SECTION 2. All present employees who are members of the Union on the effective date of this Agreement shall remain members in good standing by the payment of their regular monthly dues as a condition of continued employment. All present employees who are not members of the Union and all employees who are hired hereafter for work in the classifications

SECTION 3. Upon request of written notice from the Union, the Employer shall discharge any employee who fails to become or is not a member of the Union on the prescribed day, provided membership was available under the same terms and conditions as generally applicable to other members. Further, all employees who fail to maintain their Union membership in good dues standing shall be summarily discharged by the Employer. The Union agrees to indemnify and hold the Employer harmless from any claim arising from any discharge as provided herein.

SECTION 6. The Local Union having jurisdiction shall be recognized as the principal source of laborers and shall be given the first opportunity to refer qualified applicants for employment. The Employer shall be the sole judge as to whether or not the men furnished are qualified. The Employer reserves the right to transfer or rehire laborers, provided that for those laborers rehired, the Employer shall notify

the Union of the rehiring within forty-eight (48) hours of the date of rehiring.

SECTION 7. Subcontracting: The Employer agrees that the wages, including health and welfare, pension, training, legal services fund and other contributions, hours and working conditions provided for by this Agreement shall encompass the entire work covered by this Agreement, thereby applying equally to any subcontract let by the Employer on work covered by this Agreement at the site of any job.

This section shall not apply to vendors furnishing material solely, or to any person furnishing trucking or transportation.

This Section 7 shall not apply to subcontractors who are bound by or parties to a collective bargaining agreement with either the Laborers, International Union of North America or any of its affiliates having jurisdiction in the State of Connecticut nor shall this Section 7 apply when the work covered herein is awarded directly to subcontractors pursuant to a pre-filed or assigned bid procedure.

- g. On or before January 1, 2004, the employer shall participate in the Apprenticeship Program by accepting apprentices for employment upon referral by the Union. Where the Employer is unable to provide an Apprentice with experience in the full range of craft skills, the JATC may request the Local Union to reassign the Apprentice to other employment in order to provide that experience. For so long as the Employer is able to provide the necessary range of employment experience, the Employer may choose to retain the apprentice from job to job but shall not notify the Local Union and JATC of all reassignments.

SECTION 5. It is expressly provided, however, that if the employee leaves the job site without permission of the Employer, or when a person refuses to work or continue to work, or when work stoppages brought about by a third party or parties prevent or make ill-advised, in the opinion of the Employer, the performance or continuance of work,

payment of reporting time pay for time not actually worked shall not be required.

SECTION 6. Where notification of the men is required under this Agreement to the effect that work shall not be performed on a particular day, notification of such fact to the steward shall be sufficient notification to the men, provided the steward is permitted enough time during working hours to notify the men.

SECTION 2. Raingear and slip over boots must be provided by the Employer if men are ordered to work in rain, mud, concrete or snow. Men cannot be terminated if they are unable to work because they are not furnished raingear and slip over boots. SECTION 4. Drinking Water: The Employer shall provide a clean can of drinking water with paper cups, readily available to each employee on the construction site. The water shall be changed once in the morning and once in the afternoon.

SECTION 5. Toilets: Clean, sanitary toilets shall be provided for the employees use.

SECTION 6. Telephone: A phone shall be made available on the job site for the employees use in case of emergency.

SECTION 7. Lost Time Because of Accidents: There shall be no lost time on the day of a minor injury for the employee obliged to receive medical attention and treatment, provided he returns to work within a reasonable time on that day. Employees seriously injured on the job, who have to obtain medical treatment, shall not be required to work on the day of the injury to receive payment of wages for that day. The injured employee will notify the Employer, as soon as possible, of any injury which occurs on the job and shall furnish the name and address of the physician consulted for medical attention as provided herein. When an employee is seriously injured on the job, the steward shall be permitted to notify the Union of the injury.

SECTION 8. Quitting Time. Each employee shall be given sufficient time at the end of the day to put away his tools and be at the clothes room or change shack at quitting time.

