- 12.14 Discussion or Settlement of Grievance:
- (A) When an employee has referred a grievance to the Local Union and the Local Union Representative has so informed the Company that the Local Union represents that employee, the Company shall not discuss or settle such grievance directly with said employee initiating the grievance.

(B) The grievance procedure shall consist of three steps:

Step 1 - A grievance shall be presented to the management representative to whom the aggrieved employee or affected employee group directly reports. All grievances shall be submitted in writing on a form mutually agreed upon by the Company and the Union.

Step 2 - Notice of a grievance appeal shall be made in writing to the next higher level management representative, or other designated representative if mutually agreed to, of the organization to which the aggrieved employee or affected employee group directly reports.

Step 3 - Notice of a further appeal shall be made in writing to the appropriate Labor Relations Executive Director or other designated Labor Relations Representative.

(C) Any resolution of a grievance at Step 1, 2 or 3 shall be final and binding for the particular grievance involved, however, a resolution at Step 1 shall not be used as a precedent by either Party.

12.15 Time and Method for Filing Grievances and Appeals:

(A) No grievance or appeal shall be heard by the Company unless the same has been timely and properly filed as follows:

(1) A grievance must be presented by the Local Union at Step 1 within forty-five (45) days of the action (or failure to act), or as may be mutually agreed, which is the subject of the grievance.

(2) In the event the grievance is not resolved at Step 1 and the Local Union wishes to further appeal, such appeal must be made by the Local Union in writing at Step 2 within thirty (30) days of the receipt of the Company's position at Step 1.

(3) In the event the grievance is not resolved at Step 2 and the Local Union wishes to further appeal, such appeal must be made by the Local Union in writing at Step 3 within thirty (30) days of the receipt of the Company's position at Step 2.

(4) In the event the Local Union fails to advise the Company of its decision to appeal within the thirty (30) day time limit described in A (1), A (2) or A (3) above, the Company's decision will stand and the grievance considered closed.

(5) Time limitations set forth in this Section may be extended upon mutual consent of both Parties.

(B) At each step of the grievance procedure, the Local Union Representative shall set forth in writing the identity of the aggrieved employee or group of employees involved, a statement of the act or occurrence complained of and the date thereof, the provision(s) of this Agreement alleged to have been violated, if any, and the remedy requested.

(C) At each step, grievances shall be either settled, recessed to a mutually agreed date or appealed to the next higher step. The position of the Company at Steps 1, 2 and 3 shall be given to the Union within fourteen (14) days of the close of the grievance meeting(s), or within a mutually agreed upon later date. Where no decision by the Company is received by the Local Union within the time period described herein, the grievance shall be considered denied by the Company and the Union may appeal to the next step.

- (D) Upon mutual agreement of the Parties, any single grievance may initially be heard at the third step of the grievance procedure without having been heard at either Step 1 or 2, however, in no event shall Step 3 be omitted or bypassed.

12.16 Grievance Meetings:

- (A) A meeting at any step of the grievance procedure shall be held promptly and not later than fourteen (14) days after presentation of the grievance or notice of appeal unless the Parties mutually agree to a later date. A meeting at any step of the grievance procedure may be recessed and reconvened at a later date if the Parties mutually agree.
- (B) In the absence of agreement for such later or continued date, if such meeting is not held within fourteen (14) calendar days, the grievance shall be considered denied by the Company as of the fourteenth calendar day. The Local Union may then appeal the grievance to the next step of the grievance procedure.

12.17 Union Representation:

- (A) The Union agrees to limit the number of Union Representatives and aggrieved employees conferring and negotiating employee grievances with Company Representatives, as provided in this Section, to those provided below, except that one (1) additional Union Representative may be present, when unusual circumstances warrant, and the Company Representatives at whose level the grievance is being heard agree in advance:
- (1) Not more than three (3) Union Representatives if conferring with a Company Representative at Step 1, Step 2 and Step 3. At Step 3, at least one of the Union Representatives will be an authorized Representative of the International Union or their designated representative.
 - (2) The aggrieved employee or employees, as may be jointly agreed to by the Union and the Company Representatives at whose level the grievance is being heard.
- (B) At all steps of the grievance process, the time, date and location of all meetings shall be mutually agreed upon. Such meetings shall be scheduled so that it may reasonably be expected that the Local Union Representatives would be able to attend the full meeting during their scheduled shift.

12.18 Cooperation and Notification:

- (A) Each party recognizes the right of the other to investigate the circumstances surrounding any grievance or accident and agrees to cooperate with the other in such investigations.
- (B) The Company and the Union shall keep each other informed regarding the personnel who are authorized to represent them in grievance and accident investigations.
- (C) During grievance meetings, the Representatives of both Parties shall present any pertinent information which may have a bearing upon the issue involved.
- (D) The Company commits that it will work with the Union in an attempt to resolve employee dismissal grievances/arbitrations within one (1) year from the effective date of the dismissal. However, failure to achieve a final resolution of a dismissal grievance/arbitration within one (1) year shall not be deemed as a violation of the Collective Bargaining Agreement.

Mediation

- 12.19 There may be, by mutual agreement, an intermediate step between the grievance procedure and arbitration. Such intermediate step is mediation. Mediation may be used in grievances which have been processed according to the provisions of "Grievance Procedure" in the Section above. Either party may request mediation within fifteen (15) days of the Company's response at the third (3rd) step of the grievance procedure.
- 12.20 The Parties will select mediators by striking from a panel provided through the Federal Mediation and Conciliation Service or by using another mutually agreed upon service or procedure. Upon agreement of the Parties, the mediation conference will be scheduled within fifteen (15) days of the Company's or Union's request for mediation. Such conference will be held on the earliest mutually available date offered by the chosen mediator. Should the availability of the mediator unnecessarily delay the processing of the grievance, in the opinion of either the Company or the Union, either party may request the mediation be terminated and the grievance be scheduled for arbitration.
- 12.21 Proceedings before the mediator shall be informal in nature. The presentation of evidence will be limited to that which has already been presented during the grievance procedure, and the issues mediated will be the same as were presented in the grievance procedure. Formal rules of evidence will not apply, the Parties will not be represented by attorneys and no official record of the mediation conference will be kept. The mediator shall propose a resolution to the dispute on the day of the close of the mediation conference.
- 12.22 Upon completion of the mediation conference, the Parties may accept the resolution proposed by the mediator. However, in no way may the decision reached as a result of mediation, be used as precedent in any other proceeding. If no settlement is agreed upon through mediation, the Union may invoke arbitration in accordance with the provisions of "Arbitration" in the Section following.
- 12.23 No person serving as a mediator between the Parties may serve as arbitrator for these grievances.
- 12.24 The compensation and expenses of the mediator and the general expenses of the mediation shall be shared equally by the Parties. Each Party shall bear the expense of its representatives and witnesses.

Arbitrable Topics

- 12.25 The right to invoke arbitration shall extend only to matters which involve:
- (A) The interpretation or application of any of the terms or provisions of this Agreement, unless excluded by specific provisions of this Agreement.
 - (B) The discipline of an employee with twelve (12) or more months of net credited service.

Arbitration

- 12.26 An arbitrable matter shall be submitted to arbitration at the request of either Party, provided the Party seeking arbitration has notified the other Party, by letter, within thirty (30) calendar days of the date of the final decision rendered at Step 3 under the grievance procedure or following a Union - Management Review Board dismissal, of its desire for arbitration.

- 12.27 Within seven (7) working days of the Company's receipt of the Union's request for arbitration, the Parties will select an arbitrator by alternately striking names from a randomly assigned "panel" of arbitrators. The method for determining which Party will strike first shall be by flip of a coin. There will be ten (10) such "panels" each consisting of five (5) arbitrators who are members of the National Academy of Arbitrators and who have been selected to serve on a "panel". The panels will be created by both Company and Union each submitting 25 names. The Company and Union will make blind selections from the pool. The first five (5) names will comprise Panel 1, and so on for each subsequent panel until all 50 names are used. In the event an arbitrator is selected from each of ten (10) panels, the 50 names will be reordered in a random manner for the creation of ten (10) new panels. The selected arbitrator shall conduct an appropriate hearing concerning the grievance, and render a decision, thereby resolving the grievance. The number of panels provided for in this paragraph may be increased by mutual agreement.
- 12.28 Hearings shall commence as quickly as possible following the designation and availability of the arbitrator and shall be carried to conclusion without unnecessary delay. The Company and the Union shall attempt to agree upon and reduce such issue or issues to writing at or before the commencement of the hearings. The hearing and decision of the arbitrator shall be confined to the issue or issues presented in accordance with paragraph 12.25 of Section: Arbitrable Topics above.
- 12.29 The arbitrator shall render the decision in writing within thirty (30) calendar days following receipt of the Parties' briefs and the record in the case is closed. The award of the arbitrator shall be final and binding upon the Parties, subject to law, and the Company and the Union agree to abide by the decision of the arbitrator.
- 12.30 A grievance which the Union has elected to submit to arbitration under the provisions of this Section will be deemed to have been withdrawn if not submitted for final decision and processed within the time limitations prescribed in this Section. The time limitations set forth in this Section may be extended by mutual agreement.
- 12.31 The arbitrator shall have no authority to add to, subtract from, or change any of the terms of this Agreement.
- 12.32 The compensation and expenses of the arbitrator and the general expenses of the arbitration, such as transcripts, hearing rooms, etc., shall be shared equally by the Company and the Union. Each Party shall bear the expense of its representatives and witnesses.

Expedited Arbitration

- 12.33 Any grievance involving the suspension of an individual employee, except those which also involve an issue of arbitrability, contract interpretation, or work stoppage (strike) activity and those which are also the subject of an administrative charge or court action may be submitted to arbitration under this expedited arbitration procedure within fifteen (15) calendar days after the filing of a request for arbitration. In all other grievances involving disciplinary action which are specifically subject to arbitration, as specified in paragraph 12.25 Section: Arbitrable Topics above, both Parties may, within fifteen (15) calendar days after the filing of the request for arbitration, elect to use this expedited arbitration procedure. The election shall be in writing and, when signed by authorized representatives of the Parties, shall be irrevocable. If no such election is made within the foregoing time period, the full arbitration procedure specified in "Arbitration" above shall be followed.
- 12.34 As soon as possible after this Agreement becomes final and binding, a panel of seven (7) umpires shall be selected by the Parties. Each umpire shall serve until the termination of this Agreement unless his or her services are terminated earlier by written notice

from either Party to the other. The umpire shall be notified of such termination by a joint letter from the Parties. The umpire shall conclude his or her services by settling any grievance previously heard. A successor umpire shall be selected by the Parties. Umpires shall be assigned cases in rotating order designated by the Parties.

12.35 The procedure for expedited arbitration shall be as follows:

- (A) The Parties shall notify the umpire in writing of the submission within the time specified in paragraph 12.33. The umpire shall notify the Parties in writing of the hearing date.
- (B) Prior to the hearing, the Parties may submit to the umpire a written stipulation of all facts not in dispute.
- (C) The hearing shall be informal without formal rules of evidence and without a transcript. However, the umpire shall be satisfied that the evidence submitted is of a type on which he or she can rely, that the hearing is in all respects a fair one, and that all facts that are reasonably obtainable and necessary to a fair decision are brought before the umpire.
- (D) Within five (5) working days after the hearing, each Party may submit a brief written summary of the issues raised at the hearing and arguments supporting its position. The umpire shall give his or her decision within five (5) working days after receiving the briefs. The umpire shall provide the Parties a brief written statement of the reasons supporting the decision.
- (E) The umpire's decision shall apply only to the instant grievance, which shall be settled thereby. The award of the umpire shall be final and binding upon the Parties, subject to law, and the Company and the Union agree to abide by the decision of the umpire. The decision shall not constitute a precedent for other cases or grievances and may not be cited or used as a precedent in other arbitration matters between the Parties unless the decision or a modification thereof is adopted by the written concurrence of the representatives of each Party at the third step of the grievance procedure.
- (F) In emergency situations only, the time limits in (A) and (D) above may be extended by agreement of the Parties or at the umpire's request. Such extensions shall not circumvent the purpose of this procedure.
- (G) In any grievance arbitrated under the provisions of this Section, the Company shall under no circumstances be liable for backpay for more than six (6) months (plus any time that the processing of the grievance or arbitration was delayed at the specific request of the Company) after the date of the disciplinary action. Delays requested by the Union in which the Company concurs shall not be included in such additional time.
- (H) The umpire shall have no authority to add to, subtract from, or modify any provisions of this Agreement.
- (I) The compensation and expenses of the umpire and the general expenses of the expedited arbitration shall be shared equally by the Company and the Union. Each party shall bear the expense of its representatives and witnesses.

Impact Of Absence On Wage Increases

ARTICLE 14

NET CREDITED SERVICE & SENIORITY

- 14.01 Net credited service shall mean "term of employment" as set forth in the pension plan applicable to employees covered by this Agreement.
- 14.02 Except as set forth in paragraph 14.03, Seniority shall be determined by the net credited service of the employee affected, plus any period of service (not otherwise included in the employee's net credited service) with a SBC Midwest Company that participated in the CPE Retirement and Savings Plan. Where two or more employees have the same net credited service, the employee with the lowest last four digits of social security number shall be considered to be the most senior. In case there should be two or more employees with the same last four digits of the social security number, the lowest middle two digits will determine seniority. Should two or more employees have identical numbers to this point, the employee with the lowest nine digit social security number shall be considered as having the greater seniority.
- 14.03 A SBC Midwest management employee who moves into the Bargaining Unit shall be granted seniority in the following manner:
- (A) An employee previously covered by any Ameritech or SBC Collective Bargaining Agreement shall immediately be granted the amount of seniority established as of the date the previous bargaining unit employment ended.  - (B) An employee not previously covered by any Ameritech or SBC Collective Bargaining Agreement shall be credited with seniority equal to their total net credited service after he or she accumulates an additional twenty-four (24) consecutive months of seniority within the Bargaining Unit (plus any additional seniority credited under paragraph 14.02 above).

ARTICLE 15

JOB CLASSIFICATIONS AND PROMOTIONS

New Job Titles & Job Classifications

- 15.01 Whenever the Company determines it appropriate to create a new job title or job classification in the Bargaining Unit, or restructure or redefine an existing one, it shall notify the Union in writing of such job title or classification and shall furnish a job description of the duties and the wage rates and wage schedule initially determined for such job title and classification. Such wage rates and wage schedule shall be designated as temporary. Thirty (30) days following such notice to the Union, the Company may proceed to staff such job title or classification.

- 15.02 The Union shall have the right, within thirty (30) days from receipt of notice from the Company, to initiate negotiations concerning the initial wage rates or wage schedules established as temporary by the Company.
- 15.03 If negotiations are not so initiated or if agreement is reached between the Parties within sixty (60) days following receipt of notice from the Company concerning the wage rates and wage schedule, the temporary designation shall be removed from the job title or classification.
- 15.04 If negotiations are initiated and the Parties are unable to reach agreement within sixty (60) days following receipt of notice from the Company, the issue of an appropriate schedule of wage rates shall be submitted to a neutral third Party, to be selected as set forth below, for determination of an appropriate schedule of wage rates.
- 15.05 The neutral third Party referred to above shall be selected from a list of seven (7) individuals created by mutual agreement, who shall possess acknowledged expertise in the areas of employee compensation and job evaluation. The Parties shall alternatively strike one name from the list until one individual remains. The Parties shall submit their views to such third Party within thirty (30) days after selection and such individual shall have sixty (60) days from the date of selection to make a determination which shall be binding on the Parties. While it is not intended that such third Party undertake a full and complete job evaluation study, the third Party shall review other job titles or classifications and their wage schedules for comparison purposes and may make an on-site inspection of the work place and conduct a reasonable number of interviews of incumbents.
- 15.06 In the event the neutral third Party determines that a different schedule of rates is appropriate, the new schedule shall be placed in effect as of the date of the neutral third Party's decision and shall remain in effect until expiration of this Agreement.
- 15.07 All costs associated with the resolution of the dispute by the neutral third Party (fees, transcript costs, hotel, travel, etc.) shall be shared equally by the Parties. Union Representatives at hearings and meetings will not be paid by the Company.
- 15.08 The procedures set forth in this Section shall be the exclusive means by which the Union may contest the schedule of wage rates which the Company sets for any new or restructured job title or classification.

Promotion and Refusal Of

- 15.09 Promotions to jobs included under this Agreement shall be based on full consideration by the Company of seniority, ability, and qualifications. If the choice rests between two (2) or more employees whose qualifications for the job are substantially equal, seniority shall govern the selection.
- 15.10 Employees shall have the right to refuse a promotion without affecting their status for future promotions.

ARTICLE 17

SCHEDULING AND PAYMENT FOR TIME WORKED

Scheduling

See Article 27 for provisions applicable to specified Operator Services job titles.

- 17.01 Insofar as service requirements and the conditions of the business permit, selection of schedules for tours shall be when practical by seniority. The responsibility for determining the requirements and conditions rests solely with the Company. However, the length of the schedule selection may be determined locally by the Union and the Company. No provision of this Agreement will constitute a guarantee as to the minimum or maximum number of hours of work per week which may be required on the part of any employee.

