SECTION 2 – RECOGNITION OF EXCLUSIVE REPRESENTATIVE

2.1 Recognition
In accordance with PELRA, the School Board recognizes the Dakota County United Educators as the exclusive representative of teachers as defined herein who are employed by ISD 196, which exclusive representative shall have those rights and duties as prescribed by PELRA, and as described in the provisions of this Agreement.

2.2 Exclusive Representative
The exclusive representative shall represent all of the teachers of ISD 196 as defined in Section 3.2 of this Agreement.

SECTION 3 – DEFINITIONS

3.6 Other Terms
Terms not defined in this Agreement shall have those meanings as defined by PELRA.
SECTION 4 –
ISD 196 RIGHTS

4.1 Inherent Managerial Rights
ISD 196 is not required to meet and negotiate on matters of inherent managerial policy, which include, but are not limited to, such areas of discretion or policy as the functions and programs of the employer, its overall budget, utilization of technology, the organizational structure and selection and direction and number of personnel.

4.2 Management Responsibilities

DCUE also recognizes the right of ISD 196 and its duly designated officials to promulgate rules, regulations, directives and orders insofar as such rules, regulations, directives and orders are not inconsistent with the terms of this Agreement and recognizes that ISD 196, all employees covered by this Agreement, and all provisions of this Agreement are subject to the laws of the State of Minnesota, federal laws, rules and regulations of the MDE, and valid rules, regulations and orders of state and federal governmental agencies. The foregoing enumeration of ISD 196 rights and duties shall not be deemed to exclude other inherent management rights and management functions not expressly reserved herein, and all management rights and management functions not expressly delegated in this Agreement are reserved to ISD 196.

SECTION 5 –
TEACHER AND DCUE RIGHTS

5.1 Right to Views
Nothing contained in this Agreement shall be construed to limit, impair or affect the right of any teacher or his/her representative to the expression or communication of a view, grievance, complaint or opinion on any matter related to the conditions or compensation of public employment or their betterment, so long as the same is not designed to and does not interfere with the full, faithful and proper performance of the duties of employment or circumvent the rights of DCUE; nor shall it be construed to require any teacher to perform labor or services against his/her will.

5.2 Right to Dues Check Off

5.2.1 Authorization: ISD 196 shall deduct from the wages (by payroll deduction) the yearly unified dues of the teacher organization of all teachers who authorize such deduction in writing. Such written authorizations must be submitted to ISD 196 no later than October 1 of each school year. The provision of this service shall not be allowed any teacher organization that has lost its right to dues check off pursuant to PELRA.

5.3.2 **Hold Harmless:** DCUE hereby warrants and covenants that it will defend, indemnify and hold ISD 196 harmless from any and all actions, suits, claims, damages, judgments and executions or other forms of liability, liquidated or unliquidated, which any person may have or claim to have, now or in the future, arising out of or by reason of the deduction of the fair share fee specified by DCUE as provided herein.

5.4 **Use of Facilities**

5.4.1 **School Buildings:** DCUE shall have the right to use school buildings before or after school hours for meetings, scheduling such use with the principal of the school, provided that this shall not interfere with or interrupt school operations. Expenses incident to the meeting shall be borne by DCUE whenever the use of such facilities results in an additional cost to ISD 196.

5.4.2 **Discussion:** Duly authorized representatives of DCUE shall be permitted to discuss matters pertaining to DCUE business with ISD 196 personnel on campus at all reasonable times at the discretion of the principal, provided that this shall not interfere with or interrupt normal operations.

5.6 **Credit Union**

ISD 196 agrees to deduct from teachers' salaries payments to any credit union to which payments are already being made by other employees through ISD 196 payroll deductions, upon receipt of signed authorizations from teachers requesting such service. A teacher may originate or change the amount of the deduction by notifying the credit union. ISD 196 will make the deduction only upon notification from the credit union. A teacher may terminate the deduction at any time during the school year by notifying the credit union. ISD 196 will cancel the deduction by the second week after notification from the credit union. Deductions will remain in effect from one school year to the next until notification is received from the credit union.

5.7 **DCUE Business**

5.7.1 **Release Days:** A maximum of fifty (50) days per school year may be used by DCUE to conduct DCUE business, but shall not be used for negotiation, mediation or arbitration of any kind or anything related thereto. Such days shall be without loss of salary, except that ISD 196 shall deduct the cost of the substitute.

5.7.2 **Written Notification:** Written notification for the use of DCUE leave must be made in writing by the DCUE President to the Superintendent at least three calendar days in advance indicating the following: the teacher designated to be released from duty, the date of release, the reason for
the release, and the location where the teacher may be reached.

5.8 Tax-Sheltered Annuities

5.8.1 Companies: Each company may leaflet building P.O. boxes annually and may include a self-addressed stamped card which shall allow indication of interest or lack of interest by the teacher in the company’s offerings. Representatives of the companies shall do the placing of the materials. Companies may establish meeting times in ISD 196 buildings, but in off duty hours on regular workdays, for voluntary attendance by interested teachers. Meetings must have prior approval of the building principal. A tax shelter company must have at least five (5) participants to become initially eligible. Calculations of allowable maximum contributions, according to IRS regulations, shall be the responsibility of the annuitant and the respective company. In no instance is ISD 196 liable for exceeding maximum allowable contributions as specified in IRS regulations.

