ARTICLE 1

UNION RECOGNITION

- 1.1** The State and the Employer recognize the Union as the exclusive bargaining representative for the employees described in Appendix A.
- 1.2** This Agreement covers the employees in the bargaining units described in Appendix A, entitled “Bargaining Units Represented by the Washington Public Employees Association,” but does not cover any statutorily-excluded positions, or any positions excluded in Appendix A. The titles of the jobs listed in Appendix A are listed for descriptive purposes only.
- 1.3** If the Public Employment Relations Commission (PERC) certifies the Union as the exclusive bargaining representative during the term of this Agreement for a bargaining unit covered by RCW 41.80 in any of the Employer’s Community College Districts, the terms of this Agreement will apply.

ARTICLE 2

NON-DISCRIMINATION

- 2.1** Under this Agreement, discrimination against employees on the basis of religion, age, gender, sex, marital status, race, color, creed, national origin, political affiliation, military status, status as an honorably discharged veteran, a disabled veteran or Vietnam era veteran, sexual orientation, or the presence of any sensory, mental or physical disability, genetic information, or because of the participation or lack of participation in union activities is prohibited, and no unlawful harassment will be tolerated.
- 2.2** Employees who feel they have been the subjects of unlawful discrimination, harassment or hostile work environment are encouraged to bring such issues to the attention of their supervisor or the Human Resources Office, or to file a complaint in accordance with college/district policy. In cases where an employee files both a grievance and an internal complaint regarding the same alleged discrimination, harassment or a hostile work environment, the grievance will be suspended until the internal complaint process has been completed.
- 2.3** Both parties agree that nothing in this Agreement will prevent the implementation of an approved affirmative action plan.
- 2.4** Both parties agree that nothing in this Agreement will prevent an employee from filing a complaint with the Washington State Human Rights Commission, Office of Civil Rights, or the Equal Employment Opportunities Commission.
- 2.5** The Employer agrees to provide training and the Union agrees to support and encourage participation in training to positively accept the diversity that exists in the workplace and to understand as well as to prevent all forms of discrimination.

ARTICLE 3

WORKPLACE BEHAVIOR

- 3.1** The Employer and the Union agree that all employees should work in an environment that fosters mutual respect and professionalism. The parties agree that inappropriate behavior in the workplace does not promote a college's/district's business, employee well being, or productivity. All employees are responsible for contributing to such an environment and are expected to treat others with courtesy and respect.
- 3.2** Inappropriate workplace behavior by employees, supervisors and/or managers will not be tolerated. If an employee and/or the employee's union representative believes the employee has been subjected to inappropriate behavior, the employee and/or the employee's representative is encouraged to report this behavior to the employee's supervisor and/or the Human Resources Office. Inappropriate workplace reports will be identified as such. The Employer will investigate the reported behavior and take appropriate action as necessary. The employee and/or union representative will be notified upon conclusion of the investigation. Upon request, the Employer will provide the employee and the union representative with a copy of the investigation report.
- 3.3** Supervisors, managers and Human Resource Office staff will receive training on processing inappropriate workplace behavior reports.
- 3.4** The procedural aspects of this Article are subject to Step 2 of the grievance procedure only. No other grievance steps apply.

ARTICLE 4

HIRING AND APPOINTMENTS

4.1 Filling Positions

- A. The Employer will determine when a position will be filled, the type of appointment to be used when filling the position, and the skills and abilities necessary to perform the duties of the specific position within a job classification. The Employer can fill a position on a full-time or part-time basis. When filling positions, the Employer will consider employees on the appropriate layoff list and the most senior candidate on the internal layoff list with the required skills and abilities who had indicated an appropriate geographic availability will be appointed to the position. If there are no names on the internal layoff list, the Employer will consider internal promotional candidates and employees who are requesting a transfer or voluntary demotion prior to considering other candidates. In all cases consideration will be limited to employees who have the skills and abilities required for the position. Positions will be posted for at least ten (10) calendar days.

- B. An internal promotional candidate is an employee who applies for appointment with his or her college/district to a class with a higher salary range maximum.
- C. A transfer candidate is an employee who applies for appointment with his or her college/district to a position in the same class or to a different class with the same salary range maximum.
- D. A voluntary demotion candidate is an employee who applies for appointment with his or her college/district to a class with a lower salary range maximum.

4.2 Types of Appointment

A. Regular Employment

The Employer may fill a position with a regular employment appointment for positions scheduled to work twelve (12) months per year.

B. Cyclic Year Employment

The Employer may fill a position with a cyclic year appointment for positions scheduled to work less than twelve (12) full months each year, due to known, recurring periods in the annual cycle when the position is not needed. At least fifteen (15) calendar days before the start of each annual cycle, incumbents of cyclic year positions will be informed, in writing, of their scheduled periods of leave without pay in the ensuing cycle. Such periods of leave without pay will not constitute a break in service.

C. Project Employment

1. The Employer may appoint employees into project positions for which employment is contingent upon state, federal, local, grant, or other special funding of specific and of time-limited duration. The Employer will notify the employees, in writing, of the expected end date of the project employment.
2. Employees who enter into project employment without previously attaining permanent status will serve a probationary period. Employees will gain permanent status upon successful completion of their probationary period.

Project employees with permanent status will serve a trial service period when they:

- a. Promote to another job classification within the project; or
- b. Transfer or voluntarily demote within the project to another job classification in which they have not attained permanent status.

3. The Employer may consider project employees with permanent status for transfer, voluntary demotion, or promotion to non-project positions. Project employees will serve a trial service period upon transfer, voluntary demotion, or promotion to a non-project position.
4. When the Employer converts a project appointment into a permanent appointment, the employee will serve a probationary or trial service period.
5. The layoff and recall rights of project employees will be in accordance with the provisions in Article 36, Layoff and Recall.

D. In-Training Employment

1. The Employer may designate specific positions, groups of positions, or all positions in a job classification or series as in-training. The Employer will document the training program, including a description and length of the program.
2. A candidate who is initially hired into an in-training position must successfully complete the job requirements of the appointment. The Employer may separate from classified service, any employee who has completed the probationary period for an in-training appointment but does not successfully complete the subsequent trial service periods required by the in-training program. Employees who are not successful may be separated at any time with prior written notice from the Employer.
3. An employee with permanent status who accepts an in-training appointment will serve a trial service period or periods, depending on the requirements of the in-training program. The Employer may revert an employee who does not successfully complete the trial service period or periods at any time. The employee's reversion right will be to the job classification that the employee held permanent status in prior to his or her in-training appointment, in accordance with Subsections 4.5.B.3 and 4.5.B.4 of this Article.

The in-training separation of an employee will not be subject to the grievance procedure in Article 30.

4. A trial service period may be required for each level of the in-training appointment, or the entire in-training appointment may be designated as the trial service period. The Employer will determine the length of the trial service period or periods to be served by an employee in an in-training appointment.

5. If a trial service period is required for each level of the in-training appointment, the employee will attain permanent status upon successful completion of the training program at each level.
6. If the entire in-training program—meaning all levels within the in training appointment—is designated as a trial service period, the employee will attain permanent status upon successful completion of the training requirements for the entire in-training program.

4.3 Employee Status

A. Classified Service

An employee will attain permanent status in the classified service upon completion of a probationary review period. For positions designated in-training, Article 4.2 D will govern when permanent status is attained.

B. Job Classification

An employee will attain permanent status in a job classification upon his or her successful completion of a probationary, trial service, or transition review period.

4.4 Certification of Applicants

The Employer will determine the number of applicants to be certified to the hiring official for consideration. All employees on the internal layoff list for the classification, and all promotional, transfer and voluntary demotion candidates, who have the skills and abilities to perform the duties of the position will be certified and will be considered by the Employer, prior to consideration of other candidates.

4.5 Review Periods

A. Probationary Period

1. All employees, including part-time or full-time, will serve a probationary period of six (6) months following his or her initial appointment to a permanent or project position. The Employer may extend the probationary period for an individual employee or for all employees in a class as long as the extension does not cause the total period to exceed twelve (12) months.
2. The Employer may separate a probationary employee at any time during the probationary period, whether or not the Employer has evaluated the probationary employee. Probationary separation will not be subject to the grievance procedure in Article 30.
3. The Employer will extend an employee's probationary period, on a day-for-a-day basis, for any day(s) that the employee is on leave without pay or shared leave, except for leave taken for military service.

4. An employee who transfers or is promoted prior to completing his or her initial probationary period will serve a new probationary period. The length of the new probationary period will be in accordance with Subsection 4.5.A.1, unless adjusted by the Employer for time already served in probationary status. However, in no case will the total probationary period be less than six (6) months.

B. Trial Service Period

1. Except for those employees in an in-training appointment, all other employees with permanent status who are promoted, or who voluntarily accept a transfer or demotion into a job classification for which they have not previously attained permanent status, will serve a trial service period of six (6) consecutive months. The Employer may extend the trial service period for an individual employee or for all employees in a class as long as the extension does not cause the total trial service period to exceed twelve (12) consecutive months. Employees in an in-training appointment will follow the provisions outlined in Article 4.2 D.
2. An employee serving a trial service period will have his or her trial service period extended, on a day-for-a-day basis, for any day(s) that the employee is on leave without pay or shared leave, except for leave taken for military service.
3. With prior written notice by the Employer, all employees that have not successfully completed a trial service period may be offered an opportunity to revert to a position in the same institution that is:
 - a. Vacant and is within the trial service employee's previously held job classification; or
 - b. Vacant at or below the employee's previous salary range.

In either case, the employee being reverted must have the skills and abilities required for the vacant position. If the employee has not attained permanent status in the job classification of the vacant position, the employee will be required to complete a trial service period.

