AGREEMENT made and entered into as of the 22nd day of October 2000, by and between PATHMARK STORES, INC., hereinafter referred to as "Employer" and UNITED FOOD AND COMMERCIAL WORKERS UNION, LOCAL 27, U.F.C.W.I.U., AFL-CIO, CLC, hereinafter referred to as "Union".

**ARTICLE I - PURPOSE**

It is the purpose of the Employer and the Union to set forth, with particularity, in this collective bargaining agreement their duly negotiated understanding with each other in regard to the wages, hours and other conditions of employment for those employees of the Employer who are and will be represented by the Union in the appropriate bargaining unit defined herein.

**ARTICLE II - RECOGNITION AND JURISDICTION**

1. The Employer recognizes the Union as the exclusive representative of all Employer's present and future supermarket employees, except meat, delicatessen, seafood and security employees, General and Assistant Store Managers and supervisors, within the jurisdictional area of the Union as defined in Schedule "B".

2. a. All work and services, other than that of General and Assistant Store Managers or supervisory and security employees, connected with or incidental to the handling or selling of all merchandise except meat, seafood and delicatessen, offered for sale to the public in the Employer's supermarkets covered by this Agreement, shall be performed only by employees within the unit referred to above.

b. The following work, services and merchandise shall be excluded under Paragraph 2a: bread and commercial bakery products, soda, specialty foods, books, greeting cards, seasonal displays, resets, non-food rack jobbers, cookies and snacks.

c. Employees on the payroll as of February 4, 1985 shall not be laid off from employment, nor shall their hours be reduced during the term of this Agreement because of the exclusions.

**ARTICLE III - MANAGEMENT RIGHTS**

All rights and powers not expressly restricted or limited by terms and conditions of this Agreement shall remain in and be exercised at the sole discretion of the Employer.

**ARTICLE IV - UNION SHOP**

1. It shall be a condition of employment that all employees of the Employer covered by this Agreement who are members of the Union in good standing on the effective date of this Agreement shall remain members in good standing and those who are not members on the effective date of this Agreement shall, on the thirty-first (31st) calendar day following the effective date of this Agreement, or date of execution, whichever is later, become and remain members in good standing in the Union. It shall also

be a condition of employment that all employees covered by this Agreement and hired on or after its effective date, or date of execution, whichever is later, shall, on the thirty-first (31st) calendar day following the beginning of such employment, become and remain members in good standing in the Union. This provision shall be enforced and applied in accordance with the provisions of Section 8(a)3 of the National Labor Relations Act, as amended.

2. The Employer agrees to discharge any employee for nonpayment of dues and/or initiation fees, upon seven (7) days' written notice from the Union to do so.

3. a. The Employer shall check off uniform initiation fees and regular Union dues upon presentation to it of a lawful check-off authorization executed by the employee. The Union shall certify to the Employer the amount of regular Union dues to be deducted pursuant to the check-off authorization. Said deductions shall be on a weekly basis and remitted to the Union on a monthly basis. A list of all employees for whom deductions have been made, indicating the amount deducted from each, shall accompany the check.

b. The Employer agrees to deduct authorized Credit Union payments from the wages of employees upon receipt of proper written authorization from an employee. All such deductions and remittances to the Credit Union shall be consistent with the payroll procedures of the Employer.

c. The Employer agrees to deduct from the wages of employees, upon receipt of proper authorization, one annual payment to the Union's Political Action Committee. All such deductions and remittances shall be consistent with the payroll procedures of the Employer.

4. For the purposes of this provision, membership in the Union shall mean that the employee either tenders the periodic dues and initiation fees uniformly required by the Union as a condition of acquiring or retaining membership or pays those fees and dues necessary to permit the Union to serve as an exclusive representative of employees.

5. The Union agrees to indemnify and save the Employer harmless against any and all claims, demands, suits or liability that might arise out of or by reason of action taken or not taken in respect to the deductions made pursuant to the provisions of this agreement.

#### **ARTICLE V - UNION ACTIVITIES**

1. There shall be no discrimination against any employees because of Union membership or activities. Neither shall there be any discrimination in employment because of race, color, creed, age, sex or sexual preference based on applicable law. It is agreed that Union duties and activities will not be carried on during hours of work. This shall not prevent the Union officials from entering stores to satisfy themselves that this Agreement is being observed.

