Probationary employees may be dismissed without recourse to the grievance and arbitration provisions of this Agreement during the probationary period. The six (6) month probationary period may be extended for one additional three (3) month period at

the written request of the department head provided the employee and the Union agree in writing to such extension .

- C. All permanent, full-time employees employed in a title specified in Appendix I shall receive all benefits of this Agreement. All permanent, part-time employees employed in a title specified in Appendix I shall receive the benefits of Articles 5, 10, 11 and 12 as specified.
- D. When the Town intends to create a new position or a new classification and there is a reasonable basis for believing that the Union may wish to review whether such position or classification belongs in the bargaining unit, the Town shall notify the Union of the proposed new position or classification. Upon request of the Union, the Town shall meet with the Union to discuss whether it belongs in the bargaining unit. The positions or classifications covered by this provision are those that meet the following criteria:
 - 1) The work is at the professional, supervisory or managerial level;

- B. Neither the Town nor the Union shall unlawfully discriminate against any employee because of such employee's race, color, religion, sex, national origin, or age, or because s/he is handicapped or disabled; provided this provision shall not prohibit different treatment of employees based on legitimate factors requiring different treatment.
- C. The use of the masculine or feminine gender in this Agreement shall be construed as including both genders and not a sex limitation unless the Agreement clearly requires a different construction.

3. MANAGEMENT RIGHTS

- A. The Town shall have all management rights not specifically restricted by this Agreement; and the Town shall administer this Agreement and exercise its rights so as to be fair and impartial to all employees and so that the dignity of the individual shall at all times be protected.
- B. The Town shall have the sole and unquestioned right, responsibility, and

prerogative of management of the affairs of the Town and direction of the working forces, including, but not limited to, the following:

- (1) To determine the care, maintenance, and operation of equipment and property used for and on behalf of the purposes of the Town.

- C. The above rights, responsibilities and prerogatives are inherent to the Town by virtue of statutory and charter provisions and are not subject to delegation in whole or in part.

4. NOTICE

- A. The Town shall give each present employee in the bargaining unit, and each such new employee when hired, a copy of this Agreement. The Town shall make available copies of any other relevant documents for inspection.
- B. Employees shall have the right, to be exercised reasonably, to review any material in their personnel files. Employees shall be notified of any material placed in or removed from their personnel files at the time such action is taken. If the Town shall fail to provide the notification herein required, such material shall not be used in any disciplinary, grievance, or arbitration proceeding involving the employee.
- C. The Union shall have the right to post notices and other communications on a bulletin board provided by the Town in a reasonable location subject to the approval of the contents by the Town, which approval shall not be unreasonably withheld. Officers and agents of the Union shall have the right of visitation of the Town's facilities for the purpose of adjusting grievances and administering the terms of this Agreement, as long as the visitation does not interfere unreasonably with Town business.

1. Employees, except for employees covered by paragraphs B and C of this Article 5 shall be paid in accordance with the salary schedules annexed hereto as Appendix II.

2. The Town may, without further negotiations with the Union, offer hiring bonuses as a hiring incentive. One-half of the hiring bonus shall be paid within thirty (30) days of hire and one-half shall be paid within thirty (30) days of the employee completing his/her probationary period.

C. Assistant Town Attorneys

Employees in Assistant Town Attorney classifications shall be paid in accordance with the salary schedules annexed hereto as Appendix IV.

D. On July 1 of each year, employees covered by paragraphs A and C of this Article who are not at the maximum step of their salary grade and have completed six (6) months of work from the date of hire, shall be advanced a step as provided on the applicable Salary Schedule Appendix annexed to this Agreement. Employees covered by paragraph B of this Article who are not at the maximum step of their salary grade shall be advanced a step as provided on the applicable Salary Schedule Appendix annexed to this Agreement. An employee shall not be eligible to advance to the succeeding step if the employee has received a job related formal written notice of discipline, that includes a penalty of a suspension, within the twelve-month period preceding the effective date of the step increase. In such event the employee shall next be eligible to advance to the succeeding step the following July 1. An employee may grieve the withholding of an increment directly to Step II of the grievance procedure.

E. LIUNA recognizes the Town's managerial right to establish new positions and to reclassify existing positions subject to the duty to negotiate as to the salary grade placement. In order to provide for an effective method to satisfy this requirement, the parties have agreed to the procedure as set forth in Appendix VII annexed to this Agreement for newly created positions and reclassified positions to the bargaining unit.

F. Permanent, part-time employees shall be paid a prorated salary based upon the appropriate rate per year specified in applicable Salary Schedule Appendix annexed to this Agreement.

