ARTICLE 8 - CONFLICTING AGREEMENTS

If the Unions enter into any Agreements with any individual Employer or group of Employers competing in the same type of work which provides for less favorable wages, hours or conditions than herein specified, the Employer parties hereto may open this Agreement for the express and exclusive purpose of negotiating less favorable wages, hours or conditions.

ARTICLE 9 - VIOLATIONS OF AGREEMENT

If disputes cannot be resolved between the parties, then alleged violations of the terms of this Agreement are subject to the Settling of Disputes clause of this Contract.

ARTICLE 10 - DISCHARGE

The Employer may discharge any Employee whose work or behavior is unsatisfactory or who fails to observe the safety precautions of other reasonable rules and regulations prescribed by the Employer or any governmental agency.

ARTICLE 11 - SETTLING OF DISPUTES

A. Any controversy over the interpretation of, or adherence to the terms of this Agreement shall first be attempted to be resolved between the Union and the Employer. Any controversy or grievance shall be deemed to be waived unless submitted in writing within ten (10) working days after the first occurrence of the event or knowledge of the condition giving rise to the grievance.

B. If a satisfactory settlement cannot be reached within five (5) working days the matter may be brought to the AGC-Basic Trades Disputes Board, if both parties agree in writing. In such case the grieving party shall submit a written statement of the claim and facts of the matter to the other parties including the Employer, the Union and the AGC. (The rules of the Disputes Board shall be those already adopted by the Joint Committee.)

Both parties must sign an Agreement to bring a matter to the Disputes Board and binding them to the Board's decision. If either party does not attend a meeting after signing, as stated above, and being notified of the meeting date and time, a decision will be rendered though they are not present.

Decision of the Disputes Board will be drafted at the conclusion of the meeting, signed by members of the Board, and distributed to both parties at that time.

C. The Disputes Board is to be made up of equal numbers of Management and Labor representatives, who will meet regularly to settle any disputes, (other than jurisdictional disputes) to avoid work stoppages, or other problems affecting productivity. This Board shall have no power to add to, delete, or modify, any of the terms or provisions of this Agreement. All decisions of the disputes Board shall be final and binding on the parties.

If either party, after signing the above documents, refuses to abide by the decision of the Disputes Board, economic action may be taken by the other party.

D. Should the disputes Board, as established, be unable to reach a decision on the matter before it, or because of a deadlock (lack of majority) or if either party refuses to use the Joint Disputes Board then the matter may be referred to a Board of Arbitration that shall operate in the following manner:

The Union shall appoint an Arbitrator and the Employer shall appoint an Arbitrator within ten (10) working days and the two Arbitrators thus selected shall appoint a Neutral Chairman. In the event of the failure of the Arbitrators selected by the parties to agree on the Neutral Chairman within ten (10) working days after the dispute is referred to arbitration, they shall ask the Federal Mediation and Conciliation Service for a list of five (5) names from which the aggrieved party shall strike the first two (2) names and the other party shall then strike two (2) names, and the final name shall be selected as the Neutral Chairman. The Neutral Chairman thus selected shall set the time and place of hearings, which shall begin no later than ten (10) working days after his selection, with the final

decision to be handed down in not more than ten (10) working days after the last hearing is held. The time may be extended by mutual agreement between the parties.

The decision of the Arbitrators shall be final and binding on signatories to this Agreement who are parties to the dispute; provided, however, that the Arbitrators shall have no power to add to, delete, or modify any provisions of this Agreement.

The Employer will pay all the expenses of its Arbitrator and the Union will pay all the expenses of its Arbitrator, and the Employer and the Union shall share equally all fees and expenses of the Neutral Chairman.

All work and other conditions prevailing immediately prior to the raising of the question to be decided under this Article shall remain unchanged until final decision has been reached hereunder.

ARTICLE 12 - SAFETY

No Employee shall be allowed to work where open salamanders, gasoline, oil or any torch, which is injurious to the health of the members, are used. Salamanders in particular must be piped to a flue or outside opening.

ARTICLE 13- PICKETS, BANNERS AND STRIKES

The Employer shall not require an Employee to go through a primary picket line or banner to work. It shall not be a violation of this Agreement and it shall not be cause for discharge or disciplinary action in the event an Employee decides not to cross a primary picket line or banner. This clause shall not apply to secondary picket lines or banners and it shall not apply to jurisdictional picket lines or banners.

ARTICLE 14- STRIKES, LOCKOUTS, WORK INTERFERENCE

The Union and the Employers agree that there shall be no strike, lock-out, work stoppage, slow-down, sit-down, stay-in or other concerted interference with the Employer's business or affairs by the Union and/or members thereof, and there shall be no strike during the existence of this Agreement without first giving the Employer and the Union 48 hours notice and sending the dispute through procedures established in Article 11.

