**ARTICLE VII
WAGES**

Section 1. Method of Establishment of Wages

Wages specified herein have been established in negotiations by and between the parties hereto.

Section 2. Effective Date of Wages

Wages established in this contract shall become and remain effective as specified in Appendix "A" and a part hereof, except as otherwise provided herein.

Section 3. Wages

Basic straight time hourly rates are and shall be as set forth in Appendix "A" attached hereto and a part hereof.

Section 4. Compensation of Employees

Wages increases due at the completion of any longevity requirements shall be effective at the beginning of the payroll period in which the time requirement is satisfied. Notwithstanding anything contained herein, increases in wage and salary benefits awarded and agreed to in Appendix "A" shall be given and apply only to employees of the Board of Trustees of the University of Illinois covered by Appendix "A" and then only if those employees are actually in the employ of said Board of Trustees as of the date of the ratification of this Agreement and to so

described employees who are hired thereafter, except that employees who leave the Bargaining Unit after contract expiration and prior to the date of signing of this Agreement will be entitled to any applicable retroactive wage increase, provided such employee(s) submit a written request to the Records Section of the Campus Personnel Services Office for such wage increase within ninety (90) calendar days of the signing of this Agreement.

The anniversary dates of current employees which fall after August 28th through February 26th shall be retained. The anniversary dates of employees hired into classifications covered by the parties' contract subsequent to March 22, 2005, shall be based on their date of hire into the covered classification

Also, effective close of business 08/27/05, Step 10 of the step program will be eliminated and any employees previously on that step shall be moved to Step 11.

Notwithstanding this formula, the parties' agree that all employees shall receive no less than one and a half percent (1.5%) effective 08/27/06 for an across the board percentage increase.

Employees on Steps 11 through 32 shall receive a two percent (2%) step increase on their anniversary date.

ARTICLE VIII HOURS OF WORK AND OVERTIME

Section 1. General Provisions

- A) This section is intended only as a basis for calculating overtime payments and nothing in this section shall be construed as a guarantee of hours of work per day, per week or per year. In addition, this section does not preclude schedules of less than seven and one-half (7 1/2) hours per day or thirty-seven and one-half (37 1/2) hours per week; which schedules shall be considered to be part-time.

Full-time employees shall have a basic work day of seven and one-half (7 1/2) hours and a basic work week of thirty seven and one-half (37 1/2) hours to be worked in five (5) consecutive days; Monday through Friday except as set forth in the next two (2) paragraphs of this Section A. The starting and quitting times for the normal day shift are between 8:00 a.m. and 5:00 p.m. or flex-time variations thereof. Starting and quitting times will remain in effect unless changed pursuant to the provisions of Section 8(B) of this Article. By mutual written agreement between the Employer and employee, the full-time work schedule in the work week may consist of a basic work day in excess of seven and one-half (7 1/2) hours during each of four (4) days and shall not exceed thirty seven and one-half (37 1/2) hours per week. In such cases, daily overtime will be paid to non-exempt employees for work in excess of the basic work day or basic work week; notwithstanding the provisions of Section 1. B (below) of this Article. Exempt employees will not receive daily or weekly overtime pay.

Employees who work in units which require extended operating hours and/or service levels may be assigned weekly schedules of five (5) days; not Monday through Friday and may "bridge" two (2) work weeks. Currently units with such schedules include Assembly Hall, Illini Union, Housing Division, Krannert Center, Library, McKinley Health Center, O&M (Public Safety Telecommunicators) and Police Training Institute. Current work schedules will remain in effect unless changed pursuant to the provisions of Section 8(B) of this Article.

Employees who work in Operating Units where a thirty seven and one-half (37 1/2) hour work week and seven and one-half (7 1/2) hour work day is determined by the Unit to not be feasible or practicable may be placed on different daily/weekly work schedules, with the understanding that the work year for such employees is 1950 hours to be worked between July 1 and June 30 of each year. For such employees overtime will be paid for work in excess of their basic work day or basic work week; notwithstanding the provisions of Section 1.B (below) of this Article. The Employer will notify the Union in writing at least forty-five (45) days in advance of July 1 of each year as to the identity of such units; thereafter any

subsequent changes in the identity of such units will also require forty-five (45) days written advance notice to the Union.

- B) Non-exempt employees (Food Service Administrator I, Housing Administrator II, Program Advisor, Assistant Program Director and Coordinator of Tenant Union Program are exempt employees) working daily (over seven and one-half (7 1/2) hours) or weekly (over thirty-seven and one-half (37 1/2) hours) overtime shall be paid one and one-half (1 1/2) times the employees regular hourly rate unless compensatory time off is mutually agreed to as described in Section 2 of this Article. Said regular hourly rate shall be the basic straight time hourly rate plus any applicable differentials plus any other amounts required by Federal Law to be included in the rate of pay for purposes of computing overtime. In no event shall the regular hourly rate be less than the basic straight time hourly rate. Employee's regular schedules shall not be altered to prevent or circumvent the payment of overtime. Benefit hours paid such as vacation, sick leave, funeral leave, jury duty and approved events shall be counted as hours worked for purposes of overtime. Overtime work shall be limited to unusual, essential or emergency situations and insofar as practicable shall be fairly distributed. No overtime will be worked except with the express approval of the Employer. The Employer requires that an eligible employee receive overtime compensation in the event that a supervisor permits overtime to occur although not expressly approving or authorizing it. In order to avoid liability as stated, a supervisor must expressly and effectively prohibit overtime work, including so-called "voluntary" overtime.
- C) Whenever practicable employees who are required to work overtime will receive forty-eight (48) hours advance notice. All employees may be required to work overtime. However, an exception to this rule will be made if the Employer is able to make alternate arrangements to complete the required overtime work.
- D) Employees who are not on a work schedule with starting and quitting times between 8:00 a.m. and 5:00 p.m. and who work a regular shift which ends after 3:00 p.m. will receive a shift differential of twenty-five cents (.25) per hour for all hours worked on the shift provided the majority of the hours are worked after 3:00 p.m. Employees who are not on a work schedule with starting and quitting times between 8:00 a.m. and 5:00 p.m. and who work a regular shift which ends after 11:00 p.m. will receive a shift differential of thirty-five (.35) per hour for all hours worked on the shift provided the majority of the hours are worked after 11:00 p.m.

