In accordance with section 6-505 of The Public School Laws and Bylaws of Maryland, the Board of Education of Frederick County (Board) recognizes the Frederick Association of School Support Employees (FASSE) as the sole and exclusive representative of nonsupervisory educational support employees, as defined herein.

The purpose of this document is to reduce to writing and memorialize the understandings of the parties with respect to salaries, wages, hours, and other working conditions. The document is an understanding between the Frederick County Public School system and the Frederick Association of School Support Employees (FASSE). The signing of these understandings by the parties indicates the intent of the staff to uphold what has been written. This understanding shall be in effect from July 1, 2011 to June 30, 2014.

Subject to the provisions of this Agreement, the Board reserves and retains full rights, authority and discretion in the proper discharge of its duties and responsibilities to control, supervise, and manage the county schools under existing laws, rules, and procedures; to determine the educational policies and programs of the county school system; and to prescribe rules and regulations for the conduct and management of the public school system.

1.2 DEFINITION OF TERMS

- A. The term educational support employee(s), as used in this Agreement, refers to those positions designated by the Board as nonsupervisory educational support in accordance with the requirements of § 6-501 et seq. of the Education Article. The rights, duties, and terms of employment of a nonsupervisory educational support employee temporarily assigned to a supervisory position shall be governed by the supervisory support agreement, but only for the duration of such temporary assignment.

**ARTICLE II
ASSOCIATION/BOARD RELATIONS**

2.1 RECOGNITION

The Frederick Association of School Support Employees (FASSE) is recognized as the support employee organization representing nonsupervisory educational support employees in all matters that relate to salaries, wages, hours and other working conditions.

For the duration of this Agreement, the rights and/or privileges enumerated in Article II shall not be granted to any other organization seeking to become the nonsupervisory educational support employees bargaining agent of the nonsupervisory employees.

2.2 NONDISCRIMINATION

Neither the Board nor FASSE shall discriminate against any educational support employee in the application of the terms of this Agreement by reason of nonmembership or membership in FASSE or participation in any of its lawful activities.

The Association and the Board agree that they will not illegally discriminate against any educational support employee on account of race, religion, color, national origin, marital status, gender, age, disability or sexual orientation.

No educational support employee will be prevented from wearing pins or other identifications of membership in FASSE as long as such action does not interfere with the safe conduct of his or her job duties or violate federal and state health and safety standards.

2.3 USE OF FACILITIES/ACCESS TO BUILDINGS

FASSE officers, members and employees will have access to all school buildings and to all educational support employees provided that the exercise of this right in the reasonable view of the administrator/manager will not interfere with effective school operation or the employee's work assignment.

Upon completion of application of the appropriate form by the FASSE president, and approval of the building principal/manager and the facilities planner, FASSE will have the right to use any Board facility without cost at reasonable times.

2.4 BULLETIN BOARDS

The Association building representative and administrator/manager will designate adequate space in each Board building for the purpose of posting FASSE notices, circulars, newsletters, and other FASSE business materials. Copies of such materials will be given to the administrator/manager, but advance approval will not be required.

2.5 COMMUNICATIONS

- A. In compliance with FCPS policy and regulation, all FASSE members will have the right to use the interschool mail/email to distribute official FASSE notices, circulars, newsletters, and all other FASSE approved correspondence. FASSE communications are to be sent during non-work time and use of the FCPS key communicator distribution lists is not to be used for FASSE-generated information. Lunch or break time is considered non-work time.
- B. The Board shall provide daily courier service to the area designated by the Association as its headquarters as long as said headquarters is on or near an established courier route.

- C. The Association may request to be placed on the agenda at all orientation programs for all educational support personnel. The request will not be unreasonably denied.

2.8 FASSE OFFICIALS & BUILDING REPRESENTATIVES

FASSE will provide the Board a list of current FASSE officers, board of directors, and building representatives by October 1. FASSE will update the Board promptly with any changes covered by this paragraph.

The FASSE building representatives will have the right to schedule meetings of the members before or after duty hours. FASSE will obtain approval from managers or principals when requesting to schedule meetings or speak at staff meetings. The request shall not be unreasonably denied.

2.9 BOARD MEETINGS

A copy of the Board agenda will be sent to the FASSE president prior to all Board meetings and the FASSE president will be given copies of the minutes of official Board meetings when they are distributed.

The Association may request and shall be given a place on the agenda of regular Board meetings for brief reports and/or announcements. Upon appropriate request, the president or designee shall be recognized to state the Association's position when matters relating to wages, salaries, hours, and other working conditions are being discussed.