ARTICLE 15 - UNION REPRESENTATIVES

Only authorized Union Representatives shall have the right to confer with Employees on the job. Each and every Union Representative shall first contact the job superintendent or foreman, or whoever is in charge of the project before conferring with any Employee. If no Employer Representative is available the Union Representative shall leave his/her business card in the job shack before conferring with Employees. At no time shall such Union Representative hinder or interfere with the progress of the work.

It shall be the obligation of the Union Representative to adhere to all pertinent safety rules of the particular job while on the Employer's premises.

ARTICLE 16 - PAYROLL RECORDS

In case of a dispute arising over hours and wages, the union shall have the right to examine the payroll records of the individual Employees covered by this Agreement upon which there is a dispute. Prior to the actual examination, a written request shall be submitted to the Employer involved.

ARTICLE 17 - APPLICATION OF WAGE RATES

The determining factor in applying different wage rates shall be the geographic location in which the work is being performed and not the home address of the Employee or Employer. Pay rates for other crafts with respect to areas are irrelevant.

ARTICLE 18 - PAYDAY AND WAGE PAYMENT

All regular, full time Employees covered by this Agreement shall be paid in full each week. Not more than seven (7) working days shall be held back, including payday.

Wages shall be paid at or before the end of the shift of the designated payday.

When an Employee is laid off, or discharged he/she shall receive all money due him/her in cash or negotiable check the next working day. If the Employee does not appear to collect the check the Employer will immediately mail the check to the Employee's last known address. If the Employer does not mail the check within the next working day, three (3) hours pay for each working day will be assessed as penalty. The Employer must be informed within five (5) working days of non-receipt or the Employee will forfeit the penalty.

An Employee who quits will be paid any wages due him/her at the next regular payday.

The Employer agrees to provide the following information on Employees' check stub: Hours, date, regular pay, overtime pay, gross pay, deductions and net pay.

Wage rate classifications in this Contract establishes only a rate for Employees and in no way relates to manning of projects.

ARTICLE 19 - FRINGE BENEFITS

The Employer agrees to contribute every month, not later than the 15th of the following month, hereinafter called the "due date", such sums for Pension, Health and Welfare, Savings, Apprenticeship or Training, and Promotion funds as they may be established, an amount for each hour worked by all Employees covered by this Agreement. The fund's Trustees shall equally represent the Union and the Employer. The terms of the trust agreements establishing those funds are hereby incorporated as a part hereof.

1. Contributions are to be paid on one check with all other fringes to an administrative agency as designated by the trustees.
2. Reporting forms and instructions are to be standardized with other basic trades.
3. Contributions are to be paid on an hourly basis on all hours worked and not to be pyramided. Example: If hourly wage is \$3.00 plus 10 cents fringe, time and one-half overtime rate equals \$4.50

plus 10 cents fringe. On shift work, contributions are to be paid on the same proportionate hourly basis as hours worked to hours paid.

4. Any Insurance Carrier, Administrator, Consultant, Actuary or Fiduciary Agent which may be used shall be selected by competitive bidding upon invitation by Trustees.

5. There shall be no requirement that Employees sent to work outside the scope of this Agreement be paid fringes, nor shall the Employer be required to duplicate fringe contributions.

6. Delinquencies:

a) An Employer will be considered "delinquent" for a particular work month if its required report and payment for that month are not postmarked on or before the 15th day of the following month (the "due date") irrespective of whether such delinquency is willful or otherwise.

b) If an Employer becomes delinquent for a particular work month (as provided in (a) above), they shall also be required to pay, as liquidated damages and not as a penalty, an amount equal to 10% of the payment otherwise due for such work month, it being understood and acknowledged by the parties that actual damages are extremely difficult or impossible to ascertain and that the amount so fixed as liquidated damages is reasonable.

c) If an Employer becomes delinquent for a particular month (as provided in (a) above) as to any or all of the Trust Funds, and if the reports and the full payment due for such work month (including liquidated damages) are not postmarked in the office of the Fund Administrator on or before the 15th day of the month following the applicable due date, such Employer shall (in addition to paying the full amount due) be required to post in the office of the Fund Administrator a cash or surety bond in form satisfactory to the Trustees and in the face amount of not less than \$25,000, but in such an amount as shall reasonably be required by the Trustees, which shall cover all of the Trust Funds and assure payment of all sums called for by this Agreement in the event of the Employer's subsequent delinquency as to any or all of the Trust Funds, and which shall be kept in force and maintained in the full face amount for a period of not less than 12 consecutive calendar months during which no further delinquency has occurred on the part of such Employer. The Union may refuse to supply workers and shall prohibit Employees covered by this Agreement from working for any such delinquent Employer who fails or refused to provide or maintain such bond.