Section 2. Compensatory Time

Employees entitled to overtime pay under the terms of this Agreement may elect to take compensatory time off in lieu of overtime pay, provided however, that the employee and the supervisor must mutually agree to compensatory time off (at the time the overtime work is offered); otherwise the employee will receive overtime pay. Compensatory time will be at the rate of one and one-half (1 1/2) hours for each hour of overtime worked. Compensatory time may not be accrued in excess of seventy-five (75) hours. Earned compensatory time off to be taken must be scheduled and approved in advance by the supervisor. Approval for compensated time off will be subject to the Employer's operational needs.

Section 3. Call-Back

- (a) Call-back is defined as an official assignment of overtime work which does not continuously precede or follow an employee's regularly scheduled shift. Approved time not worked for the employee's convenience does not break the continuance of such shift.
- (b) Whenever an employee works a call-back assignment as defined above, he/she shall receive a minimum of two (2) hours pay, or be paid for actual time worked, whichever is greater, at applicable overtime or premium rate. Employees who are called to work on their scheduled day off will also receive a minimum of two (2) hours pay or be paid for actual time worked, whichever is greater, at applicable overtime or premium rate.
- (c) Employees shall not be required to work for more than twelve (12) consecutive hours without at least eight (8) hours off between shifts.

Section 4. Rest Periods

Subject to operational necessity, there shall be two (2) paid rest periods of fifteen (15) minutes each during each full time shift; one (1) during the first half of the shift and one (1) during the second half of the shift.

If an employee believes she/he is improperly denied a rest period by her/his supervisor, then the employee may request her/his supervisor to identify the operational necessity for the denial and the supervisor shall provide a prompt response to the employee.

Scheduling of rest periods shall be done by the supervisor. Such rest periods may not be cumulative or made the basis for a late starting or an early quitting time or additional compensation.

Section 5. Meal Periods

Work schedules shall provide for the work day to be broken approximately midpoint by an uninterrupted, unpaid meal period of not less than thirty (30) minutes and no more than one (1) hour, as established in individual departmental work schedules. However, this shall not preclude work schedules which provide for a paid meal period.

Section 6. Work Required During Meal Period

When employees who normally receive an unpaid meal period are required to work during that period and receive no equivalent time off during the same shift at a reasonable alternative time, they shall have such time treated as hours worked.

Section 7. Flex Time Work Schedules

Where practicable departments shall endeavor to accommodate requests for flex-time work schedules. Such schedules will be arranged by mutual written agreement between the Employer and the employee.

Section 8. Shift Schedules

- A) Since the needs of the Employer's operations require variations in staffing levels, and scheduled hours or shifts, the shift's startings and endings will conform to those requirements.
- B) When regular work schedules, other than existing work schedules, are required to meet operational needs, such schedules may be changed with reasonable advance notice, but not less than fifteen (15) calendar days, to the employee(s) and the Union. Upon request from the Union the Employer shall meet and discuss the reasons for such change. This section applies to permanent schedule changes only.

ARTICLE IX LABOR/MANAGEMENT CONFERENCES

The Union and the Employer mutually agree that in the interest of harmonious employee relations, it is desirable that meetings be held between representatives of the Union and representatives of management; such meetings to be referred to as "Labor-Management Conferences." Matters of mutual concern, including conditions tending to cause misunderstandings, may be considered. However, such meetings shall be exclusive of the Grievance Procedure provided in ARTICLE XVII and formal grievances shall not be considered at such meetings. Either the Union or the Employer may request a Labor-Management Conference which will occur at a mutually agreed upon time after said request. Any such Labor-Management Conference will be scheduled by the Campus Labor Relations Section and the Union. A Labor Relations Specialist or Personnel Officer will be present at any such scheduled conference. The party requesting a Labor-Management Conference shall provide the other party with an agenda of the issues to be discussed prior to the scheduled conference. The number of employee participants in the conference will be mutually agreed in advance. Attendance by employees at such conferences during the employee's regular scheduled working hours shall be without loss of pay. Employees must receive advance approval to participate in and/or attend such conference. Such approval shall not be unreasonably denied.

ARTICLE X DISCIPLINE

Section 1. Definition

The Employer agrees with the tenets of progressive and corrective discipline. Progressive discipline is intended to correct employee deficiencies and shall consist of any or all of the following:

- a) Oral warning
- b) Written reprimand
- c) Suspension
- d) Discharge

Discipline will be issued for just cause and will be issued as soon as practicable after the Employer is aware of the event or action giving rise to the discipline.

Section 2. Manner of Discipline Issuance

Discipline will be issued to an employee in a private manner so as not to cause unnecessary embarrassment to the employee.

Section 3. Oral Warning

In cases of oral warning, the supervisor must inform the employee that he/she is receiving an oral warning and of their right to Union representation. The employee shall also be given the reasons for the warning.

