14 Selection of Arbitrator. Representatives of the Board and UFF shall meet within ninety (90) days after the execution of this Agreement for the purpose of selecting a fifteen-member Arbitration Panel. Within fourteen (14) days after receipt of a Notice of Arbitration, representatives of the Board and UFF shall meet for the purpose of selecting an arbitrator from the Panel. Selection shall be by mutual agreement or by alternately striking names

from the Arbitration Panel list until one (1) name remains. The winner of a coin toss shall be the first to strike a name from the list. If the parties are unable to agree on a panel of arbitrators, they shall follow the normal American Arbitration Association procedure for the selection of an arbitrator. The parties may mutually select as the arbitrator an individual who is not a member of the Arbitration Panel. The arbitration shall be concluded within ninety (90) days following the selection of the arbitrator.

11.15 Authority of the Arbitrator.

(a) The arbitrator shall neither add to, subtract from, modify, nor alter the terms or provisions of this Agreement. Arbitration shall be confined solely to the application and/or interpretation of this Agreement and the precise issue(s) submitted for arbitration. The arbitrator shall have no authority to determine any other issue. The arbitrator shall refrain from issuing any statements of opinion or conclusions not essential to the determination of the issues submitted.

(b) If a supervisor has made a judgment involving the exercise of discretion, such as decisions regarding evaluation, the arbitrator shall not substitute the arbitrator's judgment for that of the supervisor, nor shall the arbitrator review such decision except for the purpose of determining whether the decision has violated this Agreement.

(c) If the arbitrator determines that the Agreement has been violated, the arbitrator shall direct the University to take appropriate action. An arbitrator may award back pay if the arbitrator determines that the employee is not receiving the appropriate compensation from the University, but the arbitrator may not award other monetary damages or penalties.

(d) If notice that further employment will not be offered is not given on time, the arbitrator may direct the University to renew the appointment only upon a finding that no other remedy is adequate, and that the notice was given so late that (1) the employee was deprived of reasonable opportunity to seek other employment, or (2) the employee actually rejected an offer of comparable employment that the employee otherwise would have accepted.

11.16 Burden of Proof. In all grievances except disciplinary grievances, the burden of proof shall be on the employee. In disciplinary grievances, the burden of proof shall be on the Board.

11.17 Arbitrability. In any proceeding, the first matter to be decided is the arbitrator's jurisdiction to act, which decision the arbitrator shall announce. Upon concluding that the arbitrator has no such power, the arbitrator shall make no decision or recommendation as

to the merits of the grievance. Upon concluding that the issue is arbitrable, the arbitrator shall normally proceed with the hearing at that time, provided that either party may seek judicial review of the arbitrator's decision as to jurisdiction and have the hearing on the merits of the grievance delayed until such review is completed, pursuant to Section 682.03, Florida Statutes.

11.18 Conduct of Hearing.

(a) The arbitrator shall hold the hearing in the city where the grievant is employed, unless otherwise agreed by the parties. The hearing shall commence within twenty-five (25) days of the arbitrator's acceptance of selection or as soon thereafter as is practicable, and the arbitrator shall issue the decision within sixty (60) days of the close of the hearing or the submission of briefs, whichever is later, unless additional time is agreed to by the parties.

(b) The decision shall be in writing and shall set forth findings of fact, reasoning, and conclusions on the issues submitted. Except as expressly specified in this Article, the provisions of the Florida Arbitration Code, Chapter 682, Florida Statutes, shall not apply. Except as modified by the provisions of this Agreement or by other agreement of the parties, arbitration proceedings shall be conducted in accordance with the rules and procedures of the American Arbitration Association.

11.19 Effect of Decision. The decision or award of the arbitrator shall be final and binding upon the Board, UFF, and the grievant, provided that either party may appeal to an appropriate court of law a decision that was rendered by the arbitrator acting outside of or beyond the arbitrator's jurisdiction, pursuant to Section 682.0, Florida Statutes.

11.20 Fees and Expenses. All fees and expenses of the arbitrator shall be divided equally between the parties. Each party shall bear the cost of preparing and presenting its own case. The party desiring a transcript of the arbitration proceedings shall provide written notice to the other party of its intention to have a transcript of the arbitration made at least one (1) week prior to the date of the arbitration. The party desiring such transcript shall be responsible for scheduling a stenotype reporter to record the proceedings. The parties shall share equally the appearance fee of the stenotype reporter and the cost of obtaining an original transcript and one (1) copy for the party originally requesting a transcript of the proceedings. The requesting party shall, at its expense, photocopy the copy of the transcript received from the reporter and deliver the photocopy to the other party within five (5) days after receiving the copy of the transcript from the reporter.