- 17.02 Not later than 3 p.m. on Thursday of each week, assignments for the next calendar week shall be posted or otherwise be made available to show the assigned tours each employee is to work during the following week.
- 17.03 Assignments will be adhered to unless the Company determines that service requirements and business conditions dictate otherwise. Should the Company make shift or tour assignment changes after 3:00 p.m. on Thursday of the preceding week, the hours outside of the originally scheduled shift or the changed tour day(s) will be paid at the premium rate without shift differential but otherwise considered as scheduled. Shift differentials will be included in the computation of such premium rate when the changed shift or tour would have been paid for at the premium rate or when the worked shift occurs on Sunday.
- 17.04 Changes, at the employees' request or by local agreement, will be granted if service requirements and conditions of the business permit provided that such requests or agreements do not violate the terms of this Agreement.
- 17.05 Daylight Savings Time
- (A) On the night the change is made from Standard Time to Daylight Savings Time, no deduction in pay shall be made for shifts scheduled to end after 2:00 a.m. for employees whose actual hours of work are reduced by one (1) hour.
- (B) On the night the change is made from Daylight Savings Time to Standard Time, an employee scheduled to work a shift ending after 2:00 a.m. may be assigned to work until the clock hour end of their assigned shift. This additional hour shall be paid in accordance with Section: Overtime & Premium Pay.

Lunch Period

See Article 27 for additional provisions applicable to specified Operator Services job titles.

- 17.06 A lunch period, not to exceed 1 hour, will be granted to employees except when their job assignment requires continuous duty. In the event of such continuous duty, the employee will be permitted reasonable paid time to eat on the job.
- 17.07 If taken, the normal lunch period for full-time employees shall be non-paid between one-half (1/2) hour and one (1) hour in duration and shall be taken between the third (3rd) and sixth (6th) hour of a shift, as scheduled by the Company.

Overtime & Premium Pay

- 17.08 The basic hourly wage rate including applicable differentials shall be paid for all time worked, except where overtime rates or premium rates are specifically provided for elsewhere in this Agreement.
- 17.09 Overtime hours worked shall be paid at the rate of one and one-half (1 1/2) times the basic hourly wage rate including applicable differentials except as provided in paragraph 17.10 below.
- 17.10 Hours worked in a calendar week which exceed forty-nine (49) shall be paid at the rate of two (2) times the basic hourly wage rate including applicable differentials, except as otherwise provided herein.

- 17.11 A premium payment at the rate of one and one-half (1 1/2) times the basic hourly wage rate including applicable differentials shall be paid to employees for hours worked as scheduled Sunday shifts. Premium payments for Holidays will be paid as described in Article 21, Recognized Holidays.
- 17.12 No combination of overtime, premium and/or any other payments for time worked and/or any payments for time not worked, may produce an effective rate greater than two and one-half (2 1/2) times an employee's basic hourly wage rate excluding applicable differentials.
- 17.13 For the purpose of crediting time not worked towards an employee's eligibility for overtime payments (as defined in paragraphs 17.09 & 17.10 above) only the following absences during a scheduled shift shall be considered:
- Illness (Paid)
 - Death in Family (Paid)
 - Jury or Other Court Duty (Paid)

- 17.14 The Company will distribute overtime as fairly as is practicable between employees within the work group affected by such overtime, or as locally agreed.

Call Outs

- 17.15 When an employee is called outside of his/her regularly scheduled shift for immediate reporting, pay will begin with the time called and continue until the employee returns home unless the time worked continues into the employee's next scheduled shift. Should the assignment continue into the employee's next scheduled shift, the employee will only be compensated for the time actually worked and reasonable travel time from his/her residence using the most direct route. A minimum of two (2) hours pay at the overtime rate will be paid unless the call occurs less than two (2) hours before the start of the employee's next scheduled shift.

Out-Of-Hours Calls

- 17.16 When an employee is called by telephone, outside of his/her regular shift, while on vacation or on a non-scheduled day, to discuss matters related to the job and the call has been authorized by management, the employee will be paid an out-of-hour call differential of Fifteen Dollars (\$15) for discussions taking from one (1) to thirty (30) minutes. Discussions which take in excess of thirty (30) minutes shall be compensated at the employee's basic hourly wage rate or at the overtime or premium rate if applicable. This differential does not apply if the call is made to arrange or cancel overtime or if the employee is receiving an on call differential.

17.17 If an out-of-hours call is prompted by the error or omission of the employee, no payment shall be made.

Work Done By Supervisors

17.18 Supervisory employees will normally perform supervisory duties. Nothing herein is intended, however, to prevent supervisory employees from receiving or giving training.

ARTICLE 18

TREATMENT OF TIME NOT WORKED

Absence - General Pay Treatment

18.01 Employees shall not receive payment for scheduled time not worked except as provided elsewhere in this Collective Bargaining Agreement.

18.02 An employee who is unable to report for duty for any reason shall notify his or her supervisor, if possible, prior to the scheduled starting time of their shift.

Personal Illness

18.03 Payments to a regular employee for absence due to the employee's personal illness shall be made in accordance with the following:

- (A) If an employee with one (1) year or more of service reports to work and becomes ill during his/her shift, the time not worked during the remaining hours of the shift shall be paid for at his/her basic wage rate, plus applicable shift differential for which the employee is eligible pursuant to Article 19, Differentials, Section: Shift Differential.
- (B) If an employee with less than one (1) year of service reports to work and becomes ill during his/her shift, the time not worked during the remaining hours of the shift will be unpaid.
- (C) Except as specified in (A) and (B) above, payment for personal illness absence during the first seven (7) consecutive days of absence will be as follows:

<u>Years of Service</u>	<u>Illness Payment Starts</u>
5 and over	1st full day
2 and less than 5	2nd full day
1 and less than 2	3rd full day

Absences of longer than seven (7) consecutive days will be governed by the Sickness and Accident Disability Plan.

- (D) The first full shift (other than non-scheduled sixth shifts) for which an employee does not report or is unable to begin work because of personal illness shall be considered as the first day of absence for illness pay purposes. If after the first day of such absence, the employee returns to duty and is subsequently unable to report for duty on a shift (other than non-scheduled sixth shifts) because of personal illness, the latter day of absence shall be considered as the first day of absence for

illness pay purposes, and any subsequent returns to duty and absences because of personal illness shall be similarly treated.

Death In Family

- 18.04 Payments for absence due to a death in the family may be allowed for full-time or part-time employees with a minimum of nine (9) months service as described below. Pay for this purpose shall include applicable shift differentials for which the employee is eligible pursuant to Article 19, Differentials, Section: Shift Differential.
- 18.05 Employees absent due to death of a child, step-child, spouse or Registered Domestic Partner, parent or any relative listed in paragraph 18.06 or 18.07 who resides in the same house with the employee will be excused from duty without loss of pay for up to a maximum of three (3) work days (including travel time) beginning with the day of death through the day of the funeral. In addition, in the event of a death as noted herein, employees shall upon request be excused from scheduled time for two (2) additional unpaid days. Paid Vacation Days or Excused Work Days may be substituted for these days at the employee's option.

In addition, in the event of a death as noted herein, employees shall upon request be excused from scheduled time for two (2) additional unpaid days. Paid Vacation Days or Excused Work Days may be substituted for these days at the employee's option.
- 18.07 Except as provided for in paragraph 18.05 employees absent due to the death of a brother-in-law, sister-in-law, or spouse's grandparent will be excused from duty without loss of pay for up to one (1) work day (including travel time) beginning with the day of death through the day of the funeral.
- 18.08 The maximum number of days referred to in paragraphs 18.05, 18.06 and 18.07 above normally shall be increased by one (1) for travel time if an employee attends a funeral which is held more than two hundred (200) miles from the employee's normal work location.
- 18.09 In no event, shall an employee receive payment for a day per paragraphs 18.05, 18.06 or 18.07 above, if the employee would otherwise be paid for that day (such as holiday, vacation or disability) or not be expected to report for work on that day (such as when on leave of absence or layoff).

Jury Or Other Court Duty

- 18.10 Employees under subpoena or summons shall receive regular pay for time lost on account of jury or other court duty without deduction for any amount received from civil authorities, except that fees received by an employee in connection with a legal action directly or indirectly pertaining to Company matters or Company record become the property of the Company. The employee should notify the Company of the jury or other court duty as soon as possible. Employee hours will be changed to coincide with the above mentioned obligatory jury or other court duty assignment. When employee's shifts/tours are rescheduled for this purpose, no premium will be paid for shift/tour change.
- 18.11 Evening and night shift employees who are expected to attend such jury or other court duty during the day are not expected to work their scheduled evening or night shifts. Pay for this purpose shall include applicable shift differentials for which the employee is eligible pursuant to Article 19, Differentials, Section: Shift Differential. If such jury or

other court duty continues into a second calendar week, the Company may re-schedule an employee who normally works an evening or night shift to a day shift, without differential.

- 18.12 "Other Court Duty", as referred to in this Section, is intended to cover those circumstances where an employee acts in the interest of good citizenship such as when an employee who is a witness to an accident, assault, robbery, etc. is requested to appear in court as a witness. The employee's appearance would qualify as "Other Court Duty" since such an appearance is considered to be meeting a civic responsibility.
- 18.13 Notwithstanding any of the above, "Other Court Duty" as referred to in this Section, does not include lost time associated with criminal or civil actions, whether under subpoena or summons or not, if the employee is a plaintiff or defendant, or is otherwise a direct or indirect party to the action. Absence requests for court appearances in connection with such matters are considered personal, however, employees may be excused without pay.
- 18.14 Employees involved with any jury or other court appearances must report back to work immediately upon being released from attendance at court that day, unless otherwise directed by management.
- 18.15 Employees completing jury or other court appearances, must obtain documentation of attendance and provide this to management upon return to work.

Voting

- 18.16 If necessary to allow the employee a reasonable opportunity to vote, time off without pay will be granted. Application for such time off must be made prior to election day.

Severe Weather

- 18.17 During severe weather employees will be required to be available for such work as may be necessary to maintain telephone service or such other work as may be assigned.
- 18.18 If an employee is excused for the remainder of their shift because no work assignment can be provided, no scheduled time will be lost. Such excused time will be paid on the same basis as though performing productive work including applicable shift differentials pursuant to Article 19, Differentials, Section: Shift Differential.

ARTICLE 20

CLASSIFICATION AND TREATMENT OF REGULAR PART-TIME EMPLOYEES

20.01 The classification of a regular part-time employee is based on the employee's "part-time equivalent work week" which shall be determined prospectively by dividing the employee's total normally scheduled hours per month by 4.35 and rounding the result to the next higher whole number. (Illustration: 68 hours per month divided by 4.35 equals 15.6, rounded to a "part-time equivalent work week" classification of 16.)

20.02 The "part-time equivalent work week" classification of each regular part-time employee shall be reviewed by the Company no less often than every six (6) months on April 1 and October 1 of each year and adjusted on a prospective basis, if appropriate. In determining whether such adjustment is appropriate, the Company will consider the actual average number of hours worked per month (excluding overtime hours) during the preceding six (6) month period and the likelihood that such number of work hours will continue

for a reasonably foreseeable period of time. Classification review information will be provided to the Union.

- 20.03 Where applicable, payments to a regular part-time employee under Company benefit plans shall be prorated based on the relationship of the individual part-time employee's "part-time equivalent work week" classification to a forty (40) hour work week. A regular part-time employee shall not be paid for time not worked for absence due to sickness (not under the "Ameritech Pension Plan" and/or the "Sickness and Accident Disability Plan" or their successor Plans) unless such absence due to sickness occurs on a day of the week on which the employee is scheduled to work. Regular employees who are on the active payroll of the Company as of December 31, 1980, and who works part time on or after January 1, 1981, shall thereafter continue, during the current term of employment, to receive payments for the benefits and other items listed above on the same basis as was applicable to a part-time employee on December 31, 1980.
- 20.04 Benefit levels and associated premium payments for regular part-time employees are defined in the Company benefit plans. Regular employees who were on the active payroll of the Company as of December 31, 1980, shall continue to be eligible for such coverage on the same basis as a regular full time employee regardless of classification.
- 20.05 Except for payment for overtime hours worked, all hours worked by a regular part-time employee in an Emerging Product Center (EPC) and any equivalent retail sales or service center operation, shall be paid at the equivalent basic hourly wage rate for a comparable regular full-time employee working a normal daily shift in the same job title, classification and work group. Payment to such a regular part-time employee for hours worked in excess of an equivalent normal daily shift or work week for a comparable regular full-time employee shall be at the applicable overtime rate for a comparable regular full-time employee based on such regular part-time employee's basic hourly wage rate. Any regular employee who was on the payroll of the Company on December 31, 1980, and who works part-time on or after January 1, 1981, shall thereafter continue, during the current term of employment, to be paid on the same basis as was applicable to such part-time employee on December 31, 1980.
- 20.06 Except for payment for overtime or premium hours worked, all hours worked by a regular part-time employee* shall be paid at the equivalent basic hourly wage rate including applicable differentials for a comparable regular full-time employee.
- 20.07 Overtime hours worked shall be paid at the rate of one and one-half (1 ½) times the basic hourly wage rate including applicable differentials*. Overtime is as defined in Article 2, Definitions, Section: Scheduling & Wage Related.
- 20.08 A premium payment at the rate of one and one-half (1 ½) times the basic hourly wage rate including applicable differentials shall be paid to part-time employees* for hours worked as scheduled Sunday Shifts. Premium is as defined in Article 2, Definitions, Section: Scheduling & Wage Related.
- 20.09 Regular part-time employees scheduled to work on a Recognized Holiday may be excused without pay for time not worked to the extent that service requirements will permit and without loss of the Holiday Allowance payment.
- 20.10 A Holiday Allowance will be paid on the basis of one-fifth (1/5) of the average weekly hours, rounded to the nearest quarter hour, based on the employee's "part-time equivalent work week" that is actually worked. The "part-time equivalent work week" is reviewed every six (6) months on April 1 and October 1 of each year and adjusted on a prospective basis, if appropriate.

- 20.11 Regular part-time employees absent without pay, other than for Company excused absences, on either the employee's last scheduled work day before the Recognized Holiday or the employee's first scheduled work day after the Recognized Holiday shall not be paid a Holiday Allowance.
- 20.12 A regular part-time employee who works a holiday shift will be paid:
- (A) A Holiday Allowance as defined in paragraph 20.10, and
 - (B) A holiday premium payment* consisting of one and one-half (1 ½) times the basic hourly wage rate including applicable differentials, for hours worked inside the employee's normally scheduled shift.
 - (C) A Holiday premium payment rate* of two and one-half (2 ½) times the basic hourly wage rate including applicable differentials for hours worked outside the employee's normally scheduled shift. This premium is not to be combined with other premiums to produce an effective rate greater than two and one-half (2 ½) times the basic wage rate excluding applicable differentials.
- 20.13 Regular part-time employees, when eligible, shall receive shift differential* in accordance with Article 19, Section: Shift Differential.
- 20.14 Regular part-time employees, regardless of work week classification, shall be eligible for Excused Work Days and Day-At-A-Time vacation days as provided in Article 22, Excused Work Days and Article 23, Vacations, Section: Day-At-A-Time. However, payment for such days shall be on the basis of one fifth (1/5) of the average weekly hours, rounded to the nearest quarter hour, based on the employee's "part-time equivalent work week" that is actually worked over the past six (6) months on April 1 and October 1 of each year and adjusted on a prospective basis, if appropriate.
- 20.15 A regular part-time employee must request a specific day in the calendar year other than a non-scheduled day, a Saturday, Sunday, another Recognized Holiday, Excused Work Day or vacation day to be observed as the employee's Floating Holidays. Those regular part-time employees who work only on Saturday and Sunday may schedule Floating Holidays on a Saturday or Sunday.

*Excluding those regular part-time employees defined in paragraph 20.05 of this Article.

ARTICLE 23

VACATIONS

Eligibility

23.01 Regular employees shall be entitled to vacation with pay as follows:

- (A) Two (2) weeks vacation during each vacation year in which such employee's first to sixth service anniversary date falls. In the first year of employment, when an employee completes six (6) months of service he/she will be granted one (1) week of vacation. If the employee completes six (6) months of service and their first service anniversary falls within the same vacation year, only two (2) weeks of vacation shall be granted. The first week may be granted any time after the completion of six (6) months of service, and the second week granted after the completion of twelve (12) months of service. If such employee becomes eligible for a vacation week on or after December 1, such vacation may be "carried over" into the following year.
- (B) Three (3) weeks vacation during each vacation year in which such employee's seventh to fourteenth service anniversary date falls.
- (C) Four (4) weeks vacation during each vacation year in which such employee's fifteenth to twenty-fourth service anniversary date falls.
- (D) Five (5) weeks vacation during each vacation year in which such employee's twenty-fifth and subsequent service anniversary date falls, provided that such employee takes at least one week of such vacation between January 1 and the last full week of April, of such vacation year or between October 1 and December 30, inclusive of such vacation year.

23.02 Vacation pay is based on the employee's basic wage rate including applicable shift differential which the employee has received for at least one (1) full week immediately preceding the vacation period, pursuant to Article 19, Differentials, Section: Shift Differential.

23.03 A "week" is a "calendar week" as defined in Article 2, Definitions.

23.04 When, pursuant to section 23.05 below, an employee schedules a vacation week which begins during the last week of December of the vacation year, the entire vacation week so scheduled shall be taken from the vacation entitlement for the vacation year in which the beginning of the week falls.

Scheduling/Selection

23.05 Regular employees in a work group may select vacations in the order of their seniority as of the date of selection, in so far as work conditions permit. Management shall review its vacation selection guidelines with the appropriate Local President and/or designee by October 15. The vacation schedule composition will allow, at a minimum, one (1) person to take vacation in any given week unless mutually agreed otherwise between the appropriate Local President and/or designee and management. In the event an employee selects a vacation week which begins during the last week of December of the vacation year, any portion of such vacation week which falls in the next vacation year shall be treated as though it occurred in the vacation year in which the week began for purposes of vacation scheduling.

