ARTICLE 3
UNION SECURITY

It shall be a condition of employment that all employees of the Employer
covered by this Agreement who are members of the Union in good standing
on the execution date of this Agreement shall remain members in good
standing, and those who are not members on the execution date of this
Agreement shall, on or after the thirtieth (30th) day following the execution
date of this Agreement, become and remain members in good standing in
the Union. It shall also be a condition of employment that all employees
covered by this Agreement and hired on or after its execution date shall, on
or after the thirtieth (30th) day, following the beginning of such
employment become and remain members in good standing in the Union.

Any employee who is expelled or suspended from the Union because of
non-payment of initiation fees and periodic dues (including such other
obligations to the Union, failure to pay which would make an employee
subject to discharge under the Labor-Management Relations Act, 1947, as
amended) shall be subject to dismissal ten (10) days after notification in
writing to the Employer by the Union. The Union agrees to notify members who are delinquent in their Union financial obligations and, upon the failure of the member to immediately re-establish his good standing membership in the Union, his discharge will be requested.

The Employer, provided it has the necessary equipment, agrees to deduct dues, initiation fees and any other authorized amounts from the wages of all employees who have on file with the Employer a proper deduction card and to remit the amounts with a listing of names to the Union office on or before the twenty-seventh (27th) day of each month. The Union will give to the Employer signed deduction cards from the employees authorizing the deduction of dues, initiation fees and any other authorized amounts. The Employer's obligation to remit to the Union shall be limited to the amounts, which it actually does deduct from the employee's wages. The Employer agrees that it will utilize current computer capabilities to electronically transfer dues, initiation fees, credit union deductions as well as updated employee information to the Union. If the Employer is negligent in collecting any monies that the Union has notified them to pay, it will be the Employer's responsibility to reimburse the Union for the lost monies.

The Union agrees to indemnify and hold harmless the Employer in connection with any grievances, charges, complaints, claims or lawsuits, which may arise in connection with action taken by the Employer at the request of the Union pursuant to the terms of this Article.

Should the Employer decide to sell or franchise any Meat, Seafood or Delicatessen product for retail sale, the Employer shall recognize those people as bargaining unit employees and the parties shall negotiate the wages, benefits and working conditions for those employees. This provision would not in any way affect who the suppliers are for the products in these departments.

The Company agrees that the mainline products sold in the Meat, Seafood or Delicatessen departments, if moved to another department, would not be cause for a lay-off.

**ARTICLE 4**

**HIRING OF NEW EMPLOYEES**

When new help is required, the Employer shall immediately notify the Union so that the Union may recommend from the open market the help so required. When full-time openings become available, part-time employees will be given preference to fill the full-time openings.
A. If the Union fails to recommend satisfactory Full-time employees to the Employer within 48 hours of the Employer’s notice to a Union representative that there exists a vacancy; the Employer shall have the right to fill the position. Should the Employer fail to give the Union notice and the opportunity to fill a position as described herein, the Employer shall hire an additional equally qualified person sent from the Union for the classification filled from the open market. In the event the Employer seeks to hire a Manager, they may do so without following this provision, but must notify the Union within forty-eight (48) hours of the hiring. In the event that the Employer seeks to hire a Part-time employee, they may do so without prior notice to the Union. They will however notify the Union after such hiring. The Employer will notify the Union in writing as soon as possible within twenty-five (25) days from the date of employment, reinstatement, or transfer into the bargaining unit of any employee, of the name, the home address, place of employment, social security number and job classification (full-time or part-time), date of employment, reinstatement, transfer, termination, or change in status from part-time to full-time or full-time to part-time. If the Employer is negligent in collecting any monies that the Union has notified them to pay, it will be the Employer’s responsibility to reimburse the Union for the lost monies.

B. Selection of applicants for referral to jobs by the Union shall be a non-discriminatory basis and shall not be based on or in any way affected by Union membership, by laws, rules, regulations, constitutional provisions, or any other aspect of Union membership, policies or requirements. Nothing herein contained shall deny the Union the right to select any applicants for referral on the basis of experience in the industry, qualifications and skill or Employer reference.

C. The Employer at all times retains the right to reject any job applicants referred by the Union.

D. New employees when hired shall be deemed probationary and on a trial basis for a period of sixty (60) days. Thereafter they shall be considered regular employees and shall then be granted the fringe benefits as provided for elsewhere in this Agreement.

