1999-2004 RESIDENTIAL CARPENTERS' AGREEMENT

THIS AGREEMENT made and entered into as of the 1st day of June, 1999 by and between ALLIED CONSTRUCTION EMPLOYERS' ASSOCIATION, INC. (ACEA), hereinafter referred to as the "Association," and MILWAUKEE & SOUTHERN WISCONSIN DISTRICT COUNCIL of the UNITED BROTHERHOOD OF CARPENTERS & JOINERS OF AMERICA, AFL-CIO, hereinafter referred to as the "Union," all of the State of Wisconsin.

WITNESSETH

That the parties hereto, for and in consideration of the mutual promises and obligations hereinafter imposed, and mutual benefits derived, agree to and with each other as follows:

ARTICLE I RECOGNITION AND PRIOR AGREEMENTS

Section 1.1. Definition of Residential Work: Residential Construction is all work in connection with: construction, alteration or repair of all residential units such as single dwellings, duplexes, nursing homes, row houses, town houses and walk-up apartments. This Agreement does not cover those housing units constructed of reinforced concrete, and/or steel-framed units normally referred to as "high rise", and are normally in excess of three stories, and any work of a sub-division of the trade covered by a Collective Bargaining Agreement in effect on the date of this Agreement (Commercial Construction).

Section 1.2. This Agreement does not cover funeral homes, clinics, restaurants, rest homes, stores or similar work traditionally done under the Commercial Agreement.

Section 1.3. The parties agree that all work within the scope of the Commercial Carpenter Agreement shall be performed under the terms and conditions of the Commercial Carpenter Agreement.

Section 1.4 The Association and the Employer hereby recognize the Union on a multi-employer basis as the sole and exclusive bargaining agent for all employees performing bargaining unit work historically covered by this Agreement and covered by the occupational and geographical jurisdiction of the Union. The coverage of this Agreement shall be all bargaining unit work historically covered by this Agreement and normally performed by Journeyman Carpenters, and Apprentices, over which the Employer has control. The provisions of this Section shall not prevent the Union from making claims for other work.

Section 1.5 This Collective Bargaining Agreement is a Section 8(F) Pre-hire Agreement under the National Labor Relations Act. Any individual Employer signatory to this Agreement may individually execute the Voluntary Recognition Agreement attached hereto with the District Council party to this Agreement, provided the Union has demonstrated it represents a majority of the Employer's Employees. The Association on behalf of their members do not have authority to extend Section 9(A) recognition to the District Council.

Section 1.6 This Agreement represents a consolidation, reorganization and restatement of, and replaces the 1996-1999 Residential Carpenters' Agreement, which constituted, collectively, the Agreement in effect between the Association and the Union just prior to the execution of this Agreement. It is the intention of the parties that such consolidation, reorganization and restatement shall not affect the continuity of the contractual relations between the Association and the Union as such continuity existed heretofore.

Section 1.7 Employees historically performing work under the 1978-80 Collective Bargaining Agreement between Lathers' Local No. 10 and the Contracting Plasterers' and Lathers' Association of Milwaukee, classified as Lathers, Lather Sub-Foreman, Lather Foreman and Lather Apprentice will be covered by the Carpenters' Agreement and will be classified as Journeyman Carpenter, Sub-Foreman and Foreman. Lather Apprentices will become Carpenter Apprentices.

Section 1.8 Traditional lathing, that is, metal and gypsum lath, metal framing and the setting of accessories for same, historically assigned to the bargaining unit described in Section 1.7, above, will, on and after June 1, 1980, be assigned to employees covered by this Agreement. The Employer in making work assignments and work allocations and the Union in making job referrals involving such traditional lathing as described herein, must give priority to employees formerly represented by Lathers Local 10, provided such employees are available.