6. COLLECTIVE BARGAINING

- A. All collective bargaining with respect to hours, wages and other conditions of employment shall be conducted by authorized representatives of the Union and the Town.
- B. The members of the Union Negotiating Committee, but no more than six (6) persons, shall be granted time off from duty with full pay for all meetings with the Town for the purpose of negotiating the terms of an agreement when such meetings take place at a time during which such members are scheduled to be on duty, as long as the time off does not interfere unreasonably with Town business in which case the meeting shall be promptly rescheduled.
- C. The members of the Union Grievance Committee, but not more than three (3) persons (together with not more than five (5) other employees directly associated with the grievance, which five shall be entitled to take not more than one and one-half (1 1/2) hours per month non-cumulative under this section) shall be granted leave from duty with full pay for all reasonably necessary meetings concerning the processing of grievances with the Town when such meetings are held at a time when such members are scheduled to be on duty, as long as the time off does not interfere unreasonably with Town business in which case the meeting shall be promptly rescheduled.
- D. Each member of the bargaining unit who is a director of the Greenwich Municipal Employees Credit Union shall be granted leave from duty with full pay up to five (5) hours per month non-cumulative, for all necessary directors' meetings of the Credit Union when such meetings take place at a time during which such members are scheduled to be on duty; provided, however, that the aggregate number of directors so granted such leave (whether from the bargaining unit or otherwise) shall not exceed a total of twenty (20) hours per month.
- E. Designated Union representatives or officials shall be granted a total of twenty-five (25) paid working days per year on an accumulative basis to attend Union conferences, conventions and meetings. The Union will provide the Town with reasonable advance notice of such leave.

7. INDIVIDUAL GROUP PROVISIONS

The terms and conditions of this Agreement shall be applicable to employees assigned to the Greenwich Library and the Perrot Library except as expressly modified in Appendix V and to employees assigned to Nathaniel Witherell except as expressly modified in Appendix IX.

8. HOURS AND WORK WEEK

- A. For each regular full-time employee, the standard workweek shall be thirty-five (35) hours, generally Monday through Friday, and the standard workday shall be seven (7) hours, except as otherwise provided in Appendices V (Library) and IX (Nathaniel Witherell), or as required for the fulfillment of job responsibilities. The Town and Local 136 recognize that an employee may be required to work hours beyond the standard workday or workweek to fulfill his or her managerial and/or professional job responsibilities. However in no event may a nonexempt employee work in excess of his or her standard workday or workweek without express prior authorization from the department head. A department head may modify the schedule of an employee for attendance at evening meetings, evening office hours and other routine business matters to remain within the standard workday or workweek of the employee. Routine Town Hall evening office hours shall be limited to one evening per week. Employees shall be afforded an opportunity for a minimum of eight (8) hours of rest prior to reporting to work.
- B. Except as otherwise provided in Appendices V (Library) and IX (Nathaniel Witherell) , a nonexempt employee shall be compensated for work performed in excess of his or her standard workweek as follows: for hours worked in excess of 35 up to 40 hours at the straight time rate of pay and for hours in excess of 40 hours at the time and one half rate of pay. For purposes of calculating overtime at the time and one half rate of pay (hours worked over 40) preapproved paid vacation and preapproved personal leave shall be considered as time worked. All other paid or unpaid absences shall be considered as time not worked.
- C.
 - 1) An exempt employee shall be required to work reasonable hours in excess of the standard workday and/or workweek necessary to fulfill his or her managerial and/or professional job responsibilities without additional compensation.
 - 2) Notwithstanding paragraph 1 above, an exempt employee who is expressly directed by his or her department head to work on a regularly scheduled day off after completing a minimum of thirty-five hours of work in that workweek or on a Town holiday set forth in Article 10 shall be compensated for time worked on such day at the straight time rate. A department head may request in advance that the Director of Human Resources authorize that compensation be paid to an exempt employee at the straight time rate for time worked during the standard workweek in excess of that contemplated in paragraph 1 in a circumstance when one or more of the following conditions apply:
 - a. The department is experiencing an unusually large volume of work due to circumstances that are unforeseen and therefore could not be reasonably planned for by the department head.
 - b. Modifying the exempt employee's schedule as permitted pursuant to paragraph A of this Article is not an option due to the large volume of work or the work cannot be rescheduled or otherwise delayed.

An exempt employee, with the prior approval of the department head, may request to receive compensatory time at the straight time rate in lieu of payment as compensation authorized pursuant to this paragraph.

- D. Except as otherwise provided in Appendix XV for certain employees assigned to the Department of Parks and Recreation, compensatory time must be taken within one hundred and twenty (120) days of being earned at times mutually agreed upon by the employee and the Department Head. Permission to take compensatory time will not be unreasonably withheld.
- E. In the event of an emergency operation, employees in the classifications listed below who are required by their department head to participate in the emergency operation shall be compensated as follows: for work performed outside of the normal workday but during the regular workweek the straight time rate of pay for the first five (5) hours worked and the time and one-half rate of pay for each hour worked in excess of five (5) hours; for work performed on a scheduled day off, the time and one-half rate of pay for each hour worked; and for work performed on a Town holiday as set forth in Article 10 of this Agreement the double time rate of pay for each hour worked.

