PREAMBLE

In consideration of the mutual covenants herein recited, which have been established through collective bargaining procedures as provided for under Montana State Statutes, this AGREEMENT has as its purpose the promotion of harmonious relations between the EMPLOYER and the UNION; the establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of rates of pay, hours of work, fringe benefits, employee safety and other conditions of employment.

ARTICLE 1 RECOGNITION

Section 1. The EMPLOYER recognizes the UNION as the exclusive representative for all employees covered by this AGREEMENT.

Section 2. This AGREEMENT shall cover all regular full-time, regular part-time and seasonal employees of Missoula County Department of Public Works who are covered by the classification in Schedules "A," "B" and "C."

Section 3. The UNION shall provide the EMPLOYER with the names of UNION representatives who may be contacted for the transaction of business with the appropriate UNION.

The EMPLOYER representative will be the County's Director of Human Resources.

Section 4. The internal business of the UNION shall be conducted during the non-duty hours of the employees involved.

Designated officers or representatives shall be granted reasonable time off during working hours without loss of pay to investigate and settle grievances, provided that the officer or representative shall request permission from his/her supervisor. Permission may be withheld by the supervisor because of operation requirements but such permission may not be withheld for more than twenty-four (24) hours except in emergencies.

Section 6. Authorized agents of the UNION shall have access to the EMPLOYER'S job sites during working hours for the purpose of adjusting disputes and ascertaining that the AGREEMENT is being adhered to; provided, however, that there is no interruption of the EMPLOYER'S working schedule.

ARTICLE 2
PROTECTION CLAUSE

Section 1. No employee shall suffer a reduction of wages, working conditions or classifications because of the adoption of this AGREEMENT unless such changes have been specifically enumerated, identified, and mutually agreed upon and ratified by both parties to this AGREEMENT.

ARTICLE 3

Section 1. As provided in 39-31-204, MCA, each employee covered by this AGREEMENT shall, as a condition of initial and continuing employment, be required to either maintain membership in, or pay a representation fee to, the appropriate jurisdictional UNION. The amount of initiation fees, monthly dues or representation fees shall be determined solely by the appropriate jurisdictional UNION. An employee shall have thirty days (30) days after their initial date of hire in a bargaining unit position to comply with the terms of this Article. Any employee who fails to comply with this requirement shall be terminated within fifteen (15) days after written notice to the EMPLOYER from the UNION. The EMPLOYER will send the relevant union(s) a copy of all new hire letters within fourteen (14) days of the hire date.

Section 2. Upon written authorization of a bargaining unit employee, the EMPLOYER shall deduct from the pay of the employee the monthly dues or representation fees, as provided in Section 1 of this Article, and shall forward the dues or representation fees to the UNION Treasurer. If an employee finds that a ten (10) hour workday presents a medical hardship, the employee may request to reduce the number of scheduled hours or to appeal for a task compatible with the capacity of the employee's health and ability to perform. The EMPLOYER reserves the right to require medical certification on any medical hardship claim.

Section 4. Permanent part-time employees are entitled to prorated annual vacation benefits if they have worked the qualifying period in accordance with 2-18-611, M.C.A.

Section 5. Annual vacation leave may be accumulated to a total not to exceed two (2) times the maximum number of days earned annually as of the last day of any calendar year. Any balance of vacation leave over two times the maximum number of days earned annually as of December 31 of any given year will be forfeited without pay unless taken within 90 calendar days from the last day of the calendar year in which the excess was accrued. If the employee submits a reasonable

request to use the excess vacation leave prior to March 30 of any given year and such request is denied, the employee shall not forfeit the leave and will have until the end of the calendar year to use the excess vacation leave. Upon termination of employment with the EMPLOYER, any employee who has worked the qualifying period will be paid for any unused vacation leave credits at the rate of pay in effect at the time of termination.

Section 6. Scheduling of vacation leave will be accomplished by cooperation between the employee and road supervisor, or his designee, giving consideration to the employee's needs and the needs of the service. Vacation scheduling will be on a first requested basis and selected dates shall be protected for the applicant unless a senior employee should exercise seniority for that period within two weeks of the original request.