23.06 The selection process used to select available time-off, including vacation time, Excused Work Days (paid and non-paid), Floating Holiday and days in lieu of holiday which falls within scheduled vacation shall be as follows:

- (A) Selection shall be by seniority within the appropriate unit and shall be granted to the extent practicable consistent with force requirements and the needs of the business.
- (B) Regular employees shall be allowed to select scheduled vacation weeks from those made available. Only full weeks of vacation are included in this first selection priority. Full weeks shall be scheduled in the vacation year except where otherwise provided in this Article. After all employees in the work group have selected the required scheduled full vacation weeks, employees will be allowed a second selection priority to select other time-off which includes day-at-a-time, Excused Work Days, Floating Holiday and day in lieu of holiday for which they are eligible.
- (C) Subject to the needs of the business and force requirements of the group, time-off not scheduled during the second selection priority may be selected by an employee on the basis of the earliest request to the employee's immediate supervisor.
- (D) Employees transferred (voluntary or involuntary) will be given the option to retain the week(s) as originally scheduled, or re-select from remaining weeks on the schedule in the group into which the employee was transferred.
- (E) The selection process shall be as stated above unless otherwise mutually agreed to by the Local President and Local management.

Day-At-A-Time

23.07 A regular employee who is eligible for two (2) or more weeks of vacation may choose to schedule one of those weeks of vacation to be taken on a day-at-a-time basis. An employee who is eligible for three (3) or four (4) weeks of vacation may choose to schedule one (1) or two (2) weeks of vacation on a day-at-a-time basis. An employee who is eligible for five (5) weeks of vacation may choose to schedule one (1), two (2), or three (3) weeks of vacation on a day-at-a-time basis.

23.08 Regular employees may elect to take up to three (3) days of eligible Day-At-A-Time vacation in one-half (1/2) day increments and will be subject to the same guidelines on one-half (1/2) day Excused Work Days as described in Articles 22.03 and 22.04.

Sickness, Leave During Vacation

23.09 If an employee is absent at the time scheduled for vacation and the employee returns

before December 31, the vacation may be rescheduled in the current year or if no time is available, the employee will be paid in lieu of the remaining vacation. If the employee returns after December 31, the employee will be paid in lieu of the remaining vacation. In the case of "carry over" vacation, the employee may reschedule the carry over vacation if sufficient time is available in the carry over period. If time is not available or if the employee does not return within the carry over period, the employee will be paid in lieu of the remaining vacation.

23.10 When an absence due to sickness or disability begins during an employee's scheduled vacation and the employee notifies the Company within the calendar week in which the sickness or disability begins, such absence will be treated as vacation and any subsequent consecutive calendar weeks of scheduled vacation will be treated as sickness or disability. When an absence due to sickness or disability begins during a regular employee's scheduled day-at-a-time vacation and the employee notifies the Company that day, the day of notice will be treated as a vacation day. Any subsequent consecutive day-at-a-time vacation will be treated as sickness or disability. Such reclassified vacation time can be rescheduled.

23.11 If vacation is deferred as described in paragraph 23.10 above, the deferred vacation shall be taken as early as practicable, subject to the approval of the employee's supervisor. The Steward will be advised of the decision as soon as is practical after approval has been given.

Carry Over

23.12 Regular employees may elect to carry over any number of their weeks of vacation (either full weeks or day-at-a-time) to the following year subject to the following terms:

- (A) In no case shall an eligible employee schedule less than one (1) week of vacation in any vacation year.
- (B) Any vacation time "carried over" from one vacation year to the next must be scheduled and taken no later than the week beginning with the last Sunday in April of the year into which the vacation time is carried over.
- (C) For all vacation time "carried over" from one vacation year to the next, at least a like amount of vacation time for the vacation year into which the vacation time is carried over must also be scheduled and taken no later than the last Sunday in April of the same year.
- (D) Employees electing to carry over vacation time must schedule the "carried over" and the "matching" time at the same time the vacation selection for the current year is made.

Payment In Lieu Of

23.13 In case of death, wages associated with an unused portion of a regular employee's scheduled vacation shall be paid to the employee's beneficiary or to the employee's estate.

23.14 Employees who are laid off shall not be eligible for any vacation payment during the period of the layoff. If, however, such employee is laid off before receiving the vacation for which an employee has become eligible in the vacation year of such layoff, such employee shall receive payment equal to and in lieu of such vacation.

23.15 An employee leaving the Company for reasons other than specified in this Article shall receive payment in lieu of any unused portion of the vacation for which such employee is eligible.

ARTICLE 24

AUTOMOBILE MILEAGE EXPENSE

24.01 Employees may elect to receive reimbursement for authorized incidental use of their automobile for Company business at the rate approved by the Internal Revenue Service (IRS) of the United States as a business use deduction per traveled road mile. In the event the IRS increases the standard mileage rate allowable as a business use deduction from gross income during the term of this Agreement, the Company shall increase the amount of reimbursement accordingly, effective on the first of the month following the effective date of the change by the IRS.

ARTICLE 25

TEMPORARY ASSIGNMENTS

Detailing - Location Assignment

25.01 The Company may direct an employee to start and/or end his/her shift at a Report or Detail Location. If the assignment to a Detail Location is for any reason other than training, the Company shall seek qualified volunteers from the designated work group and job title. If a sufficient number of qualified employees from the designated work group and job title fail to volunteer for the detail assignment, the Company may assign the required number of qualified employees in inverse order of seniority. If the number of qualified volunteers within the designated work group and job title exceeds the number needed, selection will be made on the basis of seniority.

25.02 In the event an employee is sent to a Detail Location in which the basic rate for the job title/job function is different, the employee shall receive the higher of the two (2) basic rates. When an employee is detailed to a job title rated higher than their regular job title at their Report Location, the employee is eligible to receive a Temporary Assignment Differential in accordance with Article 19, Differentials, Section: Temporary Assignment Differential. When approved, the employee may change their election during this scheduled tour for a day or days when conditions, such as inclement weather or extended work shift, warrant such a change.
- 25.05 Whenever the Company is obligated to provide lodging, it shall select and pay for such lodging and shall provide transportation between the lodging location and the detail location. Should the employee elect to obtain their own living arrangements in the immediate vicinity of the Detail Location, a Daily Lodging Allowance of Thirty Dollars (\$30.00) per night will be paid in lieu of Company provided lodging. - (B) The Company shall also provide an incidental expense allowance of Eleven Dollars (\$11.00) per day to each employee on a Detail actually receiving board and lodging. - (C) A telephone call home each day, not to exceed fifteen (15) minutes, shall be included as part of the employee's authorized expense.
- (D) When an employee is directed to a Detail Location and is being provided board and lodging, in accordance with paragraphs 25.04, 25.05 and 25.06 of this Section, the initial travel time to the Detail Location and the travel time involved when the employee is directed to return to their Report Location, or to travel to another Detail Location, shall be paid the applicable wage rate plus differential, pursuant to Article 19, Differentials.
- (E) When private surface transportation is used to travel to the Detail Location, employees will be compensated for time spent in travel, via the most direct route to the Detail Location to which the employee has been assigned. - (F) When public transportation is used at the Company's direction, the time allowed shall be the actual time spent in travel, via the route specified by management, from the public transportation terminal from which the employee is directed to leave and the public transportation terminal in the community of the Detail Location. In addition, surface transportation time, as specified above, but not less than thirty (30) minutes, shall be allowed between the employee's Report Location or Detail Location and the public transportation terminal to be used.

(G) When air transportation is directed, the Company shall specify the flight to be taken. The employee shall be granted approval, if circumstances permit, to use public or private surface transportation, instead of air transportation.

(1) Compensation for use of public or private surface transportation will be limited, at maximum, to an amount equal to the price of a regular coach airline ticket on the Company selected airline. For private transportation, compensation will be paid according to the provisions of Article 24, Automobile Mileage Expense for road miles, by the most direct route, up to an amount equal to the price of a regular coach class ticket on the Company specified airline. For public surface transportation, compensation will be for the amount charged the employee for the purchase of the ticket used for admission on the surface transportation vehicle or an amount equal to the price of a regular coach class ticket on the Company specified airline, whichever is less.

(2) Compensation for travel time will be for the anticipated total time that would have been required for travel via the air transportation specified.

(H) When an employee receiving board and lodging on a detail assignment desires to return to the Report Location over the unassigned weekend or unassigned Company Recognized Holiday, the employee may:

(1) elect to remain on board and lodging; or

(2) if transportation expenses to the Report Location are less than the expenses the Company would incur if the employee remains on Board and Lodging, the Company will pay for or furnish the round trip transportation in lieu of board and lodging. When paid for, reimbursement shall be at the rate authorized by Article 24, Automobile Mileage Expense, or the price of a Company specified airline ticket, whichever is less; or if transportation expenses to the Report Location is more than the expenses the Company would incur if the employee remains on board and lodging the employee may:

a) return to the Report Location. However, the Company will only pay for the expense up to the amount the Company would have incurred had the employee remain on board and lodging. Any additional expenses will be the responsibility of the employee.

b) elect, every third weekend, to be furnished transportation or transportation expense from the detail location in lieu of all board and lodging expenses and/or allowances for the weekend.

Travel time outside of scheduled work time shall not be compensated for nor considered as time worked.

25.06 If an employee elects the board and lodging provisions as outlined in paragraph 25.05 above and is required to travel between Detail Locations, the employee shall be directed to travel either by Company vehicle, public transportation or private conveyance.

(A) If the employee is directed to travel in a Company vehicle or by public conveyance, the employee shall receive the same work time consideration as described in paragraph 25.07 below. No transportation expense shall be paid when Company vehicle is used. If public transportation is utilized, the employee will be reimbursed for expenses incurred.

(B) Should the employee be granted approval to employ private transportation instead of public transportation, the employee shall be reimbursed, as provided for in Article 24, Automobile Mileage Expense, for the distance traveled between their Report and the Detail Location or between the Detail Locations as appropriate. Such travel time will be treated in accordance with paragraph 25.07 below.

25.07 Employees who drive Company cars or trucks on Company business, or who are directed by their supervisor to travel in Company cars or trucks on Company business, shall be paid travel time on the same basis as those performing productive work.

25.08 Where the requirements of statutes or regulations demand that per diem amounts in excess of a set amount be reported as income and the per diem amount set by this Agreement exceeds that amount, the employee may elect to receive either the per diem amount set by regulation or the per diem amount set by this Agreement.

25.09 When an employee is required to travel outside of the SBC Midwest Region, the Company and the Union may reach agreement that will increase the amounts detailed in this Article to cover extraordinary expenses which could be incurred by the employee.

ARTICLE 26

TRAINING AND EMPLOYMENT SECURITY

Training & Retraining

26.01 In the present environment of fast-paced technological developments and structural changes, the Parties recognize the benefits in offering to employees, training and re-training programs for personal or career development.

26.02 The personal or career development training and the job displacement retraining programs contemplated by this provision will be generic in nature and separate and distinguished from the current job specific training instruction. Nothing in these programs will supersede the applicable promotion or transfer provisions of the Collective Bargaining Agreement.

26.03 The Career & Personal Development Plan may be used as an educational self development aid to assist employees in their personal development or preparing themselves for career progression opportunities or job changes within the Company.

(A) Training shall be generic in nature as opposed to job specific and shall cover technical, sales, clerical and other fundamental skills.

(B) Any regular employee with at least one (1) year of net credited service shall be eligible to participate in such training under the terms of the program.

(C) Participation by employees in the personal or career development training program shall be voluntary, and time spent by employees in such training shall be outside scheduled working hours and not paid or considered as time worked for any purpose.

(D) Successful completion by an employee of any training or courses offered pursuant to such program will be taken into account by the Company when considering the employee for an upgrade or transfer.

- 26.04 The Career & Personal Development Plan may be used to prepare employees, whose jobs are being displaced or whose jobs are being restructured to a wage schedule with a lower maximum wage rate, to enhance their ability to qualify for anticipated job vacancies within the Company.
- (A) Employees shall be informed of potential displacements as soon as possible and depending on the number of any anticipated job openings shall be offered training, if necessary, which is intended to enable them to qualify for such job openings in the Company.
 - (B) All regular employees, who are notified of potential displacement of their current job or job restructuring to a lower wage rate, shall be eligible to participate in such training regardless of length of service.
 - (C) Participation by employees in job displacement training shall be voluntary, and time spent by employees in such training shall be outside scheduled working hours and not paid or considered as time worked for any purpose, unless the Company determines it appropriate in specific instances to permit the employees to receive such training during working hours.

The Career & Personal Development Plan

26.05 There shall be a program called the "Career & Personal Development Plan", hereafter referred to as "CPDP" and such Program will include the following:

- (A) Assessment of employee's aptitude/skills through a counseling process;

- (C) assistance in sharpening training skills, studying and testing; and
- (D) assessment of prior formal and informal education for college credit.

Each employee eligible for and participating in CPDP will be eligible for any or all portions of the Program, provided a CPDP counselor finds such portions of the Program appropriate for the employee.

26.06 Those employees eligible for CPDP must be:

- (A) Classified as regular full-time employees or regular part-time employees whose equivalent work week classification is twenty-five (25) hours or more;
- (B) on the active payroll;
- (C) in possession of at least one (1) year net credited service; and
- (D) not concurrently enrolled in any Company-sponsored tuition reimbursement program.

26.07 Eligibility to remain in the Program will be forfeited by those who on two (2) occasions fail a course during their participation in CPDP and/or who fail to complete a course while participating in the Program. Disability or business reasons may be grounds to waive such ineligibility at the Company's discretion. An employee who participates in CPDP and who is adversely impacted by the decisions of the Program Administrator on his or her curriculum or on his or her eligibility to participate in CPDP may appeal such decision through a Union representative to the appropriate Executive Director - Labor Relations or his or her designee. Employees dropped from the Program may be reinstated to the Program after waiting for at least one (1) academic year.

- 26.08 Enrollment by employees in CPDP will be voluntary and time spent by employees in the Program will be outside of scheduled working hours and not paid or considered as time worked for any purpose.
- 26.09 Employees eligible for CPDP may receive counseling, testing and Company pre-paid tuition assistance.
- 26.10 Selected educational institutions will be utilized to deliver services, courses and programs. The Company reserves the right to approve institutions, services, courses and programs.
- 26.11 Employees participating in CPDP will be reimbursed for fifty percent (50%) of textbook costs annually upon successful completion of approved courses and programs. Participants will also be reimbursed for one hundred percent (100%) of fees to a maximum of Two Hundred Fifty Dollars (\$250) annually upon successful completion of approved courses and programs.
- 26.12 The amounts of any refunds, charges for negligence, and outside assistance (grants, remissions, scholarships, veteran's assistance, etc.) shall be deducted from the Program payments.
- 26.13 In no event will the cost to the Company for each employee's direct CPDP expenses (i.e. tuition, books, fees, workshops, counseling) exceed Three Thousand Five Hundred Dollars (\$3,500) annually. Employees participating in the Program at the time this cost figure is reached will be able to complete the course in which they are currently enrolled and be reimbursed according to this Section.
- 26.14 The Program Administrator, to be determined by the Company, shall carry out the purpose and intent of the CPDP.
- 26.15 A Union representative will provide assistance and advice to the Company via the appropriate Executive Director - Labor Relations or his or her designee regarding the effectiveness of the Program. Recommendations for additions, amendments, or deletions to the Program shall be submitted to the Program Administrator. Nothing in the Program or its administration shall be subject to the grievance and arbitration procedures as set forth in Article 12, Problem Resolution Procedures.
- 26.16 The Company will make payments for any courses, testing and/or counseling that begin before the expiration of this Agreement.

Technological Change

- 26.17 The Union and the Company realize the need for joint discussion and cooperation in resolution of issues related to technological change and change in the business of the Company.
- 26.18 The Company and the Union recognize the need to discuss major technological changes (including changes in equipment, the design, testing, implementation and evaluation of new technology, organization, or methods of operation) that may or will affect the Company and its employees.
- 26.19 The Parties, therefore, will attempt to diminish or abolish the detrimental effects of any such technological change by reviewing problems, discussing the application and terms of various contract provisions and Company programs and recommending solutions to problems in this area.
- 26.20 The Company shall notify the Union at least six (6) months in advance of planned major technological changes, when possible through the Labor Advisory Forum. The Com-

pany shall advise the Union of its plan with respect to the introduction of such changes, and shall familiarize the Union with the progress being made.

26.21 If during the term of this Agreement, the Company notifies the Union in writing that a force surplus condition may exist as defined in Section: Force Adjustment, below, and said force surplus cannot be eliminated through force rearrangement, the Company shall offer Supplemental Income Protection Program (SIPP) benefits as follows:

- (A) Prior to a formal declaration of surplus, SIPP shall be offered to employees, in seniority order, in an anticipated Surplus Work Group, and to the extent necessary to eliminate the anticipated surplus. These employees will have four (4) working days to respond to the offer.

Employees accepting SIPP as outlined above shall be required to remain with the Company until that date determined by management to be the employee's severance date in order for the employee to receive the SIPP payment.

- (B) An employee's election to leave the service of the Company and receive Supplemental Income Protection Program benefits may not be revoked.

- (B) The number of employees who may make such election shall not exceed the number of employees determined by the Company.
- (C) An employee's election to leave the service of the Company and receive Supplemental Income Protection Program benefits must be in writing and transmitted to the Company within thirty (30) days from the date of the Company's offer in order to be effective and it may not be revoked after such thirty (30) day period except as provided in subparagraph (E) below.
- (D) Within sixty (60) days of the close of the offer period, the Company will notify employees in writing that their election to leave service and receive Supplemental Income Protection Program benefits has been accepted. When possible, such notice will include an anticipated date that employees will be removed from the Company's payroll.
- (E) If employees have been given an anticipated date of removal from the Company's payroll and the Company subsequently notifies employees that the date has been delayed by ninety (90) days or more, such employees shall have the option of revoking their Supplemental Income Protection Program election by notifying the Company in writing within ten (10) days of the Company's notification of delay.