Section 4. Predisciplinary Meeting

When the Employer is contemplating discipline other than oral warning, a predisciplinary meeting will be held. The Employer shall notify the employee and the Union of the meeting and the reason(s) for such contemplated discipline. Employees shall be informed of their rights to Union representation and shall be entitled to representation at all times during this disciplinary process. The employee and Union representative shall be given the opportunity to rebut the reasons for such contemplated discipline. If the employee does not request Union representation, a Union representative shall nevertheless be entitled to be present as a non-active participant at any and all such meetings.

Section 5. Notification of Disciplinary Action

In the event disciplinary action is taken against an employee, other than issuance of an oral warning, the Employer shall promptly furnish the Union president or designee and the employee with written notice of such disciplinary action and the reasons therefore.

Section 6. Disciplinary History

All history of discipline will remain as part of the employee's official personnel file. However oral warnings or warning letters which were issued twenty-four (24) or more months prior to a current related disciplinary action, will not be considered in such current related disciplinary action provided that the employee has received no form of discipline during this twenty-four (24) month period. An oral warning or written reprimand (unless given in lieu of a suspension or discharge) will not prevent an employee from being considered for promotion or transfer under Civil Service rules. Letters of expectation shall not be considered as discipline and will remain as part of the employee's personnel record.

ARTICLE XI PERSONNEL FILES

Section 1. Official Personnel File

The Employer's Campus Personnel Office maintains the official personnel file for covered employees. When any document related to disciplinary action is placed in an employee's official personnel file, the Employer shall furnish the employee a copy of such document.

Section 2. Employee Review of Official Personnel File

Employees will be permitted to review their official personnel file pursuant to provisions of the Illinois Employee Access to Records Act (820 ILCS 40/1 et seq.) If authorized by an employee in writing, the Union may also review the official personnel file pursuant to relevant provisions of this Act. Such review may be made during working hours, with no loss of pay for the time spent, and the employee may be accompanied by a Union representative if he/she so wishes. Reasonable requests to copy documents in the files shall be honored.

Employees (and the Union) will also be permitted to review their departmental personnel file(s) in accordance with the procedures set forth above.

Section 3. Employee Notification

A copy of any material related to employee performance which is placed in the personnel file shall be submitted to the employee. Employees may dispute information in the file and if unable to reach an agreement with the University on correcting or removing that information, may submit a statement to be attached to the disputed material as long as it is part of the file.

Section 4. Necessary to Employment Information

Information about employees in the official personnel file or file maintained by the employing department shall include only that which is necessary and relevant to employment and should be used only for those purposes.

ARTICLE XII BENEFITS

Section 1. Employer Controlled Benefits.

Benefits under the control of the Employer will not be diminished during the life of this contract and improvements in such benefits will be made applicable to employees covered by this contract on the same date that such improvements are made applicable to other employees of the Employer.

Section 2. Holidays.

- a) The University recognizes eleven (11) holidays. Eligible employees will be excused with full pay, except for necessary operations, on New Year's Day, Memorial Day (as determined by the law of the State of Illinois), Independence Day, Labor Day (first Monday in September), Thanksgiving Day (the fourth Thursday in November), Christmas Day, and on five (5) other holidays. These five (5) will be designated by the Chancellor. To be eligible for holiday pay an employee must have worked his/her last full scheduled workday prior to and his/her next full scheduled workday after the holiday. Exceptions may be allowed in cases of absences excused by the employee's supervisor for justifiable reasons.

- b) Holiday While on Vacation or Leave.

When the holiday falls while an employee is on approved vacation or leave, the holiday will not be charged against his/her vacation or leave.

- c) Saturday, Sunday Holidays.

When a holiday falls on Saturday, the preceding Friday will be treated for all purposes as the holiday and when a holiday falls on Sunday, the following Monday will be treated as a holiday. This applies only to employees who work a Monday through Friday schedule. For employees who work other than a Monday through Friday schedule, the calendar holiday will be observed as the holiday.

- d) Holiday on Non-Work Day.

An eligible employee, other than a part-time employee, who works other than a Monday through Friday schedule and who is not scheduled to work on a calendar holiday, will receive, as necessary operations permit, either (1) a scheduled workday off within two (2) weeks of the recognized holiday, or (2) an additional day's pay at his/her regular rate.

- e) Work Required on Holiday.

In the event that work is required on any recognized holiday for the particular University organizational unit, employees, in addition to regular compensation will receive additional payment at the rate of time and one-half (1-1/2), or, if mutually agreed to, by time off at the rate of time and one-half (1-1/2), or any combination thereof.

Section 3. Employee Development and Educational Benefits.

The employer agrees to provide employees tuition and fee waivers and/or reimbursement and other educational benefits in accordance with Policy and Rules. Off-Campus employees will be permitted to attend colleges and/or universities with whom the University of Illinois has a reciprocal course tuition and fee waiver agreement on the same basis and under the same conditions as Champaign/Urbana Campus employees.

Eligible children of qualified University employees with at least seven (7) years of employment service may receive 50% tuition waiver for undergraduate education at any campus within the University of Illinois system. Children must qualify for admission under the same requirements, standards and policies applicable to general applications.

Initial training for employees in the application of the basic skills required by Civil Service for a position shall be provided, as determined by the Employer. When new technology or other changes in the work place require additional training, as determined by the Employer, such training shall be provided.

Section 4. Vacation and Personal Leave.

- a) All employees who are not exempt under the Fair Labor Standards Act shall accrue and have available accrued vacation in accordance with the following schedule:

- g) Upon termination of employment, an employee shall be paid for any vacation and Personal Leave accumulated as of his/her last scheduled work day. The effective date of the termination is the last day worked and is not extended by payment of the Vacation and Personal Leave benefit.

