- 4.2 It is understood and agreed that the District retains all of its powers and authority to direct, manage and control to the full extent of the law. Included in but not limited to those duties and powers are the exclusive right to: determine its organization; direct the work of its employees; determine the times and hours of operation; determine the kinds and levels of services to be provided and the methods and means of providing them; establish its educational policies, goals and objectives; ensure the rights and educational opportunities of students; determine staffing patterns; determine the number and kinds of personnel required; maintain the efficiency of District operations; determine the curriculum; build, move or modify facilities; establish budget procedures and determine budgetary allocation; determine the methods of raising revenue; contract out work; and take action on any matter in the event of an emergency. ASSOCIATION RIGHTS

- 5.1 All Association business, discussions, and activities will be conducted by unit members or Association Officials outside of established work hours as defined in Article 7 herein, Teaching Hours/Adjunct Duties.
- 5.2 Association representatives at individual schools may conduct Association business at their respective sites outside of established hours when:
- 5.2.1 The representative has obtained advance permission from the site administrator regarding the time, place and type of activity to be conducted;
- 5.2.2 The site administrator has verified that such requested activities and use of facilities will not interfere with the school programs and/or duties of unit members and will not directly or indirectly interfere with the right of unit members to refrain from listening or speaking with an Association representative.
- 5.3 The Association may conduct Association business on District property outside of established hours when the Association has obtained in advance a "Use of Facilities" permit from the District.
- 5.4 The Association shall continue to make use of designated bulletin boards at each school site for posting notices and other matters of Association concern. All postings must contain the date of posting and an authorization for posting

by an authorized Association representative, except for printed materials clearly identified as having been prepared by CTA or NEA.

The Association shall have the right to distribute through the various site mailboxes material dealing with the proper legitimate business of the Association. The Association agrees not to post or distribute information which is defamatory of District personnel.

- 5.5 Representatives of the Association, of the CTA, and of the NEA shall have the right to enter the schools to meet with unit members outside of established work hours to carry out appropriate Association business so long as the presence of the representatives will not interfere with the right of unit members to refrain from listening or speaking with an Association, CTA or NEA representative.
- 5.6 To the extent available and to the extent the unit member has authorized release of such information, names, school addresses, home addresses, and telephone numbers of all unit members shall be provided without cost to the Association as soon as practical after the beginning of each school year.
- 5.7 The District shall provide upon request, to a designated Association representative at each site, one copy of the Agenda for meetings of the Board of Trustees, except addenda and materials regarding closed sessions.
- 5.8 This Agreement shall not be construed to prohibit the Association from representing its unit members in their employment relations with the District, in accordance with section 3543.1 of the Government Code. Released time will

not be granted for representation in any such matter not subject to the Grievance Procedure herein.

5.9 The District agrees to provide ten (10) unit member days of release time per school year to Association representatives for the purpose of conducting Association business in furtherance of the objectives in section 3540 of the Government Code. The availability of the released time shall be subject to the following conditions:

5.9.1 Within a reasonable amount of time prior to the desired date of released time, the Association must submit a written request for released time to the District, identifying the names(s), title(s), and work site(s) of the Association representatives(s) for whom released time is being requested.

5.9.2 The District retains the right to deny use of released time at the requested time if the unit member's absence from duty at that time would impair the efficiency of the District's operations.

5.10 All Association requests for documents and other information from the District shall be submitted to the appropriate department in writing and a copy to the Associate Superintendent of Human Resources and Employee Development or his/her designee.

ARTICLE 6

GRIEVANCE PROCEDURE

- 6.1 **Definitions:** A "grievance" is a claim by a unit member that he/she has been adversely affected by an alleged violation, misinterpretation, or misapplication of a specific provision of the Agreement.
- 6.1.1 An "aggrieved person" or "grievant" is the person or persons making the claim. The Association may be the grievant.
- 6.1.2 A "party in interest" is any person who might be required to take action or against whom action might be taken in order to resolve the claim.
- 6.1.3 "File" or "filed" means that the grievance or request for arbitration must be personally delivered to the appropriate person set forth in the applicable level of the grievance procedure within the time limits set forth in this Article, or must be transmitted to the appropriate person by certified mail within the time limits set forth in this Article. The date of filing when the grievance is filed by certified mail shall be deemed to be the date of mailing.
- 6.1.4 "Respond in writing" means that the District's response to the grievance must be personally transmitted to the grievant or grievant's representative within the time limits set forth in this Article, or the response must be transmitted by certified mail within the time limits set forth in this Article to the grievant at the grievant's address of record on file with the Human Resources

Department, or to the grievant's representative. The date of response for a response transmitted by certified mail shall be deemed to be the date of mailing.

6.2 **Purpose:** The purpose of this procedure is to resolve at the lowest possible administrative level problems which may arise from time to time regarding the terms of this Agreement. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

6.2.1 Since it is important that grievances be processed as rapidly as possible the number of days indicated at each level should be considered as a maximum, and every effort should be made to expedite the process. Time limits shall consist of days during which the central office is open for business, except that when a grievance is filed subsequent to May 1st and prior to the end of the school year, the time limits shall be regarded as calendar days. Any time limits affected by the winter or spring breaks shall be extended by five (5) days. All time limits may be extended by expressed mutual agreement of the parties, but only if the extension agreement is in writing. Failure of the District to respond to a grievance within the time limits set forth in Sections 6.4, 6.5, and 6.6, below, or any written extension, shall entitle the grievant to proceed to the next level of the grievance procedure, except that (a) failure of the District to timely respond shall not waive the

District's defense that the grievance was untimely filed at any level of the grievance process and (b) failure of the District to timely respond at Level Three shall not waive the District's defense that the grievance is not arbitrable or any of the District's substantive defenses.

6.2.2 Nothing contained herein shall be construed as limiting the right of any unit member having a grievance to discuss the matter informally with any appropriate member of the administration, and to have the grievance adjusted without intervention by the Association, provided that the resolution is not inconsistent with the terms of this Agreement and that the District shall not agree to resolution of the grievance until the Association has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response.

