With the exception of poultry products, the pricing of all meat products shall be done on the premises except as provided herein. Notwithstanding, the Employer may have specialized sanitation work, such as cleaning of ceiling tiles, grease traps, drains, walls, etc., performed by personnel outside of the bargaining unit.

Section 2A. Bargaining unit employees shall perform the work of cutting or preparation of meats that are cut, processed or prepared on the Employer's premises for immediate human consumption.

All fresh, cured, smoked or frozen meat, refrigerated luncheon meats, fish, poultry and rabbits shall be handled by employees within the bargaining unit. Nothing in this Agreement shall be construed to prevent non-bargaining unit employees from selecting customer purchases from the sales floor throughout the entire store, including the storage and retrieval thereof.

No one other than employees covered by this Agreement shall be permitted to perform the cutting or preparation of meat in the meat departments, meat markets, seafood or delicatessen departments on the Employer's premises, except as set forth below:

For purposes of this provision, the product categories as used herein shall be interpreted to include all products delivered by such vendor. Additionally, all vendors shall be allowed to stock and otherwise maintain any J-Hook or Clip strip program. Additionally, all vendors may perform: any work in connection with promotional and seasonal displays; facing in connection with the service of product; rotation of product; cleaning of product, shelves and racks; affixing coupons and other promotional materials to products; vendors shall be permitted to perform three (3) major resets per store, per section, per calendar year. opening of a new store and the two (2) week period thereafter, or during the two (2) weeks before and after a store remodel.

Section 2C. A Journeyman Meat Cutter shall be on duty in each store a minimum of eight (8) hours per calendar day. Hours scheduled in the classifications of Head Meat Cutter and First Cutter may be used to satisfy this obligation. Section 2D. Retail Clerks may assist in meat department clean up work, provided such assignments do not conflict with applicable child labor and/or health and safety regulations.

Section 3. It is understood that the cutting or preparation of meats that are cut, processed or prepared on the Employer's premises for immediate human consumption will continue to be performed in the market located on the Employer's premises, unless the Employer transfers said work, in which case the following paragraph will be applicable: If the Employer transfers the cutting and fabricating of retail cuts of fresh meats performed in its retail store or stores covered by this Agreement to a location or locations outside of said retail store or stores, the Employer will continue to recognize the Union as the bargaining agent for the meat cutters, apprentices and wrappers employed by the Employer in the cutting and fabricating of retail cuts of fresh meat, and the seniority rights provided in this Agreement shall continue to apply throughout the bargaining unit, including said new location or locations of the Employer.

Section 3A. Notwithstanding anything contained herein to the contrary, the Employer shall not be restricted in, or prohibited from, obtaining and offering for sale fresh, smoked, cured, cooked and frozen meats, poultry, fish or seafood which have been cut, prepared, processed, packaged, weighed and/or priced off the Employer's premises and it is expressly understood and agreed that such shall not constitute a violation of this Agreement. Notwithstanding the preceding sentence, the Employer agrees that no head meat cutter, first cutter, journeyman meat cutter or apprentice meat cutter assigned to one of the aforementioned classifications by the Employer on or before May 11, 1996 shall be laid off or reduced in scheduled hours. The Employer shall have the right to transfer and/or schedule meat cutters in more than one (1) store within the bargaining and/or adjacent bargaining unit(s) as may be necessary to fulfill this obligation, except that the Employer shall not schedule such employees for split shifts.

The Employer shall continue to have the right to lay off employees in accordance with the provisions of this Agreement, provided that the layoff of any meat wrapper, butcher block, seafood clerk or delicatessen clerk assigned to such classification on or before May 11, 1996, is for reasons other than the Employer's utilization of the products set forth in Section 3A above. It is understood and agreed that in meeting the job guarantees contained herein the Employer shall have the right to assign any higher classified employee to perform work in a lower classification.

In the event of a store closure, or plant closure, resulting in the layoff of any head meat cutter, first cutter, journeyman meat cutter, apprentice meat cutter or meat wrapper, such affected employee(s) shall be permitted to exercise his seniority to displace the least senior meat cutter or meat wrapper in the involved bargaining unit as provided for herein, or, at the affected employee's discretion, the least senior meat cutter or meat wrapper in the State of Colorado. Such least senior meat cutter or meat wrapper affected by the exercise of the most senior meat

Section 9. Whenever the Union requires the Employer to discharge any employee for failure to join or to maintain his membership in the Union in good standing in accord with the terms of this Article, the Union agrees to furnish the Employer an itemized copy of the delinquent's account with the Union, together with a written request for discharge. The Employer will discharge any employee who falls within the bargaining unit as described in Section 1 hereof within ten (10) days after the receipt of said written request for discharge, unless within said ten (10) day period the delinquent employee pays or tenders his delinquent initiation fee and/or delinquent Union dues to an authorized agent of the Union.

ARTICLE 4 CHECK-OFF

Section 10. The Employer agrees to deduct the weekly dues, legal rejoining fees and uniform assessments, (including initiation fees for new employees) from the net amount due each employee in the bargaining unit as described in Section 1 hereof who has furnished the Employer (either directly or through the Union) with an individual written authorization for making such deductions on a form mutually agreed upon between the Employer and the Union. It is understood that the check-off authorization is to be entirely voluntary upon the part of each such individual employee and that any such employee may revoke his individual check-off authorization upon giving thirty (30) days written notice to the Employer and the Union. When an employee is hired for a job, or transferred or promoted or demoted into a bargaining unit job as described in Section 1 hereof, the Employer agrees within three (3) days to fill out a mutually agreeable form in triplicate, which advises the employee of his obligation to join the Union. One (1) copy of this form will be given the employee and one (1) copy will be mailed to the Union in a stamped, addressed envelope provided by the Union.

ARTICLE 6 RIGHTS OF MANAGEMENT

Section 13. The Employer retains the right to manage its business, to establish reasonable standard of dress, to direct the working forces and to make necessary rules and regulations for the conduct of the business, providing that said rules and regulations are not in conflict with the terms of this Agreement in any way.

ARTICLE 7 DEFINITIONS OF CLASSIFICATIONS

Section 14. Head Meat Cutter: Shall be considered the employee responsible for the operation of the market and the union will not recognize any employee as Head Meat Cutter who is not employed full-time in any store covered by this Agreement.

During an apprentice's three (3) years training period, he shall be assigned from time to time to all jobs normally done in the particular market.

One (1) apprentice shall be allowed to every two (2) Journeymen or a fraction thereof in each market, and one (1) additional apprentice to every two (2) additional Journeymen in said market. This limitation on apprentices may be relaxed during emergency periods when the Union is unable to furnish qualified Journeymen to the Employer.

The work allotted to employees falling in the classifications "wrappers" shall be strictly confined to wrapping, weighing, pricing and tagging the packages and clean-up work in this particular department as well as cleaning cases and pans, traying of rewraps, ordering of merchandise, receiving, checking,

putting away loads. Wrappers may assist in doing inventory. Wrappers may also be required to stock and rotate cases with fresh meat, cooked and smoked meats and frozen food. Nothing herein shall be construed to limit "Wrappers" from giving service to customers provided such service does not include the sawing or cutting of merchandise. In order to provide superior customer service, when no Meat Cutter is available, Meat Wrappers may use the slicer for the slicing of meats and ham. Additionally, Meat Wrappers may use the tools of the trade, except the band saw, to perform work in response to a specific customer request.

Section 18. Clean-Up Personnel: Employees assigned as "Clean-up Personnel" shall clean all work areas of the meat and delicatessen departments, including walls, freezer, walk-in box, hold box, cutting room and wrapping area, as well as cleaning blocks, meat and delicatessen cases and disassembled power tools and equipment.

Such work shall also include use of tools of the trade and such clean-up and other work associated with the practical operation of the department. Delicatessen department employees may operate a cash register in the delicatessen department. Nothing in this Section shall be construed to prevent delicatessen employees from ringing incidental sales from other departments of the store.

Section 21. Seafood Clerks: Seafood Clerks shall be allowed to perform all work in connection with the processing and sale of product in a specialty meat or seafood department. It is further understood that a Seafood Clerk may perform all duties of a meat wrapper. Seafood Clerks will be considered as a separate group for the purpose of applying the seniority provisions of Articles 27, 28, 30, 31, 32 and 33.

Section 22. New Classifications: When a new job is created by the Employer, the Union shall be notified immediately, and a new wage rate for such job shall be determined by the Employer and the Union.

Section 23. Work Between Classifications: It is understood that employees may perform incidental work in another classification without violating this Agreement.

ARTICLE 8 RATES OF PAY

Section 24. The classifications, wages, and special conditions applicable to employees are set forth in Appendix "A", attached hereto, and, by this reference made a part hereof.

Section 24a. In applying Section 24 of Article 8 of this Agreement to any newly hired employee, the Employer will give recognition to the verified number of hours of actual work experience on a comparable job

which said newly hired employee may have performed within the previous five (5) years for any other Employer in a similar retail grocery operation.

Any grievance over recognition given an employee for comparable work experience at the time of his employment must be filed pursuant to the terms and conditions of the grievance procedure of this Agreement (excluding the employee's trial period).

ARTICLE 9 PAY FOR WORK IN HIGHER/LOWER CLASSIFICATION

Section 25. Temporary assignments of employees may be made by the management to perform work in higher or lower classifications within or between departments.

When an employee is required to perform work in a higher classification, he shall receive the higher rate, based on his experience; but, if required to perform work in a lower classification, he shall retain his regular rate, except in the case of actual demotion, when the employee shall receive pay according to his classification.

When a Delicatessen Clerk is assigned by the Employer to assume the duties and responsibilities of the Delicatessen Manager for a continuous period of one (1) week or more, such employee shall be paid the Delicatessen Manager rate of pay for all hours worked while so assigned.

Whenever a bargaining unit employee is promoted, the Company shall ascertain whether the employee has worked, on a temporary basis, in the classification they are promoted to. If so, they will be credited such hours and will be paid accordingly.

If the Company or Union becomes aware of employees who have not, in the past, received proper credit for such hours, the Company will credit such, notwithstanding the grievance/arbitration time limits set forth in the collective bargaining agreements between the parties. However, backpay shall be limited to ninety (90) days in accordance with the collective bargaining agreement.

Section 26. When a Journeyman relieves a Head Meat Cutter for one (1) week or longer, he shall be paid the contract rate of pay for Head Meat Cutter for such time spent in relief.

No employee shall have his hourly wage reduced who may now be receiving more than the minimum wage called for in this Agreement, nor shall his hours be lengthened unless he is properly compensated therefore in accord with the terms of this Agreement, unless otherwise agreed between the parties, and employees shall not be reclassified to defeat the purpose of this agreement. No employee shall be asked to make any verbal or written agreement that shall conflict with this Agreement in anyway.

Section 28. During the life of this Agreement, the Employer shall not raise or lower hourly rates of pay except as dictated by the wage scales set forth elsewhere in this Agreement.

ARTICLE 11 WORKWEEK

Section 29. The workweek shall coincide with the calendar week.

Forty (40) hours to be worked in any five (5) eight (8) hour days shall be the basic workweek for regular full-time employees. Regular full-time employees shall be scheduled for at least forty (40) hours of work to be performed in five (5) days unless reduced in accordance with seniority. Regular full-time employees shall be scheduled for at least thirty-two (32) hours of work to be performed in four (4) days (exclusive of the holiday) during a week in which a holiday occurs, unless reduced in accordance with seniority.

Upon mutual agreement between the Employer and the employee, a full-time employee can be allowed to work four (4) ten (10) hour days, to make up the standard workweek for full-time employees.

Overtime will be computed for all hours worked over forty (40). Hours worked over eight (8) will not apply to full-timers working the ten (10) hour shifts. It is also understood that all other provisions of the contract, including seniority rights, will be modified as applicable toward any ten (10) hour shifts the Employer should create in the individual store.

During a holiday week, employees who have normally been scheduled four (4) ten (10) hour days may be scheduled four (4) or five (5) eight (8) hour days and will receive (8) hours holiday pay. Employees scheduled three (3) or four (4) ten (10) hour days in a holiday week shall receive ten (10) hours holiday pay.

- b. For all time worked in excess of forty (40) hours in any one (1) workweek as described above.
- c. All employees will have eight (8) hours between shifts on scheduled or worked hours and will be paid the overtime rate if they do not have such.

Employees scheduled and working more than five (5) days in a workweek will receive time and one-half (1 1/2x) for the day on which the least number of hours was worked.

Section 31. No Pyramiding of Overtime. It is understood and agreed there shall be no pyramiding of overtime and premium for the same hours of work.

ARTICLE 13 SUNDAY PREMIUM

Section 32. The premium rate for work performed on Sunday as such shall be one and one-fourth times (1 1/4x) the employee's regular straight-time rate of pay. The Sunday premium, for hours worked up to eight (8), shall in no instance be offset against any weekly overtime which may be due under subparagraph (b) of Section 30 because of the fact that the employee worked over forty (40) hours in the particular workweek. The Sunday premium shall not be averaged into the employee's straight-time rate for the purpose of determining the rate upon which daily or weekly overtime is based in any workweek under Section 30 hereof.

Employees hired on or after March 27, 2005 shall not be eligible for Sunday Premium

Section 33. On the first day of the month following each ninety (90) days of a year (January 1st, April 1st, July 1st and October 1st), an employee can designate, in writing, his/her desire to be scheduled during Sunday hours.

The Employer will select the necessary employees from this list in accordance to seniority, within each store and department, considering the job assignment required and provided the employee normally performs the work required. Should the Employer not be able to staff his schedule requirements through this procedure, qualified employees shall be assigned the remaining available schedules by reverse seniority, within their respective classifications, within each department and store.

ARTICLE 14 TRAVEL PAY

Section 34. When an employee is transferred from one store to another store during his workday, reasonable time spent in traveling between said stores shall be considered as time worked. Assigned travel between stores in the employee's personal vehicle shall be reimbursed in the amount of twenty-eight cents (\$.28) per mile or the rate paid to non-bargaining unit employees, whichever is greater, exclusive of travel to and from the employee's home. No employee will be required to use his personal vehicle to conduct Company business. Before an employee is permitted to use his/her personal vehicle for company business, the Employer shall have the employee sign a statement acknowledging his/her risk and certification of a valid drivers license and insurance coverage.