26.23 Supplemental Income Protection Program payments for employees who so elect to leave the service of the Company in accordance with paragraphs 26.21 or 26.22 shall be based on the employee's basic weekly wage rate, prorated for part-time employees, and term of employment at the time of leaving service and shall be computed in accor-

- 26.26 In no event shall an employee receiving Supplemental Income Protection Program payments be eligible to receive a termination payment in accordance with the provisions of Section: Termination Payments, following.

If the number of weeks from the effective date of leaving service to the date of employment or reemployment is less than the number of weeks pay upon which the total payment was based, exclusive of any payment in lieu of vacation, the amount paid to the employee for the excess number of weeks shall be considered as an advance to the employee by the Company and repayment shall be made through payroll deductions by the employing Company at the rate of fifteen percent (15%) of the employee's basic weekly wage rate until the amount of the excess is repaid.
- 26.28 No portion of this Section: Supplemental Income Protection Program, shall be subject to arbitration.

These definitions shall apply for purposes of force adjustment only.

- (A) **Lateral Transfer** - A lateral transfer is a change to another place of reporting with the same job title or to another job title, for which the maximum basic rate of pay is within or equal to plus Twenty-Five Dollars (\$25) or minus Ten Dollars (\$10) of the established maximum basic rate of pay for the employee's prior job title.
- (B) **Downgrade** - A downgrade is a change to a job title with an established maximum basic rate of pay which is more than Ten Dollars (\$10) lower than the employee's prior job title.
- (C) **Surplus Employee Group** - A Surplus Employee Group, as determined by the Company, is the group in which the surplus exists.
- (D) **Hometown Job Area (HJA)** - The Hometown Job Area comprises the Exchange in which the Surplus Employee Group is located and those contiguous Exchanges within the same state. (An Exchange is the territory designated for exchange telephone service for a city or town and its environs. These are set forth in Attachment 1 to this Article.)
- (E) **Expanded Hometown Job Area (EHJA)** - An Expanded Hometown Job Area comprises the Hometown Job Area and those Exchanges contiguous to the Hometown Job Area within the same state.
- (F) **Surplus Transfer Request** - A Surplus Transfer Request is a transfer request that affords a surplus employee the opportunity to receive consideration for any available non-management position at any location within the Company and priority consideration for any lateral or downgrade placement. In addition, a surplus employee shall have priority consideration for available non-management upgrade positions in the EHJA if the surplus employee has qualifications for the job that are substantially equal to those of other candidates and has self-nominated for the position through the Non-management Staffing Plan.
- (G) **Voluntary Supplemental Income Protection Program (SIPP) Candidate Request** - Any regular full-time, non-surplus employee who has met time-on-title requirements may express interest in receiving SIPP by submitting a Voluntary SIPP Candidate Request. Such a candidate shall have two (2) business days following a Voluntary SIPP Payment offer by the Company to confirm acceptance of the offer. Failure to confirm acceptance within this time frame shall result in the Request being canceled. In such a case, a new Request may not be submitted for thirty (30) calendar days following the cancellation of the prior Request. A former surplus employee who has been placed in an upgrade position vacated by the acceptance of a Voluntary SIPP Payment by a Voluntary SIPP Candidate must reestablish time-on-title prior to submitting a Voluntary SIPP Candidate Request.
- (H) **Transitional Leave of Absence (TLA)** - The Transitional Leave of Absence is a leave that may be offered to eligible surplus employees as business needs dictate in order to eliminate a surplus condition. The TLA only applies to surplus employees who, as of their force disposition date, are within twenty-four (24) months of achieving eligibility under the APP or successors or assigns thereto and who have not declined a lateral job offer in the HJA. A TLA may be offered no earlier than twenty-eight (28) calendar days following the surplus notification.

26.37 When the Company determines that a force surplus exists, it shall, prior to notifying the affected employees, advise the Union in writing with respect to the employee group(s) involved, job title(s) and approximate number of employees affected, the location(s) or

geographical area(s), and the anticipated force disposition date. Notification to the affected employees shall be made as soon as practicable, but no later than ninety (90) calendar days prior to the anticipated force disposition date. No affected employee shall be involuntarily terminated prior to ninety (90) calendar days following such notification. Any employee who elects not to accept a job in the Hometown Job Area which does not result in a downgrade shall be considered to have resigned from the Company and will not be paid a termination payment.

Surplus orientation meetings shall be held with affected employees as soon as practicable. During these meetings the procedures and due dates described in this Section shall be explained.

26.38 The Company shall first attempt to reduce or eliminate the surplus within the Surplus Employee Group by offering lateral transfers by order of seniority, offering downgrades by order of seniority and involuntarily moving employees by inverse order of seniority to lateral positions within the employee group within the HJA.

26.39 An affected employee shall notify the Company of their acceptance of any "follow-the-work" job offer, where applicable, within thirty (30) calendar days following the affected employee's surplus notification or by such later date as is determined by the Company. Failure to so notify the Company by the deadline date shall constitute rejection of the offer.

Whenever a surplus situation exists which requires that employees within the Surplus Employee Group have the opportunity to "follow the work" to another employee group, the employees from both employee groups shall be considered on a "pooled seniority basis" to fill available jobs within the then consolidated employee group.

26.40 In the event that a surplus remains following the application of paragraph 26.21(A), preceding, the Company shall canvass non-surplus employees who have filed Voluntary SIPP Candidate Requests for confirmation that they are willing to accept Voluntary SIPP Payments under Section: Supplemental Income Protection Program, above, and voluntarily terminate from the Company.

(A) Voluntary SIPP Payments shall be offered to non-surplus Voluntary SIPP Candidates beginning no earlier than thirty-two (32) calendar days following the affected employees' surplus notification. Such a Candidate will have two (2) working days following a Voluntary SIPP Payment offer to confirm acceptance of the offer.

(B) The canvassing of Voluntary SIPP Candidates and the placement of qualified surplus employees in the vacancies thus created, shall be in seniority order and in the following order of consideration:

- (1) The same job title in the HJA;
- (2) The same job title in the EHJA (if the employee has expressed an interest in the position on the Surplus Transfer Request);
- (3) A lateral position in the HJA;
- (4) A lateral position in the EHJA (if the employee has expressed an interest in the position on the Surplus Transfer Request);
- (5) A downgrade in the HJA;
- (6) A downgrade in the EHJA (if the employee has expressed an interest in the position on the Surplus Transfer Request).

- (7) The same job title, a lateral position or a downgrade (in that order) in up to four (4) exchanges outside the EHJA as specified by the surplus employee on the Surplus Transfer Request.
- (C) If a surplus employee refuses a job offer under paragraph 26.40, (B) no further job offers for that job title and location shall be made to the employee.
- (D) Any surplus employee who does not receive a job offer as outlined above may elect to replace the most senior Voluntary SIPP Candidate (for whose job the surplus employee is qualified) who has confirmed interest in accepting the Voluntary SIPP Payment and who holds the same job title as the surplus employee within the state.
- (E) Any remaining surplus employee who does not receive a job offer as outlined in paragraph (D) may elect to replace the most senior Voluntary SIPP Candidate (for whose job the surplus employee is qualified) who has confirmed interest in accepting the Voluntary SIPP Payment within the state.
- 26.41 Any surplus employee who has filed a Surplus Transfer Request within the requisite time frame, but has not received a job offer prior to the Force Disposition Date, and for whom no Voluntary SIPP Candidates were identified in accordance with Article 26.40 (A) and (B) above, shall be entitled, by order of seniority, to displace the least senior employee with their same job title, in their same Market Business Unit or in their same operating division of the Network organization, within the Hometown Job Area, provided the senior employee meets the basic qualifications of the job. [The displaced junior employee shall be subject to layoff fourteen (14) calendar days following notification of displacement.]
- 26.42 If a surplus remains after application of paragraph 26.40, preceding, any remaining surplus employees within the Surplus Employee Group may, upon election:
- (A) Displace, if such displacement can be achieved with limited or no training, the least-senior occasional, temporary or regular limited term employee within the EHJA. A surplus employee who displaces an occasional, temporary or regular limited term employee shall assume that employee's work completion date and the surplus employee's force disposition date shall be extended to coincide with the completion date. The employee shall also retain surplus status and job title up to the date of the extended force disposition date.
- (B) Be allowed to fill an available, open requisition which has been submitted under the classification of regular limited term which requires more than little or no training for which the surplus employee is qualified. A surplus employee who accepts such a position will assume the work completion date established for the regular limited term position and will no longer be considered surplus for the purpose of priority placement consideration, although other provisions of Article 26 will apply. In addition, after accepting this regular limited term position, the surplus employee may not participate in the Non-management Staffing Plan unless approved by the Company. Should the position be reclassified as regular full-time, or after twenty-four (24) months on the assignment, the employee would assume non-surplus status. If the employee should be work completed on the work completion date of the regular limited term assignment, the provisions of this article regarding termination pay and other related issues would apply.
- 26.43 At the force disposition date, any remaining surplus employees within the Surplus Employee Group who have not previously accepted SIPP or a job offer, shall be laid off by inverse order of seniority until the surplus is eliminated. Such employees shall receive termination payments in accordance with Section: Termination Payments following.

- 26.44 Wage treatment for employees who accept or receive jobs pursuant to the Force Adjustment procedures, set forth in this Section, shall be in accordance with the applicable provisions of this Collective Bargaining Agreement.
- 26.45 The force adjustment procedure herein shall not preclude limited, mutually agreed upon Union-Management modifications with respect to the geographic scope of the HJA and EHJA. ("Union" shall mean the Vice President of District 4, CWA, or other designated representative. "Management" shall mean the Vice President-Labor Relations or other designated representative.) Any such modifications will apply on a one-time basis and will not serve as precedent for other current or future force surplus adjustment procedures.
- 26.46 Surplus employees who accept a job under paragraph 26.36 (F) and who meet the conditions outlined under Section: Relocation, above, shall receive relocation payments. Those relocated employees and those surplus employees that transfer out of their HJA may utilize the Non-management Staffing Plan to be considered for either a lateral job or a downgrade, for which they are qualified, in their former HJA or EHJA. This opportunity shall remain in effect for two (2) years following the placement necessitating the employee's relocation or transfer and the employee shall, in order of seniority with other employees similarly situated, be given first preference, after surplus for a lateral job or a downgrade. The relocated employee shall not receive reimbursement for relocation expenses back to their former exchange.

Recalls & Reemployment

- 26.47 If additions to the work force are required in any work group within two (2) years of the last layoff made in such work group under a program of layoffs, the Company shall proceed as follows before hiring new regular employees.
- 26.48 The Company shall offer reemployment in order of seniority to regular full-time laid off employees, provided that the period of layoff of such former employees does not exceed two (2) years, in the following order:
- (A) Former employees who were laid off from the work group.
 - (B) Former employees whose work location at the time of layoff was less than thirty-five (35) road miles, by the most direct route, from the work location of the work group being added to and who were qualified by experience at the time of layoff to perform the duties of an available job.
 - (C) Former employees the same as described in (B) above except who were not qualified by experience at the time of layoff to perform the duties of an available job.
 - (D) Former employees whose work location at the time of layoff was thirty-five (35) road miles or more, by the most direct route, from the work location of the work group being added to and who were qualified by experience at the time of layoff to perform the duties of an available job.
 - (E) Former employees the same as described in (D) above except who were not qualified by experience at the time of layoff to perform the duties of an available job.
- 26.49 Former employees under paragraph 26.48 (C) and (E) above who are offered a job and who wish to pursue the job opportunity, must demonstrate qualifications to the satisfaction of the Company which shall be identical to those the Company requires of newly hired employees. Failure to make such demonstration will not result in the former employee being removed from the recall list, but will entitle the Company to consider the next appropriate candidate.

- 26.50 Former employees must keep the Company informed of the address at which they can be reached. Any offer of reemployment shall be made by registered, return receipt requested mail addressed to the latest address furnished by the former employee. When an offer of employment has been so made, the former employee shall indicate their acceptance within seven (7) work days from receipt of the Company's offer.
- 26.51 The following actions on the part of a former employee will constitute a forfeiture of reemployment rights and the employee's name will be removed from the recall list:
- (A) Failure to notify the Company of their acceptance of an offer of reemployment within seven (7) days;
 - (B) Failure to report for duty on the date specified after acceptance of the offer of reemployment; or
 - (C) Refusal of the offer of reemployment within their former EHJA as set forth in Section: Force Adjustment, preceding.
- 26.52 When a former employee is recalled and assigned to the same, a lateral or a lower rated job title than their job title at the time of layoff, they shall be placed on the new wage schedule at the same monthly step which they were at when laid off.
- 26.53 Former employees whose new work location is thirty-five (35) or more road miles, by the most direct route, farther from their residence than was their work location at the time of layoff shall be granted a relocation allowance of Four Thousand Dollars (\$4,000). However, if the former employee participated in the Training Opportunity Plan (TOP) upon layoff, they will not be eligible for this relocation allowance. If paid, this relocation allowance must be returned to the Company if the former employee does not both report to their new work location and relocate their residence within one (1) year of the date of reemployment unless an extension has been specifically authorized by the Company. This relocation allowance is in lieu of any other payment for relocation expenses and shall be applied against the amount of termination payment to be repaid, if any, under the provisions of paragraph 26.58 of Section: Termination Payments.

Termination Payments

- 26.54 A termination payment, plus compensation for any vacation days, Excused Work Days and Floating Holidays to which the employee is eligible at the time of leaving the Company's service, shall be paid to a regular employee laid off because of lack of work, or may be paid at the discretion of the Company to an employee whose services are terminated for reasons such as unadaptability or inability to properly perform assigned job duties.
- 26.55 In no event shall an employee receiving a termination payment be eligible to receive payments in accordance with the provisions of Section: Supplemental Income Protection Program, above. Further, regular employees who are discharged or who resign from the service of the Company shall not be eligible for termination payments except as provided in paragraph 26.54 above.
- 26.56 The amount of a termination payment shall be based on the employee's basic weekly wage rate, prorated for part-time employees, and term of employment at the time of

leaving service and shall be computed in accordance with the following schedule:

<u>Term of Employment</u>	<u>Amount of Payment</u>
Less than 6 months	None
6 months but less than one year	1 week pay
1 year but less than 2 years	2 weeks' pay
2 years but less than 3 years	3 " "
3 years but less than 4 years	4 " "
4 years but less than 5 years	5 " "
5 years but less than 6 years	6 " "
6 years but less than 7 years	8 " "
7 years but less than 8 years	10 " "
8 years but less than 9 years	12 " "
9 years but less than 10 years	14 " "
10 years but less than 11 years	16 " "
11 years but less than 12 years	19 " "
12 years but less than 13 years	22 " "
13 years but less than 14 years	25 " "
14 years but less than 15 years	28 " "
	+4 weeks each additional full year

The maximum number of weeks payable as termination payments shall in no event exceed eighty-eight (88) weeks of pay.

- 26.57 Termination payments shall, at the employee's option, be paid as follows: (1) One-half of the total amount calculated above shall be paid as a lump sum within sixty (60) days after the employee has left service and the remaining half will be paid in monthly amounts of Six Hundred Dollars (\$600.00) beginning within thirty (30) days after the employee has left service and continuing until the total amount has been paid; or (2) The total amount calculated above shall be paid as a lump sum within sixty (60) days after the employee has left service; or (3) the total amount calculated above shall be paid out in twelve (12) equal monthly payments
- 26.58 An employee who has left the service of the Company and who has received a termination payment and who is employed or reemployed by any of the companies referred to in paragraph 26.60 will be treated as follows. If the number of weeks from the effective date of leaving service to the date of employment or reemployment is less than the number of weeks' pay upon which the termination payment was based, exclusive of any payment in lieu of vacation, the amount paid to the employee for the excess number of weeks shall be considered as an advance to the employee by the Company and repayment shall be made through authorized payroll deductions at the rate of fifteen percent (15%) of the employee's basic weekly wage rate until the amount of excess is repaid.
- 26.59 A re-engaged employee who has received a termination payment and who is again laid off will be paid the difference between the computed payment to which he or she is eligible and the net amount of any payment which he or she may have received due to any previous layoff.
- 26.60 The provisions of this Section do not apply in case of an employee leaving service voluntarily, an employee on a leave of absence, or an employee transferred to any other SBC Midwest Company or a Company directly or indirectly owned by SBC Midwest which participates in the APP, or successors or assigns thereto.

Extended Medical Coverage

26.61 Employees who are not eligible for a service pension and whose employment is terminated as a result of layoff or application of the force adjustment procedures, or who elect to leave the service of the Company pursuant to the provisions of the Supplemental Income Protection Program, shall continue to remain eligible for coverage for up to eighteen (18) months under the Comprehensive Health Care Plan Program or its successor Program, as follows:

- (A) An employee whose Net Credited Service is five (5) years or more will be eligible for coverage at Company expense for a period of six (6) months following the month in which employment is terminated. The employee may elect to continue such coverage for an additional twelve (12) months at the employee's expense by paying the monthly premium amount.
- (B) An employee whose Net Credited Service is at least one (1) year but less than five (5) years will be eligible for coverage at Company expense for a period of three (3) months following the month in which employment is terminated. The employee may elect to continue such coverage for an additional fifteen (15) months at the employee's expense by paying the monthly premium amount.
- (C) An employee with less than one (1) year of Net Credited Service who is eligible for coverage at the time of termination of employment may elect to continue such coverage at the employee's expense for a period of eighteen (18) months following the month in which employment is terminated by paying the monthly premium amount.