2. It is further agreed that complaints and grievances of the Union or the employees shall be discussed with officials of the Employer and that such matters shall not be discussed with store employees during hours of work, except where an alleged violation of this Agreement is involved.

**ARTICLE VI - LAYOFFS, PROMOTIONS, DEMOTIONS, TRANSFERS, POSTING  
AND JOB BIDDING, DISCHARGE AND APPEAL**

1. Layoffs, Promotions, Demotions and Transfers

a. In the promotion, demotion, layoff, rehiring and transferring from one type of work to another, or from one location to another, the qualifications of the employees shall be considered in conjunction with seniority standing.

b. Part-time employees who are promoted to full-time assignments will receive one (1) month's full-time credit for each two (2) months of part-time service in determining their proper wage, vacation and health and welfare eligibility. For the purpose of establishing full-time seniority, for layoff purposes, the date on which promoted part-time employees become full-time shall determine their full-time seniority date.

c. Where practicable, the Employer shall combine existing part-time assignments within each store so as to provide the maximum part-time employment per individual within the definition of part-time employment and, further, to create as many forty (40) hour full-time positions as possible.

d. When the schedule of a less senior employee is consistently greater than a more senior employee in another store and it is brought to the attention of the Employer, the employees involved will be exchanged provided the work can be performed by the employees involved and those employees are available for the required hours.

e. The Employer shall give one (1) week's notice to the Union and the employee of a permanent layoff of a full-time employee and forty-eight (48) hours' notice of a permanent layoff of a part-time employee. A permanent layoff is one in which the Employer has no intention of recalling the employee.

f. The Employer will notify the Union within two (2) weeks of all new hires, promotions, demotions, layoffs and permanent transfers occurring among the members of the Union during the previous weeks.

g. In the case of temporary layoffs caused by strikes, acts of God, power failure or other reasons beyond the control of the Employer advance notice need not be given in regard to the daily or weekly work schedules.

h. In an effort to prevent a layoff or reduction of a full-time employee to part-time, said employee may work a schedule which includes up to three (3) straight time nights. The Employer will discuss such condition with the Union prior to implementing such a schedule.

i. In effecting permanent transfers between stores, the Employer shall consider seniority in conjunction with ability and practicability, other criteria, the availability of transportation and the travel required.

j. The Employer, consistent with the needs of the business, will offer those employees who submit a written request to the Company and the Union an opportunity to be transferred to another store before new employees are hired.

k. In effecting temporary transfers, the Employer shall make them as the needs of the business require. When a temporary transfer is necessary, the least senior employee in the store with similar qualifications for the job in question will be transferred. The Employer agrees to pay the difference in cost of transportation to employees temporarily transferred from one store to another when such transfer increases their normal cost of carfare.

l. Where an employee has been absent from work due to illness or accident for one (1) week or more, the employee shall be required to give the Employer not less than forty-eight (48) hours' notice, excluding Sunday, of his intention to return to work. Such employee shall have the right to displace a junior employee either full or part-time respectively, regardless of the posted schedule, without notice.

m. The Employer shall give the Union twenty (20) days advance notice, or pay in lieu thereof to affected employees, of a permanent store closing except if the store is being replaced. This information is to be treated confidentially. The Employer and Union agree to meet prior to the store closing, if possible, to resolve the movement of employees affected with the intent to minimize inconvenience.

## 2. Job Posting and Bidding

a. The Employer agrees to post permanent openings for higher rated classifications resulting in the promotion to a classified position, full-time clerk or part-time clerk. The posting may include transfers of employees from nights to days and days to nights.

b. The posting and bidding shall be conducted in the following manner:

(1) The position shall be posted for seven (7) days in a readily accessible location.

(2) Employees desiring to bid on a posted position may do so within the seven (7) day period by contacting their General Store Manager or Assistant General Store Manager and signing the posting form.

(3) The Employer may temporarily assign an employee to the open position while the bid is in progress.