An employee on a normal workday schedule, e.g., 8:00 a.m. to 5:00 p.m., who is serving Jury Duty is expected to report for work whenever his/her services are not required by the court. If, after being excused by the court, four (4) or more hours remain in his/her University schedule for that workday, an employee must call his/her supervisor for report-to-work instructions unless earlier arrangements were approved.

An employee on a deep night shift, e.g., commencing at 10:00 p.m. or later, will be granted Jury Duty leave for the shift immediately preceding a day on which required to report for Jury Duty. At the conclusion of the required Jury Duty, such an employee is expected to report for work at the beginning of the first shift that commences eight (8) or more hours after being excused from Jury Duty, e.g., if an employee is excused at or before 2:00 p.m., the employee is to report on his/her next scheduled shift.

An employee with a part-time appointment normally will be granted leave with pay for the hours or days that he/she is excused for Jury Duty and for which he/she has been scheduled to work.

Employees on a leave of absence for Jury Duty when a holiday occurs will receive their normal holiday pay. Actual Jury Duty service on the holiday will not result in additional compensation or time off as such Jury Duty service is not University employment.

Section 7. Sick Leaves.

- a) An employee shall accumulate paid sick leave without limit at the rate of .0462 hours for each hour, exclusive of overtime, that he/she is in pay status, or approximately twelve (12) days per year for an employee who works 1950 hours.

A staff member may use sick leave for pregnancy. During the 12-month period immediately following the adoption or birth of a child, sick leave may be used for a period of time, not to exceed twelve weeks, to care for that child. (Refer to Policy and Rules - Nonacademic, Rule 11.07, Family and Medical Leave, for the definition of "parent"). The use of accrued sick days will be in accordance with state law which provides the following order:

- c) Upon termination of employment for any reason, or upon indeterminate layoff of six (6) months or more, an employee or the employee's estate is entitled to be paid at half rate for unused sick leave which was earned between January 1, 1984 and August 1, 1998.
- d) The employee's supervisor may require the employee to provide evidence to substantiate the reason for the absence, including a physician's certificate, if the supervisor has sufficient justification to believe that the employee does not have a valid reason for requesting sick leave.
- e) Sick Leave may be taken in tenth-hour increments.

Section 8. Military Leave

- a) Leave of absence with pay at an employee's regular rate shall be granted an eligible employee who is an officer or enlisted person in the Illinois National Guard, the Illinois Naval Militia, or the reserve components of the Armed Forces called for Limited Training or Emergency Call-up. The length of the Military Leave for Limited Training with pay will not exceed standards established by federal or state regulations for training activities required to maintain standing in the above military units. In the event the required annual Limited Training is extended beyond fifteen (15) days or an Emergency Call-up is extended beyond thirty (30) days, the employee will be granted leave without pay for such additional days. In the event the Limited Training service is requested by the military authorities, the employee may be granted leave without pay if operating requirements of the University permit.

- b) Leave for Service in the Armed Forces of the United States without pay shall be granted an eligible employee who enlists or is inducted into such service. In accordance with provisions of the Universal Military Training and Service Act of 1951 and the Armed Forces Reserve Act of 1955, as amended, such an employee will be restored to a position of like seniority, status, and pay if (1) his/her discharge is under conditions other than dishonorable, (2) he/she requests reemployment within 90 days after discharge, and (3) he/she is qualified physically and mentally to perform the duties of the position. If, as a result of the service in the Armed Forces, he/she is not physically or mentally qualified to perform the duties of such a position, the former employee will be restored to a position for which he/she is qualified to perform the duties and which will provide him/her the seniority, status, and pay, or the nearest approximation thereof consistent with the circumstances of the case.

Section 9. Special Leave of Absence

Whenever practicable and operations permitting, the Employer will grant requests for full or part-time Special Leave of Absence without pay for up to twelve (12) months. Examples of such leave include:

- a) An employee who has exhausted his/her sick and disability benefits and who is still unable to return to work, or
- b) An employee engaged in public interest work or furthering his/her education, or
- c) Child care and family responsibility beyond the University's Sick Leave Policy, or
- d) An employee who wants to be with his/her spouse while he/she is on sabbatical leave.

Upon request by the employee, such leave may be extended.

When an employee returns from any leave of absence permitted by this Agreement, the Employer shall return the employee to the same position classification in which the employee was incumbent prior to the commencement of such leave, seniority in their classification permitting.

Section 10. Sick Leave Bank

Bargaining unit employees may use vacation time to initiate their participation in the Shared Benefits Program if they do not have enough sick leave accrued (under the Program's Guidelines) to initiate such participation. Employees who enter the program through the use of vacation time must exhaust all sick leave and vacation prior to being eligible to receive benefits from the Sick Bank.

Section 11. Maternity/Paternity Leave

Bargaining unit employees will be eligible for two (2) weeks paid maternity/paternity leave, limited to one (1) leave per newborn infant, per year. A bargaining unit employee will also be eligible for this leave with a new adoption. An employee requesting maternity/paternity

leave must submit a request to the employing unit for approval. Such maternity/paternity leave will be administered in accordance with Policy and Rule 11.15.