5.8.2 Teachers: Those participating in programs that are presently being processed by the Payroll Department may continue in those programs and may make additions and deletions or alter their existing programs according to the deadline in Section 5.8.5. New ISD 196 teachers, who bring programs with them, may continue in those programs and may make additions and deletions or alter their existing programs according to the deadline in Section 5.8.5. Each year teachers are restricted to participation in an annuity program with a maximum of three companies. In order to participate in any plan, teachers must submit complete official applications to the Payroll Department on or before the deadline as specified in Section 5.8.5.

5.8.3 ISD 196: The accounting office shall develop the official application/alteration form that shall be used to notify the Payroll Department of participation. ISD 196 involvement in the annuities program is limited to payroll deduction and remittance of such deductions to the designated company. Service of annuities is the responsibility of the agent and company, and questions about policies, reports, refunds, status and all such matters are to be determined between the participant and the company and not referred to ISD 196 offices.

5.8.4 Payroll Deductions: The minimum annuity contribution that will be accepted for payroll deduction is $10 per pay period. Payroll deductions will be determined on the basis of the pay option chosen by the teacher and will be deducted each pay period in equal installments. Deductions will be continued from one fiscal year to the next unless the teacher indicates a desire to have it ceased by submitting written communication to the Payroll Department according to Section 5.8.5.

5.8.5 Entry, Alteration, Termination Date/Deadlines: An existing annuity may be altered by either ISD 196 or the teacher as of the end of any pay period so that it will not apply to salary subsequently earned by giving at least thirty (30) days written notice of the date of the change or termination. A new teacher may continue or start an annuity by completing the application form. The effective date will be their first pay date following employment on which salary has been earned and on which TSA deductions are made. In the event the application is delayed the 30-day provision will apply. This Section is based on Section 403(b) of the Internal Revenue Codes as amended.

5.9 Appointments
DCUE shall have the sole discretion to appoint its representatives to any ISD 196 Committees established concerning terms and conditions of employment as defined by PELRA (i.e., insurance committee and calendar committee).

5.10 Special Education Guidelines
ISD 196 and DCUE affirm the special education guidelines in Appendix A, established during the negotiations of the 1993-95 Agreement.

SECTION 8 –
LEAVES OF ABSENCE

8.1 Sick Leave

8.1.1 Calculation: All teachers shall earn sick leave based on the number of duty hours up to a maximum of 96 hours for a teacher working 8 hours per day for 185 days. Teachers working less than 8 hours a day and/or less than 185 days will earn sick leave based on the following formula:

\[
\text{Sick leave hours} = \# \text{ of hours on paid status in one school year multiplied by 0.0649}
\]

(A full-time teacher works 1480 hours per school year and earns 96 hours of sick leave. \(96/1480 = 0.0649\) hours of sick leave earned per hour worked.)

The following table will provide clarification of the above formula:

EXAMPLE: Employee A and Employee B both work 888 hours (.6 FTE) and earn 57.6 sick leave hours. Employee A works 4 hours 50 minutes a day. Employee B works 8 hours a day for three days a week. After Employee A uses a sick leave day, 4 hours and 50 minutes (or 4.83 hours) will be taken from her/his accumulated sick leave. After Employee B uses a sick leave day, 8 hours will be taken from her/his accumulated sick leave.

All teachers shall be given a credit of sick leave at the beginning of each school year equal to the amount they are expected to earn during the school year. No teacher shall earn sick leave while on unpaid status.

8.1.2 **Maximum Carryover:** Sick leave hours may accumulate to a maximum credit of 1,232 hours of sick leave per teacher. (1,232 is the combination of 1,136 hours carryover plus 96 hours accumulation for the current year.) The maximum carryover at the beginning of the following school year shall not exceed 1,136 hours.

8.1.3 **Requirements for Accumulation:** A teacher with a Break in Service will not carry over unused accumulated sick leave hours.

For teachers who work less than 1,480 hours per year (less than 1.0 FTE), up to their FTE multiplied by 40 hours per occurrence may be charged to sick leave for absences due to the serious illness of the teacher’s relatives listed above.

C. For teachers who work 1,480 hours per year (or 1.0 FTE), up to 56 hours per occurrence may be charged to sick leave for the serious illness of the teacher's spouse or parent.

For teachers who work less than 1,480 hours per year (less than 1.0 FTE), up to their FTE multiplied by 56 hours per occurrence may be charged to sick leave for the serious illness of the teacher’s spouse or parent.

D. The minimum number of hours for which all teachers may use sick leave in a given day is as follows:
<table>
<thead>
<tr>

<th>Allowable Sick Leave Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>8 hours or more</td>

An Extended Leave is granted by mutual consent of ISD 196 and the teacher. The duration of the leave shall be agreed upon at the time of application, but shall be granted for at least three but no more than five years.

8.10.2 **Requests:** Leave requests are due in the Human Resources Department on or before April 1 of each year. Requests received after April 1 may be considered on an individual basis. Requests shall be subject to ISD 196 approval, whose decision is final and binding.

8.10.3 **Reinstatement:** The teacher has a right to be reinstated to a position for which the teacher is licensed at the beginning of any school year immediately following a year of Extended Leave, if the teacher notifies ISD 196 of his/her intent to return. Notification shall be by certified letter postmarked on or before February 1.

