**ARTICLE IV - GRIEVANCE PROCEDURE**

**Section A - Definitions**

1. A grievance is an allegation by a teacher that there has been a violation, misinterpretation, or misapplication of any of the specific provisions of this Agreement. Except by mutual agreement between the Board and the Union to the contrary, the filing of a grievance up to and including Step III shall be limited to one (1) specific provision of the Agreement per filing.

Section B - Procedures

1. A representative of the Union shall have the right to be present and present his/her views at any formal meeting held pursuant to this Article. If the Union is not the grievant, it shall be notified of the time and place of such formal meeting concurrently with the transmission of notice to the teacher. In the processing of grievances, the teacher shall have the right at his/her option to represent himself/herself at his/her own expense, or at his/her own expense to be represented by some other person of his/her choosing at any formal meeting held pursuant to this Article.

2. When a grievance meeting requires the attendance of a particular individual teacher, the time, date, and place for such meeting shall be set by the appropriate administrator provided that if such meeting is held before or after the affected teachers’ workday, the times shall be by mutual agreement between the parties.

3. If the grievant(s) fail to meet the specified time restrictions provided herein, the grievance shall be deemed to be withdrawn.

Step I (Informal) - The teacher and, if the teacher desires, a Union representative, shall first informally discuss the grievance with his/her principal. A written agenda is not required before a Step I meeting is scheduled. The Union, when requesting a meeting to discuss an alleged grievance, will identify that the meeting is to discuss an alleged grievance and will identify the specific article, section, paragraph and subparagraph, if applicable, of the collective bargaining agreement that allegedly has been violated.

Step II (Formal) - If not satisfied with the resolution of the grievance at Step I, the teacher may submit the completed grievance form to his/her principal. The filing of the Grievance at Step II must be within eighteen (18) workdays of the event-giving rise to the grievance. Within five (5) days of receipt of the Step II filing, the principal and the teacher shall meet in an effort to resolve the dispute. The teacher and the principal may mutually agree to waive the necessity to conduct the Step II meeting and allow the grievance to proceed forward to Step III. The principal shall submit his/her written decision to the
teacher, with a copy to the Union, within seven (7) days of the Step II meeting, or if no Step II meeting is held, within five (5) days of the execution of the waiver described herein.

**Step III (Formal)** - Within seven (7) days of the receipt of the Step II decision, the teacher, if not satisfied with the resolution of the grievance at Step II, may submit the completed grievance form to the superintendent. Within seven (7) days of receipt of the Step III filing, the superintendent and the teacher shall meet in an effort to resolve the grievance. The superintendent shall submit his/her written decision to the teacher, with a copy to the union, within seven (7) days of the Step III meeting.

**Step IV (Formal)**

a. Within sixteen (16) calendar days of the receipt of the Step III response, the union, if not satisfied with the resolution at Step III, may submit a written demand for arbitration to the American Arbitration Association. The superintendent shall be concurrently notified of such demand. The parties agree that the postmark date shall be used to determine the date submitted. In the event the superintendent's notification is provided in a manner other than U.S. Mail, such notification shall be received in the Office of Labor Relations as per the sixteen (16) calendar day timeline provided herein. The American Arbitration Association shall furnish one or more panels of arbitrators pursuant to its procedures. The parties agree to subscribe to the then prevailing practices of the American Arbitration Association.

b. The arbitrator shall schedule a hearing as promptly as possible. He/She shall seek agreement of the parties as to the date of hearing, but such shall be scheduled within thirty (30) calendar days except as otherwise provided herein. The arbitrator shall issue his/her decision not later than thirty (30) calendar days from the date the hearing is concluded. Such decision shall be in writing and shall set forth the arbitrator's opinion and conclusions on the issues submitted. The decision shall be final and binding on the parties.

c. The arbitrator shall be without power or authority to make any decision contrary to or inconsistent with, or modify or vary in any way the terms of this Agreement. He/She shall have no power to add to, delete from, or modify in any way any of the provisions of this Agreement. The arbitrator's award may include such remedy as shall be authorized by law.
d. Fees and expenses of the arbitrator shall be shared equally by the
   Board and the Union.

Section C - General Provisions

1. The right to proceed to the arbitration step of this procedure shall be
   limited to the Union. Except for mutual written agreement to the
   contrary, the Union’s demand for arbitration shall be submitted so as to
   limit the scope of each such demand to only one (1) grievance. The
   parties agree that only subject to all of the conditions listed below, one
   (1) or more grievance(s) may be concurrently considered in dispute at
   the arbitration level only of the grievance procedure:

   a. All such grievances shall have the same grievant;
   b. All such grievances shall have the same date of event
      giving rise to the grievance;
   c. All such grievances must have been processed through
      Step III as provided herein.

2. If the decision to be given by a teacher’s principal or the
   superintendent is not given within the respective times by said
   provisions specified, the teacher shall have the right to proceed with
   his/her appeal to the next step by giving notice of appeal or request for
   arbitration within the same time to the same parties and in the same
   manner as he/she would be required if a decision adverse to him/her
   had been rendered on the outside date prescribed above for rendering
   decisions.

3. Time limits may be extended beyond those specified only upon actual
   written agreement between the parties. Whenever illness or other
   incapacity prohibits either party from attending a grievance meeting,
   the time limits shall be extended until the affected party(ies) can be
   present.

4. Any written notice to be given under Section B by the teacher to his/her
   principal or to the superintendent may be given by hand by the teacher
   or his/her representative or by mailing it by certified mail, return receipt
   requested, addressed to the principal or the superintendent at their
   respective offices. Any notice or decision to be given to the teacher
   may be given to the teacher by hand by the principal or superintendent
   or their representative or by mailing by certified mail, return receipt
   requested, addressed to the teacher at his/her home address as shown
   in the Board’s records. Any notice or decision to be given to the Union
   may be given to the President of the Union, or by mailing it by certified
   mail, return receipt requested, addressed to the Union at its offices.
Any notice or decision given by hand will be verified by written receipt if requested.

If a notice or decision under this Article is provided to either party by certified mail, the time limit required for response to such notice or decision shall be extended to the receiving party by two (2) days.

5. When hearings are held during school hours, persons necessary to be present shall be excused without loss of pay or accumulated leave, provided that the Step IV hearing arrangements shall also be made to permit the appearance of witnesses without loss of pay or accumulated leave whom the arbitrator shall deem necessary.

6. If a grievance arises as a result of a condition which the immediate supervisor is without the jurisdiction to resolve, the teacher may file the grievance at Step III (superintendent level) and proceed through the grievance procedure from Step III forward.

7. Nothing in this Agreement shall be construed as compelling the Union to submit a grievance to arbitration.

8. No reprisals of any kind shall be taken against any participant in the grievance procedure by reason of such participation.

9. Grievance files shall be filed separately from other files of the teacher.

10. Necessary forms for the filing of grievances shall be mutually agreed to by the Union and the Board. Costs incurred in the printing, supply, and required distribution of such forms shall be shared equally by the Union and the Board.

11. Any claim or grievance arising under the Agreement while said Agreement is in force shall be processed through the grievance procedure until its resolution.

