5.3 STEP 1

The supervisor shall then attempt to adjust the matter and shall respond to the steward within five (5) work days.

STEP 2

If the grievance is not settled in Step 1, it shall be referred in writing to the department head or designee within ten (10) working days after the designated supervisor's answer in Step 1. The list maintained by the Director of the Bureau of Mediation Services shall be made up of qualified arbitrators who have submitted an application to the Bureau. The parties shall alternately strike names from the list of five (5) arbitrators until only one (1) name remains. The remaining arbitrator shall hear and decide the grievance. If the parties are unable to agree on whom shall strike the first name, the question shall be decided by a flip of a coin. Each party shall be responsible for equally compensating the arbitrator for fees and necessary expenses, and shall be individually responsible for the expenses of their own representative and witnesses.

5.7 The arbitrator shall not have the power to add to, subtract from, or to modify in any way the terms of the existing contract and the arbitrator's decision shall be confined to the specific issues of the grievance. 5.9 The parties, by mutual written agreement, may waive any step and extend any time limits in a grievance procedure. However, failure to adhere to the time limits without waiver will result in a forfeiture of the grievance. Failure of the employer to respond within the time limits will constitute denial of the grievance, allowing the Union to appeal the grievance to the next step within ten (10) working days of the expiration of the employer's time limits.

5.10 Discipline

A. The Employer will discipline employees for just cause only. Discipline will be in the form of:

ARTICLE 6 SENIORITY

6.1 Seniority means an employee's length of continuous service from the date of hire with the Ramsey County Public Works Department.

6.2 Classification Seniority. Classification seniority is defined as the length of continuous service in a specific job classification within the bargaining unit. In the event it becomes necessary to lay off employees for any reason, the employees shall be laid off in the inverse order of their seniority within the classification, provided all probationary, temporary, intermittent, and provisional employees in that classification are laid off first. Employees shall be recalled from layoff according to their seniority. No new employees shall be hired in the classification unless all employees on layoff status desiring to return to work have been recalled. Employees shall be permitted to exercise their seniority rights to any classification previously held before being subject to layoff. When an employee exercises bumping rights, classification seniority in the class to which the employee has bumped shall include seniority in all higher bargaining unit classes in which the employee has served. No permanent employee shall be laid off until all probationary, intermittent, temporary and provisional employees in the same classification are laid off.

Employees no longer working for the county will remain eligible for reinstatement from layoff status for a minimum of two years from the date of their layoff. After this initial two-year period, eligibility for reinstatement from layoff shall be extended each year that the employee notifies Human Resources of their continuing interest in reinstatement up to a maximum of ten years from the date of layoff. Such notification of continuing interest shall be in writing to the Director of Human Resources and shall be made within 60 days following the anniversary date of the employee's layoff and include a current address and phone number of the employee on layoff. If no notice is received the employee's name will be removed from the recall list and the employee will no longer be eligible for reinstatement. After ten years from the date of layoff the laid-off employee's eligibility for reinstatement shall expire.

It is the responsibility of the employee on lay-off to keep a current address and phone number on file in Human Resources any time such contact information changes. Inability to contact the employee caused by the employee's failure to update their address or phone number will result in the employee losing their eligibility for reinstatement.

6.3 On March 1, the Human Resources Department shall establish a seniority list showing the continuous service of each employee by classification and with the date within the bargaining unit. Copies shall be sent to the Union representative and posted in each work location.

6.4 Breaks in continuous service. An employee's continuous service record shall be broken by voluntary resignation, discharge for just cause, and retirement.

ARTICLE 6 SENIORITY (Continued)

- 6.5 An employee promoted to a new or higher classification shall have the option of returning to their former classification if such employee fails probation without loss of seniority in the former class.
- 6.6 Supervisory employees of the Public Works Department who are laid off shall be permitted to exercise their seniority rights to bargaining unit classifications previously held. Such employees must have worked in such classifications within the Public Works Department. Bargaining unit seniority established upon such reduction shall be 50% of the total of time worked in the bargaining unit classification.
- 6.7 Should the operations of the Public Works Department be merged with or transferred to another agency of government the employees subject to this contract shall become employees of the new or merged unit and shall retain all rights and the highest conditions provided for by this contract or the new agency provisions. This provision shall be limited to those employed at the time of change.
- 6.8 During the term of this Agreement, the employer shall not contract out or subcontract any public work performed by employees covered by this Agreement which would result in a lay off, loss of bargaining unit positions except by attrition, or the reduction of regular hours or salaries of permanent employees as a result of reclassification.