Employees in the following classifications are eligible for emergency operations compensation as set forth in this paragraph "E": Chief Engineer, Highway Superintendent, Superintendent of Parks and Trees, Superintendent of Marine and Facility Operations, Superintendent of Building, Construction and Maintenance, Supervisor of Building Operations (BOE), Building Construction and Maintenance Supervisor (BOE), Highway Operations Manager, Highway Asset Engineer, Parks Operations Manager, Tree Operations Manager, Operations Manager – MFO, Maintenance Manager – Sewer, Superintendent of Waste Disposal, Highway Planning and Program Manager, Process Control Manager, Director of Environmental Services, Director of Family Health, Director of Special Clinical Health, Laboratory Director, Business Office Manager, Environmental Health Services Manager, Bacteriologist and Laboratory Technician.

For the purposes of this paragraph "E", emergency operations is defined as operations necessitated by the effects of adverse weather conditions, including but not limited to: snow and ice storms, windstorms, and heavy rainstorm resulting in flooding.

- F. Information Technology Classifications - On-Call and Remote Connection Assignments
 - 1) An employee employed in an information technology classification assigned to the Greenwich Library or Town's Information Technology Department and who is assigned to be on-call shall be paid twenty-five dollars (\$25.00) for each day assigned on-call. In the event the employee who is on-call is required to report to work from on-call, s/he shall be paid a minimum of three (3) hours pay at time and one half for a nonexempt employee and at the straight time rate for an exempt employee. If such employee works in excess of three (3) hours, the employee shall be paid overtime for all hours worked at time and one half for a nonexempt employee and at the straight time rate for an exempt employee.
 - 2) A nonexempt employee employed in an information technology classification assigned to the Greenwich Library or the Town's Information Technology Department who is

required to perform his or her job duties by remote connection into the Town's information system during off duty hours and the performance of such job duties is in excess of fifteen (15) minutes shall be compensated pursuant to the overtime provisions of Article 8 (B) of the agreement.

3) A nonexempt employee employed in an information technology classification assigned to the Town's Information Technology Department when required to perform scheduled system maintenance on a Saturday and/or Sunday either by remote connection or by requiring the employee to report to work. In instances when a nonexempt employee performs system maintenance by remote connection s/he shall be compensated as provided in paragraph B above. In instances when a nonexempt employee is required to report to work s/he shall be compensated pursuant to the overtime provisions of Article 8 (B) of the agreement. In instances when an exempt employee is required to report to work s/he shall be compensated pursuant to the provisions of Article 8 (C) of the agreement.

- G. Department Heads may promulgate rules and procedures governing the authorization of work beyond the standard workweek, flexible scheduling and use of compensatory time consistent with the terms of this agreement. In no event may an employee work in excess of his or her regularly scheduled workweek without express authorization from their supervisor.
- H. Due to the varied responsibilities of Town agencies and departments during weather or other emergency situations, certain employees may be required to work as scheduled and others may be required not to report to work. Accordingly there is no expectation that employees will have their terms and conditions of employment administered on a uniform basis during such emergencies. There is also no expectation that appointing authorities will make uniform decisions as to the status of their agency or department during weather or other emergency situation. Generally employees who are directed not to report to work will not be required to use paid leave time and employees who are directed to report to work will be paid pursuant to the terms of the collective bargaining agreement. Employees employed by the Board of Education will continue to follow established practices when school is closed due to weather related or other emergency conditions. Employees employed at Nathaniel Witherell shall continue to follow established practices during weather or other emergency conditions in order to provide care on a continued twenty-four hour weekly basis. Employees employed at the Greenwich and Perrot Libraries shall continue to follow established practices.

9. TEMPORARY ASSIGNMENTS

Any employee who, at the direction of the Town, is required to spend a majority of his/her working time for a day performing a responsibility of a classification in a higher pay grade shall be paid at the higher grade for the day. The employee's rate of pay for the work in the higher grade shall be the minimum of the higher grade or ten percent (10%) over his/her current rate whichever is higher, not to exceed the maximum rate for the classification in the higher pay grade. This provision shall not apply if the cause of such assignment is another employee's absence due to vacation, absence for up to five (5) days of sick leave, or for Union business. This provision does not apply to nurses who are covered by the Individual Group Provisions of Appendix IX. The Town shall provide notice to the Union of the bargaining unit employees who

are performing the responsibility of a classification in a higher pay grade when such temporary assignment exceeds one complete payroll period.