E. For the sole purpose of establishing the pay rate for a newly hired employee, the Employer will recognize previous verified comparable market experience within the Union’s jurisdictional area during the thirty (30) months immediately preceding the newly hired employee’s date of hire. In no event shall such rate be higher than the lowest applicable rate as set forth in Schedule "A" for 1) employees at scale and in the Employer’s employ as of October 14, 1989; or 2) employees employed on a progression
scale as of October 14, 1989; or 3) employees hired on or after October 15, 1989, and on a progression scale. Such prior experience must be claimed on the employee’s application for employment, and if not verified in writing by the former Employers within thirty (30) days after the date of employment, such prior experience may then be verified through contributions made to the Union’s Welfare and Pension Funds. If there is no verification within forty-five (45) days after the employee’s date of hire, the Employer shall have the option, in its sole discretion, to reduce said employee’s rate of pay to the appropriate verifiable rate.

F. The Employer agrees that it will not require a lie detector test in its pre-employment procedure. Those Employers utilizing pre-employment psychological or personality profile tests on the date of this Agreement shall cease and desist. Such tests may only be utilized for newly hired employees who are new to the industry.

G. The Employer may hire temporary employees to work forty (40) hours per week during the seasonal period from May 1st through September 30th or for up to eight (8) consecutive weeks outside of the seasonal period. Such temporary employees will receive the fringe benefits applicable to temporary employees as provided elsewhere in this Agreement. If the Employer retains such a temporary employee as a full-time employee beyond the seasonal period or for more than eight (8) consecutive weeks outside of the seasonal period, such employee shall be considered a regular full-time employee and shall have his/her seniority determined from the most recent date he/she commenced full-time employment.

H. A temporary employee shall receive credited time toward accrual of all benefits such as Welfare, Pension, Holiday, Sick Leave, Wage Increases, etc. from the date of original hire.

ARTICLE 5
NO DISCRIMINATION

The Employer and the Union shall not discriminate against an employee because of race, color, creed, sex, age or nationality, nor will an employee be discriminated against because of Union activity, provided such activity is not conducted at any time on the Employer’s premises, and further provided that such activity is not for the purpose of inducing others to violate this Agreement.
ARTICLE 6
SENIORITY

Seniority shall be determined from the date an employee was last hired for or appointed to full-time or hired for part-time work by the Employer, except as provided in Paragraph (C) of this Article. Layoffs and rehiring shall be based on seniority. Transfers and promotions shall be based upon fitness and ability with seniority a factor only when all other things are equal.

Employees of a company that has been purchased or merged in its entirety by the Employer shall carry their seniority for the purposes of this Article 6 to the Employer.

Such employees shall be paid the hourly rate equivalent to the full-time hourly rate of pay previously received. Part-time employees shall have seniority within their Districts for purposes of layoff only. Part-time employees shall be laid off by inverse order of seniority within their classifications.

B. Seniority rights under this Article shall continue for a period not exceeding nine (9) months from the date of layoff.

C. Where an employee is rehired under the terms of Paragraph (B), he/she shall be compensated at the same rate of pay as he/she was enjoying on the date of layoff. Such employee shall continue his/her seniority without any loss for the period of such layoff.

D. There shall be established separate seniority lists in accordance with the following classifications:

1. Meat Department Heads
2. Journeymen, B Journeymen, B Apprentice
3. Weighers and Wrappers (Full-time and Part-time)
4. Delicatessen-Appetizing Department Head
5. Delicatessen-Appetizing Clerk (Full-time and Part-time)
6. Seafood Department Head
7. Seafood Clerk (Full-time and Part-time)

E. 1. When a Journeymen is promoted to a Meat Department Head he/she shall continue to accumulate seniority in the Journeymen group classification in addition to his/her seniority as a Meat Department Head.
2. All B Apprentices shall be laid off prior to the laying off of any permanent full-time Journeyman and/or B Journeyman Meat Cutter.

3. Full-time clerk positions will be filled by seniority, ability and skill required to perform the job. Those full-time clerk positions will be filled by Company seniority within the classification.

F. Employees shall be considered to have quit if they:

2. Fail to report to work within one (1) week when recalled to return to full-time employment from a part-time employee status when properly notified in writing by the Employer.

3. Fail to work when approved leave of absence expires.

4. Work elsewhere while on leave without express permission, in writing, from the Employer to be so employed.

G. When two (2) or more employees are hired on the same day in the same seniority area, the Employer will notify the Union of their seniority status. Any part-time employee that is promoted or appointed to full-time employment shall receive "two for one credit" (2:1) to determine their full-time seniority.

H. Employees inducted into the Military Service of the United States under the Selective Service Act of 1948 and its amendments, or who enlist after its enactment in accordance with the provisions governing such enlistments, shall retain seniority rights in conformance with the provisions of the Act and its amendments.

I. Any discharged employee who is reinstated through the grievance or arbitration procedure of this Agreement shall have his seniority status made whole upon his return to work.

J. An employee absent from work continuously for more than six (6) months due to sickness or accident (other than on-the-job) may be terminated from the payroll. The Employer and the Union may mutually agree to extend this period.

