ARTICLE I - PREAMBLE

THIS AGREEMENT, by and between, or on behalf of the parties establishes rates of pay, wages, hours of employment, fringe benefits, and vacations, where applicable, and other terms and provisions concerning employment relations and collective bargaining relations and collective bargaining between or involving such parties on construction jobs in the State of Minnesota.

ARTICLE II

CONSIDERATIONS FOR AGREEMENT.

The considerations for this Agreement are mutual promises of the parties and their mutual purposes to establish, maintain and promote sound and harmonious labor relations.

ARTICLE III

UNION RECOGNITION. The Employer hereby recognizes Locals 120, 160 and 346 as the exclusive collective bargaining representatives of the Employees in the craft signatory to

this Agreement, in respect to rates of pay, wages, hours of employment and fringe benefits, where applicable, and other conditions of employment. The respective Unions represent that they are qualified for such recognition.

ARTICLE IV

UNION SECURITY. Each of the Unions recognized under Article 3 of this Agreement shall be entitled to union security to the extent that each Employee in the collective bargaining unit represented by such Union, shall, on the eighth (8th) day following the beginning of employment in such collective bargaining unit by such Employer under the coverage of this Agreement or the effective date of this Agreement, whichever is later, be required to become and remain a member in good standing of such Union as a condition of employment. The Employer will be required to dismiss Employees who refuse to comply with this Union Shop provision after written notification by a bonafide representative of the Union to a responsible representative of the Employer on the job.

Each of the Unions shall be entitled to approach individual Employees for organizational purposes as provided by law. All organizational functions must be pursued during that period which will not conflict with the Employer's work.

ARTICLE V

HIRING. A. When the Employer needs employees, it shall give the Union equal opportunity with all sources to provide suitable applicants.

B. The Employer has the right to select prospective Employees from all who make application for employment with the Employer.

C. There shall be no discrimination against any prospective Employee, by the Employer or the Union, because of affiliation or non affiliation with the Unions, race, color, sex, age, political or religious beliefs.

D. The Union agrees that all applicants for employment referred to an Employer shall be experienced in the classification requested.

In order to meet Federal, State or other governmental requirements or regulations relative to Equal Employment Opportunity or Affirmative Action, the Employer may hire Employees to meet these goals from any source, if the Union cannot supply.

ARTICLE VI

INSURANCE, TAXES AND BONDS.

A. The Employer agrees to carry any and all insurance and pay all applicable taxes as required by applicable State and Federal law.

B. The Employer further agrees to pay the State Workmen's Compensation Insurance and into the State Unemployment Compensation Fund such amounts as are due from and after the date Employees from these Unions are employed on the job.

C. Should the Employers require any Employee to give bonds, the premium on same shall be paid by the Employers.

ARTICLE VII

CONFLICTING AGREEMENTS. The Employers agree not to enter into any labor

agreements covering construction jobs, manufacturing process and fabrication, with their Employees on whose behalf any of the Unions have been granted recognition here under individually or collectively which in any way conflicts with the terms and provisions of this Agreement. If the Unions enter into any Agreements with any individual Employer or group of Employers competing in the same type of work as defined in Supplement 1 which provides for his, its, or their Employees less favorable wages, hours or conditions than herein specified, the Employer parties hereto may open this Agreement for the express and exclusive purpose of negotiating less favorable wages, hours or conditions.

ARTICLE VIII

VIOLATIONS OF AGREEMENT. A. In the event the Employer deliberately violates the provisions of this Agreement relating to wages, hours of work, seniority rights where applicable, or overtime differentials, and vacations, any back pay owed to the Employee because of such violation shall be paid by the Employer at the rate of two (2) times the standard straight time and overtime rate.

B. Reasonable evidence of clerical error or honest mistake in interpretation of this Agreement shall exempt the Employer from the double penalty provisions. In such a case the Employer shall be required to pay only the actual amount of back pay involved, at the standard straight time and/or overtime rate.

C. When there is evidence of collusion between the Employer and Employee to violate

the Agreement, any back pay collected shall be made payable to Employee, and shall be deposited with the Union, if the Board of Arbitration so orders.

D. Determination of violations to this Agreement as set forth in A, B, C, above shall be determined in accordance with the Settlement of Disputes Article of this Agreement.

ARTICLE IX

DISCHARGE CLAUSE. The Employers may discharge any Employee whose work or behavior is unsatisfactory or who fails to observe the safety precautions or other rules and regulations prescribed by the Employer or any governmental agency. No Employee shall be discharged for refusing to work under unsafe conditions.