10. HOLIDAYS

- A. Except as otherwise provided in Appendix IX, each employee shall receive the following twelve (12) paid holidays:

New Year's Day	Labor Day
Martin Luther King's Birthday	Columbus Day
President's Day	Veteran's Day
Good Friday	Thanksgiving Day
Memorial Day	Day after Thanksgiving
July 4th	Christmas Day

- B. At the option of the Town, and upon not less than thirty (30) days notice to the Union, either or both of the days on which Columbus Day and Veteran's Day are celebrated may be changed to another day or days. The Greenwich Board of Education, Resource Recovery Facility at Holly Hill and/or the Griffith E. Harris Golf Course may establish alternate holidays or provide floating holidays as an alternative to the holidays the following holidays: Good Friday, Columbus Day, Veteran's Day and the Day after Thanksgiving provided that the total number of annual paid holidays is equal to the number of holidays set forth in paragraph A.
- C. When a holiday falls on a regular day off, for employees scheduled to work a five (5) day operation, the holiday shall be celebrated on a regular workday to be scheduled by the department head, and for employees scheduled to work a seven (7) day operation, the holiday shall be celebrated on a regular work day to be selected by the employee with the approval of the department head and the workday selected need not be uniform.
- D. Permanent, part-time employees shall be entitled to the holidays specified in this Article and shall receive as holiday pay an amount prorated on the basis of the part of the standard work week which they are scheduled to work.
- E. An employee who is directed to report to work on a holiday specified in paragraph A of this Article or an alternate holiday as provided in paragraph B shall be paid, in addition to the day's pay for the holiday, the hourly straight time rate of pay each for each hour worked on the holiday. In order to qualify for compensation for working on a holiday, the employee must be directed in writing by his or her department head to report to work on the holiday to include the maximum number of hours the employee is authorized to work. An employee who is covered by the terms of Article 8 (E), shall, during an emergency operation, be compensated pursuant to the terms of such Article 8 (E) in lieu of this paragraph "E".

11. SICK LEAVE

- A.
 - 1. An employee shall earn sick leave at the rate of one (1) day per month for each year of continuous service through completion of the ninth (9th) year of service and two (2) days per month for each year of service commencing with the beginning of the tenth (10th) year of service except for employees hired on or after July 1, 2011 who shall earn one and one-half (1 ½) days per month commencing with the beginning of the tenth (10th) year of service. Sick leave may be accumulated to a maximum of one hundred and eighty (180) days.
 - 2. An employee who has accumulated 180 sick days as of June 30 and did not use all his/her earned sick leave during that fiscal year, will receive one (1) extra paid vacation day (1/2 or full day) in the following fiscal year for each four (4) unused sick days earned during that fiscal year above the 180 days.
 - 3. Part-time employees, except employees assigned to Nathaniel Witherell, shall earn six (6) pro rated sick days per year.
- B. At the time of retirement under the provisions of this Agreement, an employee shall be paid at the rate of his/her last position with the Town for fifty percent (50%) of his/her accumulated sick leave, provided that in no instance shall s/he be paid for more than ninety (90) days sick leave. For the purposes of this section, "retirement" shall be defined in accordance with the Retirement System of the Town. Employees hired on or after September 23, 1997 shall not be entitled to the benefits provided by this paragraph. Such employees shall not receive any payment for unused accumulated sick leave at retirement.
- C. An employee with accrued sick leave credit, except as otherwise provided in section E below, shall be allowed to utilize such sick leave for the following purposes:
 - 1. An employee who has contracted or incurred and is suffering from any non-service connected sickness or disability, including that resulting from pregnancy, which renders him/her unable to perform the duties of his/her position, shall be eligible to receive paid sick leave to the extent s/he have accrued sick leave credit.

It is the responsibility of the employee requesting sick leave to notify or cause notification to be made to his or her supervisor in advance of the start of the workday. Sick leave notification must be made for each workday that sick leave is requested except if waived by the supervisor, except in the case of an emergency.

- 2. An employee shall be eligible to receive paid sick leave when there is an illness or disability involving a member of his/her immediate family, which requires the employee's personal care and attendance, provided that requiring the employee to report to work would cause a serious hardship on the member of the immediate family suffering from the illness or disability or the member of the immediate family is a child.

For purposes of this section, immediate family is defined as spouse, child, stepchild, parent, stepparent, grandparent, brother, sister, grandchild, parent-in-law, or any other

relation domiciled with the employee as a member of the employee's family or one who is listed as a dependent on the employee's most recent income tax return.

- D. Accumulated sick leave will remain to the credit of an employee for a period of twelve (12) months after leaving the service of the Town, and will be reinstated if s/he returns to service within that period of time, except in the case of job elimination as defined in Article 23 C, in which case it shall be twenty-four (24) months.
- E. In the event that an employee is entitled to sick leave pursuant to section C of this Article, but does not have earned sick leave available, the employee may borrow from his/her accrued, unused vacation leave as of the time sick leave is taken. The vacation leave so used may subsequently be repaid by subsequent sick leave earned at the applicable rate.
- F. An employee taking sick leave shall inform his/her immediate superior, including the reason thereof, and failure to do so within a reasonable time will be cause for denial of sick leave with pay for the period of absence.
- G. If the Town has reasonable grounds to believe sick leave is being abused, the Town may, at its discretion, require an employee requesting sick leave, or leave without pay when sick leave is exhausted, to furnish a statement from his/her attending physician certifying that absence from work was necessary due to the employee contracting a non-service connected illness or disability which renders him/her unable to perform the duties of his/her position. The Town shall have the right to verify the authenticity of the physician statement, have the physician provide an expected return to work date and have the physician specify any restrictions on the employee's employment duties due a medical condition. An employee may be disciplined for sick leave abuse or for failure to adhere to the requirements of this section.