Payment of extended medical coverage by the Company, however, shall not extend the period of coverage beyond that required to be provided by the Consolidated Omnibus Budget Reconciliation Act ("COBRA") of 1986.

26.62 The extended medical coverage shall be on the same basis and in the same amount to which the employee was entitled immediately prior to leaving the service of the Company. If during the period of any extended medical coverage, as set forth above, the medical expense coverage is changed for employees who remain on the payroll, the same changes will be applied to persons participating in this extended medical coverage program.

Scheduling

- 27.01 Insofar as service requirements and the conditions of the business permit, selection of schedules for shifts shall normally be by seniority. The responsibility for determining the requirements and conditions rests solely with the Company. No provision of this Agreement will constitute a guarantee as to the minimum or maximum number of hours of work per week which may be required on the part of any employee.
- 27.02 Weekly schedules will be prepared by the Company and will show the employee's tour, shifts, non-scheduled days, lunch periods and breaks. Not later than 3:00 p.m. on Thursday of each week, schedules for the next calendar week shall be posted or otherwise made available to show the assignments for each employee during the following week.
- 27.03 Assignments will be adhered to unless the Company determines that service requirements and business conditions dictate otherwise. When the starting or ending time of an assigned shift (with the exception of the Sunday following the posted schedule) is changed on an assigned day after 3:00 p.m. Thursday of the preceding week by the Company, the employee whose shift has been changed shall be paid at one and one-half (1 ½) times their basic hourly wage rate for all hours worked outside of the hours of the originally assigned shift on that day. Such payment will not be paid in the cases of emergency (including events of national or local importance, fire, explosion, or other catastrophe, civil strife, severe weather conditions, or any other occurrence which restricts the Company in meeting service demands).
- 27.04 The Company may agree to schedule changes requested by employees and approved by the immediate Supervisor provided such changes do not violate any other provisions of this Section. When schedules are changed by mutual consent of the employees involved with the approval of the immediate Supervisor, the original scheduled time shall be considered canceled and the newly assigned time shall become the scheduled time. In such cases, the provisions of Paragraph 27.03 shall not apply.
- 27.05 At least ten (10) hours must elapse between the end of a scheduled shift and the start of the next scheduled or rescheduled shift unless waived by the employee.

Lunch Periods & Breaks

- 27.06 A shift shall include break(s) and exclude lunch.
- 27.07 A lunch period, not to exceed one (1) hour, will be granted to employees.
- 27.08 The normal lunch period for full-time employees shall be non-paid between one-half (1/2) hour and one (1) hour in duration and shall be taken between the third (3rd) and sixth (6th) hour of a shift, as scheduled by the Company.
- 27.09 All full-time employees shall be assigned a fifteen (15) minute break during each session of their assigned shift. Such breaks shall be assigned no earlier than one (1) and one half (1 ½) hours after the start of a session nor later than one (1) hour before the end of a session. In the case of full-time employees assigned to six (6) hour shifts, two (2) consecutive breaks shall be assigned as near to the middle of the shift as feasible.

Shift Differential

- 27.10 Full-time employees will be paid a shift differential for evening and night work in accordance with the following schedule:

Type of Shift**Weekly Shift Differential**

MEMORANDUM OF AGREEMENT**TRAINING OPPORTUNITY PLAN**

This Memorandum of Agreement covers understandings reached by the Union and the Company regarding the Training Opportunity Plan hereafter referred to as "TOP" as follows:

1. **Eligibility:** - A regular employee who, after the effective date of this Agreement, is declared surplus pursuant to Article 26, Training and Employment Security, Section: Force Adjustment, and who has not been offered any position in their Hometown Job Area (HJA), or in an exchange as specified in paragraph 26.40 (B) (7) (the Expanded Voluntary SIPP option) prior to the Force Disposition Date may participate in TOP after layoff, if previously elected by the employee.
2. **Participation:** - No later than five (5) days prior to the Force Disposition Date, an eligible employee may elect participation in TOP.
 - An employee who elects to participate in the Training Opportunity Plan (TOP) cannot participate in the Employment Security Commitment (ESC).
 - The TOP participant must maintain a Surplus Transfer Request (STR) on file indicating the employee's preference on laterals, downgrades and upgrades in their HJA and EHJA for purposes of placement consideration as further defined below in paragraph 5, Reemployment While in TOP Status. The TOP participant to whom a job offer has been made has one (1) working day to accept the offer, after which it will be considered rejected.
3. **Income Continuation:** - A TOP participant will receive their termination payments in income continuation installments equal to their basic weekly wage rate (less appropriate taxes) at the time of layoff. Income continuation installments will continue until whichever of the following occurs first:
 - The TOP participant refuses a lateral or upgrade job offer in their HJA. Termination payments will stop immediately and the balance will not be paid to the TOP participant.
 - The TOP participant refuses a downgrade job offer in the HJA, a job offer in the EHJA or a job offer outside the EHJA and receives the balance of their termination payments.
 - The TOP participant obtains other full-time or part-time employment as defined by the Company with a non-SBC Midwest Company and receives the balance of their termination payments.
 - The TOP participant's termination payments are exhausted.
 - The TOP participant fills a regular full-time job vacancy in another SBC Midwest Company. Termination payments will stop immediately and the balance will not be paid to the TOP participant.
 - The TOP participant fills a job vacancy with the Company in accordance with contractual reemployment rights. A TOP participant may be selected for recall from layoff to fill an available job opening for a job never held by the TOP participant utilizing a "most qualified" over basic qualified selection process, irrespective of the recall from layoff provisions as set forth in the Parties' Collective Bargaining Agreement.
 - The TOP participant elects to voluntarily terminate participation in TOP and receives the balance of the termination payments.

Appendix A

A2

4. **Duration of Participation:** - In no event may an individual remain in TOP for more than one (1) year from the initial date of layoff. At the end of that year, the balance of a TOP participant's termination payment, if any, will be paid to the participant as a lump sum. However, the TOP participant will be reimbursed to a maximum of Four Thousand Dollars (\$4,000) for approved actual expenses incurred for training/retraining for up to two (2) years from date of layoff. (See "Reimbursement Feature" following.)

5. **Reemployment While In TOP Status:** - Although laid off, a TOP participant will receive the same priority consideration as that afforded a surplus employee described in Article 26, Training and Employment Security, Section: Force Adjustment, paragraph 26.36 (F) for positions only in their HJA and EHJA. The Non-Management Staffing Plan will not be available to TOP participants. Once the participant's termination payments are exhausted or at the end of one (1) year (whichever occurs first), reemployment rights under the provisions of Article 26, Training and Employment Security, Section: Recalls & Reemployment will continue to apply for the duration of the two (2) year Recall & Reemployment period.
 - The Company will retain the undistributed balance of termination payments in the event of reemployment.
 - A TOP participant who is reemployed with the Company or any other SBC Midwest Company and who is again laid off will be paid the difference between the termination payment at the time of layoff and the amount of termination payment previously received while in TOP. Said employee is not eligible to enroll again in TOP.

6. **Benefit Continuation:** - A laid off employee who elects TOP participation becomes eligible for a maximum of one (1) year of Company-paid benefits from the beginning date of TOP participation as provided herein:
 - Ameritech Comprehensive Health Care Plan coverage; Ameritech Dental Expense Plan coverage; Ameritech Vision Care Plan coverage; and Basic Group Life Insurance coverage.
 - Ameritech Comprehensive Health Care Plan benefits provided under TOP shall run concurrently with the extended medical coverage to which the TOP participant may be entitled under the Parties' Collective Bargaining Agreement and shall not extend the period of coverage beyond that required to be provided by the Consolidated Omnibus Budget Reconciliation Act ("COBRA") of 1986.

Such benefits will continue until whichever of the following occurs first:

- Termination payments are exhausted.
 - The TOP participant is reemployed in a regular full-time position by the Company or another SBC Midwest Company, or obtains other regular full-time or part-time employment, as defined by the Company, with a non-SBC Midwest company.
 - The TOP participant elects to voluntarily terminate participation in TOP and receives the balance of the termination payments.
 - A maximum of one (1) year from the beginning date of TOP participation has transpired.
7. **Reimbursement Feature:** - TOP participants are eligible to receive up to a maximum of Four Thousand Dollars (\$4,000) for actual expenses incurred for tuition, training, job

placement services related to seeking employment, or for moving expenses if the TOP participant is required to move their residence in conjunction with a job elsewhere within SBC Midwest.

- Any such expense must be approved by the Company prior to being incurred.
- The Program Administrator will provide assistance to the TOP participant in selecting appropriate educational or training classes or programs; will conduct skills, interest and aptitude assessment, if necessary; and will recommend out-placement counseling where appropriate.
- Reimbursement will be made for approved expenses incurred within two (2) years from the date of layoff.
- The Program Administrator may recommend that a TOP participant take a Company training class. Such a class if approved, may be taken during TOP participation and up to one (1) year following the date of layoff.

During the period of TOP participation, if a TOP participant's spouse or registered domestic partner is unemployed, that spouse or registered domestic partner is also eligible to participate in the TOP reimbursement feature with the following limitations:

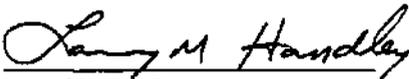

- Said participation shall not exceed Two Thousand Dollars (\$2,000) of Company approved expenses incurred for tuition/training.
- Any such expense must be approved by the Company prior to being incurred.
- Reimbursement will be made for approved expenses for one (1) year from the date the spouse's or registered domestic partner's TOP participation begins but in no event later than two (2) years from the date of the TOP participant's layoff.
- If the TOP participant is reemployed by the Company or another SBC Midwest Company, voluntarily terminates participation in TOP, refuses any job offer or obtains other regular full-time or part-time employment, as defined by the Company, with a non-SBC Midwest Company, the spouse or registered domestic partner will only be eligible to complete the current term of enrollment in training.

8. **Plan Administration:**

- Will be through a designated Company Program Administrator.
- Nothing in the Plan or its administration will be subject to the grievance and arbitration processes as set forth in the Parties' Collective Bargaining Agreement.

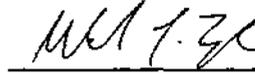

9. **Duration:** - The Training Opportunity Plan will remain effective during the term of the 2004 Collective Bargaining Agreement between the Parties.

MEMORANDUM OF AGREEMENT
FOUR DAY TOUR

The Union and Company recognize that in certain work groups it may be beneficial to the employees and in the best interest of the business to establish a four day schedule as a normal tour. Accordingly, in a work group where local management and the local union agree, the number of hours which presently constitute a normal five day tour will be scheduled in equal amounts over four days.

The work groups selected for such four day tours will be solely at the discretion of the Company. The local management and the local union will discuss the process by which the number of employees who volunteer will be assigned their shifts and tours. It is further agreed that if the needs of the business require the Company to discontinue the four day tour, the Company will notify the Union in advance.

Four day tours will be scheduled in advance as full tours. No daily overtime payment shall be made for any of the scheduled hours worked which constitute the normal four day tour.

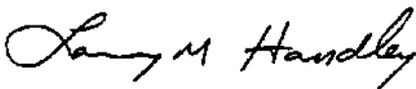

Subject to the above, and before implementing a four day schedule in any work group, the local management and the local union will establish the parameters and implementation procedures for such four day tours. Unless otherwise agreed, the following will apply:

- (1) Weeks in which holidays fall will revert to a normal five-day tour.
- (2) Employees scheduled for a week of vacation will have their tours revert to the normal five-day tour.
- (3) Employees pre-scheduled for Excused Work Days, Day-At-A-Time Vacation, Floating Holiday(s), or jury duty will revert their tours to the normal five-day tour. Non-scheduled Floating Holidays, Excused Work Days, or Day-At-A-Time Vacation within a week in which the employee's tour is four ten hour days will be treated as ten hour days. Employees may take no more than four ten hour unscheduled days (ie, forty hours) on a day-at-a-time basis. These unscheduled days include Floating Holidays, Excused Work Days, or Vacation days.
- (4) Payment will be based upon a ten hour day for employees who are absent because of sickness or accident disability during the course of the four day tour. If the disability continues into the next week, the employee's tour will revert to the normal five day tour.

This Memorandum of Agreement will remain in effect through the term of the 2004 Collective Bargaining Agreement between the Parties.

Section 1 - Purpose

The Company and the Union recognize the mutual desire for, and benefit from, an all employee entrepreneurial commitment to the service oriented, efficient and profitable operation of the business in order to assure the Company's continued success. Accordingly, the Company desires to recognize and reward eligible employees when the Company successfully achieves its annual financial objectives. Employees, who by their efforts have contributed to the Company's success, will share financially in that success for years 2005, 2006, 2007, 2008 and 2009 in the form of a Team Performance Award ("TPA").

Section 2 - Company Financial Objective

TPA payouts to employees will be based on the Company reaching the SBC Midwest business plan contribution target for each year, as approved by management. The financial results for each year will be the SBC Midwest Operating Contribution, as defined in Section 4 (f).

The period for measuring Company financial results and employees' eligibility to share in the distribution of profits shall be a calendar year.

Section 3 - Eligibility

To be eligible for a TPA, an individual must be a regular or regular limited term full or part-time employee who works for a minimum of three (3) months within the applicable year in a position covered by the Company's Collective Bargaining Agreement, and who:

- (a) Is on the Company's active payroll on December 31 of the applicable year; or
- (b) Is on sickness or accident disability or approved leave of absence as of December 31 of the applicable year; or
- (c) After March 31 of the applicable year dies, retires with a service pension, is transferred or promoted into or out of the Company bargaining unit covered position, or is laid off.

Section 4 - Definitions and Calculations

- (a) Time on the active payroll - For eligibility purposes (Section 3) an employee is considered on the active payroll of the Company except when on disability, leave of absence, work stoppage, layoff or suspension.
- (b) Full-time employee - One who is normally scheduled to work forty (40) hours per calendar week and those employees listed in Article 27 of the Collective Bargaining Agreement.
- (c) Part-time employee - One who is normally scheduled to work less than forty (40) hours per calendar week.
- (d) Full-time or part-time employee status - For TPA eligibility purposes, an individual will be considered full or part-time based on their status as of the last date in the year they are an active employee in a Union represented job.

- (e) TPA payouts - A payment equal to the gross dollar amounts provided for in the following matrix minus all appropriate federal, state and local income tax, FICA withholdings and other appropriate deductions.
- (f) SBC Midwest Operating Contribution – A figure representing the financial contribution of SBC Midwest to SBC for wireline and Industry Markets operations. This figure is currently a component of the formula on which management's team performance award is based. Should this component of the management award be modified for management during the life of this Memorandum, the same modifications will apply to calculations under this Memorandum.
- (g) GROSS DOLLAR AMOUNTS CALCULATIONS

Percent Financial Objective Attained						
<u>94%</u> <u>and Below</u>	<u>95%</u>	<u>96%</u>	<u>97%</u>	<u>98%</u>	<u>99%</u>	<u>100%</u> <u>and Above</u>
\$425	\$500	\$700	\$900	\$1100	\$1300	\$1500

Note: No interpolation between points or rounding involved; e.g., 98.01 to 98.99 pays out at 98.

- (h) Employee award categories:
- (1) A full-time employee who meets the eligibility requirement of Section 3 and who is on the active payroll for the complete year, will be awarded the maximum dollar amount in (g).
 - (2) A full-time employee who meets the eligibility requirements of Section 3 but who is either not on the active payroll for the complete year or does not work in a bargaining unit position for the complete year will receive a reduced dollar amount in (g) prorated on the basis of the number of months on the active payroll, rounded up to the nearest full month, during the year.
 - (3) A part-time employee who meets the eligibility requirements of Section 3 will receive a reduced award based on one-half (1/2) the dollar amount in (g).

(i) METHOD OF CALCULATION - STEPS

1. Determine the percent financial objective (Contribution) attained.
2. Determine, for each employee who meets the eligibility requirements of Section 3, their award category as defined in (h).
3. Determine the gross dollar amount from the matrix provided in (g).
4. The maximum award will be the net dollar amount subtracting appropriate federal, state and local income taxes, FICA withholdings and other appropriate deductions from the gross dollar amount determined in (i) 3.
5. A reduced award will be the net dollar amount to be used by taking one-half (1/2) the gross dollar amount determined in (h) 3 and subtracting the appropriate federal, state and local income taxes, FICA withholdings and other appropriate deductions.

CONTRACTING OUT

This Memorandum of Agreement covers understandings reached between the Company and the Union regarding the use of contractors by the Company.

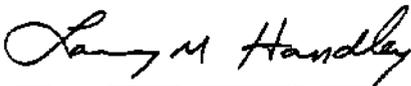

The Parties have discussed both the Company's need to contract out work and the concern of employees about the potential effects on them. The Company has stated that its objective in making decisions regarding the contracting out of work is to carefully consider the interests of customers and employees, as well as all other factors relating to management of the business.

While the Company cannot make specific commitments regarding the contracting out of work, it is the Company's general policy that traditional telephone work will not be contracted out if it will currently and directly cause layoffs or part-timing of regular employees in the Bargaining Unit. When reviewing bids received regarding contracting out, the Company will give consideration to utilizing available Union contractors, but the Company shall retain the sole discretion to select the contractor to receive the work.

CONTRACTING OUT REVIEW

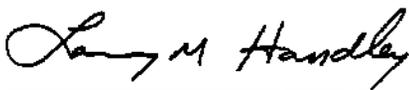

This Memorandum of Agreement covers discussions between the Company and the Union regarding the periodic review of contracted out work during the term of the Parties' 2004 Collective Bargaining Agreement.