6.3 **Procedure - Informal Level:** Within fifteen (15) days of the act or omission giving rise to the grievance or within fifteen (15) days of the date the grievant should have reasonably known of the act or omission, the grievant must discuss the grievance with his/her immediate supervisor. The immediate supervisor shall respond to the grievance orally or in writing within five (5) days of the discussion. If the grievant elects to be represented by the Association at the Informal Level of the grievance procedure, the supervisor may request the grievant to proceed directly to the Formal Level One of the grievance procedure.

6.4 **Formal Level One:** If the grievant is not satisfied with the disposition of the grievance at the Informal Level the grievant may file the grievance in writing with the immediate supervisor within ten (10) days after meeting with the immediate supervisor. The grievance shall specify the Article and Section of the contract allegedly violated, the circumstances involved, the decision rendered at the Informal Level and why it is not satisfactory, and the specific relief sought. If the grievance fails to specify this information, the grievance shall not be entitled to processing at any time, shall not proceed to arbitration, except in accordance with Section 6.8 below, and shall be deemed withdrawn.

6.4.1 The immediate supervisor may request a personal conference with the grievant at this level. The immediate supervisor shall respond in writing within twelve (12) days after receipt of the Formal Level One Grievance.

6.5 **Formal Level Two:** If the grievant is not satisfied with the disposition of the grievance at Formal Level One, or if no response has been rendered by the immediate supervisor within the time limits specified for the response at Formal Level One, the grievant has until the earlier of (a) ten (10) days following the last day on which the response at Formal Level One is due, or (b) ten (10) days following the date of the response at Formal Level One, to file the grievance in writing with the appropriate Cabinet level Administrator. The grievance shall specify the Article and Section of the contract allegedly violated, the circumstances involved, the decision rendered at Formal Level One and why it is not satisfactory, and the specific relief sought. If the grievance fails to specify

this information, it shall not be entitled to processing at any time, shall not proceed to arbitration, except in accordance with Section 6.8 below, and shall be deemed withdrawn. The Cabinet Level Administrator shall respond in writing within twelve (12) days after receipt of the Formal Level Two Grievance.

6.6 **Formal Level Three:** If the grievant is not satisfied with the disposition of the grievance at Formal Level Two, or if no response has been rendered by the Cabinet Level Administrator within the time limits specified for the response at Formal Level Two, the grievant has until the earlier of (a) ten (10) days following the last day on which the response at Formal Level Two is due, or (b) ten (10) days following the date of the response at Formal Level Two to file the grievance in writing with the Superintendent/Designee. The grievance shall specify the Article and Section of the contract allegedly violated, the circumstances involved, the decision rendered at Formal Level Two and why it is not satisfactory, and the specific relief sought. If the grievance fails to specify this information, it shall not be entitled to processing at any time, shall not proceed to arbitration, except in accordance with Section 6.8 below, and shall be deemed withdrawn. The Superintendent/Designee may request a personal conference with the grievant at this level, The Superintendent/Designee shall respond in writing within twelve (12) days after receipt of the Formal Level Three Grievance.

6.7 **Formal Level Four:** If the grievant is not satisfied with the disposition of the grievance at Formal Level Three, or if no response has been rendered by the Superintendent/Designee within the time limits specified for the response at

Formal Level Three above, the grievant may request in writing that the Association submit the grievance to arbitration. The Association has until the earlier of (a) ten (10) days following the last day on which the response at Formal Level Three is due or (b) ten (10) days following the date of the response at Formal Level Three to request in writing that the grievance be submitted to arbitration by filing the request with the Superintendent/Designee. The decision to submit the grievance to arbitration lies with the Association and not with the individual grievant.

6.7.1 The parties shall select a mutually acceptable arbitrator. If the parties are unable to agree on an arbitrator within five (5) days of the Association's submission of the grievance to arbitration, the California State Conciliation Service shall be requested to submit a list of five (5) names of persons experienced in arbitration of grievances in educational institutions. Within five (5) days after receipt of the list of names, each party shall alternately strike names until only one (1) name remains. The order of striking shall be determined by the flip of a coin. The arbitrator shall proceed under the Voluntary Arbitration Rules of the American Arbitration Association. The Association and the District may mutually agree to utilize expedited procedures.

6.7.2 The arbitrator shall receive evidence and arguments promptly after his/her selection by the parties and, within thirty (30) calendar days

from the close of the record, shall render a final and binding award on the issue(s) submitted to him/her.

6.7.3 If the parties cannot agree upon a statement of the issue(s), the arbitrator shall determine the issue(s) by referring to the grievance and the answers thereto at each level or by referring to each party's separate statement of the issue(s).

6.7.4 The arbitrator will have no power to add to, subtract from or modify the terms of this Agreement or the written policies, rules, regulations and procedures of the District. After the arbitrator has afforded an opportunity for hearing, the arbitrator shall render a written decision setting forth findings of fact, reasoning and conclusions on the issue(s) submitted and the award. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. The arbitrator shall have no power to make any award contrary to law.

6.7.5 Nothing herein shall be construed to prohibit either party from seeking judicial review of a final and binding award which the party believes is violative of the terms of this Agreement or violative of law.

6.8 **Miscellaneous:** When an issue of arbitrability arises, the parties may immediately submit the issue to arbitration. Arbitrability issues shall be resolved

before the arbitrator receives evidence or arguments on the merits of the grievance.

6.8.1 All costs for the services of the arbitrator, including but not limited to per diem expenses, travel and subsistence expenses and the cost of any hearing room will be borne equally by the District and the Association. All other expenses shall be borne by the party incurring them.

6.8.2 No reprisals shall be taken by or against any participants in the grievance procedure because of such participation.

6.8.3 A unit member may be represented at all formal levels of the grievance procedure by himself/herself, or at his/her option, by the Association or its representative. If the unit member is not represented by the Association, the Association will be given the opportunity to file a response regarding the proposed resolution of any grievance.

6.8.4 No grievance shall be processed unless it is presented at the Informal Level within the time limits specified in Section 6.3 above.

6.8.5 Decisions rendered at the formal levels of the grievance procedure will be in writing setting forth the decisions and the reasons therefore and will be transmitted promptly to all parties in interest. Time limits for appeal provided in each level shall begin the day following receipt of the written decision by the grievant.