MEMORANDUM OF AGREEMENT

This Memorandum of Agreement is entered into between International Union of Operating Engineers, Local 49 (hereafter "I.U.O.E. Local 49") and the County of Ramsey (hereafter "County").

WHEREAS, The parties reached an understanding with respect to the equipment classification system in 1993; and

WHEREAS, The job classification for Motor Equipment Operator has since been changed to Highway Maintenance Operator, necessitating an amendment in the previous agreement; and

WHEREAS, the job classification for Highway Maintenance Operator has been incorporated into the classification of Heavy Equipment Operator I, effective 1/1/10.

NOW, THEREFORE, The parties agree as follows:

- 1. For the purpose of determining the rate of pay for the work performed, the County of Ramsey and I.U.O.E. Local 49 have agreed to utilize the following equipment classification system:

HIGHWAY MAINTENANCE LABORER

Employees in this class operate hand tools, power hand tools, motorized hand operated equipment, and motor vehicles less than 10,000 pounds GVWR, including vehicle-trailer combinations.

Employees also operate and/or transport trailer mounted motor equipment (for example, the melter pot, compressor and steam cleaner) with a Labor Crew Leader present.

HEAVY EQUIPMENT OPERATOR I

Employees in this class operate trucks with two or more axles, with weights of 10,000 pounds GVW or more, snowplow truck units with underbody blades and wings, snowplow truck units greater than 26,000 pounds GVW with front mounted plows, and vehicles requiring CDL endorsements (for example, hazardous materials or tanker).

Employees also operate specialized operation equipment (e.g., tractor mowers, asphalt distributor, flush truck, High Ranger, road sweeper, and chip spreader) and rollers and skid steer loaders.

HEAVY EQUIPMENT OPERATOR II

Employees in this class operate vehicles normally considered heavy construction equipment with a basic function other than transportation (for example, backhoes, pavement recyclers, dozers, graders, and pavers).

Central Pension Fund

- A. The Central Pension Fund (CPF) is a supplemental Pension Fund authorized by Minnesota Statute, §356.24, Subdivision 1 (10).
- B. The parties agree that the agreed upon amount that would otherwise be paid in salary or wages will be contributed instead to the CPF as pre-tax employer contributions. Contributions from the County will not be funded from any source other than this wage reduction.
- C. The Employer shall pay this contribution directly to the I.U.O.E. Central Pension Fund at 4115 Chesapeake Street NW, Washington, D.C. 20016.
- D. The parties in the course of negotiations agreed that the County's only role in this CPF is to pay the contribution directly to the CPF. The County has not made any representations on the tax effects of such contributions to its covered employees or otherwise provided any advice or counsel on the effects of such a plan or its advisability.
- E. A contribution of \$2.40 per straight time hour worked prevents any employee's annual CPF contributions from exceeding \$5,000.00 in a year and therefore complies with limitations set forth under Minnesota Statute § 356.24, Subd, 1 (10) as amended.
- F. The Union agrees to indemnify and hold the County, its officers, agents, representatives and employees harmless against any liabilities, claims, suits, orders or judgment, brought against the County, officer, agent, representative or employee as a result of any actions taken or not taken by the County pursuant to the Memorandum of Agreement. The "hold harmless" clause does not hold the County harmless for failing to transfer the agreed contributions to the CPF.
- G. The parties agree that the Public Employees Retirement Association interprets employer contributions to the CPF as being included in determining "salary" for the purposes of the public pension.
- H. The CPF Plan of Benefits and the Agreement and Declaration of Trust will serve as the governing documents.
- I. Effective 4-4-09 the contribution rate equals \$1.00 per straight time hour worked.
- J. The parties agree that effective January 1, 2012 no increase to the CPF contribution rate will be implemented.
- K. Members, by majority vote, may change the contribution rate at anytime during the life of this agreement. The Union and the employer will work together to implement member approved changes as soon as is practicable.

VACATION ADVANCE**

This Memorandum is entered into between the County of Ramsey and the International Union of Operating Engineers, Local 49.

WHEREAS, The parties have entered into a Collective Bargaining Agreement effective 1/1/15; and