SECTION 9. Health, Safety, and Welfare: The Employer, the Union and the employees shall abide by the provisions contained in the Federal Williams-Steiger Occupational Safety and Health Act and the Connecticut Safety Construction Act as amended April 15, 1988, and adopted by the General Assembly. The Employer and the Union also agree to mutually cooperate with each other with respect to all aspects of safety, accident prevention, health, medical facilities and medical treatment, to the end that the health, safety and welfare of the men working on the project may be adequately and properly protected and promoted with the prosecution of the work efficiently carried on in accordance with safety regulations previously described.

SECTION 10. Employers may conduct drug and alcohol testing of applicants and employees and such testing must conform to state law. Employers will notify the Union 21 days prior to implementing new drug testing policies. If drug testing is required by law, drug tests may be administered in accordance with the law.

If the employee refuses the employer's offer to furnish transportation as provided herein, the employee shall not be entitled to reimbursement for parking.

Management Rights: The employer shall have the right and full authority to manage the business and the exclusive right to direct and assign the working forces including assigning work and decide all matters including but not limited to layoff, recall, hire, discharge, liquidate and close down the business or any part thereof, except to the extent the Employer is specifically prohibited from doing so by the terms and conditions of this Agreement.

ARTICLE IX
BUSINESS MANAGER-FIELD
REPRESENTATIVE-STEWARDS-

SECTION 1. The Business Manager or Field Representative of the Union shall be allowed to visit the job site during working hours. If

there is a location for visitors to sign in on the project, the business agent must sign in prior to entering any work area.

The Employer shall give the Union at least forty-eight (48) hours notice before laying off the steward in all cases. There shall be no non-working stewards.

Except for paving jobs, the Local Union which has geographical jurisdiction of the area in which a job is performed shall have the right to furnish an employee, who may be named as steward, provided that the Employer requires four or more Laborers to work on the project.

It is the intent of the parties that this Section 2 shall not be construed to require displacement of a laborer who performed the task (assigned for overtime) during the regular work day.

The employer may discharge stewards without prior notice for just cause.

SECTION 3. Laborer Foremen: Laborer Foremen must have been members of LIUNA in good standing for a period of not less than one (1) year and shall receive not less than \$2.50 above the regular straight time hourly rate payable to laborers or as negotiated.

For purposes of directing laborers on all projects where eight (8) or more laborers are

employed, a laborer foreman shall be selected by the Employer. If the Employer decides there is need for additional foremen, such additional foremen shall be supplied by the Local Union that has territorial jurisdiction in the area where the job is located.

The laborer foreman shall not be compelled to work with the tools when there are eight (8) or more employees in the crew he is assigned to supervise. Foremen may be required to use tools if the Employer determines the crew does not require continuous supervision.

SECTION 1b. Employers signatory to this Agreement hereby acknowledge and agree to be bound by the Agreement and Declaration of Trust and any amendments thereto, for each respective Fund enumerated in Section 1a above.

It is recognized that the policies and procedures promulgated by the Trustees with regard to matters concerning the payment and collection of contributions may change. Signatory Employers hereby agree to be bound to such policy and procedures and changes set by the Trustees unless in conflict with this Agreement.

All such payments to the Funds are to be made in such manner and at such time as the Trustees of the respective Funds shall determine, but in no event shall such contributions be required to be paid more often than monthly, or sooner than the 25th day of the month following the month in which said contributions were earned except as subsequently set forth in this Article. However, in the event that an Employer is delinquent in the payment of contributions, the trustees of the respective funds may, upon written notice to the Employer, require that Employer make contributions to the funds on a weekly schedule and that such weekly contributions may be required for a period of up to twelve (12) months. If the Employer has not paid such weekly contributions timely during the preceding period, the trustees of the respective funds may require weekly contributions to be made for periods which exceed twelve months.

The trustees may also require Employers who are based outside the state of Connecticut, to make contributions on a weekly basis, without regard to the payment history of such Employers. Interest on delinquent amounts may be required. The Trustees shall apply such contributions to provide such plan or plans of benefits for eligible employees as the Trustees shall determine. The Employer shall be liable to pay contributions provided above only for hours worked in covered employment in the geographical jurisdiction covered by the respective Funds. In no event shall the Employer be liable to make duplicate contributions to more than one Fund providing the same type of benefits.