4. An employee who has no reversion options or does not revert to the classification he or she held prior to the trial service period may request the Human Resources Office to place his or her name on the layoff list for positions in job classifications where he or she had previously attained permanent status.

5. An employee serving a trial service period may voluntarily revert to his or her former position within fifteen (15) calendar days after the appointment, provided that the position has not been filled or an offer has not been made to an applicant. The Employer may consider requests after the fifteen (15) day period. After fifteen (15) days and at the discretion of the Employer, an employee serving a trial service period may voluntarily revert at any time to a vacant position in the same college/district that is:

- a. Within the employee's previously held job classification; or
- b. At or below the employee's previous salary range.

If the employee has not attained permanent status in the job classification, the employee will be required to complete a trial service period.

The reversion of employees who are unsuccessful during their trial service period is not subject to the grievance procedure in Article 30.

C. Transition Review Period

In accordance with Article 36, Layoff and Recall, the Employer may require an employee to complete a transition review period.

ARTICLE 5

TEMPORARY APPOINTMENTS

5.1 Temporary Appointments

The Employer may make temporary appointments. An individual in a temporary appointment is limited to one thousand fifty (1,050) hours of work in any twelve (12) consecutive month period from the individual's date of hire.

Unless identified in Section 5.8, below, no other Articles in this Agreement apply to represented individuals.

B. Non-Represented Individuals

All other individuals, including students, in temporary appointments who work less than one thousand fifty (1,050) hours in the twelve (12) consecutive month period defined above are not covered by this Agreement.

The Employer may petition the Director of the Office of the HR Director for approval of exceptions to the one thousand fifty (1,050) hour threshold specified above.

5.2 Compensation

- A. The Employer will continue current practices regarding salary assignments for represented individuals.
- B. Effective July 1, 2012, all salaries for represented individuals will be reduced by three percent (3.0%) and will remain at the reduced amount until June 29, 2013. Effective June 30, 2013, all salaries for represented individuals will be reinstated to the amounts in effect for 2009-2011.

The performance evaluation process is designed to provide supervisors and employees an opportunity to discuss and record performance planning, feedback and performance outcomes. Supervisors and employees will discuss how the employee's position aligns with the college's mission and goals and the Employer's job requirements.

6.2 Evaluation Process

- A. Employee work performance will be evaluated during probationary, trial service and transition periods and at least annually thereafter, at a time that allows for adequate application of the process. Supervisors will meet with employees at the start of their review period to discuss performance expectations. Employees will receive copies of their performance expectations as well as notification of any modifications made during the review period. Written notification will normally be given to a probationary or trial service employee whose work performance is determined to be unsatisfactory. If the probationary or trial service

deficiency is substantial, the Employer may separate the probationary employee or revert the trial service employee at any time.

- B. The Employer will use the Performance and Development Plan (PDP) developed by the Office of the State HR Director. B. The Employer may require a written medical certificate for any sick leave absence explaining the nature of the illness or absence in circumstances where the Employer suspects an abuse of sick leave.

C. An employee returning to work after any sick leave absence may be required to provide written certification from his or her health care provider that the employee is able to return to work and perform the essential functions of the job with or without reasonable accommodation.

13.6 Sick Leave Annual Cash Out

Each January, an employee is eligible to receive cash on a one (1) hour for four (4) hours basis for ninety six (96) hours or less of his or her accrued sick leave, if:

A. His or her sick leave balance at the end of the previous calendar year exceeds four hundred eighty (480) hours;

B. The converted sick leave hours do not reduce his or her previous calendar year sick leave balance below four hundred eighty (480) hours; and

C. The employee notifies his or her payroll office by January 31st that he or she would like to convert sick leave hours earned during the previous calendar year, minus any sick leave hours used during the previous year, to cash.

All converted hours will be deducted from the employee's sick leave balance.

13.7 Sick Leave Separation Cash Out

At the time of retirement from state service or at death, an eligible employee or the employee's estate will receive cash for his or her compensable sick leave balance on a one (1) hour for four (4) hours basis. For the purposes of this Section, retirement will not include "vested out of service" employees who leave funds on deposit with the retirement system.

13.8 Reemployment

Former state employees who are re-employed within five (5) years of leaving state service will be granted all unused sick leave credits they had at separation.

**ARTICLE 14
SHARED LEAVE**

14.1 Shared Leave

The purpose of the leave sharing program is to permit state employees, at no significantly increased cost to the state for providing leave, to come to the aid of another state employee who has been called to service in the uniformed services, who is responding to a state of emergency anywhere within the United States declared by the federal or any state government, who is a victim of domestic violence, sexual assault, or stalking, or who is suffering from or has a relative or household member suffering from an extraordinary or severe illness, injury, impairment, or physical or mental condition which has caused or is likely to cause the employee to take leave without pay or terminate his or her employment. For purposes of the leave sharing program, the following definitions apply:

- A. "Domestic violence" means physical harm, bodily injury, assault, or the infliction of fear of imminent physical harm, bodily injury, or assault, between family or household members as defined in RCW 26.50.010; sexual assault of one family or household member by another family or household member; or stalking as defined in RCW 9A.46.110 of one family or household member by another family or household member.

This term will include, but is not limited to, foster children and legal wards. The term does not include persons sharing the same general house when the living style is primarily that of a dormitory or commune.

- E. "Service in the uniformed services" means the performance of duty on a voluntary or involuntary basis in a uniformed service under competent authority and includes active duty, active duty for training, initial active duty for training, inactive duty training, full-time national guard duty including state-ordered active duty, and a period for which a person is absent from a position of employment for the purpose of an examination to determine the fitness of the person to perform any such duty.
- F. "Severe" or "extraordinary" condition is defined as serious or extreme and/or life threatening.
- G. "Sexual assault" has the same meaning as in RCW 70.125.030.
- H. "Stalking" has the same meaning as in RCW 9A.46.110.

- J. "Victim" means a person that domestic violence, sexual assault, or stalking has been committed against as defined in this Article.

14.2 Shared Leave Receipt

- A. The Employer may permit an employee to receive shared leave if the employee meets any of the following criteria:
 - 1. The employee suffers from, or has a relative or household member suffering from, an illness, injury, impairment, or physical or mental condition which is of an extraordinary or severe nature;
 - 2. The employee has been called to service in the uniformed services;
 - 3. A state of emergency has been declared anywhere within the United States by the federal or any state government and the employee has the needed skills to assist in responding to an emergency or its aftermath and volunteers his or her services to either a governmental agency or to a nonprofit organization engaged in humanitarian relief in the devastated area, and the governmental agency or nonprofit organization accepts the employee's offer of volunteer services; or
 - 4. The employee is a victim of domestic violence, sexual assault, or stalking.

- B. The illness, injury, impairment, condition, call to service, emergency volunteer service, or consequence of domestic violence, sexual assault, or stalking has caused, or is likely to cause, the employee to:
 - 1. Go on leave without pay status; or
 - 2. Terminate state employment.
- C. The employee's absence and the use of shared leave are justified.
- D. The employee has depleted or will shortly deplete his or her:
 - 1. Vacation leave, sick leave and personal holiday if the employee qualifies under 14.2 A.1; or
 - 2. Vacation leave and paid military leave allowed under RCW 38.40.060, if the employee qualifies under 14.2 A.2; or

 - 2. Military leave if the employee qualifies under 14.2 A.2.
- F. If the injury or illness is work-related and the employee has diligently pursued and been found to be ineligible for benefits under RCW 51.32, and if the employee qualifies under 14.2 A.1.

14.3 Shared Leave Use

- A. The Employer will determine the amount of leave, if any, which an employee may receive. However, an employee will not receive more than five hundred twenty-two (522) days of shared leave, except that, the Employer may authorize leave in excess of five hundred twenty-two (522) days in extraordinary circumstances for an employee qualifying for the program because he or she is suffering from an illness, injury, impairment or physical or mental condition which is of an extraordinary or severe nature.
- B. The Employer will require the employee to submit, prior to approval or disapproval:
 - 1. A medical certificate from a licensed physician or health care practitioner verifying the employee's required absence, the description of the medical problem, and expected date of return to work status for shared leave under 14.2 A.1;

2. A copy of the military orders verifying the employee's required absence for shared leave under 14.2 A.2;
 3. Proof of acceptance of an employee's offer to volunteer for either a governmental agency or a nonprofit organization during a declared state of emergency for shared leave under 14.2 A.3; or
 4. Verification of the employee's status as a victim of domestic violence, sexual assault or stalking for shared leave under 14.2 A.4.
- C. The Employer should consider other methods of accommodating the employee's needs such as modified duty, modified hours, flex-time or special assignments in lieu of shared leave usage.
 - D. Leave may be transferred from employees of one (1) community college district to an employee of the same community college district or, with the approval of the heads of both state agencies, higher education institutions, school districts or educational service districts, to an employee of another state agency, higher education institution, school district or educational service district.
 - E. Vacation, sick leave, or all or part of a personal holiday transferred from a donating employee will be used solely for the purpose stated in this Article.
 - F. The receiving employee will be paid his or her regular rate of pay; therefore, the value of one (1) hour of shared leave may cover more or less than one (1) hour of the recipient's salary.
 - G. The Employer will respond in writing to shared leave requests within fourteen (14) calendar days of receipt of a properly completed request.

14.4 Leave Donation

An employee may donate vacation, sick leave, or personal holiday to another employee for purposes of the leave sharing program under the following conditions:

- A. The Employer approves the employee's request to donate a specified amount of vacation to an employee authorized to receive shared leave; and
 1. The full-time employee's request to donate leave will not cause his or her vacation balance to fall below eighty (80) hours. For part time employees, requirements for vacation balances will be prorated; and
 2. Employees may not donate excess vacation leave that they would not be able to take due to an approaching anniversary date, unless

an employee's request for vacation leave was denied and the vacation leave was deferred.

