A grievance, to be considered under this procedure, must be initiated in writing by the employee within thirty (30) calendar days from the time when the employee knew or should know of its occurrence.

B. Procedure:

1. a. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved employee to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be an acceptance of the decision rendered at that step.

b. It is understood that employees shall during and notwithstanding the pendency of any grievance continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.

2. The Association may process a grievance through all levels of the grievance procedure even though the aggrieved person does not wish to do so.

3. Any employee who has a grievance shall discuss it with his principal (or immediate superior or department head, if applicable) in an attempt to resolve the matter informally at that level.

4. If, as a result of the discussion, the matter is not resolved to the satisfaction of the employee within five (5) school days, he shall set forth his grievance in writing to the principal specifying:

A hearing shall be held at this level before the Superintendent or his or her designee if requested by the grievant. This hearing will occur before a decision at this level is rendered. The Superintendent shall attempt to resolve the matter as quickly as possible but within a period not to exceed ten (10) school days. The Superintendent shall communicate his decision in writing to the employee and the principal.

6. If the grievance is not resolved to the employee's satisfaction, he/she, no later than five (5) school days after receipt of the Superintendent's decision, may request a review by the Board of Education. 9. a. The following procedure will be used to secure the services of an arbitrator:

(1) A request will be made to the Public Employment Relations Commission to submit a roster of persons qualified to function as arbitrators in the dispute in question.

(2) If the parties are unable to determine a mutually satisfactory arbitrator from the submitted list, they will request the Public Employment Relations Commission to submit a second roster of names.

ARTICLE 39 - MAINTENANCE OF CLASSROOM CONTROL AND DISCIPLINE

A. The Board recognizes its responsibility to give administrative support and backing to its teachers, although each teacher bears the primary responsibility for maintaining control and discipline in the classroom. The teachers recognize that all disciplinary actions and methods invoked by them shall be reasonable and just and in accordance with established Board policy. It shall be the responsibility of the teacher to report to his principal in writing on forms provided the name of any student who, in the opinion of the teacher, needs particular assistance from skilled personnel. The teacher shall be advised by the principal of the disposition of the teacher's report that a particular student needs such assistance.

B. When, in the judgment of a teacher, a student is, by his behavior, seriously disrupting the instructional program to the detriment of other students, the teacher may exclude the student from the classroom and refer him to the principal. No student shall be readmitted without administrative notification to the teacher regarding disposition.

C. If the teachers in a school are concerned with the manner in which behavioral problems are being administered within that school, the matter will be discussed between the Association representative and the principal. If the matter is not satisfactorily resolved at that level, the Association representative may have the matter placed on the agenda of the next regularly scheduled meeting between the Association and the Superintendent.

ARTICLE 40 - SABBATICAL LEAVE

A. A joint committee consisting of four (4) teachers and four (4) members from the Board and/or Administrative and Supervisory Council shall be established to review all sabbatical leave requests.

Said committee shall be convened by the Superintendent no later than September 15th of each school year and shall be responsible for establishing rules, regulations and forms, with necessary administrative support to be furnished by the office of the Superintendent.

1. No more than ten (10) members of the total professional staff may be on sabbatical leave during any one school year.

2. No one shall be eligible for sabbatical leave unless he shall have been employed by the Toms River School District for a minimum of seven (7) years.

No one shall be eligible for a repeated sabbatical leave without an intervening seven (7) years of continuous employment by the Toms River School District.

3. Sabbatical leave may be granted for purposes of study, research, or writing. In all cases there must be demonstrable and immediate benefit to the educational program of the district.

The committee shall make final and binding recommendations in regard to the granting of sabbatical leaves.

4. Sabbatical leave shall be granted for one (1) school year and the recipient shall receive half pay ($\frac{1}{2}$) for one (1) school year sabbatical. All other fringe benefits to be continued during the period of the employee's sabbatical leave.

5. Upon return from sabbatical leave, a teacher shall be placed on the salary schedule of the level which he would have achieved had he remained as a teacher in the system during the period of his absence.

6. Upon return from sabbatical leave, the teacher will be returned to his grade level or subject areas as a regular classroom teacher if a vacancy exists. The Board reserves the right to utilize such a teacher in any capacity covered by the teacher's certification if the Board deems it necessary.

7. Regular deductions for the state retirement fund and other normal deductions shall be made from the salary of any person on leave. The Board will match retirement funds, as required by law.

