A. The beginning date of year round schools shall be July 1. If increased enrollment necessitates the addition of other year round schools, Bargaining Unit members in the schools to be designated shall be provided the same opportunity to transfer to a non-year round school when openings are available as was previously permitted. The District and the Association agree to negotiate and reach an agreement on all mandatory terms and conditions affecting Bargaining Unit members.

B. For Year Round School Calendar, see Appendix "A".

C. For the term of the contract, an involuntary transfer to a different track shall be applicable to Transfer and Reassignment Policy Track assignments and notification for the following school year shall be completed prior to May 1. In the event that a change occurs which necessitates an involuntary transfer of a Bargaining Unit member to a different track after the May 1 notification, the procedure outlined in Article XIII, Section D 2 c shall apply. Bargaining Unit members at a site shall be provided first consideration for an opening at that site for a different track for the subsequent school year.

Should it become necessary to transfer a Bargaining Unit member(s) to a different track, the primary consideration in making such a change shall be program needs at the school(s) concerned. The criteria for establishing the staffing needs for the school(s) program may also include, but not be limited to:

- 1. Teacher seniority
- 2. Credentialing requirements
- 3. Experience in teaching specific subject areas

After consideration of the above criteria, a conference shall be held with the Bargaining Unit member. A written summary outlining the specific reasons for the decision covered in the conference will be provided the Bargaining Unit member upon request. The Bargaining Unit member may request a transfer to another school and shall be given first consideration for the transfer request if a track change occurs.

D. Under Hours and Assignments, Section D will be adjusted to reflect an equivalent number of hours assigned to Bargaining Unit members in non-year round schools.

1. If enrollment increases, thus creating the need for additional classroom settings, it is agreed that every reasonable alternative will be considered to avoid Roving/Rotating Bargaining Unit members. These alternatives shall be discussed with the Association and shall include, but not be limited to, such alternatives as providing additional classrooms, converting spaces not being used as classrooms into classrooms, 12-month Bargaining Unit members, boundary changes, maximum enrollment, transportation, and implementing double session. Final decision regarding this issue shall be made by the Superintendent.

2. Should it become necessary to assign a Bargaining Unit member to a Roving/Rotating assignment, the primary consideration in such an assignment will be the school(s) educational program needs. Before reaching a final decision, additional areas of consideration may include grade level needs, teacher seniority, credential requirements and experience in teaching specific subject areas. Each year when assigning a Roving/Rotating position, the following procedures shall be followed:

- a. The site administrator will request volunteers following a discussion with all Bargaining Unit members involved.
- b. Prior to their assignment at year round schools, newly employed or voluntarily transferred Bargaining Unit members will be notified that they will be considered first for Roving/Rotating assignments should no volunteers come forward.
- c. If additional Roving/Rotating assignments are still necessary, the site administrator may assign Bargaining Unit members to a Roving/Rotating position. A meeting shall be held with

all site Bargaining Unit members whereby input shall be solicited and considered before final decisions are made. A conference shall be held with the affected Bargaining Unit members and a written summary outlining the specific reasons for the decision and selection process will be provided to the Bargaining Unit member upon request.

- 3.** The following considerations shall be provided by the District to teachers affected by Roving/Rotating assignments.

 - a.** The District will be responsible for packing and moving all district materials for a Roving/Rotating teacher from one room to another at each room change. These moves will be accomplished at a time that will not interfere with the existing educational program. The Roving/Rotating Bargaining Unit member shall receive a stipend of two hundred fifty (\$250) dollars for inconvenience in the preparation for moving to another room.
 - b.** Bargaining Unit members shall receive a stipend of one hundred (\$100) dollars for inconvenience in disassembly and re-assembly of the assigned classroom when it is utilized by another teacher serving in a Roving/Rotating assignment.
 - c.** The District shall provide reasonable assistance in storing or moving materials as required by room scheduling needs.
 - d.** Movable cabinets will be provided for the use of Roving/Rotating Bargaining Unit members for the storage of materials.
 - e.** Whenever possible, no extra duty assignments (i.e. committee meetings, after school meetings or activities, etc.) will be assigned to affected Bargaining Unit members the week prior to and following each room move.
- 4.** Special consideration will be made to avoid Roving/Rotating Unit members in kindergarten or first grade settings.
- F.** At the end of each school year, Bargaining Unit members seeking a voluntary transfer to a non-year round school shall be given first consideration for the transfer requests.
- G.** Support staff personnel in year round programs shall be at a daily level per student, no less than what is offered in the traditional program. A conference with the affected member and the site administrator shall be held to determine support staff's annual assignment. Whenever possible, support staff's annual assignment shall be by mutual consent as a normal procedure. An involuntary assignment shall be applicable to Transfer and Reassignment Policy. Assignments and notification for the following school year shall be completed prior to May 15.
- H.** Bargaining Unit members shall be eligible for unpaid leaves of absence for up to one (1) session of track assignment (as provided for in Leave Policy, Section W). Leave requests must be submitted at least four (4) weeks prior to the first day of leave.
- I.** A Bargaining Unit member may have the flexibility to extend his/her intersession by providing for coverage with another year round Bargaining Unit member. This should be verified in writing by the Bargaining Unit member and approved by the site administrator. Written justification of a denial shall be given to the Bargaining Unit member by the site administrator.
- J.** The District encourages Bargaining Unit members to apply for substitute teaching assignments. Should the Human Resources Office intend to remove a Bargaining Unit member from substitute availability, the Human Resources Office will notify the Bargaining Unit member. Upon request, a conference will be held with the affected Bargaining Unit member prior to removal. A written summary outlining the specific reasons for the decision will be provided upon request. Nothing in this provision negates or restricts the District rights under E. C. 44953.
- K.** The District shall agree to give a minimum of one (1) year prior notice to all year round school Bargaining Unit members should the elimination of year round schools occur. In the event that one (1) year prior notice is not possible, the District shall maintain the twelve (12) calendar months pay period for one (1) year following such change, at Bargaining Unit member's request. If a configuration other than "traditional schools" were to be implemented, the District and the Association shall negotiate and reach agreement on all mandatory terms and conditions affecting Bargaining Unit members.
- L.** If a Bargaining Unit member is involved in a transfer from a year round school to a non-year round school, the District shall maintain the twelve (12) calendar month pay period for one (1) full school year following such change, at the Bargaining Unit member's request. The District shall notify the Bargaining Unit member in writing of the transfer and the pay warrant options as soon as practicable. If the transfer takes place anytime after July 1, this