Fringe contributions shall be based on eight (8) hours of contributions for all shifts, provided the employee works the complete shift.

The Union and its members shall not perform bargaining unit work for a signatory contractor who is sixty (60) days or more delinquent in contributions required by the Collective Bargaining Agreement.

SECTION 2. The Funds shall be maintained at all times as jointly administered Taft-Hartley trust funds with an equal number of employer and labor trustees herein referred to as the "Trustees", selected and serving and with such powers and duties, all as may be provided from time to time by the applicable Trust Agreement. Upon request by the parties, the Funds shall furnish to the Association and the Union copies of their respective annual audit reports and annual actuarial or consulting reports.

SECTION 3. Each fund shall at all times be operated in conformance with applicable Federal and State laws and regulations, and shall be maintained as a tax exempt trust under the provisions of the Internal Revenue Code so that Employer contributions to said

Fund shall at all times be deductible as a business expense. The Employer shall not be liable to contribute to such Fund for hours worked during the period that contribution(s) are not deductible.

SECTION 4. At the discretion of a Fund's Trustees, an Employer determined to be delinquent in its payments as required herein may be held liable for all contributions due to the Fund and reasonable attorney's fees, court costs, audit fees and other expenses incurred incidental to collection of contributions due the Fund, including a reasonable rate of interest on contributions due. Appropriate payroll records of the Employer may be subject to audit by the Trustees or their authorized representative upon reasonable notice. The Trustees shall have all powers with respect to the audit of appropriate payroll records and the collection of delinquent contributions, interest, audit fees, attorney's fees and other expenses of collection as may be provided from time to time by the applicable Trust Agreement. The Employer shall be required to maintain and make available such pay records that are necessary for payroll audits.

Once an Employer has been adjudged a delinquent to any of the Funds as provided herein, said Employer may be required by the Trustees, in addition to remitting to the Funds monies due for past delinquencies and appropriate costs associated therewith, to furnish a surety bond equal to the average of three previous months contributions rounded to the nearest thousand, but in no event less than ten thousand dollars (\$10,000) to the Trustees of each of the Funds to which contributions are required to be paid pursuant to this Article.

SECTION 5. In accordance with Section 5.02(g) of ERISA, as amended, the Trustees do establish the rate of interest to be paid by Employer under Section 6621 of the Internal Revenue Code of 1954 (currently twelve percent (12%) per annum); and further,

liquidated damages shall be assessed in an amount of twenty percent (20%) of the amount of the delinquency, or such higher percentage as may be permitted under federal or state law, plus reasonable attorney's fees and costs of the action.

Employers who are adjudged delinquent by the Fund Trustees in their payments to the Health, Pension, Legal Services, Annuity and Training Funds shall not have the privilege of employing Laborers under the terms of this Agreement if such payments have not been made after written notice of such delinquency is given by the Union and seventy-two (72) hours have elapsed after such notice. All employees affected by such delinquency to any of the above-mentioned Funds, and who have lost work as a result thereof, shall be paid their normal wages by the delinquent Employer, until said delinquency is cured and the employees resume their work.

SECTION 6. Nothing in this Agreement, the Trust Agreement, a plan of benefits or any other document shall be construed to impose upon the Employer or other contributor any liability or obligation to contribute or make any other payments to any Fund toward the cost of benefits or the cost of administration of funding of the Plan beyond the obligation of the Employer to make contributions and pay expenses of collection as specified in Sections 1 and 4 above except as required by law. Except to the extent that the Association and the Union may participate in the selection of trustees, neither the Association, nor the Union nor any Employer shall be responsible for the operation or administration of the Funds. In no event shall the Association, the Union or any Employer be liable for any action or failure to act of any trustee. It is agreed and understood that this Section shall serve as a defense to any allegation or course of action brought by any individual or entity which might jeopardize the employer's or other contributor's position

that its liability is strictly limited as stated herein.