ARTICLE X

SHIFTS. A. Where not more than two (2) shifts are worked, the wages paid shall be based on hours worked, however, each shift shall constitute eight (8) hours work, and eight (8) hours pay.

B. There shall be a minimum of one-half (1/2) hour break from work for lunch near the middle of each shift, where two (2) shifts are worked.

C. When three (3) shifts are worked, the first shift shall constitute eight (8) working hours, plus a one-half (1/2) hour lunch break. The second shift shall constitute eight (8) working hours, plus a one-half (1/2) hour lunch break. The third shift shall constitute the succeeding seven (7) working hours, plus a one-half (1/2) hour lunch break. Each such full shift shall be compensated by eight (8) hours straight time pay. Lunch breaks are not paid hours.

D. Call in pay. When an Employee is called to work he shall receive two (2) hours' pay if not put to work. If he is called to work and is put to work, he shall be guaranteed a minimum of four (4) hours' pay; these provisions, however, not to be effective when work is unable to proceed because: (1) railroads and common carriers fail to make deliveries as scheduled; (2) the Engineer refuses to permit work; and (3) Act of God, including weather conditions, will not permit work.

The Employers agree to provide telephone notification if arrangements are made to reach Employees through a central source. If the Employer fails to give notice as required herein, the Employee reporting shall be entitled to two (2) hours' pay for reporting time.

E. Split Shifts. It is agreed there shall be no split shifts worked by Employees covered by this Contract.

F. In the event that there is more than one shift worked, there shall be no shift differential on the first two shifts. If a third shift is worked, Employees will work seven (7) and receive eight (8) hours pay.

ARTICLE XI

SUBCONTRACTING. In the event a subcontractor is involved in a controversy, the Union shall be obligated to bring it to the attention of the prime contractor. The prime contractor shall have at least forty-eight (48) hours to attempt a settlement of the controversy before a work-stoppage is brought about. It shall not be a violation of this Agreement, including Article 16, if a stoppage of work occurs due to the failure to arrive at an Agreement.

When a contractor signed to this Agreement subcontracts work to be performed on the jobsite the subcontractor shall agree to pay Employees an amount equal to the total of the wages and fringes as specified by this Agreement.

When the Union raises the question, in writing, as to a subcontractor's compliance with the above, the prime contractor will secure the records of the subcontractor relating to the question.

If the above subcontractor is found in non compliance, the matter will be referred to the Disputes Board (see Settlement of Disputes).

ARTICLE XII

SETTLING DISPUTES. Differences or disputes which cannot be resolved by the parties concerning the interpretation or application of any provisions of this Agreement shall be submitted to the grievance procedure. Any party to this Agreement (Union or Employer) shall have the right to raise grievances. Each grievance shall be deemed to be waived unless submitted in writing with a copy thereof to all parties involved within ten (10) working days after the first occurrence of the event or knowledge of the condition giving rise to the grievance. A continuing event or condition shall give rise to a grievance only on the first day it occurs and there shall be no continuing grievance or continuing right to raise a grievance with respect to a continuing event or condition. If the dispute is not settled within ten (10) days, the parties have five (5) additional days to decide to utilize the State Joint Committee or to proceed directly to arbitration.

A State Joint Committee made up of equal numbers of Management Representatives and

Labor Representatives will meet regularly to settle any and all disputes or problems affecting this Agreement, the parties hereto, and to avoid work stoppages, strikes or other problems affecting productivity. The State Joint Committee shall have no power to add to, delete, or modify any provisions of this Agreement. All decisions of the Joint Committee shall be final and binding.

Decisions of the Joint Committee will be drafted at the conclusion of the meeting, signed by members of the Committee, and distributed to both parties at that time.

If either party, after signing above documents, refuses to abide by the decision of the Joint Committee, economic action may be taken by the other party.

Should the Joint Committee as established be unable to reach a decision in the matter because of a deadlock (lack of majority), then the matter may go to final and binding arbitration as provided in the following manner:

They shall ask the Federal Mediation and Conciliation Service for a list of five (5) names from which the aggrieved party shall strike the first name, etc. until the Arbitrator is selected. The Arbitrator selected shall render his decision within thirty (30) days after hearing the case. The time may be extended by mutual agreement between the parties. The decision of the Arbitrator shall be final and binding on the signatories to this Agreement who are parties to the disputes; provided, however, that the Arbitrator shall have no power to add to, delete, or modify any provisions of this Agreement. The

Employer and the Union will share equally all fees and expenses of the Arbitrator.

All work and other conditions prevailing immediately prior to the raising of the question to be decided under this Article shall remain unchanged until final decision has been reached hereunder.