When an employee performs work outside of their bargaining unit, they shall be paid twenty-eight cents (\$.28) or the rate paid to non-bargaining unit employees, whichever is greater.

ARTICLE 15 NIGHT PREMIUM

Section 35. A premium of fifty cents (\$.50) per hour shall be paid for all work performed between the hours of 12:00 midnight and 6:00 a.m. to all employees. Employees whose shifts are scheduled to end at 12:00 p.m. need not be paid any premium under this Section, even where it is necessary for them to remain on the job for a short period in order to complete their work, provided that such additional period does not exceed fifteen (15) minutes.

Night premiums shall not apply where an employee is working at overtime or on a holiday or on a Sunday.

ARTICLE 16 HOLIDAYS AND HOLIDAY PAY

Section 36. All employees hired on or before March 26, 2005 who have completed their probationary period shall be paid for the following holidays whether or not they fall on what would normally be a workday for the employees involved: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, and Christmas Day. Such employees shall be entitled to two (2) personal holidays, which must be requested two (2) weeks in advance and approved by the Store Manager.

All employees hired on or after March 27, 2005 who have completed their probationary period shall be paid for the following holidays whether or not they fall on what would normally be a workday for the employees involved: Thanksgiving Day and Christmas Day. Such employees shall be entitled to one (1)

personal holiday after two years of service, two (2) personal holidays after three (3) years of service, and three (3) personal holidays after four years of service. Such holidays must be requested two (2) weeks in advance and approved by the Store Manager.

Section 37. The Employer may operate its stores at its sole discretion on any of the holidays recognized by this Agreement.

Section 38. Personal Holidays. To be eligible for personal holidays during each calendar year, an employee must be on the payroll as of January 1 of each year. Such holidays must be taken during the respective calendar year. An employee whose employment terminates prior to having taken his personal holiday or who fails to take his personal holiday in the calendar year shall not be entitled to holiday pay. In the event an employee fails to schedule his personal holiday by October 1 of the calendar year, the Employer will select a date and schedule such employee for his remaining personal holidays for that year.

Section 39. When a holiday falls on Sunday, the following day shall be observed.

Section 40. Holiday Pay for Full-Time. As pay for an unworked holiday, regular full-time employees will be paid at straight-time for the number of hours they would normally have worked on the day in question, but not to exceed eight (8) hours. If the holiday falls on a day which would normally have been such employee's scheduled day off, he shall be paid eight (8) hours at straight-time as pay for the unworked holiday.

Section 41. Holiday Pay for Part-Time. Holiday pay for part-time employees who have completed their probationary period, and who otherwise qualify, shall be based on the number of hours worked in the calendar week immediately prior to the week in which the holiday occurs, divided by five. Provided the employee actually performs work in the calendar week immediately prior to the Holiday week, (unless on vacation or receiving sick pay for time not worked during such week or during the first thirty (30) days of an absence for which an employee is receiving Workmen's Compensation) the employee shall not receive less than three (3) hours holiday pay.

Section 42. Qualification for Unworked Holiday Pay. In order to qualify for pay for an unworked holiday, an employee otherwise eligible for such pay under the terms of this Article must work his regularly scheduled day immediately preceding the holiday, the holiday if scheduled, and his regularly scheduled day immediately following the holiday, unless he has been previously excused from such work by the Employer or unless he was prevented from so working due to a bona fide illness. No employee on leave of absence shall be eligible for holiday pay.

Section 43. An unworked holiday, even though paid for under the terms of this Article, shall not be counted as a day worked for the purpose of computing overtime pay in a holiday workweek.

Section 44. Premium Pay for Holiday Work. For employees hired on or before March 26, 2005, when a holiday is worked, the employee shall be paid one and one-half (1-1/2) times his/her normal hourly rate of pay, in addition to the holiday pay provided herein. For employees hired on or after March 27, 2005, when a holiday (as defined above for such employee) is worked, the employee shall be paid one dollar (\$1.00) per hour worked.

Section 45. Holiday Scheduling. No later than the second Wednesday prior to the beginning of the week in which a holiday observed hereunder occurs (exclusive of personal holidays), the Employer shall post in each store a holiday volunteer work list. An employee desirous of working the upcoming holiday, in the job

assignment which he normally performs, shall sign such list no later than the Tuesday prior to the holiday week. Signing of another employee's name on such list shall be cause for disciplinary action.

The Employer will not reschedule the hours of work in the workweek immediately prior to the workweek in which the holidays occur in order to defeat the purpose of this Agreement.

The Employer will select the necessary employees from this list in accordance with seniority and ability, within each store and department and provided the employee normally performs the work required. Should the Employer not be able to staff his schedule requirements through this procedure, qualified employees shall be assigned the remaining available schedules by reverse seniority and ability within their respective classifications within each department and store. Nothing herein shall be construed to require pay for time not worked.

ARTICLE 17 VACATIONS

Section 46. All regular full-time employees, and all part-time employees, who were hired on or before March 26, 2005 and who have worked eight hundred thirty-two (832) or more hours in their anniversary year, covered by this agreement, shall receive one (1) week's paid vacation after one (1) year's service, two (2) weeks' paid vacation after two (2) years' service, three (3) weeks' paid vacation after five (5) years' continuous service, four (4) weeks' paid vacation after twelve (12) years' continuous service and five (5) weeks' paid vacation after twenty (20) years continuous service.

All regular full-time employees, and all part-time employees, who were hired on or after March 27, 2005 and who have worked one thousand forty (1,040) or more hours in their anniversary year, covered by this agreement, shall receive one (1) week's paid vacation after one (1) year's service, two (2) weeks' paid vacation after three (3) years' service, and three (3) weeks' paid vacation after eight (8) years' continuous service.

Such vacation shall be paid at straight-time rates. The number of hours for which such employees shall be paid for a vacation week shall be the average number of weekly hours worked during the twelve (12) months immediately preceding the employee's anniversary date of employment, not to exceed 40 hours pay for each week of vacation. Hours paid for vacations, holidays and sick leave shall be considered as hours worked for the purpose of computing vacation amounts. No pro-rata vacation will be paid at termination.

Section 47. Effective January 1, 1991, the Employer will convert the employees' weekly vacation allotment to a daily vacation allotment by multiplying the number of weeks of vacation due by 5. The hours paid for each day of vacation will be based on the average weekly hours of vacation, as calculated in Section 46, divided by 5. Employees may be allowed to take vacation one day at a time, subject to approval by the Employer and based on the following requirements:

1. Daily vacation may not be scheduled through the annual sign-up procedure.
2. Daily vacation must be requested of the store manager in writing by Tuesday prior to the posting of the schedule for the week in which time off is requested.
3. Employees may not receive more than five days vacation pay in any calendar week.
4. Not more than one (1) week (five (5) days) may be taken one day at a time per anniversary year.
5. Weekly vacation requests shall take preference over daily vacation requests.

6. The Employer shall submit daily vacation time to payroll the week it is taken, and the Employer shall make a bona fide attempt to pay the employee the following week. However, in no event shall it be more than two (2) weeks from the date of the request.

If one of the holidays listed elsewhere herein falls during an employee's vacation, the employee shall receive an extra day of vacation pay because of it. In the event a regular full-time employee covered by this Agreement, who has been employed for two (2) years or longer, voluntarily quits or is discharged for reasons other than dishonesty or drunkenness or being under the influence of illegal narcotics, such employee shall be paid pro rata vacation pay earned up to the time the employment relationship is severed.

Section 48. The Employer shall pay the employee the vacation pay accrued during the employee's anniversary year prior to the taking of the vacation (if requested in writing at least two (2) weeks in advance of vacation). In the event employees have their vacation pre-approved at least two (2) weeks in advance of their vacation and the employee's vacation check is not made available in accordance with the contract, a cash advancement, which approximates the net amount owed, shall be given to the employee at the store, provided the employee signs the cash advance voucher. The Company shall recoup the advancement from the employee's vacation check.

Section 49. Scheduling of Vacations. The Employer retains the right to determine the number of employees who may be on vacation at any given time, but the Employer will not block out any week(s) during the year and the Employer agrees that it will permit the maximum number of employee vacations each week, consistent with the staffing levels in the vacation relief/floater pool and business volume. If a dispute develops between employees as to vacation preference, seniority shall govern within the department, the classification and store. Any vacation weeks that become available after the posting of such roster shall be offered by seniority within the classification and store.

The Employer will post a notice December 1 of the prior calendar year, and the employees will sign the roster as to their choice of vacation. This list will remain posted for selection until January 31 of each calendar year.

Any employee who fails to sign such roster prior to January 31, will be permitted to take vacation at a time that will not interfere with the other employees' established vacation period(s).

When the vacation dates have been established, they will not be changed unless mutually agreeable between the employee and the Employer.

Notwithstanding the above, employees who voluntarily transfer to another store or department after their vacation has been selected are subject to having their vacation rescheduled.

On a basis agreeable to both the Employer and employee, employees shall be allowed to schedule vacations from mid-week to mid-week. For purposes of this provision, mid-week shall be defined as a vacation starting and stopping on Tuesday, Wednesday or Thursday. An employee shall be considered to have met the minimum scheduling requirements of this Article if the total of the hours worked and paid for vacation (and unworked holiday if applicable) for the two workweeks involved is equal to eighty (80) for a full-time employee, forty (40) or more for a part-time employee.

**ARTICLE 18
SCHEDULE POSTING**

Section 50. The Head Meat Cutter will post the work schedule in ink for the following week in each market not later than 9:00 a.m. on Friday. This schedule shall include the employee's first initial and last name. This work schedule will not be changed by Management for that particular workweek except where the change is predicated on circumstances beyond the control of Management such as, but not limited to, sickness, injury, wide fluctuations in volume, Acts of God. Such up to date work schedules are to be posted weekly. This clause shall not be construed as preventing Management from calling in employees for extra work outside of the posted schedule, from requiring overtime work outside of the posted schedule or from bringing in additional employees where it appears advisable in the opinion of Management. Once schedule is finalized, store steward shall be given a copy.

Any changes in the work schedule will be reflected on the posted schedule at the time the change is made.

The Employer shall designate the starting time for employees. The employee shall be dressed and ready to go to work at this starting time.

Section 51. Regular full-time employees called in on their scheduled day off shall not have the balance of their scheduled workweek altered as a result of such call-in.

**ARTICLE 19
REPORTING PAY/MINIMUM DAILY SCHEDULE**

Section 52. An employee called in or scheduled for work shall be guaranteed four (4) hours of pay at the applicable rate, with the understanding that an employee may be called in or scheduled for less than four (4) hours if he is unavailable for the full four (4) hours.

**ARTICLE 20
MINIMUM WEEKLY SCHEDULE**

Section 53. No regular employee shall be scheduled for less than twenty (20) hours in a workweek, if the employee is available.

**ARTICLE 21
TIME CARDS/NO FREE WORK/PAY DAY**

Section 54. Each employee is required to record his own time, using the system provided by the Employer, prior to starting work and upon completion of work and before and after lunch periods. No employee shall have the right to record any other employee's time. Any employee violating these provisions, working off the clock or giving free time may be discharged.

Section 55. Employees shall receive their pay each week. In case of discharge from employment of any employee, upon request, the final paycheck will be made available within seventy-two (72) hours after the discharge.

**ARTICLE 22
SPLIT SHIFTS**

Section 56. There shall be no daily split shifts.

**ARTICLE 23
STORE MEETINGS**

Section 57. All time spent by an employee actually attending any store meeting where his attendance is required by the Employer shall be counted as time worked with a minimum of two (2) hours at the applicable rate of pay when an employee is called back for such a meeting. In the event the employee is required to attend more than four (4) meetings per calendar year, the call-in provision of Article 19, Section 52 shall apply.

**ARTICLE 24
LUNCH BREAKS**

Section 58. Lunch Periods. Each employee who is scheduled to work in the excess of five (5) hours in a day shall receive, on his own time, a one (1) hour lunch period, or, upon mutual agreement between the employee and the Employer, a one-half (1/2) hour lunch period at approximately the middle of his workday.

Individual employee's change of lunch period from one (1) hour to one-half (1/2) hour, or vice versa, shall occur only at the beginning of a new work schedule.

Employee's scheduled lunch periods will be set forth on the schedule, but the parties recognize it may be necessary to alter the lunch period schedule due to the needs of the business.

**ARTICLE 25
RELIEF PERIODS**

Section 59. The Employer will give employees a break period of fifteen (15) minutes in their shift before the meal period and in their shift after the meal period.

**ARTICLE 26
PROBATIONARY PERIOD**

Section 60. New employees shall be on probation for a period of thirty (30) calendar days, during which time they may be discharged by the Employer for any reason whatsoever, and during this probationary period, they shall not acquire any seniority status. If an employee is retained in the employ of the Employer after said thirty (30) calendar days, his seniority shall then date back to the first (1st) day of said thirty (30) calendar day probationary period.

This probationary period may be extended an additional thirty (30) calendar days by mutual agreement between the Employer, Employee and the Union.

**ARTICLE 27
SENIORITY**

Section 61. Length of continuous service in the employ of the Employer shall govern in layoffs and rehires within a particular classification in the bargaining unit as described in Article 1, Section 1, whenever the ability of

the employees involved is substantially equal. Employees will retain full seniority when they go from the retail clerks bargaining unit to the meat cutters bargaining unit.

Section 62. Where the Employer cannot fulfill its schedule needs from within the bargaining unit due to employees being on vacation, leave of absence, and/or in ski areas (Frisco, Vail and Steamboat Springs) during ski season and the Employer elects to use persons from outside the bargaining unit, the Employer will post a voluntary work list advising employees in other bargaining units of the opportunity to transfer into the affected bargaining unit on a temporary basis, up to ninety (90) days. The Employer will then select employees, by seniority, within the classifications needed and implement the temporary transfer. During this period, the employee(s) who is working outside their respective bargaining unit shall maintain their seniority and shall have all their seniority rights when they return to their respective bargaining unit.

Section 63. Termination of Seniority.