2.10 PAYROLL DEDUCTIONS

- A. The Board agrees to deduct from the salaries unified membership dues for Frederick Association of School Support Employees (FASSE), the Maryland State Education Association (MSEA), and the National Education Association (NEA) as said educational support employees individually and voluntarily authorize to deduct through an appropriate written authorization form prepared by the Association and approved by the Human Resources/Finance Departments. The Board agrees to transmit such monies promptly to the Association.
1. Deductions shall be made in twenty (20) equal installments beginning in September and ending in June of each year. The Board will not be required to honor any authorizations that are delivered to it later than fifteen (15) working days prior to the distribution of the February payroll.
 2. The Association will certify to the Board in writing the current rate of membership dues. The Association will give the Board thirty (30) days written notice prior to the effective date of any change in the rate of dues.
 3. No later than March 15 of each year, the Board will provide the Association with a list of those educational support employees from whom dues were deducted on the January payroll.
 4. In the event that an educational support employee terminates employment, the Board shall deduct the balance of the unpaid dues for the current membership year from the support employee's final paycheck and transmit these dues promptly to the Association.
- B. Payroll deductions will be made for member contributions to the Maryland State Retirement System.
- C. Payroll deductions are available at the request of the individual for Board approved tax-sheltered annuities, charitable organizations as approved by the Association and the Board, the Frederick County Employee Credit Union, the cost of family insurance coverage, and FASSE-MSEA-NEA voluntary political action contributions (PAC).

2.11 PERSONAL DRESS

Educational support employees of the Frederick County Public School system should dress in a manner which is appropriate for the work to be done in their assigned positions.

2.12 PERSONAL LIFE

The personal life of an educational support employee is not within the appropriate concern or attention of the Board except as it may affect the employee's role and responsibility, and the efficient, safe performance of assigned functions during the workday.

ARTICLE III EMPLOYMENT CONDITIONS

3.1 CATEGORIES OF EMPLOYMENT

PROBATIONARY EMPLOYEES

- A. New educational support employees shall be regarded as probationary employees. This initial probationary period shall extend for one (1) year beginning with the first day of employment. Any

absence during the probationary year in excess of twenty (20) days will extend probation by a corresponding number of days. If a probationary employee works beyond a six (6) month period, feedback about performance will be given by the immediate supervisor.

- B. Probationary employees are at-will employees, and may be terminated during the one (1) year probationary period, and still be entitled to the administrative appeal process.
- C. Any action taken by the Superintendent or designee with respect to such employees during the probationary period shall be final. The discipline policy does not impair or limit the Superintendent's authority under this article.
- D. Probationary employees shall not be eligible to belong to the sick leave bank.
- E. Probationary employees will receive a copy of their job description. Educational support employees will be assigned by the Department of Human Resources in cooperation with the respective director, supervisor, or manager and in accordance with the provisions of this Agreement.
- F. Probationary employees are not eligible to apply for vacancies during their probationary period.

REGULAR EMPLOYEES

- A. A regular full-time, twelve-month assignment is a position which has been created by the Board with the anticipation that it will be necessary to maintain the existence of the position on the full-time year-round basis. The work year for a twelve-month position begins July 1 of one year and ends on June 30 of the following year.
- B. A regular full-time, ten-month assignment is a position which has been created by the Board with the anticipation that it will be necessary to maintain the existence of the position during the months schools are in session for students.
- C. A regular part-time assignment is a position less than full-time. If a support employee works 50% or more of the normal work week of a person in their particular position, such educational support employee is eligible for all benefits offered to full-time educational support employees.
- D. An assignment letter shall be issued to each educational support employee on an annual basis. Also, an assignment letter shall be issued any time a change of employment status occurs.
- E. The assignment letter shall include the following: employee's location, hourly rate of pay, yearly salary, grade and step on pay scale, and total hours worked per year.

TEMPORARY EMPLOYEES

- A. Temporary employment assignments are created as needed and expected to be of brief duration not to exceed one assignment year. Temporary employees are considered at-will and may be terminated at any time without cause and are not entitled to leave benefits, retirement membership, or insurance coverage. When an employee's temporary position is extended to a second consecutive year of employment, it will be included in the Superintendent's yearly budget as a regular benefited position and subject to adoption and contingent on final funding of the Board's budget.
- B. FASSE is providing notice that effective July 1, 2011, all past agreements, memorandums, and practices regarding temporary employees shall be considered null and void, which includes but is not limited to special education instructional assistants, food service, and temporary employee positions.

3.2 EVALUATION

Support employees shall be evaluated on evaluation forms consistent within their classification by the appropriate first-line supervisor:

- A. Purpose - The parties agree that the primary purposes of the evaluation process are to identify and improve employee performance by utilizing assessment procedures coupled with recommendations for improvement.
- B. With the exception outlined in "C," educational support employees shall be evaluated at least annually prior to the end of the employee's school year. Evaluations will be completed in accordance with the following timelines, unless extenuating circumstances exist:
 - 10-month employees by June 1
 - 11-month employees by July 1
 - 12-month employees by August 1

Evaluations may be deferred when an employee has worked less than half of the school year. The evaluation process will be communicated to employees upon being hired. Supervisory personnel will be trained concerning the evaluation process.