ARTICLE XIII

MANAGEMENT. Management reserves the right to manage its jobs to the best interest of Management; the right to retain or dispense with Employees, to reduce or increase the number of Employees needed on each project, crew, activity or piece of equipment. Under no conditions will Union Representatives make demands for more Employees in a crew on specific projects, insofar as it does not conflict with this Agreement.

ARTICLE XIV

In the event the Employers become involved in a controversy with any other union, the Union will do all in their power to help effect a fair settlement. The Unions agree not to honor or instruct its members to honor a banner of any union unless approved by their parent Union. It shall not be a violation of this Agreement and it shall not be cause for discharge or disciplinary action in the event an Employee decides not to cross a primary picket line or banner. This clause shall not apply to secondary picket lines or banners and it shall not apply to jurisdictional picket lines or banners.

ARTICLE XVI

STRIKES, LOCKOUTS, WORK INTERFERENCE. The Unions and the Employers agree that there shall be no strike, work stoppages, slow-downs or other concerted interference with the Employer's business or affairs by any of the said Unions and/or the members thereof, and there shall be no lock-out during the existence of this Agreement without first giving the Employer and the Union forty-eight (48) hours WRITTEN notice and sending the dispute through procedures established in Article 12.

records of the individual Employees covered by this Agreement upon which there is a dispute. Prior to the actual examination, a written request shall be submitted to the Employer involved.

ARTICLE XX

APPLICATION OF WAGE RATES. A.

The determining factor in applying different area rates shall be the location within the State in which the work is being performed and not the home address of the Employee or Employer. Pay rates for other crafts with respect to areas are irrelevant.

B. Work in Two Wage Zones - When work covered by this Agreement is in two wage zones (point of load to point of dump) the driver shall be paid an hourly wage based on the average of the two zones. (i.e. - if Area 4 has a wage of \$10 per hour and Area 2 has a wage of \$12 per hour, the driver would be paid the average or \$11 per hour plus fringes).

G. Direct Deposit Refer to memorandum

Direct Deposit Memorandum of Understanding

This memorandum clarifies the understanding between the AGC of Minnesota and the Minnesota Construction Conference of Teamsters with regard to direct deposit of employee's paycheck. Direct deposit was proposed by the AGC and agreed to by the Teamsters in the 2005 highway-heavy negotiations. The dispute is whether direct deposit is mandatory for the employer. The AGC says it is not and the Teamsters say it is.

This dispute will be settled at a future date. Due to time restraints it is not feasible to settle this dispute in a timely manner. Until this dispute is settled, direct deposit will not be mandatory on the employer.

ARTICLE XXII

FRINGE BENEFITS. The Employer agrees to contribute every month, not later than the 15th day of the following month, hereinafter called the "due date" such sums for Pensions and

Health and Welfare, as may be designated in CLASSIFICATIONS AND WAGES an hour for each hour worked by all Employees covered by this Agreement. The Fund shall be known separately as the Teamsters' Pension Fund and the Teamsters' Health and Welfare Fund and collectively as the Minnesota Teamsters' Fringe Benefit Fund under separate Trust Agreements, copies of which the Employer will receive and to which the Employer is automatically bound. The fund's Trustees shall equally represent the Union and the Employer.

1. Contributions to be paid on one check with all other fringes to an administrative agency with a local office.

2. Reporting forms and instructions standardized with other basic trades.

3. Contributions paid on an hourly basis on all hours worked and not to be pyramided. Example: If hourly wage is \$3.00 plus 10 cents fringe, time and one-half overtime rate - \$4.50 plus 10 cents fringe and double time overtime rate - \$6.00 plus 10 cents fringe. On shift work, contributions paid on the same proportionately hourly basis as hours worked to hours paid.

4. Any Insurance Carrier, Administrator, Consultant, Actuary, Fiduciary Agent which may be used shall be selected by competitive bidding upon invitation by Trustees.

5. There shall be no requirement that Employees sent to work outside the scope of this Agreement be paid fringes, nor shall the Employer be required to duplicate fringe contributions.