1. On a quarterly basis, the Company's Executive Director - Labor Relations (or the designated Labor Relations representative), along with two (2) other Company representatives and the appointed representatives of the Union's Vice-President District 4 will meet to review traditional telephone work identified by the Union which has been contracted out. Union members shall consist of not more than three (3) Union Representatives. Committee members who are employees shall be compensated for attending Committee meetings authorized by the Company during the employee's scheduled shift at the employee's basic wage rate in accordance with Article 10.06 of the current Collective Bargaining Agreement. The Company will also pay associated reasonable transportation expense and/or lodging expense of employees, when authorized by the Company.
2. In advance of any scheduled review meeting, the Company will provide the following information regarding the identified subcontracted work to be reviewed: The name(s) of the contractor(s); the nature of the work; the zip code(s) of the location(s) where the work was performed; and, if available, the number of hours of work subcontracted and associated costs, provided such information is not considered proprietary information and the disclosure of such information is not detrimental to the operation of the business. 3. Where such suggestions are presented by the Union, the Company will give them due consideration and will advise the Union of its determination.

MEMORANDUM OF AGREEMENT

SBC MIDWEST NON-MANAGEMENT STAFFING PROCESS

This Memorandum of Agreement reflects the agreement reached between the Company and the Union regarding the SBC Midwest Non-Management Staffing Process.

This staffing process applies to all regular employees, except regular limited term employees unless mutually agreed to by the Union and the Company.

This memo does not change any of the contractual provisions for placement of surplus as defined in Article 26 of the Collective Bargaining Agreement (CBA).

If it becomes necessary to make changes to this agreed-upon staffing process such changes will be discussed with the Union prior to implementation.

Employees are encouraged to have a skill profile and test request on file prior to self-nominating for an open position, however, it is not mandatory to be considered for an open position.

Employees will be scheduled for testing based on projected job needs and employee availability (e.g. vacation, etc). If an employee is considered to be a candidate for an open position, but is unavailable for 5 business days or less to be scheduled for testing, regardless of whether there is a test request on file, the open position will not be filled until the employee can be tested.

If an employee, considered to be a candidate for an open position, is unavailable for 10 business days for test scheduling due to vacation and has had a test request on file for at least 30 days prior to the posting date of the open position, the open position will not be filled until the employee can be tested.

Employees who have not completed time on assignment requirements will be able to submit a request to be scheduled for testing three (3) months prior to the end of their time-on-assignment period.

Employees who are selected for positions through this agreed-upon SBC Midwest Staffing Process will be required to serve time-on-assignment when their job title changes and/or the content of their job changes. Generally a change in job content is a result of movement between operating divisions of the Network organization or Market Business Unit entities. Time on assignment must be served prior to an employee's transfer to a different job unless waived by management and agreed upon by Labor Relations.

Open positions will be posted for seven (7) calendar days. Employees will be able to self-nominate for these positions twenty-four (24) hours a day, seven (7) days a week. Employees may bid on an unlimited number of open positions.

All employees who have nominated for the open positions, including employees who are test qualified and those awaiting testing as noted above, will be considered for open positions provided such employees meet the requirements for satisfactory attendance and performance pursuant to the SBC Midwest Staffing Process and have satisfied time on assignment.

Appendix A

A12

Selection for open positions will be made by the Company in accordance with Article 15 of the Collective Bargaining Agreement.

If an employee selected for an open position is unable to satisfactorily complete training or is unable to satisfactorily perform the duties of the job during the first six (6) months following formal training, the employee will be retreated to his/her former job or a job of like status and pay, in comparison to his/her former job.

Employees who have accepted a promotion or a position involving a job content change may, within ninety (90) days of the effective date of the transfer, notify their supervisor in writing that they wish to retreat to their former position. Employees will be retreated to their former jobs or equivalent jobs as the needs of the business permit. However, new time on assignment requirements must be met before an individual voluntarily retreating may be considered for other open positions in the future.

The Company will provide the Union with copies of revised Job Briefs for its review and will consider the Union's input for future revisions.

A designated member of the Union may contact the designated Company counterpart to address the appropriateness of qualifications for a posted job vacancy. The Company will respond within two (2) business days as to the appropriateness of the qualifications for the posted job vacancy.

Skills verification will be required in situations where the skill is a factor in the selection of the candidate. Hiring Managers must return completed skills verification forms to the SBC Midwest Staffing Center.

On a requisition, twenty-five (25) points will be added to the most senior candidate, per job opening. If the most senior candidate declines the job, or is otherwise disqualified, the points will be reassigned to the next senior candidate. If that candidate declines the job or is disqualified, these same twenty-five (25) points will be successively assigned in seniority order until the requisition is filled.

If the Company determines it is necessary to make changes to the Additional Qualification points, currently within the range of 98-103, it will discuss the changes and any impact they may have with the Union.

An Oversight and Review Board composed of three (3) SBC Midwest representatives and three (3) members of the Union will meet quarterly, when necessary, and will:

- Monitor the ongoing operation of the SBC Midwest Staffing Process.
- Analyze its overall results.
- Provide a forum to address concerns raised about the staffing of jobs through the SBC Midwest Staffing Process, including skills verification.

The Company and the Union will continue, through the use of joint teams, to review the appropriate adders for each official job title within the Company. The teams will be made up of representatives of the Labor Relations and Company Staffing organizations, front line managers, a representative from the CWA Oversight Committee and Union-represented employees that are currently performing the job being reviewed.

As the Administrative Guidelines are updated, the Company will provide copies to the CWA International and each Local Union.

The Company will supply the CWA International the ability for "view only" access to the SBC Midwest Staffing system at a location of the Union's choice. Training costs of the Union Representative and reasonable time spent by the Union Representative jointly investigating grievances associated with the Staffing Plan with the Company Representatives will be assumed by the Company.

The following guidelines apply to Panel Interviews:

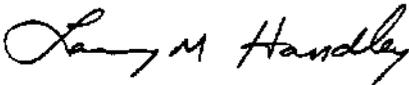

- Panel interviews will be restricted to a pass or fail criterion.
- All people participating as panel interviewers will be trained on the interview process.
- All interviews will be performed by a panel, not one individual.
- The interview will be consistently applied to all applicants for a position.
- The interview process will be used to assess skills or aptitudes as they relate to the position.
- The interview process will not be utilized to duplicate other tests.

This Memorandum of Agreement in no way changes the Union's grievance and arbitration rights which are in effect at the time of the signing of this Memorandum.

This Memorandum of Agreement shall remain in effect through the life of the 2004 Collective Bargaining Agreement.

MEMORANDUM OF AGREEMENT

CWA/SBC MIDWEST CUSTOMER SERVICE RESPONSE TEAM

The Company and the Union mutually recognize that responsive interaction and communication with customers by front line employees is essential to providing quality customer service and successfully meeting the challenges of a competitive marketplace.

Also recognized is the need to assure the front line employees a customer focused workplace wherein efficient high quality customer service is promoted in an environment supportive of employees' needs for professional growth and sensitive to their need for personal consideration.

Accordingly, the Company and the Union hereby agree to continue CWA/SBC Midwest Customer Service Response Team(s) which will bring together key Union leaders and Company executives to review and discuss on an oversight basis those issues concerning front line employees in their provisioning of customer service. Company executives may represent a specific Business Unit, (e.g., Consumer Markets, Business Communication Services, Operator Services or operational department) or multiple business units or operational departments.

Such oversight discussions and reviews by the team are intended to encompass the broad range of issues which may affect front line employees and the management team in their joint commitment to provide high quality customer service. These will include service levels, performance standards AWT/CST, monitoring, adherence, job stress, sales objectives, training, vacation scheduling, employee attitudes, staffing, and other issues as appropriate.

The Company team will consist of at least a Vice President and an HR representative from the Business Unit(s) or operational department and the Executive Director of Labor Relations - CWA. In addition to the appropriate International Representative, the Union will appoint key representatives as follows, unless mutually agreed otherwise:

- Consumer - Five (5) Representatives
- Operator Services - One (1) Representative per state
- BCS - Six (6) Representatives
- Industry Markets - Four (4) Representatives

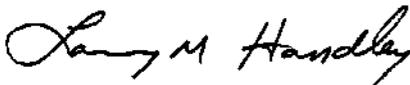

Other business units may also be represented and/or sub-committees appointed as may be appropriate. The Team will work together to develop objectives and action plans and will jointly communicate those plans.

The Team will meet no less than four (4) times a year at locations to be mutually agreed upon. Time spent during the meetings will be considered as Company-Union meeting time. Payment for such time will be paid as detailed in Article 10.06, Section: Payment for Joint Meeting Time of the Collective Bargaining Agreement. The Company will pay associated transportation and lodging expense as agreed to prior to each meeting.

MEMORANDUM OF AGREEMENT

MONITORING

The Company and the Union acknowledge that there is a responsibility to provide high quality service to customers and the need to be in a position to effectively compete in today's increasingly competitive communications industry. It is the intent to develop overall performance to provide service to customers in an efficient, courteous and responsive way.

Monitoring is a tool to evaluate the on-line effectiveness of employees to reach and maintain quality service. The approach for monitoring will continue to be based on a premise that fosters a work environment that builds on mutual trust and respect which enhances job satisfaction.

Monitoring includes, but is not limited to, the following:

- a) **Service Observations:** Monitoring of this type is intended to randomly review the performance of the work group to determine their effectiveness in providing quality service to customers. Official Service Observations, made at the direction of the Company for the primary purpose of determining the overall quality of service furnished to customers, are not intended nor will they be used for the purpose of identifying or rating the performance of individual employees except as noted below. The Company will not publish any result data of any official observing for small offices that would allow for identification of individual employees.
- b) **Diagnostic:** Monitoring of this type is intended to review and evaluate new or changed products, practices and procedures.
- c) **Evaluative/Developmental:** Monitoring of this type is intended to be handled in a professional and confidential manner and to document performance of the individual employee for evaluation purposes. This type of monitoring will be conducted by management personnel and will generally be done at the work address / location. While conducting remote evaluative/developmental monitoring, management must display a visual indicator that employee monitoring is in progress. Evaluative/Developmental call monitoring will be from a sampling of calls. Such calls will not be arbitrarily selected for evaluative purposes. The monitoring results should be reviewed with the employee within twenty-four (24) hours after the monitoring has taken place. Other managerial steps, such as training sessions, visual observations, individual discussions and coaching may be used in addition to monitoring to evaluate and improve an employee's performance.

Individual notification will be given to employees to be monitored the day the Evaluative/Developmental Monitoring takes place. Employees' preference for side by side or remote observations will be honored where existing facilities permit.

Exception: Individual notification and preference are applicable once an employee has 6 months' on job experience after completion of formal training.

Where an employee demonstrates difficulty meeting established performance expectations, he/she may lose the privilege of receiving notification and choice of preference until performance expectations are met on a consistent basis.

Appendix A

A14

Monitoring used for Service Observations or Diagnostic review, will not result in employee discipline unless customer abuse, fraud or violation of the Company Code of Business Conduct are involved.

To administer monitoring, the Company will set guidelines on the monthly number of Service Observation and Diagnostic calls handled by employees which will be subject to managerial monitoring. These guidelines will provide for reasonable Company-wide consistency in the number of monitored calls needed to obtain a valid sample of the employee's grade of service and to determine his/her training needs. Monitoring is not intended to harass an individual employee or any group of employees, nor should it be used to create an atmosphere of pressure in the work environment.

The Company's reasons for engaging in monitoring will be explained to employees subject thereto. They will be informed of the proper use of such monitoring by their managers.

Managers will be trained in analyzing observation data, in planning appropriate training, and in improving their interviewing skills, including placing emphasis on the positive aspects of an employee's job performance.

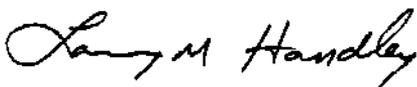

At their request, employees will be allowed reasonable time during working hours (normally during a feedback of the results of manager's monitoring) to review their monitoring records and work performance summaries.

It is not the Company's primary intent to use GPS, AMAs or electronic reports to monitor and discipline employees. However, should the Company become aware of misconduct through the normal use of GPS, AMA's or electronic reports the Company can not ignore such information and reserves the right to take appropriate action, including application of appropriate discipline.

MEMORANDUM OF AGREEMENT
EMPLOYMENT SECURITY COMMITMENT

This Memorandum of Agreement covers understandings reached between the Company and the Union regarding the Employment Security Commitment. In response to CWA and employee concerns regarding employment security and in addition to the existing provisions in Article 26, Training and Employment Security, Section: Force Adjustment, of the 2004 Collective Bargaining Agreement, the Parties agree as follows:

1. The Company will guarantee employment security from involuntary layoff ("Job Offer Guarantee") during the period stated herein to qualified surplus regular employees, subject to the conditions and provisions contained in this Commitment.
NOTE:
 - (A) This Commitment does not apply to an employee who has been offered the opportunity to follow the work within their Market Area (Attachment), nor shall it continue to apply to an employee who is offered the opportunity to fill a position in their Market Area under Article 26, Training and Employment Security, Section: Force Adjustment, of the 2004 Collective Bargaining Agreement.
 - (B) In addition, an employee who is offered a job under an expanded Voluntary SIPP option as defined in Article 26, Training and Employment Security, Section: Force Adjustment, paragraph 26.40 (B) (7) may not participate in the Employment Security Commitment.
 - (C) An employee who elects to participate in the Employment Security Commitment cannot participate in the Training Opportunity Plan (TOP).
2. Any regular employee (except those excluded by the note in paragraph 1. above) who, after the effective date of this Agreement, is declared surplus pursuant to Article 26, Training and Employment Security, Section: Force Adjustment, shall prior to involuntary layoff, be offered a job in their Market Area by the Company for which they are qualified, provided the employee has first fulfilled the following conditions:
 - (A) Is already test qualified for consideration, or becomes so qualified by passing the Technical Mechanical Test (TMT) and the Operator Test or their replacements.
 - (B) Meets current job requirements.
 - (C) Within sixty (60) days of the date of Surplus Notification, or by such later date as is determined by Management, advises the Company of their election to invoke the Job Offer Guarantee, and to be considered for all jobs at all locations within their Market Area beginning on the ninety-first (91st) day* following the date of Surplus Notification (*on the day following the anticipated force disposition date for those surplus situations declared more than ninety [90] days in advance). After the sixty (60) day election period, or by such later date as is determined by management, an employee who elects the Employment Security Commitment cannot change their election and choose TOP.

NOTE: The provisions of Article 26, Training and Employment Security, Section: Force Adjustment, paragraph 26.42 will not apply to employees who invoke the Job Offer Guarantee.

3. The guaranteed job offer shall be made to those qualified employees in the Surplus Employee Group as defined in Article 26, Training and Employment Security, Section: Force Adjustment, by order of seniority beginning on the 91st day* following the date of Surplus Notification (*on the day following the anticipated force disposition date for those surplus situations declared more than ninety [90] days in advance).

- (A) An employee to whom a guaranteed job offer has been made has one (1) working day to accept the offer after which it will be considered rejected.
- (B) Rejection of a guaranteed job offer** voids this Employment Security Commitment, and shall be considered an election by the employee to continue under the terms of Article 26, Training and Employment Security, Section: Force Adjustment, except for the provisions outlined in paragraphs 26.41 and 26.42, Article 26, Training and Employment Security, Section: Force Adjustment.

** If the guaranteed job offer is not a lateral or an upgrade within the HJA, the employee may accept the Company's earlier offer of the Transitional Leave of Absence (TLA) as referenced in Article 26.36 (H) of the current Collective Bargaining Agreement, if eligible.

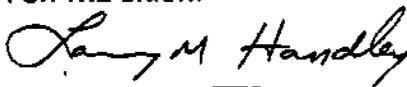

- (C) A qualified surplus employee who, at their force disposition date, is entitled to, but has not yet received, a guaranteed job offer shall remain on the payroll at their existing wage rate and shall be assigned such work within the Hometown Job Area as management deems appropriate until the guaranteed job offer is made.

NOTE: Any employee who has been retained on the Company payroll beyond their force disposition date pursuant to this Employment Security Commitment and who then rejects the guaranteed job offer shall be terminated. The amount of wages paid said employee between the force disposition date and termination shall be deducted from any termination payment due.

4. The terms of this Commitment shall not apply to "Union-Management modifications" to the force surplus disposition procedures as provided for in paragraph 26.45 of Article 26, Training and Employment Security, Section: Force Adjustment, unless Union and Management mutually agree.
5. The force surplus conditions contemplated and dealt with in this Commitment are those which occur in the normal course of business for reasons such as technological change, etc. The Company retains the right, however, to suspend or cancel at any time the application of this Commitment when a force surplus is declared because of any significant change or extraordinary fluctuation in economic or business conditions as determined by the President of the Business Unit. Examples of significant changes, include but are not limited to, the following:
- (A) The cessation of a line of business;
- (B) An interexchange carrier takeback of billings and collections functions.

MEMORANDUM OF AGREEMENT IN LIEU OF EMPLOYMENT SECURITY COMMITMENT

This Memorandum of Agreement ("Agreement") supercedes and replaces the Memorandum of Agreement: Employment Security Commitment for the period beginning with the ratification of the Parties' 2004 Collective Bargaining Agreement and ending on April 4, 2009. During that period, all references in the Parties' 2004 Collective Bargaining Agreement to the Employment Security Commitment shall effectively refer to this Agreement in which, in addition to the existing provisions in Article 26, Training and Employment Security, Section: Force Adjustment, of the 2004 Collective Bargaining Agreement, the Parties agree as follows:

1. The Company will guarantee employment security from involuntary layoff ("Job Offer Guarantee") during the period stated herein to qualified surplus regular employees, subject to the conditions and provisions contained in this Agreement, except that neither this Agreement nor the Memorandum of Agreement: Employment Security Commitment shall apply to employees hired after the effective date of this Agreement.