ARTICLE XIII HEALTH AND SAFETY

Section 1. General

Consistent with the standards set by the Illinois Department of Labor, the Employer shall provide a safe and healthful workplace. Therefore, the Employer agrees to make adequate provisions for the safety and health of employees covered by this contract during the hours of their employment. Appropriate safety rules will be posted in the department. The University will pay the cost of all safety items that it requires its employees to use while on the job. The Employer shall be responsible for informing employees about Rules, Regulations and Procedures. The Union supports the use of safety equipment on the job. This section is not meant to nullify any other safety equipment program now in existence. The Employer shall provide the Union with a copy of its current written Health and Safety policies, rules and regulations as published in the Campus Administrative Manual.

Section 2. Union - Management Health and Safety Committee

It is agreed that a joint Union-Management Health and Safety Committee will be established with six (6) representatives from Management and six (6) representatives from the Union. The Committee may consist of additional members by mutual agreement. The Committee will hold meetings when either party deems necessary to consider and review health and safety conditions. Upon written request the joint committee will be furnished relevant reports which concern the health and safety of bargaining unit employees.

If the committee determines that an unsafe or unhealthful working condition is in existence, the Employer will endeavor to correct such condition within a reasonable period of time.

Section 3. Video Display Terminals

The University places a high concern on the safety and well being of its staff. The Employer and the Union will attempt to keep current with monitoring studies and reports on the effects, if any, of video display terminals and their effect on the health and safety of the operators.

Operating Units that use Video Display Terminals will use them in such a manner as to provide a safe and healthful working environment. Accordingly, employees will not be required to view an operating VDT screen for more than two (2) consecutive uninterrupted hours.

Pregnant employees and employees who are nursing and who regularly operate VDTs may, upon request, be permitted to adjust or otherwise change assignment, if such adjustment or change can reasonably be made and is consistent with the University's operating needs. The employee shall, upon request, be granted illness or appropriate leave, for the duration of the pregnancy and/or nursing, pursuant to the appropriate Leave of Absence provision.

Section 4. Ergonomics

The Employer shall endeavor to provide ergonomically correct equipment.

Section 5. Immunization

If employees are regularly assigned to work in an area where occupationally related disease could be contracted, such employees will be immunized by the Employer from such disease.

ARTICLE XIV UPWARD MOBILITY PROGRAM

Section 1. Goals and Priorities

The University of Illinois and AFSCME are committed to improving career advancement opportunities for employees in classifications covered under this Agreement. It is the goal of the University and the Union to provide employees with enhanced training and promotional opportunities through an Upward Mobility Program.

The Upward Mobility Program is a joint labor/management initiative designed to explore, define, and where practicable, develop and offer opportunities for employee personal development and career enhancement, within the framework of University Policy and the State Universities Civil Service System Statute and Rules.

Section 2. Committee

An Upward Mobility Committee comprised of an equal number of representatives of the Union and the Employer shall be established to discuss and consider program issues that are applicable to the conduct of its business. The Upward Mobility Committee will meet at mutually agreeable times and will endeavor to meet on a monthly schedule.

Section 3. Career Development and Educational Opportunities

Committee review efforts shall include, but not be limited to the following:

- Clarifying and defining career and educational opportunities that exist or may be provided to employees.
- Clarifying and defining promotional opportunities that exist or may be provided to employees.
- The provision or development of materials or information regarding available staff development training courses or other career enhancement opportunities.
- Other personal development and training possibilities.

Based on any outcome resulting from committee review efforts described above, the Upward Mobility Committee may make recommendations for implementing programs and/or other opportunities identified for the career and personal development of bargaining unit members. Should any recommendations necessitate additional resources for implementation, the parties will explore funding possibilities for this purpose.

Section 4. Promotional Lines – Other Classifications

The Upward Mobility Committee will continue to review classes in the bargaining unit to determine if there are appropriate mergers or other promotional enhancements until all classes in the bargaining unit have been reviewed.

Section 5. Eligibility

All status and promotional probationary employees are eligible potential recipients of program services.

ARTICLE XV PROBATIONARY PERIODS - STATUS APPOINTMENTS

An employee entering a classification within the Bargaining Unit shall be required to serve a probationary period of six (6) months. Service in a higher class shall count toward completion of probationary period in a lower class in the same promotional line. If the probationary period is interrupted by an unpaid leave of absence, layoff or suspension, the probationary period shall be extended by that period of time. During the probationary period, the Employer shall meet with the employee periodically to review with the employee his/her progress on the job. If the probationary employee fails to demonstrate the ability and qualifications necessary to furnish satisfactory service, then the Employer shall dismiss the employee from his/her probationary appointment and will meet with the employee to inform him/her of the reason(s) for the decision to dismiss. Dismissal of a probationary employee is not appealable or subject to the grievance procedure. Upon successful completion of the probationary period, the employee shall become a status employee.

If a status employee entering a new classification fails to demonstrate the ability and qualifications necessary to furnish satisfactory service, then the Employer shall terminate the probationary appointment and will meet with the employee to inform him/her of the reason(s) for the decision. Such employee shall return to his/her previous class, provided that he/she has sufficient seniority pursuant to Article XIX (Layoff Procedure).

ARTICLE XVI DUES DEDUCTION AND FAIR SHARE

Section 1. Dues Deduction.

Upon receipt of a written and signed authorization card from an employee, the Employer shall deduct the amount of Union dues, assessments and initiation fees, if any, or other authorized deduction, set forth in such card and any authorized increase therein, and shall remit such deductions monthly to AFSCME COUNCIL 31 at the address designated by the Union in accordance with the laws of the State of Illinois. The Union shall advise the Employer of any increases in dues, in writing, at least thirty (30) days prior to its effective date.

Section 2. Fair Share.