11.21 Time Limits. All time limits contained in this Article may be extended by mutual agreement of the parties, except that the time limits for the initial filing of a grievance may be extended only by agreement between the Board and UFF or their representatives. Upon failure of the Board or the University to provide a decision within the time limits provided in this Article, the grievant or UFF, where appropriate, may appeal to the next step. Upon the failure of the grievant or UFF, where appropriate, to file an appeal within the time limits provided in this Article, the grievance shall be deemed to have been resolved by the decision at the prior step.

11.22 Notification. All grievances, requests for review, notices, and decisions shall be transmitted in person or by certified or registered mail, restricted delivery, return receipt requested. In the event of a question as to the timeliness of any grievance, request for review, notice, or decision, the date of receipt shall be determinative. In the event that any action falls due on a day when the University or the Board (as appropriate) is closed for normal business, the action will be considered timely if it is accomplished by 5:00 p.m. on the following business day.

11.23 Precedent.

(a) No complaint informally resolved or grievance resolved prior to arbitration shall constitute a precedent for any purpose unless agreed to in writing by the Board and UFF acting through its president or representative.

(b) The interpretation of a provision of this Agreement shall not constitute a precedent for interpretation of the same or similar provisions in other collective bargaining agreements operative in the State University System.

11.24 Retroactivity. An arbitrator's award may or may not be retroactive as the equities of each case may demand, but in no case shall an award be retroactive to a date earlier than thirty-five (35) days prior to the date the grievance was initially filed in accordance with this Article or the date on which the act or omission occurred, whichever is later.

11.25 Processing. The filing or pendency of any grievance, or of arbitration proceedings, under this Article shall not operate to impede, preclude, or delay the Board or University from taking the action complained of. Reasonable efforts, including the shortening of time limits when practical, shall be made to conclude the processing of a grievance prior to the expiration of the grievant's employment, whether by termination or failure to reappoint. In no event shall any employee, as a result of a pending grievance, receive compensation following cessation of employment.

11.26 Reprisal. No reprisal of any kind will be made by the Board, University, UFF or their representatives against any grievant, any witness, any UFF representative, or any other participant in the grievance procedure by reason of such participation.

11.27 Records. All written materials pertinent to a grievance shall be filed separately from the evaluation file of the grievant or witnesses, except decisions resulting from arbitration or settlement.

ARTICLE 12 MATRICULATION AND TUITION PROGRAM

12.1 Policy. The parties agree that payment by the university of matriculation fees for graduate assistants, and non-resident tuition charges for all out-of-state graduate assistants, which results in those employees being allowed to waive such payment, is highly desirable in order to attract high quality graduate students to the State University System and to improve the quality of education therein.

12.2 Waivers.

(a) The parties will continue to seek legislative funding to meet the costs associated with the matriculation and tuition fee waiver program. Waivers shall be for at least the minimum number of credit hours required to hold the employee's graduate assistant appointment. If sufficient funds are not available to provide all graduate assistants with such waivers, first consideration for receipt of these waivers shall be given to graduate assistants who are employed for .25 FTE or more for at least one (1) semester during the 1994-95 academic year and who have maintained a 3.0 cumulative GPA.

(b) In order to supplement the funding provided by the Legislature for this program and following the practice of other major research institutions throughout the country, the universities shall encourage those individuals who make application for contracts or grants to incorporate the costs of the matriculation and tuition charges which are associated with graduate assistants who are to be supported by such contract or grant into the contract or grant proposal.

12.3 Report to GAU. A report of the distribution of matriculation and tuition fees paid by the university shall be provided to GAU within two (2) weeks after the report is final. This report shall include information regarding the total amount of matriculation and tuition and

fee waiver funds as well as employee name, academic department, and the number of hours the employee was authorized to waive.

12.4 Excess Funds. The GAU may request a consultation with the Graduate Dean or his/her representative regarding the distribution of funds in excess of those needed to fund the waivers described in Section 12.2.

ARTICLE 13 RESERVED RIGHTS

13.1 Reservation of Rights. The Board retains and reserves to itself all rights, powers, and authority vested in it, whether exercised or not, including but not limited to the right to plan, manage, and control the State University System and in all respects carry out the ordinary and customary functions of management.

13.2 Limitations. All such rights, powers, and authority are retained by the Board subject only to those limitations expressly imposed by this Agreement. Only violations of such limitations shall be subject to Article 11, Grievance Procedure.