Section 7. Holidays, including those allowed in lieu of the actual holiday, occurring while an employee is on paid vacation shall be earned by the employee and not charged as vacation.

Section 8. Vacation time may be taken on a split vacation basis with the approval of the road supervisor.

Section 9. Military service shall be counted towards annual vacation accrual in accordance with M.C.A. 2-18-614.

ARTICLE 28 SICK LEAVE

Section 1. As provided by state law, each employee shall earn sick leave credits from the first full pay period of employment at the rate of one (1) working day per month without restriction as to the number of working days which may be accumulated. For calculating sick leave credits, two thousand eighty (2,080) hours shall equal one (1) year. Proportionate sick leave credits shall be earned and credited at the end of each pay period.

Section 2. An employee may not accrue sick leave credits during a continuous leave of absence without pay. Employees are not entitled to be paid for sick leave under the provisions of this act until they have been continuously employed for ninety (90) days. Upon completion of the qualifying period the employee is entitled to the sick leave credits earned.

Section 3. Permanent part-time employees are entitled to prorated sick leave benefits if they have worked the qualifying period in accordance with M.C.A. 2-18-618.

Section 4. Full-time temporary and seasonal employees are entitled to sick leave credits provided they work the qualifying period.

Section 5. Upon termination, employees who have worked the qualifying period shall be entitled to be paid an amount equal to one-quarter (¼) of the amount attributed to the accumulated sick leave. Such termination pay will only apply to those credits earned since July 1, 1971. The pay

attributed to the accumulated sick leave shall be computed on the basis of the employee's regular rate of pay at the time of termination of employment with the EMPLOYER.

Section 6. Sick leave credits may be used as follows:

1. Illness or injury of the employee.
2. Illness, injury or death in the employee's immediate family requiring the employee's personal attendance.
3. Quarantine for contagious disease control, provided certification is obtained from the attending physician.
4. Doctor or dental appointments for treatment of employee's illness, injury or preventive care. When possible the employee's supervisor shall be notified of the appointment at least forty-eight (48) hours in advance.
5. To attend or make arrangements for a funeral of a member of the employee's immediate family. Such leave shall not exceed four (4) working days.
6. To attend the funeral of another person at the sole discretion of the department head or his or her designee. Such leave shall not exceed eight (8) hours per calendar year.

Section 7. Immediate family shall mean parents, grandparents, siblings, children or grandchildren of the employee or spouse of the employee or son-in-law, or daughter-in-law, or an individual, though not related by blood, who has been a permanent member of the employee's household.

Section 8.

A. Any illness, medical appointment or emergency which will necessitate use of sick leave shall be reported by the employee to the EMPLOYER as soon as possible, and it shall be the responsibility of the employee to assure proper reporting of use of sick leave for record-keeping purposes. Failure to report such leave as soon as possible will result in the absence being considered as leave without pay.

B. Abuse of sick leave shall be cause for dismissal in accordance with Article 9 and forfeiture of payment for any accumulated sick leave. Sick leave shall be reported on forms prescribed by management.

Section 9. An employee who has exhausted all accrued sick leave credits may request to use: (1) donated sick leave, in accordance with county policy, (2) annual leave, (3) Family and Medical Leave, (4) compensatory time, (5) personal leave, or (6) leave without pay, to cover additional time off caused by a bona fide illness. Such requests are subject to approval by the Employer.

Section 10. Any holidays that fall during a period that an employee is on sick leave will be charged as a holiday and not taken off the total accumulated sick leave.

Section 11. If allowed by state law, sick leave benefits may be integrated with any workers' compensation benefits payable to an employee so the employee shall receive up to, but not exceed, the amounts the employee would have earned with the EMPLOYER, except for such disability benefits. .

Section 12. Advancing sick leave credits after an employee's sick leave credits have been expended is expressly prohibited.

Section 13. Employees who receive supervisory approval to attend local funeral services for a Missoula County employee shall be allowed a reasonable period of time to attend such services without loss of pay and without being required to use paid leave.