ARTICLE II UNION SECURITY

Section 2.1 Union Shop. All present employees covered by this Agreement who are members of the Union on the effective date of this Section, shall remain members in good standing as a condition of continued employment. All present employees who are not members of the Union on the effective date of this Section, and all employees who are hired after such effective date, shall as a condition of continued employment, become and remain members of the Union during the life of this Agreement, after the seventh (7th) calendar day after their employment by any Employer or Employers covered by this Agreement, or seven (7) days after the effective date of this Section, whichever is later. Such seven (7) day period after which an employee is to join the Union shall be computed from the first day such employee enters the employment of any Employer covered by this Agreement. The Union agrees to furnish journeymen, and apprentices on a nondiscriminatory basis as required by the Employer within twenty-four (24) hours, excluding Saturdays, Sundays and Holidays, after notice by the Employer.

If the Union fails to furnish journeymen, and/or apprentices, as required, the Employer may draw from whatever sources are available to meet the requirements at the time as per this Section.

Section 2.2 The Union Security provisions contained in the 1947 Labor Agreement between the parties shall supersede the Union Security provisions of this Agreement, and be automatically effective upon the date of any amendment or change in the Labor-Management Relations Act, or in the Wisconsin Employment Peace Act, which amendments or changes legally permit the reinstatement of such provisions of the 1947 Labor Agreement, or any portion thereof.

Section 2.3 Should the Employers fail to comply with Section 2.1, in its entirety, it shall become optional with the Union to furnish its members to said Employers.

Section 2.4 Working Assessment. (a) Upon the Union's receipt of an employee's written authorization, which shall be irrevocable for not more than one year or the term of this Agreement,

whichever occurs sooner, the Employer shall deduct from the employee's wages, working assessment in the amount certified to the Employer by the Union as representative of that required of all members to maintain membership in the Union, and remit the same in an amount as specified under Appendix "A" to the Milwaukee Area Central Depository as specified under Article XI on a remittance form showing the names and amounts from whom the deductions were made in the amount required for the particular area where the work is performed. Such form shall also show the various fund contributions made by the Employer pursuant to this Agreement.

The Union shall furnish the Employer with a copy of the employees written authorization. Failure of the Union to submit such authorization shall relieve the Employer of the obligation to deduct the working assessment. Such written authorization by an employee may be revoked by the employee during a ten (10) day period prior to the anniversary or termination date of this Agreement, whichever occurs first. In the absence of such revocation, sent and received in accordance with the foregoing, the authorization shall be renewed for additional yearly periods during the term of this Agreement.

(b) Authorization. The employee's written authorization shall require that the employee acknowledge that employment in the construction industry may cause the employee to be employed by several different employers signatory to this collective bargaining agreement and that the authorization will extend to all employers for whom the employee may perform work under the terms and provisions of the collective bargaining agreement in force and effect as of the time of employment. It shall be the Union's obligation to provide each employer with a copy of each employee's current written authorization upon the establishment or re-establishment of an employment relationship.

(c) Hold Harmless for Working Assessment. The Union shall indemnify and save the contractor harmless against any and all claims, demands, suits or other forms of liability that may arise out of or by reason of action taken by it for the purpose of complying with the provisions of this Section.

Any increases which are determined by the Trustees to be necessary to maintain existing benefit levels shall be derived entirely from a corresponding reduction in the respective hourly wage rates set forth in Appendix "A".

(2) In the event the gross assets of the Health Fund increase to an amount which is equivalent to twenty-four (24) months of the aggregate average benefit payments and operating expenses, while maintaining the existing level of benefits as determined by the Trustees from time to time, then the hourly rate of contribution to the Health Fund, as set forth in subsection (a) of this Section, shall be reduced by an amount determined by the Trustees to be necessary to maintain existing benefit levels, effective with the calendar month following the month the Trustees notify the Union and the Association of such determinations. The amount of such reduction shall be added to the respective hourly wage rates set forth in Appendix "A".

(c) All of the hourly contributions paid by Employers to the Trustees of the Milwaukee Carpenters' District Council Health Fund pursuant to this Article shall become part of the trust fund of such Health Fund and shall be used for health and welfare benefits, administrative costs and as may otherwise be prescribed in the Trust Agreement governing such Fund, except for monies required to be paid by Employers for FICA, FUTA and State unemployment compensation taxes on sick pay and held by the Trustees as agents of the Employers.