- B. The Employer approves the employee's request to donate a specified amount of sick leave to an employee authorized to receive shared leave. The employee's request to donate sick leave will not cause his or her sick leave balance to fall below one hundred seventy-six (176) hours after the transfer.
- C. The Employer approves the employee's request to donate all or part of his or her personal holiday to an employee authorized to receive shared leave.
 - 1. That portion of a personal holiday that is accrued, donated as shared leave, and then returned during the same calendar year to the donating employee, may be taken by the donating employee.
 - 2. An employee will be allowed to split the personal holiday only when donating a portion of the personal holiday to the shared leave program.
- D. No employee may be intimidated, threatened, or coerced into donating leave for purposes of this program.

14.5 Shared Leave Administration

- A. The calculation of the recipient's leave value will be in accordance with applicable Office of Financial Management (OFM) policies, regulations, and procedures. The leave received will be coded as shared leave and be maintained separately from all other leave balances. All paid leave accrued must be used prior to using shared leave when the employee qualifies for shared leave under 14.2 A.1. Accrued vacation and paid military leave allowed under RCW 38.40.060 must be used prior to using shared leave for employees qualified under 14.2 A.2. All paid leave, except sick leave, must be used prior to using shared leave when the employee qualifies for shared leave under 14.2 A.3 and 14.2 A.4.
- B. An employee on shared leave will continue to be classified as a state employee and will receive the same treatment in respect to salary, wages, and employee benefits as the employee would normally receive if using accrued vacation or sick leave.
- C. All salary and wage payments made to employees while on leave will be made by the state agency, higher education institution, school district or educational service district employing the person receiving the leave.
- D. Where the Employer has approved the transfer of leave by an employee of one (1) state agency, higher education institution, school district or education service district to an employee of another state agency, higher education institution, school district or education service district, the state

agencies, higher education institutions, school district or educational service districts involved will arrange for the transfer of funds and credit for the appropriate value of leave in accordance with OFM policies, regulations, and procedures.

- E. Leave transferred under this Article will not be used in any calculation to determine a state agency's, higher education institution's, school district's or educational service district's allocation of full-time equivalent staff positions.
- F. Any shared leave not used by the recipient will be returned to the donor(s). Before returning unused leave, the Employer will obtain a statement from the receiving employee's doctor verifying the injury or illness is resolved. The remaining shared leave is to be divided on a prorata basis among the donors and reinstated to the respective donors' appropriate leave balances based upon each employee's current salary rate at the time of the reversion. The shared leave returned will be prorated back based on the donor's original donation.
- G. Unused shared leave may not be cashed out but will be returned to the donors per Subsection F.
- H. An employee who uses leave that is transferred under this Article will not be required to repay the value of the leave that he or she used.

ARTICLE 15

UNIFORMED SERVICE SHARED LEAVE POOL

15.1 Purpose

The uniformed service shared leave pool allows employees to donate leave to be used as shared leave to fellow state employees called to service in the uniformed services. Employee participation will be voluntary at all times. The Military Department, Department of Personnel and Office of Financial Management will administer the pool.

15.2 Definitions

For purposes of this Article only, the following definitions apply:

- A. "Employee" means any employee who is entitled to accrue sick leave or vacation leave and for whom accurate leave records are maintained.
- B. "Military salary" includes base, specialty and other pay, but does not include allowances such as the basic allowance for housing.
- C. "Monthly salary" includes monthly salary, special pay and shift differential, or the monthly equivalent for hourly employees. "Monthly

salary” does not include overtime pay, callback pay, standby pay or performance bonuses.

- D. “Service in the uniformed services” means the performance of duty on a voluntary or involuntary basis in a uniformed service under competent authority and includes active duty, active duty for training, initial active duty for training, inactive duty training, full-time national guard duty including state-ordered active duty, and a period for which a person is absent from a position of employment for the purpose of an examination to determine the fitness of the person to perform any such duty.
- E. “Uniformed services” means the armed forces, the army national guard, and the air national guard of any state, territory, commonwealth, possession, or district when engaged in active duty for training, inactive duty for training, full-time national guard duty, or state active duty, the commissioned corps of the public health service, the coast guard and any other category of persons designated by the President of the United States in time of war or national emergency.

15.3 Participation

- A. An employee may be eligible to receive leave from the uniformed service shared leave pool under the following conditions:
 - 1. The employee is entitled to accrue vacation leave, sick leave, or a personal holiday.
 - 2. The employee has been called to service in the uniformed services.
 - 3. The call to service has caused, or is likely to cause, the employee to go on leave without pay status or terminate state employment.
 - 4. The employee’s absence and the use of shared leave are justified.
 - 5. The employee has depleted or will shortly deplete his or her annual leave and paid military leave allowed under RCW 38.40.060.
 - 6. The employee has followed the Employer’s policy regarding military leave.
- B. An employee may donate vacation leave, sick leave, or all or part of a personal holiday to the uniformed service shared leave pool under the following conditions:
 - 1. The donating employee may donate any amount of vacation leave, provided the donation does not cause the employee’s vacation leave balance to fall below eighty (80) hours. For part-time employees, requirements for vacation leave balances will be prorated.

2. The donating employee may donate any specified amount of sick leave, provided the donation does not cause the employee's sick leave balance to fall below one hundred seventy-six (176) hours after the transfer.
3. The donating employee may donate all or part of a personal holiday.

15.4 Process

- A. Employees requesting to donate to or receive leave from the uniformed service shared leave pool must follow their Employer's policies and procedures addressing uniformed service shared leave.
- B. Employees requesting to receive leave from the uniformed service shared leave pool must also comply with the Military Department procedures for requesting and receiving leave from the uniformed service shared leave pool. Employees requesting leave from the uniformed service shared leave pool should provide the Employer an earnings statement verifying military salary and orders of service, most current state leave and earnings statement, a completed uniformed service shared leave pool recipient request form, and notification of any change. The employee must also provide copies of earnings statements and orders of service when requested by the Military Department.
- C. Shared leave may not be granted unless the pool has a sufficient balance to fund the requested leave for the expected term of service.
- D. Shared leave, in combination with military salary, will not exceed the level of the employee's state monthly salary. Up to eight (8) hours per month of shared leave may be withdrawn and used to continue coverage under the Public Employees Benefit Board, regardless of the employee's monthly salary and military salary.
- E. The receiving employee continues to be classified as a state employee and receives the same treatment in respect to salary, wages, and employee benefits as the employee would normally receive if using accrued vacation or sick leave.
- F. The Employer will investigate any alleged abuse of the uniformed service shared leave pool and on a finding of wrongdoing, the employee may be required to repay all of the shared leave received from the pool.

ARTICLE 16

FAMILY AND MEDICAL LEAVE

16.1 A. Consistent with the federal Family and Medical Leave Act of 1993 (FMLA) and any amendments thereto and the Washington State Family Leave Act of 2006 (WFLA), an employee who has worked for the state for at least twelve (12) months and for at least one thousand two hundred fifty (1,250) hours during the twelve (12) months prior to the requested leave is entitled to up to twelve (12) workweeks of family medical leave in a twelve (12) month period for one or more of the following reasons 1 - 4:

1. The birth of and to care for a newborn child or placement for adoption or foster care of a child and to care for that child;
2. Personal medical leave due to the employee's own serious health condition that requires the employee's absence from work;
3. Family medical leave to care for a spouse, son, daughter, parent or state registered domestic partner as defined by RCWs 26.60.020 and 26.60.030 who suffers from a serious health condition that requires on-site care or supervision by the employee. Because the FMLA does not recognize state registered domestic partners, an absence to care for an employee's state registered domestic partner in accordance with the WFLA will not be counted towards the twelve (12) workweeks for FMLA; and/or
4. Family medical leave for a qualifying exigency when the employee's spouse, child of any age or parent is on active duty or call to active duty status of the Reserves or National Guard for deployment to a foreign country.

Qualifying exigencies include attending certain military events, arranging for alternate childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

B. Military Caregiver Leave will be provided to an eligible employee who is the spouse, child of any age, parent or next of kin of a covered servicemember to take up to twenty-six (26) workweeks of leave in a single twelve (12) month period to care for the covered servicemember or veteran who is suffering from a serious illness or injury in the line of duty.

During the single twelve (12) month period during which Military Caregiver Leave is taken the employee may only take a combined total of twenty-six (26) workweeks of leave for Military Caregiver Leave and leave taken for other FMLA qualifying reasons.

The single twelve (12) month period to care for a covered servicemember or veteran begins on the first day the employee takes leave for this reason and ends twelve (12) months later, regardless of the twelve (12) month period established for other types of FMLA leave.