Seniority shall terminate for any of the following reasons:

- a. Voluntary quitting.
- b. Overstaying a granted leave of absence or vacation.
- c. Failure to report for work upon recall after a layoff within five (5) days after mailing of recall notice sent by registered letter to the last address furnished in writing to the Employer by the employee.
- d. Discharge for just cause.
- e. Continuous layoff for a period in excess of twelve (12) months.

Section 64. Seniority Lists. Bargaining unit seniority lists shall be provided to the Union not less than two (2) occasions during the calendar year, upon request by the Union.

Section 65. Definition of Full-Time Employee. A regular full-time employee is defined as an employee who has been hired as such or works forty (40) or more hours per week for at least four (4) consecutive weeks, in his home store, except for assignment to a forty (40) hour per week schedule as a result of the employee receiving any hours caused by other employees' absence for any reason. Scheduled hours of work voluntarily vacated by an employee (such as trading of hours) shall not be used for purposes of advancing an employee to full-time status. An employee who fails to maintain full-time status as a result of working less than forty (40) hours per week for reasons other than absence due to an approved leave of absence, or a reduced schedule resulting from an on-the-job injury for twelve (12) consecutive weeks shall be designated as a part-time employee.

Section 66. Voluntary Reduction to Part-Time. A full time employee, who has requested and has been assigned a part-time schedule, shall immediately be classified as part-time.

Section 67. Promotions. The Employer agrees to make promotions to lesser qualified jobs than First Cutter and Assistant Deli Manager to the most senior qualified employee. The employee shall make such desire known to the Employer in writing. Seniority shall prevail throughout the entire number of stores of the Employer in the area covered by this Agreement.

Promotions must be posted for seventy-two (72) hours for all employees and filled by seniority with the most senior qualified employee. This applies to Clerks who wish to apply for deli, seafood and wrapper positions.

Section 68. (Denver Only) The written request shall set forth the classification or classifications the employee wishes to be promoted to and the quadrant or quadrants that the employee would be willing to accept a promotion.

Section 69. (Denver Only) The Employer will divide the Denver bargaining unit into four (4) quadrants. The intersections of Alameda and Broadway will be used to divide the Denver bargaining unit into the four (4) quadrants. The employee will designate the quadrants that they are willing to accept a promotion.

Section 70. The employee will be limited to signing up for three (3) positions they wish to be promoted to. If an employee is offered a position in a classification and declines that position, they will have their request for that position cancelled, however, they will remain on the list for the other two (2).

1. A promotion is an assignment to a classification which has a higher top rate than the classification being vacated.
2. (a) Whenever the promotion request list is exhausted, and the need arises for any position other than entry level positions, the Company shall post the job within the store for at least a seven (7) day period.

(b) The posting shall be posted from Wednesday to Wednesday of each week, and the Company shall maintain the same for at least thirty (30) days after the job is awarded.

(c) The job shall be given to the most senior qualified employee who has signed the list in the store.

(d) In the event the position is not filled through the foregoing procedure, the Employer retains the right to hire employees off the street.

Section 71. Probationary Period For Promotions. When any employee is promoted to a higher classification, he shall be on probation for a period of thirty (30) days. An employee disqualified during the probationary period shall be returned to his old classification.

Section 72. Demotion for Just Cause. Except under the layoff provisions, no employee shall be demoted from a higher classification within the bargaining unit without just cause, which includes business need.

A Delicatessen Manager who is being demoted (voluntarily or involuntarily) shall have the option of accepting a Delicatessen Clerk position, or in the case where the Delicatessen Manager previously was a Journeyman Meat Cutter for that Employer, may return to the Meat Department to preserve his rate of pay. Any employee, as of May 1, 1980, who has been demoted and has not had his pay reduced, shall be red circled during the term of this Agreement. A Journeyman Meat Cutter shall not be forced to accept a Delicatessen Manager position which pays a lesser hourly rate of pay than the Journeyman Meat Cutter Rate.

Section 73. Nothing herein shall be construed to prohibit the Employer from hiring into a Journeyman or top rate position should the Employer deem it necessary.

ARTICLE 28 AVAILABLE HOURS

Section 74. The scheduling of part-time employees or full-time employees working reduced hours shall be by seniority within their department and store schedules up to eight (8) hours per day or forty (40) hours per

week. The Employer shall maximize the straight-time daily and weekly work schedules (including Sunday) of each employee based on the hours as determined and scheduled by management. The only exception to this would be when a more senior part-time employee has requested to work less hours than their seniority entitles them. This request must be submitted to the department manager in writing.

Section 75. Under this procedure, a senior employee can claim hours of work, in his classification, for which he is qualified so long as such claim would not reduce any other employee's schedule below the daily or weekly minimum except to zero. If an employee is zeroed out, he or she shall have the right to exercise lay-off options. However, any bump to another store shall be delayed for one (1) week.

Section 76. The Employer agrees not to schedule two (2) part-time employees in the same classification back to back each day in their weekly schedules within an individual market or delicatessen where it is possible to combine their total posted weekly schedules so that one (1) full-time employee can be used.

FLOATERS. A "Floater" is a Wrapper who an Employer regularly assigns to work in more than one store.

No Employer shall have any obligation to use Floaters at any time. If an Employer elects to use floaters it shall be done in accordance with the following general principles:

1. When an Employer determines there are hours necessary to be scheduled for floaters, the seniority of floaters shall be honored, first in the weekly scheduling of floaters to the fewest number of stores as is practicable, and, secondly, in scheduling a floater the greatest number of hours (up to 40) in a week as is practicable.
2. The Employer may schedule floaters by district or by bargaining unit.
3. Any full-time Wrapper reduced to less than forty (40) hours for more than four (4) consecutive weeks in his store may notify his store manager of his request to be reassigned with his classification as a floater. If there are less senior full-time employees receiving forty (40) hours in floater assignments, the employee will be reassigned as a floater the following week. An employee who receives such reassignment waives his right to reassignment at his previous store, should more hours subsequently become available. Full-time floaters desiring non-floating assignments may request same in writing to the person designated by the Employer, and such assignments shall be made in seniority order when such opening occurs.

SCHEDULING BY DISTRICT: See Appendix "B". (Only Colorado Springs, Pueblo, Greeley and Longmont)

Section 77. Full-time scheduled vacancies shall be filled as defined elsewhere in this Agreement.

Section 78. Employees who have requested additional hours or full-time status, in writing, as set forth above, shall have until noon on the Saturday following posting of the schedule to take issue with that schedule or his right to take issue shall be waived. Should he raise such issue in timely fashion and should it not be resolved, it shall be subject to the grievance procedure set forth elsewhere in this Agreement. It shall be the responsibility of each employee to make himself aware of the schedule and any changes made therein.

Section 79. In the event of errors in the making of schedules, scheduling of additional hours or reductions in hours, the employee must call the error to the attention of management by noon Saturday following the posting of the schedule. Failure by the employee to point out the violation by noon Saturday will limit the remedy to

scheduling the affected employee, on the next week's schedule, the number of hours lost. These hours shall not have any effect on the normal schedule for that week.

Section 80. Additional Hours. Additional hours are those created by increased schedules, terminations or transfers within the classification which the Employer deems necessary to fill.

Section 81. When it is necessary to work additional hours, the additional hours shall be assigned to employees in the same classification in the store who are scheduled for less than forty (40) hours in the week, in the order of seniority, provided the employee possesses the ability and skill to perform the work required and provided the employee is available to work the necessary hours and has notified the Department head in writing of his desire for additional hours. Such written notification shall be furnished to the Department Head no later than the close of business on Wednesday to be implemented on the following week's schedule. Nothing herein shall be construed to require the scheduling of additional hours for any employee which will provide him more than forty (40) hours in a week, or five (5) days of work.

Section 82. The employee being assigned the additional hours shall not have the right to accept such hours in part, but shall be obliged to accept the entire weekly schedule as written. It is understood, however, each employee who has made written request for additional hours may revoke such request by written notice to the Department Head no later than the close of business on Wednesday of the week preceding the week involved.

Section 83. Written requests shall remain in effect until forty (40) hours is achieved or such request is revoked. Written requests are not transferable from store to store.

Section 84. It is understood and agreed the Employer retains the right to require hours of work even though an employee has not requested additional hours.

Section 85. The Employer will send the Union a copy of the "full-time request" list, no later than March 1 and September 1 of each calendar year.

Section 86. Assignment to Full-Time Status. When a full-time vacancy, other than a four (4) week at forty (40) hour opening defined in Section 65, occurs and the Employer determines that such vacancy shall be filled by a full-time employee, the job vacancy for non-management positions shall be filled by the assignment of the most senior qualified employee of the classification who has signed the current full-time request list as provided for in the Agreement. Should management be unable to fill such vacancy from the list, then such vacancy shall be posted within the affected store for seventy-two (72) hours and management shall offer the full-time assignment to the senior qualified employee of the store and classification who signed the posting before hiring off-the-street.

Four (4) week at forty (40) hour openings shall be filled by the most senior employee within the store and affected classification who has signed the full-time request list as set forth in this Agreement. Should management be unable to fill such vacancy from the list, then such vacancy shall be posted within the affected store for seventy-two (72) hours and management shall offer the full-time assignment to the senior qualified employee of the store and classification who signed the posting before hiring off-the-street.

Notwithstanding the above, the Employer may transfer a full-time employee from another store to fill a vacancy in lieu of advancing an employee to full-time status under this Article.

Employees with three (3) or more years of service may sign the full-time request list during the first fifteen (15) days of January and the first fifteen (15) days of July to be considered for advancement to full-time effective

with the first workweek in February and August respectively. Such request shall state the quadrant(s) the employee desires assignment to. The Employer will send the Union a copy of the new full-time request list.

If an employee is offered assignment to full-time status and accepts or declines the same, his/her request shall be voided.

The Employer shall not make assignments of full-time status to a probationary employee or to an employee on leave of absence.

ARTICLE 29 ROTATION OF SHIFTS

Section 87. Each week, the Employer will alternate the schedules within a classification within each store after 6:00 p.m., so that such work may be evenly divided as far as it may be practical. The above shall not apply to employees who, of their own volition, want to work the hours after 6:00 p.m.

ARTICLE 30 UNSCHEDULED OVERTIME

Section 88. Unscheduled Overtime Hours. Daily overtime not previously scheduled shall be offered in seniority order within the department, the classification, and the store to the employees present when the need for overtime arises. Nothing herein shall be construed to require the scheduling of overtime when another employee's scheduled hours can be extended, or part-time employees may be called in without overtime penalty. Hours unclaimed under this procedure may be assigned in reverse order of seniority among those employees within the department within the classification within the store present when the need for overtime arises.

Section 89. Overtime assignments of four (4) hours or more may be filled by calling in employees, in seniority order, within the classification and the department on their non-scheduled day without violating this Section.

ARTICLE 31 REDUCTION IN HOURS

Section 90. Reduction in Hours. When a reduction in hours is necessary within the store, as opposed to a layoff in the workforce, hours will be reduced from employees in the affected classification who have not requested additional hours in writing as set forth elsewhere in this Agreement, before any reduction shall occur in the employee group which has requested additional hours.

Section 91. Reduction of Hours. Full-time Employees: Management shall not write a schedule of shifts that would result in a full-time employee being unable to work a forty (40) hour schedule (thirty-two (32) hours in a holiday week) unless the average scheduled hours (including hours scheduled and paid for vacation, unworked holiday, jury, sick and funeral pay) of all part-time employees within the classification and department is twenty-four (24) hours or less for the involved workweek. A full-time employee who is not scheduled a forty (40) hours schedule, shall in their second consecutive week of such reduced hours, be allowed to exercise his/her seniority to claim the schedule of the least senior full-time employee in the classification within the bargaining unit who is working a forty (40) hour schedule. It is understood that the employee may exercise his/her seniority to bump any time between the second and eleventh week of reduction. The employee whose schedule is claimed under this procedure shall immediately be assigned the schedule of the claiming employee, or be allowed to step-down to part-time status and displace the least senior part-time employee in their store.

The parties agree that no employee assigned as full-time on May 11, 1996, shall have his hours reduced to less than forty (40) hours as the result of this provision, unless all part-time employees in the classification have had their scheduled hours reduced to twenty-four (24) hours or less before any other full-time employee protected under this paragraph is reduced.

Full-time Employees - Competitive Openings: During the first sixty (60) days following a competitive opening, management may elect, in lieu of reducing hours as provided above, to layoff full-time employees to maintain the same proportion of full-time employees to part-time employees the store averaged in the month prior to the competitive opening. In the event of a layoff, the displaced employee shall be given the following options:

- 1) Displace the least senior full-time employee in the bargaining unit, or
- 2) Step-down to part-time and displace the least senior part-time employee within the classification and store.

Employees displaced by the full-time reduction under this procedure shall be given their layoff options pursuant to the layoff language of this Agreement.

It is understood that the provisions of this Section shall only apply to those classifications impacted by a competitive opening.

ARTICLE 32 LAYOFFS

Section 92. Layoff Procedure. Journeymen and Apprentice Meat Cutters shall be considered one classification for the purpose of layoff.

Section 93. Seniority. Delicatessen Clerks and Department Managers will be considered as a separate group for the purpose of applying the Seniority provisions.

Seafood Clerks will be considered as a separate group for the purpose of applying the seniority provisions.

Section 94. When a reduction in the work force is necessary, as opposed to a reduction in hours, the following procedure shall be used:

1. A regular full-time employee being laid off may displace the shortest service regular full-time employee within his classification within the bargaining unit. The regular full-time employee so displaced may displace the shortest service part-time employee in the same classification in the bargaining unit. In the event there is no less senior employee performing work in the same classification, this displaced employee may displace the least senior employee in a lower classification in which he previously performed six (6) months of service in the classification for the Employer.
2. A part-time employee being laid off may displace the shortest service part-time employee within his classification within the bargaining unit.
3. Any employee with displacement rights under the procedures above shall be allowed to take a layoff in lieu of displacing any employee.

4. It is understood that, in any event, only a more senior employee can displace another employee under the procedure.

Laid off employees, and employees who accept a job in a lower classification in lieu of layoff, shall be recalled as needed, in order of seniority, to jobs they are qualified to perform. Employees recalled from layoff may refuse recall if the store being offered is more than ten (10) miles from their previous store (i.e., the employee will maintain recall rights). The Company shall provide employees with a form, at time of layoff, to indicate their desires in this regard. It is understood that employees may change this election during a layoff. However, the changes and/or refusals shall be limited to two (2) per layoff. The Employer shall not hire a new employee or promote an existing employee into a position for which a laid off employee or employee who accepts a job in a lower classification is qualified and available to perform.