6. Collections: (a) Delinquency: An Employer shall be considered "delinquent" for a particular

work month if its required report and contribution for that month are not received in the office of the Fund Administrator, postmarked on or before the 20th day of the following month (the "due date"), irrespective of whether such delinquency is willful or otherwise; provided, that an Employer shall not be considered delinquent for such month if it shall prove by clear and convincing evidence satisfactory to the Trustees that its report and payment were in fact posted on or before the due date and were lost in the mails through no fault of its own. For the purpose of determining the hours to be reported for a particular work month, the Employer may report either on the basis of the hours worked each day occurring in that month or on the basis of all hours worked through the last day of the last pay period ending within that month, provided that the reporting basis selected by the Employer is consistently followed:

(b) Liquidated damages and interest: If an Employer becomes delinquent for a particular work month (as provided in (a) above), such Employer shall also be required to pay, as liquidated damages and not as a penalty an amount equal to 10% of the contributions otherwise due for such work month, it being understood and acknowledged by the parties that actual damages are extremely difficult or impossible to ascertain and that the amount so fixed as liquidated damages is reasonable. In addition to liquidated damages, contributions delinquent for more than two months shall bear interest at the rate of 8% per annum, calculated for the applicable due date to the date of payment.

(c) Bonding: If an Employer becomes delin-

quent for a particular work month (as provided in (a) above as to any or all of the Trust Funds, and if the report and the full payment due for such work month (including liquidated damages) are not actually received in the office of the Fund Administrator on or before the 20th day of the month following the applicable due date, such Employer shall (in addition to paying the full amount due) be required to post in the office of the Fund Administrator a cash or surety bond in form satisfactory to the Trustees in a face amount of \$25,000, issued by a duly licensed surety company. Such Bond shall cover all the Trust Funds and assure payment of all sums called for by this Agreement in the event of the Employer's subsequent delinquency as to any or all of the Trust Funds, and which shall be kept in force and maintained in the full face amount for a period of not less than twelve (12) consecutive calendar months during which such Employer has complied fully with the terms and provisions of this Article.

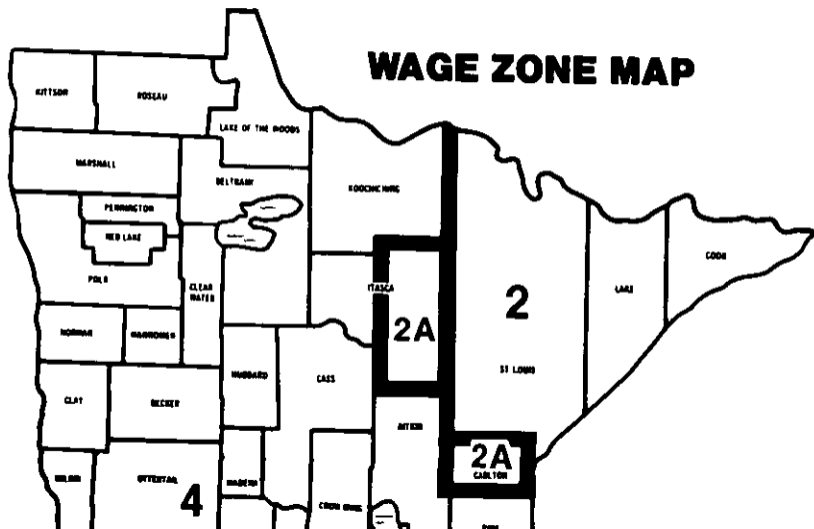

(d) Underpayment. An Employer who, after having filed a report for a particular work month, is found not to have reported and paid the full amount of contributions due for such month, shall be required to pay 10% liquidated damages on the total amount of the underpayment, and if such underpayment is more than two months overdue, the Employer shall also pay interest thereon at the rate of 8% per annum calculated from the applicable due date. At the election of the Trustees, such Employer may also be required to post a bond in the form contemplated by clause (c) hereof and in a face amount at least equal to the total

amount of contributions due for the four most recent work months completed prior to the date on which such underpayment was discovered by the Trustees.

(e) Auditing procedures: The Trustees shall have the right at any time and from time to time upon notice to the Employer, to cause an audit or audits to be made of the Employer's employment, personnel and payroll records relating to its former and present Employees which the Trustees or their authorized agents shall deem necessary in conducting such audit, and the Employer shall afford them reasonable time and opportunity to examine the same in accordance with standard auditing procedures and shall assist and cooperate with the Trustees and their authorized agents in properly identifying the Employees covered by this Agreement and the hours worked by them.

If an Employer has subcontracted work to any subcontracting Employer described in Article XI of this Agreement, such Employer shall promptly furnish to the Trustees or their authorized agents, upon demands, such information as it shall possess concerning the Employees of such subcontracting Employer, their job classification and the hours worked by them at the jobsite.

(f) Non-Union Employees: The provisions of this Agreement establishing rates of pay, wages, hours of employment and other terms and conditions of employment, including fringe benefits, apply to all Employees employed in job classifications within the jurisdiction of the Union, regardless of whether or not such Employees are members of the Union. Each Employer shall

report and pay fringe benefit contributions on all hours worked by each and all such Employees, including such Employees who are not members of a Union.