NOTE:

- (A) This Agreement does not apply to an employee who has been offered the opportunity to follow the work within their Market Zone (Attachment), nor shall it continue to apply to an employee who is offered the opportunity to fill a position in their Market Zone under Article 26, Training and Employment Security, Section: Force Adjustment, of the 2004 Collective Bargaining Agreement.
 - (B) In addition, an employee who is offered a job under an expanded Voluntary SIPP option as defined in Article 26, Training and Employment Security, Section: Force Adjustment, paragraph 26.40 (B) (7) may not participate in this Agreement.
 - (C) An employee who elects to participate in this Agreement cannot participate in the Training Opportunity Plan (TOP).
2. Any regular employee (except those excluded by the note in paragraph 1, above) who, after the effective date of this Agreement, is declared surplus pursuant to Article 26, Training and Employment Security, Section: Force Adjustment, shall prior to involuntary layoff, be offered a job in their Market Zone by the Company for which they are qualified, provided the employee has first fulfilled the following conditions:
 - (A) Is already test qualified for consideration, or becomes so qualified by passing the Technical Mechanical Test (TMT) and the Operator Test or their replacements.
 - (B) Meets current job requirements.
 - (C) Within sixty (60) days of the date of Surplus Notification, or by such later date as is determined by Management, advises the Company of their election to invoke the Job Offer Guarantee, and to be considered for all jobs at all locations within their Market Zone beginning on the ninety-first (91st) day* following the date of Surplus Notification (*on the day following the anticipated force disposition date for those surplus situations declared more than ninety [90] days in advance). After the sixty (60) day election period, or by such later date as is determined by management, an employee who elects to proceed under this Agreement cannot change their election and choose TOP.

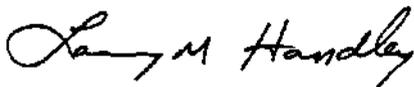

NOTE: The provisions of Article 26, Training and Employment Security, Section: Force Adjustment, paragraph 26.42 will not apply to employees who invoke the Job Offer Guarantee.

3. The guaranteed job offer shall be made to those qualified employees in the Surplus Employee Group as defined in Article 26, Training and Employment Security, Section: Force Adjustment, by order of seniority beginning on the 91st day* following the date of Surplus Notification (*on the day following the anticipated force disposition date for those surplus situations declared more than ninety [90] days in advance). The Company may make a guaranteed job offer for positions with companies not signatory to the 2004 Collective Bargaining Agreement consistent with the terms of the Inter Subsidiary Movement Process referenced in Appendix E National Settlement Agreement, Section: Employment Security Agreement.
- (A) An employee to whom a guaranteed job offer has been made has one (1) working day to accept the offer after which it will be considered rejected.
- (B) Rejection of a guaranteed job offer** voids this Agreement, and shall be considered an election by the employee to continue under the terms of Article 26, Training and Employment Security, Section: Force Adjustment, except for the provisions outlined in paragraphs 26.41 and 26.42, Article 26, Training and Employment Security, Section: Force Adjustment.
- ** If the guaranteed job offer is not a lateral or an upgrade within the HJA, the employee may accept the Company's earlier offer of the Transitional Leave of Absence (TLA) as referenced in Article 26.36 (H) of the current Collective Bargaining Agreement, if eligible.
- (C) A qualified surplus employee who, at their force disposition date, is entitled to, but has not yet received, a guaranteed job offer shall remain on the payroll at their existing wage rate and shall be assigned such work within the Hometown Job Area as management deems appropriate until the guaranteed job offer is made.
- NOTE:** Any employee who has been retained on the Company payroll beyond their force disposition date pursuant to this Agreement and who then rejects the guaranteed job offer shall be terminated. The amount of wages paid said employee between the force disposition date and termination shall be deducted from any termination payment due.
4. The terms of this Agreement shall not apply to "Union-Management modifications" to the force surplus disposition procedures as provided for in paragraph 26.45 of Article 26, Training and Employment Security, Section: Force Adjustment, unless Union and Management mutually agree.
5. The force surplus conditions contemplated and dealt with in this Agreement are those which occur in the normal course of business for reasons such as technological change, etc. The Company retains the right, however, to suspend or cancel at any time the application of this Agreement when a force surplus is declared because of any significant change or extraordinary fluctuation in economic or business conditions as determined by the President of the Business Unit. Examples of significant changes, include but are not limited to, the following:
- (A) The cessation of a line of business;
- (B) An interexchange carrier takeback of billings and collections functions.
6. If an employee proceeding under this Memorandum of Agreement invokes the provisions of Article 26.41 of the Parties 2004 Collective Bargaining Agreement or the

Memorandum of Agreement: Network Organization Surplus Employees, an employee who has consequently been displaced shall be treated as follows:

- (A) If the employee does not meet all conditions of Paragraph 2 of this Memorandum of Agreement within 14 days of being displaced, the Company will be considered to have met its obligation to make a guaranteed job offer and the employee will be immediately separated from the Company with termination pay under Article 26 of the Parties 2004 Collective Bargaining Agreement.
 - (B) In meeting the requirements of Paragraph 2(A) of this Memorandum of Agreement, the Parties understand that a displaced employee will have only one opportunity to take the tests referenced therein. Refusal of a test or failure to pass a test will be deemed a failure to meet one of the conditions of this Memorandum of Agreement.
- 7. In consideration for the commitments set forth in this Agreement, the Union agrees that, within thirty (30) days following ratification of the Parties' 2004 Collective Bargaining Agreement, it will dismiss with prejudice the appeal currently pending in the U.S. Court of Appeals for the 6th Circuit in the lawsuit captioned *CWA v. Ameritech Corporation*, Case No. CA 04-3532.
 - 8. Wage treatment for employees who accept or receive jobs pursuant to paragraph 3, above, shall be in accordance with the Parties' 2004 Collective Bargaining Agreement.
 - 9. Upon ratification of the Parties' 2004 Collective Bargaining Agreement, the Company agrees that, for five (5) years from the effective date of the 2004 Collective Bargaining Agreement the Company will not exercise its right to suspend or cancel this Agreement, as set forth in Paragraph 5, above.
 - 10. Paragraph 2 of this Agreement will be subject to arbitration. Paragraphs 1, 3, 4, 5, 6, 7, 8 and 9 shall not be subject to arbitration.

Dear Mr. Handley:

The parties agree to continue the use of the neutral evaluation process for the term of the 2004 Collective Bargaining Agreement.

As soon as is reasonable, following ratification of the 2004 Collective Bargaining Agreement, the parties will each select five (5) arbitrators who will comprise a special panel of ten (10) neutral evaluators ("evaluators") to be utilized for the purpose of this process. The parties will schedule neutral evaluation days with the evaluators, where the evaluator may hear up to four (4) dismissal and/or suspension cases per day. Each case will be limited to ninety (90) minutes as set forth below. The cases will be evenly distributed among the evaluators as practicality permits. The parties agree to equally share the compensation and expenses of cases evaluated, except in instances where cases are withdrawn less than twenty-four (24) hours in advance of the scheduled time for the evaluation. In such event, the withdrawing party will be responsible for any cancellation fees and/or expenses incurred.

Proceedings before the evaluator shall be informal in nature. The presentation of evidence and the issues heard will be limited to that which has already been presented or asserted during the grievance and/or Union-Management Review Board process. Formal rules of evidence will not apply. The parties will be represented by Labor Relations Case Managers and local Union Representatives, and no official record of the neutral evaluation will be kept.

Each party may have no more than two (2) individuals attend the neutral evaluation proceeding; and, each party will be limited to a half hour presentation. When unusual circumstances warrant, the parties may mutually agree, prior to the date of the evaluation, that one additional representative may attend for either party; or, that the presentation time for each party may be extended by a period not to exceed thirty minutes.

The evaluator will be provided one half hour to question both parties in the presence of one another, and to render his or her advisory opinion. This advisory opinion will resolve any procedural or arbitrability issues and/or determine whether the company acted with or without just cause, and where the disciplinary action lacked just cause, what if any, remedy should be imposed. Under no circumstances will the Company be liable for back pay for more than six (6) months after the date of the disciplinary action.

(Continued on next page)

Appendix A

A22

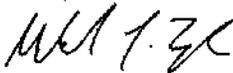

Within two (2) working days following the evaluator's advisory opinion, a party must notify the other party in writing if the party rejects the evaluator's advisory opinion; otherwise it will be treated as accepted by the party. In instances where the parties accept the evaluator's advisory opinion of no just cause, the company agrees to implement the remedy within ten (10) working days. In instances where the parties accept the evaluator's advisory opinion of just cause, the Union agrees to withdraw the grievance in writing within ten (10) working days.

In instances where the company or the Union rejects the evaluator's opinion the case will be deferred to the regular arbitration process. No statements made by either party at the neutral evaluation proceeding may be introduced as evidence at an arbitration hearing by the other party.

This neutral evaluation process will be in effect and will include all applicable cases appealed to arbitration through December 31, 2009.

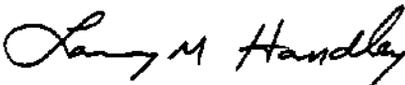

This letter will remain in effect through the term of the 2004 Collective Bargaining Agreement between the Parties.

Re: Proper Use Of Union-Management Review Board

Dear Mr. Handley:

When properly used by both parties, the Union-Management Review Board process has facilitated the resolution of cases short of arbitration, including, in a number of cases, the reinstatement of employees with backpay when warranted by the facts. The Company is fully committed to the proper use of the Review Board process and will not tolerate its misuse.

Dear Mr. Handley:

This letter confirms understandings concerning Operator Services issues reached by the Company and the Union during the course of the 2004 Collective Bargaining discussions:

1. The method for assignment of schedules and weekly days off for employees in the title Operator Services Assistant (OSA) temporarily assigned as Service Assistants (SA) for one or more shifts in a week will be locally determined between the Local Union president and the Operator Services Center (OSC) Manager. Either of two (2) methods shall be chosen:

(1) The OSA may be assigned in seniority within the SA title group

or

(2) The OSA may be assigned in seniority within the Operator title group

The method selected will remain in effect for a minimum of one (1) year, unless mutually agreed otherwise.

2. The method for selection for employees in the title Operator Services Assistant (OSA) temporarily assigned as Service Assistants (SA) for one or more shifts in a week will be locally determined between the Local Union president and the OSC Manager. Either of two (2) methods shall be chosen:

(1) The OSA may be selected by rotation.

or

(2) The OSA may be selected by seniority

The method selected will remain in effect for a minimum of one (1) year, unless mutually agreed otherwise.

3. Lead Person differential will be paid to a Service Assistant (SA) who is assigned non-supervisory management responsibilities, over and above those duties assigned to the Service Assistant due to the absence of all Operator Services managers assigned to an OSC on a normally scheduled shift. Lead Person differential will not be paid for a shift with no regularly scheduled Operator Services manager.

This Letter of Understanding will remain in effect through the term of the 2004 Collective Bargaining Agreement between the Parties.

Please confirm your understanding of these arrangements by signing both copies of this letter and returning the second copy to me.

MEMORANDUM OF AGREEMENT

EMPLOYMENT OPPORTUNITY/ENHANCED RETIREMENT BENEFIT

In response to the Union's concern for its members' employment security and its expressed interest in removing impediments to movement between the various SBC Companies, the parties agree, effective April 4, 2004, to the following provisions for employee movement among CWA-represented bargaining units in SBC Companies, except the Wireless Companies. (Participating Companies):

1. There will be pension portability among all Participating Companies.
2. Any CWA-represented employee covered by the 2004 Agreement Between SBC Midwest and Communications Workers of America District 4 (2004 Collective Bargaining Agreement) may express an interest in moving to a CWA-represented bargaining unit in any other Participating Company, and may receive priority consideration before off-street hires for any bargaining-unit job for which he/she qualifies, subject to all applicable qualifications and selection criteria at the receiving Company. Employees who continue employment with a Participating Company under the terms of this paragraph will not receive any separation payment from their former Companies.
3. Any CWA-represented Regular employee, excluding limited terms, covered by the 2004 Collective Bargaining Agreement, whose work is moving outside CWA District 4 to a CWA-represented bargaining unit in any other Participating Company, may follow the work, as provided under Article 26, Training and Employment Security, 26.32 through 26.34, subject to all applicable qualifications and selection criteria at the receiving Company. Employees who select this option in lieu of any separation payment, and who are placed at, and report to, the receiving Company, will receive a \$10,000 Relocation Allowance in addition to any other relocation benefit otherwise applicable under the terms of the collective bargaining agreements at their former Companies. This Relocation Allowance will not be paid where 1) the employee does not relocate his/her home residence as a result of following the work; or 2) the employee's new place of reporting is within fifty (50) miles of the home residence the employee had prior to following the work.
4. Employees selected to fill vacancies in accordance with the terms outlined in Items 2, and 3, above, will be subject to all applicable receiving Company practices, policies, collective bargaining agreement provisions and benefit plan eligibility standards related to or affected by Net Credited Service.
5. Any service pension eligible CWA-represented employee covered by the 2004 Collective Bargaining Agreement, whose work is moving outside CWA District 4 to a CWA-represented bargaining unit in any other Participating Company, may, in lieu of any involuntary Termination Payment, otherwise applicable under the terms of the 2004 Collective Bargaining Agreement, Article 26, Training and Employment Security, 26.54 through 26.60, elect to retire and receive a pension benefit enhanced by an amount equivalent to 120 percent of the otherwise applicable involuntary Termination Payment. A Supplemental Income Protection Program payment is not an involuntary Termination Payment for these purposes.
6. The Union agrees that it will not seek to alter any existing Bargaining Units in any SBC Company on the basis of any movement or transfer of employees between said companies as a result of this Agreement. Further, the Union will not, on the basis of this

Agreement or change in operations or practices made by Participating Companies as a result of this Agreement, in any pleading, petition, complaint or proceeding before the National Labor Relations Board, an arbitrator or panel of arbitrators, or any court, assert, claim, charge or allege that such companies are a single or joint employer or enterprise, alter egos, accretions or successors of one another, or that any bargaining units of said entities represented by or sought to be represented by the Union are a single bargaining unit, or are or should be otherwise altered in their scope or composition. This commitment on the part of the Union will survive the expiration of this Memorandum, unless and until such time as this commitment is terminated by the mutual written agreement of the parties.

7. This Agreement is effective for the duration of the 2004 Collective Bargaining Agreement.

**MEMORANDUM OF AGREEMENT
REGARDING
SERVICE OPERATORS**

The Company and Union have agreed to include the title "Service Operator" in the Collective Bargaining Agreement, dated April 4, 2004 through April 4, 2009.

The Service Operator title will perform Wholesale Operator Services work, which includes directory assistance and information services for wireless and other non-competing carriers.

Such breaks shall be assigned no earlier than one and one half (1 ½) hours after the start of a session nor later than one (1) hour before the end of a session."

In the event SBC Midwest Operator Services requires employees to work split shifts, the Company and the Union will meet and discuss the parameters for split shifts prior to implementing split shifts to the Service Operators.

Non-Wholesale Market work will not be transferred to Service Operators if such transfer of work would result in a force adjustment, office merger, and/or surplus condition within SBC Midwest Operator Services.

APPENDIX C

**MEMORANDUM OF AGREEMENT
REGARDING
AMERITECH ADVANCED DATA SERVICES, INC.**

SECTION I:

- A. This Memorandum of Agreement is between the Communications Workers of America District 4 (referred to in this Memorandum as the "Union") and Ameritech Advanced Data Services of Illinois, Inc., Ameritech Advanced Data Services of Indiana, Inc., Ameritech Advanced Data Services of Michigan, Inc., Ameritech Advanced Data Services of Ohio, Inc., and Ameritech Advanced Data Services of Wisconsin, Inc., (collectively referred to in this Memorandum as the "Company"). The Company and the Union will be referred to collectively in this Memorandum as the "Parties."
- B. It is hereby agreed that the provisions of the current Collective Bargaining Agreement between the parties (including Memorandums of Agreement) will be applicable for Union represented employees of the Company where jurisdictionally applicable, but only with respect to subjects not addressed in Section II of this Memorandum.
- C. Where conflicts may exist or arise between provisions of this Memorandum and those of the current Collective Bargaining Agreement, this Memorandum will prevail.

SECTION II:

- A. The Company hereby recognizes the Union as the exclusive bargaining agent with respect to wages, hours, benefits and other terms and conditions of employment for employees of the Company in the Bargaining Unit whose job titles and work functions are included in Exhibit I and whose work locations are included in Exhibit II.
- B. It is further agreed with respect to the employees covered by this Memorandum as follows:
 - 1. With respect to differentials, the following will replace Articles 19.15 and 19.16 of the current Collective Bargaining Agreement between the parties (including Memorandums of Agreement):

On-Call

Company employees with the necessary skills who volunteer on a daily or weekly basis for on-call may be required to remain in contact with the Company outside of scheduled hours by use of a pager or another type of notification device. On-call duty will be rotated among all qualified employees who volunteer in the work group. The Company shall determine the employees who are qualified for on-call assignment. If there are an insufficient number of volunteers, the Company may assign on-call duty on a daily or weekly basis to employees who have the required skills. In the event on-call assignments are made, such assignments shall be rotated among qualified employees in the work group.

When so assigned, the employee will carry the pager or notification device at all times. In addition to payment for any time worked, the employee will be paid a differential of Twenty Dollars (\$20) for each day the employee is on-call.