contract provision calling for twelve (12) equal checks will not apply, so that all pay must be made by June 30 of that school year.

M. Each year round school staff shall develop a plan for communicating with off-track Bargaining Unit members. The site administrator shall implement the plan. The site administrator will publish in his/her normal written communication, a list of those teachers who will be assigned Roving/Rotating and Intersession assignments and the rooms they will occupy when the site administrator schedules such assignments.

- 2. Vacant Position:** A position in which the Bargaining Unit member is qualified to serve and which is not filled by a permanent or probationary Bargaining Unit member. It shall not include a position which would be filled by a permanent or probationary Bargaining Unit member, except for the fact that such a Bargaining Unit member is on leave of absence or position leave.

B. Any person employed for one (1) complete school year as a temporary unit member shall, if reemployed for the following school year in a vacant position requiring certification qualifications, be classified as a probationary unit member and the previous year's employment as a temporary unit member shall be deemed one (1) year's employment as a probationary unit member for purposes of acquiring permanent status.

The decision as to which temporary Bargaining Unit members are selected for re-employment as probationary Bargaining Unit members shall rest with the Assistant Superintendent, Human Resources. The criteria for making selections shall include but not be limited to the following:

Such authorization shall continue in effect from year to year unless revoked in writing. Pursuant to such authorization, the District shall

deduct one-tenth (1/10) of such dues from the regular salary check of the Bargaining Unit member each month for ten (10) months. Deductions for Bargaining Unit members who sign such authorization after the commencement of the school year shall be appropriately prorated to complete payments by the end of the school year. Association members who currently have authorization cards on file for the above purpose need not be re-solicited.

C. Any employee covered by the terms of this Agreement, who is not a member of the Association, shall pay to the Association a representational fee or authorize a payroll deduction for such payment as a condition of continued employment. The amount of the representational fee shall be established by the Association no later than August 1 immediately preceding the commencement of the school year. In no case shall the amount of the representational fee exceed the combined dues paid by regular members of the Association. There shall be no charge to the Association for such mandatory agency fee deduction. For those employees who have not within thirty (30) days of commencement of employment authorized a payroll deduction for payment to the Association of the membership fee or representational fee, the District shall immediately begin automatic payroll deduction of the representational fee.

D. Any Bargaining Unit member who is a member of a religious group whose beliefs prohibit joining an employee organization or paying a representational fee to such an organization shall demonstrate such membership and beliefs to the Representational Fee Appeals Panel to be established by the Association. A member desiring to be exempt from joining the Association or paying the representational fee shall file a claim of exemption with the Association.

Any Bargaining Unit member who is deemed qualified by the panel as a religious objector shall not be required to join or financially support the Association as a condition of employment; such Bargaining Unit member shall pay, in lieu of an agency fee, a sum equal to such agency fee to one of the following non-religious, non-labor organization, charitable organizations exempt from taxation under Section 501(c)(3) of Title 26 of the Internal Revenue Code:

1. Foundation to Assist California Teachers
2. Martin Luther King, Jr. Memorial Scholarship Fund
César Chavez Memorial Education Awards Program
3. Montebello YMCA

To receive a religious exemption, the Bargaining Unit member must submit a detailed written statement establishing the basis for the religious exemption to the panel. If accepted, payment shall be made on or before the due date for cash dues/fees for each school year to one of the above charities. Proof of payment shall be made on an annual basis to the Association and District as a condition of continued exemption from the payment of the agency fee. Proof of payment shall be in the form of receipts and/or cancelled checks indicating the amount paid, date of payment, and to whom payment in lieu of the agency fee has been made. No in-kind services may be received for payments, nor may the payment be in a form other than money, such as the donation of used items. Such proof shall be presented on or before the due date for cash dues/fees for each school year.

E. With respect to all sums deducted by the District pursuant to authorization of the employee, whether for membership dues or representational fees, the District agrees promptly to remit such monies to the Montebello Teachers Association and to send to the Association monthly an alphabetical list of Bargaining Unit members for whom such deductions have been made, indicating the amount of the deduction and indicating any changes in personnel from the list previously furnished.

F. The Association agrees to furnish any information needed by the District to fulfill the provisions of this Article.

G. The District shall be responsible for ensuring compliance with Sections C-D. The Association shall notify the District of delinquencies in the payment of money for Association dues (dues paid directly to the Association by members), or representational fees. The District shall implement payroll deduction for the annual fees, pro-rated into equal installments, for the remaining payroll deduction periods within thirty (30) days after the Association notifies the District in writing that an employee has violated the organizational security provisions of this Article and the Association requests payroll deductions to be initiated.

H. The Association agrees to pay for all reasonable fees and costs and further agrees to indemnify and hold the District harmless from any and all claims, demands, settlements, judgments, or any other costs arising from the provisions of this Article.