- C. Entitlement to family medical leave for the care of a newborn child or newly adopted or foster child ends twelve (12) months from the date of birth or the placement of the foster or adopted child. Pregnancy disability leave will be granted for the period of time an employee is sick or temporarily disabled because of pregnancy and/or childbirth and will be in addition to any leave granted under family medical leave or Washington state family leave laws.
 - D. The one thousand two hundred fifty (1,250) hour eligibility requirement noted above does not count vacation leave, sick leave, personal holidays, compensatory time off, or shared leave.
- 16.2** The family medical leave entitlement period will be a rolling twelve (12) month period measured forward from the date an employee begins family medical leave. Each time an employee takes family medical leave during the twelve (12) month period, the leave will be subtracted from the twelve (12) workweeks of available leave. The Employer will respond in writing to family medical leave requests as soon as practicable but no later than seven (7) calendar days of receipt of a properly completed request.
- 16.3** The Employer will continue the employee's existing employer-paid health insurance benefits during the period of leave covered by family medical leave. The employee will be required to pay his or her share of health care premiums.
- 16.4** The Employer has the authority to designate absences that meet the criteria of the family medical leave. The use of any paid or unpaid leave (excluding leave for work-related illness or injury covered by workers' compensation and compensatory time) for a family medical leave qualifying event will run concurrently with, not in addition to, the use of family medical leave for that event. Any employee using paid leave during a family medical leave qualifying event must follow the notice and certification requirements relating to family medical leave usage in addition to any notice and certification requirements relating to the paid leave.
- 16.5** The Employer may require certification from the employee's, family member's, or covered servicemember's health care provider for the purpose of qualifying for family medical leave.
- 16.6** Personal medical leave, serious health condition leave, or serious injury or illness leave covered by family medical leave may be taken intermittently when certified as medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the Employer's

operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

- 16.7** Upon returning to work after the employee's own family medical leave qualifying illness, the employee will be required to provide a fitness for duty certificate from a health care provider.
- 16.8** The employee will provide the Employer with not less than thirty (30) days' notice before family medical leave is to begin. If the need for the leave is unforeseeable thirty (30) days in advance, then the employee will provide such notice as is reasonable and practicable.
- 16.9** An employee returning from family medical leave will have return rights in accordance with FMLA and WFLA.
- 16.10** Definitions used in this article will be in accordance with the FMLA and WFLA. The parties recognize that the Department of Labor is working on further defining the amendments to FMLA. The Employer and the employees will comply with existing and any adopted federal FMLA regulations and/or interpretations.

ARTICLE 17

 - B. Non-emergency employees may be reassigned to similar positions at a location within a reasonable driving distance from the non-operational location during any suspended operations.
 - C. The following options will be made available to the affected employees who have been released and are not required to work for the balance of the suspended operations:
 - 1. Vacation leave;
 - 2. Personal holiday;
 - 3. Personal leave;
 - 4. Accrued compensatory time (where applicable);

5. Sick leave, up to a maximum of three (3) days in any calendar year, once all vacation leave, personal holiday, personal leave or compensatory time is exhausted or none is available;
 6. Leave without pay; or
 7. Make up lost time during the employee's workweek.
- D. Employees required to work during the disruption will have no loss in pay for the first day of the suspended operations and will receive an additional one-half (1/2) times their regular pay for work performed during the first day of suspended operations.
- E. After the first day of suspended operations, employees required to work during suspended operations will receive one and one half (1-1/2) times their regular pay for work performed during the remaining period of suspended operations.
- F. Employees not receiving callback pay, who are required to work during suspended operations will receive a minimum of two (2) hours of pay for each day worked.
- G. All overtime worked by overtime-eligible employees during suspended operations will be compensated according to Article 8, Overtime, of this Agreement.
- 17.2** The applicable options listed above in Subsection 17.1 C, will be made available to employees who report to work late, leave work early or who are unable to report to work due to severe inclement weather.

ARTICLE 18

- A. Such leave will be in addition to any vacation and sick leave to which an employee is entitled and will not result in any reduction of benefits, performance ratings, privileges or pay.

18.4 Parental Leave

- D. The employee will submit a written request for parental leave to the Employer and must receive the approval prior to taking parental leave. - E. Parental leave may be a combination of the employee's accrued vacation leave, sick leave for pregnancy disability or other qualifying events, personal holiday, compensatory time or leave without pay.

The Employer may require employees to exhaust all paid leave prior to using any leave without pay for parental leave, except that the employee will be allowed to use eight (8) hours per month of accrued paid leave during each month of parental leave to provide for continuation of benefits as provided by the Public Employees' Benefits Board. The Employer will designate on which day of each month the eight (8) hours paid leave will be used.

18.5 Pregnancy Disability Leave

- A. Pregnancy disability leave will be in addition to any leave granted under family medical leave or Washington state family leave laws.
- B. Pregnancy disability leave will be granted for the period of time that an employee is sick or temporarily disabled because of pregnancy and/or childbirth. The length of pregnancy disability leave will be as defined and certified by the employee's licensed health care provider. The employee will provide a copy of such certification to the Employer.

18.6 Temporary Disability Leave

Temporary disability leave will be granted to a permanent employee who is precluded from performing his or her job duties because of a disability. Temporary disability leave includes a serious health condition of the employee as provided in Article 16, Family and Medical Leave.

- A. Temporary disability leave will not total more than twelve (12) months, and will run concurrently with leave granted under Article 16, Family and Medical Leave.
- B. The temporary disability and recovery period will be as defined and certified by the employee's licensed health care provider. The employee will provide, in a timely manner, a copy of such certification to the Employer.

The Employer will designate on which day of each month the eight (8) hours paid leave will be used.

18.7 Civil Duty Leave

An employee will be allowed to retain any compensation paid to him or her for his or her jury duty or trial witness service. Specifically, a subpoenaed employee will receive paid leave to appear as a witness in court or an administrative hearing, except as provided in Article 40.4 A.2.a, unless he or she:

1. Is a party to the matter and is not represented by the Attorney General's Office of the State of Washington; or

"Life-giving procedure" is defined as a medically-supervised procedure involving the testing, sampling, or donation of blood, platelets, organs, fluids, tissues, and other human body components for the purposes of donation, without compensation, to a person or organization for medically necessary treatments. Employees will provide reasonable advance notice and written proof from an accredited medical institution, physician or other medical professional that the employee participated in a life-giving procedure. Employers may take

into account program and staffing replacement requirements in the scheduling of leave for life-giving procedures.

18.11 Personal Leave

postponements or cancellations will be shared equally by the parties.

3. If either party desires a record of the arbitration, a court reporter may be used. If that party purchases a transcript, a copy will be provided to the arbitrator, free of charge. If the other party desires a copy of the transcript, it will pay for one half (1/2) of the costs of the fee for the court reporter, the original transcript and a copy.
4. Each party is responsible for the costs of its attorneys, staff representatives, and all other costs related to the development and presentation of their case. When an employee is subpoenaed as a witness on behalf of the Union in an arbitration case, the employee may appear without loss of pay if he or she appears during his or her work time. Every effort will be made to avoid the presentation of repetitive witnesses. The Union is responsible for paying any travel or per diem expenses for its witnesses, the grievant and the shop steward.
5. If, after the arbitrator issues his or her award, either party files a motion with the arbitrator for reconsideration, the moving party will bear the additional expenses of the arbitrator.

30.3 Election of Remedies

Arbitrating a claim under this Article constitutes a waiver of the right to pursue the same claim before the Equal Employment Opportunity Commission, the Human Rights Commission, or in a judicial or other forum. Pursuit of a claim before the Equal Employment Opportunity Commission, the Human Rights Commission, or in a judicial or other forum constitutes a waiver of the right to pursue the claim through arbitration under this Article.

ARTICLE 31 GENERAL CONDITIONS AND BENEFITS

- 31.1 The Employer will provide employee lounge facilities apart from work areas.
- 31.2 The Employer's written Board of Trustee or administrative policies pertaining to employees represented by the Union will be made available to Union staff representatives, shop steward and employees. The Employer will provide advance notice to the Union of any substantive change to Board of Trustee or administrative policy.

ARTICLE 32

LEGAL LIABILITY

32.1 Employee Liability

If an employee becomes a defendant in a civil liability suit arising out of actions taken or not taken in the course of his or her employment for the state, he or she has the right to request representation and indemnification through his or her Employer according to RCW 4.92.

32.2 Personal Property Reimbursement

An employee has the right to seek reimbursement for personal property items damaged in the proper performance of his or her duties, and the Employer will process the request in accordance with RCW 4.92.100. Employees are encouraged to take precautions to protect personal property/equipment.

ARTICLE 33

PERSONNEL FILES

33.1 The Employer will maintain an official personnel file for each employee, showing a record of employment and such other information required for business and legal purposes. The Employer will determine the location of the personnel file and will notify the Union if someone other than the Employer's Human Resource Manager is responsible for the personnel file.

33.2 Health and medical information obtained by the Employer will be maintained in a separate, confidential file. The Employer will not require employees to provide information about the health or medical conditions of the employee or the employee's family unless such information is related to the performance of duties within the scope of employment, fitness to hold the employee's position or the providing of benefits requested by the employee.

33.3 An employee and/or his or her representative may arrange to examine the employee's personnel file, medical file and/or the file kept by the employee's supervisor during regular business hours upon reasonable notice. Written authorization from the employee is required before any representative of the employee will be granted access to the personnel file, medical file and/or the file kept by the employee's supervisor. The Employer may charge a reasonable fee for copying any materials beyond the first copy requested by the employee or his or her representative.

33.4 Employees will be provided a copy of all adverse material placed in the official personnel file at the time it is placed in the file. The employee or his or her representative may not remove any contents from the file; however, an employee may provide a written rebuttal or refuting documentation to any information in the file that he or she considers objectionable. The parties agree that it is a good practice for an employee to be provided with copies of letters of appreciation and

commendation addressed to the Employer. An employee may insert a reasonable amount of job-related material in his or her personnel file that reflects favorably on his or her job performance.

