The parties hereto agree, in the event of such occurrence, to meet immediately and if necessary to negotiate substitute provisions for such terms and provisions declared or rendered illegal or invalid.

The liability of all signatory employers shall be in good faith to live up to all provisions of this Agreement. All members of the Union shall likewise in good faith live up to all provisions of this Agreement. Acts of any individual employee represented by the Union shall not render the Union liable therefore.

With regard to all “work” performed by the Employer in the counties of New Castle, Kent and Sussex, in the State of Delaware, and in the counties of Cecil, Kent, Queen Anne’s, Caroline, Somerset, Talbot, Dorchester, Worcester and Wicomico in the State of Maryland, the Employer shall be and is hereby bound by all of the terms and conditions of employment contained in the collective bargaining agreement between the Union and the Allied Division, Delaware Contractors Association (“DCA”), receipt of a copy of which is hereby acknowledged, that is effective on the date of this Agreement, as well as any additions, modifications, extensions and renewals thereof between the Union and DCA, as may occur subsequent to the execution of this Agreement. All “work” performed by the Employer in the Pennsylvania Counties of Philadelphia, Montgomery, Delaware, Chester and Bucks shall be performed pursuant to the collective bargaining agreement between the Metropolitan Regional Council of Philadelphia and Vicinity and the General Building Contractors Association (“GBCA”), receipt of a copy of which is hereby acknowledged, that is effective on the date of this Agreement, as well as any additions, modifications, extensions and renewals thereof between the Union and GBCA, as may occur subsequent to the execution of this Agreement. (a) This Agreement shall be binding upon both parties hereunto, as well as upon their respective principles, and upon the respective successors and assigns of said parties and their principles, for the period beginning May 1, 2003 and ending at Midnight of April 30, 2005 without change or modification except as hereinafter specifically provided, and thereafter from year to year, unless either party hereto shall notify the other in writing at least ninety (90) days prior to the expiration of the term, or of any extended term, of this Agreement of an intention to change or amend any of the provisions of this Agreement upon expiration of its term or of any extended term thereof. Such notice shall be served by certified mail post marked not less than ninety (90) days prior to such expiration date.

(b) Should either party give notice to the other as aforesaid, then, within thirty (30) days after the mailing of said notice, representatives of the Association and of the Council shall meet to discuss, negotiate, and agree upon such changes. If no agreement as to such changes is arrived at before the expiration of the term or of any then current extension of the term, of this Agreement, then the whole of this Agreement shall be considered terminated upon the expiration of the term, or of the then current extension of the term of this Agreement, unless extended by mutual agreement in writing of the parties hereto.

(a) Each Employer shall, on or before the tenth day following the end of each payroll week, pay to Mellon Bank, or to such other corporate fiduciary as shall be from time to time mutually agreed upon by the Association and Council (any of which is hereinafter referred to as the “Depository” or “Trustee”), an amount determined by the Joint Apprentice Committee Financial Sub-Committee as specified in this Article for each hour (whether regular time or overtime) for which wages or any type of compensation payable under this Agreement are payable during such calendar month to any employee, as the term employee is defined in Article 5 hereof. Each such hour is hereinafter referred to as an “hour worked.”

The amount of the Employer Contribution required to conduct the operation of the Carpenters Joint Apprenticeship Committee shall be determined unanimously by the Joint Apprentice Committee Financial Sub-Committee.

The Financial Sub-Committee shall be composed of two (2) representatives appointed by the Metropolitan Regional Council and two (2) representatives appointed by the General Building Contractors Association, Inc.

On or before January 1, of each year the Financial Sub-Committee shall determine the cents-per-hour employer contribution required for the expenses of the Apprentice Program.