8. The granting of a sabbatical leave shall be contingent upon a commitment to return to the District and serve a minimum of two (2) years beginning with the first school year following completion of sabbatical leave.

9. All sabbatical leave recipients must sign a promissory note to ensure their return to the District upon completion of the sabbatical leave.

ARTICLE 41 - ACADEMIC FREEDOM

A. The Board and the Association agree that academic freedom is essential to the fulfillment of the purposes of the school system, and they acknowledge the fundamental need to protect teachers from any censorship or restraint which might interfere with their obligation to pursue the truth in the performance of their classroom functions. Accordingly, the Board and the Association agree that:

1. The nature of American democracy requires that citizens be able to listen to all sides of a controversial issue, sort out the facts and arrive at independent conclusions. Students in school, therefore, have a right to be exposed to issues which are within their intellectual grasp and are under current debate in our society.

2. The rights of students impose certain obligations upon the Board, the teachers, the administration and the community.

3. The Board will attempt through its policies to

employ capable teachers, supply them with the necessary teaching materials and maintain an atmosphere of academic freedom in the schools.

4. Teachers as individuals through their councils, committees, departments and faculties, will be responsible for determining when and how to deal with controversial issues according to the maturity and needs of students and the policies of the Board of Education.

5. The community has a right to expect that controversial issues will be presented in a fair and unbiased manner and to communicate through proper channels to the Board if convinced they are not.

6. Teachers shall consult with the administration the appropriateness of discussing any planned controversial issues with children.

ARTICLE 42 - MATERIALS SELECTION POLICY

A. Teachers, librarians, supervisors and administrators shall select, for recommendation to the Board, educational materials which are carefully balanced to include various points of view on any controversial subject.

B. In the event of criticisms of materials that are in the school, or their utilization, the following will be the procedure:

1. The teacher, librarian, or principal will listen to the complaint but make no comment on the materials. He will request the complainant to complete a Citizens' Request for Reconsideration of Materials that are used in the School form stating his objections to the material.

2. The materials in question are reviewed by a Materials Committee. This committee is to be made up of two (2) teachers, two (2) librarians, (including the librarian from the concerned school) and two (2) administrators (including the principal of the concerned school), appointed by the Superintendent.

3. The committee reads (views or listens to) the material in question as well as reads the reviews of the

materials wherever possible. General acceptance of the materials shall be checked by consulting authoritative lists and the holdings of similar schools. Passages (or section) of any material shall not be pulled out of context, but values and faults shall be weighed against each other and opinions based on the material as a whole. The decision at this point shall rest with the committee. It is the intent that the committee issue a report as soon as possible.

4. The complainant is sent a copy of the report.

5. If it becomes necessary for the Board to review the action of the Materials Committee, the final decision shall rest with the Board.

C. For each of the years of the contract, there will be an allowance of twenty (\$20.00) dollars, per teacher, added to their base salary in September each year for the purchase of materials pertaining to their work.

D. The Textbook Policy Committee presently established shall continue to function in each building.

ARTICLE-43 - FAIR DISMISSAL

A. The Board will continue its policy of offering a hearing before the Board, if so requested, for a non-tenure teacher in the event of discharge or demotion in the employment status of the teacher.

PREAMBLE

This Agreement entered into this first day of July, 2002 by and between the Board of Education of the Toms River Regional School District, Dover Township, New Jersey, hereinafter referred to as the "Board" and the Toms River Supplemental Teachers, hereinafter referred to as the "Association".

ARTICLE 1 - RECOGNITION

The Board recognizes all Supplemental Teachers who have been appointed for a specific period of time and will be working a regular schedule, as employees of this group, for the purpose of establishing salaries and other conditions of employment.

ARTICLE 2 - SICKLEAVE

New employees shall be entitled to one (1) day of paid sick leave for each month of employment.

All other employees shall be entitled to ten (10) paid days of sick leave each year.

Unused sick leave shall be accumulated from year to year and notification of unused accumulated sick leave shall be provided to each employee yearly.

ARTICLE 3 - GRIEVANCE PROCEDURE

A. Definition:

Grievance procedures are means by which employees may appeal the interpretation, application or violation of this Agreement and administrative decisions affecting them.

A grievance, to be considered under this procedure, must be initiated in writing by the employee within thirty (30) calendar days from the time when the employee knew or should know of its occurrence.

B. Procedure:

1. a. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved employee to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be an acceptance of the decision rendered at that step.

b. It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.