- 33.5** Information in the personnel files will be retained only as long as it has a reasonable bearing on the employee's job performance or upon the efficient and effective management of the District. Adverse material related to alleged employee misconduct that is determined to be false, and all information related to incidents of which the employee has been fully exonerated of wrong doing, will be promptly removed from the personnel file and/or supervisory file. Such information will be maintained in an administrative file, separate and apart from the personnel file and will not be released unless required by judicial order or by applicable laws governing disclosure of public documents.
- 33.6** When documents in an employee's personnel file, supervisory file and/or administrative file are the subject of public disclosure request, subpoena or legal discovery the Employer will provide the employee and the Union with a copy of the request at least seven (7) calendar days in advance of the intended release date, unless otherwise required by law.
- 33.7** The Employer will not release personal information about an employee except as is necessary, or as the law requires.
- 33.8** Supervisors may keep working files of documentation relevant to employee performance. The previous year's job performance documentation will be removed from the supervisor's working file following the completion of a performance evaluation, unless related to issues of an ongoing nature. Upon request, the supervisor will inform the employee if documentation has been retained.

Supervisors who keep employee working files will maintain the files in a manner that protects against unauthorized access or casual observation and in accordance with other governing laws and rules. Employees may view these files per Section 33.3 above, but may not append refutations nor rebuttals to the file.

ARTICLE 34

LIGHT DUTY, REASONABLE ACCOMMODATION AND DISABILITY SEPARATION

- 34.1** The Employer and the Union will comply with all relevant federal and state laws, and regulations regarding the employment of persons with disabilities and will provide reasonable accommodations to qualified individuals with disabilities. Reasonable accommodation may include job restructuring, or modification of the work environment, methods or equipment that make it possible for an employee with a disability to perform the essential functions of a position, or that enables the employee to enjoy the benefits and privileges of employment as are enjoyed by other similarly situated employees without a disability. Reasonable

accommodation will be implemented as long as it is medically necessary and does not impose an undue hardship or a direct threat.

- 34.2** Essential functions means the primary job tasks and responsibilities of a position that are fundamental and necessary to accomplish the required outcomes of the position. The term “essential functions” does not include the marginal functions of the position that are incidental to the performance of the primary job functions.
- 34.3** An employee who believes that he or she suffers a disability and requires a reasonable accommodation to perform the essential functions of his or her position may request such an accommodation by submitting a request to the Employer. The Employer will make a good faith effort to provide the employee requesting accommodation with an alternate assignment during the accommodation process, as necessary.
- 34.4** Employees requesting accommodation must cooperate with the Employer in discussing the need for and possible form of any accommodation. The Employer and the employee will enter into an interactive process to discuss the job-related limitations, possible accommodation options, including the employee’s preferences, and the potential effectiveness of each option.
- 34.5** The Employer may require supporting medical documentation and may require the employee to obtain a second medical opinion at Employer expense. Medical information disclosed to the Employer will be kept confidential.
- 34.6** The Employer will determine whether an employee is eligible for a reasonable accommodation and the accommodation to be provided. If more than one (1) option for reasonable accommodation exists, the Employer will decide which option to provide the employee, taking into consideration the employee’s preference. If a reasonable accommodation cannot be provided, the Employer will provide the employee with written notification of such decision.
- 34.7** An employee with permanent status may be separated from service when the Employer determines that the employee is unable to perform the essential functions of the employee’s position due to a mental, sensory, or physical disability, which cannot be reasonably accommodated. Determinations of disability may be made by the Employer based on an employee’s written request for disability separation or after obtaining a written statement from a licensed health care professional. The Employer can require an employee to obtain an independent medical examination at Employer expense, from a licensed health care professional of the Employer’s choice. Evidence may be requested from the licensed health care professional regarding the employee’s limitations.
- 34.8** When the Employer has medical documentation of the employee’s disability, has met its obligation to explore accommodation options, including placement in any vacant funded position at the same or lower level of pay and benefits for which the employee qualifies, and has determined that the employee cannot be

reasonably accommodated, or the employee requests separation due to disability, the Employer may separate the employee with five (5) calendar days notice. The Employer will provide the Union with a copy of any disability separation letters.

- 34.9** The Employer will inform the employee in writing of the option to apply to return to employment prior to his or her separation due to disability. The Employer will provide assistance to individuals seeking reemployment under this Article for two (2) years. If reemployed, upon successful completion of the employee's probationary period, the time between separation and reemployment will be treated as leave without pay and will not be considered a break in service.
- 34.10** A disability separation is not a disciplinary action. An employee who has been separated due to disability may grieve his or her disability separation only up to the final internal step of the grievance procedure. Disability separation at the employee's request is not subject to the grievance procedure in Article 30.
- 34.11** Light duty may be considered for employees who are temporarily unable to perform the essential duties of their position.

ARTICLE 35

SENIORITY

35.1 Definition

- A. Seniority for employees will be defined as the employee's length of classified service counted as the number of hours in paid status. All time spent in leave without pay status will be deducted from the calculation of seniority, except when the leave without pay is taken for:
1. Military leave;
 2. Compensable work-related injury or illness leave;
 3. Governmental service leave;
 4. Reducing the effects of layoff;
 5. Time between disability separation and post-reemployment completion of probation;
 6. Formal contract negotiations in accordance with RCW 41.80; and/or
 7. Time spent on a temporary layoff or when an employee's work hours are reduced in accordance with Article 36.5, Temporary Layoff.
- B. For the purposes of layoffs, a maximum of five (5) years' credit will be added to the seniority of permanent employees who are veterans or to their

surviving spouses or surviving state registered domestic partners as defined by RCWs 26.60.020 and 26.60.030, as provided for in RCW 41.06.133.

- C. Employees who are separated from state service due to layoff and are reemployed within two (2) years of their separation date will not be considered to have a break in service. The time the employee is on the layoff list will be treated as leave without pay.

35.2 Ties

If two (2) or more employees have the same seniority, ties will be broken in the following order:

- A. Longest continuous time within their current job classification;
- B. Longest continuous time with the institution; and
- C. By lot.

35.3 Seniority List

The Employer will prepare and post a seniority list annually. The list will contain each employee's name, job classification and the total amount of seniority. Employees will have fourteen (14) calendar days in which to appeal their seniority to their Human Resources Office, after which time the seniority list will be presumed correct. A copy of the seniority list will be provided to the Union at the time of posting.

ARTICLE 36 LAYOFF AND RECALL

- 36.1** A. The Employer will determine the basis for, extent, effective date and the length of layoffs in accordance with the provisions of this Article. A layoff is an employer-initiated action that results in:

- 1. Separation from service;
- 2. Employment in a class with a lower salary range maximum;
- 3. Reduction in the work year; or
- 4. Reduction in the number of work hours.

- B. When it is determined that layoffs, other than a temporary layoff, will occur within a layoff unit, the Employer will provide the Union with:

- 1. As much advance notice as possible, but not less than thirty (30) days' written notice (this time period may run concurrent with the notice period provided by the Employer to the employee);
- 2. An opportunity to meet with affected employees prior to the implementation of the layoff; and

3. An invitation to meet under the provisions of the Labor/Management Communication Committee article of this Agreement.
- C. Upon the Union's request, the Employer will discuss impacts to the bargaining unit. The discussion will not serve to delay the onset of a layoff.
- D. The Employer will explore options including the reduction of hourly employees.

36.2 Basis for Layoff

- A. The reasons for layoff include, but are not limited to, the following:
 1. Lack of funds;
 2. Lack of work; or
 3. Organizational change.
- B. Examples of layoff actions due to lack of work may include, but are not limited to:
 1. Termination of a project or special employment;
 2. Availability of fewer positions than there are employees entitled to such positions;
 3. Employee's ineligibility to continue in a position following its reallocation to a class with a higher salary range maximum; or
 4. Employee's ineligibility to continue, or choice not to continue, in a position following its reallocation to a class with a lower salary range maximum.

36.3 Voluntary Layoff, Leave of Absence or Reduction in Hours

The Employer may allow an employee to volunteer to be laid off, take an unpaid leave of absence or reduce his or her hours of work in order to reduce layoffs. If it is necessary to limit the number of employees in an institution on unpaid leave at the same time, the Employer will determine who will be granted a leave of absence and/or reduction in hours based upon staffing needs. Employees who volunteer to be laid off may request to have their names placed on the appropriate layoff list for the job classifications in which they held permanent status, regardless of a break in service with the current Employer.

36.4 Probationary Employees

Employees with permanent status will not be separated from state service through a layoff action without first being offered positions they have the skills and abilities to perform within their current job classification within the layoff unit currently held by probationary employees. Probationary employees will be separated from employment before permanent employees.

36.5 Temporary Layoff

A. Temporary Reduction in Work Hours

The Employer may temporarily reduce the work hours of an employee to no less than twenty (20) hours per week due to an unanticipated loss of funding, revenue shortfall, lack of work, shortage of material or equipment, or other unexpected or unusual reasons. Employees will normally receive seven (7) calendar days notice of a temporary reduction in hours.

B. Temporary Layoff

The Employer may temporarily layoff an employee for up to ninety (90) calendar days due to an unanticipated loss of funding, revenue shortfall, lack of work, shortage of material or equipment, or other unexpected or unusual reasons. An employee will normally receive seven (7) calendar days notice of a temporary layoff.

C. The notification will specify the nature and duration of the temporary layoff.

D. An employee who is temporarily laid off will not be entitled to:

1. Be paid any leave balance; except if the layoff is not due to loss of funding or revenue shortfall, upon request, an employee will be paid for accrued vacation leave up to the equivalent of his or her regular work schedule for the duration of the layoff.
2. Bump to any other position; or
3. Be placed on a layoff list.

36.6 Layoff Units

A. A layoff unit is defined as the entity or administrative/organizational unit within each institution used for determining the available options for employees who are being laid off.