An employee accepting a layoff rather than accepting a job in a lower classification may inform the Employer in writing at the time of the layoff of his desire to be recalled to a lower classification which was not available at the time of his layoff, and such notification shall be honored when a vacancy occurs. Employees recalled from layoff may refuse recall if the store being offered is more than ten (10) miles from their previous store (i.e., the employee will maintain recall rights). The Company shall provide employees with a form, at time of layoff, to indicate their desires in this regard. It is understood that employees may change this election during a layoff. However, the changes and/or refusals shall be limited to two (2) per layoff. The notice shall specify the lower classification to which the employee desires recall. It is understood that any employee on layoff from the classification where the vacancy occurs shall have preferential rights to such vacancy.

Laid off employees shall be recalled as needed, in the order of seniority, to jobs in the classification from which they were laid off. The Employer shall not hire a new employee into a classification in which they are laid off employees at the time. The Employer shall offer recall to a job in the classification from which an employee was laid off prior to promoting another employee into that classification.

Whenever a full-time employee is laid off, in accordance with the collective bargaining agreement, and is recalled to a part-time schedule at a store different than the one the employee was laid off from, the following procedures will apply:

- a. The employee will be notified that he or she can accept the position, working reduced hours, or can stay on layoff until a full-time position within the bargaining unit is available. The employee will also be notified that if the employee remains on layoff for a period of nine (9) months or twelve (12) months, whichever is applicable, the employee's seniority will be terminated. The Company will have the employee sign a form acknowledging that he or she was informed of the same or will send a letter confirming this fact to the employee.
- b. If the employee accepts the part-time position, he or she will retain his or her full-time status unless he or she is scheduled and works less than forty (40) hours per week for twelve (12) consecutive weeks. If the employee works, or is scheduled forty (40) hours during any of the twelve (12) consecutive weeks, that employee will not have his or her hours reduced unless and until the Company has followed the reduction in hours provision of the contract. If an employee works or is scheduled forty (40) hours, the twelve (12) week period will start over. Further, if a forty (40) hour position becomes available, it will be offered, in seniority order, to full-time employees on layoff and full-time employees working reduced hours before a new employee is hired or an existing employee is granted full-time status.

- c. If an employee is reclassified as part-time, he or she will be immediately placed on the full-time request list, in accordance with his or her seniority, without regard to bid periods.
- d. The full-time employees working reduced hours shall be able to utilize the second (2nd) week bump as set forth in the collective bargaining agreement.
- e. Employees working reduced hours shall be able to maximize their hours in accordance with the applicable provisions of the collective bargaining agreement.

A full-time employee accepting recall to a part-time position shall immediately be reclassified to part-time status. Similarly, a part-time employee recalled to a full-time position shall be reclassified to full-time status.

ARTICLE 33 TRANSFER FROM STORE TO STORE

Section 95. Transfers from Store to Store. Transfers from store to store shall not be made or denied for capricious, arbitrary or discriminatory reasons. Full-time employees desiring a transfer to another store within the bargaining unit, in order to be nearer their residence, may indicate their desire for transfer in writing to the person designated by the Employer. Such transfer requests will be considered at the time an opening occurs within their classification and status.

ARTICLE 34 NEW STORE LANGUAGE

Section 96. In the event of the opening of a new store within the bargaining unit (not a replacement of an existing store), the following procedure shall apply:

1. At least four (4) weeks prior to the opening of a new store, the Employer will post a sheet in each location for interested employees to sign if desirous of a transfer to the new location. The sheet shall remain posted for at least ten (10) days.
2. Job openings either at the new store or created by transferring employees at their former store shall first be filled by employees on layoff in the classification of the vacancy before any new employees are hired or current employees are promoted.
3. Employees who have signed the new store transfer request sheet shall be given consideration based on their qualifications and the requirements of the store. It is understood that the Employer may move employees from its own competitive stores which may be impacted by the new store opening before consideration of other employee desires.
4. In the event the Employer opens new stores within the geographical area of this Agreement, as set forth in Article 1, not less than sixty percent (60%) of the initial staffing of the new store shall be made by employees covered by this bargaining Agreement, if available.
5. If within the first eight weeks of operation of the new store the Employer determines that it needs to lay off employees from that store, said layoffs will take place in accordance with Article 32, except that employees who have transferred into the new store shall have the right to return to their prior store.

ARTICLE 35 LEAVES OF ABSENCE

Section 97. Sickness, Injury or Pregnancy. Leaves of absence shall be granted for up to eighteen (18) months without pay when an employee with three (3) months of continuous service is unable to work because of bona fide sickness, accident, disability, or pregnancy. However, in the event such an employee is unable to return to work at the end of eighteen (18) months of his leave period, he shall be entitled to an additional leave of six (6) months if he submits satisfactory medical evidence that he will be able to return to duties within his classification within the said additional period.

Section 98. Personal Leaves. Leaves of absence without pay for reasonable periods not to exceed thirty (30) days may be granted by the Employer to employees who have completed one (1) year of service for other reasons mutually agreed to between the Employer and the employee. Section 100. Leave of Absence for Care of Newborn or Adopted Child. For employees with one (1) year of continuous service in the bargaining unit, a Leave of Absence for either parent shall be granted without pay for a period of up to twelve (12) months for the purpose of Newborn or Adopted Child Care. The employee shall be guaranteed reinstatement in accordance with their seniority. An employee who wishes to change his or her date of return to work shall notify the Store Manager two (2) weeks in advance and shall be returned to work as set forth above. The Leave of Absence for either parent must end no later than twelve (12) months from the date of birth or date of adoption. The Employer may require verification of the parent relationship to the newborn or to the adopted child.

Section 101. Leave of Absence for Family Care. A family care leave, without pay, shall be granted, upon request by an employee for a total of up to six (6) consecutive months within a two (2) year period. The employee requesting the leave must have a minimum of one (1) year's continuous service in the bargaining unit at the time of the request. The employee shall be guaranteed reinstatement in accordance with their seniority at the end of their leave. Any employee who wishes to change his or her date to return to work shall notify the Store Manager two (2) weeks in advance of the date they intend to return. The purpose of this leave shall be to care for seriously ill family members. For the purpose of this leave, "family members" shall be:

1. Spouse and parents of the employee.
2. Biological or adopted unmarried children under nineteen (19) years of age and full-time students up to age 23.
3. A child of any age who is incapable of self-support.
4. Any relative residing in the employee's home and dependent upon the employee for care.

The employee shall be required to present satisfactory evidence of serious illness of the family member, the expected duration of the absence, and the reason for the employee's involvement.

Section 102. Union Leave. Leaves of absence without pay for Union business not to exceed six (6) months may be granted by the Employer to employees who have completed one (1) year of service. The six (6) months may be extended by an additional six (6) months by mutual agreement between the Employer and employee.

Section 103. Request for Leave of Absence. All leaves of absence must be requested in writing to the Store Manager unless the employee is physically disabled to the extent that such advance request is not possible and shall state: (1) the reason, (2) date leave is to begin, and (3) expected date of return to work. Leaves of absence shall be granted in writing in advance and a copy shall be given to the employee.

Section 104. Returning from Leave of Absence. The employee must be qualified to resume his regular duties upon return to work from an approved leave of absence. A doctor's certificate verifying that the employee is able to resume his normal duties may be required. The employee shall be returned to the job previously held, or to a job comparable with regard to rate of pay no later than on the first (1st) weekly schedule, made up after the department designated by the Employer has received notice in writing of the employee's availability provided the Employer received such notice no later than Wednesday immediately prior to the Friday scheduling.

ARTICLE 36 BEREAVEMENT LEAVE

Section 105. Upon request, an employee covered by this Agreement shall be granted the necessary time off with pay at his regular straight-time rate of pay in order to make arrangements for and/or attend a funeral occasioned by a death in his immediate family. Such time off with pay shall in no event exceed three (3) regularly scheduled working days. The immediate family is defined as the employee's father, mother, grandparents, grandchildren, spouse, children, father-in-law of current spouse, mother-in-law of current spouse, step-parents, brother, sister, and step-child. Payments shall not be made hereunder where the relative's death occurs while the employee is on vacation or on a leave of absence.

Additional time, without pay, shall be granted as is needed by the employee up to 7 days.

Section 106. If an employee is notified of the death of his spouse, parent, child or grandchild while at work, he shall be granted the remainder of the day off and paid for scheduled work hours that day. This shall not be counted as part of the above three (3) days. Employees must attend the funeral in order to qualify for pay, and the Employer may require satisfactory evidence confirming the relationship to the deceased person.

Section 107. No schedule shall be changed for the purpose of making the employee's day off replace a day that would otherwise have been paid for under these provisions.

ARTICLE 37 JURY DUTY

Section 108. Whenever any employee covered by this Agreement is required to serve on a petit jury during his regular working hours, the Employer agrees to pay such employee the difference between what he is paid for serving on the jury and what he would have received from the Employer in straight-time pay had said jury duty not prevented him from being at work. On any scheduled work day, the employee shall promptly report to complete any remaining hours of his scheduled work day; provided, no employee shall be required to so report for work on any day on which he has served and been compensated by the court for at least eight (8) hours' jury duty, nor shall any employee who reports back to work under this Section be required to work more than ten (10) hours, less the number of hours for which he served and was compensated for jury duty by the court on that day. The Employer may require a statement from the court certifying attendance.

An employee who has accumulated two hundred and forty (240) hours of unused sick leave shall also be entitled to sick leave on the first day of absence due to sickness or injury.
- D. For the purpose of this Article one (1) day of pay shall mean eight (8) hours of pay at the employee's regular classification rate for those days which the employee would have worked had the disability not occurred, calculated at straight-time. No employee shall receive pay, under any combination of sick leave and Worker's Compensation or Weekly Indemnity which exceeds the lesser of his regular pay or eight (8) hours per day or forty (40) hours per week at his straight-time hourly rate of pay. The waiting period herein provided before sick pay commences, shall apply for each illness or injury in case the sick benefit allowance has not been used up in previous illnesses.
- E. Sick leave shall be paid to part-time employees who normally work one hundred and four (104) hours a month or more on the basis set forth above on a pro rata of total hours worked during the year preceding the anniversary date as a ratio to two thousand eighty (2,080) hours, but can accumulate only for a maximum of six (6) years.

Such credit shall be determined by dividing the actual hours worked for such month by

Sick leave shall be paid as provided in the preceding section, except sick leave shall not commence until the third (3rd) full workday's absence. There shall be no first (1st) or second (2nd) day sick leave for these employees.

The administrator of the fund will use the enrollment data in order to establish the eligibility of employees and their dependents for participation in plan coverage. 5. The Parties will adopt cost control measures that will aid the Fund in managing costs within the contributions provided by the Employers and Participants to this Plan.

Effective January 1, 2010, the Trustees of the Plan shall be directed to adopt the following modifications to the active plan(s) of benefits:

- **Quality education campaign for all participants**
- **Superior participant communications, including robust web tools**
- **Superior participant information tools**
- **Analytics measuring participation, compliance, and results**

- Very strong comprehensiveness of programs
 - High levels of integration
 - Strong physician behavior change mechanisms
 - Significant levels of medical and drug trend reduction
1. Establish a health risk assessment questionnaire to be completed annually. If employee and spouse complete annually, such employee's co-premium to the Plan shall be reduced \$5 per month for each employee and spouse (max \$10) for that enrollment's calendar year. An HRQ must be completed each year during enrollment to be eligible to receive the HRQ incentive for each year. During the term of this Agreement, the Trustees may, by mutual agreement, reallocate the HRQ incentive amounts provided above.
 2. Establish 24-hour nurse call-in line and/or medical decision support.
 3. Develop a medical management program that targets high-risk participants with chronic diseases such as diabetes, obesity, asthma and cardiovascular disease. In order to encourage participant engagement in such programs and to enhance the goal of improving health status a series of incentives must be developed.

There is recognition that incentives may take various forms and will likely evolve and change over time based on program experience with a goal of maximizing program effectiveness and reducing health costs and medical trend. The initial focus will be a thorough educational campaign in connection with program roll out.

4. Establish free and/or reduced cost educational programs such as:
 - a. Weight management
 - b. Smoking cessation
 - c. High Cholesterol
5. Reduce prescription drug co-pays as shown below for participants taking maintenance drugs (and related supplies which require a prescription) for certain disease states which would include categories of drugs such as:
 - a. Hypertension
 - b. High cholesterol
 - c. Diabetes control drugs
 - d. Asthma
 - e. Glaucoma
 - f. Osteoporosis

Drug Class	Co-Pay
Generic	\$2.50

It is understood that the Plan's consultants will continue to evaluate the effectiveness of including these scheduled drug categories on Plan costs and based on their recommendations the Trustees may remove drugs from this list and/or add other categories of drugs consistent with the objective of increasing compliance with prescribed drug therapies which will lower plan costs and trend.

6. **Complex/Catastrophic Care Management to provide case management of the entire health care and treatment for participants with high-risk health conditions.**
7. **Preventive health care at medically appropriate times (see below)**

Long Term Funding Policy

1. The parties recommend to the trustees that a Minimum Reserve Requirement be established equal to IBNR reserves plus a lag month reserve. The Fund consultants shall calculate the IBNR and lag month reserve requirement at least once every twelve months beginning on (date) and report these amounts to the Trustees at their next regularly scheduled meeting. Any withdrawing employer shall reimburse the Fund for their participants claims run off.
2. If the market value of the assets at any twelve-month review point is ever below the calculated minimum reserve requirement level as calculated by the Fund consultants, then the Fund consultants shall prepare recommendations for benefit plan redesign and/or employee co-premium contributions such that the dollar amount of any such deficiency will be fully recovered by the end of the 12-month period beginning after the trustee meeting in which the deficiency is first projected.
3. No changes are permitted that would violate any contractual agreement between the Fund and any third party vendor.
4. If the Fund consultants cannot agree on a recommended plan of benefit redesign and/or employee co-premium contributions, and the Trustees cannot agree to a corrective action plan, by virtue of deadlock motions, then the trustees must act to adopt the recommended corrective action plan that has the least adverse impact on plan participants, however, one set of Trustees may exercise the Fund's dispute resolution procedure on an expedited basis to determine if other corrective actions must be taken.