I. The District agrees to forward the names of all Bargaining Unit members with five (5) years or more experience in the Bargaining Unit who become administrators, within thirty (30) days of the change of status.

XI. GRIEVANCE PROCEDURES

A. Definitions

1. A "grievance" is a claim by one or more Bargaining Unit members that there has been a violation, misinterpretation or misapplication of a provision of this Agreement.
2. A "grievant" is a person or persons filing a grievance.
3. A "day" is any day during which Bargaining Unit members are required to be in attendance.
4. "Immediate Administrator" is the administrator having immediate jurisdiction over the employee who is filing the grievance. In the event that an employee reports to more than one administrator, the school site administrator is the immediate administrator.

B. Purpose

1. Most grievances arise from misunderstandings or disputes which should be settled promptly and satisfactorily on an informal basis at the immediate administrative level. The employer and employee organization agree that every effort will be made by management and the grievant to settle grievances at the lowest possible level. Inasmuch as dissatisfactions and disagreements arise among people in any work situation, the filing of a grievance shall not be construed as reflecting unfavorably upon an employee's good standing. Employees, employee representatives and all other persons involved in the presentation of a grievance will be free from restraint, interference, coercion, discrimination or reprisal.
2. Any employee may present grievances relating to a contract dispute to his employer and have such grievances adjusted without the intervention of the employee organization as long as the adjustment is not inconsistent with the terms of this Agreement.
3. Failure by the administration to adhere to decision deadlines shall mean that the administration finds in favor of the aggrieved person. Failure of the employee to adhere to the submission deadlines shall mean that the employee is satisfied with the latest decision and waives any right to further appeal. However, nothing prevents the parties from extending the dates by mutual agreement.
4. In the event a grievance is filed at such a time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year, could result in harm to the grievant, the time limits set forth herein may be reduced by mutual consent so that the procedure may be exhausted prior to the end of the school year or as soon as is practicable.

C. Grievance Procedures

1. Informal Level

Any employee who believes he/she may have a grievance shall request a conference(s) with his/her immediate supervisor. This request must take place within ten (10) days after the grievant knew or reasonably should have known of the circumstances which form the basis for the grievance. Failure to do so will render the grievance null and void. In the event the conference does not take place within five (5) days following the request, the Bargaining Unit member may proceed to Level 1. It is the intent of the Informal Level that at least one personal conference be held between the grievant and the immediate administrator to attempt to resolve the matter.

2. Level 1

If the grievance is not settled to the satisfaction of the grievant within fifteen (15) days of his original request for a conference at the Informal Level, but no longer than five (5) days following the conference, the grievant shall present the grievance in writing to the immediate administrator and to the Association. The written grievance shall include (a) names, dates and places necessary for a complete understanding of the grievance; (b) a listing of the provision(s) of this Agreement which are alleged to have been violated or misapplied; (c) a listing of the reasons why the original resolution of the problem is unacceptable; and (d) a listing of specific actions requested which would remedy the grievance. The administrator shall respond to the grievant in writing within five (5) days after the Level 1 meeting or receipt of Level 1 grievance submission form.

3. Level 2

If the grievant is not satisfied with the disposition of the grievance, the grievant shall, within five (5) days, transmit grievance documentation from Level 1 to the Superintendent or the Superintendent's designee. Within ten (10) days from the receipt of the grievance, the Superintendent or designee shall meet with the employee on the grievance and shall indicate the disposition of the grievance in writing within five (5) days of such meeting and shall furnish a copy thereof to the grievant.

4. Level 3

If the grievant is not satisfied with the disposition of the grievance at Level 2, the grievant, with the concurrence of the Association, within ten (10) days after a decision by the Superintendent or said designee, may submit the grievance to arbitration. If any question arises as to the arbitrability of the grievance, such question shall be ruled upon by the arbitrator prior to initiating the hearing. The arbitrator, however, may request from the parties any information that he/she deems necessary to rule on the issue of arbitrability.

5. Either party prior to the arbitration hearing may elect to have the matter submitted to mediation before the same arbitrator/mediator. The parties will not be represented by attorneys at such mediation. The cost of the mediation shall be borne equally by the parties. If mediation is not agreed upon by both parties, the party who requests mediation shall pay the costs of the mediation. The arbitration proceeding shall be conducted by an arbitrator to be selected by the two (2) parties within ten (10) days after said notice is given. If the two (2) parties fail to reach agreement on an arbitrator within ten (10) days of submitting the grievance for arbitration, Judicial Arbitration and Mediation Services, Inc. (JAM) will be requested to supply a list of five (5) names. Only those who have mediated or arbitrated a minimum of ten (10) labor related cases and who are available to hear the case within forty-five (45) days may appear on the list. Either party will alternately strike from the list until only one (1) name remains. The order of striking will be determined by lot. If no qualified JAM arbitrator is available within forty-five (45) work days, an arbitrator shall be selected from a list of five (5) names provided by the American Arbitration Association (AAA). The list of names provided by the AAA shall only contain those arbitrators who have mediated/arbitrated at least ten (10) labor related cases and who are available to hear the case within forty-five (45) days. If no qualified arbitrator is available within such forty-five (45) work days, a qualified arbitrator shall be selected from a list provided by JAM.

6. The arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of this Agreement. However, it is agreed that the arbitrator is to include in any decision such reimbursement for financial loss of wages or fringe benefits or other non-financial remedies as judged to be proper. The decision of the arbitrator will be submitted to the Superintendent and the Association and will be final and binding upon the parties to this Agreement.

7. The arbitrator shall have no power to add to, subtract from, disregard, alter or modify any of the terms of this Agreement. The arbitrator shall have no power to establish salary structures. The arbitrator shall have no power to change any practice, policy or rule of the public school employer nor to substitute his/her judgment for that of the public school employer as to the reasonableness of any such practice, policy, rule or any action taken by the public school employer outside the scope of this Agreement.