- 6.8.6 When two (2) or more unit members have a grievance based upon the same or essentially the same issues and circumstances, the grievances shall be processed as a single grievance and may be presented at Formal Level Two within the limits specified for filing a grievance at the Informal Level. Such grievance shall be processed by a single representative.
- 6.8.7 All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and will not be kept in the personnel file of any of the participants.
- 6.8.8 Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the District and the Association so as to facilitate operation of the grievance procedure. The costs of printing such forms shall be borne by the District.

ARTICLE 7

- 7.2 Adjunct duties shall be defined as program development, parent conferences, committee assignments including school site councils, faculty, departmental, grade level and District meetings, back-to-school nights, public schools week/open house, student supervision, or supervision of student activities such as dances, athletic events, carnivals and professional growth activities including staff development or inservice other than compensatory educational staff development or inservice.
- 7.3 The adjunct duties of unit members assigned to elementary schools (K-5) shall be limited to thirty-five (35) hours per year unless the unit member is reimbursed for hours in excess of thirty-five (35) at the "Other Extra Duty Assignment" rate found in Appendix A1. The hours shall be used in fifteen (15) minute increments.
- 7.4 The adjunct duties of unit members assigned to secondary schools (6-12) shall be limited to forty (40) hours per year unless the unit member is reimbursed for hours in excess of forty (40) at the "Other Extra Duty Assignment" rate found in Appendix A1. The hours shall be used in fifteen (15) minute increments.
- 7.5 The length of a unit member's day when assigned adjunct duties in the areas of faculty, departmental, grade level meetings, professional growth activities

including staff development or inservice (other than compensatory educational staff development or inservice) program development, parent conferences and committee assignments including site councils shall be limited to eight (8) hours. The site administrator shall provide at least forty-eight (48) hours notice of a faculty meeting.

- 7.6 Unit members assigned to elementary and middle schools shall report to work thirty (30) minutes prior to the beginning of the student instructional day. The site administrator may, after consultation with the unit members, adjust the time that unit members shall report to work on days that faculty, department, grade or District meetings are to be held or on days that inservice or staff development is to be held, provided the requirements of Sections 7.1 through 7.5 above are adhered to.
- 7.7 Unit members assigned to high schools shall report to work fifteen (15) minutes prior to the beginning of the instructional day for students.
- 7.8 Unit members may voluntarily perform duties beyond the seven (7) hour day, but this time shall not count as assigned adjunct duty time. Administrators shall not request volunteers for adjunct duties as defined in Section 7.2.
- 7.9 Each unit member shall be entitled to a duty-free, uninterrupted lunch period of thirty (30) minutes.
- 7.10 Middle and high school unit members shall be provided a preparation period of not fewer than two hundred (200) minutes per week. A preparation period is an assigned period set aside for all regular classroom middle and high school unit members to be used for instructional preparation and planning purposes, grade

recording and correction, student evaluation, curriculum development, staff development, unit member/student conferences, unit member/parent conferences, unit member/administrator conferences, for covering another unit member's classes in a manner prescribed below and for whatever administrative assignments are necessary for the efficient operation of the educational program. 7.10.1 Utilization of the Preparation Period as a Teaching Period. The unit member at the middle or high school level may enter into an agreement with the District which would increase their teaching load by adding a class to teach during their assigned preparation period at their site. Compensation for this agreement shall be paid at the per diem rate of the teacher (the per diem hourly rate is based on the present salary of the individual, see Salary Schedule, Appendix A) following the close of each quarter. The unit member may contract to teach for a minimum of one (1) semester (or part of a semester depending upon the need of the District) but no more than one (1) year, subject to renewal on a semester to semester basis. Acceptance of this assignment by the unit member shall waive the right of the unit member to the two hundred (200) minutes of preparation time per week in Section 7.10 of this Agreement.

7.10.2 Compensation for teaching during the preparation period shall be paid at the per diem hourly rate. The teacher will be compensated for each day taught. Compensation for leaves (as per Article 12, Section 12) does not apply in the case of absences for teaching during the preparation period as an extra period assignment teacher.

- 7.11 No unit member shall be compelled to attend school sponsored night meetings past 9:30 p.m. This provision shall not be construed to cover unit members assigned to perform paid extra duty assignments.
- 7.12 When sufficient funds are available from student body funds, middle and high school unit members who supervise evening (6:00 p.m. or later) or Saturday athletic events will be paid from approved student body fund budgets. Any such paid time shall not count against assigned adjunct duty time as described in 7.4 above.
- 7.13 Upon request, the monthly financial status report will be made available to the site representative for review.
- 7.14 Unit members assigned to schools which receive compensatory education funds which require staff development programs as a condition of obtaining the funds shall participate in the staff development programs under the following conditions:
- 7.14.1 Time spent beyond the seven (7) hour day during the school week shall be paid in accordance with State/Federal guidelines for use of compensatory education funds.

- 7.14.2 Any meetings held on days beyond the negotiated work year shall be on a paid basis, in accordance with the guidelines and policies governing compensatory education funds.
- 7.14.3 The needs assessment, which is developed as part of compensatory education programs, shall be utilized to determine the time and amount of staff development.
- 7.15 The District shall make a reasonable effort to obtain a substitute for unit members when they are absent. When a substitute cannot be obtained, then the following procedure shall apply:
 - 7.15.1 Middle and high school unit members shall be assigned to cover the absent unit member's class during his/her preparation period on an equitable basis.

TRANSFERS

8.1 Definitions: A transfer is defined as the relocation of a unit member between schools or other administrative departments. Transfers fall into two categories:

8.1.1 Involuntary transfers that are initiated by the District.

8.1.2 Transfers that are initiated at the request of the unit member on a voluntary basis.

8.1.3 The District shall have the authority to transfer a unit member from one school or administrative site to another school or administrative site, subject to the following procedures:

8.2 Posting: A "vacancy" is a position which the District determines is to be filled at a site or administrative division by a person who is not currently assigned to that site or administrative division.

8.2.1 Between March 15th and April 15th the District shall post, at each school, notices of all known classroom teaching and nursing vacancies available for the next school year. The notices shall state a deadline for application, which shall not be less than ten (10) working days after posting. The District shall provide a copy of the notices to the Association. In cases where classroom teaching and nursing vacancies become available after April 15th, the District may fill such positions on an "acting" basis without posting at that time. The Association shall be notified, through Board Reports, of

the filling of an "acting" position. Before filling the "acting" position on a permanent basis, the District shall post a notice of vacancy.