ARTICLE V - UNION RIGHTS

2. No more than two (2) teachers shall be absent from any single worksite at the same time.

3. Substitute cost incurred as a result of seven (7) such days shall be borne by the Board.

4. Except for paragraph 3 above, the cost of substitute(s) incurred as a result of such leave shall be at the expense of the Union.

5. No more than four (4) days notice shall be required for such leave application.

6. No more than eleven (11) days of such leave shall be taken by any one teacher during any given school year. No more than five (5) of such days may be taken consecutively.

Leave of absence without pay shall be granted by the Board for the purpose of serving as an officer of the Brevard Federation of Teachers [limited to four (4)] and the Florida Education Association. Request for leave shall be made upon written application of such teacher to the Superintendent at least twenty-five (25) calendar days prior to the onset of the semester in which the leave is to begin. Such leave shall not be for less than one (1) school year. Such leave shall not be renewable for any longer than the duration of this Agreement.

Union officers described above, other Union officers who are also active teachers with the district who are not on leave, and teachers whose leave days are charged to the twenty-seven leave days (27) as provided in this section, shall be allowed to participate in Board approved benefit plans, Florida Retirement, and Social Security plans which are available to other district teachers. Such participation shall be at no additional cost to the Board other than the cost the Board already incurs for its employees. Written procedures shall be developed which are mutually acceptable to the Board and the Union. Mutual agreement or the lack of same shall not be subject to the grievance procedure of this Agreement.

Section B - Negotiations on School Time

If negotiations are conducted during the regular teacher workday, leave of absence without loss of pay or accumulated leave shall be granted to up to twelve (12) members of the Union bargaining team. If substitute teachers are needed to provide for the above leave, the actual cost of the substitutes during such leave shall be borne by the Union.

If other activities directly related to this Agreement and mandated by law or this Agreement are conducted during the regular teacher workday, leave of absence
sufficient to conduct such necessary activities shall be granted to the affected teachers without loss of pay or accumulated leave.

Section C - Bulletin Boards

1. The Board shall make available for exclusive use by the Union one (1) bulletin board located in the main faculty lounge at each school for posting of official Union material properly identified as such. If no bulletin board was in use as of March 19, 1979 in the main faculty lounge for the posting of such notices, a bulletin board shall be made available for such notices in an area to which teachers have ready access.

2. Concurrently, a courtesy copy of such material shall be provided to the principal and sent via Union courier, fax, or U.S. Mail to the Director of Labor Relations or designee.

3. Campaign literature of a candidate for public office shall not be distributed through the Board’s courier service, posted on a Union bulletin board, or placed in a teacher’s mailbox.

4. The Union shall provide the principal with the name in writing of the bargaining unit member who is designated by the Union as having the responsibility to post such material. A district-wide master list of teachers so designated shall be delivered to the Director of Labor Relations upon request in writing two (2) times per year. Such list shall contain the name and work location of each person designated.

Section D - Union Meetings

The Union shall have the right to use school buildings for meetings with members of the bargaining unit, provided notice of such meetings shall be submitted to the principal no less than two (2) workdays prior to the date of the requested meeting. The use of such building shall be without charge except for additional costs, which may be incurred in connection therewith. Such additional costs shall be stated on the approved building use permit. This paragraph shall not be applicable to any use by the Union for fund raising or any meeting or activity involving more than twenty (20) persons where less than ninety percent (90%) of those in attendance are employees of the Board. The Union shall be responsible for any damage, which may be incurred in connection with such usage. The use of such facilities hereunder shall also be contingent upon such causing no interference with the instructional matters of the school district.

A meeting hereunder which has been scheduled shall not be cancelled by the principal unless no other course of action is reasonably available to effectuate the needs of the school. Provided one such meeting per month may be held
during the teacher workday, but outside the normal student day. Such meetings held during the teacher workday shall be scheduled by the principal and BFT building representative at a mutually agreed upon time. Under no circumstances shall this language be interpreted that the Union shall not have the right to such meetings.

Section E - Distribution of Literature

1. The Union shall have the right to place material dealing with Union business in the teachers’ mailboxes provided that the following conditions for using such mailboxes are met:

a. Union materials shall be designated as Union matter and dated where possible to show date of publication.

b. Union material in bulk shall only be placed in or near the mailboxes.

c. Concurrently, a courtesy copy of such material shall be provided to the principal and sent via courier or U.S. Mail to the Director of Labor Relations or designee.

Section F - Superintendent - Union Conferences

The superintendent shall meet at a mutually agreeable time in his/her office with the president of the Union or designee and either a Union vice president or a representative of the Florida Education Association or the American Federation of Teachers for a limit of two (2) Union representatives in any one meeting to discuss matters relating to the implementation of this Agreement, provided (except by mutual consent) such meetings shall not occur more often than once each calendar month, and provided further that at least seven (7) calendar days written notice shall be given for the request of such meeting and the request shall include the suggested agenda for such meeting.

Section G - School Visitation by Union Representatives

Authorized Union representatives shall be allowed to visit schools where teachers are assigned to conduct Union business under the following conditions:

1. The Union shall provide the Director of Labor Relations the names in writing of the persons who are authorized by the Union to participate in such visits provided that the Union shall only alter the list three (3) times each school year.

2. Immediately upon arrival at the school site, the Union representative shall report to the reception area of the administrative offices and shall indicate to the principal the purpose for such visit.
3. Such visitation shall in no way disrupt or interfere with educational procedures or programs.

4. No more than three (3) Union representatives, not to include the Union building representative, shall be present in any single work location at any one time.

5. Such visitations shall not be used for tax sheltered annuity presentations or partisan political activity.

6. The parties agree to make financial information available to teachers which will aid in their personal financial planning. The intent of such information is to provide financial planning information to employees rather than promote any company or individual's business opportunity.

Section H - Union Representation at Board Meetings

1. The Union shall have the right to request to be placed on the Board agenda at all regular Board meetings. The Board shall provide the Union at no cost with one (1) copy of the materials relating to all public Board meetings which are generally distributed to the press at a time after said materials are made available to the Board, but no later than when materials are distributed to the press for any regular meeting of the Board. One (1) copy of the printed minutes of the Board shall be supplied to the Union at no cost when said materials are made available to the Board.

2. The Board shall provide each school with a copy of the summary agenda of regular Board meetings to be posted in a conspicuous location.

Section I - Union Representation on Board Committees

If the Board shall determine to appoint a district-wide committee, which shall include more than five (5) teachers thereon who shall not be entitled to additional financial compensation excluding mileage for such committee participation and which shall be charged to review and/or report on curricular matter(s) directly affecting the working conditions of teachers, the Union President shall be invited to submit to the superintendent the name of at least one (1) teacher who shall be named to the committee. In the instance of a committee to deal with curriculum matters as described above, the names of the anticipated appointees shall be submitted in writing to the Union president or his/her designee who may select one teacher from such list as a Union representative. Such selection by the Union President shall be within seven (7) calendar days of his/her receipt of such list. If the Union President wishes to select a teacher who is not on the anticipated committee list, he/she may do so
and that teacher will be added to the committee as the Union representative. Such Union selected teacher shall meet the district requirements for committee participation prior to such appointment as the Union representative.