8.10.4 **Employment in Another District:** ISD 196 shall not be obligated to reinstate a teacher who takes a full-time or part-time position as a teacher in another district. This provision shall not apply to a teacher employed as a substitute teacher.

8.10.5 **Benefits:** A teacher on Extended Leave shall be eligible to receive insurance benefits while on leave, if the teacher reimburses ISD 196 for the full amount of the premiums necessary to maintain the coverage. The teacher pays the district all benefit premiums according to a schedule agreed to at the time of the application/granting of the Extended Leave.

8.10.6 **Seniority:** Any teacher who is reinstated to a teaching position in ISD 196 shall retain seniority and continuing contract rights as though the teacher had been teaching in ISD 196 during the period of Extended Leave. The teacher is not reinstated to a specific position or a specific site and the years spent on leave do not determine steps taken on the matrix for the teacher’s salary upon return.

**SECTION 9 – HOURS OF SERVICE AND LENGTH OF SCHOOL YEAR**

9.1 **Teacher Duty Days**

The contract year shall consist of 185 duty days. Teachers shall perform services on those days as determined by ISD 196, including those legal holidays on which ISD 196 is authorized to conduct school, and pursuant to such authority has determined to conduct school.

9.2 **Teacher Basic Day**

The teacher basic day, inclusive of lunch, shall be eight (8) hours.

**Nurse Exception:** The nurse basic day, inclusive of lunch, shall be as follows:

A. Elementary: 7 hours per day
B. Middle School: 7.5 hours per day
C. High School: 8 hours per day
D. Early Childhood and School of Environmental Studies: 6.5 hours per day

9.3 **Building Hours**

The specific hours at any individual building may vary according to the needs of the educational program
of ISD 196. ISD 196 will designate the specific hours for each building.

9.4 Preparation Time

9.4.1 Secondary Teachers: The maximum assignment of subjects for any secondary school teacher shall be five periods in a six-period day or six periods in a seven- or eight-period day. Each teacher shall have one period during the school day for preparation and conferences.

9.4.2 Elementary Teachers: The daily preparation time for an elementary school teacher must be comparable to that provided secondary teachers in ISD 196 within the student contact day. The preparation time may be scheduled at one uninterrupted time period or two uninterrupted time periods during the school day.

9.5 Additional Activities

In addition to the basic school day, teachers shall be required to perform reasonable non-teaching services as prescribed by ISD 196.

9.6 Duty-Free Lunch

Each teacher shall be provided a minimum of twenty-five (25) consecutive minutes of duty-free lunch.

Nurse Exception: Nurses shall be provided the opportunity to have a one-half hour lunch period during the basic work day but shall be compensated at the normal pay rate during said one-half hour period and shall remain “on call” to provide nursing aid during said one-half hour period.

9.7 Part-time/Itinerant Teachers

9.7.1 Lunch Time: Paid lunchtime shall be provided if a teacher starts work before 11:30 a.m. and finishes work after 1:00 p.m.

9.7.2 Preparation Time: The minimum amount of preparation time for a part-time teacher shall be determined as follows:

A. If a part-time teacher is employed over the lunch hour, multiply the total time employed (minutes per day) by .87 and subtract 25 minutes for a duty-free lunch to determine student instructional time.

B. If a part-time teacher is not employed over the lunch hour, multiply the total employment time (minutes per day) by .87 to determine student instructional time.

9.7.3 Travel Time: Teachers shall be given an additional reasonable amount of time to allow for travel between assigned buildings. This time shall not be included in instructional time.

9.8 Extra Compensation for Nurses

Nurse time spent on sports, physicals, conferences, district-wide meetings, staffings, athletic events and all other time spent “on call” for any school function shall be included in computing the nurse’s compensation at the prevailing nurse rate of pay. Nurses scheduled for less than eight hours per day shall be compensated at regular hourly rates when directed to attend after-hours district-wide meetings.

9.9 Variations

By mutual agreement, the building principal and a committee of teachers designated by DCUE in each individual building may vary the provisions of Sections 9.2, 9.4, 9.6, and 9.7 for such building. However, either party may rescind such variance, effective the end of the school year, by notifying the other party in writing of such intent prior to the end of the school year.

9.10 Emergency Closings

In the event of a student day or teacher day lost for any emergency, the teacher shall perform duties on such other day in lieu thereof as ISD 196 shall determine, if the number of student days would fall below 174 as a result of the emergency.

SECTION 10 –
SALARY PAYMENTS AND DEDUCTIONS

10.1 Pay Periods
10.1.1 **Defined:** Teachers will be paid twice per month, with checks distributed on the 5th and 20th of the month. In the event either of these days should fall on a weekend or holiday, payday will be on the preceding workday.

10.1.2 **Options:** Teachers will have two options in regard of payroll checks:

- **A.** 1/19 of their annual salary on each of the first 19 pay dates beginning second pay date in September.
- **B.** 1/24 of their annual salary on each of the 24 pay dates beginning second pay date in September.
- **C.** Same as B above, but a teacher may receive the July and August paychecks on June 20.

Options once made are final for the entire school year.

10.1.3 **Continuation:** Returning teachers shall retain the same option as they had the previous school year unless ISD 196 Human Resources Department is otherwise notified prior to Aug. 31 of the school year. New teachers must notify ISD 196 accounting office of their selected option before Aug. 31 or they will automatically be given option A above. Teachers employed after Aug. 31 have their pay spread over the remaining pay dates, option A only.