8. All fees, expenses, and costs of the arbitrator shall be paid by the party against whom the decision is rendered. All costs and expenses of the arbitrator for the first three days shall be limited to eight hundred dollars (\$800) per day with days four (4) and five (5) limited to one thousand dollars (\$1000) per day when a JAM arbitrator is used and the decision is not favorable to the Association. If the decision of the arbitrator is not entirely favorable to either party, the arbitrator shall decide the cost liability of each party limited to the maximum costs described above. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other.

If any grievance meeting or hearing must be scheduled during the school day, any employee required by either party to participate as a witness or grievant in such meeting or hearing shall be released from regular duties without loss of pay for a reasonable amount of time. The arbitrator will be requested to schedule the grievance procedure at times causing the least disruption of the student day.

9. Either party may request an individual to make a written record of the entire arbitration hearing. The cost of the services and expense of such individual shall be paid by the requesting party or shared by the parties if they both mutually agree.

3. When it is necessary for a representative designated by the Association to investigate an alleged violation, misinterpretation or misapplication of a provision or provisions of this Agreement, he /she will, upon written notice to the Superintendent or his designee, be released without loss of pay for a reasonable length of time. The notice for release time must be made at least one day in advance. The Association shall be required to pay the cost of the representative's substitute. The Association representative handling a disciplinary procedure shall be released according to this provision without loss of pay or cost to the Association.

4. All documents dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.

Fractional years are not combined to qualify as one (1) year.

Commencing July 1, 2000, one step for a full year of practical nursing experience, and/or higher education instructional experience, to a maximum of nine (9) years, will be granted for school nurses. Beginning July 1, 2000, any infant toddler teacher employed by the District for at least three (3) years immediately prior to being hired as a K-12 teacher shall be placed on the salary schedule on the appropriate column at the first step that constitutes an increase from their annual salary as an infant toddler teacher. This unpaid leave includes all health and welfare benefits.

I. Child Care Leave

Upon request, the District shall provide a Bargaining Unit member, who is a natural or adopting parent, an unpaid leave of absence for the purpose of rearing his/her child. Such leave will coincide with the birth or de facto custody of an adopted child. Beginning with the semester following the birth or de facto custody of the child, twelve (12) months shall be allowed for this leave.

J. Health and Other Leaves of Absence

Requests for leave of absence for health reasons must be accompanied by a statement from a recognized medical advisor recommending the necessity of such a leave.

1. Sick Leave of Absence

- a. Full-time certificated Bargaining Unit members assigned for twelve (12) months shall receive full pay for the first fourteen (14) working days absence because of illness or injury during the school year, July 1 through June 30.

Certificated Bargaining Unit members assigned for less than twelve (12) months shall receive full pay on the basis of one and two tenths (1.2) day per month for the number of months assigned; that is ten (10) month employees, either calendar or school, shall receive twelve (12) days sick leave per year. Credit for leave of absence need not be accrued prior to taking such leave by the Bargaining Unit member and such leave of absence may be taken at any time during the school year.

Sick leave not used during any one (1) school year shall be carried forward to the succeeding school year in the form of accumulated sick leave. The amount of sick leave that may be accumulated to the credit of an employee, exclusive of the current year's sick leave, shall be unlimited.

- b. It shall be the obligation of the certificated Bargaining Unit members of the Montebello Unified School District to develop means that will assure self-discipline in the use of illness

leave; however, documentation by a licensed health practitioner or practitioner of a well-recognized religious sect may be requested by an administrator. This would preclude major surgery or prolonged illnesses verified above.

- c. Any Bargaining Unit member at his/her option may sell back and be paid for any unused sick leave days for that year at the end of each school year. Payment will be made at the current rate of substitute teacher pay for that year. Sold-back days do not accumulate. Bargaining Unit members, who were first employed by the District subsequent to July 1, 1980, upon resignation from the District, may request to sell back the current year allocation plus ten (10) additional accrued sick days at the substitute teacher rate for the current year.

2. Paid Illness Leave Exhaustion and Difference Pay Limitations

Subject to California Education Code Sections 44977 through 44978.1, the District shall provide to Bargaining Unit members, upon exhaustion of all available and accumulated sick leave, difference pay in accordance with statutory limitations. In no event shall the difference pay received by a Bargaining Unit member be less than twenty-five dollars (\$25.00) per day.

- a. The amount deducted from a regular Bargaining Unit member's pay because of illness or accident shall not include paid vacation holidays which may be allowed the substitute teacher.
- b. Effective July 1, 1988, when a regularly assigned contract probationary or permanent certificated Bargaining Unit member is absent from his/her duties on account of his/her own illness or injury in excess of his current and accumulated sick leave, he shall receive one hundred (100) days of difference pay for a period of not to exceed five (5) school months in any one (1) school year. The one hundred (100) working days at difference pay shall not apply to extended day activities or non-contract duties such as teaching driver training and adult education classes. A Bargaining Unit member who uses any portion of the days herein provided during one (1) school year shall be limited to the balance of the unused days thereafter for the same illness when the leave is continuous. Sick leave, including accumulated sick leave, and the 100 day period shall run consecutively. A Bargaining Unit member shall not be provided with more than 100 days of difference pay per accident or illness. The "same illness" shall be determined by the Bargaining Unit member's attending physician. The Board reserves the right to require supporting medical records be made available to an independent medical examiner for verification.
- c. Whenever a Bargaining Unit member has exhausted all current sick leave, accumulated sick leave, and 100 days of difference pay, due to accident or illness, and the Bargaining Unit member is not medically able to resume duties, the Bargaining Unit member shall, if not placed in another position, be placed on a reemployment list for twenty-four (24) months if the Bargaining Unit member is on probationary status and for thirty-nine (39) months if the Bargaining Unit member is on permanent status. When the Bargaining Unit member is medically able, during the twenty-four (24) or thirty-nine (39) month periods, the Bargaining Unit member shall be returned to employment in a position for which he or she is qualified.
- d. Any Bargaining Unit member, at his/her option, may sell back and be paid for any unused sick leave days for that year at the end of each school year. Sold back days do not accumulate.