- C. Educational support employees working in the same assignment for at least three (3) consecutive years who have satisfactory performance may be evaluated every other year at the discretion of the supervisor.
- D. The evaluation form must be signed by the educational support employee (to indicate receipt), and by the evaluator. The educational support employee shall be given a copy of the completed evaluation form. The educational support employee may request a conference to discuss the evaluation prior to placement of the evaluation in the personnel file.
- E. Comments - The employee shall have the right to attach any comments he/she wants to attach to the evaluation materials and if the employee declines to sign acknowledging that he/she has read the evaluation, it will be placed in the file with a statement to that effect.
- F. When an employee is subject to feedback regarding performance or any other work-related matter, no employee shall be disciplined or communicated with in a disrespectful or unprofessional manner.

3.3 DISCIPLINARY ACTION - NOTIFICATION

Employees subject to discipline of suspension without pay or discharge shall be provided notice of the charges including the rationale of the decision. The employee will be provided an opportunity to respond and will have the right to representation at the hearing/meeting where disciplinary action is being issued. The employee may appeal such action with union representation pursuant to §4-205(c) of the Education Article of the Annotated Code of Maryland.

3.4 GRIEVANCE PROCEDURE

GRIEVANCE - A complaint by an employee, or, in the event of an action affecting Association rights, the Association, concerning the interpretation, application, or alleged violation of an expressed provision of this Agreement.

PURPOSE - The purpose of this procedure is to secure, at the lowest possible level, equitable solution to the problems which may, from time to time, arise affecting educational support employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

- A. An educational support employee, including a probationary employee, who elects to grieve or file a complaint alleging violation of the Agreement, shall proceed under this section.
- B. Grievance forms shall be developed jointly by the Superintendent and FASSE.
- C. The employee shall have the assistance of a member of FASSE as a representative in steps 2, 3, and 4 if the employee chooses. The member may use Association and/or personal leave to serve as the employee's representative. The employee may have the assistance of affiliate's legal counsel as a representative in step 4.
- D. Witnesses required by the school system to testify at a grievance hearing conducted during the employee's normal working hours will be given time off without loss of pay.
- E. Grievance Process

Step 1. Informal Review

An educational support employee with a grievance shall first discuss it with the principal or immediate supervisor directly, the objective being an informal resolution of the matter. The employee shall request an informal meeting with the person who is the immediate supervisor within ten (10) working days, of the grievable event. The immediate supervisor must hold an informal meeting with the employee within three (3) working days of the request. The immediate supervisor shall respond to the employee within five (5) working days of the meeting.

Step 2. Formal Review

If the employee is not satisfied, or if no decision is rendered within five (5) working days of the meeting, the employee may obtain further formal review by filing a completed grievance form with the immediate supervisor. Such grievance must be in writing and must state specifically that this grievance procedure is being invoked. This filing must be received by the immediate supervisor within five (5) working days of the immediate supervisor's response or, if there is no response from the immediate supervisor, within ten (10) working days of the initial request for an informal meeting. The immediate supervisor shall hold a hearing within five (5) working days of receipt of the written grievance and render a written decision within five (5) working days of the hearing. The educational support employee may appear alone or with a representative from the Association.

Step 3. Appeal

If the employee is not satisfied, or if no decision is rendered within five (5) working days of the hearing, the employee may obtain further review by appealing the matter to the manager/director of the division. The director will involve intermediate levels of supervisors not considered in step 1 or step 2, and the senior human resources manager. This appeal must be in writing and received by the director of the division within five (5) working days of the immediate supervisor's response or, if there is no response from the immediate supervisor, within ten (10) working days of the date of the appeal filed under step 2. The director of the division shall hold a hearing within five (5) working days of receipt of the appeal and render a written decision within five (5) working days of the hearing.

Step 4. Final Appeal

If the employee is not satisfied, or if no decision is rendered within five (5) working days of the request, the employee may obtain further review by appealing the matter to the Superintendent. This appeal must be in writing and received by the Superintendent within five (5) working days of the step 3 response or, if there is no response within ten (10) working days of the appeal filed under step 3. The Superintendent shall hold a hearing within ten (10) working days of receipt of the appeal and render a written decision within ten (10) working days of the hearing.

Step 5. Arbitration

If the aggrieved person is not satisfied with the disposition of the grievance at step 4, or if no decision has been rendered within ten (10) working days after the grievance was received by the Superintendent, the unit member may, within fifteen (15) working days after receipt by the Superintendent, request, in writing that the Association submit the grievance to arbitration. If the Association determines that the grievance has merit, it may submit the grievance to arbitration no later than forty (40) days after receipt by the Superintendent. If the Association fails to serve such notice of its intention to arbitrate within this time limitation, the grievance shall be considered settled. No individual employee shall have the right to invoke this arbitration procedure.