Should the Sub-Committee agree to increase the contribution to the J.A.C., it shall become effective May 1 of that year.
The collection procedures for the above-noted contributions shall be in accordance with the procedures outlined in Article 7; and for delinquent payments shall include, in addition to the payment of the principal sums due and owing, the payment of ten percent (10%) in liquidated damages, interest calculated in accordance with ERISA, all costs of suit (including reimbursement for Fund administrative time) and attorneys’ fees and costs, regardless of whether suit or other formal proceedings are instituted.

(b) All Employers shall participate in the apprenticeship training program and shall employ apprentices as directed by the Carpenters Joint Apprenticeship Committee of Philadelphia and Vicinity (hereinafter in this Article referred to as the “Committee”). The Committee shall consist of an equal number of members designated from time to time by the Association and by the Council, respectively, and with the right of the Council and of the Association, respectively, to supplant any or all of the members theretofore designated by either of them.

(c) The employment of Apprentices shall be in accordance with the terms and conditions of the Standards of Apprenticeship, heretofore, adopted, and as amended by the aforesaid Committee, and in accordance with the rules and regulations governing apprentices and their tools as set forth and provided therein. A true and correct copy of said Standards of Apprenticeship, marked Schedule “B”, is attached hereto and made part hereof. It is further agreed as follows:

In the event of the inability of the Committee within sixty (60) days after any subject is brought before it (other than a proposal for the conduct of an additional program or programs as mentioned in Section (e) hereof) to obtain a majority vote for or against such subject, the matter shall upon written request of any three members of the Committee designated by the Association or any three members of the Committee designated by the Council, be submitted to an arbitrator selected in the manner provided for in Article 14 of this Agreement.

(d) It is further agreed that:

(i) All apprentices shall attend day school classes as part of their apprentice training, and shall receive an educational grant from the Joint Apprenticeship Committee while attending day school classes supervised by the Committee.

(ii) The Committee shall employ a full-time Director of the Apprenticeship Program.

(e) The Carpenters’ Joint Apprenticeship Committee will, out of the Carpenters’ Joint Apprenticeship Training Fund, pay the costs, incurred or to be incurred, for the following activities and purposes:

(i) Such activities as the Committee is presently conducting, such as, supplying tools and books used by apprentices, paying instructors’ bonuses, the salary of stenographers, printing, office supplies, materials used in special projects, postage, graduation dinner expenses; and items in the nature of the foregoing.

(ii) Salary and expenses of the Director of the apprenticeship program.

(iii) Conducting additional programs which it may from time to time adopt only in the following manner: A proposal for the conduct of such additional program or programs must first be introduced at a regular or special meeting of the Committee, and said Committee shall then fix a day not less than thirty days after such meeting for the purpose of having the Committee meet and act upon said proposal or proposals. At the regular or special meeting of the Committee held on the date so fixed for the purpose, among others, of considering said proposal or proposals, it shall require a majority vote of the members of the Committee in
order to adopt such proposal. In the event of failure to obtain a majority vote or in the event that the vote shall be a tie, the proposal or proposals shall be deemed to be rejected.

(f) It is hereby confirmed that the authority of the Committee includes the authority to amend the Standards of Apprenticeship to include or to adopt a rule or regulation, which when adopted shall be binding upon the Employer. Any Employer required to make contributions as provided for in Section (a) of this Article shall transmit his contributions to the corporate fiduciary selected by the Committee; the security to be furnished under the provisions of Article XIX shall also serve as security to guarantee the payments of said contributions; and the provisions of Article XIX concerning the time for making, and the reporting of payments shall also be applicable to said contributions.

It is understood that where, in accordance with provisions of Article 3 (b) and (c), an extra shift has been established which begins after the day shift, only the extra shift rate need be paid for the first eight (8) hours of work on such shift on a Friday, despite the fact that such eight (8) hours will end after Midnight on Friday; work on such shift after midnight of the day preceding a holiday shall, however, be paid for at twice the extra shift rate.