ARTICLE 14 USE OF FACILITIES

14.1 University Facilities. UFF shall have the right to use University facilities for meetings and all other services on the same basis as they are generally available to other University-related organizations. University-related organizations are defined as follows:

University-related Groups and Organizations. Those groups and organizations may or may not receive budgetary support. Examples of such groups include: student organizations, honor societies, fraternities, sororities, alumni associations, faculty committees, career service staff council, direct support organizations, the United Faculty of Florida, etc.

14.2 Bulletin Boards. UFF may post bulletins and notices relevant to its position as the collective bargaining representative of the employees on one (1) bulletin board in each building in which employees work. The University shall notify the UFF of the location of

said bulletin board. Materials placed on the designated bulletin boards may not be used for election campaigns for public office, or exclusive collective bargaining representation.

14.3 UFF Leaves of Absence.

(a) At the request of UFF in writing, leaves of absence of at least one (1) semester shall be granted to a maximum of six (6) employees designated by UFF for the purpose of carrying out UFF's obligation in representing employees and administering this Agreement. Such leave shall be for the employee's FTE rate, i.e., .5 FTE, .33 FTE, etc.

(b) If there are fewer than six (6) employees throughout the SUS on such leave, no more than two (2) employees shall be from one (1) University; if six (6) employees, no more than three (3) employees shall be from one (1) University.

(c) No more than one (1) employee from a single department need be given such leave.

(d) UFF shall reimburse the University for the employee's salary and other benefits.

(e) The employee shall have all other rights of employees and shall receive the average salary increase granted to other members of the bargaining unit at that University.

(f) The University or the Board shall not be liable for the acts or omissions of said employees in furtherance of union activity during the leave, and UFF shall hold the University harmless for any such acts or omissions.

(g) An employee on such leave shall not be evaluated for this activity.

(h) UFF shall transmit requests for such leave to the University President no later than June 1 for leaves in the Fall semester and no later than October 20 for leaves in the Spring semester.

ARTICLE 15 UNION DEDUCTIONS

15.1 Deductions. Pursuant to the provisions of Section 447.303, Florida Statutes, the Board and UFF hereby agree to the deduction and remittance of UFF membership dues and uniform assessments.

15.2 Procedure. During the term of this Agreement, the Board, by and through the University, agrees to deduct UFF membership dues and uniform assessments, if any, in an amount established by UFF and certified in writing by the UFF Statewide President to the Board, from the pay of those employees in the bargaining unit who individually and

voluntarily make such request on a written check-off authorization form as contained in Appendix B to this Agreement, as follows:

(a) Commencement of Deduction. Deductions will be made beginning with the first full pay period commencing at least seven (7) full days following receipt by the University of check-off authorization. UFF shall give written notice to the Board of any changes in its dues or uniform assessments at least forty-five (45) days prior to the effective date of any such change.

(b) Remittance. The dues and uniform assessments deducted, if any, shall be remitted by the University to the UFF Statewide President within thirty (30) days following the end of the pay period. Accompanying each remittance shall be a list of the employees from whose salaries such deductions were made and the amounts deducted.

(c) Termination of Deduction. The Board's responsibility for deducting dues and uniform assessments, if any, from an employee's salary shall terminate automatically upon either (1) thirty (30) days written notice from the employee to the University personnel office revoking that employee's prior check-off authorization, or (2) the discontinuance of the authorizing employee's status within the bargaining unit. The University shall notify the UFF Chapter and the Board of all terminations of deductions prior to their effective date. Employees who have valid dues check-off authorizations filed with the University, whose dues check-off is discontinued because of a leave without pay or movement to a non-unit position, shall have their dues check-off resumed upon return to pay status within the bargaining unit, provided the absence from the unit is not longer than one semester.

15.3 Indemnification. UFF assumes responsibility for: (1) all claims against the Board and the University, including the cost of defending such actions, arising from their compliance with this Article, and for (2) all monies deducted under this Article and remitted to UFF. UFF shall promptly refund to the University excess monies received under this Article.

15.4 Exceptions. The Board will not deduct any UFF fines, penalties, or special assessments from the pay of any employee.

15.5 Termination of Agreement. The Board's responsibilities under this Article shall terminate automatically upon: (1) decertification of UFF or the suspension or revocation of its certification by the Florida Public Employees Relations Commission, or (2) revocation of UFF's check-off privilege by the Florida Public Employees Relations Commission.

**ARTICLE 16
INSURANCE DEDUCTION**

The Board agrees to provide one (1) payroll deduction per employee per pay period for the UFF voluntary economic services programs. It is understood that all such programs and deductions will meet requirements of State and Board rules and regulations.

**ARTICLE 17
MISCELLANEOUS PROVISIONS**

17.1 No Strike or Lockout. The Board agrees that there will be no lockout at the University during the term of this Agreement. UFF agrees that there will be no strike by itself or by any employees during the term of the Agreement.