12. VACATION

- A. The Town shall grant vacation leave with pay to all full-time employees after employment for at least six (6) months. No vacation leave shall be granted during the first six (6) months of service. If an employee leaves the service of the Town, s/he or his/her estate shall be compensated at this regular rate for any portion of unused vacation leave to his/her credit at the time of separation. Credit for unused vacation leave shall be computed on a monthly basis at one and two-thirds (1.667) days per month, only for the purposes of this section A and for the purpose of computing the pro-rata vacation for the first (1st) year.
- B. Annual vacations with pay shall be as follows: (1) upon the request of an employee for a prorated vacation after six (6) and before eleven (11) months of a continuous employment, one and two-thirds (1.667) days times the number of months worked to the commencement of the vacation; (2) twenty (20) working days after eleven (11) and before twenty-four (24) months of continuous employment unless a prorated vacation has been taken in which case only the balance of twenty (20) days remaining shall be allowed; and (3) commencement of third (3rd) year of continuous employment and thereafter, twenty (20) working days.

- C. In computing vacation leave, no municipal holidays granted under Article 10 shall be counted.
- D. The department head shall schedule the vacation period in accordance with the requirements of his/her department and the desires of the employees. In the case of a conflict as to scheduling, seniority shall govern the right of preference. The department head shall reschedule vacation periods only by mutual agreement with the employee, except in a bona fide emergency, in which event either party may obtain rescheduling.
- E. If an employee agrees to waive his/her rights to vacation during a particular year at the request of the department head, the department head shall permit such employee to take part or all of the earned vacation leave during the following year without regard to any limitations regarding carryover of vacation days, vacation days to be taken at a consecutive interval, or total vacation days to be taken during any year. Any such permission shall be in writing and given to the Director of Human Resources and the employee at the time the determination to request the work is made. Employees shall also be entitled to carry forward unused vacation leave from one year to the next, but in no event may an employee carry forward more than twenty-five (25) working days of unused vacation leave. An employee shall not be entitled to take more than thirty-five (35) days during any year. Vacation days not used during any current year and not entitled to be carried forward to the next year shall be lost only at the end of the current year, and anticipated loss under this provision shall not entitle an employee to any special consideration in the scheduling of his/her vacation leave.
- F. After twenty-four (24) months of continuous employment, an employee shall be entitled to anticipate earning and take his/her full vacation at any time during each year. The employee shall be paid at termination or retirement, in addition to any accrued unused vacation the employee had approval to carryover from the prior fiscal year, for accrued unused vacation that is earned at the rate of 1.667 days per month for each month worked in the fiscal year in which the employee terminates or retires. However, in the event the employee takes anticipated vacation that becomes excess over what the employee actually earned in the final fiscal year of employment, the employee shall have deducted from his or her final paycheck the value of the excess vacation taken but not earned.
- G. Permanent part-time employees shall be granted ten (10) working days of vacation with pay after completion of one (1) year of continuous service with the Town. The pay for such days shall be an amount prorated on the basis of that part of the standard work week which they are regularly scheduled to work.

13. PERSONAL LEAVE

Employees shall be entitled to one (1) day of personal leave each year except as otherwise provided in Appendix IX. Employees shall request of the Department Head the use of this day in advance. Such approval shall not be unreasonably denied.

14. INSURANCE

- A. The Town retains the sole and exclusive right to select and/or change the medical plan administrators. In the event the Town changes medical plan administrators and if there is a disagreement on the level of benefits, coverage or services provided with the new medical administrator(s), the Union may grieve such disagreement pursuant to Article 21 of the Agreement, except that the size and scope of the in-network providers shall not be arbitrable.

- A. An employee's seniority shall commence on the date s/he is first hired by the Town and shall be based on continuous service with the Town.

- B. Seniority shall govern in layoffs and rehiring within a title. In the event any employee is laid-off, s/he may exercise their seniority to bump into an equal or lower rated position within the department provided s/he has the ability to perform the duties of the position and provided their seniority is greater than any incumbent. Excluded from the foregoing shall be those employees in Group A. Group A employees may only bump into a lower rated position within the department provided s/he has the ability to perform the duties of the positions and provided their seniority is greater than any incumbent.
- C. An employee laid off because of elimination of position shall be entitled to return to the employment of the Town in the position or any other similar position for which s/he is the best qualified applicant as soon as such position again becomes available within twenty-four (24) months of the layoff date; provided that such employee exercises this right within one (1) month of the position being available. The only obligation of the Town shall be to give to the Union and to mail to the employee at the last address supplied to the Town, a notice of the availability of the position from which the employee was laid off or similar position in the employee's former department. An employee who declines a proper offer of recall hereunder shall be removed from the layoff list.
- D. Layoff shall be defined, for the purposes of this Article, as a termination of a full-time or permanent part-time employee resulting from the elimination of the employee's position by the Town or being displaced by an employee whose position was eliminated. The Town shall notify LIUNA of any intended layoffs as soon as practicable prior to the notification to any affected employees. An employee subject to layoff, shall receive written notice of such layoff no less than thirty (30) days prior to the effective date of such layoff or pay in lieu thereof.