Selection of Arbitrator

1. If the Association and the Board are unable to agree upon the selection of an arbitrator within seven (7) calendar days after the Association's notice of an appeal to arbitration, the Association shall submit the grievance to arbitration under the Voluntary Labor Arbitration Rules of the American Arbitration Association.
 2. The jurisdiction of the arbitrator shall be confined to the express provision(s) of this Agreement at issue between the Association and the Board. The arbitrator shall have no authority to modify any provision, or to hear or decide on more than one grievance without the mutual consent of the Board and Association. The decision of the arbitrator shall be binding on the grievant, the Association, and the Board.
 3. The Association and the Board shall each bear their own expenses and share the cost of the arbitrator.
- F. The timeliness in this section for filing requests for informal meetings and appeals and for the convening of hearings and rendering decisions may be extended only at the mutual consent of the grievant, FASSE, and the Board designee.
- G. The Board and the Association will jointly schedule grievance hearings which are mutually convenient. No reprisals of any kind shall be taken by the Board or by any member of the administration against any aggrieved person, any representative, any member of the Association, or any other participant in the grievance procedure by reason of such participation.

All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

Forms for filing grievances, serving notices, making appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the superintendent or designee and the Association.

All meetings and hearings under this procedure shall not be conducted in public and shall include only the grievant(s), the principal or supervisor, the Superintendent, their designated representatives and relevant witnesses.

3.5 PERSONNEL FILE

Material of a negative or derogatory nature must be shown personally to the educational support employee prior to placement in his or her personnel file. The file copy must be signed by the educational support employee to indicate that the employee has seen it.

An educational support employee shall have the right to place a signed, dated response to any derogatory material placed in his or her personnel file.

Educational support employees have the right, by appointment, to review materials in their personnel files. This review shall not include confidential material such as reference letters, or information received in the course of initial employment. Educational support employees can have an officer of FASSE present during the review.

Material related to the grievance procedure will not be placed in the educational support employee's personnel file except as the grievance decisions affect the employee's terms or conditions of employment or if agreed to by the employee.

When termination of an educational support employee occurs, no documents or other materials of a negative nature except those that relate to the reasons for termination shall be placed in the personnel file of said employee.

3.6 ANNOUNCEMENT OF VACANCIES

In the event there is an opening for a regular position within the unit, the Board will post notices of such vacancies for a period of at least five (5) workdays on appropriate bulletin boards.

The hiring process of all new and vacant positions shall be advertised for five (5) workdays. A unit member desiring to be considered for a vacancy must apply for the specific vacancy by the specific deadline. In determining the selection of the successful candidate, the Board will consider such qualifications as: skills, abilities, experience, length of service, and overall needs of the school system. The intent of this language is to ensure a fair and consistent hiring practice in hiring the best qualified candidate and in no way is meant to compromise the legal right of the Superintendent to hire personnel as the needs of the school system may require.

The Board encourages qualified internal candidates to apply for vacancies.

3.7 VOLUNTARY TRANSFERS

- A. Unit members who desire a voluntary lateral transfer are required to submit a Transfer Request form to the Human Resources Support Office between January 1 and June 30 of each year to take effect the following school year. The transfer list will remain in effect for a period of one (1) school year or until exhausted.

- B. Eligibility

Non-probationary unit members are eligible for one (1) transfer during the identified school year.

Probationary employees hired during the identified school year may be placed on the following year's transfer list provided they have completed at least one (1) year of service on or before June 30 and have satisfactory work performance.

- C. In determining the selection of the successful candidate, the Board will consider such qualifications as: skills, abilities, length of service, and the overall needs of the school system. The intent of this language is to ensure a fair and consistent practice in transferring the best qualified candidate and is in no way meant to compromise the legal right of the Superintendent to transfer personnel as the needs of the school system require.
- D. The increase in time of a part-time support employee to a full-time position on the same pay schedule at the same job site or transfer within the same department is not considered a transfer provided that the new position is essentially the same as the current assignment.

- E. Educational support employees who have been transferred involuntarily are not limited in their eligibility for a transfer or promotion.
- F. A support employee temporarily assigned to a higher paying position for more than ten (10) consecutive workdays will be paid for the eleventh day, and any subsequent consecutive day, in accordance with 4.3.A.

3.8 INVOLUNTARY TRANSFERS

- A. The Superintendent or designee may involuntarily transfer employees, as the needs of the schools require.

Generally, an employee will receive in writing ten (10) days in advance that they will be involuntarily transferred. If requested, the employee, within five (5) days, will be given the reasons for the transfer.

- B. Where it is necessary to select a unit member for transfer where a transfer has not been requested and the transfer results from a reduction in the number of employees in a program or at a worksite, the following criteria may be considered. Such criteria are to ensure a fair and consistent practice and is in no way meant to compromise the legal right of the Superintendent to transfer personnel as the needs of the school system require.
 - 1. Volunteers may first be sought from that work location.
 - 2. Unless deemed essential to an assignment based on skills and abilities, any probationary unit member(s) assigned to that location in the unit member assignment affected may be selected, with the least senior probationary unit member being transferred first.
 - 3. Should the previous steps not satisfy the required number of transfers, the senior human resources manager may select individuals to be transferred and consider skills, abilities, and length of service.
 - 4. Unit members designated as involuntary transfers may be reassigned ahead of unit members requesting voluntary transfers, unit members returning from leaves of absence without pay, or new hires in the affected category.