Section J - Teacher Directory
Upon the written request of the Union President or designee, the Board shall provide four (4) times each year, without cost a listing of teachers by school which shall include their full names, full home mailing addresses, and their major grade or subject assignment.

The Board agrees to deduct Union dues from the paychecks of teachers provided that each of the following conditions and/or requirements are met:

1. The teacher submits a written dues deduction authorization, which is received in the Board finance office no later than the first day of the month in which deductions are to begin.

2. Such authorization is submitted on a form that is mutually acceptable to the Board and the Union and supplied by the Union at no cost to the Board.

3. The Union shall certify in writing to the Board the amount to be deducted from each check for each payroll period provided that such dues shall not be changed more than one (1) time during the fiscal year. Notice of such change shall be received in the Board finance office no later than forty-five (45) calendar days prior to the payroll date on which such change is to become effective.

4. The authorization for deduction shall remain in effect until a written revocation from the teacher is received by the Board and the Union at least thirty (30) calendar days in advance of the payroll date on which the deductions are to cease. Termination of employment shall constitute a revocation.

5. All dues collected in this matter shall be remitted to a designated Union official or designee within ten (10) workdays following such deduction. Costs incurred by the Board in making such deductions shall be borne by the Board. The Union agrees to indemnify and hold harmless the School Board and its members, all of its agents and employees against any and all loss arising from any claims, suits, demands, or other actions arising from any action taken hereunder.
Section L - Other Deductions
The Board agrees to deduct a uniform deduction and/or assessment for Union insurance programs from the paycheck, provided such deduction shall be authorized in writing by the teacher and the amount authorized shall remain uniform for the entire school year. All of the other provisions of Section K of this Article shall also be applicable to this deduction, except that the amount deducted for an individual insurance program shall not vary during the fiscal year. The amount deducted shall be transmitted to the Union along with the Union dues. The Union shall be responsible for the disbursement of such funds. The amount of such deduction shall be added to the amount of dues deducted pursuant to Section K and the total reflected on the payroll stub, under the category of Union dues, provided that should a separate additional slot become available on such payroll stub, the Board shall report such deduction(s) pursuant to this Section separately as soon as procedures necessary for such change can be accomplished.

Section M - Time on Agenda of Faculty Meetings
A Union building representative shall be allowed to announce at faculty meetings the time and place of Union meetings provided that the following conditions are met:

1. The place in the meeting at which such announcements shall be given shall be scheduled by the principal.

2. Sufficient time shall be allowed for announcements limited to official Union business.

3. The principal shall provide a teacher with the opportunity to complete Union bargaining and/or calendar surveys and/or to view presentations on Educational Research and Dissemination (ER&D) programs and other programs, which are endorsed by the district. Such programs must have a direct application to the role of the teacher and the presenter will be a person who is trained in such programs. Teacher attendance at such presentations shall be voluntary unless such programs are a required part of the regular faculty meeting.

Section N - Use of School Supplies and Equipment
Authorized building representatives of the Union shall have the right to use designated duplicating, audiovisual, and typewriting equipment located in the school to which the building representative is regularly assigned. Such use shall be subject to the following conditions:

1. The Union shall reimburse the Board the cost of all materials used and any per-copy cost incurred by the Board.
2. The Union shall assume full responsibility for any damage to such equipment.

3. The use of such equipment or materials shall not interfere with the instructional nor administrative needs of the school.

4. The amount of such use of materials and supplies shall be promptly reported to the principal in writing.

5. Equipment may not be removed from the site without the prior approval of the principal.

Section O - Orientation Meeting for Incoming Teachers
If the Board shall conduct area-wide or district-wide meetings, gatherings, and/or receptions for newly employed teachers for the purpose of providing general employment information, the Union President shall be advised of such meeting(s) and given the opportunity thereat to briefly welcome the teachers to the district. The School Board is cordially invited to attend the Union’s area-wide or district-wide meetings, gatherings and receptions for newly employed teachers for the purpose of providing general employment information.

Section P - Exclusivity Rights
Except as otherwise provided by law, rights granted to the Brevard Federation of Teachers in Article V of this Agreement shall not be granted to any other union or employee organization which is organized for the purpose of representing teachers in collective bargaining.

ARTICLE VI
GENERAL CONDITIONS OF EMPLOYMENT

Section A - Fair Employment Practices
1. If the superintendent shall recommend the dismissal or non-renewal of any teacher, the teacher shall be given written notice thereof with reason(s) prior to final School Board action on such recommendation.

2. Upon receipt of the notice described in the preceding subsection, or upon being advised that the superintendent intends to make such recommendation for dismissal or non-renewal, the teacher shall, upon written request filed with the superintendent no later than five (5) calendar days following receipt of such recommendation or advice of intention to recommend, have the right to a meeting with the superintendent at which the teacher may advance reasons why such dismissal or non-renewal should not be recommended to the School Board.
3. If any teacher shall be disciplined, i.e. demoted, suspended other than pursuant to dismissal, or suffer loss of pay, such discipline shall be for just cause and may be challenged pursuant to the provisions of Article IV of this Agreement.

As used herein, “demoted” shall not be construed to include a determination of the Board to change any supplemental position assignment or extracurricular duty assignment.

4. If it shall be ascertained that the disciplinary action taken against a teacher resulted in loss of salary or other benefits without justification, the teacher shall be restored such salary or other benefits to the extent feasible. Such restoration shall include placement on the salary schedule so that the teacher’s salary shall be no less than the amount that he/she was scheduled to receive prior to disciplinary action.

5. Teachers who no longer are employed by the Board shall retain the right to grieve alleged violations of this Agreement, which occurred during their employment or concurrent to their involuntary termination, subject only to the provisions of Article IV.

Section B - Calendar

1. The regular school year of all Type “E” employees covered by this Agreement shall consist of no more than one hundred eighty (180) student days and one hundred ninety-six (196) teacher days inclusive of paid holidays.

2. Time spent at parent-teacher conferences which are scheduled on the school calendar as adopted by the Board is not subject to additional financial compensation. Such time spent at parent-teacher conferences shall be accrual subject to the compensatory time provisions of this Agreement.

3. The following days shall be designated as paid teacher holidays during the Fiscal Year 2004-2005:

   a. September 6, 2004
   b. November 25, 2004
   c. November 26, 2004
   d. December 31, 2004
   e. January 17, 2005
   f. March 25, 2005
4. It is the intent that the three (3) shortened student days at the end of each semester be utilized for those activities required to complete the student evaluation process. The teacher workday between semesters shall be for the purpose of uninterrupted teacher planning and preparation.

5. Except for reporting at the end of the first semester and the end of the last semester, provided that grades are not due before the end of the workday, teachers who submit grades to Educational Technology Services shall have no less than two (2) workdays after the end of the grading period to prepare grades before turning in such grades to the administration and/or school office.