8.2.2 Immediately after the vacancy announcement is approved by the Board of Trustees, the District shall post at each school site a notice of vacancy for unit positions other than classroom teachers and nurses and for administrative positions below the Cabinet level. The vacancy notice shall state the deadline for application, which shall not be less than ten (10) working days after posting. The District shall provide a copy of the notice to the Association.

8.2.3 In cases where the vacancy occurs after the school year has commenced, the District may fill the position on an "acting" basis without posting at that time. The Association shall be notified, through Board Reports, of the filling of an "acting" vacancy. Before filling the "acting" position on a permanent basis, the District shall post a notice of vacancy.

8.2.4 When the District screens for an administrative position during the summer, the District shall post a notice of vacancy at each administrative site and send ten (10) copies of each notice to the Association.

8.2.5 When extra duty assignments such as coaching and driver training become available, then the District shall post a notice of availability of such assignments.

8.3 Involuntary Transfers: Where appropriate to the circumstances, all unit members being involuntarily transferred shall have equal opportunity for interviews for existing vacancies. In the event that a specially funded program is discontinued, affected unit members shall be provided a list of current vacancies.

8.3.1 Involuntary transferees will have first opportunity over unit member initiated transferees to interview for available vacancies. When a choice of positions is available, unit members may indicate an order of preference for appropriate consideration.

8.3.2 An opportunity must be provided for the unit member to meet with the administrator recommending the transfer prior to effecting the proposed transfer and be advised in writing of the reasons for recommending such transfer. The unit member may file a written response to the reasons given. This response will be placed in the unit member's personnel file if so requested by the unit member.

8.3.3 The following criteria shall be considered when involuntary transfers are made:

- (a) Credential authorization;
- (b) Major or minor field of study;
- (c) The educational goals of the District;
- (d) Quality of performance based on formal written evaluation in the official personnel record;
- (e) Variety of professional experience and assignments.

The following order of priorities shall be applicable to all transfers:

- (a) All transfers shall be made on the basis of the best possible educational program for students consistent with adopted District policy.
- (b) Consideration will be given to the personal feelings of the unit member affected by the transfer.
- (c) Other factors being equal, length of satisfactory service in the District as determined by written evaluation, shall determine who is to be transferred.

8.4 Where an involuntary transfer is being made to provide the unit member an opportunity to improve upon his/her performance, the provisions of Section 8.3 of this agreement shall not apply. Such transfer shall be limited to once every three (3) years.

8.5 Voluntary Transfer - Unit Member Initiated: Unit members may request a transfer by submitting an application for transfer to the Human Resources Department by April 15th of the school or program year.

8.5.1 The filing of a Request for Transfer shall be without prejudice to the unit member, and shall not jeopardize his/her present assignment. The Request for Transfer may be withdrawn at any time prior to official confirmation that the transfer has been effected. A transfer has been effected at the time the receiving site administrator, the applicant, and the Human Resources Department concur to the transfer.

8.5.2 Consideration shall be given to all applications for transfer which are properly submitted.

8.5.3 All requests for voluntary transfers shall be considered by the site administrator on the basis of the criteria specified in Section 8.3.3 above.

8.6 Assistance in Assignment Change: Where there is a change in assignments, whether by transfer or by movement within a school, site administrators may authorize a reasonable period of non-teaching preparation time of up to two (2) days when it appears that the transition will necessitate substantial reorganization or preparation. The District will provide reasonable assistance in moving teaching materials to the unit member's new location.

8.7 Assignment Changes: Unit members shall be notified of their tentative assignments for the coming year prior to the last workday in May of the current work year. A unit member shall be notified by mail, at the address on the file with the District, of any change in the tentative assignment by the originator of the change. Prior to making any final decision regarding the change in a unit member's current assignment and/or schedule within a school or administrative division to another assignment within the same school or administrative division, the unit member's immediate supervisor or his/her designee shall attempt in good faith to discuss the proposed change with the unit member. The administration shall consider any alternative way of handling the situation, if the unit member objects to the proposed change in assignment.

8.8 Nothing contained in this Article shall in any way limit the District's discretion to fill a vacancy with an employee from outside the District.

ARTICLE 9

EVALUATION PROCEDURES

- 9.1 Purpose: The purpose of these procedures is to evaluate the performance of unit members, and to improve the quality of educational services provided by unit members.
- 9.2 Frequency of Evaluation: Probationary and temporary personnel shall be evaluated once each semester. Non-teaching personnel and permanent teachers shall be evaluated once every two (2) years.
- 9.3 Evaluator: The evaluator shall be the unit member's immediate supervisor and/or other management or supervisory employee who is so designated by the District. A unit member shall be notified who is to be his/her evaluator by October 15th of each year.
- 9.4 Evaluator shall, by October 15th, conduct one (1) or more staff meetings to review the standards, techniques for assessment, and the evaluation calendar of the year.
- 9.5 Evaluation of unit members based on California State Teaching Standards shall begin in the 2001-2002 school year. The Association and the District will co-present the mutually agreed upon evaluation instrument and evaluation article to administrative and teaching staff during staff development days at the beginning of the 2001-2002 school year.
- 9.6 Initial Evaluation Conference: Prior to October 30th of each year, each unit member and his/her evaluator shall meet in an initial evaluation conference to review the California State Teaching Standards. The date of the evaluation

conference will begin the period of observation. Follow-up conferences may be necessary to the evaluation process. Unit members shall be held accountable for their performance from the first day of the school year.

9.7 Noninstructional employees shall be evaluated in accordance with Education Code section 44662(c). See Appendix L.

9.8 Procedures for Evaluation: The performance of unit members may be evaluated at any time without prior notice. Observations and visitations will be openly conducted.

9.8.1 Prior to the final evaluation conference, there shall be at least one (1) observation, lasting no less than thirty (30) minutes, and shall be followed by an evaluation conference within five (5) working days, during which the evaluator and the unit member shall review those elements of the observation that may be incorporated into the written evaluation report.