17.2 Effect of Passage of Law. Any provision of this Agreement which is contrary to law, but becomes legal during the term of this Agreement, shall take immediate effect upon the enactment of such legislation.

17.3 Legislative Action. The Board and UFF agree that neither will attempt to influence or support changes in existing statutes or legislation which would change the terms of this Agreement.

17.4 Venue. For purposes of venue in any judicial review of an arbitrator's decision, the parties elect to submit themselves to the jurisdiction of the courts in Leon County, Florida. In an action commenced in Leon County, neither the Board nor UFF will move for a change of venue based upon the defendant's residence in fact if other than Leon County.

17.5 Copies of Agreement. The Board agrees to send to the local UFF office 4,500 copies of the ratified Agreement for distribution to employees, as well as 3,000 copies of amended articles or provisions for such distribution, and to make additional copies of the Agreement available for examination at designated places at the University.

17.6 Class Titles. Whenever the Board creates a new class, it shall designate such class as being either within or outside the bargaining unit and shall notify UFF. Further, if the Board revises the specifications of an existing class so that its bargaining unit designation is changed, it shall notify UFF of such new designation. Within ten (10) days following

such notification, UFF may request a meeting with the Board or its representative for the purpose of discussing the designation. If, following such discussion UFF disagrees with the designation, it may request the Florida Public Employees Relations Commission to resolve the dispute through unit clarification proceedings. An employee may request a review of the appropriateness of the employee's classification by the appropriate University office. The matter shall not be subject to Article 11, Grievance Procedure.

17.7 Report to GAU. Each university shall provide a report containing the following information to the local GAU chapter no later than the third week of the semester, if practicable: employee name, class title/code, and hiring/academic department. This report is in addition to the reports provided by the university pursuant to Sections 12.3 and 23.8.

17.8 Dissemination of Information. Each university agrees to work with the local GAU to disseminate information.

ARTICLE 18 OTHER EMPLOYEE RIGHTS

18.1 Work Space. If the University requires that the assigned duties of an employee be performed in a specific on-campus location, other than the computer center or the library, the University shall provide space for such assignment. If practicable, space shall be provided where private consultations with employees' students may be held. Before an employee's workspace location is changed, or before there is a substantial alteration to an employee's workspace to a degree that impedes the employee's work effectiveness, the affected employee shall be notified, if practicable, at least one (1) month prior to such change.

18.2 Mail. Employees shall be entitled to receive employment-related mail at their work location. Each employee shall be notified of a location where such mail may be picked up.

18.3 Safe Conditions. Employees are responsible for immediately reporting situations involving unsafe working conditions to appropriate administrators. Appropriate administrators include, but are not limited to, the employee's immediate supervisor, graduate coordinator, department chair, or Dean. Whenever an employee reports a condition which the employee feels represents a violation of safety or health rules and

regulations or which is an unreasonable hazard to persons or property, such conditions shall be promptly investigated.

18.4 Limitation on Personal Liability.

(a) In the event an employee is sued for an act, event, or omission which may fall within the scope of Section 768.28, Florida Statutes, the employee should notify the President's office as soon as possible after receipt of the summons commencing the action in order that the University and the Board may fulfill their obligation. Failure to notify the employer promptly may affect the rights of the parties.

(b) For information purposes, the following pertinent language of Section 768.28(9), Florida Statutes, is reproduced herein:

No officer, employee, or agent of the state or its subdivisions shall be held personally liable in tort for any injuries or damages suffered as a result of any act, event or omission of action in the scope of his employment or function unless such officer, employee, or agent acted in bad faith or with malicious purpose or in a manner exhibiting wanton or willful disregard of human rights, safety or property.

18.5 Access to Resources. Employees who are assigned instructional or research duties shall be provided reasonable access to departmental laboratories, studios, computer centers, and the like used in connection with assigned responsibilities.

18.6 Health Insurance. The parties agree to establish a joint study group to examine health care options for Graduate Assistants. The group will report recommendations to the bargaining team leaders not later than August 1, 1997.

**ARTICLE 19
TOTALITY OF AGREEMENT**

19.1 Limitation. The parties acknowledge that during the negotiations which resulted in this Agreement, UFF had the unlimited right and opportunity to present demands and proposals with respect to any and all matters lawfully subject to collective bargaining, and that all of the understandings and agreements arrived at thereby are set forth in this

Agreement, and that it shall constitute the entire and sole Agreement between the parties for its duration.