24. DEDUCTION OF UNION DUES

The Town shall deduct from the bi-weekly wages of the employees regular Union dues for those employees who sign authorizations permitting such action, and an agency fee (not to exceed Union dues) for those employees who have not joined the Union by signing said authorization. The Town shall remit the amount deducted to the Union on a monthly basis along with a list of employees for whom such deductions were made. The agency fee is solely for the purpose of administering and negotiating the labor agreement and any individual paying said fee should have the right to object and the Union shall have the obligation to justify said fee pursuant to the procedures outlined in Appendix VI.

The Union shall indemnify and save the Town harmless against any and all claims, demands, damages, suits, or other forms of liability that may arise out of or by reason of action taken by the Town for the purposes of complying with any of the provisions of this section or in reliance on any certification, notice or authorization furnished under its provisions of this section.

25. SAVINGS CLAUSE

All benefits and obligations not described in this Agreement or in any other documents referred to in this Agreement and which are now enjoyed by or required of the employees are specifically

included in this Agreement by reference just as though each such benefit and obligation was specifically set forth.

26. OUTSIDE ACTIVITIES

Except for partisan political activities, each employee has a right to engage in outside activities of whatever sort of his/her choosing without interference of any kind from the Town so long as the activities are not in a capacity where the employee is representing the Town or so long as the activities do not interfere with the employee's ability to perform the duties of his/her employment with the Town. In the event the employee, while performing their duties for the Town, is required to transact Town business with an individual or entity that such employee is engaged with in such outside activity, the employee shall be required to make a disclosure to their department head of such relationship prior to conducting such Town business. The department head shall determine the appropriateness of the employee in conducting such transaction, and if found to be inappropriate, shall assign another employee to such conduct such transaction.

27. DISCIPLINE OR DISCHARGE AND RESIGNATION

- A. The Town shall not discipline or discharge an employee, except an employee who has less than six months seniority, except for just cause. The Town shall provide any such employee to be disciplined or discharged with a written statement of the just cause. The Town shall send a copy of a notice of discipline and/or discharge to the Union Business Manager.

In the event an employee is laid off due to the elimination of a bargaining unit position, such employee shall be entitled to receive as severance pay, fifty percent (50%) of his/her accumulated sick leave subject to the maximum of ninety (90) days' sick leave and other conditions set forth in Article 11 of this Agreement. Employees hired on or after September 23, 1997 shall not be entitled to benefits provided by this paragraph. Such employees shall not receive any payment for unused accumulated sick leave at retirement.

- B. Recognizing that no political test or qualification has been permitted or given consideration in the past and to insure that none is permitted or given consideration in the future, no political test or qualification is to be permitted or given consideration in the discipline or discharge of an employee or in the addition or elimination of a position.
- C. Each employee shall give at least two (2) weeks written notice of resignation to his/her department head.

28. UNIFORMS

- A. The Town shall pay to any employee who is required to wear a uniform an annual allowance of two hundred ten dollars (\$210). There shall be no pro-ration of the annual allowance for part-time employees.
- B. The Town shall supply at no cost to the employee personal protective clothing and safety equipment as required by Federal and/or State OSHA regulations. All items as provided herein, remain the property of the Town and are only to be used in accordance with

departmental work rules. Upon separation of service, all items must be returned to the Town prior to the issuance of the final paycheck.

29. DURATION

- A. This Agreement, except for those provisions specifically stated to take effect as of another date, shall take effect as of the date on which the Representative Town Meeting approves the resolution with respect to this Agreement, within fifteen (15) days after which the parties shall sign this Agreement. Any provisions of the Agreement which are retroactive, shall be retroactive for employees and retirees, but not for former employees who have been terminated or have resigned prior to the date on which the Agreement was signed by both parties.
- B. This Agreement shall remain in full force and effect to and including June 30, 2016. All matters subject to collective bargaining between the parties have been covered, and this Agreement may not be reopened with respect to any subject matter except as expressly provided herein.

30. DEFINITIONS

The “Union” in this Agreement shall be interpreted to mean the Executive Committee of the Union acting through such officers, agents, or employees as it deems appropriate unless another interpretation is specifically made or unless required by law.

31. SUBSTANCE ABUSE TESTING

The Town’s Drug and Alcohol Free Workplace Section 8.9 of the “Human Resources Policy Manual” dated September, 2012 or as thereafter amended, is made part of this Agreement and shall apply provided the employee is at risk of disciplinary or other adverse action or manifests performance problems. Such Policy shall not apply in the event an employee on a voluntary basis self refers.