9.8.2 Suggestions for Improvement (Remediation Plan). When the evaluator indicates to a unit member that improvement is required, specific suggestions must be made in writing to include:

(a) Areas where improvement is needed; (b) Specific suggestions for improvement; (c) Additional resources that will be utilized to assist with improvement, where recommended by the evaluator, (d) Evaluator's role in assisting the unit member; (e) Techniques for measurement of improvement; and, (f) Time schedule for monitoring progress.

- 9.8.3 No later than sixty (60) days prior to the close of the school year in which the evaluation takes place, a written copy of the evaluation shall be presented to the unit member.
- 9.8.4 No later than April 15th of the school year, a conference will be held between the unit member and his/her evaluator to discuss the evaluation.
- 9.8.5 At a final conference each standard will be checked as: (1) meets standards; (2) meets standards with growth recommended; or, (3) does not meet standards. If (2) or (3) is checked, the evaluator will include a written explanation under the section for recommendations.
- 9.8.6. A unit member shall have a period of five (5) days following the meeting to discuss the evaluation and to prepare and submit a written reaction or response to the evaluation. Such response will become a permanent attachment to the evaluation and be placed in the unit member's personnel file.
- 9.8.7 Unit members shall not evaluate other unit members.
- 9.8.8 None of the aforementioned shall be construed to mean that the California State Teaching Standards or the evaluator's judgment regarding the level of performance of a unit member shall be subject to the grievance procedure. Those matters as well as all other substantive matters regarding evaluation are expressly excluded from the grievance procedure.

9.9 Parent and Citizen Complaints: When the evaluator or immediate supervisor receives a parent or citizen complaint regarding the unit member which may be relevant to evaluation of the unit member, the unit member will be notified of the complaint and the unit member will be given an opportunity to discuss and to resolve the matter, if possible, with the complaining party. If deemed desirable or necessary by the immediate supervisor or the unit member, the evaluator may take part in the conference. The evaluator may utilize such complaints in the evaluation process only if he/she has reasonable cause to believe that the complaint is factual.

9.10 Handling of Material in Personnel File Relevant to Performance Evaluation: Materials in personnel files of unit members which may serve as a basis for affecting the status of their employment are to be made available for the inspection of the person involved.

- 9.10.1 Such material is not to include ratings, reports, or records which:
- (a) were obtained prior to the employment of the person involved;
 - (b) were prepared by identifiable examination committee members; or,
 - (c) were obtained in connection with a promotional examination.

9.10.2 Every unit member shall have the right to inspect such materials upon request, provided that the request is made at a time when such person is not actually required to render services to the District.

- 9.10.3 Information of a derogatory nature, except material mentioned in 9.11.1, shall not be entered or filed unless and until the unit member is given notice and an opportunity to review and comment thereon. A unit member shall have the right to enter, and have attached to any such derogatory statement, his/her comments thereon. Such review shall take place during normal business hours, and the unit member shall be released from duty for this purpose without salary reduction.
- 9.10.4 A unit member may be accompanied by his/her representative at such time as he/she is given an opportunity to review the material in his/her personnel file. No release time shall be granted the representative.
- 9.10.5 Upon presentation of written authorization from the unit member, an Association representative may review that unit member's official personnel file without being accompanied by the unit member.
- 9.11 Lawful Non-School-Related Activities: Evaluation of a unit member's performance shall not be predicated upon lawful, non-school-related personal activities which have no impact on the unit member's effectiveness as an employee.

ARTICLE 10

SAFETY

- 10.1 Upon discovery, unit members shall be required to report in writing to their immediate supervisor and safety committee any unsafe condition of the physical work environment that endangers their health, safety or well being.
- 10.2 Upon notification that an unsafe or hazardous condition exists, the District shall act within a reasonable period of time to remedy such unsafe condition.
- 10.3 A unit member may suspend a student from his/her class for the day of the suspension and the day following for good cause. He/she shall report the suspension to his/her site administrator, who must hold an informal hearing with the student to discuss the reason(s) for the suspension. The unit member must complete a Suspension Form, notify the parent and arrange a parent conference. The student shall not be returned to class during the period of the suspension without the concurrence of the teacher and the site administrator or designee.
- 10.4 A written description of the rights and duties of all administrators and unit members with respect to student discipline and the right to suspend students, shall be presented to each unit member in writing within thirty (30) days of the effective date of this Agreement and the first day of each school year thereafter.
- 10.5 When, in the judgment of a unit member, a student requires the attention of the site administrator, assistant principal, counselor, psychologist, physician or other specialist, he/she shall follow the appropriate procedures established at the school to arrange a conference with the appropriate person(s).

- 10.6 A unit member may use reasonable force in the performance of duties, in accordance with section 44807 of the Education Code.
- 10.7 Unit members shall immediately report cases of assault suffered by them in connection with their employment to their site administrator or other immediate supervisor who shall see that the incident is reported to the police and take other appropriate action.
- 10.8 If an altercation, disturbance or student discipline situation which occurred while the unit member was engaged in the reasonable performance of duties, results in a civil action against a unit member by a student or parent, such unit member may request the District to furnish legal counsel at District expense to defend the action.
- 10.9 No unit members, except nurses, shall be authorized to transport students in their personal automobiles. Nurses, when using their own cars on District-authorized business, shall be covered by the District's insurance policy.
- 10.10 If the District assigns a unit member to duties which require the unit member to utilize his/her personal automobile to perform those duties, then the unit member shall be reimbursed for such use on a flat rate or a per mile basis in a manner consistent with District policy. (Note: this provision does not apply to situations like attendance at a District-called general meeting.)
- 10.11 Unit members, except for nurses as allowed by law, shall not perform medical procedures for a student, except in cases of emergency.
- 10.12 Classrooms shall have lockable doors and windows which are maintained in good working order.

- 10.13 A joint CUSD/Association safety committee shall be formed, comprised of six (6) members representing each party of whom two (2) shall be appointed from each educational level (elementary, middle, and secondary). The committee shall meet monthly and conduct sessions according to a formal agenda and shall make recommendations to the Superintendent/Designee. Official minutes of each meeting shall be taken with copies distributed to all participants, and also to the Superintendent/Designee and State Administrator.
- 10.14 The District shall provide unit members with Hepatitis B inoculations upon request at no cost to the member.
- 10.15 Upon request, the District shall provide protective gloves, oral breathing devices, antiseptic soap, and washing facilities to any unit member exposed to body fluids of others.