5. The minimum reserve target defined above is solely meant to be a "floor". It is not also a "ceiling". That is, no Trustee action is required or expected in the event that reserve levels are above the minimum reserve target.

Extended Benefits. An employee who has been eligible for benefits for six (6) months or more immediately prior to becoming physically disabled and thereby unable to work, shall continue to be eligible for benefits during his continuing period of disability, up to a maximum of six (6) months.

Retiree's Benefits. The Employer will contribute eighteen dollars and thirty-four cents (\$18.34) per month per eligible active bargaining unit employee, covered under this Agreement, in the Health Plan to subsidize the self pay costs of providing Health and Welfare benefits to eligible retirees under the Rocky Mountain UFCW Unions and Employers Health Benefit Plan (the "Retiree's Health Plan").

ARTICLE 43 NON-DUPLICATION OF BENEFITS

Section 116. In the event that any law or government regulation requires any payment from the Employer for benefits which would replace, supplement or modify the Medical, Surgical and Hospital Service, Dental Plan, Pension Plan, Prescription Plan, Vision Plan or other benefit provided hereunder this Agreement, the amount of such payments shall be deducted from the contributions for such benefits required under the terms and conditions of this Agreement.

ARTICLE 44 PENSION

Section 117. Employer Contributions. **Effective January 1, 2010 (December hours) for all employees covered by this Agreement, the Employer shall pay eighty nine cents (\$0.89) per hour for all hours worked at straight time (including hours worked on Sunday, vacation and holiday hours paid) into the Denver Area Meatcutters UFCW Unions and Employers Pension Plan, which shall be jointly administered by the Union and the Employer by an equal number of trustees as provided in an agreement establishing such Pension Fund.**

In the event the New Hire Benefit goes into effect as provided herein, then effective with hours worked after the adoption of such Benefit, the Employer shall pay an additional ten cents (\$0.10) per hour for all hours worked at straight time (including hours worked on Sunday, vacation and holiday hours paid) to fund the benefit.

Section 118. Long-Term Funding Policy

1. The trustees shall, no later than April 1, 2005, adopt the following Long Term Funding Policy. Such Long Term Funding Policy shall be applicable for plan year 2005 and subsequent plan years. Effective as of March 27, 2005 and commencing with the April contribution payment, the employers will increase the hourly contribution by \$.15 per hour from \$1.36 to \$1.51 for employees hired before ratification.

This \$0.15 per hour increase in contribution is a "supplemental" contribution dedicated solely to improving the funding of the pension plan, will not be used to increase benefits and will be discontinued at the times set forth in paragraph 2.

2. This supplemental contribution shall continue to be made until the earlier of such time the Plan reaches a financial state whereby either: (i) the funding ratio of the Plan (actuarial value of assets over actuarial liability) is at least 100%; or any contribution of the employers would not be deductible for federal income tax purposes in the year in which it is required to be made. However, unless changes are needed to support contribution deductibility, no changes shall be made when the Plan has withdrawal liability.

Effective January 1, 2010 (December hours) the supplemental contribution provided above in subsections 1 and 2 shall no longer apply and shall be replaced by any supplemental contribution that may be provided in the Pension Protection Act section of this agreement.

3. If as of any valuation date commencing with the 01/01/06 valuation, a funding deficiency is projected to occur in less than 5 years, the Trustees will reduce benefits such that a projected funding deficiency will not occur within any of the 8 years following the valuation date. The parties agree to apply for section 412(e) relief if available before the benefit reductions are enacted. It is understood that application for section 412(e) requires the parties to reduce benefits as a condition of the application. Such section 412(e) application, if approved, must cure the funding deficiency as prescribed above.

If the section 412(e) application is not approved, or not acted on, within 18 months of the valuation date (for example 01/01/06 valuation), then the Trustees will immediately enact benefit reductions to cure the funding deficiency as prescribed above.

4. In no event will benefit reductions be delayed to or beyond a time that would expose the employers to liability beyond the supplemental contribution including but not limited to liability for the payment of excise taxes or additional contributions. Any deadlocked issue over the enactment of benefit reductions and/or the application of this policy shall be submitted to expedited arbitration ahead of any other matter pending arbitration. Such expedited arbitration shall occur within 60 days of the request for arbitration and the arbitrator shall render his decision within 60 days following the close of the hearing in the matter.
5. The parties authorize and direct the Trustees of the Plan to develop Maintenance of Equity Policy for employers that do not adopt this agreement upon renewal of the collective bargaining agreement (or for new agreements).
6. If the Plan experiences a minimum funding deficiency, any excise tax that is levied against the employers will be allocated amongst such employers in a way that first makes all employers not contributing the full amount of the supplemental contribution responsible for fully paying any accumulated missed supplemental contributions with interest. Thereafter, the balance of any excise tax remaining will be allocated to all employers in proportion to their non-supplemental contribution rate. Finally, for any employer not adopting this agreement, future benefits will be based on the assumption that \$.15 of the current rate being contributed is deemed to be supplemental.
7. The parties recognize there is a possibility of merger of the Denver Area Meatcutters Pension Fund with the Rocky Mountain UFCW Union and Employers Pension Plan and give full authority to effectuate such merger to the Board of Trustees of the two pension plans without further approval of the parties of this Agreement.

Section 119. Said Pension Fund shall be used to provide benefit pensions for eligible employees of the Employer as provided in a Pension Plan, the terms and provisions of which are to be agreed upon by the parties hereto; said Pension Plan shall, among other things, provide that all benefits under the Plan and costs, charges and expenses of administering the Plan and all taxes levied or assessed upon or in respect of said Plan or Trust or any income there from shall be paid out of the Pension Fund.

Section 120. Said Pension Plan and Trust Agreement establishing the Pension Fund have been submitted to the United States Treasury Department and the United States Department of Labor for the approval and rulings satisfactory to the Employer, that said Plan is qualified under I.R.C. Section 401, et seq. and that no part of such payments shall be included in the regular rate of pay of any employee.

Section 121. If, for any reason, the United States Treasury Department and the United States Department of Labor withholds approval and rulings satisfactory to the Employer, the parties to this Agreement hereto agree to negotiate other fringe benefits or wage increases in the amount equal to the cents per hour provided for in this Article for all hours worked at straight-time in lieu of payments into the Pension Fund.

Section 122. The Employer shall be represented by its employees, or some other representative on the Board of Trustees administering such Pension Plan. A copy of the Trust Agreement and any amendments thereto shall be made a part hereto as if herein at length set forth, when adopted.

Section 123. Pension Protection Act (“PPA”) The bargaining parties agree and understand that the Employer may be obligated to make pension contributions in addition to the base contribution rate specified in the Employer Contributions Section. The amount of any such supplemental contribution shall be determined as follows:

- i. Alternate Schedule Contribution Rate: In the event the Trustees of the Plan adopt the Rehabilitation Plan Alternate Schedule attached hereto as Appendix B, the Employer shall pay the contribution rate required in the Alternate Schedule (modified only as provided herein) of one dollar and fifty one cents (\$1.51) per hour effective January 1, 2010 (on December hours) which includes the rate of eighty nine cents (\$0.89) per hour described in the Employer Contribution section above and a supplemental contribution of sixty two cents (\$0.62) per hour. In the event the New Hire Benefit goes into effect as provided herein, then effective with hours worked after the adoption of such Benefit, the Employer shall pay a total contribution rate of one dollar and sixty one cents (\$1.61) per hour, which reflects the sum of the contribution rate required in the Employer Contribution section, the supplemental contribution rate of this section and the new hire benefit contribution rate provided herein.
- ii. Default Schedule Contribution Rate: In the event the Trustees of the Plan do not adopt the Rehabilitation Plan Alternate Schedule, but instead adopt a legally valid “Default Schedule” within the meaning of the PPA, the Employer shall pay the contribution rate required under the Default Schedule effective January 1, 2010 (on December hours); provided that in no event shall such contribution rate be payable prior to the effective date of all of the benefit adjustments required under the Default Schedule. For example, if the Default Schedule benefit adjustments do not become effective until the start of the Rehabilitation Period under the PPA, the Employer shall not be required to pay the Default Schedule contribution rates until that time.

If any required Default Schedule contribution rate exceeds the rate provided for under subsection (i) above, then each annual increase in the top pay rate provided for in this contract shall be permanently reduced by fifteen cents (\$0.15) per hour, and ten cents (\$0.10) per hour in the case of Courtesy Clerks, effective with the next scheduled pay rate increase following the implementation of the Default Schedule contribution rate. The permanent reductions provided for herein shall continue year after year. It is understood that each annual top rate increase will be reduced until either sufficient reductions have occurred so as to equal the amount of the increase to the supplemental contribution rate of subsection (i) caused by the implementation of the default schedule or until the date on which the employer implements contribution rates which are reduced to, or below, the contribution rates under subsection (i) above and in accordance with subsection (vii) below, whichever occurs first, but in no event shall any such wage reductions made be restored.

- iii. **Long-Term Funding Policy Contribution Rates:** In the event the Alternate Schedule in subsection (i) above and the Default Schedule in subsection (ii) above are not applicable during the term of this agreement, but the Long-Term Funding Policy is implemented, the Employer shall not be obligated to pay a supplemental contribution under any other provision of this Agreement, but shall continue to pay the base contribution specified in the Employer Contribution Section plus a supplemental contribution under this subsection (iii) that shall not exceed sixty two cents (\$0.62) per hour. This supplemental contribution shall be a contribution amount which has the same proportionate value relative to the value of the benefit adjustments under the Long Term Funding Policy as the value of the supplemental contribution of sixty two cents (\$0.62) per hour under subsection (i) has to the value of the benefit adjustments under the Alternate Schedule. This approach shall be accomplished by utilizing the following formula: a) the present value of benefit adjustments under the Long Term Funding Policy, divided by b) the present value of benefit adjustments under the Alternative Schedule, multiplied by c) the supplemental contribution of sixty two cents (\$0.62) per hour under subsection (i). These calculations shall be made by the employer consultants and shall be final and binding on all parties.

For example: If \$5M is the present value of benefit adjustments under the Long Term Funding Policy and if \$10M is the present value of benefit adjustments under the Alternative Schedule and sixty-two cents (\$0.62) per hour is the supplemental contribution under subsection (i), then the supplemental contribution under this subsection (iii) is \$0.62 times \$5M divided by \$10M, or thirty-one cents (\$0.31) per hour.

- iv. It is understood and agreed that the Employer may reduce the amount of any of the above supplemental contributions due the Trust (but not below zero) by the amount of any surcharge, deficiency or excise tax required to be paid by the Employer any time after entering Critical Status. The supplemental contribution provided for herein shall be dedicated solely to improving the funding of the Plan, and shall not be used to increase or improve benefits, and will be reduced or discontinued upon determination by the Plan's Trustees, based on projections provided by the Plan's actuaries, that such supplemental contributions are no longer needed to support the level of benefits provided for under the Plan in accordance with the provisions of subsection (vii) below.

- v. As a result of the Plan's having been certified as being in critical status for the Plan Year beginning January 1, 2009, the Trustees are authorized to adopt the Rehabilitation Plan Alternate Schedule attached as Appendix B hereto (if they believe it is appropriate to do so). If the Alternate Schedule is adopted by the Trustees, it is hereby deemed approved by the bargaining parties and automatically incorporated into this Agreement.
- vi. In no event shall any contribution increases be required during the term of this Agreement as a result of any annual updates or other changes to the Rehabilitation Plan Alternate Schedule or, if applicable, to any Default Schedule.
- vii. In the event the Trustees determine, based on projections provided by the actuaries for the Plan, that, at any time during the term of this Agreement, an Alternate Schedule or Default Schedule with lesser contribution rates and/or benefit reductions would be sufficient to reasonably enable the Plan to emerge from critical status by the end of the Rehabilitation Period, the Trustees may amend the Alternate Schedule or Default Schedule in a manner that, to the extent possible, would restore reduced benefits and would reduce the Employer's supplemental contribution in an equal manner and amount, based on actuarial equivalence, provided that such modifications to the Alternate Schedule or Default Schedule would still allow the Plan to emerge from critical status by the end of the Rehabilitation Period, taking into account to the extent legally permitted any relief available under IRC Section 431(d). In the event the Trustees amend the Alternate Schedule or Default Schedule as provided in this subsection (vii), then the parties agree to adjust the supplemental contribution rates provided above to reflect the lower rates in the amended Alternate Schedule or Default Schedule. Notwithstanding the foregoing, if, prior to the effective date of any benefit cuts specified in the Alternate Schedule or the Default Schedule, the Trustees determine that (a) such benefit cuts are no longer required to avoid critical status or to have a valid Rehabilitation Plan, and (b) the supplemental contribution could be reduced or eliminated, then the Employer supplemental contribution shall be reduced or eliminated accordingly, and the Employer shall be further entitled to recoup the value of any supplemental contribution paid prior to the effective date of the benefit reductions set forth in the Alternate Schedule or Default Schedule. This provision shall apply regardless of the reason for the Trustees' determination, including a change in the law (e.g., a further extension of the Plan's green status) and/or improved investment returns. The value of the contributions shall be recouped via a suspension of contributions in an amount equal to the amount of the supplemental contribution paid.
- viii. The Board of Trustees is authorized to take all reasonable measures to cooperate and assist in achieving the objectives set forth in this Section.

