<td>4 hours' pay</td>
</tr>
<tr>
<td>24 to 30 hours</td>
<td>6 hours' pay</td>
</tr>
<tr>
<td>30 to 35 hours</td>
<td>7 hours' pay</td>

*The 2/11/01 GWI applies to all part-time Bake-Off Clerks hired prior to 2/11/00 and then everyone in the classification advances to the next scale rate when they have satisfied the number of months necessary to move from the scale rate immediately at or below their rate on 2/11/01. Starting in 2002 the GWI applies only to an employee at or above the highest rate in the table.

Those employees hired after 2/11/01 shall receive the next GWI after they reach the highest rate in the table.

An employee promoted to a higher classification will go to that rate in the higher classification which is closest to, but higher than, the employee’s previous rate, unless the corresponding rate in the new classification is the same, in which case he/she will receive such corresponding rate.
(B) **Full-time Bake-Off Employees**

All Full-time Bake-Off employees will receive the following wages:

<table>

</tbody>
</table>

Full-time employees will receive the above rates according to the following rules:

The above rates in the table are at 6-month intervals. The Employer may hire, on a store-by-store basis, at any rate of the classification table or at rates above the table and such hiring rate will be the minimum for the classification for that store as long as the store retains that rate. When a store raises its hiring rate, incumbent employees below the new hiring rate will move immediately to the new hiring rate and thereafter progress to the next rate upon completion of 6 months in that rate. When a store reduces its hiring rate for new hires, no incumbent employee will be affected.

If the hiring rate for any classification exceeds the highest rate in the table, employees will receive the next General Wage Increases for that classification on the effective dates of such General Wage Increases as set forth below.

Employees hired/appointed after 2/11/01 shall receive the next GWI after they reach the highest rate in the table.

ARTICLE 40
SECURITY

With regard to non-former Edwards employees, Full-time employees, as listed on the Company payroll as of March 6, 1976 shall not be laid off for lack of work for the duration of this Agreement. This guarantee shall not be effective in the event of an emergency affecting the normal operation of the Employer, or in the event of store closure.

With respect to former Edwards employees, this article applies only to those employees having regular full time status as of November 12, 1966, and to those employees who had regular full time status as of August 8, 1964, including those who may presently be working as security employees on a pro rata basis within the framework of part time hours.

A. In the event of a reduction of hours of work or layoff because of lack of work, such regular Full-time employee may bump the junior Full-time employee in his classification within a mutually agreed upon geographic area.

B. The junior Full-time employee may:

1. Either be offered work by the Employer within the framework of Part-time hours as a Full-time employee with pro-rata consideration of what a regular Full-time employee received, or
2. Accept layoff status with twelve months' recall rights.
NOTE: The employees referred to in (1) and (2) above shall be recalled to regular Full-time employment in accordance with their seniority rights.
*See Article 25 of this Agreement.

C. To avoid a layoff or reduction in hours, the Company, whenever possible, will continue its present practice of having a Full-time employee work in more than one (1) store.

D. Pro-rata consideration of what a regular Full-time employee receives applies to wages, vacations, holidays, life insurance coverage, pension credits, Major Medical, hospitalization, surgical, accidental death and dismemberment benefits for up to six months, exactly as if the reduced employee were working Full-time.

E. It should be noted that this special status outline in the foregoing paragraph is for the life of this Agreement, and, if the reduced employee refuses regular Full-time work, he shall have no further rights to those indicated benefits in the preceding paragraph if he chooses to work as a Part-time employee.

F. If the junior Full-time employee prefers layoff to working Part-time hours, he shall have twelve months recall rights in accordance with his seniority and shall be provided benefit coverage as follows:

<table>
<thead>
<tr>
<th>Benefit Description</th>
<th>Period of Coverage</th>

   (b) The rate of pay for Part-time Journeyman Caseman shall be:

<table>
<thead>
<tr>

</tr>
<tr>
<td>2/10/02</td>

MEMORANDUM OF AGREEMENT

The undersigned Local of the United Food and Commercial Workers’ Union and The Stop & Shop Supermarket Company are in agreement on the following items with reference to layoffs and reductions resulting from a store closing. It is also agreed that any additional items of concern that arise, the Company and the Union will meet to discuss them.

1) Unused sick leave will be paid to full-time employees laid off for economic reasons. If such an employee is recalled in the same contract year, they will be eligible for zero (0) sick days until a new contract year begins. Full-time employees accepting part-time work shall not be eligible for unused sick days.