32. PERFORMANCE REVIEW

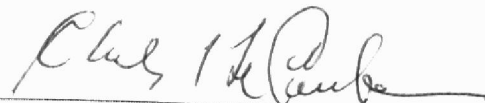

Employees are required to submit to and participate in performance reviews. The Town reserves the right to determine the methodology of the performance review process subject to the following conditions:

- The performance review evaluation form used by the Town shall include a section for the employee to respond to the evaluation.
- The performance review process shall include a meeting between the employee being evaluated and the supervisor performing the evaluation for the purpose of discussing the evaluation.
- Employees shall be given a copy of performance review evaluation forms.
- An unsatisfactory evaluation shall not result in the withholding of a salary increment the employee would otherwise be entitled to receive.

- B. All work performed on Sunday shall be compensated at one and one-half (1 1/2) times the regular rate.

APPENDIX VI

Any person making service fee payments to the Union in lieu of dues under Agency Shop provisions in the Union's Collective Bargaining Agreement, shall have the right to object to the expenditure of his/her portion of any part of an agency shop fee deduction which represents the employee's pro rata share of causes of expenditures by the organization in aid of activities or causes of political or ideological nature only incidentally related to terms and conditions of employment.

Such objection should be made, if at all, by the objector individually notifying the Secretary-Treasurer of his/her objection by registered or certified mail during the period between September 1 and September 15 of each year.

The appropriate portion of service fees spent by the Union for such purposes should be determined annually at the end of the Union's Fiscal year. Rebate of a pro-rated portion, if any, of his/her service fees corresponding to such proportions shall thereafter be made to each individual who has timely filed a notice of objection, as provided above.

If an objector is dissatisfied with the proportional allocation that has been determined on the ground that it assertedly does not accurately reflect the expenditures of the Union in the defined area, an appeal may be taken by such person to the Union Executive Board within 30 days following receipt of notice of the pro-rata share expenditure by the organization in aid of activities or causes of a political or ideological nature only incidentally related to terms and conditions of employment. The Executive Board shall render a decision on such appeal within 30 days following the receipt.

APPENDIX VII

The collective bargaining agreement between the Town and LIUNA provides for a salary schedule to which all bargaining unit positions are allocated to one of seven (7) salary grades. It is recognized that the Town is required, under “MERA” to negotiate with the appropriate bargaining representative as to the allocation to salary grades of newly created positions recognized to the bargaining unit and the re-allocation to salary grades of existing positions recognized to the bargaining unit.

LIUNA recognizes the Town’s managerial right to establish new positions and to reclassify existing positions subject to the aforementioned duty to negotiate as to the salary grade placement.

In order to provide for an effective method to satisfy these requirements, the parties have agreed to follow the procedure as set forth below in determining the proper salary grade allocation for newly created positions and reclassified positions to the bargaining unit.

1. The Department of Human Resources shall, prior to posting, forward a copy of a new or reclassified position job classification to Business Manager of Local 136 that shall include the proposed salary grade placement.
2. The Business Manager shall notify, in writing, the Director of Human Resources within ten (10) business days from receipt of such job classification as to its position as to the proposed salary grade placement.
3. In the event of a disagreement regarding the proposed salary grade placement the following procedure shall be followed in place of the Article 21 grievance procedure. The parties shall meet to discuss the issue of salary grade placement for such position within ten (10) business days from receipt of such notice. The Town agrees not to post for such position until the aforementioned meeting. In the event the salary grade placement is not resolved at this step in the procedure, the Town may post the position and proceed to fill the position
4. Arbitration: Either the Town or the Union may proceed to arbitration as provided herein to resolve a dispute in the salary grade placement of a new position, an existing vacant position or reclassified position. The party requesting arbitration shall notify the other party in writing of its intent to arbitrate within five (5) business days from the date of the meeting held pursuant to paragraph 3 above. The parties may mutually agree to waive the five (5) day requirement. A notice to arbitrate shall be sent by the party seeking arbitration to the appropriate arbitrator with a copy to the other party. The notice to arbitrate shall include the title(s) in dispute. The arbitrator shall contact both parties to arrange for a mutually convenient date for the arbitration hearing. An arbitration hearing shall be scheduled by the arbitrator within twenty (20) business days from the date the notice to arbitrate is received by the arbitrator. The arbitrator shall be selected from the list of arbitrators agreed to by the parties. The arbitration hearing process shall be expedited. All evidence shall be produced at the scheduled arbitration hearing. Post hearing briefs will not be permitted but the parties may submit a post hearing written summation within three (3) business days from the date of

the arbitration hearing. The arbitrator shall render a decision within ten (10) business days of receiving all documents. The authority of the arbitrator is limited to selecting from either the Town's or the Union's last best offer. Neither party shall appeal the decision of the arbitrator to the courts. The decision of the arbitrator shall be final and binding on the parties and effective the first payroll period following receipt of the decision by the Director of Human Resources.

The cost of the arbitration shall be split equally between the Town and the Union.