Meat New Hire Benefit:

If the Trustees adopt the Alternate Schedule described above, and such Schedule becomes fully effective, the Trustees are authorized to amend the Plan (if they believe it is appropriate to do so) in order to provide the following Benefit for those participants whose employers have adopted the Alternate Schedule above. Newly hired employees hired after March 26, 2005 shall be eligible to receive an accrual rate per month for each year of credited service earned by such employees, commencing on January 1, 2010 (i.e., for

service on or after January 1, 2010) subject to the following terms, conditions and limitations:

- Funding through an employer supplemental contribution of ten cents (\$0.10) per hour;
- Normal retirement age of 65;
- The accrual rate shall be ten dollars (\$10) per month for each year of credited service earned between January 1, 2010 and December 31, 2012.
- The accrual rate shall be fifteen dollars (\$15) per month for each year of credited service earned on or after January 1, 2013.
- Any adjustable benefits otherwise provided by the Plan, including but not limited to Rule of 80 Pension, are inapplicable to this “new hire” benefit; and,
- Agreement by the plan’s co-actuaries that the “new hire” benefit can be funded by the ten cents (\$0.10) per hour employer contribution, otherwise the benefit shall be in the amount, up to \$10 or \$15 per month per year of credited service as specified above, the co-actuaries agree can be provided by said funding.

ARTICLE 45 HEALTH AND WELFARE OR PENSION DELINQUENCIES

Section 124. If the Employer fails to make monthly health and welfare or pension contributions, as set forth herein, he shall be notified by Certified or Registered Mail of his delinquency, either by the Health and Welfare Administrator or the Pension Plan Administrator, and if said remittance is not paid within ten (10) days, notwithstanding any provision of this Agreement, the Union, without the necessity of giving any other or further notice shall have the right to strike or to take such action as it shall deem necessary until such delinquent payments are made. The Employer hereby waives the requirement of any other notice or notices being given by the Health and Welfare Administrator or the Pension Plan Administrator or by the Union to him or to anyone else other than such notice or notices expressly provided for in this Article.

ARTICLE 46 DISCHARGE AND NO DISCRIMINATION

Section 125. No employee shall be discharged without just and sufficient cause.

Section 126. The Employer hereby agrees not to discriminate against any employee or discharge him because of membership in the Union and/or for upholding Union principles.

Section 127. No employee shall be discharged or threatened for refusing to cross or work behind any primary picket line established by any labor organization at the Employer's premises, nor shall the Union be deemed to be in violation of this Agreement if its members choose to honor any such picket line.

Section 128. The Employer and the Union agree that each will fully comply with the applicable laws and regulations prohibiting discrimination against any employee, or applicant for employment, because of such person's race, religion, color, national origin, sex, physical disability, mental disability or age.

Discrimination on the basis of physical or mental disability shall be deemed to include the failure to make or agree to reasonable accommodation to the known physical or mental impairments of an otherwise qualified individual with a disability.

Section 129. No employee who because of his religion has conscientious objections to working on his Sabbath will be required to work his Sabbath as a condition of employment. If the rights of the employees under this paragraph operate in conflict with the seniority provisions contained elsewhere in this Agreement, the right of seniority shall prevail.

Section 130. Whenever the masculine gender is used in this Agreement, it shall be deemed to include the feminine gender.

Section 131. It is recognized that the Employer may sponsor donations to worthy charitable organizations of a non-political nature. However, no employee shall be required to make contributions, nor shall any employee be told a specific amount he must contribute. There shall be no compulsion with regard to contribution.

ARTICLE 47 UNION REPRESENTATIVE VISITATION

Section 132. The Chief Executive Officer of the Union, the Deputy Secretary, or the Business Representative, thereof shall have the right of entering the premises of the Employer for the purpose of interviewing employees in such a way as to not interfere with the service of the Employer. The said representatives shall make their presence known to the supervisory person in charge upon entering the premises. The Employer shall, upon the request of an authorized Union representative, furnish satisfactory evidence to ascertain whether employees are being paid in accordance with the terms of this Agreement. The Chief Executive Officer, or his Deputy, may inspect the dues books of employees during working hours.

ARTICLE 48 UNION STEWARD

Section 133. The Union shall have the right to designate one (1) Steward per store who shall perform their Steward duties in such a way as not to interfere with the service of the Employer. Such Stewards shall have top seniority for the purpose of layoff within their classification in that store. The designated representative of the Employer must be advised in writing by the Union of the name of the Steward in the store before the employee will be recognized as a Steward.

Stewards shall not be bumped from their respective stores by employees exercising their second (2nd) or their eleventh (11th) week bump, unless the Steward chooses to do so.

Section 134. Where store operations are not adversely affected, the appointed Stewards will not be scheduled to work later than 6:00 p.m. on the night (not more than one (1) per month) of the regular Local Union Meeting, provided the Store Manager or Assistant Store Manager are notified by the Stewards by noon on the Wednesday of the week preceding the Union meeting.

Section 135. The Company will meet with the Union Stewards once per contract year (in four separate groups based on Districts) for the purpose of discussing store operating opportunities and attempting to solve store problems (other than grievances). The Company will pay each Steward who attends the annual session eight (8) hours pay at his/her straight-time rate. The Company shall pay ten (10) hours if the Steward is working the four (4) ten (10) hour shifts.

Section 136. Employees Rights to Union Representation. When an employee is involved in a disciplinary interview where the probable result of such interview will be the imposition of disciplinary action, the employee may request union representation.

ARTICLE 49 DISPUTE PROCEDURE

Section 137. Should any dispute or complaint arise over the interpretation or application of this Agreement, there shall be an earnest effort on the part of the parties to settle such promptly through the following steps, and failure to follow the procedures set forth below shall result in forfeiture of the grievance.

Section 138. Step 1. By conference during scheduled working hours between the Steward and/or the Union's Business Representative and/or the aggrieved employees and the designated Employer representative.

If the issuance of a verbal/written warning is grieved, the Union will notify the Employer of the same.

If the grievant is disciplined further, or otherwise adversely affected, and the verbal/written warning is relied upon by the Employer in doing so, the Union shall have the right to submit the grievance protesting the warning to arbitration together with the grievance contesting the disciplinary or adverse action. It is expressly agreed that all such grievances will be consolidated.

Section 139. Step 2. If the grievance cannot be satisfactorily resolved under Step 1 above, the grievance shall be reduced to writing and submitted to the representative designated by the Employer to handle such matters. Such submission shall be made within twenty (20) days of the date of the occurrence of the event which gives rise to the grievance and shall clearly set forth the issues and contentions of the aggrieved party or parties and must reasonably allege a specific violation of an express provision of this Agreement. (In case of a discharge the time limits shall be fourteen (14) days.) The Employer designee and the Union Business Representative shall meet within ten (10) days after receipt of written notice of the grievance and attempt to resolve the grievance. In the event the Employer designee assigned to handle grievances does not have an office in the area where the grievance arises, this meeting may be discussed by phone; furthermore, the time limits on this meeting may be postponed by mutual agreement of the parties.

In an instance where an employee feels he has not been paid in accordance with the wage progression scales set forth herein, such employee shall have an obligation to bring this to the attention of the Store Manager as soon as the employee first has knowledge of such alleged error. In the event the employee has been improperly paid, said payment error shall be corrected on a retroactive basis, but not beyond ninety (90) days prior to the date on which the grievance is presented in writing.

Section 140. Step 3. If the grievance is not satisfactorily adjusted in Step 2, either party may, with reasonable promptness, but in no event later than thirty (30) days from the date of the Step 2 meeting, in writing, request arbitration and the other party shall be obliged to proceed with arbitration in the manner hereinafter provided. The parties shall forthwith attempt to agree upon an impartial arbitrator.

Section 141. In the event the parties are unable to reach agreement upon the selection of an arbitrator within fifteen (15) days of the written request for arbitration, the party requesting arbitration may, with reasonable promptness, request a panel of five (5) arbitrators from the Federal Mediation and Conciliation Service. From this panel of five (5) names, each party shall alternately strike two (2) names, the moving party striking first. The

remaining arbitrator from the list shall be the impartial arbitrator. A finding or award of the arbitrator shall be final and conclusive upon the parties hereto.

Section 142. The arbitrator shall have all the rights, power, and duties herein given, granted and imposed upon him; but his award shall not change, alter or modify any of the terms and conditions set forth in this Agreement. The expense of the impartial arbitrator shall be paid by the losing party. In the event neither party wins the total arbitration, the expenses shall be shared equally by the parties.

Section 143. The arbitrator will issue his decision within thirty (30) calendar days after the close of the proceedings. *This thirty (30) day calendar time limit may be extended by mutual agreement between both parties.*

Section 144. In the event either party refuses to arbitrate on demand of the other party, and an order compelling arbitration is obtained in Federal Court on the basis contended by the moving party, the refusing party will pay to the moving party reasonable legal fees incurred, up to Five Hundred Dollars (\$500.00). Similarly, if the moving party fails to prevail in such an issue, the moving party will pay reasonable legal fees incurred up to Five Hundred Dollars (\$500.00) to the refusing party.

Section 145. Safeway Inc. and the UFCW Union Local No. 7 agree to enter into this Agreement to selectively use mediation to achieve a mutually satisfactory resolution of certain formal grievances.

The following procedure will be followed whenever a grievance is selected to be mediated:

1. Once a grievance has been requested for arbitration, the parties may agree to submit the grievance to a mediator. The parties shall use a mutually agreed upon mediator.
 - a) The parties will contact the mediator and schedule a date for the mediation conference to be held on a monthly basis effective immediately.
 - b) The grievant and location manager shall be present for the conference. Each party shall be permitted to have not more than two additional observers. Observers shall not be permitted to offer testimony or make oral statements.
 - c) The proceedings shall be informal and the formal rules of evidence shall not apply. Each party will make a brief presentation of the facts of their case not to exceed 15 minutes. The Grievant and Location Manager may also make an oral explanation of their case not to exceed five minutes. The parties may also submit other written evidence, statements, etc., to the mediator, witnesses and oral testimony, provided that such testimony does not exceed the 20-minute total set forth above.
 - d) The mediator will have the authority to meet with each party separately and to recommend a reasonable settlement to the grievance. The mediator shall have the authority to compel the resolution of the grievance. Grievances ruled upon or settled shall be considered final and binding and may not be further processed to arbitration.
 - e) All settlements or rulings shall be on a non-precedent setting basis and without prejudice to either party, except settlements may specifically provide otherwise.

- f) The parties agree to attempt to schedule multiple grievances per mediation conference. Further, the parties agree to share expenses of the mediator.

This agreement shall be effective on the date of execution of this agreement and may be cancelled by either party upon thirty (30) days written notice to the other party.

Section 146. Expedited Arbitration Procedures.

Effective upon ratification of this agreement, the parties signatory below agree to adopt an expedited arbitration procedure as outlined below. Notwithstanding the provisions of such agreement, the parties recognize that arbitrations already scheduled prior to the effective date of this agreement shall be arbitrated as in the past and not subject to the provisions of this agreement unless the parties mutually agree to do so.

A mutually agreed upon arbitrator shall be selected to hear cases arising under this procedure. The parties will direct the arbitrator to set aside one day per month to hear arbitrations under this procedure. As near as practical, such dates will be during the second or fourth week of each month. If necessary, and the parties mutually agree, the arbitrators will be asked to set aside more days per month.

The parties shall attempt to meet biweekly to review cases pending arbitration and to schedule cases for arbitration under this procedure. Should a case scheduled for arbitration be settled prior to the scheduled date, the parties will make an earnest effort to substitute another case for the scheduled date.

Except as otherwise set forth in this agreement, all discipline cases, including discharges, shall be subject to the provisions of this procedure. Contract interpretation cases, upon mutual agreement by both parties, shall also be subject to this procedure. For discipline cases, other than discharges, both parties agree, where practical, to schedule at least two such cases to be heard on one day, with the understanding that the presentation of such cases shall not exceed four hours, with both sides being allocated two hours for the presentation of their case and cross-examination of witnesses of the opposing side.

For all discipline cases, including discharges, both parties will make closing oral arguments unless mutually agreed otherwise, and the arbitrator will issue a brief written award. Where practical, the parties will direct the arbitrator to issue a written bench decision and summarize his decision in a one-page letter following the arbitration. The arbitrator, at his discretion, may request no more than seven days to deliberate on the issues of a particular case. In this regard, an arbitrator will issue his award within fourteen days following the close of the hearing.

Both parties will direct the arbitrator to issue an abbreviated, which details only the arbitrator's award and a brief explanation as to the reasons for this award. In the case of contract interpretive matters, both parties recognize the need to file briefs and have the arbitrator write a detailed decision. In this regard, both parties agree to file briefs within two weeks following the close of the hearing and will direct the arbitrator to issue an abbreviated decision which details only the arbitrator's award within two weeks following the receipt of briefs. The arbitrator will then issue a detailed decision within thirty days following receipt of the briefs by the parties.

Either party may, by notification to the other prior to a case being scheduled, exclude a particular case from the provisions of this agreement. In this case, the arbitration shall be scheduled and handled under the normal procedure.

Provisions of this agreement are hereby entered into by both parties signatory below and in full force and effect, unless either party, through written notification to the other party, gives thirty (30) days written notice of

their intent to cancel this agreement. In this regard, the parties agree that cases scheduled for arbitration under this procedure shall proceed to arbitration as provided above.

Section 147. Remedies for Errors. If an error is made by management in the application of the provisions of this agreement resulting in a lost work opportunity for the aggrieved employee such as vendor stocking, scheduling and assignment of hours disputes, classification issues, and work jurisdiction matters and the affected employee immediately files a grievance, the employee shall be made whole by being permitted to work the number of hours lost. Such hours shall be above and beyond the posted schedule. The employee shall advise management anytime after the next schedule is finalized for the workweek of their desire to exercise their right to work the hours due during the workweek on the date and time determined by the employee. An aggrieved employee may not demand such remedy on an overtime or premium-pay basis if the alleged violation occurred on what would have been a straight-time day for such employee. The employee must exercise this right to work within four (4) weeks of the settlement of error with the employee or such right shall be forfeited and no further remedy shall be required.

ARTICLE 50 NO STRIKE OR LOCKOUT

Section 148. During the life of this Agreement, there shall be no lockout, strike, picketing, boycotting or stoppage of work, anti-company publicity or other economic action of whatsoever nature against the Company.

It is understood that it shall be a violation of this Agreement for the Union or its agents to require its members to observe picket lines set up by any labor organization at the premises of the Employer.

ARTICLE 51 STORE OR PLANT CLOSING

Section 149. Dislocation and Training Pay. In the event the Employer closes or sells a store and the employee chooses to self terminate, said employee shall be entitled to dislocation and training pay. This money is provided to help defer any expenses incurred by the employee as it relates to moving expenses and/or training for a new occupation.