ARTICLE 29 UNPAID SICK LEAVE

Section 1. An employee suffering from an illness or disability may take leave without pay in addition to any accumulated sick leave benefits, for the purpose of recovering from such disability or illness in accordance with the following schedule:

A. An employee may take up to one (1) year leave except that any such leave may be extended by mutual agreement between the EMPLOYER and the UNIONS.

B. An employee on unpaid sick leave as outlined in this Article who returns to work within the time-frame outlined in "A" above shall be required to work continuously for a minimum period of three (3) consecutive months full-time before being eligible for an additional leave for the same illness or injury, except that additional leave may be granted for a relapse of the same illness or injury provided that medical certification is furnished by the attending physician. The EMPLOYER reserves the right to demand medical certification concerning the condition from a physician selected by the EMPLOYER. An employee who fails to return to full-time continuous employment within the time frames outlined in "A" above or who fails to comply with this section may be terminated by the EMPLOYER.

Section 2. The EMPLOYER retains the right to temporarily fill any vacancy caused by a medical leave of absence of more than 30 days with a qualified candidate of the EMPLOYER'S choice.

Section 3. The EMPLOYER retains the right to require medical certification of any unpaid sick leave utilization.

Section 4. If an employee takes unpaid sick leave as a result of injury or illness unrelated to the employee's work, the employee shall not be entitled to any Employer contributions to benefits except that the employee may continue to retain County insurance coverage provided that 100 percent of the premium amount is paid by the employee in a manner prescribed by the Plan Administrator.

Section 5. The County will continue to pay the Employer share of medical benefits for an employee who suffers a compensable Worker's Compensation wage loss at the benefit level in effect at the time of the injury. This contribution will cease at the earliest of the following circumstances: the employee returns to work; the employee is no longer eligible for Worker's Compensation wage benefits; the County has paid the County share of medical benefits for 120 days. This Employer contribution applies only to the County share of medical benefits costs. The employee must continue to pay his/her share of the premium in a manner prescribed by the Plan Administrator. An employee may continue dental and/or optical benefits provided that the full premium amounts are paid in accordance with guidelines set forth by the Plan Administrator.

Section 6. In accordance with state law, hours lost as a direct result of an injury covered by Workers' Compensation will be credited against the statutory waiting period. The employer may require medical certification to establish a direct connection between the hours lost and the covered injury.

ARTICLE 30
FAMILY & MEDICAL LEAVE

SECTION 1. Employees may request the use of annual vacation leave, personal leave, sick leave, compensatory time or other appropriate paid leave or leave without pay, for necessary absences for purposes such as adoption, foster care, paternity leave, infant or child care, elder care, or of other members of the employee's immediate family, or serious health condition that makes the employee unable to perform the essential functions of the employee's job. The EMPLOYER shall provide Family and Medical Leave as required by Federal Law.

3. Deny to the employee who is disabled as a result of pregnancy any compensation to which she is entitled as a result of the accumulation of disability or leave benefits accrued pursuant to plans maintained by her employer, provided that the employer may require disability as a result of pregnancy to be verified by medical certification that the employee is not able to perform her employment duties; or
4. Require that an employee take a mandatory maternity leave for an unreasonable length of time.

MILITARY LEAVE

Section 1. An employee who is a member of the organized militia of the state of Montana or who is a member of the organized or unorganized reserve corps or military forces of the United States and who has been an employee for a period of six months, shall be given leave of absence with pay for a period of time not to exceed fifteen (15) working days in a calendar year for attending regular encampments, training cruises, and similar training programs of the organized militia or of the military forces of the United States. This leave will not be charged against the employee's annual vacation time. Reinstatement privileges of employees who have been inducted into military service as provided for under State law will be followed. Military leave shall not be used for week-end drills.

ARTICLE 33
JURY DUTY AND WITNESS LEAVE

Section 1. Each employee who is under proper summons as a juror shall collect all fees and allowances payable as the result of the service and forward the fees to the appropriate accounting office. Jurors fees shall be applied against the amount due the employee from the EMPLOYER. However, if an employee elects to charge his/her juror time off against his/her annual leave he/she shall not be required to remit to EMPLOYER any Jurors Fees paid him/her by the court. In no instance is an employee required to remit to his/her EMPLOYER any expense or mileage allowance paid him/her by the court.