The arbitrators shall be selected from the list below and shall be selected in the order so listed. In the event the arbitrator is unable to agree to a hearing date within the twenty (20) business day requirement, the parties shall contact the next arbitrator on the list unless the parties mutually agree to extend the time limit to schedule the arbitration hearing.

Arbitrators: 1. Michael Wittenberg

APPENDIX VIII

EMPLOYEE USE OF TOWN OWNED VEHICLES

As a condition of employment, an employee is responsible for commutation to and from his or her work location without any additional compensation from the Town. Due to business necessity, the Town may from time to time provide a Town owned vehicle to an employee to enable the employee to more efficiently perform his or her job responsibilities. At times this may include the ability of the employee to use the Town owned vehicle to commute to and from work from his or her residence.

- A. An employee who is provided the use of a Town owned vehicle on or after the date of this Agreement, shall have no expectation that the use of such vehicle shall become a permanent arrangement, practice or otherwise a contractual obligation on the part of the Town to the employee and that the Town may unilaterally modify or discontinued the arrangement with reasonable written notice provided to the employee. In the event the Town determines to modify or discontinue the employee's use of the Town owned vehicle, the employee shall not be entitled to any compensation for such modification and/or discontinuance and LIUNA expressly waives any right and relieves the Town of any obligation to negotiate the impact of the Town's determination in this regard. The Town shall provide for mileage reimbursement as set forth in Town Policy for use of personal vehicle for town business. In the future, the Town may, from time to time, allow an employee to take home a Town-owned vehicle, in order for that employee to efficiently perform his or her duties.
- B. An employee, who is authorized by the Town to use a Town owned vehicle for commutation, to travel between work locations or for other Town business, shall be required to adhere to the Town's policy No. 414.0 on operating Town vehicles as such policy may be adopted by the Town from time to time.
- C. The Town and LIUNA expressly acknowledge that this is the complete agreement on the subject of the use of Town owned vehicles and that any practice, written or oral understanding, or other agreements of any kind are superseded and replaced by the Terms of this Appendix XIII.

A part time nurse who is scheduled to work 16 hours or more per week is included within the bargaining unit. A part time nurse who is scheduled to work less than 16 hours is not included within the bargaining unit. A part time nurse included within the bargaining unit shall be paid an hourly rate that is 120% of the established rate for their classification.

The Town shall determine the shifts to be worked as provided in this section and number of employees to be assigned to each shift. Each employee shall bid on shifts twice per year, in March for the six-month period April through September and in September for the six-month period October through March. An employee shall be assigned a shift based on the seniority of the employees bidding on the shift. In the event there is no employee bidding on a shift the least senior employee shall be assigned to that shift. Each employee shall include with the shift bid his or her vacation request for that six-month period. Vacations shall be approved based

on the operational and staffing requirements of the department and the seniority of the employee.

All work schedules shall be determined and posted at least two (2) weeks in advance of the workday. Such determination shall also include notice of days off for the holidays to be worked, such days to be selected by the employee with the consent of the department head.

All other paid or unpaid absences shall be considered as time not worked.

Section 11: A differential of one dollar and fifty-five cents (\$1.55) shall be paid as a shift premium for day shifts, for all hours of work performed on weekends. APPENDIX XV
PARKS AND RECREATION WORKWEEK AGREEMENT

The Town and LIUNA acknowledge that the Article 8, paragraph D requirement that employees be required to use earned compensatory within 120 days from the date such compensatory is earned poses a hardship on maintaining and scheduling effective departmental operations for employees assigned to the Department of Parks and Recreation and have agreed to the following as it pertains to such employees.

1. The Town and LIUNA Local 136 agree that compensatory time should only be authorized after all reasonable attempts have been made between the employee and the supervisor to alter the employee's weekly work schedule to remain within the work week as set forth in Article 8 (A) and (C) (1).
2. The supervisor shall authorize the minimal number of employees and hours as is necessary to accomplish the work when scheduling employees after business hours, weekends and on holidays.
3. When required, the supervisor shall authorize compensatory time on an hour for hour basis. An employee may accrue a maximum of one hundred five (105) hours of compensatory time at any point in time.
4. It is the responsibility of the employee to make a request to use accrued compensatory time to remain within the one hundred five (105) hour maximum accrual. Requests shall be made directly to the employee's supervisor.
5. At his discretion, the Director of Parks and Recreation may schedule an employee off on a regular work day with such time to be charged against compensatory time in order to insure that an employee does not exceed the one hundred five (105) hour maximum accrual.
6. Upon separation of service for any reason any accrued compensatory time remaining to the employee shall be forfeited and there shall be no entitlement to payment for such accrued compensatory time.
7. The Director of Parks and Recreation may make an exception to the maximum compensatory time accrual due to unforeseen business necessity; for example, to provide coverage for another employee on long-term leave or due to emergency conditions.
8. Employees whose classifications are included in Article 8, paragraph E (Emergency Operations) shall continue to be covered by the terms of such paragraph.