6. Elementary schools may develop through the School Advisory Committee, for submission through the district waiver process, a plan for an amount of time during the teacher workweek where teachers and parents may confer and teachers may plan together or individually. The waiver process and form will be made available to the chairperson of the School Advisory Committee and the Union office.

Section C - School Day

1. A teacher shall be entitled to a daily duty-free lunch period of no less than thirty (30) minutes inclusive of the time to escort students to the cafeteria, provided teachers assigned to self-contained exceptional education classes shall be entitled to such duty-free lunch when feasible. The forty (40) hour workweek shall be inclusive of the daily lunch period. It is not the intent of the Board herein to preclude reasonable duty-free lunch time not provided herein, where such may be reasonably provided nor to preclude a principal from implementing an alternative method of providing such duty-free lunch to a teacher for whom duty-free lunch is not provided herein. All schedules for teachers’ lunch shall reflect the thirty (30) minutes provided for duty-free lunch and may include the statement that the thirty (30) minutes will include time to escort students to the cafeteria.

   a. The principal is encouraged to consider the availability of all nonbargaining unit personnel when assigning supervisory lunch room duties.

   b. Teachers of resource exceptional education classes shall not be required to serve lunchroom supervision longer than a time equal to the length of time allotted for individual students’ lunch periods.

   c. If a principal decides to close the school library in order for the Media Specialist to serve lunchroom supervision, the principal is
encouraged to seek alternative procedures which will allow the media center to remain open during such lunch serving time.

2. Except as provided herein, teachers who are assigned to teach in elementary schools, middle schools, junior high schools, or high schools shall be scheduled for a period of uninterrupted preparation time.

a. The use of such preparation time shall normally be for the purpose of teacher preparation, student staffings, individual parent conferences, department meetings, evaluation conferences, and the like. It is not the intent of the parties for planning time to be used for those purposes, which could be better accomplished by utilizing a school-wide faculty meeting.

b. In the event a principal assigns a teacher to the class or classes of an absent teacher and/or the teacher loses his/her preparation time as a result of an assignment, compensatory time equal to the amount of lost preparation time shall be made available to the affected teacher for such preparation time.

c. The length of preparation time for teachers in middle schools, junior high schools, and high schools shall normally be equal to the length of the students' class period on the day preparation time is granted. Except for schools with block scheduling, preparation time for part-time teachers shall be scheduled pro rata.

d. Teachers in elementary schools shall be scheduled for no less than two hundred sixty (260) minutes of preparation time during each full five (5) day workweek. Sixty (60) of the two hundred sixty (260) minutes may be outside the normal student day. If the workweek is less than five (5) days, such preparation time shall be reduced pro-rata fifty-two (52) minutes per day for each day students are not scheduled to attend full time. It is the intent of the parties that the allowance to schedule sixty (60) minutes of planning time as provided herein, should not be used to lower the amount of planning that has normally been scheduled during the student day.

e. Except as otherwise provided herein, preparation time as provided herein shall be scheduled within the six and one-half (6 1/2) hour period of time immediately following the beginning of the normal student day.
f. Vocational Teachers with multi-period blocks of classes and/or
other teachers not normally assigned to class groups shall not be
entitled to preparation time as described herein. This latter group
includes, but is not limited to, counselors, occupational specialists,
alternative education teachers, area counselors, resource teachers
and media specialists not assigned a full class load. Multi-period
blocks of classes as used herein shall mean only those instances in
which a teacher's classes are scheduled in multi-period blocks for
the entire student day, e.g. three (3) classes of two (2) period
blocks in a six (6) period day. Provided that in the event of an
emergency, planning time as provided herein for an exceptional
education teacher may not be provided.

g. It is not the intent of the Board herein to preclude reasonable
preparation time for teachers not covered herein, where such
preparation time may reasonably be provided.

3. A teacher may request to leave the school site during his/her workday.

4. The normal teacher workweek shall not exceed forty (40) hours
inclusive of a daily thirty (30) minute lunch period except in an
emergency and/or to allow for compensatory time.

   a. If the teacher workweek shall be less than five (5) days as a
consequence of an official school recess or holiday, the normal
workweek shall be reduced pro-rata from paragraph 4 above.

   b. In the event a teacher is assigned to work beyond the normal forty
(40) hour workweek, then compensatory time shall be granted to
the teacher. Additionally, workweek adjustments shall be allowed
only when the length of the work assignment(s) does not
cumulatively exceed thirty (30) minutes in a normal workweek.
Assignments beyond the thirty (30) minutes in such workweek are
subject to the compensatory time provisions of this Agreement.
The rules governing compensatory time shall apply as stated in
Article VI, Section C, Paragraph 5.

In the event a teacher meets with a parent of his/her students and
such meeting causes the teacher to extend his/her forty (40) hour
workweek, time spent at the parent conference shall be subject to
compensatory time provided that the principal and teacher have
prior mutual agreement that such parent conference time will
qualify for compensatory time. Parent conferences as used herein
are those parent conferences in addition to those found on the
school calendar as adopted by the Board. The requirement of “prior mutual agreement” may be met by the principal establishing a building policy on such requirement.

c. In the event a principal assigns a teacher to perform duties which require a teacher to return to school for evening functions (e.g. open houses, individual parent conferences, other such functions), time spent at such assignments shall be accruable to compensatory time. On the two board-adopted calendar parent conference nights, teachers shall be released as soon as the student day has ended and student supervisory duties have been completed.

d. Compensatory time accrued by a teacher shall be made available to a teacher during the normal student day up to sixteen (16) hours. Nothing contained herein shall preclude a principal from approving compensatory time during the student day beyond the minimum guaranteed amount of sixteen (16) hours.

e. The Board and the Union agree that the thirty (30) minute lunch shall be a paid lunch and the additional one hundred fifty (150) minutes to the workweek shall accommodate the needs of the school, provided any day a teacher does not have an uninterrupted planning time he/she shall receive compensatory time equal to the length of the interruption as referenced in Article VI, Section C.2)b.

f. In the event a teacher chooses to use compensatory time in lieu of sick/personal leave as provided herein, such teacher shall be given a verification of such time being so charged to his/her compensatory time balance.

g. In the event a teacher transfers from one school to another, any unused compensatory time shall transfer with the teacher subject to the following condition: Written verification of compensatory time earned shall be provided from the sending principal to the receiving principal at the time of the transfer.

5. The rules governing compensatory time shall be as follows:

a. The amount of compensatory time shall be equivalent to the amount of time a teacher was required to work as provided herein.

b. Prior to being allowed to take compensatory time, the following conditions shall be met:
1) The teacher shall properly submit a written request to the principal for such use. If a teacher is assigned duties by an administrator for which compensatory time is earned, the administrator shall furnish to the teacher(s) a receipt for the time. This does not preclude a teacher(s) from applying for compensatory time accrual.

2) Such written request must be received by the principal no earlier than forty (40) calendar days prior to and no later than two (2) school days prior to the date compensatory time, if approved, is to be utilized.