The Pension Fund and Health and Welfare Fund shall each have a Board of Trustees consisting of eight (8) Trustees, four (4) of whom shall be appointed by the Council, two (2) by the Association, and two (2) by the Connecticut Construction Industries Association, Inc. (C.C.I.A). The Legal Services Fund and the Connecticut Laborers' Annuity shall have a Board of Trustees consisting of four (4) Trustees, two (2) of whom shall be appointed by the Council, one (1) by the Association, and one (1) by the CCIA. The Board of Trustees shall administer the respective Funds. Representation on the Board of Trustees of all Funds referred to in this Agreement shall at all times be equally divided between Union and Management (Association and C.C.I.A.) representatives.

SECTION 7. In the event that a subcontractor is delinquent in the payment of wages or contributions to the fringe benefit funds as required by this Agreement, the General Contractor, upon written notice from the Union shall be liable therefore, provided however, that: 1. written notice of any such delinquency is sent to and received by the General Contractor within two weeks of the time payment was due from the subcontractor; and, 2. the delinquency is for contributions for hours of work performed on the Employer's project only; and, 3. amounts are or will be due to the subcontractor.

Deductions shall be made from the net pay of each employee who is or who becomes a member of the Union within the scope of the bargaining unit and is covered by this Agreement, provided such employee has voluntarily authorized the Employer to do so in writing with the authorization forms to be furnished to the Employer, as set forth below:

AUTHORIZATION FOR DUES
DEDUCTION

I hereby authorize my Employer to deduct from my wages each week two percent (2%) of the contractual wage and fringe benefit package, effective the date of this authorization, for each hour worked to constitute what are known as the hourly deductions as part of my membership dues for said week to maintain my membership in good standing in the Union as a condition of employment. Such deductions shall be made from my earned pay on each regularly scheduled pay day and shall be remitted to the designated depository at the same time and along with the Health and Welfare, Pension, New England Laborers' Labor Management Cooperation Trust Fund, Legal Services, Annuity, New England Health and Safety Fund, and Training Trust Fund contributions. This authorization and assignment shall continue in full force and effect whether or not I remain a member of the Union for a period of one year following the date it was signed or until the current applicable collective bargaining agreement expires, whichever is sooner, and for any subsequent similar period thereafter unless revoked by me within fifteen (15) days immediately preceding such contract term or one year, whichever is sooner. The above revocation must be in writing, bear the date and my signature, and be delivered to the Union and to the Employer with whom I am then employed.

b. Two Cents (\$.02) of the amount provided in Section 1 shall be used as a voluntary contribution payable to the Laborers' Political League (LPL) to enable the Connecticut Laborers' District Council and its affiliated Local Unions to participate more

fully in matters affecting the welfare of its members.

LABORERS' POLITICAL LEAGUE
DEDUCTION

I further authorize the Employer to deduct the sum of two cents (\$.02) per hour for each hour worked as a voluntary contribution to the Laborers' Political League (LPL), which I understand constitutes a separate aggregate fund used for the purposes allowed under the Federal Election Campaign Act, 2 U.S.C. Section 441B.

The two cents (\$.02) per hour deduction authorization for contribution to the LPL is subject to revocation at any time. The above revocation must be in writing, bear the date and my signature, and be delivered to the officers of the Local Union of which I am a member and to the employer with whom I am then currently employed.

Such deductions shall be made from my earned pay on each regularly scheduled pay day and shall be remitted to the designated depository at the same time and along with the Health, Pension, Training, Annuity and Legal Services Trust Fund contributions. All such deductions shall be reported on one form, included in one check and sent along with all other funds provided for in this Agreement.

LABORERS POLITICAL LEAGUE

AUTHORIZATION

I hereby authorize and direct each employer signatory to an agreement with the Laborers' International Union of North America or any of its affiliates for whom I work to deduct from my paycheck two cents (\$.02) for each

hour worked every pay period and to remit such amount to the Laborers' Political League ("LPL") at such times as other remittances are made to the Union.