10.2 **Co-curricular Pay Periods**

Co-curricular salaries shall be paid according to the following three options:

- **A.** Over the regular salary pay period selected.
- **B.** Lump sum at the end of the season.
- **C.** Over the length of the season at the rate of 6 checks.

10.3 **Deductions**

For purposes of calculating salary deductions teachers shall have their salary reduced by 1/185 for any unpaid absence.

**SECTION 11 – RETIREMENT PAY**

11.1 **Eligibility**

Teachers who retire from active employment following completion of active teaching service (compensated by ISD 196 or its Worker Compensation carrier), equivalent to fifteen (15) or more years in ISD 196, and who retire following either thirty (30) years of teaching or age of fifty-five (55) as of June 30 in the school year during which an application for retirement pay is made, shall be eligible for retirement pay upon submission of a written resignation accepted by ISD 196. Teachers less than full time shall receive retirement pay based on this Section. Retirement pay shall not be granted to any teacher who is discharged or terminated pursuant to M.S. 122A.40.

11.2 **Health Care Savings Plan**

11.2.1 **Twenty-Five Days:** Teachers eligible per Section 11.1 shall receive as retirement pay an amount representing twenty-five (25) days of pay multiplied by the teacher's daily rate of pay.

11.2.2 **Sick Leave Conversion:** Teachers eligible per Section 11.1 shall receive as retirement pay an amount obtained by multiplying fifty (50) percent of the teacher's unused number of sick leave days (sick leave hours divided by eight), but in any event not to exceed seventy (70) days, multiplied by the teacher's daily rate of pay.

11.2.3 **$12,000:** Teachers eligible per Section 11.1 and per Section 7.5 (eligible for district insurance) shall receive $12,000 as retirement pay.

11.2.4 **Plan:** ISD 196 shall deposit the total amount in the teacher's name in the Minnesota State Retirement System (MSRS) Health Care Savings Plan (HCSP).

11.3 **Daily Rate of Pay**
A teacher’s daily rate of pay shall be calculated by taking the salary at the time of retirement as provided in the salary schedule, including longevity, if any, dividing by 185 days, and multiplying by their FTE at time of retirement. The daily rate of pay shall not include co-curricular activities, extended employment or other extra compensation.

11.4 Retiring While on a Job Share (Effective July 1, 2004)
Eligible teachers who retire while on a job share in their last year of teaching shall receive retirement pay per Section 11.2.1 and Section 11.2.2 based on their daily rate of pay as established by Section 11.3. Their FTE at time of retirement shall be assumed to be 0.5 FTE. In addition, they shall receive fifty percent (50%) of the benefit established by Section 11.2.3.

11.5 Payment
Retirement pay shall be paid by ISD 196 in a lump sum and deposited in the MSRS HCSP within thirty (30) days following the effective date of the retirement.

11.6 Beneficiary
If a teacher dies before all or a portion of the retirement pay has been disbursed, that balance due shall be paid and/or made to a named beneficiary or, lacking same, to the deceased’s estate.

11.7 Reduction
The amount of retirement pay for which a teacher or beneficiary is otherwise eligible under this Section shall be reduced by the amount of ISD 196 contributions which have been made to that teacher’s tax-deferred matching contribution plan account pursuant to Section 12. The amount reduced from retirement pay shall include:

11.7.1 Any amount received from the district as tax-deferred matching contributions prior to July 1, 2002 and

11.7.2 The amount that the teacher was eligible to receive from the district as tax-deferred matching contributions on or after July 1, 2002.

In the event that the amount of district contributions to a teacher’s tax-deferred matching contribution plan account exceeds the amount of retirement pay due under this Section, the teacher shall receive no retirement pay.

11.8 Retirement Health Insurance
For teachers who retired under the 1999-2001 Agreement and are receiving, or who qualified to receive, ISD 196 contribution toward retiree health insurance at the time of ratification of this Agreement, ISD 196 shall contribute up to the sum of $182 per month toward the premium for each qualifying retiree for up to eight years or until the age of Medicare eligibility, whichever occurs first.

11.9 Health Care Savings Plan Exemptions

11.9.1 If a retiring teacher believes that he/she should be exempt from the MSRS HCSP, the retiring teacher may apply to the MSRS for an exemption, specifying the reason why he/she should be exempt and providing the needed documentation. The list of qualifying exemptions include, but are not limited to, resident aliens, military and Federal employees vested in Tri-Care, and employees with documented, guaranteed, life-time coverage through their spouse.

11.9.2 Should a retiring teacher be granted a plan exemption by the MSRS, ISD 196 shall contribute an amount equal to the value of the benefit the retiring teacher qualifies for under Section 11 directly into the retiring teacher’s 403(b) account, subject to the limitations listed in Section 11.9.3.

11.9.3 ISD 196’s annual contribution into the retiring teacher’s 403(b) account shall not exceed the IRS contribution limit. If the retiring teacher has any retirement pay remaining after the limit is reached in the year of separation, ISD 196 shall make a contribution up to the IRS maximum into the retiree’s 403(b) account in the following year(s).

11.9.4 Unless subject to limitations under Section 11.9.3, ISD 196 contribution(s) into the retiring teacher’s 403(b) account shall be made according to the timeline established in Section 11.