K. When an employee is permanently transferred from one (1) of the Employer's stores within the Greater New York Area into one (1) of the Employer's stores covered by this Agreement he shall be credited with his accrued seniority with the Employer.
L. Full-time and Part-time seniority within classification shall be recognized for the selection of preferred weekly schedules, start times and days off only when the Employer is proposing a change in the regular schedule.

M. For vacation preference dates, market or store department seniority shall be recognized.

ARTICLE 7
JOB GUARANTEE AND REPLACEMENT

A. There shall be no layoff of any full-time employee who had been hired prior to January 1, 1995.

B. In the event the Employer terminates its business or closes down its entire operation covered by this Agreement, the Employer shall pay the sum of Five Hundred Dollars ($500.00) for each year of employment with that Employer to those full-time employees who were on the Employer’s payroll as of August 24, 1981, and had been hired prior to February 5, 1980. In order to assure payment under this clause, the Union shall have the right to request a personal guarantee from the officers or major stockholders of any corporate signatory to this Agreement, or the owners or partners of any non-corporate signatory, which operates less than three (3) stores. A surety bond may be substituted for such personal guarantee provided the Union agrees.

C. The Employer agrees that the total number of full-time employees on its payroll at the expiration of this Agreement including those on military leave shall be at least equal to the number of full-time employees on the Employer’s payroll as of February 7, 1970.

D. The provisions of paragraph (C) shall not apply in the event of a store closing or a permanent, substantial decline in operations, which can be verified by appropriate documentation. The Union shall be permitted to audit such records relevant to establishing such decline.

E. Where applicable, the provisions of Paragraphs (A) and (C) of this Article shall apply only to employers with more than eight (8) employees. The provisions of Paragraph (B) of this Article shall apply to all employers regardless of number of employees.
ARTICLE 8

A week's work for all regular full-time employees shall be forty (40) hours per week, consisting of five (5) eight (8) hour days.

A. Each regular full-time employee shall be entitled to a lunch period of sixty (60) minutes each day, and if he works beyond the normal supper hour, a supper period of not less than thirty (30) minutes, which meal periods shall not be computed in the hours worked by each employee. No regular full-time employee shall be required to take a supper period of more than thirty (30) minutes unless approved by the Union. The Employer may schedule a thirty (30) minute lunch period with the employee's agreement.

B. Each employee shall receive a ten (10) minute rest period for each half day worked, which shall be considered as working time. Employees will not be required to punch in or out for rest periods.

C. The Employer shall post in each store not later than Saturday night of each week the straight-time work schedule of full-time employees for the following week. In case of emergency or any condition beyond the control of the Employer, these schedules may be changed by the Employer.

D. Regular employees working in excess of eight (8) hours in a work day or forty (40) hours in a work week shall be paid overtime on the basis of time and one-half (1-1/2) their hourly rate of pay. Overtime shall be paid on a daily or weekly basis, whichever is greater, but not both.

E. Overtime shall be worked as required by the Employer.

F. Except for that overtime required for the proper management of the department, overtime shall be made available by the Employer to all classifications within the department in each store. All overtime shall be rotated by seniority among each classification. Performance during such overtime may be subject to the grievance procedure.

G. Daily extra days of overtime shall be made available to store employees in the classification needed before anyone outside the employ of the Employer is offered such work. Such practice shall apply fifty-two (52) weeks per year, but does not prohibit Employer from the use of any regular relief practice.

H. The Employer agrees to schedule those part-time employees who were on the Employer's payroll as of August 27, 1977, for twenty (20) hours work per week, providing said employees desire twenty (20) hours work
and are available to work the scheduled hours. All part-time employees hired prior to October 25, 2003, with one (1) year or more of continuous service, shall be guaranteed fifteen (15) hours per week. WELFARE

1. It is agreed that for the months of November 2003, December 2003, and January 2004, the Employer will contribute at its current rate for full-time and part-time employees. The Employer will receive a funding letter from the Union to guarantee any of Stop & Shop's shortfalls during the period.

2. The Employer agrees to maintain the benefits of the Local 342 Welfare Fund in effect as of the effective date of this Agreement. The Employer agrees that no later than April 1, 2004, it shall make a lump-sum payment to the Local 342 Health & Welfare Fund ("Fund") equal to sixty (60) days of Reserves, plus one (1) month of the Employer's prior average six month's claims experience which shall be applied toward the reserve position of the Fund that exists prior to April 1, 2004. If the one-month Reserve is not sufficient to cover the IBNR of the Independent Employers, the Employer shall be responsible for its proportionate share of the claims between the actual Reserve and the IBNR of the Independent Employers, which is equal to the runoff of the Independent Employers' participation in the Fund.