(d) It is hereby expressly agreed between the parties that of the amounts received by the Trustees as agents of the Employers since June 1, 1987 and held by them in such capacity and for the purposes stated in Section 8.2(c) of this Agreement, all but Seventy-Five Thousand Dollars (\$75,000.00) of such accumulated monies (hereinafter called "Set-aside Fund") shall be paid over into the trust fund of the Milwaukee Carpenters' District Council Health Fund ("Fund") as soon as practicable after June 1, 1993 and may be used by such Trustees to provide health benefits and to pay administrative costs as more particularly stated in the Restated Trust Agreement for such Fund.

(e) The balance of monies held in the Set-aside Fund shall be used by the Trustees, as the Employers' agents, solely for the purposes of (i) paying the Employers' portions of FICA taxes which may be payable on sick pay pursuant to Section 3(b)(1) of P.L. 97-123, (ii) paying, on behalf of Employers, FUTA taxes and required State unemployment compensation taxes on such sick pay and of (iii) paying reasonable compensation to the Trustees for acting as such paying agents.

(f) In the event the balance of the Set-aside fund falls below Ten Thousand Dollars (\$10,000.00), the Trustees shall divert the said two cents (\$.02) per hour from the Health Fund contribution to cover the Employer portion of FICA, FUTA and State unemployment compensation tax on sick pay for work performed thereafter under this Agreement which payment shall not become part of the trust fund of such Trust Fund, but shall be received, held and used by such trustees as agent of the Employers for the purposes described in subsection (e), above.

Section 8.4 The Carpenters' Health Fund shall be open exclusively to all members of Local Unions affiliated with the Milwaukee and Southern Wisconsin District Council of Carpenters, and to all employees working under its jurisdiction on the same basis as it is available to carpenters in the employ of Employers represented by the Association provided that their Employers make the required financial contributions to the Plan.

Section 8.5 National Health Program. The parties agree that in the event the United States Government establishes a national health insurance program to which the Employer is required to contribute and which duplicates coverage of the present health program established under this Agreement, the parties will meet to discuss the provisions of the federal law and the effect of the law upon the Health Fund benefits and contributions in effect at that time. Coverage mandated by the National Program shall not be duplicated by the Milwaukee Carpenters' District Council Health Fund any duplicative programs shall be eliminated. **ARTICLE XI
GENERAL PROVISIONS GOVERNING PAYMENTS
TO THE FRINGE BENEFIT FUNDS**

Section 11.1 A "Fringe Benefit Fund", as that term is used in this Article, is any trust fund to which the Employer is obligated to make contributions under this Agreement, specifically the Building Trades United Pension Trust Fund, the Milwaukee Carpenters' District Council Health Fund, the Milwaukee Carpenters' District Council Vacation Fund, the Southeast Wisconsin Carpentry Joint Apprenticeship and Training Fund, and further the Industry Advancement Program/Contract Administration Fund provided for in Article XII. The term "Trustees," as used in this Article, shall also have reference to the "Association" with respect to the Industry Advancement Program/Contract Administration Fund.

Section 11.2 The Employer's obligation under this Agreement to make payments and contributions to the Fringe Benefit Funds for all employees covered by this Agreement applies to all employees regardless of membership or non-membership in the Union.

Section 11.3 All payments to the Fringe Benefit Funds for employees covered by this Agreement, and while the same is in effect, are deemed to be paid pursuant to this Agreement.

Section 11.4 The Employer shall promptly furnish to the Trustees of any Fringe Benefit Funds or to their authorized agents, on demand, all necessary employment, personnel or payroll records relating to its former and present employees covered by this Agreement, including any relevant information that may be required in connection with the administration of the Fringe Benefit Fund. The Trustees or their authorized agents may examine such employment, personnel, or payroll records whenever such examination is deemed necessary by the Trustees, or their authorized agents, in connection with the proper administration of the Fringe Benefit Fund.

Section 11.5 The Trustees of any Fringe Benefit Fund may for the purpose of collecting any payments required to be made to such Funds, including damages and costs, and for the purpose of enforcing rules of the Trustees concerning the inspection and audit of payroll records, seek any appropriate legal, equitable and administrative relief and they shall not be required to invoke or resort to the grievance or arbitration procedure otherwise provided for in this Agreement.