2) A Meat Manager who is reduced in classification shall not receive less than nine (9) days sick leave for the contract year in which he is reduced. Any days absent from work because of illness or accident while a Meat Manager shall be deducted from this 9 day total. This does not include accidents on the job.

3) The classification of Deli Assistant (34A) is considered to be on the same level of full-time Clerk for purposes of bumping. A Meat Cutter or Deli Head cannot bump a Deli Assistant and take his rate. The Deli Assistant is considered to be a full-time Clerk with a "red circled" rate.

4) The number of full-time employees that may be laid off after a store closing shall be equal to the number of full-time employees in the closed store, minus the number of employees reduced and/or transferred because of the closing who have terminated since the closing.

5) Full-time employees who accept a reduction to part-time are entitled to the following:

a) Wages - Those who have worked full-time for more than three months will retain the full-time rate.

b) The Company will continue to make the full-time pension contribution for six months if an employee is eligible for the full-time contribution at the time of the reduction to part-time.

c) The Company will continue to make full-time health and welfare contributions (or continue full-time coverage under the Amalgamated Welfare Trust Fund for Local 371 employees) for six months if an employee is eligible for such at the time of reduction to part-time. Weekly indemnity will be paid at the full-time benefit level for six months.

d) For all holidays occurring in the six-month period following the reduction, employees will be paid eight (8) hours holiday pay at their rate of pay at the time the holiday occurs.

e) For six (6) months after the reduction, vacation pay will be for forty (40) hours at the rate of pay at the time of vacation, or at the rate of the employee’s classification as of January 1 of the vacation year, whichever is the greater.
f) For the remainder of the contract year, an employee will be eligible for the balance of this full-time sick leave to be used over the balance of the contract year. Any days taken will be paid at eight (8) hours and computed at the employee's rate at the time a sick day is taken. Any full-time sick leave not used by the end of the contract year will be reimbursed as unused sick leave. Beginning with the new contract year, an employee will be eligible for part-time sick leave.

6) It is understood that full-time employees who were listed as full-time employees on the Company payroll as of March 6, 1976 who accept a layoff (rather than severance or part-time work) are entitled to the following (see Article 40, Sec. G):

Dear Mr. Petronella:

Any Local 919 member who has agreed to a 10 hour straight time shift shall not work in any wall-to-wall Local 371 store during the week of said employee's 4-day, 10-hour straight time assigned work week, including Sundays.

Local 371 Members Injured On the Job:

Know Your Rights

Report Every Injury Immediately

Failure to report a work-related injury promptly is the primary reason for a workers' compensation claim to be denied. Report all work injuries immediately, and make sure a first Report of Injury is filled out.

Initial Medical Treatment

Your employer will designate the doctor or facility to provide you with your initial medical treatment. In most cases this will be a nearby walk-in clinic, hospital ER, or Industrial Health Care. You are only required to get your initial treatment at this facility. If you need further treatment, you can select your own physician. If you do not select your own physician, the doctor or facility selected by your employer will become the attending physician.

Your Right to Choose Your Attending Physician

After the employer provides you with your initial medical treatment, you have the right to choose your own attending physician. If you have a serious injury that is going to require extended treatment or cause you to be disabled, the Union strongly urges you to choose your own attending physician rather than continue treatment at a clinic-like facility.

If your employer has a managed medical care plan for workers' compensation, you can select your attending physician but he or she must be in the plan's network. At your request, your employer must make you aware of the doctors who are in the network. The network must include doctors in all major specialties.

If your employer does not have a managed medical care plan for workers' compensation, you can select as your attending physician any physician licensed by the State of Connecticut.

Once you have established an attending physician, you cannot charge doctors unless: (1) the attending physician refers you to another doctor; (2) the insurance company grants permission for you to change doctors; or (3) the Workers' Compensation Commissioner authorizes you to see another doctor.

Examination Requirement

Even if you have your own attending physician, the employer or their insurer can require you to submit for examination by another physician. They cannot make you accept treatment from another doctor against your wishes.

Billing for Medical Treatment

Bills for your medical treatment should be sent by the medical provider directly to your employer's workers' compensation insurance carrier, never to you. Make sure you know who that insurance carrier is and inform the doctor's office. If you have out-of-pocket expenses for prescriptions, these must be reimbursed in full by the workers' compensation insurance carrier.

Medical Treatment/Therapy

If you can continue to work but you need medical treatment or therapy, this should be done during your work hours if available without any loss in pay. If not available during your work hours, and you must go on your own time, you must be paid your usual hourly rate for the time spent getting treatment and going to and from treatment. You should also be reimbursed for your travel expenses at the rate of 15¢ per mile.