d) Illustration of clauses (a), (b) and (c) above: If an Employer's report and payment for the January work month have not been postmarked before February 15, such Contractor becomes delinquent at that point and must pay the full amount due, plus 10%. If the report and the full payment for January (including the 10% liquidated damages amount) are not postmarked before March 15, the Employer must then post a bond, as provided above, in addition to reporting and paying the full amount due.

e) The Delinquent Employer shall also be required to pay all costs of collection actually incurred by the Trust Funds, including all attorney fees, service fees, filing fees, court reporter fees, and all other fees, costs and disbursements incurred by or on behalf of the Trust funds in collecting the amount due. Trustees at their discretion may reimburse (from the fund) the Union for picketing and banner expenses actually incurred by the Union in collecting amounts due the Trust Funds, which expenses shall be deemed to be costs of collection incurred on behalf of the Trust Funds.

f) Each Employer who is required to make payments to the Trust Fund shall promptly furnish to the trustees or their authorized agents, on demand, all necessary employment and payroll records relating to its Employees covered by this Agreement, including any other relevant information that may be required in connection with the administration of the Trust Funds. By mutual agreement the

Trustees, or their authorized agents may examine such employment, or payroll records whenever such examination is deemed necessary in connection with the proper administration of the Trust Funds.

If any Employer fails or refuses to furnish its payroll records to the Trustees, or their authorized agents upon demand or refuses to afford the Trustees, or their authorized agents reasonable opportunity to examine the same in accordance with standard auditing procedures, the Trustees may enforce such rights by legal action, in which event all attorney fees, service fees, filing fees, court reporter fees, and other legal costs and disbursements, as well as the auditing fees and costs incurred in conducting such audit, shall be paid by such Employer on directions by the Trustees. The Union shall also have the right to take economic action to enforce such rights on behalf of the Union and the Trustees, and the Trust Funds shall reimburse the Union for picketing and bannering expenses actually incurred in enforcing such rights.

g) Notwithstanding the provisions of Article 11, Settlement of Disputes, the failure, refusal or neglect of an Employer to report and to pay sums due the Trust Funds or otherwise to comply with the terms and provisions of this Article shall not be subject to arbitration.

h) The parties to this Agreement acknowledge that the provisions of this Agreement establishing rates of pay, wages, all hours of employment and other terms and conditions of employment, including fringe benefits, apply to Employees employed in job classifications within the jurisdiction of the Union, regardless of whether or not such Employees are members of the Union, and are due and payable for all work performed in covered employment.

7. Any and all fringe contribution rates shall be open for adjustment upon each anniversary date of the effective date of this contract, and shall be within the discretion of the Trustees. The Trustees shall provide thirty (30) days written notice to the Union and to the AGC of any adjustment, and such adjustment shall operate to adjust wages in a like amount.

8. When, as and if Health and Welfare or other plans are mutually agreed upon, such contributions shall act to reduce wages by a like amount, unless otherwise agreed to by the parties in writing.

ARTICLE 20 - SAVING CLAUSE

This Agreement is intended to be in conformity with all applicable and valid State and Federal laws, rules and regulations.

Any conflict between the provisions of this Agreement and the terms of any such laws and regulations shall cause the provisions of this Agreement so in conflict to be superseded or annulled, but shall not supersede or annul the terms and provisions of this Agreement which are not so in conflict.

ARTICLE 21 - ENTIRE UNDERSTANDING

ARTICLE 22 - INTERNATIONAL UNION

It is stipulated and agreed to by and between the parties to this Agreement that the act of the International Association in approving this contract as to form and substance, the International Association, its officers and agents, shall not in any manner thereby become a party to this

Agreement nor is there any duty, liability or obligation imposed upon the International Association, its officers or agents, respecting the terms and conditions of this contract in any manner whatsoever.

It is further stipulated and agreed that the approval by the International Association as to form and substance is only for the purpose of indicating that the International Association certified that the said contract is not in violation of the International Constitution and By-Laws and is approved as to form and substance for that purpose only and no other.

ARTICLE 23 - DURATION

All terms of this Agreement shall be effective as of June 1, 2010 and will remain in full force and effect through May 31, 2013.

The employer bound to this Agreement recognizes the Union as the exclusive majority representative of all employees covered by this Agreement pursuant to Section 9(a) of the Labor-Management Relations Act. This recognition of majority support is based on an unequivocal request for recognition by the Union as majority representative along with the Union having shown or offered to show evidence of its majority support.

ARTICLE 24 – LETTER OF UNDERSTANDING

Employers signatory to this Agreement will not sue the Local Union for refusal to require employees to go through a separate gate. The individual Employee who voluntarily refuses to go through a separate gate will not be discharged or disciplined and may be rehired if work is available, but without back pay.