Section 11.6 (a) Payments to the Vacation Fund Article VII, Health Fund Article VIII, Pension Fund Article IX and Apprenticeship and Training Fund Article X are to be made at the end of each month in which the work was performed, but no later than the fifteenth (15th) day of the following month, after which time the payments will be considered to be delinquent. In the event an Employer becomes delinquent in his/her payments to the Fund, and in view of the fact that the anticipated and actual damages are difficult or incapable of accurate ascertainment in such event, such Employer may be assessed, by the Trustees, as liquidated damages, 20% of such delinquent payments and further such delinquent Employer shall be required to pay interest at the maximum rate permitted by law, not to exceed one and one-half percent (1-1/2%) per month, on the unpaid and delinquent balance (including unpaid past due liquidated damages, if any) owed. In the event that the Fund's Administrative Manager refers the delinquency to legal counsel for collection, then such Employer shall be obligated to pay, in addition to such liquidated damages and interest charges, reasonable attorneys' fees and any other costs and expenses reasonably arising in connection with any collection action.

(b) If the employees are removed from the job by the Union to enforce such payments and penalties the employees shall be paid by the delinquent Employer for all lost time at the straight-time hourly wage rate.

Section 11.7 The Allied Construction Employers' Association, Inc. shall be the exclusive representative of Employers and shall have equal representation of fifty percent (50%) with the Union in the administration of the Vacation Fund Article VII, the Health Fund Article VIII, the Pension Fund Article IX, and The Apprenticeship and Training Fund Article X.

The Employer hereby ratifies all actions already taken or to be taken by such Trustees consistent with applicable law and within the scope of their authority.

Section 11.9 In the event the Employer assigns any of his/her Milwaukee area employees covered by this Agreement to work on a job site located outside of the geographical coverage of this Agreement (i.e., outside of the counties of Milwaukee, Ozaukee, Washington and Waukesha), the Employer shall continue to make payments to the fringe benefit funds as provided in Articles VII, VIII, IX and X of this Agreement for such Milwaukee area employees, unless such Employer is required to pay, and does pay, contributions to like fringe benefit funds pursuant to a labor agreement covering the work at the job site entered into with the Carpenters local union or district council having geographical jurisdiction over such job site. It is the intent of this Section (i) to facilitate the continuity of health benefit coverage for such Milwaukee area employees when working outside the geographical coverage of this Agreement and (ii) to assure that such Employer is not required simultaneously to pay contributions to the fringe benefit funds specified in Articles VII, VIII, IX and X of this Agreement and also to like fringe benefit funds under the labor agreement having geographical coverage over the job site.

Section 11.10 Each Employer shall be required to post with the office of the Administrative Manager of the Milwaukee Carpenters' District Council Health Fund a cash or surety bond in form satisfactory to the Trustees of the Trust Funds referred to in Section 11.1 and in the face amount of twenty-five thousand dollars (\$25,000), which bond shall cover all of the Trust Funds referred to in Section 11.1 and all deductions made pursuant to Section 7.1. Any such surety bond shall assure payment of all sums required to be paid to such Trust Funds under this Agreement in the event of the Employer's subsequent delinquency as to any or all of such Trust Funds, and it shall be kept in force and be maintained in full amount for a period of not less than twelve (12) consecutive calendar months during which no delinquency has occurred on the part of such Employer.

Section 11.11 The requirements of Section 11.10 shall not apply to any Employer that, during the twelve (12) consecutive months immediately preceding the effective date of this Agreement, has made all timely payments required to be paid to the several Trust Funds referred to in Section 11.1 pursuant to a collective bargaining agreement requiring the payment of contributions to such Trust Funds.

Section 11.12 The requirements of Section 11.10 shall not apply to an Employer that has not been a party to a collective bargaining agreement requiring payment of contributions to any of the Trust Funds described in Section 11.1, provided such employer can establish that, during the twelve month period immediately preceding the date that it first becomes a party to this Agreement, it was contractually required to make contributions to multi-employer fringe benefit funds established under Section 302(c)(5), (6), (7) and (8) of the Labor Management Relations Act and that it is not delinquent and has not been delinquent, during such twelve month period in the payment of the contributions required to be paid to such multi-employer fringe benefit funds.