11.9.5 ISD 196 shall only make contributions to investment vendors that have hold harmless agreements on file with them. For purposes of calculating the maximum deferral limit, ISD 196 shall provide
the retiring teacher with contribution information for the previous twelve (12) months. The retiring teacher shall then submit the calculation of maximum deferral from the vendor.

11.9.6 In no case shall the retiring teacher receive a lower total contribution than that for which he/she would have been eligible had he/she not been granted the plan exemption.

SECTION 12 –
TAX-DEFERRED MATCHING CONTRIBUTION PLAN

12.1 Purpose
An annual (the teacher contract year) ISD 196 contribution shall be payable to a teacher’s tax-deferred matching contribution plan (hereinafter referred to as “Matching Plan”), subject to the following provisions.

12.2 Legal Authority
Such plan shall be approved and subject to applicable provisions of Minnesota Statutes and IRS Code Section 403(b) or IRS Code Section 457, and any amendments thereto.

12.3 Teacher Authorization
ISD 196 contribution is not payable unless the teacher completes an ISD 196 form to authorize a matching salary reduction in the amount that they are eligible to receive in Section 12.7 for the same period.

12.4 Eligibility
Full-time (1.0 FTE) teachers shall be eligible for the full matching ISD 196 contribution as defined in Section 12.7. A teacher contracted for 0.5 FTE or more shall be eligible for a prorated ISD 196 contribution provided the teacher authorizes salary reduction of an equivalent amount paid to the plan for the same period.

12.5 Vendors
ISD 196 contribution and matching teacher contribution will be made to an ISD 196-approved company of the teacher’s choice. It shall be the responsibility of the teacher to make all arrangements required by the vendor to insure that proper payment is made by ISD 196.

12.6 Participation
Participation in the plan shall be voluntary.

12.7 ISD 196 Contribution
The amount of ISD 196 contribution shall be as follows:

12.8 Compliance

In order to monitor compliance with federal and state tax laws concerning the amount of income a teacher may shelter, DCUE and ISD 196 agree that a third party administrator of tax-sheltered annuity programs may be utilized to monitor such compliance and that (1) teachers participating in ISD 196 tax-deferred matching contribution plan or ISD 196 tax-sheltered annuity programs may be required to supply account information as required to monitor such compliance, and (2) only vendors who also agree to cooperate with the third party administrator in maintaining plan compliance will be utilized.

SECTION 13 – UNREQUESTED LEAVE OF ABSENCE

13.1 Purpose

The purpose of this Section is to implement the provisions of M.S. 122A.40, Subd. 10 and shall constitute a plan for placing teachers on unrequested leave due to discontinuance of position, lack of pupils, financial limitations or merger of classes caused by consolidation of districts.

13.2 Definitions

For purpose of this Section, the terms defined shall have the meanings respectively ascribed to them.

13.3 Unrequested Leave Procedure

13.3.1 Probationary Teachers: ISD 196 may place probationary teachers first on unrequested leave in the inverse order of their employment. No teacher who has acquired continuing contract rights shall be placed on unrequested leave of absence while probationary teachers are retained in positions for which the teacher who has acquired continuing contract rights is licensed.

13.3.2 Continuing Contract Teachers: Teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence in fields which they are licensed in the inverse order of seniority. ISD 196 shall not be required to transfer a more senior teacher to a different assignment in order to accommodate the seniority claim of a teacher proposed for unrequested leave of
absence. In the case of equal seniority, the teacher with the lower license file number as required by the MDE shall be deemed senior.

13.3.3 **Reinstatement:** Teachers placed on unrequested leave of absence shall be reinstated to the positions from which they have been given leaves of absence or, if not available, to other available positions in ISD 196 in fields in which they are licensed. Reinstatement shall be in the inverse order of placement on leave of absence. However, an ECFE teacher may only bump and be bumped by an ECFE teacher, and an ABE teacher may only bump and be bumped by an ABE teacher.

13.3.4 **New Teachers:** No appointment of a new teacher shall be made while there is available a teacher on unrequested leave who is properly licensed to fill such vacancy, unless the teacher fails to advise ISD 196 within 30 days of the date of notification that a position is available to him that he may return to employment and that he will assume the duties of the position to which appointed on a future date determined by ISD 196.

13.3.5 **Other Employment:** A teacher placed on unrequested leave of absence may engage in teaching or any other occupation during the period of this leave.

13.3.6 **Teacher Rights:** The unrequested leave of absence shall not impair the continuing contract rights of a teacher or result in a loss of credit for previous year service.

13.3.7 **Length:** The unrequested leave of absence of a teacher who is placed on unrequested leave of absence shall continue for a period of five (5) years, after which the right to reinstatement shall terminate; provided the teacher’s right to reinstatement shall also terminate if the teacher fails to file with ISD 196 by April 1 of any year a written statement requesting reinstatement.

13.3.8 **Unemployment Compensation:** Nothing in this Section shall be construed to impair the rights of teachers placed on unrequested leave of absence to receive unemployment compensation, if otherwise eligible.

13.4 **Review**
For purposes of review of the School Board’s decision placing a teacher on unrequested leave of absence, the provisions of M.S. 122A.40, Subd. 17 shall apply.