3.9 PROMOTIONS

A promotion is a change to a higher hourly rate from the previous position. In determining the selection of the successful candidate, the Board will consider such qualifications as: skills, abilities, experience, length of service and overall needs of the school system. The intent of this language is to ensure a fair and consistent promotional practice in promoting the best-qualified candidate and in no way is meant to compromise the legal right of a Superintendent to promote educational support personnel.

When a position becomes available that would cause a promotional opportunity within a particular department, that position may be filled by a qualified regular employee in that particular department as determined by the manager.

Employees selected and interviewed for promotional positions shall receive notification of the outcome within ten (10) working days of when the job is accepted by the successful candidate.

3.10 BUS DRIVER TRANSFER REQUESTS

When bus drivers request to make a lateral move for route selection, the Board will consider such qualifications as skills, abilities, experience, seniority, a safe and suitable location to park the bus, which is within reasonable distance of the route, and the overall needs of the school system.

The intent of this language is to ensure a fair and consistent practice in transferring the best-qualified candidate and in no way is meant to compromise the legal right of the Superintendent to transfer educational support personnel.

3.11 REDUCTION IN FORCE

The Board decides which positions and budget category(ies) will be affected by a reduction in force. Absent extenuating circumstances, the Board will provide affected employees and the Association thirty (30) days' notice of its intent to layoff employees.

Prior to any layoff or reduction in force, a seniority list will be developed.

Seniority as used in this section shall mean seniority based on continuous benefited employment within the Frederick County Public School system.

If two (2) or more support employees have the same length of service, they shall be ranked in order of their first day of continuous regular employment and then, if necessary, by lot.

Temporary and probationary employees in the affected category will be separated before any regular employees are reduced.

The reduction of permanent employees within an affected category shall be made after consideration of an employee's seniority, work performance, skills and abilities.

Interruption of service - Seniority shall continue to accumulate while an educational support employee is on an approved leave of absence or on layoff of less than one (1) year.

Regular food service employees employed prior to July 1, 1993, will not be reduced in hours or salary in the last three (3) years prior to retirement, as verified by the Human Resources Department. It is understood that it may be necessary to involuntarily transfer the food service employee in order to fulfill this commitment. This benefit applies only as long as the employee continues to maintain employment with the school system and does not impair or affect the school system's authority to institute a reduction in force or terminate for other reasons such as performance or conduct.

When food service work hours must be reduced, volunteers willing to work fewer hours will be sought before support employees are transferred.

3.12 RECALL

Educational support employees who are laid off due to a reduction in force will be placed on a recall list and will be recalled based on the date of layoff. The most recently laid off employees will be the first to return. Only those persons who are qualified will be considered for a given vacancy.

Unit members recalled under these provisions shall have restored to them all previously accrued sick leave and personal leave. Uncompensated annual leave will also be restored to twelve-month employees, if restored to a twelve-month position.

The Board and the Association recognize that appropriate governmental agencies which have jurisdiction may promulgate rulings and/or regulations that may impact this section. ARTICLE IV WAGES

4.1 SALARY SCHEDULES

As of July 1, 2011, all pay scales herein shall remain the same as the July 2010 pay scales. The 2011-12 Support Employee Salary Scale is attached as Appendix A.

Salary compensation for all employees shall be paid by direct deposit to a financial institution designated by the employee.

The same percentage cost of living, educational support employee increment, and equivalent percentage of augmentation, granted to FCTA will be applied to the existing educational support salary scales.

NOTE: For the 2011-12 school year, employees will not be eligible to receive an increment.

For the 2011-12 school year, active employees may elect to cash in three (3) days of either annual, personal, or sick leave days at the equivalent of per diem rate of pay.

Requests must be received on or before November 1 for a November 30 disbursement or on or before April 1 for an April 30 disbursement and may only be requested one time per fiscal year.

All ten-month unit members will have the option of being paid in either twenty (20) installments or twenty-four (24) installments. All twelve-month unit members will be paid in twenty-four (24) installments.

1. In the event of unusual circumstances, a ten-month unit member who has elected to be paid the salary in twenty-four (24) installments may elect to have the balance due in the June paycheck. The request shall be submitted in writing fifteen (15) days prior to the scheduled pay date.
2. Distribution of paychecks shall be on the 15th, or the nearest preceding workday, and the last workday of each month.

4.2 OVERTIME

All overtime must be authorized in advance by the administrator responsible for the budgeted account, except in an emergency. All hours worked up to forty (40) hours per week shall be

compensated at the regular rate of pay. Time and one-half will be paid or compensatory time granted at the employee's regular rate of pay for hours worked in excess of forty (40) hours per week.