Nonunion members of the bargaining unit who choose not to become union members within thirty (30) calendar days of employment or thirty (30) calendar days of the signing hereof, shall be required, pursuant to 115 ILCS 5/11 to pay a Fair Share Fee not to exceed the amount of dues uniformly required of its members. Such involuntary deduction shall remain in effect for the duration of this Labor Agreement unless said amount is changed by action of the I.E.L.R.B. Such involuntary deductions shall be forwarded to the Union along with the deductions provided for in Section 1 of this ARTICLE.

Section 3.

The Employer shall take such steps as may be required to accomplish any wage withholding authorized or required by Sections 1 and 2 hereof and shall do such things as are necessary to cause said withholding to be remitted to AFSCME Council 31 within fifteen (15) days after the date of withholding, provided that nothing contained in this ARTICLE shall require the Employer to make any withholding unless and until the Union has notified the Employer of the address to which the amount so withheld should be sent and has certified the amount of the Fair Share fee, dues and assessments to be withheld, both within sufficient time to permit the Employer to carry out its obligations to so withhold. The amount withheld shall not change until the Union notifies the Employer in writing that a different Fair Share or dues amount should be collected.

Section 4.

The Employer and the Union are both cognizant of the provisions of the Illinois Educational Labor Relations Act and Rules promulgated by the I.E.L.R.B. which deal with Fair Share Fees. The Act and these Rules are incorporated in this Agreement by reference and the Employer and the Union agree to comply with and abide by all provisions of the Act and said Fair Share Rules.

Section 5.

In the event that any employee covered hereby is precluded from making a Fair Share involuntary contribution as required by Section 2 hereof on account of bona fide religious tenets or teachings of a church or religious body of which that employee is a member, that employee shall have the right to refuse to allow said involuntary deduction, provided, however, that said right to refuse shall continue only so long as the employee makes contributions at least equal in amount to the Fair Share Fee amount to a non-religious charitable organization mutually agreed upon by the employee so refusing and the Union. For this purpose the Union shall certify to the Employer the

names of all employees covered hereby who are relieved of the obligation to pay a Fair Share Fee by virtue of this Section; and it shall be the sole obligation of the Union to verify that contributions contemplated hereby have actually been made and that said employees are not subject to a Fair Share Fee involuntary deduction.

Section 6.

The Union shall indemnify, defend, and hold the Employer harmless against any claim, demand, suit, cost, expense, or any other form of liability, including reasonable attorney's fees and costs arising from or incurred as a result of any act taken or not taken by the Employer, its members, officers, agents, employees or representatives in complying with or carrying out the provisions of this ARTICLE; in reliance on any notice, letter, or authorization forwarded to the Employer by the Union pursuant to this ARTICLE; and including any charge that the Employer failed to discharge any duty owed to its employees arising out of the Fair Share deduction.

Section 7.

Nothing contained herein shall require the Employer to take any action to collect any Fair Share Fee from any employee in any given pay period except to the extent that such employee earns wages from the Employer in that period.

**ARTICLE XVII
GRIEVANCE PROCEDURE**

The grievance resolution procedure contained herein applies to all employees covered by this Agreement and provides for binding arbitration of grievances.

Section 1. Grievance

- a) Definition - A grievance is defined as any dispute or disagreement between the parties with respect to the application, administration or interpretation of the provisions of this Agreement or arising out of matters controlled by the employer which directly affect wages, hours and terms and conditions of employment.
- b) Grievances will be processed as set forth in the following sections of this Article.

Section 2. Informal Discussions

- a) Employee-Supervisor Discussions. An employee who has a request or complaint shall discuss the request or complaint with his/her designated supervisor in an effort to settle the same. An employee may do this personally, or through the Union.
- b) Additional Discussion Participants. If the designated supervisor and the employee or the Union after full discussion, feel the need for aid in arriving at a resolution, they may by agreement invite the Director of the Campus Personnel Services Office or such other additional University or Union representatives as may be necessary and available to participate in further discussions.

Such additional participants shall act as resource personnel but shall not relieve the designated parties from the responsibility for resolving the problem.

- c) Submission of Grievance in Writing. The above procedure, if followed in good faith by both parties, shall lead to a fair and prompt solution of most of the daily employer-employee problems. However, if a request or complaint is not resolved to satisfaction, it may be reduced to writing and filed promptly as a formal grievance including section or sections of the collective bargaining agreement alleged to have been violated.
- d) Formal Grievance. A formal grievance may be filed under the steps indicated below by an employee, or by a group of employees, or by the Union. Employees are entitled to Union representation at each and every step of the grievance procedure.
- e) The Union may file a Grievance at the Campus Chancellor Level of the Grievance Procedure if the grievance is "common" to employees employed in more than one (1) department covered under this Agreement or if the grievance is of an issue whereby the supervisor and/or department head do not have authority to give the employee satisfactory redress to the grievance. When a grievance is filed at the Campus Chancellor Level of the grievance procedure the department(s) will receive a copy of the grievance. The Campus Chancellor retains the right to remand the grievance to the department if the Union has misapplied the foregoing procedural requirements or refer the grievance to the next level of appeal.

Section 3. Step Procedures.

Step 1. Filing of Grievance with Supervisor. To be considered formally, a grievance must be filed in writing with the employee's designated supervisor and signed by the party filing the grievance. It must also be submitted within thirty (30) calendar days after the occurrence leading to the grievance or within thirty (30) calendar days after the employee should reasonably have known that the occurrence would affect him/her.