**SECTION 14 – TRANSFERS**

14.1 **Purpose**
The purpose of this Section is to establish the procedures to be followed by ISD 196 in making an involuntary transfer of a teacher from one school building to a vacant position in another school building. An involuntary transfer shall not be used as a punitive measure against a teacher.

14.2 **Selection for Transfer**
A teacher may only be involuntarily transferred to a vacant position for which such teacher is both qualified and licensed by the MDE. A teacher shall be deemed to be “qualified” for the purpose of this Section only if such teacher has a major in the subject matter or field of licensure by the MDE and has a currently valid license (other than a limited or provisional license) to teach in such subject matter or field. However, an ECFE teacher may only be involuntarily transferred to another ECFE position, and an ABE teacher may only be involuntarily transferred to another ABE position.

Before making an involuntary transfer from any school building, ISD 196 will seek a volunteer from among those teachers in such building who are licensed for the vacant position. If no satisfactory volunteer is found pursuant to the criteria for selection, as set forth in Section 14.4, the teacher who is qualified and licensed for the vacant position who is lowest on the seniority list shall be transferred.

14.3 **Notice of Transfer**
A teacher subject to an involuntary transfer shall be notified of such transfer as early as possible, and shall be furnished a system-wide list of all vacancies in ISD 196 for which such teacher is qualified and licensed. In order to visit schools where vacancies may exist, the teacher may request one-half day of leave, without deduction from leave allowance, such request to be submitted to in advance and subject to
approval by the Director of Human Resources.

14.4 **Criteria for Voluntary Transfer**
ISD 196 shall make every reasonable effort to grant applications for voluntary transfers to the extent that such applications are consistent with the educational requirements of ISD 196. All continuing contract, internal candidates who apply for a position are guaranteed an interview for any position for which they are qualified. Probationary teachers may apply but are not guaranteed an interview. Teachers applying for an open position have five (5) days from the posting of the opening to submit their intent to transfer. If the transfer request occurs between August 1 and October 15 inclusive, the teacher’s current principal must also agree to the transfer. If more than one (1) eligible teacher applies for a vacant position, selection for transfer shall be based on the following criteria:

A. Contribution that the teacher could make to the students in the new teaching position according to his/her training, experience, and interests.

B. Qualifications of the teacher as compared to those of other candidates for the position to be filled.

C. The reasons why the teacher wants the transfer or reassignment.

D. The recommendations of the principals, department chairpersons or team leaders involved in the transfer.

E. The opportunities for professional growth on the teacher’s part.

F. In the event that all other criteria are essentially similar, the teacher highest on the seniority list shall be preferred.

Each teacher applying for voluntary transfer shall be promptly notified in writing of the disposition of such application. To apply for a voluntary transfer, each teacher shall complete ISD 196 voluntary transfer form.

**SECTION 15 – JOB SHARING**

15.1 **Sharing of Positions**
Full-time continuing contract (non-probationary) teachers may request to share a teaching position. A teacher selected to share a position shall retain membership in the Bargaining Unit and shall, therefore, be considered to meet the definition of “Teacher” in Section 3.2. The terms and conditions of this Agreement shall apply unless expressly altered in this Section.

15.1.1 **Salary:** Job share teachers shall be paid one-half of their full-time salary. While a job share partner is on leave or if the job share dissolves, a job share teacher who is fulfilling the duties of his/her partner shall receive their full-time salary. Job share teachers shall receive an increment advancement in the same manner as any teacher.

15.1.2 **Seniority:** Job share teachers shall earn seniority the same as any other teacher.

15.1.3 **Leaves:** Job share teachers shall retain sick leave benefits accrued immediately prior to such assignment. On a pro-rata basis, they shall be granted personal leave per Section 8.5 and additional sick leave per Section 8.1.1.

15.1.4 **Conferences, Curriculum and Workshop Days:** Job share teachers shall attend full conference, curriculum and workshop days without the payment of additional salary.

15.1.5 **Insurance:** Job share teachers, who wish to participate in the insurance coverage set forth in Sections 7.1, 7.2, 7.3, and 7.4 shall receive a 50% ISD 196 contribution.

A. While a job share partner is on leave, a job share teacher who is fulfilling the duties of his/her partner shall continue to receive 50% of the ISD 196 contribution.

B. If the job share dissolves, a job share teacher who is fulfilling the duties of his/her partner shall receive the full ISD 196 contribution.
15.2 Application
Those teachers wishing to share a position shall make initial application to the building principal(s) or other appropriate administrator who shall either approve or deny the application. To facilitate staffing plans for the following school year, initial applications should be made prior to March 1.

15.2.1 Conditions: At the time an application is approved, job share teachers shall mutually agree in writing to the following:

A. The dates and conditions of duty,
B. Refrain from applying for unemployment compensation during that year,
C. Repayment of any salary advanced that is subsequently unearned, and
D. Any other necessary conditions that are consistent with the provisions of this Section.

Copies of all job share contracts shall be forwarded to DCUE.

15.2.2 Appeal: If the application is denied, the applying teachers may request review by the ISD 196 Job Share Appeal Committee, consisting of three (3) teachers designated by DCUE and two (2) administrators designated by the Superintendent. This committee shall make a written decision that is binding on the parties involved.

15.3 Renewal
Job share renewals shall be automatic, unless challenged by the principal or other administrator or terminated by the participating teachers. Renewal challenges shall be referred through the appeal process outlined in this Section.