For purposes of calculating overtime, time taken for annual, sick, or holiday leave is not counted toward the forty (40) hours. In the event of emergency or unforeseen circumstances, an educational support employee called to work outside his or her regular work day shall be compensated for a minimum of two (2) hours at the rate of time and one-half regardless of any leave taken that week if the time period for which he/she is called to work is not an extension of his/her regular workday or an extension of the beginning or ending time of his/her shift. This applies only to the first time called each day.

If additional work hours are necessary at the beginning or ending time of a regular shift when the educational support employee would normally work, he/she will be paid only for the actual time worked providing the hours do not exceed forty (40) hours per week.

Any work on a holiday shall be compensated at time and one-half the hourly rate of pay.

If an employee is scheduled to work on a Saturday or Sunday to provide support to an event scheduled by an outside organization, time and one-half will be paid if actual hours worked exceed forty (40) hours or if a holiday occurs during the regularly scheduled work week.

If funding is available at the employee's work site, the employee may request to receive time and one-half pay or compensatory time at time and one-half. Employees will have up to thirty (30) days to use any of their earned comp time from the day that they earned it.

4.2a ALLOCATION

Opportunities within a particular school or at a work site to work overtime will be offered among the employees in the classification who are qualified, so that each employee has as equal an opportunity as possible for earning overtime hours.

4.3 SALARY ASSIGNMENT IN A PROMOTION

- A. When an employee is promoted to a higher grade, the employee will be placed on the new grade in accordance with the following:
 - 1. The employee shall be placed on the new grade at the next highest salary to his/her current salary, providing the increase is at least 6%.
 - 2. If the next highest step on the new grade does not equal at least 6%, the employee shall be placed at the next step on the new grade.

In the event of a demotion, the above process is reversed (i.e., employee will be placed on a new step and grade with decrease up to 6% varying with the number of grade reductions which are involved in the demotion).

4.4 TEMPORARY ASSIGNMENT IN HIGHER CLASSIFICATION

A support employee temporarily assigned to a higher paying position for more than ten (10) consecutive days will be paid the higher rate retroactive to day one (1) of the assignment until the temporary assignment ends. The employee will be placed on the new grade and step with a minimum increase of 6% to the overall hourly salary.

- B. A qualifying shift means a permanent full-time or permanent part-time shift that starts between designated time periods of 2:00 p.m. and 1:00 a.m.
- C. A qualifying shift should not be confused with a benefited employee's work schedule, which is defined as the actual hours a benefited employee is scheduled to work.
- D. The following work schedules are defined as qualifying for shift differential because they fall within the designated time periods of a qualifying shift.
 - Benefited employees who work a second or third shift for ten (10) months but transfer to the first shift during the summer.

 - Third shifts that start at or after 10:00 p.m. will be paid a shift differential of \$672 per fiscal year divided into twenty-four (24) pay periods.
- E. A benefited employee who continues to work the second or third shift during the summer vacation months of June, July, and August will be compensated at a shift differential rate of \$728 each fiscal year for second shift and \$832 each fiscal year for third shift. The shift differential compensation will be annualized and divided over twenty-four (24) pay periods.
- F. FCPS will not pay a shift differential for a benefited employee whose work schedule does not start within the designated time periods of the qualifying shift unless otherwise approved by the building principal and senior human resources manager.
- G. A benefited employee who works the second shift and is paid a shift differential will continue to be paid the same shift differential even if the work schedule extends into the third shift, which is paid at a higher shift differential.
- H. If a benefited employee is assigned to second or third shift and it is not their regularly scheduled shift, in order to receive a shift differential, said benefited employee must work second or third shift ten (10) consecutive workdays and compensation will be retroactive to the first day of the assignment. This payment will be processed by the senior human resources manager.
- I. If a benefited employee is permanently reassigned to a nonqualifying shift during the fiscal year, all shift differential payments will end beginning with the first pay period after the reassignment.

- B. Educational support employees who draw upon their accumulated sick leave will have the number of days used deducted from their total days accumulated. Educational support employees whose sick leave has been exhausted and who have been employed by the system for five (5) years or more may request that the Board consider advancing ten (10) days beyond their annual allotment (total of twenty [20] days) for one (1) year only.

Educational support employees will not be eligible to request and receive this grant more than once within a five (5) year period.

- C. Requests for sick leave from educational support employees because of illness in the family shall be construed to mean the illness of a member of the immediate household. Immediate household is limited to the same permanent residence as the employee requesting the leave. Educational support employees may request up to five (5) days of sick leave per year for the qualified illness of their parent or child not living in the immediate household. A qualified illness is a documented illness or infirmity that requires inpatient care in a hospital, hospice, or residential medical care facility. Additionally, the executive director of human resources shall authorize upon request and receipt of acceptable documentation the one-time use per eligible family member, by an educational support employee of accrued sick leave up to thirty (30) days, in the event that the educational support employee's parent or child living out of the immediate household is diagnosed with a terminal condition. Other sick leave requests for members of the family not living in the immediate household or in excess of that permitted for a parent or child shall be processed as personal leave.
- D. Support employees who resign in good standing and return within two (2) years of their resignation date shall have all previous unused sick leave restored.
- E. The sick leave bank committee, appointed by the president of the Association, shall have the responsibility of receiving requests, verifying the validity of requests, recommending approval

or denial of the request, and communicating its decision to the member and the senior human resources manager. The committee shall develop its rules of procedures and shall give wide distribution of said rules upon approval of the executive committee of the Association and the Superintendent.