3. Regulations Governing Cumulative Illness Leave

When an authorized leave of absence reduces regular service to less than a full year, illness leave benefits shall accrue to the Bargaining Unit member on a prorated basis for service rendered.

4. Personal Necessity Leave Using Sick Leave

- a. A certificated Bargaining Unit member, serving in a status which entitles him/her to illness or injury leave pay under the provisions of Section 44978 of the Education Code shall, at his/her election, be allowed personal necessity leave with pay within the limits and conditions of this provision. All personal necessity leaves except those related to emergencies shall require written notification to the site administrator prior to the Bargaining Unit member taking the leave. Such notification shall not constitute approval of the leave. The following limits and conditions are placed upon allowing a personal necessity leave with pay:

(1)An appearance of the Bargaining Unit member as a witness, defendant or litigant under an official governmental order if the absence exceeds the number of days under the District's Subpoena leave Policy.

(a)Each date of necessary attendance other than the date specified in subpoena, shall be certified by the clerk or other governmental jurisdiction, and

(2) Attendance at the funeral of a close relative or friend.

(3) Obligations that might be required of a person because of his leadership position or membership in professional organizations, youth activities or community organizations.

(4) Personal business imperative which must be conducted in order to conform with legal procedures or to resolve threats to one's personal assets. Such use shall not be for the purpose of accruing a financial gain.

(5) Observance of a nationally recognized religious holiday other than those scheduled on the school calendar.

(7) To conduct personal business. [No more than three (3) of the nine (9) days allotted for Personal Necessity Leave may be used for personal business]. Prior to taking the leave, except in an unforeseen emergency, the Bargaining Unit member shall request approval on the District Leave Request form no later than 9:00 a.m., two (2) days preceding the first (1st) day for which leave is sought. Any denial of approval must be given to the Bargaining Unit member by noon of the day following the request. The Association shall continue to encourage its membership to be professional in their use of Personal Business Leave.

b. The following limits and conditions are placed upon allowing a personal necessity leave with pay:

(1) Nine (9) days per year of current sick leave may be used for Personal Necessity Leave

(2) The personal necessity leave shall not be granted during a scheduled vacation or a leave of absence.

(3) Payment for such absence shall be made only upon certification by the Bargaining Unit member's administrator or supervisor that the absence was due to a situation designed as a personal necessity within the meaning of this section. The Bargaining Unit member shall be required to sign, on a form provided, a statement that such absence was due to a personal necessity and indicate the nature of the emergency. Such form shall be approved for payment by the proper administrator or supervisor and shall be filed with the Payroll Department.

(4) No more than three (3) of the nine (9) days allotted for Personal Necessity Leave may be used for Section J-4a, 7 of this article.

c. Personal necessity leave in excess of nine (9) days shall be allowed under E.C. 44981 only for the following reasons:

(1) The death of a member of the Bargaining Unit member's immediate family, as defined under Bereavement leave when the number of days exceeds the limit provided in the District's Bereavement Policy.

(2) An accident involving the Bargaining Unit member's person or property not otherwise chargeable to an illness or injury leave or to an industrial injury or illness leave. Such accident must be serious in nature involving circumstances the Bargaining Unit member cannot be expected to disregard and which requires the attention of the Bargaining Unit member during his/her assigned hours of service. Included in this would be imminent danger for the home of a Bargaining Unit member occasioned by a factor such as flood or fire demanding the attention of the Bargaining Unit member during his assigned hours of service.

(3) A serious illness or an accident involving the person or property of a member of a Bargaining Unit member's immediate family. Members of the Bargaining Unit member's immediate family shall be deemed to include only mother, father, sister, brother, husband, wife, son, daughter, mother-in-law, father-in-law, step-parents, step-children, or any relative living in the immediate household of the Bargaining Unit member. Such illness or accident must be serious in nature, involving circumstances the Bargaining Unit member cannot disregard and requiring the attention of the Bargaining Unit member during his/her assigned hours of work.

5. Industrial Accident Leave

Certificated Bargaining Unit members employed in a regular capacity who are absent because of an industrial accident or illness shall, for any one (1) accident, be allowed up to sixty (60) days absence without loss of pay and without loss of current or accumulated sick leave, during the period of allowed absence, with pay for any reason. Sick leave, vacation time, or other available leave shall be reduced only by the amount of the difference between the total salary of the Bargaining Unit member and the wage loss benefit checks endorsed to the District.

Bargaining Unit members receiving benefits as a result of this policy shall, during the period of injury or illness, remain within the State of California. During the period of time in which the Bargaining Unit member is receiving accident and illness benefits, he/she shall not render services for monetary gain to any person or entity other than Montebello Unified School District.

5. grandchild of the Bargaining Unit member or of the spouse of the Bargaining Unit member
6. husband
7. wife
8. domestic partner
9. son
10. son-in-law
11. daughter
12. daughter-in-law

A similar leave, not to exceed three (3) days, shall be allowed by reason of death of a

1. sister-in-law
2. brother-in-law

Leave must be used within fourteen (14) calendar days of said death. The process of bereavement or death related responsibilities may extend after fourteen (14) days from said death. This Agreement shall be flexible to allow the use of any of the five (5) days to be delayed to respond to individual needs.