15.4 Elementary Grade Level Limitations
A maximum of one (4 sections or less) or two (5 sections or more) job shares shall be approved per elementary grade level per building. If there are more requests than the maximum number of job shares per grade level, which job share(s) shall be approved shall be determined by mutual agreement between teachers and supervisors. If no such agreement can be reached, the decision shall be made per the appeal process in this Section.

15.5 Dissolution
If a job share teacher resigns, is terminated or discharged by the ISD 196, the job share shall dissolve and his/her partner shall assume the full-time teaching position or tend his/her resignation effective immediately or face termination.

15.6 Illnesses, Disability, or Leaves
In the event that a job share teacher becomes ill or disabled or takes a leave of absence of any kind for an extended period of time, his/her partner will perform all the teacher functions and responsibilities for that job share position during the period of illness, disability or leave.

15.7 Return to Full-time Placement
Both teachers shall return to their original site, if possible. If both teachers came from the same site and there is a conflict with keeping both in their current site, the most senior teacher shall remain and the other teacher shall be placed somewhere in ISD 196. If a teacher came from another site and his/her position no longer exists, he/she shall be placed somewhere in ISD 196.

15.8 Retiring While on a Job Share (Effective July 1, 2004)
Eligible teachers who retire while on a job share in their last year of teaching shall receive retirement pay per Section 11.2.1 and Section 11.2.2 based on their daily rate of pay as established by Section 11.3. Their FTE at time of retirement shall be assumed to be 0.5 FTE. In addition, they shall receive fifty percent (50%) of the benefit established by Section 11.2.3.

SECTION 16 –
SUSPENSION AND DISCHARGE

16.1 Suspension without Pay
A teacher may be suspended without pay for just and reasonable cause.
16.2 Notice and Hearing
Suspension shall not take effect until arbitration is conducted or unless the teacher has not requested arbitration as provided herein, whichever occurs first, except as provided in Section 16.3. The Superintendent shall give written notification to the teacher, stating the grounds of the suspension. Within 10 calendar days after receipt of such notification, the teacher may make a request for a hearing before an arbitrator in accordance with Sections 17.6.3, 17.6.4, 17.6.5 and 17.6.6 to review the suspension. If no hearing is requested within such period, it shall be deemed acquiescence by the teacher to the suspension. However, the arbitrator must issue his/her decision within 25 calendar days after the date of the hearing.

16.3 Immediate Suspension
The suspension may take effect immediately under the following circumstances:

A. Theft of ISD 196 property.
B. Deliberately left work without permission pursuant to building policy.
C. Reported for work intoxicated or consumption of an alcoholic beverage while on duty.
D. Willfully failed to report to work.
E. Gross insubordination.
F. Serious misconduct relating to other employees or students.

16.4 Discharge
No teacher in the bargaining unit, including ECFE, ABE, and GED teachers, shall be discharged without just and reasonable cause.

SECTION 17 – GRIEVANCE PROCEDURE

17.1 Grievance Definition
A claim by a teacher or group of teachers that there has been a violation, misinterpretation or misapplication of any provision of this Agreement may be processed as a grievance as hereinafter provided.

17.2 Representative
ISD 196 may be represented during any step of this procedure by its designated representative. The teacher shall be represented during any step of this procedure by DCUE. Only DCUE shall process a grievance through any step, including arbitration, of this grievance procedure.

17.2.1 Limitations: Grievances will not be valid for consideration unless the grievance is submitted within 30 calendar days of the date the grievance arose. Failure to file any grievances within such period shall be deemed a waiver thereof. In the event that a teacher believes there is a basis for a grievance, he/she shall first discuss the alleged grievance with his/her building principal. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance.

17.2.2 Extension: Time limits specified in this Agreement may be extended by mutual agreement.

17.2.3 Days: Reference to days regarding time periods in this procedure shall refer to working days. A working day is defined as all weekdays not designated as holidays by state law, except as otherwise specifically indicated herein.

17.2.4 Computation of Time: In computing any period of time prescribed or allowed by procedures herein, the date of the act, event or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday or a legal holiday.

17.2.5 Filing and Postmark: The filing of service of any notice of document herein shall be timely if it bears a postmark of the United States mail within the time period.
17.2.6 **Service of Decision:** The issuance of a decision in Levels I, II and III of Section 17.3 to the grievance chairperson of DCUE shall constitute issuance of the decision in writing to the parties involved.

17.3 **Adjustment of Grievance**

ISD 196 and the teacher shall attempt to adjust all grievances that may arise during the course of employment of any teacher within ISD 196 in the following manner:

17.3.1 **Level I:** If the grievance is not resolved through informal discussions, the building principal shall give a written decision on the grievance to the parties involved within five days after receipt of the written grievance.

17.3.2 **Level II:** In the event the grievance is not resolved in Level I, the decision rendered may be appealed to the Superintendent, provided such appeal is made in writing within five days after receipt of the decision in Level I. If a grievance is properly appealed to the Superintendent, the Superintendent or designee shall set a time to meet regarding the grievance, which meeting shall take place within ten days after receipt of the appeal. Within five days after the meeting, the Superintendent or designee shall issue a decision in writing to the parties involved.