ARTICLE 11

NON - DISCRIMINATION

- 11.1 The District and the Association shall not unlawfully discriminate against bargaining unit members on the basis of race, color, gender, national origin, age, and religion, in violation of Title VII of the Civil Rights Act of 1964, as amended.
- 11.2 Alleged violations of this Article may not be pursued through the grievance procedure, Article 6.

ARTICLE 12

LEAVES

12.1 GENERAL PROVISIONS: A leave of absence is an authorization for a unit member to be absent from duty.

12.1.1 The District may request verification of the reason for an absence, if it has reasonable cause to believe that the purpose of the leave has been violated.

12.1.2 Upon return from absence, a unit member shall be required to complete the Individual Absentee Report (Form F-119).

12.1.3 A unit member on an approved leave without pay may continue enrollment in health and welfare benefit plans by paying the required premiums in a periodic manner as required by the District.

12.2 SPECIFIC LEAVE CATEGORIES - PERSONAL ILLNESS AND INJURY

LEAVE: Full-time unit members shall be entitled to ten (10) days leave with full pay for each school year for the purposes of personal illness or injury. Unit members who work less than full-time shall be entitled to that portion of the ten (10) days leave as the number of hours for a full-time unit member in a comparable position.

12.2.1 In cases of necessary absence, unit members shall telephone the Human Resources Department's substitute answering service and proceed as directed.

- 12.2.2 If a unit member does not utilize the full amount of leave as authorized in 12.2 above in any school year, the amount not utilized shall be accumulated from year to year.
- 12.2.3 A unit member absent five (5) consecutive workdays or more must submit immediately after the fifth (5th) day of absence to the Human Resources Department, an official request for a leave of absence on Form 160, a statement of a physician certifying illness or injury, the anticipated length of absence, or a statement of fitness to return to duty.
- 12.2.4 A unit member who is absent for one-half (1/2) day or less shall have deducted one-half (1/2) day from the accumulated leave; and, if the absence exceeds more than one-half (1/2) day, a full day shall be deducted from accumulated leave.
- 12.2.5 A unit member shall not be allowed to return to work and shall be placed on leave without pay, if the unit member fails to notify the District of his/her intent to return to work not later than 2:00 p.m. of the preceding workday, if failure to notify results in a substitute being secured.
- 12.2.6 With the first paycheck of each school year, each unit member shall be notified of the amount of leave he/she accumulated as of June 30th of the preceding school year.
- 12.2.7 After all earned leave set forth in Section 12.2 above is exhausted, additional non-accumulated leave shall be available for a period

not to exceed five (5) school months; provided that the provisions of Section 12.2.3 above are met. The amount deducted for leave purposes from the unit member's salary during the five (5) month period shall be the amount actually paid a substitute employee employed to fill the position during the leave, or, if no substitute is employed, the amount which would have been paid to a substitute. The five (5) month period shall begin on the first day after all accumulated sick leave has been exhausted.

For purposes of Section 12.2.7:

- (1) The sick leave, including accumulated sick leave, and the five-month period shall run consecutively.
- (2) The unit member shall not be provided more than one five-month period per illness or accident. However, if a school year terminates before the five-month period is exhausted, the unit member may take the balance of the five-month period in a subsequent school year.

12.2.8 When a unit member has exhausted all available sick leave, including accumulated sick leave, and continues to be absent on account of illness or accident for a period beyond the five-month period provided herein, and the unit member is not medically able to resume the duties of his/her position, the unit member shall, if not placed in another position, be placed on a reemployment list for a period of twenty-four (24) months if he or she is on

probationary status, or for a period of thirty-nine (39) months if he or she is on permanent status. When the unit member is medically able, during the twenty-four (24) or thirty-nine (39)-month period, the unit member shall be returned to employment in a position for which he or she is credentialed and qualified. The 24-month or 39-month period shall commence at the expiration of the five-month period provided herein.

12.3 Bereavement Leave: Upon a unit member's request to his/her immediate supervisor, a unit member shall be entitled to use a maximum of three (3) days of leave with pay (or five (5) days of leave with pay, if travel beyond a 300 mile radius is required) on account of the death of any member of his/her immediate family. Immediate family, as used for purposes of this section, shall be defined as mother, father, mother-in-law, father-in-law, husband, wife, son, daughter, grandfather, grandmother, son-in-law, daughter-in-law, brother, sister, brother-in-law, sister-in-law, granddaughter, grandson, stepson, stepdaughter, stepfather or stepmother of the unit member, or foster child, foster parent, or legal guardian of the unit member, or any relative living in the immediate household of the unit member.

12.3.1 Upon a unit member's request to his/her immediate supervisor, a unit member shall be entitled to one (1) day of leave with pay on account of the death of a niece, nephew, aunt or uncle of the unit member.

12.3.2 The District may grant additional bereavement leave where travel is required or where other extenuating circumstances are involved.

12.4 Personal Necessity Leave: A unit member may utilize not more than eight (8) days of his/her accumulated sick leave for the following personal emergencies:

- (a) Death of a member of the unit member's immediate family when the number of days exceeds that allowed for bereavement leave. Immediate family is defined in the Bereavement Leave section of this Article.
- (b) Accident involving his/her person or property or the person or property of a member of his/her immediate family as defined above of such an emergency nature as to require the absence of the unit member during his/her working day.
- (c) Appearance in court as a litigant. The unit member shall file evidence of the court appearance with the Human Resources Department through the school site administrator/supervisor.
- (d) Acute illness of a member of his/her immediate family requiring professional treatment or hospitalization and of such a serious nature as to require the absence of the unit member during his/her working day. The District may require the statement of a physician certifying the nature of the illness.
- (e) Imminent danger to the home of the unit member occasioned by a factor such as flood or fire, serious in nature and which requires the absence of the unit member during his/her working day.

12.4.1 A unit member planning to return after such an absence from duty shall notify the school of his/her intention to return not later than 2:00 p.m. of the day preceding the planned day of return. If this is not done, the unit member will be charged with another day of absence.

12.4.2 If the need to be absent is known in advance, the unit member must obtain prior written approval from the appropriate supervising administrator. When the need to be absent is not known in advance, the unit member must notify the Human Resources Department by 7:00 a.m. of the day of absence.