Section 11.13 If during the life of this Agreement any Employer becomes delinquent in the payment of required contributions for a particular contribution month (as provided in Articles VII, VIII, IX and X), to any or all of the Trust Funds referred to in Section 11.1, and such Employer has been notified in writing of such delinquency, then such Employer shall (in addition to paying the full amount due) be required to post with the office of the Administrative Manager of the Milwaukee Carpenters' District Council Health Fund a cash or surety bond in accordance with the requirements of Section 11.1 and the exemptions provided under Sections 11.11 and 11.12 shall no longer be applicable to such Employer.

(b) It is further understood that the Employer contributions as required by Section 12.1 shall not be referred to or considered as wage or fringe benefit payments.

Section 12.3 In the event an Employer becomes delinquent in his/her payments to the IAP/CA Fund and after the Allied Construction Employers Association Inc. (ACEA) Board of Directors has advised the delinquent Employer, in writing, of said delinquency and in view of the fact that the anticipated and actual damages are difficult or incapable of accurate ascertainment in such event, such Employer may be assessed by the Board of Directors, as liquidated damages, 20% of such delinquent payments and further, such delinquent Employer shall be required to pay interest at the maximum rate permitted by law, not to exceed one and one-half percent (1-1/2%) per month on the unpaid and delinquent balance (including unpaid past due liquidated damages, if any) owed. In the event that the ACEA refers the delinquency to legal counsel for collection then such Employer shall be obligated to pay, in addition to such liquidated damages and interest charges, reasonable attorney's fees and any other costs and expenses reasonably arising in connection with any collection action.

EXHIBIT I
SUBSTANCE ABUSE TESTING
AND ASSISTANCE PROGRAM

This substance abuse policy and assistance program has been adopted and implemented pursuant to the negotiations between the Associated General Contractors of Greater Milwaukee, Inc., the Allied Construction Employers Association, ("Employer Associations") and the Milwaukee and Southern Wisconsin District Council of the United Brotherhood of Carpenters & Joiners of America, AFL-CIO ("Union"). The term "Contractor" or "Company" when used herein refers to the construction industry contractors who are signatory or bound to a Collective Bargaining Agreement with the Union. Should any dispute arise with respect to the application or implementation of this policy and program as to employees employed by Contractors, such disputes shall be submitted to the grievance and arbitration provisions of the 1999-2004 Collective Bargaining Agreements ("Agreements").

I. PURPOSES

- A. To establish and maintain a safe, healthy working environment for all employees;
- B. To ensure the reputation of the Contractors, their products and services, and their employees within the community and industry at large;
- C. To reduce substance abuse-related accidental injuries to persons or property;
- D. To reduce substance abuse-related absenteeism and tardiness, and to improve productivity;
- E. To provide rehabilitation assistance for qualified and eligible employees who seek help;
- F. To protect against liability because of injuries or accidents caused by individuals using alcohol or drugs at work;
- G. To deter individuals from bringing, possessing or using alcohol and drugs in connection with work;
- H. To clearly state the commitment of construction contractors and the union to a workplace free from the effects of illegal drug use; and
- I. To comply with any law or regulation requiring such programs.

II. POLICY

A. GENERAL PROVISIONS

- 1. The Contractor prohibits the use, possession or distribution on its premises or work sites of alcohol and other illegal drugs. Employees must not report to work or be on work premises at any time under the influence of alcohol or any other illegal drugs. Legally prescribed drugs may be permitted on company premises or work sites provided the drugs are contained in the original prescription container and are prescribed by a medical practitioner for the current use of the person in possession of the drug.
- 2. Unopened and sealed alcoholic beverages are permitted in personal vehicles and on company property.
- 3. The Contractor reserves the right to have authorized personnel conduct any additional alcohol or other drug testing mandated by law.

4. At the discretion of the Contractor any persons found illegally in possession, offering for sale, purchasing or distributing any illegal drug will be reported to the civil authorities.

5. Any employee working on a Federal project is required by law to report any conviction of a violation relating to a criminal drug statute occurring in the workplace to his or her superior within five days of such conviction.