3) The principal shall act on requests for compensatory time submitted two (2) days prior to the utilization within one (1) day of the request. Other requests will be acted upon within two (2) days of the request. In the event the principal does not act on any request for compensatory time within the specified time frames, the request shall be considered approved. Provided that in circumstances where the requesting teacher is not assigned to the same worksite as his/her principal, such responses shall be extended by three (3) days. When a teacher applies for compensatory time two (2) or more school days prior to the day compensatory time is requested to be used, the applicant cannot be required to supply his/her own substitute as a condition of approval for such compensatory time request.

4) Time limits as prescribed herein may be waived by the principal without precedent and at his/her discretion.

5) Failure of a teacher to utilize approved compensatory time may result, at the principal’s discretion, in the reduction of such time from the teacher’s accrued compensatory time balance.

6) In the event a teacher qualifies for compensatory time as provided herein and the teacher makes proper application which is subsequently denied, up to twelve (12) hours of such denied compensatory time shall be carried forward to the next school year. Such twelve (12) hours may be used at the teacher’s option as either sick leave for the same purposes as other sick leave may be used or as personal leave charged to sick leave as provided in Article XIV.
c. Except as otherwise provided herein, compensatory time shall only be accrued and utilized during the school year in which it is earned. Teachers shall be given the opportunity to utilize their compensatory time as provided herein and shall not be carried forward from one school year to another except as provided above.

d. Nothing contained herein shall be construed as precluding a principal from allowing compensatory time on a non-student attendance day as reflected on the school calendar as adopted by the Board.

e. In the event a principal denies the use of accumulated compensatory time on an inservice day or on a post planning day as scheduled on the school calendar as adopted by the Board, such denial shall give the affected teacher(s) the right to use, at his/her option, compensatory time in lieu of and for the same purpose(s) as sick leave. The amount of any such compensatory time used as sick leave shall be no more than an amount equal to the time designated by the Board for the affected inservice day or post-planning day. Provided that any sick leave taken on an inservice day or post-planning day shall be deducted from the accrued sick leave balance of the teacher.

f. In the event a teacher chooses to use compensatory time in lieu of sick/personal leave as provided herein, such teacher shall be given a verification of such time being so charged to his/her compensatory time balance.

6. As used herein, the normal teacher workweek shall not include time devoted to performance of duties for which compensation is received pursuant to The Schedule of Supplements For Extracurricular and Supplemental Compensation. If such assignment is not included in the Schedule of Supplements, the amount paid for such assignment shall be as determined by the Board.

7. Reimbursement of mileage for teachers required to travel to another school(s) during the normal workday is as follows: After reporting for duty at a school, if the teacher is required during the normal workday to travel to another school(s), the teacher shall be reimbursed for mileage between the first school and the other school(s), and between the last school and return to the original school or to the teacher’s home, whichever shall be the lesser.
a. Employees who regularly travel among the various
schools and other location in the county to perform
their official duties, will be eligible for reimbursement
beginning with the first stop of the work day unless the
first stop is farther from their home than their
established work site.

b. If the first stop of the day is farther from the employee’s
home than the established work site, the employee will be
eligible for mileage reimbursement for the difference
between the work site and the first stop of the day.

c. From the first stop of the day, the employee will be
eligible for reimbursement for mileage to other sites
for official business during the day.

d. The employee shall be reimbursed for mileage
between the last stop of the day and return to the
established work site or to the employee’s home,
whichever shall be the lesser, which could result in
the employee being reimbursed for returning home
from work.

e. Since reimbursement for returning home is made
for personal, not business, miles traveled, it will
result in taxable income to the employee and will
be reported on the employee’s W-2.

f. The reimbursement rate shall be no less than
the rate allowed by law.

g. In the event that a teacher is required by the Board to
travel within the district but beyond the administrative
area (North, Central, South) in which he/she is normally
assigned, the teacher shall be entitled to mileage either
to and from his/her normal worksite to the out-of-area
worksite, or to and from his/her home to the
out-of-area worksite, whichever shall be the lesser.
This out-of-area provision is intended to entitle a
teacher to reimbursement for travel to and from an
assignment for which he/she received specific
direction by the Board to attend and which also
requires a teacher to travel from one administrative
area to another.

8. Attendance of teachers at PTA or PTO meetings shall be voluntary.

9. The length of the normal teacher workweek shall be forty (40) hours.
During the ten (10) days (totaling eighty (80) hours) reflected on the
Board-adopted school calendar as student non-attendance days, the
Superintendent and/or principal shall schedule forty-four (44) hours of teacher work assignments providing a thirty-six (36) hour balance which shall be designated as planning time used at the teacher's discretion. The principal shall give to teachers on the first day of pre-planning a written schedule of the year's non-student days, specifying which hours are to be administratively designated and which hours are to be used at teacher discretion. Except in an emergency, the principal shall not adjust the schedule. In such case, the adjusted schedule shall be provided in writing with details of the emergency. Unless the teacher is planning at a school board facility or approved site, such thirty-six (36) hours are not subject to Workers' Compensation injury claims unless otherwise specified under State Statute.

Section D - Teaching Assignments and Duties

1. a. Pursuant to state law, the Board may hire degreed, non-certificated personnel for positions designated "critical shortage". The Union will be notified seven (7) calendar days prior to the publication of the Board agenda item concerning the Board designating such "critical shortage" teaching areas. The Union may provide input for the Board's consideration. All other teachers must qualify for a valid Florida teaching certificate.

   b. The Board and the Union agree to review the classroom management training of the beginning teacher in order to determine what changes, if any, should be made in order to better equip beginning teachers to handle student discipline. On a voluntary basis, Educational Research and Dissemination programs on classroom management for the beginning teachers shall be made available to teachers during the afternoon of the preplanning period. The voluntary nature of such ER&D programs shall not prohibit the principal from providing compensatory time for such attendance, provided that up to four (4) ER&D instructors shall be granted compensatory time for time spent in instructing the ER&D Program described above.

2. Teachers shall be assigned to a grade level and/or subject for which they are qualified. If teachers are assigned to a grade level and/or subject beyond the scope of their certificate they shall be reassigned as promptly as circumstances permit within the scope of their certificate. The foregoing shall not preclude agreement of teachers to continue to teach outside the scope of their certificate while working for the acquisition of proper certification.
3. After May 1, the principal shall make available, upon request of the teacher, his/her anticipated teaching and room assignment for the following school year. Further, after December 1, the principal shall make available upon request of the teacher, his/her anticipated teaching assignment for the forthcoming school semester.

4. Schedules for all classroom teachers in secondary schools shall be posted in each school no later than September 28 of each school year. Room assignments, planning times, and grade assignments shall be similarly posted in each elementary school.

5. No teacher shall be required to formally evaluate any other teacher.

6. If teachers are required to teach at more than one school, one school shall be designated as his/her home base. Except as otherwise provided herein, teachers who are assigned to teach in more than one school and such assignment results in his/her traveling between such schools during the student day, such teacher shall suffer no loss of the rights conferred by this Agreement, including loss of planning time and/or duty-free lunch as contained herein.