(g) Economic Actions: Notwithstanding any other provisions of this Agreement in the event that any Employer shall fail, refuse, or neglect to comply fully with any term or provisions of this Article relating to the filing of reports, the payment of contributions, the payment of liquidated damages, the posting of bonds, or the conduct of auditing procedures and the furnishing of records and information in connection therewith, then, in addition to any other rights and remedies which the Trustees or the Unions may possess, the Unions shall have the right, upon giving seventy-two (72) hours written notice to the Employer of such noncompliance, to take whatever economic action they deem necessary until full compliance is effected.

If the noncompliance asserted by the Unions shall involve an alleged failure, refusal or neglect on the part of the Employer to pay the full amount of contributions due on all hours worked by all of its Employees covered by this Agreement and a dispute shall exist as to the proper identification of the Employees covered by this Agreement and/or the number of hours worked by them, the Employer may demand that such dispute be submitted to regular arbitration under Article 12 - **SETTLING DISPUTES**, provided that such demand is submitted in writing to the Union within forty-eight (48) hours after receipt of the above Union notice, which written demand shall identify the

Employees and hours claimed to be in dispute, and provided further that the Employer shall make full payment of any contributions which are then due and not disputed, including the indicated liquidated damages and interest thereon. When an Employer demands that such a dispute be submitted to arbitration in accordance with the preceding sentence, all economic and legal action relating to such dispute shall be stayed pending a decision in the arbitration proceeding. If a delinquency in the payment of contributions shall have been admitted by the Employer or established through arbitration, the Trustees' rights to collect liquidated damages or interest there on, or to require a bond with respect thereto, shall not be subject to arbitration. An Employer's failure, refusal or neglect to file monthly reports in a timely manner or to comply fully with the auditing procedures set forth herein shall not be subject to arbitration.

(h) Legal Action: In the event that any Employer shall fail, refuse or neglect to comply fully with any term or provision of this Article relating to the filing of reports, the payment of contributions, the payment of liquidated damages, the posting of bonds, or the conduct of auditing procedures and the furnishing of records and information in connection therewith, then, in addition to any other rights and remedies which the Trustees or the Union may possess, either the Union or the Trustees or both of them shall have the right to cause legal action to be taken against such Employer to effect compliance. Delinquent Employers will be required to pay legal fees plus reasonable attorney fees.

(i) Reimbursement of Unions: The Trustees may, in their discretion, reimburse the Union from the Trust Funds for all or any part of the costs of collection (including specifically, picketing and bannering expense) actually incurred by the Union in taking economic or legal action against an Employer to effect compliance with the terms of this Agreement.

(j) Benefit payments: If the failure, refusal or neglect of any Employer to comply fully with the terms and provisions of this Article shall result in a loss to any Employee of Pension or Health and Welfare benefits to which such Employee would otherwise be entitled, then, in addition to any other sum for which it may be liable, the Employer shall be liable to such Employee for the benefits so lost as a result of such Employer's noncompliance. Such Employer shall indemnify the Trustees, the Trust Funds, the Union and their agents and Employees against any and all loss, damage, or liability (including attorneys' fees) which they may suffer or for which they may be charged by reason of any claim or action brought against them by any such Employee for lost benefits.

(k) Survival of Rights: Notwithstanding the Duration Article hereof, the provisions of this Article relating to the rights and remedies of the Union, the Trustees and the Employees (including, specifically, liquidated damages, auditing procedures, economic and legal action, and benefit payments) in the event of delinquency or underpayment by an Employer shall survive the termination of this Agreement with respect to the Employer's obligation to contribute on hours worked prior to such termination.

(1) Notices or Other Communications: Demands shall be directed to a party's last known address and all time limits shall be computed excluding Saturday, Sunday and Holidays or days observed as such.

If an Employer subcontracts work to be performed at the jobsite by Employees covered by this Agreement such subcontracting Employer shall be specifically and automatically bound by the terms, conditions and penalties of this Article.

Any and all fringe contribution rates shall be open for adjustment and such adjustment shall operate to adjust wages in a like amount.

ARTICLE XXIII

SAVINGS CLAUSE. This Agreement is intended to be in conformity with all applicable and valid State and Federal laws, rules and regulations. Any conflict between the provisions of this Agreement and the terms of any such laws and regulations shall cause the provisions of this Agreement so in conflict to be superseded or annulled but shall not supersede or annul the terms and provisions of this Agreement which are not so in conflict.