The employee must notify the Employer, in writing, within seven (7) days after receiving such notification of the store closing or of the store being sold.

The Employer shall pay said dislocation and training pay to the employees prior to the effective date of the store closing.

The amount of the dislocation and training pay shall be computed as set forth in Article 51, Section 149 and 150. However, the Employer will only be required to make two (2) months Health and Welfare contributions following termination and the Employer will not be required to make any Pension contributions.

Any employee who requests said dislocation and training pay shall not be entitled to any other provisions as set forth in Article 51.

Any employee who chooses not to exercise the rights for the dislocation and training pay shall be entitled to severance pay as set forth in this Agreement.

Section 150. In the event the Employer closes or sells a store or plant and employees are terminated as a result thereof, such employees are entitled to pay equal to one (1) week's pay for each year of continuous service commencing with the third (3rd) year of continuous service up to, but not to exceed eight (8) weeks' pay at their regular rate. However, those employees who have an incomplete year of continuous service as an employee will receive pro rata severance pay for that year as follows:

0-3 months equals twenty-five percent (25%) of a week's pay.

3-6 months equals fifty percent (50%) of a week's pay.

6-9 months equals seventy-five percent (75%) of a week's pay.

Over 9 months equals one week's pay.

Severance pay shall be computed on the average hours worked per week for the fifty-two (52) weeks preceding a voluntary layoff or termination.

The Employer shall continue contributions to the Pension and Health and Welfare Trust Funds for three (3) full months following termination on an hourly basis in direct relationship to the severance pay received for those employees who secure employment with a contributing Employer in the Pension and Health and Welfare Trust Funds.

All monies due employees, including severance pay, shall be paid in a lump sum upon termination.

An employee who is terminated and who is eligible for severance pay, and accepts severance pay, forfeits his seniority and has no recall rights. However, an employee may elect to accept a voluntary layoff not to exceed ninety (90) days. At the end of the ninety (90) day period, if he has not been recalled, he will be paid severance pay and forfeit his seniority. Any extensions of this ninety (90) day period must be agreed upon in writing and signed by the employee, a representative of the Union and the Employer. In no case will such extension exceed a total of six (6) months from the date the employee accepted the layoff.

If an employee is offered a transfer to other employment with the Employer within forty (40) miles of the store or plant in which he was last working and he refuses to accept the transfer or other employment with the Employer he forfeits his rights to severance pay and Pension and Health and Welfare contributions.

If a store or plant is sold and the successor Employer offers employment to an employee who is otherwise eligible for severance pay under the terms of this Article and the new job is comparable, then no provisions of this Article shall apply.

The Employer agrees to give to the employees and the Union two (2) weeks' notice in advance of a store or plant closing or sale. When such notice is given, an employee shall remain with the Employer until the plant or store closes, or forfeit his rights under this Article, unless mutually agreed to by the employee, Employer and Union.

No benefits shall accrue under the terms of this Article unless the Employer makes a business decision to close or sell a store or plant. If a store or plant closing is caused by fire, flood, storm, land condemnation or remodeling, then this Article shall not apply.

In the event of a store or plant closing, employees shall be allowed to exercise their seniority under their respective layoff procedures.

ARTICLE 52 BULLETIN BOARD

- b. Notices of Union elections, Union appointments, and the results of Union elections.
- c. Notice of Union meetings.

The bulletin board is not to be used by the Union or its members for disseminating propaganda of any kind whatsoever, and among other things, it shall not be used for the posting of material of a political or controversial nature or for advertising proposes. Any document placed on the bulletin board must be signed by an officer or official representative of the Union.

ARTICLE 53 UNION STORE CARDS

Section 152. The Employer will also furnish an oil stone in each market for the use of employees in sharpening all hand tools.

Notwithstanding the above, the employee shall be required to meet the dress requirements, at the employee's expense *unless otherwise specified*, as detailed in the Letter of Understanding, "Dress Requirements," attached to this Agreement.

ARTICLE 55 SAVING CLAUSE

Section 154. If, during the term of this Agreement, or during any renewal or extension of the same, any Federal or State Law is enacted, or any rule or regulation is issued under any Federal or State law, which would make compliance by the Union, the Employer, employees, or any of them, with the terms, provisions or condition of this Agreement a violation of any of said laws, rules or regulations, then such terms, provisions or conditions shall become inoperative and of no effect from the effective date of any such law, regulation or rule. The remainder of this Agreement not in conflict with any of said laws, rules or regulations shall continue in full force and effect.

In the event of any such terms, provisions or conditions becoming inoperative and of no effect, either party to this Agreement may open the same for bargaining only as to substitute provisions, if any, for those provisions made inoperative upon a thirty (30) day written notice to the other party.

Section 155. It is specifically understood that the no-strike and no-lock out provision set forth elsewhere in this Agreement shall remain in effect throughout the term of this Agreement.

Therefore, the Employer and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to, or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

COST OF LIVING ALLOWANCE

Effective May 4, 1986, there shall be a cost of living allowance based on the increase in the revised Consumer Price Index for Urban Wage Earners and Clerical workers, published by the Bureau of Labor Statistics, U.S. Department of Labor (1967 = 100) between March, 1985 and March, 1986. For hourly rated employees covered by this Agreement, there shall be a one cent (\$.01) per hour adjustment for every full .4 point increase in that index which exceeds an increase of 5.5% in the Index during the period between March, 1985 and March, 1986. It is understood that if the rates of pay for the classification are less than the Journeyman Meat Cutter rate, such classification shall receive the same percentage increase in the cost of living as the Journeyman Meat Cutter.

ADDITIONAL PROVISIONS

The contract changes shall become effective the first Sunday following ratification unless otherwise noted.

Employees receiving more than the agreed upon rates shall continue to receive the higher rate of pay and shall receive raises in accordance therewith.

APPENDIX "A"

The minimum hourly rates of pay for the indicated classifications shall be as set forth below on the dates indicated. The Employer may hire any employee at any rate in the progression schedule at its sole discretion.

Rate Determination

Employees hired before March 27, 2005 who remain in their classification after commencement of this Agreement shall be paid in accordance with the "hired and assigned in the bargaining unit prior to March 27, 2005" wage schedule while they remain in that classification.

Demotions, Step Downs and layoffs: An employee who is demoted, steps down, or who is laid off in accordance with this Agreement, shall be placed back into the same wage schedule in which the employee was working immediately prior to their assignment into management or promotion into the classification from which they are being demoted, stepping down or laid off. In determining the proper progression level for an employee demoted, stepping down, or laid off from a classification with a higher "thereafter" hourly rate to a classification with a lower "thereafter" hourly rate, such affected employee shall be placed in the appropriate progression level in the rate schedule referenced in this paragraph based on their experience in the newly assigned classification, regardless of whether such assigned rate results in a reduction in hourly rate. In determining prior experience hereunder, the Employer will give recognition to the verified number of hours of actual work experience in the same classification which said employee may have performed for the Employer and the verified number of hours of actual work experience on a comparable job which said employee may have performed within the previous five (5) years for any other employer in a similar retail grocery operation.

Rate Determination – Promotions, new hires and new entrants into the bargaining unit: Employees hired into, or assigned to, or promoted to a different classification, the bargaining unit on or after March 27, 2005 shall be assigned to the "EMPLOYEES HIRED INTO THE BARGAINING UNIT OR ASSIGNED OR PROMOTED ON OR AFTER March 27, 2005" wage scale. Employees who are promoted to a different classification after March 26, 2005 shall not receive a reduction in their hourly rate of pay if when promoted to such classification they are being paid an hourly rate of pay greater than the minimum, unless they are above the "thereafter" hourly rate in which case they will immediately be paid the "thereafter" hourly rate. When such employee is paid less than the "thereafter" hourly rate, prior to receiving an increase in their hourly rate of pay, they must work 1,040 hours at their current rate before promotion to the hourly rate in the new classification that would give them an increase in their hourly rate of pay.

Ratification Bonus: Effective no later than the second Sunday following ratification, all employees who have been continuously employed for one consecutive year, to the date of ratification, shall receive a gift card (net of taxes) equal to \$1,000 for top rate FT employees, \$500 for top rate PT employees, \$400 for employees in wage progression and \$150 for Courtesy Clerks.

Rehabilitation Period
January 1, 2010 through December 31, 2022.
Plan to Emerge from the Red Zone and Annual Benchmarks to Assess Progress Toward Emergence
The Plan's actuaries certify that the Contribution and Benefit Adjustments shown above are sufficient for the Plan to emerge from the Red Zone at the end of the Rehabilitation Period based on the funded status of the Plan as of January 1, 2009 before the addition of any New Hire benefits. In the event that the New Hire benefits are implemented, the Plan's actuaries certify that with the additional contributions specifically designated to

fund the New Hire benefits, the plan is still reasonably expected to emerge from Critical Status after such benefit increases, as shown in the annual benchmarks including the New Hire benefits. These schedules will be updated as needed throughout the Rehabilitation Period. Progress toward emergence from the Red Zone will be measured by the Plan's Funding Standard Account Credit (Deficiency) Balance being greater than (less than) the amounts in the following projections. These projections have been made in accordance with the provisions of the Pension Protection Act of 2006 including:

- Contribution rates in accordance with the Collective Bargaining Agreement effective for hours worked in December 2009 payable in January 2010.
- An assumption of the same number of contributable hours as reported for the actuarial valuation as of 1/1/2008. The reasonableness of this assumption has been verified by the Trustees.
- No market related investment gains or losses from 9/30/2009 forward and no other actuarial gains or losses from 1/1/2009 forward.

Safeway agrees to carry forward the specific Letters of Understanding as listed below. Any Letter not referenced below shall be deemed null and void.

- I. B-1 Employees reinstated under terms of Alcoholic Rehabilitation Program Agreement reached as a result of an Agreement reached as a result of a meeting held on March 31, 1983, between Charles Mercer, UFCW 7 and Rex Berry, Safeway.

As a result of a meeting held on March 31, 1983 between Charles Mercer and Rex Berry, the following terms and conditions have been agreed upon regarding future letters of agreement concerning employees re-instated under the terms of our Alcoholic Rehabilitation Program.

1. The employee must enroll in an Alcoholic Rehabilitation Program recognized by the State and/or Federal Government.
2. The employee must sign a release which permits Safeway Stores, Inc. and Retail Clerks Union, Local 7 access to any and all information related to his/her treatment required by, or undertaken in, the Alcoholic Rehabilitation Program. Safeway Stores, Inc. has the right in its discretion, to obtain status reports from the Alcoholic Rehabilitation Program Organization.
3. Any employee terminated from Safeway Stores, Inc. for any reason, who later claims to be an alcoholic, will not be entitled to any back pay should the employee be reinstated under this policy.
4. The Alcoholic Rehabilitation Program shall not in any way interfere with the written work schedule at the employee's place of employment.
5. Any employee enrolled in an Alcoholic Rehabilitation Program is still subject to progressive discipline for any infraction of Safeway Stores, Inc. rules, regulations, or policies, and remains subject to the applicable collective bargaining agreement.
6. Safeway Stores, Inc. shall not be liable for any expense associated with an employee's enrollment in an Alcoholic Rehabilitation Program.
7. Should an employee violate any provision of the Alcoholic Rehabilitation Program, the Company and the union will review the violation to determine if there are any highly unusual circumstances which might warrant continuation in the program. If there are no such circumstances, the employee shall be terminated immediately.
8. Upon enrolling in the Alcoholic Rehabilitation Program, the employee shall be reinstated, but the employee will not necessarily be assigned his/her place of employment from which he/she was terminated. Safeway Stores, Inc. reserves the right to reinstate an employee to a place of employment which best serves the operational interest of Safeway Stores, Inc.
9. Reinstatement shall be no later than two full weeks after the agreement is signed, or two full weeks after a "dry-out period", if required by the treating physician.

10. An employee terminated under the provisions of the Absentee Program who is later reinstated under the Alcoholic Rehabilitation Program will return to work under the provisions of the Absentee Program at the same level and status which prevailed at the time of termination.
 11. Once an employee has successfully completed an Alcoholic Rehabilitation Program under this policy, the employee shall not be entitled to the benefits of this policy a second time.
2. B-3 Procedure for Scheduling Employees with Conscientious Objections to Working on Their Day of Sabbath. Unsigned and Undated agreement between Safeway and UFCW Local 7.

PROCEDURE FOR SCHEDULING EMPLOYEES WITH CONSCIENTIOUS OBJECTIONS TO WORKING ON THEIR DAY OF SABBATH

We have had a number of requests for the procedure in the handling of employees scheduled on a day which is their day of Sabbath. Safeway has entered into an agreement with UFCW which provides certain procedures for accommodating individuals who have such conscientious objections.

Problems can result in a grievance under the contract as well as a possible violation of the laws against discrimination on the basis of religion, so please follow these procedures carefully and call Safeway Inc. Human Resources if necessary.

This procedure, of course, applies only to any employee who advised you:

1. that they have conscientious objections to working a particular day of the week.
2. the nature of their conscientious objections, and
3. the particular day of the week which they are unable to work.

If you have any questions concerning whether the employee actually has bona fide conscientious objections, be certain to contact Employee Relations and review the matter. You also should complete the form attached to these instructions, ask the employee to sign it, and route it to Safeway Inc. Human Resources Department for future reference.

The procedure for scheduling is as follows:

1. Until noon on Saturday for the following week's schedule an employee may identify and request an exchange of shifts with any employee junior to him in the same job classification in the store which will result in the employee obtaining their Sabbath as a day off. You may deny this request if the exchange would require an employee to perform duties for which they are not trained, or for some other equally substantial business reason. Otherwise you must grant the request. Seniority shall prevail, and the junior employee cannot refuse to make the trade.
2. As an option, an employee may identify and request an exchange of shifts with a senior employee who is willing to make such an exchange. Again, you may deny this request if the exchange would require an employee to perform duties for which they are not trained, or for some other equally substantial business reason. Otherwise you must grant the request. Seniority shall prevail and the senior employee may refuse to make the trade.