7. The use of time clocks for checking in and out shall be prohibited.

8. Teacher participation in school activities beyond the normal teacher workweek shall be voluntary wherever possible. If a situation arises where such assignment must be made where no volunteers are available, priority consideration will be given to the teacher’s prior personal commitments. All assignments beyond the teacher workweek will be compensated pursuant to Article XVIII of this Agreement, or if such assignment is not included within Article XVIII, such amount as may be determined to be appropriate by the Board.

9. Based on the instructional needs of the school as determined by the principal, teachers are eligible for an Optional Class Supplement. This assignment is on a voluntary regular daily basis and is limited to the circumstances listed below:

   a. A teacher may volunteer to teach a class during his/her planning period on a regular daily basis.

   b. A teacher assigned to teach five periods may volunteer to teach an optional seventh period.
c. Each principal shall notify all teachers from his/her faculty of the availability of scheduled optional classes.

d. Teachers desiring to work an optional class period must notify the principal in writing of his/her desire to participate in such assignment.

e. All applicants who express a desire to teach an optional class period shall be notified of the principal's decision as soon as possible.

f. Among the factors to be considered in the selection of teachers for such optional class assignments shall be the following:

1) area(s) of certification
2) current and prior teaching experience
3) supplemental position(s) held

g. Such teachers shall be compensated pursuant to Article XVIII, Section H, Schedule of Supplements.

10. Lesson Plans are required. The format for plans shall be decided by the teacher for the purpose of working with his/her students and shall include sufficient information for substitutes and evaluators. Teachers leaving the district or transferring to another school shall turn in their lesson planbooks and/or gradebooks to the principal as part of the checkout procedure. Routine submission of lesson plans shall not be required except in the following instance: when the performance of the teacher has been less than satisfactory. In this event, format and content may be part of an assistance plan. Lesson plan restrictions shall be waived for all "D" and "F" schools until they have regained at least "C" status.

11. The parties agree that the provision for student supervision is primarily the responsibility of the professional employees in order to ensure a safe school environment. Supervisory duty assignments shall be reviewed by the principal and a faculty committee to ensure adequate supervision and equitable distribution of assignments. Faculty volunteers to the committee will be sought and all volunteers will be able to serve on the committee.

12. The requirements and procedures for teacher attendance at Board-adopted district inservice days as reflected on the Board-adopted district
calendar shall be as follows: Teachers shall attend inservice programs held on inservice days except as provided below.

a. When district records show that a teacher has had, within the three (3) previous years, a specific inservice experience, which is being required, the teacher may attend at his/her option.

b. Upon a review of the inservice programs offered on a specific inservice day, the teacher and his/her principal mutually agree that the programs offered on that day do not contain activities which would beneficially apply to the responsibilities of the teacher or the teacher has renewed his/her certificate for that school year, the teacher shall be allowed to remain at his/her school or at another school board cost center, as assigned by the principal or request compensatory time.

c. A teacher is granted an approved leave of absence for that day(s).

13. When a teacher receives a significant reassignment after the start of the school year, the principal shall provide non-student time for planning and preparation.

14. Teachers serving in supplemental positions at other than their home school may, at the discretion of the principals involved, with reasons given when denied, leave at the end of the school’s student day to fulfill those supplemental responsibilities.

Section E - Vacancies and Promotional Vacancies

1. A notice of all promotional vacancies shall be posted in each school at least five (5) workdays prior to the closing of the application period. A copy of such notice shall be sent to the Union president at the time it is sent to schools.

2. The assistant superintendent for Human Resources Services or designee shall post, in his/her office where the same shall be readily accessible to visitors, a listing of all current teacher vacancies. A copy of such list shall be promptly forwarded to each area office where it shall be likewise posted, and a copy of such current list shall also be provided to the Union. A copy of such list shall also be posted in all schools.

3. The Board agrees to notify applicants and Union of the Board’s decision regarding the filling of such vacancy(ies) provided that the applicant and Union have submitted a stamped self-addressed envelope with his/her application.
4. No promotional vacancy, except vacancies which exist at the level of superintendent’s staff, shall be permanently filled until all teachers who have properly submitted applications and who meet the qualifications as reflected on the posted notice have been given the opportunity to be interviewed.

5. For the Purpose of Promotion

   a. A notice of promotional vacancy shall set forth the qualifications, primary requirements, duties, and other pertinent information and the date by which the applicant must file the application. Such notice shall also include information indicating the salary range for the position and procedures for application.

   b. Promotional vacancies shall be positions on the Administrative and Support Salary Schedule as adopted by the Board.

   c. A notice of promotional vacancy shall reflect the anticipated location of the vacancy if known.

6. A notice of instructional task forces and workshops to be appointed shall be posted in each school at least fifteen (15) calendar days prior to the closing of the application period for appointment thereto. Such notice shall include the criteria pertinent to the appointment. In filling such positions consideration shall be given to the prior opportunity of teachers to serve on such similar task forces and workshops so that they may be shared equitably among qualified teachers seeking such appointments.

7. Upon written request, teachers shall be granted interviews for all posted vacancies for which they qualify before such vacancies are filled.

8. Training for ESOL/META endorsement shall be the District’s responsibility. Upon ratification of this agreement, for each person who qualifies for the ESOL endorsement through the 300-hour district ESOL Add-On Certification Program, the District will fund the $56.00 application cost to the Department of Education. This payment is not retroactive.
Section F - Assignments and Transfers

1. Voluntary Transfer from School to School

   a. A teacher who desires a change from his/her assigned school to another school in the district may request such reassignment by properly submitting in writing the request to the area superintendent with a copy of the request to his/her principal.

   b. In the event that a teacher desires a transfer at the end of the regular school year, the teacher shall submit a written request that will be filed with the area superintendent, with a copy to the principal, for active consideration throughout the period that school is not in regular session. The teacher shall be responsible for notifying the principal of an address and telephone number at which the applicant can be reached during the above period.

   c. Two teachers may voluntarily change positions or schools with the approval of the area superintendent.

   d. When approving or disapproving a request for voluntary transfer, the Board agrees to include among the factors to be considered the following:

      1) Whether the teacher has been involuntarily transferred within the two (2) year period of time immediately preceding the year in which the voluntary transfer, if approved, would take place.

      2) The length of time the teacher requesting voluntary transfer has been assigned to his/her current teaching responsibilities or his/her current school site.

   e. In the event a teacher requests a voluntary transfer as provided herein and such request is denied, the teacher shall be provided an opportunity to confer with the Superintendent regarding the denial. The superintendent shall give reasons for denial and upon request by the teacher a Union representative shall be present.

2. Reassignments Within a School

   a. A teacher shall have the right to request reassignment within the same school to which he/she is assigned.
b. Teachers may voluntarily change positions with other teachers within a school with approval of the principal.