12.5 Jury Service Leave: A jury service leave shall be granted to a unit member who has been officially summoned to jury duty in either a State or Federal Court. Request for jury service leave should be made by presenting the official court summons to jury service to the immediate supervisor.

12.5.1 Leave shall be granted for the period of the jury service.

12.5.2 The unit member shall receive full pay while on leave provided the jury service fee for such leave is assigned to and the subpoena or court certification is filed with the District. The unit member shall be entitled to retain any expenses for parking, mileage, food or other expenses incidental to jury service.

12.5.3 A unit member on jury service leave shall notify the District of his/her intent to be at work on the next workday, if possible, by 2:00 p.m. If it is not possible to give such notice by 2:00 p.m. then the

unit member shall notify the District, via Human Resources Department's substitute answering service, that he/she intends to be at work the next day.

- 12.5.4 The District affirms the desirability of uninterrupted service. Therefore, in the instance of jury duty, if a unit member has been requested (not volunteered) to serve on jury duty during a normal workday, and chooses to obtain deferment of jury service to a holiday and/or unpaid vacation days, the District will pay that unit member thirty dollars (\$30.00) per day for each day the classroom teacher serves on deferred jury duty during a holiday or unpaid vacation day rather than a normal workday, to a maximum of three hundred dollars (\$300.00) per school year. To be eligible for such payment (1) the unit member must obtain and submit to the District a written statement from the court indicating the dates for which jury service was required, and that deferment of jury service was requested by the unit member and has been rescheduled to the holiday or unpaid vacation days, and (2) upon completion of jury duty, the unit member must obtain and submit to the District a written statement from the court verifying the number of actual days on jury duty. These written statements must be submitted to and received by the District's Business Office no later than ten (10) working days after the completion of the deferred jury duty service for the unit member to be eligible for payment. On days in which

the unit member is excused from jury duty, the unit member will not be eligible for any payment. Any unit member serving in a position for which a substitute is not normally obtained by the District will not be eligible for deferment remuneration under this section,

12.6 Personal Leave: At the discretion of the District, a personal leave may be granted to a unit member for personal reasons, e.g., matrimony, family illness, urgent business affairs (such as house purchase closing settlements, appearance as witness to wills and similar legal matters, appearance when wills involving the unit member are being probated), or religious holidays. This provision is not intended to grant a leave for the purpose of attending or participating in a meeting of an "employee organization" or other meetings or activities with respect to "employer-employee relationships."

12.6.1 The maximum leave shall be twenty (20) consecutive working days without pay and a maximum of three (3) days with pay, chargeable to earned sick leave allowed during the year. No salary will be paid by the District for days exceeding three (3) in any one (1) school year for this purpose.

12.6.2 When the reason for use of personal leave is not of an emergency nature, prior notice must be given to the school site administrator/supervisor before taking personal leave.

12.7 Witness Leave: A witness leave shall be granted to allow a unit member to appear as other than a litigant in the case, in response to a duly served subpoena.

- 12.7.1 Leave will be granted for the number of days specified in the subpoena or all days of attendance in court as certified by the clerk or other authorized officer of such jury or court.
- 12.7.2 The unit member will receive full pay during the period of leave provided the witness fee for such leave is assigned to and the subpoena or court certification is filed with the District.
- 12.7.3 Request for witness leave should be made by presenting the official court summons to appear as a witness to the immediate supervisor.

12.8 Family Care and Medical Leave

- 12.8.1 Any unit member who has served in the District more than 1250 hours in the immediate preceding 12-month period, shall be eligible to take unpaid family care and medical leave in accordance with the provisions of Title 29 of the United States Code, section 2601, et seq. (FMLA) and California Government Code section 12945.2.
- 12.8.2 Family care and medical leave may be used for the following reasons:
 - a. The birth of the unit member's child.
 - b. The placement of a child with the unit member in connection with the unit member's adoption or foster care of the child.
 - c. To care for the serious health condition of the unit member's child, parent or spouse.

d. Because of the unit member's own serious health condition that makes the unit member unable to perform the functions of the position in which the unit member is employed, except for leave taken for disability on account of pregnancy, childbirth, or related medical conditions.

12.8.3 For purposes of this provision, "serious health condition" means an illness, injury, impairment or physical or mental condition which prevents the unit member from performing the functions of the position in which the unit member is employed, or which warrants the participation of the unit member in providing care to a family member during a period of treatment, and involves either:

- a. Inpatient care in a hospital, hospice or residential health care facility; or
- b. Continuing treatment or continuing supervision by a health care provider.

12.8.4 For purposes of this provision, "health care provider" has the same meaning as it is prescribed in Government Code section 12945.2, subdivision (c)(5).

12.8.5 For purposes of this provision, "child" means a biological, adopted or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis who is either:

- a. Under eighteen (18) years of age; or
- b. An adult dependent child.

12.8.6 For purposes of this provision, "Parent" means a biological, foster, or adoptive parent, a stepparent, a legal guardian, or other person who stood in loco parentis to the unit member when the unit member was a child.

12.8.7 A unit member is entitled to family care and medical leave for no more than a total of twelve (12) workweeks within a 12-month period, unless additional leave is granted by the Superintendent/Designee.

12.8.7.1 The entitlement to leave for the birth or placement of a child shall expire at the end of the 12-month period beginning on the date of such birth or placement.

12.8.7.2 The entitlement to leave for a serious health condition shall expire at the end of the 12-month period beginning on the initial date of the unit member's first day of leave for the serious health condition. The unit member's notice of leave shall specify: the date the leave commences, the anticipated pattern of leave use if the unit member will not be absent continuously, and the anticipated date of return to continuous active service if known to the unit member.

12.8.8 If a unit member's need for family care leave is foreseeable, he/she shall give the District reasonable advance notice.

12.8.8.1 If the event necessitating family care leave is known more than thirty (30) calendar days prior to the unit member's need for leave, the unit member must provide the District with a thirty (30) calendar day advance written notice of the unit member's need for leave.

12.8.16 In any case in which the District doubts the validity of the certification provided pursuant to provisions 12.8.13 and 12.8.14, the District may require, at the District's expense, that the unit member obtain the opinion of a second health care provider, designated or approved by the District, concerning any information certified under provisions 12.8.13 and 12.8.14.