B. The layoff unit(s) for each institution covered by this Agreement are described in Appendix C.

36.7 Options within the Layoff Unit

A. Permanent employees will be laid off in accordance with seniority, as defined in Article 35, Seniority, and the skills and abilities of the employee. The Employer will determine if the employee possesses the required skills and abilities for the position and the comparability of the position. Comparability is defined as having the same FTE appointment. The average number of hours worked in a year for 1.0 FTE equals two thousand eighty-eight (2088) hours. For this Section, a less than comparable position is defined as not less than eighty percent (80%) of the employee's FTE appointment. The Employer may require updated

information from the employee regarding his or her skills and abilities. Vacant positions will be offered prior to filled positions. Employees being laid off will be provided one (1) option within the layoff unit:

1. A comparable funded vacant position for which the employee has the skills and abilities, within his or her current job classification.
 2. A comparable funded filled position held by the least senior employee for which the employee has the skills and abilities, within his or her current permanent job classification.
 3. A less than comparable funded vacant position for which the employee has the skills and abilities and is within his or her current job classification.
 4. A less than comparable funded filled position for which the employee has the skills and abilities and is within his or her current permanent classification.
 5. A comparable funded vacant position for which the employee has the skills and abilities, at the same or lower salary range as his or her current permanent position, within a job classification in which the employee has held permanent status.
 6. A comparable funded filled position held by the least senior employee for which the employee has the skills and abilities, at the same or lower salary range as his or her current permanent position, within a job classification in which the employee has held permanent status.
- B. The layoff unit option will be determined, as specified above, in descending order of salary range and one progressively lower level at a time.
- C. If a job classification in which an employee has previously held status has been abolished or revised, a crosswalk to the class series will be used to identify layoff options at the same or lower salary range as his or her current permanent position.
- D. An employee in a position that is reduced in work year or work hours will have the choice of staying in the reduced position.

36.8 Institution-wide Options

- A. In addition to the layoff unit option offered in Section 36.7 above, permanent employees being laid off will be offered:
1. Up to three (3) institution-wide comparable funded vacant positions within their district provided they meet the skills and

abilities required of the position(s) and the positions offered are at the same or lower salary range as the position from which the employee is currently being laid off.

2. If there are no comparable vacant positions, the Employer will offer less than comparable funded vacant positions.
3. If there are no less than comparable vacant positions, the Employer may offer a temporary appointment per Article 5. The award or denial of an informal option to a temporary appointment is not subject to the grievance procedure.
4. The Employer will determine if the employee possesses the required skills and abilities for the position.

36.9 Multi-Employee Layoffs

For multi-employee layoffs, more than one (1) employee may be offered the same funded vacant position. In this case, the most senior employee with the skills and abilities who accepts the position will be appointed.

36.10 Notification to Permanent Employees

- A. Except for temporary reduction in work hours and temporary layoffs as provided in Section 36.5, permanent employees will receive written notice at least twenty-one (21) calendar days before the effective layoff date. Notice will be provided by certified mail or personal delivery. The notice will include:
 1. The basis for the layoff;
 2. The effective date of the layoff;
 3. The employee's layoff unit option and any institution-wide options;
 4. The specific layoff lists for which the employee is entitled to placement;
 5. The date by when an employee must select a layoff option; and
 6. The process, including timelines, by which the employee is entitled to challenge the layoff.
- B. The Union will be provided with a copy of the notice.
- C. Except for temporary reduction in work hours and temporary layoffs as provided in Section 36.5, if the Employer fails to provide twenty-one (21) calendar days' notice, the employee will be paid his or her salary for the days that he or she would have worked had full notice been given.

- D. Employees will be provided seven (7) calendar days to accept or decline, in writing, any option provided to them. This time period will run concurrent with the twenty-one (21) calendar days' notice of layoff provided by the Employer to the employee.
- E. Days are calendar days, and will be counted by excluding the first day and including the last day of timelines. When the last day falls on a Saturday, Sunday or holiday, the last day will be the next day which is not a Saturday, Sunday or holiday.

36.11 Salary

Employees appointed to a position as a result of a layoff action will have their salary determined as follows:

- A. Current Salary Level
An employee who accepts another position within his or her current salary range will retain his or her current salary.
- B. Lower Salary Level
An employee who accepts a position with a lower salary range will be paid an amount equal to his or her current salary, provided it is within the salary range of the new position. In those cases where the employee's current salary exceeds the maximum amount of the salary range for the new position, the employee will be compensated at the maximum salary of the new salary range.
- C. Appointment from a Layoff List
 - 1. Employees who are appointed from a layoff list to a position with the same salary range from which they were laid off will be paid the amount for which they were compensated when laid off plus any across the board adjustments, including salary survey adjustments, that occurred during the time they were laid off.
 - 2. Employees who are appointed from a layoff list to a position with a lower salary range than the position from which they were laid off will be paid an amount equal to the salary they were receiving at the time they were laid off provided it is within the salary range of the new position. In those cases where the employee's prior salary exceeds the maximum amount of the salary range for the new position, the employee will be compensated at the maximum salary of the new salary range.

36.12 Transition Review Period

- A. The Employer will require an employee to complete a six (6) month transition review period when the employee accepts a layoff option to a job classification in which he or she has not held permanent status or has been appointed into a new position from a layoff list. The Employer may

extend the transition review period for an individual employee as long as the extension does not cause the total period to exceed twelve (12) months.

- B. The Employer will have the authority to shorten an employee's transition review period. Employees will receive a permanent appointment to the position upon successful completion of the transition review period.
- C. The Employer may separate an employee or an employee may voluntarily separate at any time during the transition review period. Upon separation, and at the employee's request, the employee's name will be placed on or returned to the appropriate layoff list. The employee will remain on the list until such time as his or her eligibility expires or he or she has been rehired. Separation during the transition review period will not be subject to the grievance procedure in Article 30.
- D. An employee may voluntarily separate a maximum of two (2) times as a result of a single layoff action.

36.13 Recall

- A. The Employer will maintain a layoff list for each job classification. Permanent employees who are laid off may have their name placed on the register for the job classification from which they were laid off or bumped. Additionally, employees may request to have their name placed on the layoff list(s) for other job classifications in which they have held permanent status at the same or lower salary ranges, regardless of a break in service with the current Employer. However, employees will not have their names placed on a layoff list if they were demoted for cause from the classifications. An employee's name will remain on the layoff lists for two (2) years from the effective date of his or her layoff.

If the college or district Human Resources Office receives a written request from the employee within thirty (30) calendar days prior to the end of the second year on a layoff list, the employee's name will remain on the layoff list for an additional year, for a total of three (3) years from the effective date of his or her layoff. This provision will end with the expiration of the 2013-2015 Agreement.

- B. When a vacancy occurs within an institution and where there are names on a layoff list for that classification, the Employer will fill the position with the most senior employee who has the required skills and abilities to perform the duties of the position to be filled in accordance with Article 4, Hiring and Appointments.
- C. Removal from Layoff Lists
When an employee is appointed from a layoff list, the employee's name will be removed from that job classification's layoff list, as well as from

all other layoff lists at the same or lower salary range as the position to which he or she was appointed. An employee will be removed from the appropriate job classification layoff list after he or she waives the appointment to a position for that job classification three (3) times. In addition, an employee will have his or her name removed from all layoff lists upon retirement, resignation or discharge from the Employer.

36.14 Project Employment

- A. Permanent project employees have layoff rights. Formal options will be determined using the procedure outlined in Sections 36.7 and 36.8, above.
- B. Permanent classified employees who left regular classified positions to accept project employment without a break in service have layoff rights within the institution in which they held permanent classified status. The employee's return rights will be to the job classification they last held permanent status in prior to accepting project employment using the procedures in Sections 36.8 and 36.9 above.

ARTICLE 37 MANAGEMENT RIGHTS

37.1 The Employer retains all rights of management, which, in addition to all powers, duties and rights established by constitutional provision or statute, will include but not be limited to, the right to:

- A. Determine the Employer's functions, programs, organizational structure and use of technology;
- B. Determine the Employer's budget and size of the Employer's workforce and the financial basis for layoffs;
- C. Direct and supervise employees;
- D. Take all necessary actions to carry out the mission of the state and its institutions during emergencies;
- E. Determine the Employer's mission and strategic plans;
- F. Develop, enforce, modify or terminate any policy, procedure, manual or work method associated with the operations of the Employer;
- G. Determine or consolidate the location of operations, offices, work sites, including permanently or temporarily moving operations in whole or part to other locations;
- H. Establish or modify the workweek, daily work shift, hours of work and days off;

- I. Establish work performance standards, which include, but are not limited to the priority, quality and quantity of work;
 - J. Establish, allocate, reallocate or abolish positions and determine the skills and abilities necessary to perform the duties of such positions;
 - K. Select, hire, assign, reassign, evaluate, retain, promote, demote, transfer and temporarily or permanently lay off employees;
 - L. Determine, prioritize and assign work to be performed;
 - M. Determine the need for and the method of scheduling, assigning, authorizing and approving overtime;
 - N. Determine training needs, methods of training, and employees to be trained;
 - O. Determine the reasons for and methods by which employees will be laid-off; and
 - P. Suspend, demote, reduce pay, discharge and/or take other disciplinary actions.
- 37.2** The Employer agrees that the exercise of the above rights will be consistent with the provisions of this Agreement.

ARTICLE 38

MANDATORY SUBJECTS

- 38.1** The Employer will satisfy its collective bargaining obligation before changing a matter that is a mandatory subject. The Employer will notify the Union of these changes in writing and the Union may request discussions about and/or negotiations on the impact of these changes on employee's working conditions. The Union will notify the Director of the Labor Relations Office at the Office of Financial Management, with a copy to the Employer, of any demands to bargain. Upon request, the Union will identify for the Employer any known potential impacts for bargaining. In the event the Union does not request discussions and/or negotiations within fifteen (15) calendar days, the Employer may implement the changes without further discussions and/or negotiations. The timeframe for filing a demand to bargain will begin after the Employer has provided written notice to the Union. There may be emergency or mandated conditions that are outside of the Employer's control requiring immediate implementation, in which case the Employer will notify the Union as soon as possible.