- F. Upon receipt of the decision of the sick leave bank committee, the senior human resources manager shall verify that the request is within the limits of the bank balance, that the applicant's accumulated sick leave has been exhausted, and that the applicant's illness is prolonged, catastrophic, incapacitating and personal. The decision of the sick leave bank committee shall be approved by the senior human resources manager unless the decision of the sick leave bank committee is arbitrary or capricious. Upon issuance of such approval, the senior human resources manager shall forward the sick leave grant to the Payroll Department.
- G. Any disputes arising from the article shall be expedited through the grievance procedure provided herein, except that the American Arbitration Association's expedited labor arbitration rules shall govern the proceedings.

MEMBERSHIP RULES AND PROCEDURES FCPS EMPLOYEES SICK LEAVE BANK

Statement of Intent

The purpose of the Sick Leave Bank (the Bank) is to provide sick leave to Bank members after their accrued and current year projected sick leave have been used. The Bank is to provide sick leave only in cases of prolonged, catastrophic, incapacitating personal illness, injury, or quarantine of the member during the regularly scheduled duty day, which is not likely to permanently disable the member.

Membership

1. New employees may become members of the Bank only after the completion of the probationary period.
2. A new employee wishing to join the Bank must submit a completed enrollment form to the senior human resources officer within ten (10) days of the end of the probationary period.
3. Employees returning from extended leave may become members by donating one day of sick leave within thirty (30) days of the date of reinstatement to active service.
4. Employees who fail to act within the specified enrollment eligibility period must wait until enrollment is open again (July 1 through October 1 of the next fiscal year).
5. Forms to join the Bank and forms to request sick leave from the Bank should be submitted to the Bank committee chair at the FASSE office.
6. Any regular FCPS employee whose work assignment is half-time or more, and who is not eligible to participate in the FASSE Sick Leave Bank, is eligible to participate in the Bank after all other membership requirements are met.
7. To remain a member of the Bank, an employee must contribute to the Bank at a rate of one day per year.
8. Membership in the Bank will remain in force and continue from year-to-year with a deduction made automatically as required, unless membership is canceled in writing by the member before October 1.

RULES

1. The Bank may be used only by the individual contributor for his or her illness, injury, quarantine and must meet ALL of the following criteria:
 - a. personal
 - b. prolonged
 - c. catastrophic
 - d. incapacitating
2. The Bank may NOT be used by the member to remain absent from work in order to assist a family member.

3. Only sick leave may be contributed to the Bank—annual and personal leave may not be contributed.
4. For the purposes of administration of the Bank, sick leave is defined as:
5. A designated amount of compensated sick leave granted to an employee whose absence is due to an illness, injury, or quarantine which meets the requirements of rule 1 (above).
6. Sick leave may not be granted for any period of disability during which monies are paid to the member under workers' compensation. If a member who has utilized sick leave days granted by the Bank thereafter receives benefits under the Workers' Compensation Act for those same days, pay will be administered in accordance with the handbook language on workers' compensation and the Bank will be reimbursed for any days used.
7. Elective (non-emergency, non-life threatening) surgery will not be covered during the school year for members who work less than twelve (12) months.
8. A member must be absent for ten (10) consecutive work days before being eligible for a grant from the Bank for that same illness, injury, or quarantine. Those ten (10) days may be covered by the member's accumulated sick leave, personal leave, annual leave, or leave without pay in accordance with the prevailing policy. Once the ten (10) consecutive work day eligibility requirement has been met, subsequent intermittent absences for the same condition will not cause ineligibility.
9. Members must submit requests for the sick leave bank to the Bank committee chair at the FASSE office.
10. Requests must be made within fifteen (15) calendar days of return to work.
11. The Bank will request additional information if unable to reach a decision regarding the request.
12. All requests to draw upon the Bank must be accompanied by a signed physician's statement detailing the cause, nature, and prognosis for the illness, injury, or quarantine.
13. The decision of the sick leave bank committee shall be approved by the support personnel officer unless the decision is inconsistent with sick leave bank regulations or is unsupported by documentation. The maximum number of sick leave days that will be granted during any two (2) consecutive fiscal years is one hundred (100). Members who draw the maximum of one hundred (100) days in two (2) fiscal years are ineligible to participate for the next fiscal year. 14. In cases where the committee recommends denial of either a request for leave, or additional leave, the Bank will notify the member directly in writing with the reason for the denial. A member may appeal directly to the FASSE board of directors through the president within thirty (30) days of the denial.