19.2 No Obligation to Bargain. Therefore, the Board and UFF, during the term of this Agreement, voluntarily and unqualifiedly waive the right, and agree that the other shall not be obligated, to bargain collectively with respect to any subject or matter, whether or not referred to or covered by this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of the parties at the time they negotiated or signed this Agreement.

19.3 Modifications. Nothing herein shall, however, preclude the parties from mutually agreeing to alter, amend, delete, enlarge, or modify any of the provisions of this Agreement in writing.

ARTICLE 20 SEVERABILITY

In the event that any provision of this Agreement (a) is found to be invalid or unenforceable by final decision of a tribunal of competent jurisdiction, or (b) is rendered invalid by reason of subsequently enacted legislation, or (c) shall have the effect of a loss to the State of Florida or to the State University System of funds, property, or services made available through federal law, or (d) pursuant to Section 447.309(3), Florida Statutes, can take effect only upon the amendment of a law, rule or regulation and the governmental body having such amendatory powers fails to take appropriate legislative action, then that provision shall be of no force or effect, but the remainder of the Agreement shall continue in full force and effect. If a provision of this Agreement fails for reason (a), (b), or (c) above, the parties shall enter into immediate negotiations for the purpose of arriving at a mutually satisfactory replacement for such provision.

ARTICLE 21 AMENDMENT AND DURATION

21.1 Duration. The agreement shall become effective on the date it is ratified by both parties and remain in effect through June 30, 1999, with the following exceptions:

(a) Re-opener negotiations for the 1998-99 year shall begin no later than October 1, 1997. Subjects for such renegotiations shall be Health Insurance (Article 18.6) and Stipends (Article 23).

(b) Negotiations for a successor agreement shall begin upon request by either party no later than October 1, 1998.

21.2 Amendments. In the event the Board and UFF negotiate a mutually acceptable amendment, it shall be put in writing and become part of this Agreement upon ratification by both parties.

ARTICLE 23 STIPENDS

23.1 Stipend Increases. From a total fund of 2.78% of the stipends of eligible employees, as defined in Section 23.4, the Board shall provide stipend increases as follows:

(a) Stipend Increase. Eligible employees with December 31, 1997, stipend rates of less than \$6,240 shall have their stipend rate increased to \$6,240.

(b) General Increase. Funds remaining after (a) will be used to provide an across-the-board increase in equal amounts to all eligible employees.

(c) Specific Increases. In the event that the 1997 Legislature appropriates funds in excess of 2.78%, such funds shall be distributed to eligible employees in recognition of meritorious performance and for market equity considerations including counteroffers, internal equity issues, and other department or college needs.

(d) Stipend increases shall be computed in proportion to the FTE assigned and the length of the appointment.

23.2 Minimum Stipend. Each nine-month (9) employee (19.5 pay periods) on a .5 FTE appointment shall be guaranteed a minimum stipend of \$6,240. Appointments greater or less than .5 FTE shall be paid at a stipend rate representing a proportion of this minimum as determined by the fractional FTE appointment and the budgeted weeks of activity. An employee who is appointed as a graduate assistant in one department and subsequently accepts a position in a different department shall be paid in accordance with the level of stipends for similar employees in the new department/unit.

23.3 Eligibility for Stipend Increases. Employees eligible for the stipend increases described in Section 23.2 are those who were employed at least one (1) semester during the 1996-97 academic year for at least .25 FTE, and are employed at least one semester for at least .25 FTE in the 1997-98 academic year.

23.4 Effective Date of Stipend Increases. The effective date for the stipend increases described in Sections 23.2 shall be no later than January 1, 1998.

23.5 **Contract and Grant Funded Increases.** Eligible employees on contracts and grants shall receive those increases described in Sections 23.2, provided that such stipend increases are permitted by the terms of the contract and grant and provided further that adequate funds are available for that purpose in the contract or grant.

23.6 **Report to GAU.** A report of the distribution of stipend increases shall be provided to the GAU no later than 90 days after the effective date of the increases. The report shall include:

1. employee name;
2. the December 31, 1997, base stipend upon which each eligible employee's stipend increase was computed and the associated FTE;
3. the 1997-98 adjusted base stipend amount and the associated FTE; and
4. the percent increase received by the employee.

23.7 **Initial Payment.** Those employees who have been employed as graduate assistants within the last six (6) months shall, if practicable, receive their first pay check not later than six (6) weeks after the receipt by the Academic Personnel Office of the properly completed appointment papers, or by the appropriate payday for the payroll period following the employee's appointment, whichever is later.

23.8 **Nothing contained herein shall prevent the Board from providing salary increases beyond the increases specified above.**

IN WITNESS THEREOF, the parties have set their signatures this 2nd day of June, 1997