This authorization is voluntarily made. I understand that the signing of this authorization and the making of payments to LPL are not conditions of membership in the Union or of employment with any employer, that I have a right to refuse to sign this authorization and to contribute to LPL without reprisal and that LPL will use the money it receives to make political expenditures and contributions in connection with federal, state and local elections. I also understand that this amount of money is merely a suggested guideline, that I am free to contribute more or less than this amount by any lawful means other than this check-off and that the Union cannot favor or disadvantage me because of the amount of my contribution or my decision not to contribute.

This authorization shall remain in effect until revoked by me in writing.

Contributions to the Laborers' Political League are not deductible as charitable contributions for federal income tax purposes.

SECTION 3. The Union agrees to indemnify and save the Employer and the Association harmless against any and all claims, suits or other forms of liability arising out of the Employers' participation in or performance of the provisions of the Article. The Union assumes full responsibility for the disposition of the monies so deducted once they have been paid to the Union.

SECTION 4. The Union shall indemnify and hold harmless each Employer from any claim arising under this Article including the furnishing of counsel to defend against any such actions.

SECTION 5. Any Employer who fails to file his reports and remit the deductions when same is due and payable shall be considered in violation of this Agreement and subject to penalties set forth in Article X.

ARTICLE XII
ASSOCIATION PROGRAM

SECTION 1. The Employer agrees to pay the AGC/CCIA Building Contractors Labor Division of Connecticut, Inc., its successors or assigns, hereinafter referred to as the "Association" the sum of eleven cents (\$.11) per hour for each payroll hour worked by each of its employees covered by the terms of this Agreement.

SECTION 2. Payments to the Association are due and payable on or before the 20th day of the month next succeeding the month for which the sum is payable The employers' report of payments to the Association shall be incorporated on the monthly "Employers' Remittance Report" in use by the Connecticut Laborers' Pension Fund, or on

such other report as the Association shall determine; such payments to be made by separate checks and sent at the same time and along with the contributions payable to the Connecticut Laborers' Pension Fund, or in such other manner as the Association shall determine. A copy of each monthly "Employers' Remittance Report", or other form as might be required by the Association shall be forwarded to the Association whether it contains information concerning payments to the AGC pursuant to this Article or not.

SECTION 3. The Union agrees to furnish the Association with the following: (a) a copy of every signed individual collective bargaining agreement and/or participation agreement and/or other acceptance of the terms and provisions of any collective bargaining agreement for work covered by this Agreement with each and every employer not represented by the Association, hereinafter referred to as the "Independent Agreement"; and (b) up-to-date lists, no later than monthly, of the names and addresses of all employers signatory to an Independent Agreement for the types of work covered under this Agreement.

SECTION 4. The Union agrees to propose that all the provisions contained in this Article XII, ASSOCIATION PROGRAM, shall be included in every Independent Agreement. The Union further agrees that the total hourly economic cost (i.e. hourly payments required), including payments to the Association, for companies covered under such Independent Agreements shall not be less than the total hourly economic cost for Employers covered under this Agreement. In the event the total economic cost for employers is greater than the total hourly economic cost for any employer covered under an Independent Agreement, all Employers covered under this Agreement shall have the option to equalize the total hourly economic cost as provided in such

Independent Agreement but shall not thereby be relieved from making payments to the Association as provided in this Article.

SECTION 5. If the Union (Local Union or the Council) accepts or is a party to any Agreement with any employer for work covered under this Agreement that does not include all provisions of this Article XII, the Association shall have the option, in its sole discretion, to delete Article XI, DUES CHECK-OFF, in its entirety from this Agreement (for all areas in the State of Connecticut or for solely the geographic territory of the Local Union that is signatory to the Independent Agreement that does not include all of the provisions of Article XII), and/or to delete this Article XII, ASSOCIATION PROGRAM, in its entirety from this Agreement, and to have all Obligations contained in the deleted Article or Articles immediately cease and determine.