- 2. With respect to an Employee Clothing Program, the Parties agree to the following with regard to the implementation of such a program:
 - a. Employees assigned to Local Field Operations and holding the title of Customer Services Specialist are required to participate in the program.

- b. Employees participating in the program must be attired each day in:
 - Company shirt (supplied at the Company's expense);
 - Pants of the employee's choosing and supplied at the employee's expense that meet the program requirements; and,
 - Other specified attire as required (for example, shoes, outerwear) provided at employee expense.
 - c. The Company will supply employees upon hire with six shirts at Company expense. If the employee desires additional shirts, they will be purchased at employee expense.
 - d. The Company will replace shirts at its discretion and expense.
3. With respect to the Vehicle Usage Policy ("VUP"), the Company and the Union agree as follows:
- a. The Company and the Union agree to discuss any changes to the VUP. The Company maintains the right to designate the employees who will participate.
 - b. Vehicles assigned by the Company under the program will be used for travel to and between work locations and to places of residence or vehicle storage location.
 - c. Participating employees will begin and/or end their scheduled workday at any assigned location at their scheduled reporting and completing times.

Employee accounts will be transferred from the Ameritech Savings and Security Plan to the SBC Savings and Security Plan and employees are eligible to participate in and contribute to that plan.

Income limit for Class II dependents is \$12,000.00

Regular and Regular Limited Term employees shall be eligible for Company paid coverage on the first day of the month in which they attain three (3) months of service. This will remain in effect through December 31, 2004.

PPO	100% of R&C, subject to deductible
non-PPO	90% of R&C, subject to deductible

Future retirees will have a deductible for Health Care Network out-of-network services of \$300 per person and \$600 per family.

The Company agrees to allow Health Care Network (HCN) service area participation on a voluntary basis in the states of Illinois, Indiana, Michigan, Ohio and Wisconsin.

Those participants who have tried all generic and formulary alternatives may file an appeal requesting the lower formulary copay be applied toward their nonformulary drug - the appeal will be granted with a 365-day formulary copay if: 1) electronic records at the PBM confirm that the participant has filled scripts for all available generic and formulary alternatives within the preceding 90 days, and 2) the participant provides written documentation from the prescribing provider that confirms the nonformulary drug is the only effective treatment.
 2. Those participants who cannot take any of the generic or formulary alternatives because of known drug interactions between those alternatives and other prescription drugs they are taking and whose doctor as a result prescribes a nonformulary drug, may file an appeal requesting the lower formulary copay be applied toward their nonformulary drug. The appeal will be granted with a 365-day formulary copay if: 1) electronic records at the PBM confirm the participant is taking one or more prescription drugs with known drug interactions with the generic and formulary alternatives, and 2) the participant provides written documentation from the prescribing provider that confirms the nonformulary drug is the only effective treatment.
 3. Those participants who provide written documentation from the prescribing provider that confirms that all generic and formulary alternatives have been considered and the nonformulary drug is the only effective and safe treatment for the patient.
 - h. Infertility Drugs and Smoking Cessation - no change to current coverage where it exists.

B. Cleanup issues

1. Eliminate HMO MH/CD duplication in the West region. A transition of care process will be implemented to assure continuity of care; including a minimum of six months notice to the patient explaining the change.
2. Eliminate HMO geo/demo adjustments in the Midwest and Southwest regions.
3. Common enrollment and effective dates of coverage rules for medical, dental, vision, CarePlus, life insurance and adoption reimbursement. Maintain current rules regarding default coverage in the event employee fails to enroll on a timely basis.

C. Optional Preferred Provider Organization (PPO) Plan

Provide Midwest PPO benefit levels as an option within the SNET POS Plan.

D. National Health Committee

Establish a National Health Care Committee. Representation from the Union will be from the individual Districts as well as the National Headquarters staff. The Committee shall meet at least quarterly (by conference call, teleconference or in person). The charter of this committee will be to review cost, access and quality issues in the bargained health plans in order to identify opportunities and recommend solutions of mutual benefit to the Company and the Union membership to reduce plan cost, enhance plan efficiency, and improve plan administration. The focus of this committee will be plan performance and not individual participant issues, though participant education may be an outcome. In addition, state and federal health policy, legislative and regulatory health issues and developments may be addressed by this Committee.

E. Dental Schedules

Provide an average 5% increase to applicable Dental schedules.

F. Medicare Part B Reimbursement

Delay implementation of the 2001 CWA/SWBT Settlement Agreement provision to eliminate Medicare Part B reimbursement for Class 1 dependents of retirees. Elimination of this reimbursement will become effective for employees whose pension commencement date is on or after January 1, 2010.

Employment Security Agreement

Evolving Technologies and Traditional Telecom Work: FTTP, VoIP, WiFi (and other wireless data technologies)

See Attachment 3.

1561 jobs in titles identified as eligible for card check process

As to these 1561 jobs, the Company will remain neutral on any accretion petition if the Company agrees to the labor agreement into which they will be accreted.

Contractor/Supplier/Partner Neutrality

SBC agrees to send a letter to those SBC suppliers/contractors, requested by the union, informing the suppliers/contractors of our positive relationship with the CWA and encouraging them to strive for constructive relationships with their employees.

Intersubsidiary Movement Process

Effective January 1, 2005, or as soon thereafter as administratively feasible, establish a web based intersubsidiary movement application process. The process will allow CWA represented employees of participating companies to express an interest in employment with another of the participating companies represented by CWA.

Effective July 1, 2005, or as soon thereafter as administratively feasible, establish a Web site for CWA represented employees, that will allow employees to view positions for which the participating companies intend to consider new hire applicants for placement.

Attached is a list of the participating companies (Attachment 4)

For wholly owned subsidiaries, SBC will agree to commit to take qualified candidates, as determined by the receiving subsidiary, who are designated surplus employees before hiring off the street, SBC will also agree to use our best efforts to encourage other subsidiaries where we are not in a position to direct implementation of this policy to voluntarily implement the same procedures.

Employees transferring from one SBC wholly-owned subsidiary to another wholly-owned subsidiary shall be given credit for all service with SBC or any of its wholly-owned subsidiaries under each benefit plan, program or policy (e.g., vacation) in which such transferred employee is eligible to participate for purposes of eligibility, vesting and benefit accrual, consistent with current procedures that avoid duplication of benefits. In all cases of intersubsidiary movement, severance will be paid by the former company only if service credit is not given by the receiving company.

CWA Nett

Within 30 days of ratification, and each quarter thereafter and for the life of the contract, SBC agrees to promote the CWA Nett Academy training program, as an available option under the existing regional programs. In addition, the Company will arrange to have CWA meet with the appropriate training personnel about the CWA Nett.

Appendix E

Presidential Council (Attachment 5)

The Company proposes the Presidential Council be expanded and charged with addressing the following issues related to future technologies:

the extent to which represented employees can perform, consistent with the competitive nature of these business lines, a greater portion of the emerging technology work, such as WiFi, VoIP, FTTP, and other developing technologies;

the general nature of new technologies and product offerings;

SBC's affiliations, partnerships and joint marketing programs;

the joint identification of subject matter experts who can assist the Presidential Council in addressing these issues.

Successorship in any exchange sale

Company agrees that in any agreement to sell a portion of its assets in a transaction involving the transfer of employees subject to this collective bargaining agreement, it shall require, as a condition of the closing of such sale, that the Buyer agree to enter into a substitute collective bargaining agreement(s) with respect to the employees subject to the Collective Bargaining Agreement on economic terms no less favorable to such employees than those currently contained in this Collective Bargaining Agreement, and, Buyer shall either (i) enter into such substitute collective bargaining agreement(s) effective as of the Closing or (ii) if no such substitute agreement is reached as of the Closing, agree to provide the employees with the economic benefits currently contained in this Collective Bargaining Agreement from the Closing until such time as a substitute collective bargaining agreement is negotiated with the CWA.

SBC Internet Services

Dear Dina:

The following represents our agreement with respect to Evolving Technologies and Traditional Telecom Work: FTTP, VoIP, WiFi (and other wireless data technologies). This agreement shall expire on April 4, 2009.

Much of the work related to the evolving technologies of the telecommunications industry are extensions of traditional telephone work or copper cable switched technology. The new technologies referred to here are Fiber to the Premise (FTTP), WiFi and other data services, and Voice over Internet Protocol (VoIP). Traditional telephone work has been installation, maintenance, network construction & surveillance, repair, customer premise work, billing, operator services, sales and service, customer service, and technical support. Since the work supporting the new technologies is functionally related to the work required in the public switched telephone network (PSTN), the new work will be performed by workers covered by the collective bargaining agreements.

Fiber to the Premise (FTTP)

Both parties recognize that most FTTP work today is done under the core contracts. The parties agree that all non-management FTTP work which falls into the comparable categories of traditional telephone work now performed on the switched network including construction, repair, customer service, billing, sales, technical support, terminations, splicing and testing will be performed under the core contracts. Construction work that is similar to work that is currently done in the circuit network will continue to be performed as it is under the core contracts. For example, the parties recognize that trenching is work that is traditionally contracted,

Fiber to the premise shall be CWA bargaining unit work as described below. The assignment of fiber to the premise work shall be made just as it is for the copper switched network today. As the network evolves to a packet-switched fiber network, the core bargaining unit will continue to perform the type of work that was previously bargaining unit work in the circuit switched network.

CWA shall be recognized for construction, splicing, testing, terminations of fiber to premise/neighborhood or node work and all associated equipment required to make fiber operational. Aerial drops to the premise shall be CWA-represented work. All other service drops in the fiber network shall be done as they are in the circuit-switched network.

When the customer premise work is performed by SBC, SBC CWA employees will do it under the core contracts or DataComm contracts as it is done today. If in the view of the Company, the nature of some of the customer premise work and interacting with the customer and the required set of skills to perform that work require a different craft title, the parties agree to meet to bargain an appropriate rate.

This includes testing, splicing and termination at the interface device as well as installing associated equipment to make the fiber functional as communications cable at the premise.

Appendix E
Attachment 3

WiFi

Currently, WiFi (and other wireless data technologies) consists of DSL (and high-speed internet) lines installed by SBC CWA-represented employees from and including the central office to the customer premise termination including the interface device or protector. Terminal equipment is installed on the customer premise. As the WiFi business grows, SBC expects to expand the work performed by SBC employees. If SBC performs the customer premise work, SBC will utilize core or DataComm employees for CPE installations. Outside the SBC footprint, SBC may use contractors to perform this work. Within the SBC footprint contractors may be used on a temporary basis under unusual circumstances. SBC and the Union will discuss at the President's Council the best way to meet service and installation commitments and grow the Business. These SBC non-management employees shall be represented by CWA or eligible for card check recognition. All DSL customer service work associated with WiFi (and other wireless data technologies) shall be done by CWA-represented employees.

VoIP

To the extent that routers and servers go into the network owned by SBC, SBC shall assign that work to the CWA bargaining unit since they perform related work in the circuit world. VoIP is an evolution of the PSTN and comparable work performed today by CWA-represented employees shall be performed for VoIP technology. VoIP work in the network and at the premises will be performed under the DataComm contracts. As the work transitions from the circuit switched network, the current core technicians will transition with the work. The Company will make training available to enable their transition.

Customer Service

Tier 1 DSL customer service work is best performed bundled with other SBC services, CWA-represented employees will perform this work as well as all customer service work for all SBC services. This work shall include billing, selling and servicing. This includes Tier II customer service work. Currently, EchoStar employees will deal with TV and satellite service quality issues and other technical support issues.

The Union and SBC share similar views about utilizing SBC service reps to interface with the customer. CWA-represented employees shall do all customer service work of SBC products.

SBC-represented employees shall sell DSL (and other high-speed internet services), VoIP, long distance, and video and service SBC customer accounts which include these services.

The parties will discuss expanding outbound telemarketing jobs within the bargaining unit at the Presidents Council.

It is understood that the Company will continue to use sales agents and multiple sales channels, e.g., *Radio Shack*, *Best Buy*.

Global Services/ Data Comm

Global Services/Datacomm work done today by bargaining unit employees will continue per applicable CBA. SBC will not remove work from existing CWA bargaining units to non-represented worksites, centers, or contractors.

No bargaining unit employees currently performing Datacomm associated work as defined in the FCC OI&M order shall be laid-off.

SBC concurs that card check applies to non-management employees performing work within Global Services/Datacomm including Premier Care, Customer Care Centers, and Dedicated Support & Services.

Where there are mixed units of non-represented and represented DataComm employees, SBC shall be neutral in any accretion petition filed by the Union at the NLRB provided SBC concurs as to which bargaining agreement will be applicable to any accreted employees.

Tier 1 and 2 Customer Contact/Technical Support

Technical support work today is contracted work through Accenture. At the conclusion of the contract (without extension) SBC prefers that its employees perform this work. In order to facilitate moving this work to SBC employees, in 2006 SBC shall perform cost studies to determine the potential wage, benefits, and procedures to perform this work by SBC employees. It is the mutual goal of the parties to have this work performed by CWA represented employees. This will be discussed at the President's Council. CWA represented employees shall do all Tier II customer contact/technical support work.

Buried Service Wire

In order for SBC to compete in buried service wire, it is in both parties' interest to negotiate and reach an agreement which will make this business a success,

The Company and the Union agree that they will meet for the purposes of negotiating a nationwide collective bargaining agreement.

In the event the parties are unable to reach final agreement on any element of the collective bargaining agreement stated above, the disputed issues will be submitted to the Presidents Council for resolution. The Council, at its discretion, may submit the issues to a neutral third party for mediation.

Any and all Buried Service Wire work currently performed in any of the core bargaining units will continue to be performed by that unit under the terms and conditions of the relevant collective bargaining agreement.

Video

Any and all video work currently performed in any of the CWA bargaining units will continue to be performed by that unit under the terms and conditions of the relevant collective bargaining Agreement.

It is in both parties' interest to negotiate and reach an agreement which will make this business a success. The parties recognize that this is a competitive business and that a competitive cost structure will be required to succeed.

SBC shall recognize the Union as the exclusive representative for all non-management employees performing work associated with video provided the work is performed at an overall cost structure that is competitive.

Work required to be done by other companies through present or future partnerships or alliances with SBC will also continue to be done by such other companies if required by contract. Such work will transition to CWA-represented employees if permissible and the President's Council shall review its progress.

Dispute Resolution on Evolving Technologies

If there is no mutual resolution of any dispute at the President's Council, CWA shall have the right to enforce the terms of this agreement through any lawful means (other than the grievance or arbitration process), including, but not limited to recourse to the National Labor Relations Board, recourse to any court of competent jurisdiction, or a combination of any such actions.

Ms. Dina Beaumont
Executive Assistant to the President
Communications Workers of America

Washington, D.C. 20001-2797

Dear Dina:

As our industry and our company evolve, powerful economic and competitive dynamics will be at work. While we address many of these dynamics in our Evolving Technologies and Traditional Telecom Work agreement, further discussion on issues not addressed in this agreement may be necessary. These include:

- rapid product and service evolution that is driven by highly accelerated technological progress;
- the rise of facilities-based competitors - especially the largely nonunion cable industry - that have a distinct and substantial cost advantage in competing for customers;
- a customer expectation of highly competitive price points for new products and services.

We acknowledge that it is in our mutual best interest to anticipate these financial and market dynamics and to explore how we jointly address them in a satisfactory way.

SBC agrees with CWA that these new technologies will redefine the communications industry as we are challenged to provide our customers with a broader range of communications vehicles and options.

We strongly agree that it is in our mutual best interest as a company and a union to create a means for more timely, disciplined and formal discussions to explore the jobs associated with these new technologies and their impact on our company and its employees.

In light of our mutual recognition that this is a significant and important issue for the future of SBC and the CWA, we suggest that the Presidential Council that we have jointly established is the ideal vehicle for us to continue the formal exchange of information and review of these sorts of emerging issues.

We propose that the Presidential Council be expanded and charged with exploring the impact of future technologies in a timely manner. Some ideas that come to mind are:

- The union and company could identify subject matter experts who can best serve in such a capacity.
- Topics for consideration by the panel could include:
 - o SBC's new technologies and product offerings
 - o SBC's affiliations and partnerships
 - o SBC's joint marketing programs

We are open to discussing additional ideas the CWA might have to explore the impact of new technologies.

Sincerely,

A handwritten signature in cursive script that reads "Karen Jennings".

**AMENDMENTS TO THE MEMORANDUM OF AGREEMENT
REGARDING NEUTRALITY & CARD CHECK RECOGNITION**

SBC Operations, Inc. ("the Company") and Communications Workers of America ("the Union") hereby agree to the following amendments to the Memorandum of Agreement ("MOA") Regarding Neutrality & Card Check Recognition, dated October 1, 2002:

1. **Duration.** The duration of the MOA shall be extended to April 4, 2009.
2. **New Language** shall be added to the MOA as follows:

The issue of eligibility under the card check agreement needs further discussion. At issue is the impact on the Company and the Union of defining employees who are defined as non-supervisory under the NLRA and those who are defined as non-represented/non-management. In the 2004 negotiations, the Union is not seeking to change the historic balance. However, as technology changes the nature of the network and its services there may need to be an adjustment in some of the historical exclusions or the administration of the card check process. We need to address this issue and related definitional issues from a forward-looking perspective in the President's Council. The Company and the Union will appoint individuals to evaluate jobs in DataComm and report, jointly or separately, to the President's Council their findings and recommendations as to the proper job classifications in DataComm as management or non-management for purposes of application of the card check agreement. The President's Council will consist of the regional presidents, the data services president, and a senior representative of human resources on behalf of the Company. The Union representatives will consist of the District Vice Presidents and a representative of the CWA National office.