12.8.16.1 The health care provider designated by the District shall not be employed on a regular basis by the District.

16.3 Part-Time Unit Members: For the purpose of this Article, unit members who are scheduled to work six (6) or more hours per day are considered full-time unit members. For unit members scheduled to work less than six (6) hours per day,

16.4.2 From the eligible full-time retiree's 65th to 68th birthday, in addition to the \$12.00 per year basic premium contribution, the District shall pay an annual retirement bonus to eligible full-time unit members who retired and received a retirement bonus pursuant to Section 16.4.1, and to eligible full-time unit members who meet the length-of-service and date-of-retirement requirements set forth in Section 16.4.1. SALARY AND SALARY SCHEDULE RULES AND REGULATIONS

17.1 General: Unit members who serve less than the required annual number of working days for regular full-time unit members in their classification, shall receive salary in the ratio that the number of days actually served bears to the total number of annual working days for that classification. Notwithstanding the above, unit members who serve for one (1) full school semester, shall receive not less than one-half (1/2) the annual salary applicable to their group and step.

17.1.1 Mandatory deductions from gross earnings are those required by law and include State Income Tax, Federal Income Tax, and State Teachers Retirement System.

17.1.2 Optional deductions are those deductions the unit member may elect to have taken from his/her earnings. Such deductions are made for items and services that are, from time to time, made available to the unit members by Board action. Optional deductions must be initiated in writing by the unit member. This authorization shall remain in effect continuously until the District receives from the unit member written notice withdrawing the authorization for the deduction.

17.2 Salary increase 2000-2001

An eleven percent (11%) salary increase on all salary schedules for the 2001-2001 school year retroactive to August 30, 2000.

New hires shall be given up to nine (9) years on the salary schedule upon verification of teaching experience with a valid California teaching credential and in compliance with District rules and regulations, and maximum of thirteen (13) years on the salary schedule for new hires in District defined difficult to staff areas. Private school experience for step increment on the salary schedule will be accepted, providing the private school is state accredited, the educational program is equal to that which is carried out in public schools, and the unit member in question held a valid credential at time of teaching. Unit members employed to teach vocational education subjects may be granted up to nine (9) years of credit for appropriate work experience, including work as a journeyman, in lieu of teaching experience. All previous experience shall be verified by official statements by unit members before experience credit shall be allowed.

17.3.1 All course work approved for initial placement must be verified by official transcripts. Obtaining official transcripts is the responsibility of the unit member. All transcript verifications must be received within thirty (30) days of the signing of the unit member's initial contract. Failure to do so will result in the District's withholding salary warrants until such documents are placed on file. Earned degrees received and units of study in an accredited institution of

higher learning shall be allowed for initial placement and subsequent horizontal movement on the salary schedule. The accreditation status of a college, university, or private school at the time of the unit member's initial employment shall prevail.

17.3.2 Unit members whose initial District employment was in programs conducted under contract with public or private agencies or other categorically funded projects, and then were subsequently employed as probationary unit members with no break in service, shall be credited with the time served in the specially funded program for salary schedule placement and advancement purposes.

17.3.3 The lowest beginning salary shall be \$34,000.00 for newly hired unit members holding a preliminary or clear credential. The increase in the beginning salary shall continue so long as separate funding is available from the state at no cost to the District, i.e., there shall be no encroachment on general funds to fund the increase in beginning salaries. 17.5 Horizontal Movement: Course credit for salary placement and movement shall be given only for post-graduate, upper division or graduate course work taken at four-year colleges, universities or graduate schools which are accredited by the Association of American Universities and Colleges.

17.5.1 Semester hours (units) as defined by the particular accredited college or university will be acceptable for placement on the salary schedule. Quarter hours (units) shall be converted to semester hours (units) by multiplying the total of such hours (units) by two-thirds (2/3).

17.5.2 Unit members requesting reclassification from one class to another must file such requests with the Human Resources Department no later than April 15th of each year. Supporting records or transcripts verifying post-graduate units of study that are to apply to such a

reclassification must be filed with the Human Resources Department no later than September 30th of the ensuing school year, for courses completed by September 30th of the school year. If by September 30th the unit member is unable to submit supporting records or transcripts verifying post-graduate units of study that are to apply toward reclassification, official notices in the form of a grade card or letter from the college or institution shall be submitted. Such temporary verifications which indicate satisfactory completion of the course(s) shall be sufficient evidence to meet the above requirements. The unit member shall provide the official transcript or affidavit document to the District as soon as it is available, but no later than December 1st.

17.5.3 The burden of proof of training, experience, possession of credentials and other required documents shall lie with the unit member, both for initial placement and for subsequent reclassification. Any error in classification shall be corrected as soon as the error is verified.

17.5.4 Audit courses will not be accepted as training credits valid for salary schedule placement or reclassification. Credit will not be accepted for course work taken in the armed service, except as it was taken in conjunction with an accredited college or university and can be verified through official transcripts. Course work taken through a foreign university or other institution which sponsors

travel tours for credits assigned upper division or graduate status, assigned a course title, and given unit value, shall be accepted. Such foreign university or other institution must be listed in the current edition of accredited institutions of higher learning, specified above.

17.5.5 If a unit member believes that participation in a lower division course will be of direct benefit to the District and that a similar benefit is not available at an upper division or graduate course level, such unit member may petition the District for a waiver. Such waiver, if granted, would allow the units so approved to be counted for advancement on the salary schedule. Prior to the date of enrollment in lower division courses, the unit member must make formal application to the District and receive approval in the form of the aforementioned waiver.

17.5.6 If a student from a teacher training institution is assigned to a unit member for training purposes and the District receives a stipend for this service from the institution, then the unit member to whom the student teacher is assigned shall receive the stipend.

17.6 Differential Compensation for Bilingual Teacher

have not requalified in the preceding nine (9) years shall receive the current stipend amount, \$250.00.

17.6.4 All stipends shall be paid on a tenthly basis. Stipends will become effective the first semester after the unit member obtains the qualifying bilingual certification and after the unit member submits to the Human Resources Department an official notification letter indicating successful test results and/or a copy of the certificate itself. Test scores will be valid for nine (9) years, unless otherwise provided by law. (CLAD/BCLAD Certificate Handbook, California Commission on Teacher Credentialing.)