38.2 Negotiations

The parties will agree to the location and time for the discussions and/or negotiations. In the event negotiations are not scheduled to occur within twenty-one (21) calendar days of receipt of the request to bargain due to the Union being unavailable, the Union waives its right to bargain impacts and the Employer may implement the changes without bargaining. Each party is responsible for choosing its own representatives for these activities. The Union will provide the Employer with the names of its employee representatives at least ten (10) calendar days in advance of the meeting date unless the meeting is scheduled sooner, in which case the Union will notify the Employer as soon as possible.

38.3 Release Time

- A. The Employer will approve paid release time for up to three (3) employee representatives who are scheduled to work during the time negotiations are being conducted, provided the absence of the employee will not interfere with the operating needs of the college/district. The Employer will approve compensatory time, vacation leave or leave without pay for additional employee representatives provided the absence of the employee will not interfere with the operating needs of the college/district.
- B. No overtime or compensatory time will be incurred as a result of negotiations and/or preparation for negotiations.
- C. The Union is responsible for paying any travel or per diem of employee representatives. Employee representatives may not use state vehicles to travel to and from a bargaining session, unless authorized by the college/district for business purposes.

ARTICLE 39

LABOR/MANAGEMENT COMMUNICATION COMMITTEE

39.1 Purpose

The Employer and the Union endorse the goal of a constructive and cooperative relationship. To promote and foster such a relationship, Labor/Management Communication Committees will be established. The purpose of the committee(s) is to provide communication between the parties, to share information and concerns and to promote constructive, meaningful and cooperative labor-management relations.

39.2 Committees

Either party may propose items for discussion on topics which may include, but are not limited to: administration of this Agreement, changes to applicable law, legislative updates, organizational change, improvement in systems and processes, resolving workplace and service delivery problems, quality of work life for employees, and/or more productive and efficient service delivery.

The committee(s) will meet, discuss, exchange, and consider information of a group nature and general interest to both parties.

A. Composition

Committees will consist of up to three (3) employer representatives, up to three (3) employee representatives and a WPEA/UFCW 365 Staff Representative. The Employer and Union will be responsible for the selection of their own representatives. If agreed to by both parties, additional representatives may be added.

B. Participation

1. The Union will provide the Employer with the names of their committee members at least ten (10) calendar days in advance of the date of the meeting in order to facilitate the release of employees.
2. Employees attending committee meetings during their work time will have no loss in pay. Attendance at meetings during employees' non-work time will not be compensated nor considered as time worked. Employees attending pre-meetings during their work time will have no loss in pay for up to thirty (30) minutes per committee meeting. Attendance at pre-meetings during the employees' non-work time will not be compensated nor considered as time worked. The Union is responsible for paying any travel or per diem expenses of employee representatives.

C. Meetings

Meetings may be called by either party. Committee meetings will be scheduled on mutually acceptable dates and times. Agenda items will be exchanged prior to the meeting date. Each party may keep written records.

39.3 Scope of Authority

Committees established under this Article will be used for discussions only, and the committees will have no authority to conduct any negotiations, bargain collectively or modify any provision of this Agreement. The committees' activities and discussions will not be subject to the grievance procedure in Article 30.

ARTICLE 40

UNION ACTIVITIES

40.1 Representation

Upon request, employees will have the right to representation at all levels on any matter adversely affecting their conditions of employment. The exercise of this right will not unreasonably delay or postpone a meeting. Except as otherwise specified in this Agreement, representation will not apply to discussions with an employee in the normal course of duty, such as giving instructions, assigning work, informal discussions, delivery of paperwork, staff or work unit meetings, or other routine communications with an employee.

40.2 Staff Representatives

- A. The Union will provide the Employer with a written list of staff representatives and the jurisdictions they are responsible for. The Union will provide written notice to the Employer of any changes within thirty (30) calendar days of the changes.
- B. Staff representatives may have access to the Employer's offices or facilities in accordance with college policy to carry out representational activities. The representatives will notify Human Resources prior to their arrival and will not interrupt the normal operations of the institution. In accordance with Section 40.4 below, staff representatives may also meet with bargaining unit employees in non-work areas during the employee's meal periods, rest periods, and before and after his or her shift.

40.3 Shop Stewards

- A. The Union will provide the Employer with a written list of current shop stewards and their campus jurisdiction. The Union will maintain the list. The Employer will not recognize an employee as a shop steward if his or her name does not appear on the list.
- B. Shop stewards will be released during their normal working hours to investigate and process grievances in accordance with Article 30, Grievance Procedure. Any college business requiring the employee's immediate attention will be completed prior to attending the meeting. Time spent preparing for and attending meetings during the shop stewards' non-work hours will not be considered as time worked. Shop stewards may not use state vehicles to travel to and from a work site in order to perform representational activities, unless authorized by the college.

40.6 Bulletin Boards and Newsstands

A. Bulletin Boards

The Employer will maintain bulletin board(s) or space on existing bulletin boards currently provided to the Union for union communication. In bargaining units where no bulletin board or space on existing bulletin boards has been provided, the Employer will supply the Union with adequate bulletin board space in convenient places. Where there are existing bulletin boards for WPEA only, the Employer will replace the Employer's bulletin board with a Union provided bulletin board of a similar size. Material posted on the bulletin board will be appropriate to the workplace, politically non-partisan, in compliance with state ethics law, and identified as union literature. Union communications may not be posted in any other location on the campus.

40.8 Time Off for Union Activities

- A. Union-designated employees may be allowed time off without pay to attend union-sponsored meetings, training sessions, negotiations, conferences, and conventions. The employee's time off will not interfere with the operating needs of the institution as determined by management. If the absence is approved, the employees may use accumulated

compensatory time, vacation leave or personal holiday in accordance with Article 11, Holidays, instead of leave without pay. However, employees must use compensatory time prior to use of vacation leave, unless the use would result in the loss of vacation leave.

- B. The Union will give the Employer a written list of the names of the employees it is requesting attend the above-listed activities, at least fourteen (14) calendar days prior to the activity.

40.9 Board of Trustee Meetings

The Employer agrees to make the Board of Trustee meeting materials available to the chief shop steward or each college/district.

ARTICLE 41

UNION SECURITY

41.1 Union Dues

When an employee provides written authorization to the Employer, the Union has the right to have deducted from the employee's salary, an amount equal to the fees or dues required to be a member of the Union. The Employer will provide payments for all said deductions to the Union at the Union's official headquarters each pay period.

41.2 Notification to Employees

The Employer will inform new, transferred, promoted, or demoted employees prior to appointment into positions included in the bargaining unit(s) of the Union's exclusive recognition and the union security provision. The Employer will furnish the Membership Coordinator of the Union with copies of the employee's appointment notice/letter at the same time it is provided to the employee.

41.3 Union Security

All employees covered by this Agreement will, as a condition of employment, either become members of the Union and pay membership dues or, as non members, pay a fee as described in Subsections A, B, and C below, no later than the 30th day following the effective date of this Agreement or the beginning of their employment. If an employee fails to meet the conditions outlined below, the Union will notify the Employer and inform the employee that his or her employment may be terminated.

- B. An employee who does not join the Union based on bona fide religious tenets, or teachings of a church or religious body of which he or she is a member, will make payments to the Union that are equal to its membership dues, less monthly union insurance premiums, if any. Such employees will not be members of the Union, but are entitled to all of the representational rights of union members.
- C. The Union will establish a procedure that any employee who makes a request may pay a representation fee equal to a pro rata share of collective bargaining expenses rather than the full membership fee.

- D. If an employee fails to meet the agency shop provisions outlined above, the Union will notify the Employer and inform the employee that his or her employment may be terminated.

41.4 The Employer agrees to deduct the membership dues, agency shop fee, non association fee, or representation fee from the salary of employees who request such deduction in writing. Such request will be made on a Union payroll deduction authorization card.

41.5 Dues Cancellation

An employee may cancel his or her payroll deduction of dues by written notice to the Employer and the Union. The cancellation will become effective on the second payroll after receipt of the notice. However, the cancellation may cause the employee to be terminated, subject to Section 41.3, above.

41.6 Status Reports

- A. Each month the Employer will provide the Membership Coordinator of the Union with a status report in an electronic format. The Employer may choose to discharge this duty by separately arranging to have a third party provide part or all of the data supplied in the report to the Union.  - C. The Union, UFCW and employees will indemnify the Employer and its third party data supplier for any violations of employee privacy committed by the Union pursuant to this Section.

42.3 Effect of Reallocation

- A. Reallocation to a Class With a Higher Salary Range Maximum
 - 1. If the employee has performed the higher-level duties for at least six (6) months and meets the skills and abilities required of the position, the employee will remain in the position and retain his or her existing appointment status.
 - 2. If the reallocation is the result of a change in the duties of the position and the employee has not performed the higher-level duties for at least six (6) months, the Employer must give the employee the opportunity to compete for the position if he or she possesses the required skills and abilities. The Employer may choose to promote the employee without competition as long as the employee possesses the required skills and abilities. If the employee is not selected for the position, or does not have the required skills and abilities, the layoff procedure specified in Article 36 of this Agreement will apply. If the employee is appointed to the position, he or she must serve a trial service period.

If the employee has the skills and abilities required of the position and chooses to remain in the reallocated position, the employee will retain his or her existing appointment status and has the right to be placed on the Employer's internal layoff list for the classification the employee held permanent status in prior to the reallocation.
 - 2. If the employee chooses to vacate the position or does not have the skills and abilities required of the position, the layoff procedure specified in Article 36 of this Agreement applies.