6. Where an owner or contracting agent requires alcohol or other drug testing of contractor employees other than as is provided for in this policy, the Contractor may implement the owner or contracting agent required program for the project.

B. PRE-EMPLOYMENT SCREENING

All signatory contractors may engage in pre-employment drug testing of Union members covered by the Commercial Carpenters and Floor Coverers' Agreement ("Agreement"), as long as the pre-employment testing procedure is done as provided in the Substance Abuse Testing and Assistance Program, Exhibit I of the Agreement.

C. POST-HIRE SCREENING

1. (a) Any employee who reports to work and whose supervisor has reasonable suspicion to believe that the employee is under the influence of alcohol or an illegal drug as defined in this section, will be subject to discipline up to and including suspension and be required to undergo an alcohol or other drug test. Those circumstances, both physical and psychological, deemed to be pertinent will be given consideration. Reasonable suspicion is a belief based on behavior observations, or other evidence, sufficient to lead a prudent or reasonable person to suspect that an employee is under the influence and exhibits (such traits as slurred speech, inappropriate behavior, decreased motor skills, etc).

(b) A contractor may also require alcohol or other drug testing for illegal drugs where an employee was involved in or caused a work related accident or where an employee was operating or helping to operate machinery, equipment or vehicles involved in a work-related accident which resulted in a significant recordable injury as defined by OSHA regulations or significant property damage and for which the cause of the accident is not readily explainable.

2. Whenever possible, before an employee is required to submit to testing under this policy based on reasonable suspicion, the employee should be observed by more than one individual.

3. (a) All positive test for drugs other than alcohol will be confirmed. Initial testing will be by immunoassay, with all confirmation testing being by gas chromatography/mass spectrometry. The laboratory performing all tests will be certified for Federal Workplace Drug Testing Programs by the Department of Health and Human Services - Substance Abuse and Mental Health Services Administration (SAMHSA). Chemicals to be tested for are marijuana, cocaine, opiate, phencyclidine and amphetamines. Limits for each of the substances will be according to appropriate federal, state and DOT regulations as they are updated periodically.

(b) The Employer and the Union will select reputable laboratories certified by SAMHSA to perform testing under this policy. An unbroken chain of custody of the specimen from the time it is taken from the employee up through the time the laboratory tests the specimen shall be preserved. Tamper-proof sample-handling methods must be observed; and the laboratory must follow the test manufacturer's instructions in both administration of the test and the reporting of results as "positive" or "negative." All tests that indicate a positive result will be reviewed by the Medical Review Officer (MRO) before being reported to the employee, contractor and Union as positive.

(c) At the request of any employee tested under the alcohol and other illegal drug testing procedure contained in this agreement, a portion of the original specimen(s) will be preserved for private testing

by the employee at his or her own expense by an independent laboratory in the event questions are raised concerning the accuracy of the test administered at the request of the Employer. The additional test performed at the employee's request will be admissible under the grievance and arbitration procedures in this contract, however, if and only if the testing laboratory is SAMHSA certified.

(d) Testing for alcohol content will be by blood analysis or breathalyzer. A positive test result for alcohol will be reflected by a blood-alcohol content equal to or greater than current Wisconsin State Motor Vehicle regulation.