(4) The Employer may permanently fill the position from any source in the event no bid is made during the posting and bidding period.

c. The open position shall be filled in the following manner:

(1) In the case of the promotion of a customer service attendant to part-time clerk, the Employer may consider availability and qualifications in conjunction with seniority which shall prevail in the event qualifications are relatively equal. The successful bidder shall be placed in the position on a sixty (60) day trial period.

(2) In the case of the promotion of a part-time clerk to a full-time clerk, the Employer may consider availability and qualifications in conjunction with seniority which shall prevail in the event qualifications are relatively equal. The successful bidder shall be placed in the position on a sixty (60) day trial period in the case of a new job assignment.

(3) In the case of the promotion of an employee to a classified position, the Employer shall interview those employees who meet the minimum job requirements as determined by the Employer. The

Employer may consider qualifications in conjunction with seniority. The successful bidder shall be placed in the position on a ninety (90) day trial period.

d. The Employer agrees, where practicable, to cross train any employee with at least two (2) years' seniority, who is denied a promotion to a position other than a classified position because the employee has not been trained, provided a request for training had been made by the employee.

e. The Employer shall submit a copy of all posting and bidding forms to the Union and shall retain a copy for at least six (6) months.

### 3. Discharge and Appeal

a. The Employer shall have the right to discharge any employee for good and sufficient cause. *Any employee working for a competitor while on vacation or time off shall be considered terminated.* Competitor shall be defined as a supermarket.

b. In the case of a discharge of any employee who has been in continuous service for more than sixty (60) days, such employee shall have the right to appeal to the Union. Unless the Union appeals the discharge in writing within two (2) weeks from the date of discharge, the case will be considered closed with no further right of appeal.

c. Upon such appeal, the Employer and the Union shall jointly investigate the reasons for such discharge and the justification therefor.

d. If the Union and the Employer cannot agree as to the justification for such discharge, then the matter shall be arbitrated in accordance with the provisions of Article IX.

e. In the event that the discharge is found not to be justified, the employee may be reinstated with or without back pay and restoration of privileges and seniority.

## ARTICLE VII - SENIORITY

1. Seniority lists shall be established twice each year and submitted to the Union.

2. Seniority for all purposes under this Agreement shall be calculated by continuous service with the Employer from the last employment date with the Employer. Employees laid off and subsequently rehired by the Employer within six (6) months from the layoff date shall retain their former seniority regardless of any change in their places of employment. Likewise, employees absent solely on account of Worker's Compensation or ill health shall retain their seniority for a period of eighteen (18) months from the date of absence but not thereafter. An employee who does not report for work immediately if available, but in any event within forty-eight (48) hours after notice of recall, shall be considered as having terminated his or her employment, provided that illness incapacitating the employee for work shall be sufficient excuse for not reporting if the Employer is informed of the excuse within such forty-eight (48) hours after receipt of notice of recall. An employee absent from work due to illness or accident shall maintain contact with the store on a weekly basis unless hospitalized.

3. If promotions are to be made to supervisory positions, they shall not be restricted by seniority nor made the subject of a grievance. The seniority shall be retained and accumulated for an employee who

has been promoted to a supervisory position for a period of one (1) year from the date of his promotion for the purpose of his election to return to his former job.

4. An employee shall lose all seniority rights if he or she quits or terminates his or her employment, or is properly discharged. An employee employed elsewhere during an unauthorized absence from work or during a permitted leave of absence shall be considered as having terminated his or her employment.

5. The Employer shall comply with the applicable laws of the United States concerning the drafting or enlisting of employees into the military service of the United States, and shall further comply with all applicable laws relating to the reinstatement of said employees to their employment following completion of their military service.

#### **ARTICLE VIII - LEAVE OF ABSENCE WITHOUT PAY**

1. Any member of the Union who is elected to a full-time position with the Union, or who is elected as a delegate or representative of the Union in any activity necessitating temporary leave of absence from his employment, shall be granted such leave of absence without loss of seniority, and at the end of such service in the business of the Union he shall be re-employed at his former wage rate plus any increase or less any reduction that may have become effective during his absence.