17.3.3 **Level III:** In the event the grievance is not resolved in Level II, the decision rendered may be appealed to the School Board, provided such appeal is made in writing within five days after receipt of the decision in Level II. If a grievance is properly appealed to the School Board, the School Board shall set a time to hear the grievance, which meeting shall take place within 15 days after the receipt of the appeal. Within 15 days after the meeting, the School Board shall issue its decision in writing to the parties involved. At the option of the School Board, a committee or representative(s) of the School Board may be designated by the School Board to hear the appeal at this level, and report its findings and recommendations to the School Board. The School Board shall then render its decision.

17.4 **School Board Review**

The School Board reserves the right to review any decision issued under Level I or Level II of this procedure, provided the School Board or its representative notify the parties of its intention to review within ten days after the decision has been rendered. In the event the School Board reviews a grievance under this Section, the School Board reserves the right to reverse or modify such decision.

17.5 **Denial of Grievance**

Failure by ISD 196 to issue a decision within the time periods provided herein shall constitute a denial of the grievance and the teacher may appeal it to the next level.

17.6 **Arbitration Procedures**

In the event that the teacher and ISD 196 are unable to resolve any grievance, the grievance may be submitted to arbitration as defined herein:

17.6.1 **Request:** A request to submit a grievance to arbitration must be in writing signed by the aggrieved party, and such request must be filed in the office of the Superintendent within ten days following receipt of the decision in Level III of the grievance procedure.

17.6.2 **Prior Procedure Required:** No grievance shall be considered by an arbitrator which has not been first duly processed in accordance with the grievance procedure and appeal provisions.

17.6.3 **Selection of Arbitrator:** Upon the proper submission of a grievance under the terms of this procedure, the parties shall, within five days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request from the Bureau of Mediation Services (BMS), pursuant to M.S. 179A.21, Subd. 2, a list of arbitrators selected by the Commissioner, providing such request is made within ten (10) days after request for arbitration. Upon receipt of the list of arbitrators, ISD 196 and DCUE shall alternatively strike names from the list of arbitrators selected by the Commissioner until only one (1) name remains. This arbitrator shall decide the grievance and the decision is binding upon the parties. If the parties do not request an arbitrator from the BMS within the time periods provided herein, it shall constitute a waiver of the grievance.
17.6.4 **Hearing:** The grievance shall be heard by a single arbitrator and both parties may be represented by such person or persons as they may choose and designate, and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator.

17.6.5 **Decision:** The decision by the arbitrator shall be rendered within ten days after the close of the hearing. Decisions by the arbitrator in cases properly before him/her shall be final and binding upon the parties; subject, however, to the limitations as provided in PELRA of 1971, as amended. The arbitrator cannot add to, delete, or modify the Agreement in any way and his/her decision shall be confined to the written grievance only.

17.6.6 **Expenses:** Each party shall bear its own expenses in connection with arbitration, including expenses relating to the party's representatives, witnesses, and any other expenses which the party incurs in connection with presenting its case in arbitration. A transcript or recording shall be made of the hearing at the request of either party. The parties shall share equally fees and expenses of the arbitrator, and any other expenses that the parties mutually agree are necessary for the conduct of the arbitration. The requesting party shall pay the cost of the transcript or recording.

17.7 **Election of Remedies and Waivers**
A party instituting any action, proceeding or complaint in a federal or state court of law, or before an administrative tribunal, federal agency, state agency, or seeking relief through any statutory process for which relief may be granted, the subject matter of which may constitute a grievance under this Agreement, shall immediately thereupon waive any and all rights to pursue a grievance under this Section. Upon instituting a proceeding in another forum as outlined herein, the teacher shall waive his/her right to initiate a grievance pursuant to this Section, or if the grievance is pending in the grievance procedure, the right to pursue it further shall be immediately waived. This Section shall not apply to actions to compel arbitration as provided in the Agreement or to enforce the award of an arbitrator.

**SECTION 18 – DURATION**

18.1 **Term and Reopening Negotiations**
This Agreement shall remain in full force and effect for a period commencing on July 1, 2003, through June 30, 2005, and thereafter pursuant to PELRA, except that teachers shall be paid at the basic salary set forth on the teacher's individual contract. If either party desires to negotiate a new agreement commencing on July 1, 2005, it shall give written notice of such intent no later than March 1, 2005. Unless otherwise mutually agreed, the parties shall not commence negotiations more than 120 days prior to the expiration of this Agreement.

18.2 **Effect**
This Agreement constitutes the full and complete written Agreement between ISD 196 and DCUE representing the teachers of ISD 196. The provisions herein relating to terms and conditions of employment supersede any and all prior Agreements, resolutions, practices, ISD 196 policies, rules or regulations concerning terms and conditions of employment inconsistent with these provisions.

18.3 **Finality**
Any matters relating to the current Agreement term, whether or not referred to in this Agreement, shall not be open for negotiation during the term of this Agreement.

18.4 **Severability**
The provisions of this Agreement shall be severable only if any provision thereof or the application of any such provision under any circumstances is held invalid, it shall not affect any other provision of this Agreement or the application of any provision thereof.

18.5 **Copies of Record**
There shall be five (5) signed copies of the final Agreement for the purposes of record. Two (2) copies will be retained by ISD 196, two (2) copies by DCUE and one (1) copy by the Director of the Bureau of Mediation Services.
