2. Reporting forms and instructions are to be standardized with other basic trades.

3. Contributions are to be paid on an hourly basis on all hours worked and not to be pyramided. Example: If hourly wage is \$3.00 plus 10 cents fringe, time and one-half overtime rate equals \$4.50 plus 10 cents fringe. On shift work, contributions are to be paid on the same proportionate hourly basis as hours worked to hours paid.

4. Any Insurance Carrier, Administrator, Consultant, Actuary or Fiduciary Agent, which may be used, shall be selected by competitive bidding upon invitation by Trustees.

5. Delinquencies:

a) An Employer will be considered "delinquent" for a particular work month if its required report and payment for that month are not postmarked on or before the 15th day of the following month (the "due date") irrespective of whether such delinquency is willful or otherwise.

b) If an Employer becomes delinquent for a particular work month (as provided in (a) above), they shall also be required to pay, as liquidated damages and not as a penalty, an amount equal to 10% of the payment otherwise due for such work month, it being understood and

acknowledged by the parties that actual damages are extremely difficult or impossible to ascertain and that the amount so fixed as liquidated damages is reasonable.

c) If an Employer becomes delinquent for a particular month (as provided in (a) above) as to any or all of the Trust Funds, and if the reports and the full payment due for such work month (including liquidated damages) are not postmarked in the office of the Fund Administrator on or before the 15th day of the month following the applicable due date, such Employer shall (in addition to paying the full amount due) be required to post in the office of the Fund Administrator a cash or surety bond in form satisfactory to the Trustees and in the face amount of \$7,500, which shall cover all of the Trust Funds and assure payment of all sums called for by this Agreement in the event of the Employer's subsequent delinquency as to any or all of the Trust Funds, and which shall be kept in force and maintained in the full face amount for a period of not less than 12 consecutive calendar months during which no further delinquency has occurred on the part of such Employer. The Union shall refuse to supply cement masons and shall prohibit Employees covered by this Agreement from working for any such delinquent Employer who fails or refused to provide or maintain such bond.

d) Illustration of clauses (a), (b) and (c) above: If an Employer's report and payment for the January work month have not been postmarked before February 16, such Contractor becomes delinquent at that point and must pay the full amount due, plus 10%. If the report and the full payment for January (including the 10% liquidated damages amount) are not postmarked before March 16, the Employer must then post a \$7,500 bond in addition to reporting and paying the full amount due.

e) The Delinquent Employer shall also be required to pay all costs of collection actually incurred by the Trust Funds, including all attorney fees, service fees, filing fees, court reporter fees, and all other fees, costs and disbursements incurred by or on behalf of the Trust funds in collecting the amount due. Trustees at their discretion may reimburse (from the fund) the Union for picketing and bannering expenses actually incurred by the Union in collecting amounts due the Trust Funds, which expenses shall be deemed to be costs of collection incurred on behalf of the Trust Funds.

f) Each Employer who is required to make payments to the Trust Fund shall promptly furnish to the trustees or their authorized agents, on demand, all necessary employment and payroll records relating to its Employees covered by this Agreement, including any other relevant information that may be required in connection with the administration of the Trust Funds. By mutual agreement the Trustees, or their authorized agents may examine such employment, or payroll records whenever such examination is deemed necessary in connection with the proper administration of the Trust Funds.

If any Employer fails or refuses to furnish its payroll records to the Trustees, or their authorized agents upon demand or refuses to afford the Trustees, or their authorized agents reasonable opportunity to examine the same in accordance with standard auditing procedures, the Trustees may enforce such rights by legal action, in which event all attorney fees, service fees, filing fees, court reporter fees, and other legal costs and disbursements, as well as the auditing fees and costs incurred in conducting such audit, shall be paid by such Employer on directions by the Trustees. The Union shall also have the right to take economic action to enforce such rights on behalf of the Unions and the Trustees and the Trust Funds shall reimburse the Unions for picketing and bannering expenses actually incurred in enforcing such rights.

g) Notwithstanding the provisions of Article 10 Settling of Disputes, the failure, refusal or neglect of an Employer to report and to pay sums due the Trust Funds or otherwise to comply with the terms and provisions of this Article shall not be subject to arbitration.

h) The parties to this Agreement acknowledge that the provisions of this Agreement establishing rates of pay, wages, all hours of employment and other terms and conditions of employment, including fringe benefits, apply to Employees employed in job classifications within the jurisdiction of the Union, regardless of whether or not such Employees are members of the Union.

6. Any and all fringe contribution rates shall be open for adjustment upon each anniversary date of the effective date of this contract, and shall be within the discretion of the Trustees. The Trustees shall provide thirty (30) days written notice to the Union and to AGC of any adjustment, and such adjustment shall operate to adjust wages in a like amount.