The written grievance need not follow any particular format, but should include a clear statement of the grievance, including section or sections of the collective bargaining agreement alleged to have been violated and the redress sought by the grievant. A grievance form is available for convenience, but there is no requirement that it be used. The designated supervisor will review his/her earlier informal decision. The supervisor may change, modify, or affirm this decision. If he/she changes the decision in a way to effect an informal agreement with the employee or the Union, this will dispose of the grievance. The supervisor or designee shall respond in writing to the grievance within two (2) working days. If the supervisor's answer is not acceptable to the employee or the Union, the employee or the Union may file a written appeal to the Department Head within five (5) workdays after receipt of the answer.

Step 2. Department Head Meeting. Upon receiving an appeal the Department Head/designee will review the grievance. If the grievant or Union requests a meeting, such request will be honored and a meeting will be held within seven (7) workdays of the request. If the Department Head/designee fails to answer within seven (7) workdays after receipt of the grievance or close of the meeting or if the Department Head/designee's answer does not

resolve the grievance acceptably to the employee or the Union, it may be appealed to the Chancellor provided that the appeal is filed in writing within seven (7) workdays after the Department Head's answer is received or due.

Step 3. Campus Level.

- (a) Chancellor Investigation. Upon receipt of an appeal, the Campus Chancellor, or his/her designee, shall fully investigate the grievance, including conducting a meeting within fourteen (14) calendar days if so requested by the Union or grievant. The Campus Chancellor, or his/her designee, shall issue the Campus Decision on the grievance, in writing, within fourteen (14) calendar days after receipt of the appeal if no meeting is conducted, or within fourteen (14) calendar days from the close of any meeting which is conducted by the Campus Chancellor, or his/her designee. If the decision is unacceptable, it may be appealed by the Union or the employee to the Director of Human Relations and University Equal Opportunity in the Office of the President of the University, provided such appeal is made in writing within seven (7) workdays after such decision is received or due.
- (b) Submission to Director of Human Relations and University Equal Opportunity. If the matter is appealed to the Director of Human Relations and University Equal Opportunity, the Chancellor or his/her designee should make available to the Director of Human Relations and University Equal Opportunity the existing record of the case, including a copy of the written grievance, the resolution sought, and the campus-level decision and reasons therefore.

Step 4. Director of Human Relations and University Equal Opportunity Step

- (a) Director of Human Relations and University Equal Opportunity Investigation. Upon receipt of an appeal the Director of Human Relations and University Equal Opportunity, or his/her designee, will review and investigate the grievance in its entirety. This investigation shall include conducting a meeting within fourteen (14) calendar days if so requested by the Union to determine all relevant facts. All parties to the grievance will be given an opportunity to be present at any such meeting to present arguments and evidence to support their position. If a meeting is conducted, the Director of Human Relations and University Equal Opportunity, or his/her designee, will issue a written decision on the grievance within fourteen (14) calendar days from the date of the close of the meeting. If no meeting is conducted, the Director of Human Relations and University Equal Opportunity, or his/her designee will issue a decision within fourteen (14) calendar days from receipt of the appeal.
- (b) Appointment of Designee. In any grievance appeal the Director of Human Relations and University Equal Opportunity may, with the approval of the appropriate Chancellor, appoint a designee to hear and decide that appeal in his/her stead.
- (c) Move to Arbitration. If the decision of the Director of Human Relations and University Equal Opportunity, or his/her designee, does not resolve the grievance acceptably to the Union, the grievance may be moved to arbitration. If the Union wishes to appeal to

Arbitration the decision of the Director of Human Relations and University Equal Opportunity, or his/her designee, such appeal must be made in writing to the Associate Vice President for Administration and Human Resources within twenty (20) calendar days after such decision was received or was due.

Step 5. Arbitration Step.

(a) Appeal to Arbitration.

If, in accordance with the foregoing procedure, the grievance(s) is appealed to arbitration, representatives of the Employer and the Union shall attempt to select a mutually agreeable arbitrator. If the parties are unable to agree on an arbitrator, the parties shall request the Federal Mediation and Conciliation Service or the American Arbitration Association to submit a list of seven (7) arbitrators who are not affiliated with the University of Illinois. Upon receipt of the list the parties shall alternately strike the names of three (3) arbitrators, with the Employer striking first. The person whose name remains shall be the arbitrator, provided that either party, before striking any names, shall have the right to reject one (1) list of arbitrators. The arbitrator shall be notified of his/her selection by the parties or their representatives. Thereafter a mutually agreeable hearing date will be set by the parties to the grievance and the Arbitrator. If the issue to be arbitrated is mutually agreed upon between the Employer and the Union, such issue shall be submitted to the Arbitrator in advance of the hearing. The decision and award of the arbitrator shall be final and binding on the employee, the Union, and the Employer. The arbitrator shall have no right or authority to amend, modify, ignore, add to, or subtract from the provisions of this Agreement or any expressly written amendment or supplement thereto.

(b) Arbitration Costs.

Costs of the arbitration shall be equally divided between the Union and the Employer, except that each party will be responsible for any expense incurred in the preparation and presentation of its own case.

Section 4. Mutually agreed extension of time limits

- a.) Time limits contained in this Article may be extended by mutual written (e-mail included) agreement of the Employer and the Union. Workdays as described in this Article means Monday through Friday.

Section 5. Special Procedure for Appeals of Demotion or Discharge

An employee who has been served written charges for discharge or demotion and who wishes to challenge such action may elect either:

1. To follow the procedures for review specified in the Rules and Regulations of the State Universities Civil Service System, Ch. VI, Section 250.110(e)(1) through (7) or;

2. File a grievance which appeals such action to arbitration by notifying the University Associate Vice President for Administration and Human Resources of a desire to do so, in writing, within fifteen (15) calendar days after the serving of the written charges by the Employer. Such appeal must be signed by an officer of the Union. Thereafter, the Union may submit the appeal to an arbitrator who is selected as set forth in Section 3, Step 5(a) above.