4. In the event the test's result is negative, the employee shall be immediately reinstated and paid any wages and benefits that would have been paid had his work hours not been interrupted by the test. This is considered full reinstatement.
5. In the event of a positive confirmatory test for alcohol or other drug, the tested employee will be referred to participate in the Employee Assistance Program of the appropriate Carpenters' District Council Health Fund. Strict adherence to the guidelines and medical recommendations, of that program will, for a first violation, avoid severe discipline or termination except where the employee was under the influence at the time he caused or was involved in an accident involving a serious injury or substantial damage to property or where the employee was involved in theft of property from the contractor or a contractor's customer.
6. If an employee who tests positive for substance abuse enters any required or recommended aftercare program, a negative test within 30 days will make the employee eligible for immediate reinstatement provided the employer has work available and the employee continues in any recommended aftercare program. In the event an employee enters but fails to complete a required aftercare program, he may be subject to immediate discharge.
7. If an employee refuses to be tested for substance abuse, although directed to do so, he or she will remain on suspension thirty days. Continued refusal to submit to drug screening after the 30 day period, will subject the employee to severe disciplinary action up to and including termination
8. Random Testing
 - (a) The parties agree to the establishment of a random testing program which shall include all bargaining unit employees covered by the Commercial Carpenters and Floor Coverers Agreement in addition to all alumni and non-bargaining unit employees participating in the Milwaukee Carpenters' District Council Health Fund in accordance with the following guidelines.
 - (b) All specimen collection for random tests shall take place at the Pewaukee offices of the Milwaukee and Southern Wisconsin District Council of Carpenters or other sites jointly agreed to by labor and management.
 - (c) The costs of all tests, specimen collection and random selection shall be borne by the contractor and the contractor shall pay the employee for all time spent complying with this Section, including travel and time spent for testing, at the employee's hourly straight-time rate.
 - (d) All testing procedures shall be identical to those provided elsewhere in this policy.
 - (e) Employees shall be selected on a random basis from the total pool of participants in the Health Fund. The total number of random tests in a calendar year shall equal 15 percent (subject to labor-management review) of the total number of participating employees in the Health Fund, including bargaining unit employees, alumni, and non-bargaining unit employees.

- (f) If the contractor refuses to have an employee tested who has been randomly selected, the employer shall pay an amount equal to two times the journeyman carpenter's hourly wage plus the amount equal to the costs for the testing provided for under this policy to the Southeast Wisconsin Carpentry Joint Apprenticeship and Training Fund.

III. COUNSELING OR TREATMENT

A. The Employer Association(s) and the Union shall develop and maintain a list of appropriate alcohol and other drug abuse treatment centers, counseling centers and/or medical assistance centers.

B. If the employee is qualified and eligible, a portion of the expenses the employee incurs in consultations and treatment under this program shall be borne by the applicable fringe benefit fund referred to in the Agreement pursuant to and to the extent provided in schedules, terms and requirements of the fund. The trustees of said fund shall prepare and have available schedules of benefits or reimbursements available to employees participating in such programs.

C. If an employee participating in the treatment program prescribed does not comply with the recommendations, advice or schedules established by the counselor or counseling agency, the counselor or counseling agency shall immediately advise the Contractor and the Union. The foregoing section shall not apply to an employee who voluntarily seeks assistance pursuant to paragraph IV "Rehabilitation".

D. Prior to being tested, an applicant or employee must sign a consent and release form authorizing and agreeing to the test. The consent and release are to be in the form of Exhibits A and B to this policy. These tests shall be at the Contractor's expense.

E. The parties recognize that drug testing may reveal information concerning individual employees of a highly personal and private nature unrelated to the employment of the employee or any other legitimate concern of outside parties; therefore, to protect the employee's rights any test results shall be disclosed only to the testing lab, the Contractor, Medical Review Officer, employee, and Union Representative.

F. Within three (3) working days of notification by certified letter or hand delivered with receipt of a positive test result, an employee may request that the laboratory retest the original sample at his or her expense. If the retest is negative, the Contractor shall reimburse the employee for the cost of the retest.

IV. REHABILITATION

Any employee who feels that he or she has developed an addiction or dependence to alcohol or drugs is encouraged to seek assistance. Requests for assistance will be handled in strict confidence through the E.A.P.

Any employee who comes forward to seek assistance may, at the Contractor's discretion be suspended without pay pending completion of a counseling assessment and the furnishing of certification by the Counselor/Physician that the employee is able to return to his or her job and perform it safely.

V. MISCELLANEOUS PROVISIONS

A. An appropriate notice to employees concerning the existence of this program, and the treatment and counseling available as well as the penalties described above shall be communicated to employees covered by this Agreement.

B. Neither the Employer Association(s) nor the Union shall be liable for any activities or conduct engaged in pursuant to this program.

VI. CONCLUSION

This program and policy statement are intended to protect the Contractor's most valuable asset, namely its employees. The health and safety of all employees and the general public is of the utmost concern. The above presented program will help insure a safe work place for all.