SECTION 7. In the event an employer elects not to contribute to the Association Program (IAP), then an additional payment in the

same amount shall be contributed to the New England Laborers' Training Fund (NELTF). In the event an employer elects to contribute to the IAP but fails to make such contributions, such contributions shall be deemed to be due and owing to the NELTF. In the event the employer fails or refuses to make the contributions to the NELTF described above within the time provisions of Article X, the collection provisions of Articles X of the Agreement shall apply to such contributions. Should no election be made (or can be determined to have been made), any such contributions received timely shall be presumed to be to the IAP. An employer may change its election of payment to or from the IAP or the NELTF upon sufficient notification. Neither the Union nor its representatives may encourage or persuade any Employer to (1) not make contributions in the amount set forth in this agreement to the IAP or (2) make such contributions to the NELTF rather than to the IAP.

SECTION 1(b). If, after forty-eight (48) hours written notice to the Employer and the Association, an Employer shall fail to pay any wages due employees under the terms of this Agreement, and there is no dispute concerning the wages due, then, any other provision notwithstanding, the Union shall have the right to have the employees of that Employer cease work. Payment by a check that is not honored by the bank upon which it is drawn, shall be prima facie evidence of nonpayment of wages. A dispute regarding classifications and rate of wages to be paid therefore, or actual hours due shall not be considered non-payment of wages and shall be subject to the arbitration procedures as stated herein.

SECTION 2. It is the good faith intention of the parties hereto that by the execution of this Agreement industrial peace shall be brought about and that the Union and the Employer shall cooperate to the end that work may be done efficiently and without interruption.

SECTION 3. If any difference of opinion or dispute should arise between the parties as to the interpretation or application of this

Agreement, a complaint will be made by the aggrieved party within two (2) working days of the time the complaining party knew or reasonably should have known of the occurrence giving rise to the grievance. In each case, the first attempt at settlement shall be made between the Business Manager of the Local Union and the Employer or his representative.

SECTION 4. Disputes which cannot be adjusted between the Employer and the Local Union within forty-eight (48) hours after they are made under Section 3, shall be referred to a Board of Adjustment. Such reference shall be on the agreed upon grievance form and shall contain a brief settlement of the dispute. Said notice shall be sent to the Association or the Union as appropriate, by facsimile and first class U.S. mail or certified mail postmarked within fifteen (15) working days after failure to adjust the dispute between the Employer and the Local Union as provided by the section. Copies of said notice shall be sent simultaneously and by facsimile and first class U.S. mail or certified mail to the adverse party. The Board of Adjustment shall be composed of two arbitrators selected by the Association and two arbitrators selected by the Connecticut Laborers' District Council. This Board of Adjustment shall hear all said disputes within ten (10) working days after receipt of the notice provided for in this Section and shall issue its decision in writing within ten (10) working days after the close of the hearing. The Board of Adjustment shall be sworn and shall administer oaths or such oaths shall be waived in accordance with the provisions of Connecticut law. The parties may agree to extend any of the time limits by mutual written agreement.

SECTION 7. The Arbitration Board shall be sworn and shall administer oaths or such oaths shall be waived in accordance with the provisions of Connecticut law. The Arbitration Board shall not have the power to amend, add to or alter the provisions of the Agreement, but within thirty (30) days after

SECTION 5. If, within forty-eight (48) hours no adjustment or settlement is resolved by the procedures of Section 4 above, the matter shall immediately be referred in writing to an Arbitration Board consisting of two (2) members appointed by the Association and two (2) members appointed by the Council which appointments shall be made within forty-eight (48) hours after referral. A neutral Chairman from the following list:

Michael Walsh
Mark Irvings
Richard Boulanger
Tim Bornstein
Joseph Celentano

will be selected by these appointees. In the event that the four (4) Arbitrators so appointed fail to agree within forty-eight (48) hours on the selection of a neutral chairman, the parties shall select a Chairman from a list furnished by the American Arbitration Association.

SECTION 6. In the event the four (4) arbitrators so appointed are unable to select the Chairman by mutual agreement, the Chairman shall be chosen by each party alternately eliminating one name from the above list, and the last name remaining on the list shall be the selected Chairman. The first party to eliminate a name in the first case above shall be the Council, add the next elimination that of the Association and alternately thereafter.