(c) An employee working on an extra shift shall be paid eight (8) hours’ pay at the extra shift rate, if he works less than eight (8) hours but more than four (4) hours; if the employee works four (4) hours or less, he shall be paid for four (4) hours at double the extra shift rate.

intended to be paid, then the Depository shall dispose of said payment by distributing to each party such portion of the remittance in proportion to the fraction that each such recipient’s hourly remittance bears to the total hourly remittance required by this Agreement.

Paragraph 3. To the extent that an employee has not performed Covered Employment during the reporting period, the Employer shall so advise the Funds of that fact in the time and by the method otherwise provided for the remittance of contributions herein.

Paragraph 4 (A). Except as otherwise specifically provide herein, payments not received by the 10th day following the payroll week which the Report covers shall be considered “delinquent” for purposes of this Agreement.

(B) If the Trustees of the respective Funds, in their sole discretion, determine that an Employer has a satisfactory record of timely payments, the Trustees may notify such Employer in writing that his payments into the respective Funds will be required by the 15th day following the end of each calendar month, which shall be the “Due Date.”

Paragraph 5. Payments received by the Fund or Council later than ten (10) days after the due date shall incur and shall include a liquidated damages charge equal to ten percent (10%) of the gross amount due each Fund or Council if submitted after the due date.

Paragraph 6. In addition to the liquidated damages charge provided for above, the alleged failure of the Employer to make payments when due or payments received later than ten (10) days after the due date shall subject the Employer to one or more of the following actions:

(A) As otherwise described in Article 14, the Council shall have the right to withhold employees covered by this Agreement until all sums due (including liquidated damages) are paid. If such action shall, in the discretion of the Council, prove necessary or desirable, the employees whose labor is thus withheld, shall be paid their wages and fringe benefits for all time lost pending payments by the Employer as provided in Article 14.

(B) The appropriate Funds and/or Council may institute formal collection proceedings that may include but are not limited to the institution of legal action against the Employer, to secure, and if necessary, to compel payment of the monies described herein. In the event that an Employer is delinquent in the payment of contributions, the Employer shall pay (in addition to the principal sums due and the ten percent (10%) liquidated damages) interest calculated in accordance with ERISA, all costs of suit (including reimbursement for Fund administrative time) and attorneys’ fees and costs, regardless of whether suit or other formal proceedings are instituted.

(C) The appropriate Funds and/or Council shall notify the Bonding Company after the Due date of the delinquency and institute suit on the bond.

Paragraph 7. The Employer shall, simultaneous with the remittance of monies described herein, transmit to said Depository, a report containing (1) the names and Social Security numbers of the persons to whom this Agreement is applicable, who have been in the employ of the Employer during such payroll week; (2) the number of hours during said payroll week for which wages or any type of compensation are payable under this Agreement; and (3) such other payroll information as the Boards of Administration of the Funds herein provided for may reasonably require for the proper administration of said Funds.
Paragraph 8. Surety Bonds.

(A) The Payments to be made and, where appropriate, monies to be withheld, as provided in Article 5 (Joint Apprentice Committee), Article 16, Section 1 and Section 2 (Health and Welfare Fund – Industry Advancement Program), Article 17, Section 1 and Section 2 (Pension and Annuity Fund), Article 18 (Work Dues and Jobs Recovery Dues Checkoffs), Article 22 (Political Action Committee), Article 25 (National Apprenticeship and Health and Safety Fund), and Article 26 (Carpenters Savings Fund) of this Agreement shall be guaranteed and secured in the following manner:

(i) Each Employer to whom this Agreement is applicable, and every other employer who is a party to another collective bargaining agreement with the Council covering the same work and jurisdiction as specified in Article 10 of this Agreement, shall furnish at his own cost and expense a bond, with a recognized and responsible corporate surety, in the face amount of $40,000.00 guaranteeing such payments or, in the alternative, shall furnish his own bond in the sum of $40,000.00 guaranteeing such payments and shall deposit with the Trustee as collateral security for the faithful performance of his said bond Forty Thousand Dollars ($40,000.00) in cash or in securities acceptable to the Trustee.