L. Quarantine Leave

Any regular Bargaining Unit member may be paid full salary for not to exceed ten (10) school days during any school year when the only reason for absence is caused by unavoidable quarantine, or when the absence is at the direction of the authorities of the school district because the Bargaining Unit member has been in contact with a contagious disease. Persons requesting pay because of quarantine shall file in the Human Resources Office an exclusion and re-admission card issued by the County Health Office.

Specifically it is not the intent of this policy to cover Bargaining Unit members who are quarantined because of their own personal illness. That matter is taken care of on sick leave. For example, an employee away from work because he/she has contracted measles is presumed to be on sick leave until such time as the physician or health officer releases him/her to return to work regardless of whether or not part of such time is required by law and not by being confined to bed.

M. Absence Because of Subpoena

1. A Bargaining Unit member may be paid in any school year for time not to exceed two (2) days absence caused by appearance in court in response to any subpoena duly served. The pay for subpoena leave shall be the regular rate of pay for the Bargaining Unit member minus any payment received from the court. A Bargaining Unit member requesting pay for subpoena leave shall file a copy of the subpoena in the Human Resources Office; and if a case covers more than one (1) day, a Certificate of the Clerk of the Court shall be filed that the presence of the person at court for the second (2nd) day is required. After the two (2) day limit, Leave Policy, Section J4, a(1), Personal Necessity Using Sick Leave, shall apply.

2. A Bargaining Unit member will be paid in any school year for absences caused by appearance in court in response to a subpoena duly served when said Bargaining Unit member and/or school district are parties to civil litigation resulting from school district business. The pay for this leave shall be the regular per diem rate. A Bargaining Unit member requesting pay for subpoena leave shall file a copy of said subpoena in the Human Resources Office as verification.

N. Closing School Because of Epidemic, Natural/Or Man-Made Disaster or Earthquake

1. Every regular certificated Bargaining Unit member shall be entitled to full pay and contracted health and welfare benefits during the number of days schools may be closed during their contractual year, because of an epidemic, natural or man-made disaster, or earthquake.

2. If there is not a reduction in revenue/funds to the District as a result of schools closing as described above, Bargaining Unit members will not be required to serve the District for the number of closure days in order to receive full pay and contracted health and welfare benefits.

3. A disaster under this provision shall refer to adverse happenings occurring often suddenly and unexpectedly. A disaster may be caused by human carelessness, negligence, bad judgment, or by natural forces.

O. Attendance at Funerals

Under certain circumstances, special consideration should be given to the obligation to attend funerals of relatives of close associates other than those mentioned in the Section K Policy. The site administrator or division head shall make the determination in such cases and provide for class coverage or work coverage within the building or division.

P. Military Leave of Absence - Without Pay

It shall be the policy of the Board of Education to grant a leave of absence to all Bargaining Unit members for the duration of military service, subject only to presentation of satisfactory evidence of physical and mental fitness to service the District on return from military service. Such absence shall not affect in any way the classification of the Bargaining Unit member. In the case of a probationary Bargaining Unit member, the period of such absence shall not count as a part of the service required as condition precedent to the classifying of such Bargaining Unit member as a permanent Bargaining Unit member of the District, but such absence shall not be construed as a break in the continuity of the service of such Bargaining Unit member for any purpose.

Within ninety (90) days after the honorable discharge of such Bargaining Unit member from the armed forces of the United States of America, he/she shall be entitled to return to the position held by him/her at the time of his entrance into such military service at the salary to which he/she would have been entitled had he/she continued in the service of the School District.

The Board of Education will make District payments to the retirement system for those Bargaining Unit members who make their contributions to the system either during or immediately following the period of military service.

Q. Military Leave of Absence - With Pay

In accordance with legislation which became effective on July 16, 1951, and amended Section 395 of the Military and Veterans Code, the Board of Education authorized the payment of compensation to all Bargaining Unit members for the first thirty (30) calendar days of military service providing they have served the District for at least one (1) year. Military service may not be counted as District service in order to meet the required one (1) year of public service if leave is other than temporary. Leaves other than temporary shall apply to the regular Army and Navy, as well as Reserves.

R. Temporary Military Leave

Temporary military leave is defined as a leave of absence not exceeding one hundred eighty (180) calendar days, including travel time, for purposes of military training, drills, encampment, naval cruises, special exercises and like activities, as a member of the Reserve Corps or Forces. Prior military service may be counted as a part of the one (1) year of service with the school district when application is made for temporary military leave.

In all cases, the pay shall not exceed thirty (30) days in any one (1) fiscal year.

In conformity with this policy, retroactive payments shall be made to the enactment of this law in 1949.

S. Armed Service Medical Examinations

A Bargaining Unit member requesting an armed service physical examination leave shall file with the Human Resources Office a written statement of cause indicating location, date and time of the examination and the issuing authority.

T. Extension of Military Leave

It shall be the policy of the Board of Education to grant leave of absence without pay to Bargaining Unit members returning from military leave of absence for the following purposes:

1. Continuation of university work under the G.I. Bill of Rights.
2. Resumption of assignment at the beginning of a school year.

U. Exchange Leave of Absence

The Board of Education supports in principle the concept of teacher/administrator exchange programs with other states and countries. The Board, however, reserves the right to consider each request for such an exchange on an individual basis.

V. Extension of Vacation Period

All certificated staff covered by this contract are expected to be available for the full period of their yearly assignment. Requests for special leaves of absence in connection with established vacation periods or holiday periods will be denied.