Upon appointment to the higher class, the employee's base salary will be increased as follows:

43.17 Standby

- A. An overtime-eligible employee is in standby status while waiting to be engaged to work by the Employer and both of the following conditions exist:
 - 1. The employee is required to be present at a specified location or is immediately available to be contacted. The location may be the employee's home or other specific location, but not a work site away from home.
 - 2. The Employer requires the employee to be prepared to report immediately for work if the need arises, although the need might not arise.
- B. Standby status will not be concurrent with work time.
- C. Employees on standby status will be compensated at a rate of seven percent (7.0%) of their hourly base salary for time spent in standby status.

43.18 Relocation Compensation

- A. The Employer may authorize lump sum relocation compensation, within existing budgetary resources, under the following conditions:
 - 1. When it is reasonably necessary that a person make a domiciliary move in accepting a reassignment or appointment; or
 - 2. It is necessary to successfully recruit or retain a qualified candidate or employee who will have to make a domiciliary move in order to accept the position.
- B. If the employee receiving the relocation payment terminates or causes termination of his or her employment with the state within one (1) year of the date of employment, the state will be entitled to reimbursement for the moving costs which have been paid and may withhold such sum as necessary from any amounts due the employee. Termination as a result of layoff or disability separation will not require the employee to repay the relocation compensation.

43.19 Salary Overpayment Recovery

- A. When the Employer has determined that an employee has been overpaid wages, the Employer will provide written notice to the employee that will include the following items:
 - 1. The amount of the overpayment;
 - 2. The basis for the claim; and
 - 3. The rights of the employee under the terms of this Agreement.
- B. Method of Payback
The employee must choose one (1) of the following options for paying back the overpayment:
 - 1. Voluntary wage deduction;
 - 2. Cash; or
 - 3. Check.

The employee will have the option to repay the overpayment over a period of time equal to the number of pay periods during which the overpayment was made. The employee and the Employer may agree to make other repayment arrangements. The payroll deduction to repay the overpayment will not exceed five percent (5.0%) of the employee's disposable earnings in a pay period. However, the Employer and the employee can agree to an amount that is more than the five percent (5.0%).

If the employee fails to choose one (1) of the three (3) options described above within the timeframe specified in the institution's written notice of overpayment, the institution will deduct the overpayment owed from the

employee's wages over a period equal to the number of pay periods during which the overpayment was made.

Any overpayment amount still outstanding at separation of employment will be deducted from the earnings of the final pay period.

The Employer agrees not to add interest to the overpayment amount.

C. Appeal Rights

Any dispute concerning the occurrence or amount of the overpayment will be resolved through the grievance procedure in Article 30 of this Agreement.

43.20 Special Pay Salary Ranges

The Director of the Office of the State HR Director may adopt special pay salary ranges for positions based upon pay practices found in private industry or other governmental units. Current special pay practices at each institution will continue.

43.21 Assignment Pay

Assignment pay is a premium added to the base salary and is intended to be used only as long as the skills, duties or circumstances it is based on are in effect. The Employer may grant assignment pay to a position to recognize special skills, assigned duties, and/or unique circumstances that exceed the ordinary. The Employer determines which positions qualify for the premium, as shown in Appendix H.

43.22 Multilingual/Sign Language/Braille Premium Pay

Whenever a classified position has a bona fide requirement for regular use of competent skills in more than one (1) language, and/or sign language (AMESLAN), and/or Braille, the Employer will authorize premium pay of two (2) steps above the level normally assigned for that position, except for those instances where the position is allocated to a class that specifies these skills.

43.23 Dependent Care Salary Reduction Plan

The Employer agrees to maintain the current dependent care salary reduction plan that allows eligible employees, covered by this Agreement, the option to participate in a dependent care reimbursement program for work-related dependent care expenses on a pre-tax basis as permitted by federal tax law or regulation.

43.24 Pre-Tax Health Care Premiums

The Employer agrees to provide eligible employees with the option to pay for the employee portion of health premiums on a pre-tax basis as permitted by federal tax law or regulation.

43.25 Medical/Dental Expense Account

The Employer agrees to continue to allow insurance eligible employees, covered by the Agreement, to participate in a medical and dental expense reimbursement program to cover co-payments, deductibles and other medical and dental expenses, if employees have such costs, or expenses for services not covered by health or dental insurance on a pre-tax basis as permitted by federal tax law or regulation.

43.26 Voluntary Separation Incentives – Voluntary Retirement Incentives

The Employer will have the discretion to participate in a Voluntary Separation Incentive Program or a Voluntary Retirement Incentive Program, if such programs are provided for in the 2011–2013 operating budget. Such participation must be in accordance with the program guidelines adopted by the Office of the State HR Director and the Department of Retirement Systems, following consultation with the Office of Financial Management. Program incentives or offering of such incentives are not subject to the grievance procedure.

43.27 Temporary Salary Reduction (TSR) Leave

In lieu of reducing the daily work hours of employees as a result of the three percent (3.0%) compensation reduction, the Employer and the Union agree to establish Temporary Salary Reduction (TSR) leave.

- A. Employees will only accrue TSR leave during the period the three percent (3.0%) compensation reduction is in effect. Only employees subject to the three percent (3.0%) compensation reduction will qualify to earn TSR leave.
- B. Employees may be credited up to a maximum of five and two tenths (5.2) hours of TSR leave per month.
- C. Full-time employees who have not exceeded ten (10) working days of leave without pay in a calendar month will accrue five and two tenths (5.2) hours of TSR leave per month. Less than full-time employees will accrue TSR leave on the same proportional basis that their appointment bears to a full-time appointment. Cyclic employees will earn TSR leave in proportion to the hours worked in each month. Temporary employees will not earn TSR leave.
- D. TSR leave has no cash value and balances must be used by July 1, 2013; however, employees may carry forward up to sixteen (16.0) hours of TSR leave that must be used prior to September 1, 2013.
- E. TSR leave must be requested and scheduled in accordance with the vacation leave scheduling requirements of Article 12, Vacation Leave.

- F. TSR leave will be used prior to either vacation or sick leave unless by doing so the employee would exceed the vacation leave maximum in accordance with Article 12, Vacation Leave.
- G. TSR leave may be used alone or in conjunction with other leave. TSR leave may not be donated as shared leave.
- H. This section will expire on June 30, 2013, except subsection D, which will expire on September 1, 2013.

APPENDIX K

Due to legislative amendments to RCW 41.80.020 and RCW 47.64.270, the coalition agreement on health care benefits is a separate agreement and is not included as part of the 2011-2013 master collective bargaining agreement. For ease of reference, the coalition health care agreement is reprinted below.

HEALTH BENEFITS AGREEMENT BY AND BETWEEN THE STATE OF WASHINGTON AND THE COALITION OF UNIONS¹

HEALTH CARE BENEFITS AMOUNTS

- I.1** The Employer will contribute an amount equal to eighty-five percent (85%) of the total weighted average of the projected health care premium for each bargaining unit employee eligible for insurance each month, as determined by the Public Employees Benefits Board annually for benefits in calendar year 2012 and calendar year 2013, respectively. The projected health care premium is the weighted average across all plans, across all tiers. The Uniform Medical Plan (deductible, out-of-pocket maximums and co-insurance) in effect for calendar year 2011 will be maintained for the 2011-2013 biennium.
- I.2** The Employer will pay the entire premium costs for each bargaining unit employee for basic life, basic long-term disability and dental insurance coverage.
- I.3 Wellness**
To support the statewide goal for a healthy and productive workforce, employees are encouraged to participate in a Health Risk Assessment survey. Employees will be granted work time and may use a state computer to complete the survey.

¹ The Coalition of Unions comprises all exclusive bargaining representatives subject to RCW 41.80 and RCW 47.64.

Increased Revenue

The parties agree that if the November 2012 general fund revenue forecast projects an increase of three percent (3%) or greater in the 2011-2013 revenues (\$33.583 billion or greater) than what was projected in the November 2010 general fund state forecast (\$32.605 billion), the Governor will submit in her supplemental budget a request for funding to reduce the salary reduction for the period of January 1, 2013 through June 29, 2013 from three percent (3%) to two percent (2%). If the legislature approves the funding request, Article 5, Temporary Appointments, and Article 43, Compensation, of the parties' 2011-2013 collective bargaining agreement will be modified to reflect the change in salary reduction from three percent (3%) to two percent (2%) for the period of January 1, 2013 through June 29, 2013. In addition, Article 43, Compensation, of the parties' 2011-2013 collective bargaining agreement will be modified to reflect a change in Temporary Salary Reduction leave from 5.2 hours per month to 3.5 hours per month for the period of January 1, 2013 through June 29, 2013.

Temporary Reduction of Work Hours or Temporary Layoffs

1. The parties agree that the temporary salary reduction agreement negotiated for the 2012-2013 agreement constitutes the full extent of temporary reduction of work hours or temporary layoffs during the duration of this contract that resulted from the loss of funding and revenue shortfall forecasted in the November 2010 Economic Revenue Forecast for the '11-'13 biennium. Article 36.5 A and B of the 2012-2013 agreement is superseded as it relates to revenue shortfall and loss of funding unless the provisions of 2 below are met.
2. In the event of a significant loss of funding or revenue shortfall for the period of this contract and the Employer chooses to use temporary layoffs or reduction in work hours to make up the shortfall or loss of funding, the employer will negotiate the impacts and implementation of any said layoffs or reductions with the Union. Negotiations will include options to lessen any negative impacts on the employees. The parties will jointly develop mutual approaches to implementation that make such layoffs or reductions less onerous to employees and more fairly distributed.