(ii) The Council agrees that it may include in any collective bargaining contract with an Employer for whom the Association does not act as the collective bargaining representative, if said contract covers the same work and jurisdiction as covered in Article 10 of this Agreement, provisions requiring such Employer to make the same payments to the Depository as are required by subsection (A) of this Paragraph 8, and to guarantee or secure the faithful making of such payment by the deposit of Forty Thousand Dollars ($40,000.00) in cash with the Trustee or by the Bond of a recognized and responsible corporate surety. In the event that any such Employer shall furnish the Bond of a corporate surety, the Association shall, out of the funds of said Industry Advancement Program, pay the premium for such Bond, provided such premium is in a reasonable amount; if such premium shall be in an amount greater than usually charged for such Bond, such Employer shall, himself, pay the difference between Two Hundred Fifty Dollars ($250.00) and the amount of said premium and the Association shall pay, out of the funds of the Industry Advancement Program, Two Hundred Fifty Dollars ($250.00) of said premium.

(B) Every Employer and every other employer who is a party to another collective bargaining agreement with the Council covering the same work and jurisdiction as specified in Article 2 of this Agreement, in the event such Employer or such other employer is required to give surety as provided in clause (ii) of subsection (A) of this Paragraph 8, shall upon certification to him and to the Council by the Trustee, that such Employer or other employer is in default in the payments required of him by this Paragraph 8, furnish further corporate surety to assure payments required under this Paragraph 8 by such Employer or other employer to an amount of Forty Thousand Dollars ($40,000.00) over and above the amount of such payments in default, or, in the alternative, shall deposit with the Trustee as collateral security for the faithful performance of his own Bond assuring said payments, a further amount in cash or in securities acceptable to the Trustee, sufficient to restore such collateral security to an amount of Forty Thousand Dollars ($40,000.00).

Paragraph 9. Prior to entering into any subcontract for work covered by this Agreement, the Employer will verify with the Fund that the proposed subcontractor has a signed Agreement and has posted the fringe benefit bond required under this Agreement. After the Employer has contacted the Fund, the Fund will inform
the Employer in writing within 72 hours if the proposed subcontractor does not have a fringe benefit bond, and/or an Agreement. The Employer will not enter into a subcontract until the subcontractor has posted a bond and signed an Agreement. The failure of the Employer to comply with this Paragraph 9, will require the Employer to be primarily responsible for all Wages and Fringe Benefits of a sub-contractor who does not have a Bond and/or Agreement with the Council.

The Employer agrees that, upon written notice from the Fund that its subcontractor is delinquent in the payment of fringe benefits on his particular project, the Union, the subcontractor, and the Employer shall meet to resolve said delinquency. In the event that satisfactory arrangements to collect the delinquency are not made, a jointly payable check in the amount of said delinquency shall be issued to the Funds by the Employer. This will not preclude the Union from exercising its rights provided in Article 14.

Paragraph 10. Estimated payments in advance for all payments (except wages) required under this Agreement will be made by the Employer if it has failed to demonstrate in the sole and exclusive judgment of the Council, a current record of timely payments with the Funds.

Paragraph 11. The Employer shall also, upon request of any agent or designee of the Board of Administration, permit such agent during regular business hours to inspect and make copies of any and all records of the Employer pertaining to compensation paid to employees, hours worked by employees, monies withheld from employees for taxes paid on account of employees, and all other records relevant to, and of assistance in determining the Employer’s obligations hereunder to make payments to the Depository have been faithfully performed. If such inspection and/or audit reveals the Employer failed to make such payments in full, the Employer shall be required to pay for the cost of such inspection and/or audit at the rate of One Hundred Dollars ($100.00) per day as well as any additional monies provided for herein.

The Association and the Union do hereby agree to any modification of these straight time wage rates, that is agreed to and documented at a pre-bid or pre-negotiated meeting of the involved parties, in relation to any particular project in the jurisdictional area of this collective bargaining agreement.