W. Other Leaves Without Pay

Upon recommendation of the Superintendent and approval of the governing Board, leaves without compensation may be granted for purposes of care for a member of the immediate family who is ill or long-term illness of the Bargaining Unit member, voluntary government service, service in an elected public office, extended child rearing, to teach in a foreign country, or other unpaid leaves authorized and approved by the Superintendent or his designee. The application for granting of such leaves of absence shall be in writing on a District-required form. In addition, a Bargaining Unit member on such leave shall notify the District Human Resources Office by May 1 of the school year as to an intent to return to employment in the District. Failure to so notify will be considered an official resignation by the Bargaining Unit member.

X. Work Experience Leave

Full-time Bargaining Unit members who have had ten (10) years of consecutive service for the Board of Education may apply for a work experience leave from one (1) year minimum to two (2) years maximum. No seniority or service credit will be granted while on such leave. Final approval of the requested work experience leave will be at the discretion of the Board of Education and will be based on individual request.

XVII. SAFETY, SECURITY AND GENERAL WORKING CONDITIONS EMPLOYEE OCCUPATIONAL SAFETY, SECURITY AND HEALTH POLICY

A. INTENT

1. The personal safety, security and health of each Bargaining Unit member is a primary concern of the Board and Administration and is of the highest priority.
2. To the greatest degree possible, management will provide and maintain safe working conditions and equipment at all times, and conduct continuous employee education and training in development of safe attitudes and practices. Management will comply with standards prescribed by applicable state and local laws and regulations affecting employee safety, security and health. Safety must always be a part of and equal to any educational function or work performed.

3. The objective is a safety, security and health program that will reduce the number of disabling injuries and illnesses to a minimum; not merely in keeping with, but surpassing, the best experience of other school districts similar to ours. The goal is zero accidents and injuries.

4. A safety, security and health program conforming with the best practices of the California Occupational Safety and Health Act of 1973 will be maintained. To be successful, such a program must embody the proper attitudes toward injury and illness prevention on the part of the Board, administrators, supervisors and Bargaining Unit members. It also requires cooperation in all safety, security and health matters, not only between supervisor and Bargaining Unit member, but also among each Bargaining Unit member and his/her fellow workers. Only through such cooperative effort can a safety record in the best interest of all be established and preserved.

B. Site Safety Committee

1. A Site Safety Committee shall continue to function in accordance with the District Injury and Illness Prevention Program (April, 1992) unless in conflict with the provision of this article. In the case of a conflict, the terms of this article shall apply.

The certificated employee representative will be elected by the Bargaining Unit.
- c. The members of the Site Safety Committee shall elect their chairperson or co-chairpersons.
- d. Each school site shall be reviewed annually to identify those areas that the Committee believes need to be corrected for the safety of Bargaining Unit members and their property, i.e., appropriate lighting, staff parking and building safety. The Site Safety Committee shall consider all points of view and shall solicit the advice and counsel of parent organizations, employee groups and other interested parties, including the existing School Site Council. The Site Safety Committee may solicit the advice and expertise of outside agencies responsible for the safety, security and health of the community. All Site Safety Committee meetings are open meetings.
- e. A report regarding the individual site shall be made available to the site staff at the completion of the above review.

Pre-schools and elementary schools shall be inspected in school years ending in odd years. Intermediate, high and adult education schools shall be inspected in school years ending in even years. The inspections must be completed by February 15, at which time, the Risk Manager shall meet with each Site Safety Committee to discuss those recommendations. After discussion the Site Safety committee may amend its report.

(2) On or before June 1, the District's Risk Manager shall submit to each Site Safety Committee a report indicating the completion and/or progress of implementation of each section of the report with explanations for any items not addressed nor completed.

- b. Training all Bargaining Unit members in good safety, security and health practices.
- c. Providing necessary personal protective equipment and instructions for its use and care; providing mechanical and physical safeguards to the maximum extent that is possible.
- d. Developing and enforcing safety, security and health rules, requiring that Bargaining Unit members cooperate with and obey these rules as a condition of employment.
- e. Investigating, promptly and thoroughly, every accident to find out what caused it and to correct the problem so that it will not happen again.
- f. Setting up a system of recognition and awards for outstanding safety, service or performance.

g. All work orders and repairs dealing with health, safety and security conditions shall receive immediate priority.

3. The responsibilities for safety, security and health are shared by the District Safety, Security and Health Committee, the Site Safety Committee and all employees of the District.

a. Site administrators shall give consideration to the Site Safety Committee's report in making necessary arrangements for the safety, security and health of staff and students when extended day activities are held and these hazards exist. The District shall comply with these arrangements. The site administration shall notify the staff in writing of the necessary arrangements that will be taken to provide safety and security prior to such events.

The Association shall only have the right to initiate a grievance under this article for the failure of the District to follow the procedures outlined in this Article.

C. Most situations involving employee discipline arise from misunderstandings or a lack of communication regarding contractual duties which should be settled promptly and satisfactorily on an informal level. Bargaining Unit members shall not be disciplined without just cause or disciplined for situations that are beyond the control of the Bargaining Unit member or of an emergency nature. All disciplinary action of the District shall be corrective and progressive. The District shall continue to enforce the provisions of this Article in an equitable manner.

Prior to the initiation of any step under paragraphs D and E below, the affected Bargaining Unit member shall be informed of the nature of the infraction(s) and informed of the member's right to have a representative present.

D. Disciplinary action shall be employed within fifteen (15) days of the time the supervisor knew, or reasonably should have known, of the incident and administered in accordance with the following:

- Step 1.** A scheduled oral conference shall be conducted with the Bargaining Unit member to discuss the action or inaction ["infraction(s)"] of the Bargaining Unit member.
- Step 2.** Upon the occurrence of the next similar infraction(s) within a twelve (12) month period from the preceding similar infraction(s) at the same site, a second conference with the Bargaining Unit member shall be conducted. The written warning will not be placed in the member's personnel file, and such member will have a right to attach a response to the written warning.