2. The Association may process a grievance through all levels of the grievance procedure even though the aggrieved person does not wish to do so.

3. Any employee who has a grievance shall discuss it first with the Director of Handicapped Services or his designee in an attempt to resolve the matter informally at that level.

4. If, as a result of the discussion, the matter is not resolved to the satisfaction of the employee within five (5) school days, he shall set forth his grievance in writing to the Director of Handicapped Services or his designee specifying:

- a. The nature of the grievance
- b. The nature and extent of the injury, loss or inconvenience
- c. The results of previous discussions
- d. His dissatisfaction with decisions previously rendered

The Director of Handicapped Services or his designee shall communicate his decision to the employee in writing within three (3) school days of receipt of the written grievance.

5. The employee, no later than five (5) school days after receipt of the Director of Handicapped Services or his designee's decision, may appeal the Director of Handicapped Services or his designee's decision to the Assistant Superintendent of Schools.

The appeal to the Assistant Superintendent must be made in writing reciting the matter submitted to the Director of Handicapped Services or his designee as specified above and his or her dissatisfaction with the decision previously rendered. The Assistant Superintendent shall attempt to resolve the matter as quickly as possible but within a period not to exceed ten (10) school days. The Assistant Superintendent shall communicate his decision in writing to the employee and the Director of Handicapped Services or his designee.

6. If the grievance is not resolved to the employee's satisfaction, he no later than five (5) school days after receipt of the Assistant Superintendent's decision, may request a review by the Board of Education. The request shall be submitted in writing through the Superintendent of Schools who shall attach all related papers and forward the request to the Board. The Board, or a committee thereof, shall review the grievance and may hold a hearing with the employee. The Board shall render a decision in writing within thirty (30) calendar days of receipt of the grievance by the Board.

7. If the decision of the Board does not resolve the grievance to the satisfaction of the Association and the Association wishes review by a third party, they shall so notify the Board through the Assistant Superintendent within ten (10) school days of receipt of the board's decision, except in the case of grievance involving any of the following points:

a. A complaint of a non-tenure teacher which arises by reason of his not being re-employed.

b. Any matter for which a method of review is prescribed by law or any rule or regulation of the State Commissioner of Education such as, but not limited to, questions on tenure, increment denial, or suspension.

c. A complaint by any certificated personnel occasioned by appointment to or lack of appointment to, retention in or lack of retention in, any position for which tenure is either not possible or not required.

e. A complaint by an employee occasioned by the withholding of a salary increase or increment.

8. For those items specified as a non-arbitrable, the Board shall, if requested by the grievant meet and hear the grievant's position. In the specific case of a non-tenure teacher who grieves by virtue of not having received a new contract, the Board need not give written reasons for its decision.

9. a. The following procedure will be used to secure the services of an arbitrator:

(1) A request will be made to the Public Employment Relations Commission to submit a roster of persons qualified to function as arbitrators in the dispute in question.

(2) If the parties are unable to determine a mutually satisfactory arbitrator from the submitted list, they will request the Public Employment Relations commission to submit a second roster of names.

(3) If the parties are unable to determine within ten (10) school days of either the initial request for arbitration or the second request, a mutually satisfactory arbitrator from the second submitted list, the Public Employment Relations Commission may be requested by either party to designate an arbitrator.

b. The arbitrator shall limit himself to the issues submitted to him and shall consider nothing else. He can add nothing to, nor subtract anything from the Agreement between the parties or any policy of the Board of Education. The decision of the arbitrator shall be final and binding upon both parties. Only the Board and the aggrieved and his representative shall be given copies of the arbitrator's award. This shall be accomplished within thirty (30) calendar days of the completion of the arbitrator's hearings.

c. Rights of employees to representation:

All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

(2) When an employee is not represented by the Association in the processing of a grievance, the Association shall at the time of the submission of the grievance to the Assistant Superintendent or any later level be notified that the grievance is in process, have the right to be present and present its position in writing at all hearing sessions held concerning the grievance, and shall receive a copy of all decisions rendered. A copy of the Director of Handicapped Services or his designee's written decision made in response to a written grievance shall be given to the Association immediately.

(3) The Board and the Association shall assure the individual freedom and restraint, interference, coercion, discrimination, or reprisal in presenting his appeal with respect to his personal grievances.

d. The parties shall be responsible for all costs incurred by each, and only the fee and expenses, if any, of the arbitrator shall be shared by each party paying one-half (1/2).