3. Involuntary Transfer

In the event a decline in student enrollment necessitates the Board reducing continuing contract and professional services contract teachers within a school, the following procedures shall be followed:

a. The principal shall inform the faculty of the necessity to reduce continuing contract and professional services contract teachers and provide the faculty with the opportunity to request transfer to fill a vacancy at another school.

b. Prior to the reappointment of any annual contract teachers, all continuing contract and professional services contract teachers shall be assigned to a position. Provided that in the event there is no continuing contract teacher or professional services contract teacher certified in a field in which there is a vacant position, an annual contract teacher may be appointed to fill such position.

c. A listing of teacher vacancies shall be posted at each school, which is reducing continuing contract or professional services contract teachers.

d. If a teacher who volunteers to transfer to a vacancy meets the certification requirements for such vacancy, such teacher shall be given the opportunity to interview for the vacant position. Provided a request for such interview is made to the appropriate principal within a five (5) workday period immediately following the faculty notification as provided in paragraph 1 herein. The teacher must concurrently notify his/her current principal of such interview requests.

e. The teacher shall receive notification of the interviewing principal’s decision regarding such transfer request.

f. In the event such transfer request is denied, the teacher shall have the right to meet with the superintendent and advance reasons why such voluntary transfer should be granted. A request for such meeting shall be in writing and shall be filed no later than five (5) workdays after notification of the denial of the transfer request is provided to the teacher.
g. If the Board effectuates a reduction of continuing contract and professional services contract teachers by involuntary transfer, the following procedures shall be followed:

A. The Board acknowledges the desirability of giving reasonable support and assistance to teachers with respect to proper maintenance of control and discipline in the classroom. Discipline procedures shall stress the importance of uniform application. When the offense is serious enough to warrant suspension of the student in accordance with the School Board policy and/or the School Discipline Plan, such referred student will not be returned to the teacher’s class the same period (or 30 minutes in elementary school) from which the student was referred unless he/she is escorted by an administrator or a written explanation from same stating his/her reasons for the student’s return accompanies the student.

Except as otherwise provided herein, when a student(s) is referred to the administrator for disciplinary reasons, the teacher shall be informed of the conditions, if any, which have been imposed on the student before he/she reenters the class. Whenever the circumstances do not permit the administrator to address a particular student referral, the administrator may
return the student to the referring teacher's class and recall the student at a
later time. The referring teacher shall be notified of the necessity of such
return and recall. If a serious situation exists, the teacher may return the
student to the principal.

Before the student is returned to class, serious consideration should be
given to the effect such return would have on the learning environment for
the other students in the class.

discipline where necessary and may use reasonable force to protect
himself/herself from attack, or to prevent injury to a student where
intervention is a prudent course of action.

when the misbehavior or disruptive effect of the behavior makes the
continued presence of the student in the classroom intolerable. In such
cases, the teacher shall furnish the principal or designated representative as
promptly as teacher obligations will allow, with full particulars on the
problem or incident in writing. The Board shall be responsible for notifying
the teacher of the disposition of the case as promptly as administrative
obligations will allow.

through counseling, interviews, and conferences.

connection with handling of the incident by law enforcement authorities.

J. A teacher shall be entitled to have present a representative when being reprimanded or disciplined. Reassignments out of the teacher’s classroom following an alleged incident upon investigation shall be grounds for the presence of a representative of the teacher’s choice. In an emergency, such meeting shall be held within one work week of the reassignment. When a request for such representation has been made, no action shall be taken with respect to the teacher until such representative shall have a reasonable opportunity to be present.

The parties agree that the best interests of all parties are served when volunteer assignments are made in an atmosphere of mutual consideration.
   3. If a conflict arises after placement of a volunteer in a teacher’s classroom, the teacher shall request, in writing, a change of volunteers. If such request is denied, the principal’s reasons for such a refusal shall be stated in writing by the principal with copies to the teacher, the volunteer, the Union president, and the area superintendent.

Committee recommendations to be made to the parties for the purpose of negotiations prior to the start of bargaining for a successor Agreement. The Union and the Superintendent shall each appoint one-half (1/2) of the committee members.

B. Two (2) years of credit for purposes of placement and vertical movement on the salary schedule shall be given for military service completed since January 1, 1940. A year of experience shall be granted for twelve (12) months of active duty service. A partial year shall be counted if the active military service is within thirty (30) days of being a full year. Additional credit shall not be allowed for teaching assignments while in military service.

C. Ninety-nine (99) or more days of full-time teaching, to include paid leave, in any single year shall be considered as one (1) full year of experience. If a full-time teacher works no less than one (1) full semester and such full semester has fewer than ninety-nine (99) days, one year of experience will be granted for pay purposes.

D. Adjustments to higher salary levels shall be made upon submission by the teacher of appropriate academic credentials. These adjustments shall be included in the first paycheck practicable following submission of the appropriate credentials and shall be paid retroactive to the date earned within the current fiscal year.

E. The Board shall provide terminal pay to any teacher upon the teacher's retirement or to his/her estate or beneficiary if service is terminated by
death. However, such terminal pay shall not exceed the amount shown as follows:

1. During the first three (3) years of district service, the daily rate of pay multiplied by thirty-five percent (35%) times the number of days of accumulated sick leave.

2. During the next three (3) years of district service, the daily rate of pay multiplied by forty percent (40%) times the number of days of accumulated sick leave.

3. During the next three (3) years of district service, the daily rate of pay multiplied by forty-five percent (45%) times the number of days of accumulated sick leave.

4. During the next three (3) years of district service, the daily rate of pay multiplied by fifty percent (50%) times the number of days of accumulated sick leave.

5. During and after the thirteenth (13th) year of district service, the daily rate of pay multiplied by one hundred percent (100%) times the number of days of accumulated sick leave.

6. The four (4) days of sick leave credited to each teacher shall be treated as four (4) days of entitlement upon the teacher’s retirement or to his/her estate or beneficiary if service is terminated by death.

7. Payment for terminal pay as described above will be paid sixty (60) days after the date of normal retirement.

F. To calculate a teacher's daily rate of pay, the base salary shall be divided by one hundred ninety-six (196). To calculate an eleven (11) or twelve (12) month teaching contract salary, the ten (10) month base salary shall be divided by one hundred ninety-six (196) days and multiplied by the actual number of contract days.

G. Effective January 1, 1999, salaries for teachers shall be paid by direct deposit. Effective July 1, 1999, salaries for teachers shall be paid by direct deposit on a bi-weekly schedule over the term of their school year, or twelve months at the teacher's discretion. For teachers on a traditional calendar, the choice will be twenty-one (21) or twenty-six (26) paydays in equal payments. Teachers hired after the first day of the normal contract year (late hires) shall be paid the number of paychecks remaining in the
26-pay cycle for the balance of that contract year. For subsequent years of continuous employment such late hire teachers shall have the option of twenty-one (21) or twenty-six (26)-paydays in equal payments as described above.

Exact pay dates will be mutually agreed to by the Union and the Board prior to implementation and will be included on the school calendar as adopted by the Board.

H. A teacher whose employment is terminated for any reason shall receive his/her terminal pay, if any, and all salary earned prior to the date of said termination less any deductions sixty (60) days after the termination date, provided all obligations to the Board have been completed.

I. Upon written authorization of the teacher, the Board shall forward for deposit into the teacher's bank account, all or a specified amount of the teacher's net salary.