Upon the occurrence of the next similar infraction(s) within twelve (12) months of the preceding similar infraction(s) at the same site, a written reprimand may be issued to the Bargaining Unit member. Any such reprimand shall be based upon verified data. A copy of the reprimand shall be given to the Association and placed in the Bargaining Unit member's personnel file.

Step 4. Suspension of a Bargaining Unit member may only be ordered upon the occurrence of the next similar infraction(s) committed at the same site within twelve (12) months of the written warning. Subsequent similar infraction(s) within twelve (12) months of the previous similar infraction(s) shall be subject to additional suspensions.

E. Subject to the provisions of this paragraph, it is intended that the progressive steps outlined above be utilized in employee discipline. However, in the event that the nature or severity of the infraction is such that the skipping of one or more steps as outlined in Section D is deemed necessary by the administrator, the administrator shall draft a memorandum specifying the nature of the infraction, the intended discipline and the Bargaining Unit member's right to initiate a grievance at Level 2 under Article XI, Grievance Procedures, of this contract within five (5) days of notice of the intended discipline. This memorandum will be shared at a conference with the Bargaining Unit member. The Bargaining Unit member will acknowledge receipt of the memorandum in writing. This memorandum will be forwarded immediately to the MTA and Certificated Human Resources Offices. F. Suspensions may be without pay, but shall not reduce or deprive the Bargaining Unit member of seniority or other rights or any fringe benefits. The Bargaining Unit member must request to appeal the decision before the Board on or before the first regularly scheduled Board meeting or ten days from the time of the incident, whichever comes later. Failure to appeal to the Board within this timeline forfeits the Bargaining Unit member's right to appeal to the Board.

J. If, after having been disciplined, a Bargaining Unit member serves the District for twelve (12) months without the need for further disciplinary action, he/she and the Association may request a follow-up notice to that effect which shall also be attached to any original notice of suspension that has been placed in his/her personnel file.

APPENDIX “B”

EVALUATION SYSTEM FOR CERTIFICATED PERSONNEL

INTRODUCTION

The purpose of this evaluation system is to satisfy the requirements of Assembly Bill 293. The implementation of this bill was undertaken to develop a uniform evaluation system for all certificated employees. This system focuses on desired student growth within the instructional program.

The major part of this system deals with California Education Code Section 44662. Certificated employee competency, as defined in this system, is the performance of the employee in facilitating student growth, through the utilization of instructional techniques and strategies, the adherence to curricular objectives and the establishment and maintenance of a suitable learning environment.

The following evaluation system applies only to Section 44932 (a.4) of the State Education Code. The evaluation of the remaining provisions of Section 44932 (a.1-12 excluding 4) is the responsibility of the immediate supervisor. This system provides an opportunity for statements relative to Performance Requirements as defined in the “Definition of Terms.” Statements in this area can be written at any time during the course of a scheduled evaluation year.

Nothing in this section preempts the legal responsibility of the Board of Education and its authority for the operation of the educational program of the Montebello Unified School District.

STATEMENT OF PHILOSOPHY

I. An effective educational program requires evaluation. All certificated personnel share in the responsibility for the instructional program and its evaluation.

II. This uniform evaluation system assesses the competency of all certificated personnel in terms of student growth within the instructional program.

III. This uniform system of evaluation provides for meeting each of the following responsibilities:

Establishment of standards of expected student progress for selected objectives, and of techniques for measuring that progress. These standards and techniques are to be specified by the employee.

Assessment of certificated personnel competence relative to the achievement of those established standards.

Assessment of certificated personnel performance of duties adjunct to their regular assignment.

Ascertainment that all certificated personnel are maintaining and preserving a suitable learning environment.

IV. This uniform system of evaluation provides for individuality and freedom as well as accountability by providing for a series of options within the evaluation procedure open to all certificated personnel. The options for each employee will be within the following:

To select methods of determining learner needs.

To set three goals and/or goal indicators and/or objectives based on the Bargaining Unit member’s evaluation of program emphases.

To set two (2) goals and/or goal indicators and/or objectives based on broad goals as indicated by the immediate supervisor. If the supervisor chooses not to specify broad goals the Bargaining Unit member will set two (2) goals and/or goal indicators and/or objectives in addition to the three (3) mentioned above.

To select methods of establishing standards of expected student progress.

To select methods for assessing student progress.

To select evaluative assistance when necessary.

To select adjunct duties from those identified by the immediate supervisor.

V. The administration of this evaluation procedure for each certificated employee is the responsibility of his/her immediate supervisor.

VI. Established standards of expected student progress can be achieved only when acceptable conditions for learning exist. When constraints to learning change, standards of expected progress must be revised.

VII. The requirements for a suitable learning environment are met when the standards of expected student progress, as identified by the Bargaining Unit member, are met.

VIII. All certificated personnel will be responsible to perform their fair share of those adjunct duties which are necessary to the operation of the educational program.

IX. It shall be the responsibility of the Board of Education to provide each certificated employee with adequate time to prepare the plan. Changes in Required Conditions for Learning which occur subsequent to the acceptance of the plan may require reevaluation of the outcomes of the original plan.

X. The development and implementation of an inservice training program for immediate supervisors and Bargaining Unit members shall be established by agreement of negotiating teams and the Board of Education.

XI. The operating procedures of this evaluation system shall be implemented in their entirety, where applicable. The time sequences must be posted in advance in order to insure the validity of the system.