3. B-6 Grievance Settlements at Store Level. Provides for non-precedent grievance settlements between Store Managers and Union Stewards dated February 3, 198_ and signed by Bruce Trull, Safeway Inc., and Charles Mercer, UFCW Local 7.

Safeway, Denver Division and UFCW Local 7 agree that Safeway's Store Managers and the Union Store Stewards shall be allowed to settle grievances at the store level with no precedent.

4. B-11 Seniority. Provides that all employees that have transferred into the meat bargaining unit from the retail clerks bargaining unit shall have their seniority date of hire retroactive to the first date of hire with the Company effective May 9, 1983. Signed by Alfonso Pacheco, UFCW Local 7 on 8/2/93 and Bruce Trull, Safeway, on 9/3/93.

The Union and the Company agree that all employees, that have transferred to the meat bargaining unit from the retail clerks bargaining unit for promotion or other purposes, shall have their seniority date of hire be retroactive to the first date of hire with the Company.

This shall take affect May 9, 1993.

5. Meat Cutters Bargaining Unit--Colorado Springs. Establishes meat cutter floater pool for the Colorado Springs meatcutters signed by Dwayne Adkins, UFCW Local 7 and Bruce Trull and Gordon Todd, Safeway, dated 5/12/88.

All meat cutters with the exception of (Market Managers) Head Cutters, and one most senior cutter assigned to each store, shall be placed into a single "floater pool" within the bargaining unit.

When the Employer determines the hours necessary in the bargaining unit for said "floater pool", the seniority of floaters shall be honored, first in the weekly scheduling of floaters to the fewest number of stores, and secondly in scheduling a floater the greatest number of hours up to (40) forty in a week.

6. Transfers and Seniority. Agreement added to all Colorado Meat bargaining units between Safeway and Meat Cutters Union Local 634 (now UFCW Local 7). Provides for continuous employment seniority after 30 days when an employee transfers between Colorado meat bargaining units. Effective January 10, 1978. Signed May 1, 1980. Resigned as a letter of agreement by Bruce Trull, Safeway and Al Pacheco, UFCW Local 7 on 7/27/94.

In the event an employee transfers from one area in the State of Colorado to a bargaining unit in the State of Colorado in the jurisdiction of Local 634 (now Local 7), then all continuous employment seniority with the Company shall be recognized by both the Union and the Company after thirty (30) days in the bargaining unit to which the employee transfers. In the event the transferred employee is laid off in the new location, then the transferred employee shall retain the right to return to the area from which the employee transferred during this thirty (30) day period in the new bargaining unit.

It is agreed that this provision shall become effective on January 10, 1978, and shall not be retroactive for employees who have previously transferred into a new bargaining unit.

7. Layoff Procedures, Colorado Springs retail clerks and meat bargaining units. Clarifies layoff procedures in Section 75 of the retail clerks contract and Section 97 of the retail meat contract for the Colorado

Springs bargaining units. Signed by Bruce Trull, Safeway on 12/18/94 and Michael Belo, UFCW Local 7 on 11/23/94.

1. This agreement pertains to the implementation of layoff procedures in Section 97 of the retail meat contract and Section 75 of the retail clerks contract for the Colorado Springs bargaining units.
2. The purpose of this agreement is to ensure that to the greatest extent possible in circumstances when multiple layoffs are necessary, the Company will operate the layoff procedures in Section 97 (retail meat) and Section 75 (retail clerks) so that the least senior employees in the bargaining unit will be the employees who are laid off. Therefore, the Company will discontinue its current practice. Instead, the Company will complete the process of offering and having the employee choose the layoff options with the first affected employee before going to the second affected employee, then will complete the layoff options with the second affected employee before going to the next employee, and so forth.
3. Time limit for exercising options. When a reduction in the work force is necessary, the Company will notify the affected employee of his/her options in accordance with Section 97 of the retail meat contract of Section 75 of the retail clerks contract. If the affected person is notified of his/her layoff options before 11:00 a.m., the affected person must inform the Company's designated representative (the district secretary, store manager, or other person handling the matter for the Company) of his/her chosen option by no later than 4:00 p.m. on the same day. If the affected person is notified of his/her options after 11:00 a.m., the affected person must inform the Company's representative of the chosen option by 8:30 a.m. on the next day. These are outside time limits, and the affected person is free to inform the Company of which option he/she chooses sooner than these time limits.
4. Effect of not exercising option within time limits. If the affected person does not notify the Company of his/her chosen option within the time limits set forth above, the affected person will be deemed to have exercised the first option specified in Section 97 (retail meat) or Section 75 (retail clerks) that is available, assuming that the affected person qualifies for such option when the contract requires qualifications. For example, if a retail clerk employee does not notify the Company of his/her chosen option within the time limits, he/she will be deemed to have chosen the option in Section 75 of displacing a less senior employee within the same classification in the store or, if such option is unavailable, of displacing the least senior employee within the same classification in the bargaining unit.
5. The Company will implement this procedure as soon as possible. If either party wishes to discontinue this agreement, it may do so after it has given written notice of at least 30 days to the other party.
8. B-10 Additional Hours Request Test for Northern Colorado (Brighton, Longmont, Loveland, Ft. Collins, Greeley and Estes Park). Establishes an additional hours request list by classification for the meat bargaining units in the above referenced bargaining units. Signed by Bruce Trull for Safeway and Dwayne Adkins, UFCW Local 7, dated 3/28/91.

The Company agrees to establish an additional hour request list, by classification, for the meat bargaining units represented by Local 7 in Estes Park, Brighton, Longmont, Loveland, Fort Collins and Greeley.

Additional hours are those created by increased schedules, leaves of absence, vacations or sick calls during the affected work week.

When it is necessary to work additional hours, the additional hours shall first be offered by seniority to employees within the affected classification and store who are scheduled less than 40 hours. If these hours cannot be filled, the Company will offer the hours by seniority to employees within the affected classification within the bargaining unit who are scheduled less than 40 hours. And, if it is still necessary to fill the additional hours of work needed, the Company will offer the hours by seniority to employees within the affected classification who are scheduled less than 40 hours in the above-described bargaining units.

Further, it is the employee's responsibility to notify the Company of his/her desire to work additional hours and said request shall remain in effect until revoked by the employee.

Either party shall have the right to terminate this agreement upon thirty (30) day's written notice.

9. B-10 Meat Cutter on Duty and Lunch Period (Steamboat Springs, Loveland, Longmont, Ft. Collins, Greeley, Grand Junction, Gunnison, Craig and Colorado Springs). Deletes the requirement in the above mentioned contracts to have a meat cutter on duty (Article 2, Section 2C and also during the lunch period (Article ___, Section ___). Signed by Bruce Trull, Safeway and Dwayne Adkins, UFCW Local 7, dated 12/27/88.

The parties agree that the current contract language of the above-mentioned contracts shall be amended by deleting Article 2, Section 2C and Article ___, Section ___, last paragraph and the deleted language shall have no effect. [Note: It is understood that the reference to Article ___, Section ___ in the Letter of Understanding is null and void as a consequence of the changes negotiated between the parties with respect to Article 24 in the Collective Bargaining Agreement.]

10. Floater Pool Letter of Understanding for Denver Metro dated April 25, 1989 signed by Gary L. Pickel for Safeway and Dwayne L. Adkins for UFCW Local No. 7. Deleted in the Last, Best and Final Offer to UFCW Local 7 dated June 24, 1996, except for the last paragraph.

11. Vail, Colorado Addendum Agreement dated February 28, 1991 executed by Bruce Trull for Safeway and Dwayne Adkins for UFCW Local No. 7.
1. Beginning in 1990, the Employer shall pay a bonus of ten percent (10%) of gross earnings to all employees employed as of Saturday following Easter Sunday.
 2. The bonus shall be paid on all hours paid up to forty (40) per week for the (ski season) period from the first full week prior to Thanksgiving through the Saturday following Easter Sunday.
 3. The bonus shall be paid the pay period following Easter Sunday.
 4. The Employer reserves the right to not allow any employees to take vacation during the ski season.
 5. It shall be the employer's option to have the store remain open on Thanksgiving and Christmas.

6. This Agreement shall be in full force and effect throughout the term of the collective bargaining agreement between these parties.

ARBITRATION SCHEDULING

Letter of Understanding Between Safeway Inc. and UFCW Local 7

19. During the course of our negotiations for new collective bargaining agreements for Denver, Pueblo and Colorado Springs for the period from _____ to _____, United Food and Commercial Workers Local 7 (the Union) and Safeway Inc. (the Company) discussed their mutual desire to improve the efficiency and effectiveness of the parties' administration of the grievance and arbitration process in our labor agreements. These discussions reflected both parties' belief that a well managed grievance procedure is a cornerstone of any mature collective bargaining relationship and is the responsibility of both labor and management.

Our discussion was open and honest and was forward-looking. Our objective was not to assess blame for why the process had not lived up to expectations in the past, but rather, to use the past as a learning experience for the future. Within this context, the parties have agreed to the following grievance procedure administration guidelines which we believe will help us achieve the type of grievance procedure the Company, the Union and the employees who work under the agreements deserve:

1. The leadership of Local 7 has committed to "taking a second look" at the backlog of pending grievances to see whether any can be withdrawn or settled. There is no obligation on Local 7 to withdraw any grievance it believes has merit, only to determine whether each grievance has merit and deserves to move forward. Local 7 believes this process can be accomplished by _____.
2. Additionally, the parties recognize that the information requests that routinely accompany grievances filed by Local 7 can be burdensome and time consuming for the Company to respond to, which in turn impacts the effective and efficient administration of the grievance procedure. Accordingly, Local 7 has committed to reviewing the information requests it has accompanying pending grievances as well as information requests it may file with future grievances to determine whether the information requests can appropriately be withdrawn or tailored more narrowly in scope.
3. The parties also agree to schedule monthly settlement meetings at which the parties will discuss the possible settlement or withdrawal of grievances pending arbitration.
4. The parties will work from an agenda containing cases pending arbitration ranked in order of date filed with the exception that cases involving termination, demotion, or potential continuing liability shall be moved to the top of the agenda in date order and shall be discussed before any other case. The agenda will be prepared one week from the date of the meeting and may then only be modified by agreement of the parties.
5. The parties will endeavor to discuss as many cases as can reasonably be considered at each monthly settlement meeting.
 - a. Cases that are settled or dropped/withdrawn by the Union shall be removed from the agenda and shall be deemed closed.

- b. Cases that are continued at the monthly settlement meeting pending further review or investigation shall remain on the agenda for discussion at future monthly settlement meetings.
 - c. Cases that have been discussed by not resolved may, at the option of the grieving party, be scheduled for arbitration as provided below.
6. Grievances referred to arbitration shall be placed in the scheduling queue and scheduled for hearing as follows:
- a. Cases shall be scheduled from the scheduling queue in order of their respective grievance filing date with the understanding termination or demotion cases shall move to the front of the scheduling queue in date order.
 - b. The party requesting arbitration shall promptly request a panel of arbitrators from FMCS for each case placed in the scheduling queue.
 - c. Within sixty (60) days after a final settlement meeting decision, the parties will select an arbitrator.
 - d. The parties will use best efforts to schedule the hearing in the matter for which an arbitrator has been appointed within six (6) months following a final settlement meeting decision with the understanding that the parties may schedule a hearing a date later than six (6) months upon mutual agreement or as the result of 6(e) below.
 - e. Notwithstanding the provisions of 6(d) above, neither party shall be required or obligated to schedule more than three (3) cases per calendar month except by mutual agreement.
 - f. In all disciplinary cases referred to arbitration, as a condition to accepting appointment, the arbitrator must agree to render a decision and award no later than thirty (30) days after receipt of the parties' post hearing statements. Unless otherwise agreed by the parties, such statements must be filed no later than fourteen (14) days following the close of the hearing (or receipt of transcript where applicable) and must be limited to no more than ten (10) single space letter size pages. It is specifically agreed and understood that any such case resolved under this procedure shall be deemed "nonprecedential" and will not be cited by either party in any future proceeding. The provisions of this subsection (e) may be modified on a case by case basis by mutual agreement of the parties.

The Company's Director of Labor Relations and the Union President will retain jurisdiction over this letter of understanding and may, by mutual agreement, modify this letter of understanding as they deem necessary and appropriate to improve the efficiency and effectiveness of the agreements' grievance and arbitration process. Any such modifications must be in writing and signed by both parties.

WEINGARTEN RULES

Under the Supreme Court's Weingarten decision, when an investigatory interview occurs, you should ask if it is for disciplinary action. If so, the following rules apply:

- Rule I:** The employee must make a clear request for union representation before or during the interview. The employee cannot be punished for making this request.
- Rule II:** After the employee makes the request, the Employer must choose from among three options. The Employer must either:
- A. **Grant the request** and delay questioning until the union representative arrives and has a chance to consult privately with the employee, or
 - B. **Deny the request** and end the interview immediately, or
 - C. Give the employee a choice of:
 - (1) having the interview without representation or
 - (2) ending the interview.
- Rule III:** If the Employer denies the request for union representation, and continues to ask questions, it commits an unfair labor practice and the employee has a right to refuse to answer. The Employer may not discipline the employee for such a refusal.

DO NOT GO SUSPENDED!!!

REMEMBER, IF YOU LEAVE THE INDUSTRY FOR ANY REASON (termination, lay-off, leave of absence, etc.) apply for your withdrawal card. This must be done within 30 days from the last day worked. This protects your union status in the event you should ever return to the industry. Failure to get a withdrawal card will result in **SUSPENSION** from the Union and a reinstatement fee will be charged. If you leave the industry **IT IS YOUR OBLIGATION TO GET A WITHDRAWAL CARD!**

The withdrawal card will be issued at no cost, the only requirement being that your initiation fee be fully paid and your dues must be paid for the month in which you request the withdrawal card. The withdrawal card is good indefinitely and allows you to become a member of any local union affiliated with the United Food and Commercial Workers International Union without payment of any additional fee(s). Withdrawal card must be deposited with the union office within 30 days after returning to work or it becomes null and void and the reinstatement fee must be paid. All persons returning to work with a withdrawal card must fill out a new application and authorization.

WITHDRAWAL CARD REQUEST FORM

When your employment terminates, or if you are laid off, or on a leave of absence over 30 days, you should request a **Withdrawal Card**.