L. Effective the beginning of the 1987-88 school year, the Board shall provide a teacher with the option of an annual payment for sick leave days accumulated during the school year provided such payment is subject to the teacher's exemplary attendance for the school year as reflected in the district payroll records. A teacher who is absent for more than four (4) workdays during the school year shall not be eligible for annual payment as provided herein. Provided that absences on approved professional leave and/or line-of-duty leave, two (2) days of personal leave charged to sick leave used for the purpose of religious observance, personal leave used for NBPTS, paid military leave, and jury-duty leave shall not adversely affect such record of exemplary attendance. Any other absences from duty, including illness or injury in-line-of-duty shall act as a bar to the benefit provided in this paragraph. Payment for such exemplary attendance shall be calculated at eighty percent (80%) of the affected teacher's daily rate times ten (10) days. Days for which such payment is
received shall be deducted from the accumulated sick leave balance. Payment as provided herein shall be made as soon as payroll procedures may reasonably permit, but no later than July 1, of the year in which the application is made.

M. Compensation for adult education teaching and/or summer school teaching shall be as determined by the Board except as provided in Article XXVI, paragraph A.

1. The teacher receives an overall "needs to improve" on his/her annual evaluation for two (2) consecutive years. The teacher's movement on the salary schedule shall be frozen for the subsequent school year(s) until that teacher demonstrates "effective" performance. At such time, vertical movement on the salary schedule shall be restored to the proper level where the employee would have been if the increment had not been frozen.

2. The teacher receives an overall "unsatisfactory" on his/her annual evaluation. The teacher's movement on the salary schedule shall be frozen for the subsequent school year(s) until that teacher demonstrates "effective" performance on two (2) annual evaluations. At such time, vertical movement on the salary schedule shall be restored to the proper level where the employee would have been if the increment had not been frozen.

O. Effective July 1 with the 2004-2005 school year the following language shall be implemented. The salary of a teacher as reflected in Section A of this Article shall remain the same dollar amount under the following conditions:

E. Teacher must have been on the school board payroll and actively employed for the entire contract year as a teacher working a forty (40) hour workweek.

II. COMPONENTS OF THE PAY FOR PERFORMANCE PLAN

STUDENT ACHIEVEMENT DATA (70 points)

Demonstrates growth in student achievement data and uses data to design and improve classroom instruction and results. _______ Total Points

TPBA – Teacher Performance-Based Accountability Committee
Established at each school site. Membership will include the building principal, the person responsible for staff development at the school, a parent representative from the School Advisory Council, and a BFT representative. Purpose: to review Option II, Option III and Option IV plans submitted by teachers. The amount of the teacher supplement shall be $100.00.

ANNUAL ASSESSMENT OF LEARNING GAINS (Teachers may apply individually or as a group)

Option I: Annual Learning Gains as demonstrated on the Florida Comprehensive Assessment Test (FCAT) - Reading or Math. Teachers in grades 4 through 10 who provide direct instruction in reading or math (through any subject) may select this achievement standard. A minimum of 90% of the students must demonstrate annual learning gain as defined by the Florida Department of Education. A minimum of 70% of the students who took the
alternative assessment must demonstrate annual learning gains on the approved instrument.

**Option II:** Annual Learning Gains as demonstrated on a standardized criterion referenced assessment in a specific subject area. Teachers in any grade who do not provide direct instruction in reading or math (Grades 4 through 10) may select this achievement standard. The assessment instrument must be published or district developed for use in a test-retest model. A minimum of 90% of the students must demonstrate annual learning gains equal to one year's growth on the instrument. A minimum of 70% of the students who took the alternative assessment must demonstrate annual learning gains on the approved instrument.

**Option III:** Specific progress on other objective measurements. Teachers in any grade who do not provide direct instruction in reading or math (Grades 4 through 10) may select this standard. The measurement must be a demonstration of student achievement at the highest level attainable contributing to district recognition as "First in Florida". Example: team competition that results in 1st in the district or state; or 5 or more individual competitions that result in 1st in the district or state.

**Option IV:** School Improvement Plan Objective - Teachers in any grade who do not provide direct instruction in reading or math (Grades 4 through 10) may select this standard. The teacher selects one objective identified in the School Improvement Plan. The teacher must demonstrate successful implementation of at least three (3) strategies identified for the objective. The objective may be from any of the seven goals for education established by the Florida Department of Education. Examples: graduation rate, attendance, discipline, dropout rate, lowest 25% of students on FCAT, parent involvement, readiness for school.

**Option V:** School-wide performance demonstrating gains on one of the FCAT measures. Teachers who do not provide direct instruction in reading or math (Grades 4 through 10) may select this standard. Teachers may select from the following:

1. Exceed the district average by more than 15 scale score points - FCAT Science.
2. Exceed the district average by more than 0.4 points - FCAT Writes!
3. Increase the number of students scoring Level 3 or above by 5% from previous year in reading.
4. Increase the number of students scoring Level 3 or above by 5% from previous year in math.

70 points = Eligible Candidate Total Points
III. CALCULATION AND DISTRIBUTION OF PAY FOR PERFORMANCE SUPPLEMENT

1. All teachers reaching the minimum of 70 points will be placed in a lottery and supplements shall be awarded until all funds are expended. The lottery will be conducted by the Board and the Brevard Federation of Teachers.

2. The five percent (5%) supplement for each teacher shall be calculated from the base contract salary for the school year.

3. Payment will be made no later than the last pay period in October of the subsequent school year.

ARTICLE XVIII - EXTRACURRICULAR ACTIVITIES AND SUPPLEMENTAL COMPENSATION

A. The Board shall make an effort to find teacher volunteers for all positions pursuant to this Article. Part of such effort shall include placing written notice of such vacancy on a bulletin board(s) in the teachers' lounge(s) or other area where teachers' mailboxes exist. The principal shall establish minimum qualifications for supplemental positions within a school and shall review all applicants who meet the minimum qualifications and make his/her determination as to who should fill the position. When other factors are judged to be equal, it is the intent of the district that teacher applicant(s) from the school with the vacant position shall be chosen.

B. Paid extracurricular duty and supplemental positions shall be those set forth in this Article.

C. No compensation for any supplemental positions shall be paid from cost center internal accounts unless expressly provided herein.

D. Teachers participating in supervisory duties of events unrelated to the necessary operation of the schools outside the normal teacher workweek and which generate funds, including but not limited to athletic events, dances, and other social functions, shall be compensated at ten dollars and zero cents ($10.00) per hour.

E. Nothing shall be construed as to require the filling of any position listed herein, nor to preclude payment of any amount to a teacher for the performance of duties not prescribed herein which occurs outside the normal teacher workweek.
F. Payments for supplements which are not paid on a monthly basis shall be included in the teacher's regular paycheck upon completion of the sponsored activity.

G. In the event an elementary teacher plans to engage in an activity which he/she views as qualifying for a special Elementary Program supplement, the teacher may submit a written request for such supplement to his/her principal. Such request shall contain the anticipated number of hours beyond the normal teacher forty (40) hour workweek. Board will reimburse the teacher for the amount the Board would have paid for
medical and vision insurance benefits and life insurance had the teacher's
contract been renewed. In the event a teacher's employment is terminated with

his/her premium contributions and appropriate insurance coverage shall be