15. A contributor will lose the right to request leave from the Bank if one or more of the following occur:
 - a. termination or suspension of employment by FCPS
 - b. cancellation of participation which is effective only at the close of a fiscal year— June 30 of each year
 - c. refusal to provide requested information upon request of the sick leave bank committee
 - d. refusal to contribute leave in accordance with membership requirements
 - e. use of one hundred (100) days during two (2) consecutive fiscal years
 - f. refusal to apply for disability retirement benefits if the committee determines that the member may be eligible

16. The existence of the Bank and participation by employees in the Bank does not negate or eliminate any other FCPS sick leave policies, nor does it in any way negate the rights of individual employees who participate in the Bank to other sick leave benefits included in the FASSE-Board of Education Agreement.

Administrative Procedures

1. One day of sick leave will be deducted from the member's sick leave account in the second pay period in October each year and will be placed in the Bank, unless written notice of cancellation is given prior to July 1. Contributions to the Bank must be authorized by the employee on the appropriate form, available in the department of human resources. The annual contribution of one day will be continued from year to year until canceled in writing by the member. Additional days may be assessed if the Bank has a negative balance at the end of the school year. Members will be notified prior to any additional deduction.
2. The president of FASSE will select employees to serve on the sick leave bank committee, and shall submit their names to the FASSE board of directors for approval. FASSE will provide the names of the sick leave bank committee, in writing, to FCPS Human Resources Department by June 30 of each school year.
3. The Bank will approve all donations before they are forwarded to the payroll department.
4. The committee will review and recommend to the senior human resources manager, approval or denial of all requests for leave from the Bank within fifteen (15) working days of receiving the request.
5. All requests to draw upon the Bank must be made on the appropriate form.
6. When the committee deems a second opinion is appropriate, any member requesting leave may be required to undergo a medical examination and consultation by a physician of the committee's choice at the applicant's expense. Any member not wishing to submit to this requirement may withdraw their request without affecting future membership.
7. In the event a member is unable to personally complete the leave request form, an agent or family member may act on their behalf.

8. An employee must use all sick leave that will be accrued for the current fiscal year before requesting leave from the Bank. An adjustment will be made on the final paycheck to reflect any negative balance in sick leave. If the amount on an employee's paycheck is to be adjusted, said employee will be notified. In no case will the granting of leave from the Bank cause a member to receive more than his or her regular salary.
9. The payroll department will maintain records of all member contributions, withdrawals, cancellations, and the status of the Bank.
10. Any Bank member may review his/her membership application form, request for withdrawal of membership, and approved requests by contacting the Bank committee chair at the FASSE office.
11. If, in the judgment of the committee, an applicant for leave, or an extension of leave, is eligible for disability retirement benefits, the committee may require the employee to apply for such benefits. Failure to apply as directed may result in disqualification from receipt of further benefits. The employee will continue to receive Bank benefits while waiting for a decision regarding the disability retirement. Bank benefits shall cease when disability retirement becomes effective. The member is required to notify the Bank of approval of any applications for disability retirement.
12. If an applicant receives an initial grant or an extension of a grant, and he or she is found to be ineligible for disability retirement, the committee may refer the member to a doctor of its choice at the member's expense for an evaluation as to whether the applicant is permanently disabled. If the doctor certifies that the applicant is so disabled, then the committee may deny the applicant's request for a grant or an extension of a grant.

5. Have voluntarily consented to the relationship, without fraud or duress.
6. Are not married to, or in a same-sex domestic partnership with, any other person.
7. Are not related by blood or affinity in a way that would disqualify us from marriage under Maryland law if we were opposite sexes.

 - a. a joint housing lease, mortgage, or deed

Part II

Termination of Domestic Partnership

1. We understand that we must notify Frederick County Public Schools (FCPS) within 30 days after termination of the domestic partnership by death or dissolution.
2. We further understand that when the domestic partnership ends, benefits will terminate or continue in the same manner and to the same extent that FCPS terminates or continues, respectively, benefits for a former spouse in equivalent circumstances (such as dissolution of a partnership and divorce).

Part III

1. We understand this information will be held confidential and will be subject to disclosure only upon our express written authorization or if otherwise required by law.

2. We understand that our declaration of domestic partnership and the responsibility for our common welfare may have legal and tax implications under federal and Maryland law. We understand that if an employee receives health benefits, including medical, dental, vision, and prescription for a same-sex domestic partner who is not a dependent of the employee under the Internal Revenue Code, that employee will be required to pay taxes on the value of the benefit. We understand that we are encouraged to contact a tax advisor or an attorney regarding tax implications of same-sex domestic partner benefits.

3. We understand that enrollment in benefits to which we or dependents are not entitled is considered fraud. We further understand that if we willfully misrepresent the eligibility of ourselves or dependents, fail to take the necessary action to remove ineligible dependents, or in anyway obtain benefits to which we are not entitled, our benefits will be canceled. In addition, we may be required to repay any claims that have been paid inappropriately and may face charges (or dismissal) from FCPS service.