The Employer will notify the employee of these two (2) options at the time the written charges are served.

If the employee elects to follow the procedures specified in the Rules and Regulations of the State Universities Civil Service System, such action shall effectively waive any rights which either the employee or the Union might otherwise have to use the grievance procedures set forth in ARTICLE XVII of this collective bargaining agreement with respect to the said discharge or demotion. The law provides, and the parties have agreed, that appellate rights from a Merit Board decision are those prescribed in the Illinois Administrative Review Act.

All provisions of Section 3, Step 5 of this Article (above) apply to arbitrations which are conducted pursuant to this special procedure.

Section 6 - Payment for Time.

Time spent in handling grievances (including investigation) by the grievant and/or his/her representative, if the representative is a University employee, shall be with full pay at the basic straight time wage or salary rate only for time spent during the regular workday or shift. Paid time will not be allowed for time spent in grievance handling outside the regular shift. In no case, however, shall any employee leave his/her post of duty without the knowledge of and permission from his/her designated supervisor, which permission shall normally be given subject to emergency exceptions.

ARTICLE XVIII TEMPORARY ASSIGNMENTS

If a status employee is temporarily assigned by the Employer to perform the distinguishing features (as determined by the class specification) of a position in a higher classification, he/she shall receive an increase of four percent (4%) to his/her basic straight time hourly rate, or the minimum of the higher classification, whichever is greater, for all hours worked in the higher classification.

Temporary upgrading and downgrading assignments must not be for more than thirty (30) consecutive work days duration.

If it is necessary to assign a status employee, on a temporary employment basis to a temporary or permanent position which is classified at a lower level, the employee's salary, at the time immediately prior to such assignment, will be maintained.

The Employer makes temporary downgrading assignments by assigning a status employee who meets the minimum qualifications of the class to which assignment is being made. The Employer makes temporary upgrading assignments by assigning status employees from active registers for the class so long as such registers exist. When a need for temporary upgrading assignments occurs in classes that utilize work shifts, the register requirement applies only to those status employees on the appropriate shift. Acceptance of, or refusal to accept, such temporary assignment by an employee shall in no way affect the employee's position on the register, regardless of the number of acceptances or refusals. In the absence of a register, the Employer may assign only those status employees who meet the minimum qualifications for the class to which assignment is being made.

When such an assignment has been made, seniority shall continue to be accrued in the class in which the employee has a status appointment.

The Employer may remove any temporarily upgraded employee for failure or inability to perform the required duties.

ARTICLE XIX LAYOFF PROCEDURE

- (A) When any employing unit decides that a reduction in the work force is necessary, the effects of the reduction in force shall be in accordance with the following procedures and provisions. Upon notice of a proposed layoff, Personnel Services will attempt to place affected employees into vacant positions or explore alternatives to avoid displacement whenever possible.
- (1) In the event an Employing Unit lays off an employee, that employee will be placed in a vacant requisitioned position in the same classification. In the event there is more than one (1) vacant requisitioned position, the employee will be placed in the last requisitioned position submitted to the Personnel Services Office.
 - (2) If there are no vacant requisitioned positions, the displaced employee will bump the least senior employee in that classification in his/her administrative unit (College, School, Department, etc.). If there are no employees in the class in the unit with less seniority, the employee will bump the least senior employee in the class campus-wide. If there are no less senior employees campus-wide, the employee can apply previously accumulated seniority in another class and be placed into a vacant requisitioned position in such class, if one exists. If there are no vacant requisitioned positions, the employee will bump the least senior employee within his/her administrative unit, or, if necessary, campus-wide.
 - (3) The least senior employee bumped within an administrative unit will have the right to bump into the position held by the least senior employee in his/her classification campus-wide, or if necessary use seniority in another class

within his/her administrative unit (College, School, Department, etc.) first and then, campus-wide as described below:

- (a) An employee subject to layoff who has completed a probationary period will be offered the position of the least senior employee in the class. If the employee is the least senior, then he/she will be offered the least senior position of the employee in the next lower class in the promotional line. This process will repeat for the remaining classes by ranked levels in descending order in the promotional line when the employee is the least senior in the class offered.
 - (b) An employee who has not completed a probationary period or a status employee who has gained seniority in a class outside of the promotional line will be offered the position of the least senior employee in the class. If the employee is the least senior, then he/she will be offered the least senior position of the employee in the next lower class. This process will repeat for the remaining classes by ranked levels in descending order in the promotional line as long as the employee is the least senior.
- (4) The Campus Director of Personnel Services, or his/her designee, shall be responsible for the administration of this policy.
 - (5) The Union and the employee shall receive a written notice at least thirty (30) calendar days in advance of the effective date of layoff and where possible sixty (60) calendar days notice when such layoff is to exceed thirty (30) consecutive workdays. Whenever practicable the Union and the employee shall receive a written notice at least ten (10) working days in advance of the effective date of layoff when the layoff is scheduled to be less than thirty (30) consecutive workdays.
 - (6) The terms "administrative Unit" and "Campus wide" as used herein, shall be interpreted with respect to off Campus Cooperative Extension Service to mean "Unit" and "Cluster" respectively.
- B. An employee who is being laid off will receive preference to the extent permitted by Civil Service Statute and Rules for any vacant requisitioned positions for which the employee is qualified.
 - C. Recall of employees will be on the basis of seniority within the appropriate classification; i.e. the most senior employee on layoff will be the first to be recalled.