2. Such leaves of absence may be renewed and extended for additional periods of office terms by mutual written consent and approval of both the Union and the Employer, subject to the conditions set forth in Paragraph 1 above.

3. Any employee may be given a leave of absence not to exceed one (1) year for any reason acceptable to the Employer. This decision shall not be withheld arbitrarily or capriciously.

#### **ARTICLE IX - GRIEVANCES AND ARBITRATION**

1. All grievances or disputes arising during the term of this Agreement concerning the interpretation or application of the provisions of this Agreement shall be handled in the manner hereinafter set forth.

Step One: All such grievances or disputes must be brought to the attention of the other party within two (2) weeks after the occurrence.

Step Two: Should the Employer and the Union fail to settle such grievance or dispute arising out of the interpretation or application of the provisions of this Agreement, either party May file its grievance in writing with the other party. A "party" is defined as the Employer or Union but does not include individual employees.

2. If any such grievance or dispute cannot be decided between the parties referred to above in Step 2, then the unsettled matter may be submitted to an impartial arbitrator by either party after that party gives five (5) calendar days' written notice to the other party of such grievance or dispute. If the parties cannot agree upon the selection of an impartial arbitrator within five (5) calendar days thereafter, or such

additional time as may be mutually agreed upon, then such selection shall be referred to the American Arbitration Association and the American Arbitration Association shall handle the unsettled grievance or dispute in accordance with its rules. However, the impartial arbitrator shall render his decision, in writing, within thirty (30) days of the close of the hearing unless such time is extended by mutual consent of the parties of such grievance or dispute.

3. The arbitrator shall not have the authority to amend, modify, or in any manner change this Agreement to establish any terms and conditions under this Agreement. The cost of the arbitrator shall be shared equally by the parties. The decision of the arbitrator shall be final and binding on the parties and employees involved.

4. If either party fails to proceed as required by the grievance and arbitration machinery contained in this article, the arbitrator appointed by the American Arbitration Association shall be empowered to hear and decide the case, even if only one of the parties appears at the hearing or presents evidence.

5. The right of the Employer or the Union to seek legal recourse against action in breach of Article XIII without submission to the grievance and arbitration procedures of this article is expressly recognized by the parties.

6. In the alternative, either party in the event of an alleged or asserted breach of Article XIII may institute expedited arbitration by telegram to American Arbitration Association and the other party, and American Arbitration Association shall designate the arbitrator within twenty-four (24) hours of receipt of telegram. The arbitrator shall promptly hold the hearing, but in no event later than twenty-four (24) hours after the receipt of notice. The award of the arbitrator shall issue forthwith and in no event later than three (3) hours after conclusion of the hearing. The award of the arbitrator shall be in writing and may be issued without opinion. If any party desires an opinion, one shall be issued, but its issuance shall not delay compliance with the enforcement of the award. The arbitrator may award injunctive relief and other appropriate relief. Failure of any party to attend arbitration hearing as scheduled and noticed by American Arbitration Association shall not delay arbitration and arbitrator is authorized to proceed to take evidence as if such party was present. Enforcement of such an award by a court of law is not precluded by election of this alternative procedure.

7. The question of damages shall be exclusively for the arbitrator and not for a court of law, except insofar as it may be part of an award enforced by a court.

8. It is agreed that this Article IX shall exclusively define grievances or disputes which may be submitted to the grievance and arbitration machinery.

9. This article is the exclusive method of determining employee grievances or disputes concerning the interpretation or application of the provisions of this Agreement. No employee or former employee shall have any right under this Agreement of any claim, proceeding, action or otherwise on the basis or by reason of any claims that the Union or any Union officer or representative has acted or failed to act relative to presentation, prosecution, or settlement of any grievance or other matter as to which the Union or any Union officer or representative has authority or discretion to act or not to act under the terms of this Agreement.

In view of the foregoing, the Union agrees that it will not authorize any strikes or picketing by the employees, except only in the event that the Employer refuses to submit to arbitration as herein provided or to comply with a final judgment or decree of the court of last resort having jurisdiction of the dispute hereunder. Nothing herein contained, however, shall compel any employee to walk through a picket line set up as a part of a duly authorized and legally called strike against the Employer sanctioned hereunder.