Effective April 1, 2004, Reserves shall be based upon the estimated claims calculated by the Fund's consultant attributable to the Employer's Covered Employees (and Dependents) and the Employer's proportionate share of the Fund's administrative costs. Administrative costs are defined as the sum of the Fund's operating expenses and any other expenses for which the Fund is responsible and for which payment cannot be obtained from a contributing Employer or third party. The proportionate share of administrative costs shall be determined under this Agreement based upon the number of covered employees employed by the Employer relative to the total number of Plan participants.

3. Following April 1, 2004, the Employer agrees to wire-transfer the Fund on the 15th day and the last day of each month an amount determined by the Fund needed to pay all claims incurred that are attributable to the Employer's Covered Employees and Dependents and the Employer's proportionate share of the Fund's administrative costs. Following payments by the Employer, at the request of the Employer, the Fund shall provide claims information to substantiate the request for payment (excluding that information which would constitute Protected Health Information under HIPAA).
4. No later than April 1, 2005, and on each 12-month anniversary thereafter, during the term of this Agreement, the Employer agrees to make a lump-sum contribution to the Fund to maintain two (2) months of Reserves (defined as estimated claims attributable to the Employer's Covered Employees and Dependents and the Employer's proportionate share of administrative costs for the next twelve (12) months) as determined by the Fund's Consultant. If the actual claims and share of administrative costs attributable to the Employer in each twelve (12) month period are greater or less than the lump sum contribution paid, the shortfall or excess (as the case may be) shall be charged or credited to the Employer for purposes of calculating the lump-sum contribution due for the next twelve-month period.

5. In the event that the Employer withdraws from the Fund for any reason, including withdrawal as a result of cessation of operations, the Employer agrees that it will be responsible for paying all claims incurred by its Covered Employees and Dependents prior to the date of the Employer's withdrawal.

6. Local 342 Welfare Fund: The Employer would place a two-month deposit with the Union based upon its present actual experience. With all claims after 02/01/04, the Union would bill the Employer monthly for its actual amount of money paid out to the Employer's employees. Included in that monthly bill would be all the applicable Union administration fees, which currently are running approximately $30.00 per month per employee. On February 1, 2004, the Employer will place one-month pre-payment deposit with the Fund. Over the next twelve (12) months in equal installments, they will put up the value of one (1) more month pre-paid deposit.

7. Well Baby Care will be added to the Local 342 Welfare Fund plan of benefits.

8. Over the next 12 to 18 months, the Union and the Employer will work towards looking at ways to decrease the cost of administration. Employees hired after October 25, 2003, it is agreed as follows: After one (1) year of continuous service, employees will receive the plan benefits as provided for in the Local 342 Welfare Fund, Plan Two (2). The method of payment will be based on Stop & Shop's own experience as described in the Local 342 Welfare Fund.
10. Any employee converted from part time to full time status would be capped at the Local 342 Welfare Fund, Plan Two (2) schedule of benefits.

11. For each Extra Journeymen/Journeyman Butcher working an eight (8) hour day the Employer agrees to contribute Three Dollars ($3.00) per day.

12. The Employer agrees to cover the employees, at no cost to the employees, for Sickness and Accident Insurance as required by the New York State Disability Law.

13. The Employer will cooperate with the Union in the formation of an Alcohol Rehabilitation program.

14. The Employer agrees that when the Mobile Medical program is instituted, it will provide the necessary paid time for its employees to utilize said program.

15. The parties agree that a portion of the contribution to the Welfare Fund on behalf of full-time employees shall be used for the purpose of providing supplemental insurance benefits to employees disabled as a result of on-the-job injury and certified by Workmen's Compensation.

16. Dear Employer:

This will confirm the understandings we reached concerning holiday pay for probationary employees and the effect of the September 1, 1997, minimum wage increase on employees hired at Five Dollars ($5.00) per hour prior to September 1, 1997.

1. With respect to holiday pay for probationary employees, we have agreed if a newly hired full-time employee does not complete his/her probationary period and, if during his/her probationary period a holiday fell in a week in which he/she worked three (3) days, that employee will be paid the holiday pay, unless circumstances exist where the parties mutually agree that the new hire was for bona fide full-time employment and there was a bona fide reason for the employee's failure to complete his/her probationary period. The holiday provisions of the collective bargaining agreement shall be applicable to all newly hired full-time employees, including those who have completed their probationary period.

2. With respect to the minimum wage increase effective September 1, 1997, we have agreed that employees hired prior to September 1, 1997, at Five Dollars ($5.00) per hour will not earn less than employees hired on or after September 1, 1997, at Five Dollars and Fifteen Cents ($5.15) per hour. Accordingly, such senior employees shall have their hourly rate adjusted to equalize them to the rate being paid to less senior employees. Thereafter, all such employees shall receive their regularly scheduled progression increases on the contractual dates applicable to them individually.

Paragraph 1 above will not be retroactive and will be effective with all new full-time hires subsequent to the date this letter of understanding is executed by both parties.