In no instance is an employee required to remit to EMPLOYER any expense or mileage allowances paid him by the courts.

Section 3. EMPLOYER may request the court to excuse employees from jury duty if they are needed for the proper operation of the EMPLOYER.

ARTICLE 34
GRIEVANCE AND ARBITRATION PROCEDURE

Section 1. A grievance is defined as any dispute involving the interpretation, application, or alleged violation of a provision of this AGREEMENT. Grievances or disputes which may arise shall be settled in the following manner:

Step 1. Within ten (10) working days after its occurrence, the aggrieved party shall discuss his complaint with his supervisor and/or Department Head. Within ten (10) additional working days the supervisor or Department Head will reply to the complaint. The employee may have his UNION representative present.

For the purposes of steps 2 and 3 of this article, the date that email notice is sent will be used to begin the calculation of time for that step. On the same date that email notification is sent for each step, a signed copy of the grievance will also be mailed to the UNION.. The UNION will maintain a list of current email addresses on file with the Director of Human Resources for the EMPLOYER to use for email notification.

Step 2. If the grievance is not settled satisfactorily at Step 1, the grievance shall, within ten (10) additional working days, be e-mailed by the UNION to the Department Head in an attached PDF file or other non-alterable format. The written grievance shall set forth the nature of the grievance, the facts on which it is based, the provisions of the AGREEMENT allegedly violated, and the relief requested. The Department Head shall have ten (10) additional working days after receipt of said letter to respond to the complaint in writing an e-mail attachment in a PDF file or other non-alterable format.

Step 3. If the grievance is not settled satisfactorily at Step 2, the grievance shall, within ten (10) additional working days, be appealed in writing, through the UNION to the Board of County Commissioners in an e-mail attachment in a PDF file or other non-alterable format. The Board of County Commissioners shall have ten (10) additional working days after receipt of said letter to respond to the complaint in writing in an e-mail attachment in a PDF file or other non-alterable format.

Step 4. If the matter is not resolved at this point, a conciliation meeting may be held with the parties involved as a final attempt to settle the dispute prior to proceeding with arbitration.

Step 5. Any dispute which has not been resolved by the above grievance procedure shall be submitted to arbitration by the aggrieved party, providing it is submitted within ten (10) working days after the Board of County Commissioners responds in Step 3. The aggrieved party shall notify the other party in writing of the matter to be arbitrated and the contract provisions allegedly violated. Both parties shall immediately request a list of five (5) qualified names from the Federal Mediation and Conciliation Service (FMCS). The flip of a coin shall determine who shall strike the first name, then shall continue alternately until one name is left and that person shall be designated the Arbitrator. In cases where an employee is the aggrieved party, authorization to submit the grievance to arbitration must come from the UNION. Decisions of the arbitrator shall be final and binding on both parties. Costs incurred for the Arbitration shall be borne equally by both parties.

Authority of the arbitrator is limited to matters of interpretation or application of the express provisions of this AGREEMENT. The Arbitrator shall consider and decide only the specific issues

submitted in writing, and shall have no power or authority to add to, subtract from, amend, or modify any of the terms or provisions of this AGREEMENT.

Section 2. If a grievance is not presented within the time limits set forth above, it shall be considered waived. Time limits in each Section may be extended by mutual agreement of the EMPLOYER and the UNION. EMPLOYER grievances shall be filed with the UNION representative at Step 2 of the procedure.

Section 3. In the event one of the parties to the arbitration wants a transcript of the arbitration proceedings, the party requesting the transcript shall pay all costs of such transcript.

ARTICLE 35 SEASONAL HELP

Section 1. A seasonal employee performs work that is interrupted by the seasons, and may be recalled to work without losing rights or benefits accrued during the previous season. A seasonal employee is placed in active employment status during the seasonal activity and is then placed in inactive status until the succeeding season.

Section 2. Seasonal help shall not be eligible for membership in the Missoula County Insurance program, but shall be eligible for other benefits as required by state law.

Section 3. Seasonal help employees shall be allowed to operate any equipment except that a seasonal help employee shall not be allowed to operate equipment on regular basis when a qualified full-time regular non-probationary employee is readily available to operate such equipment.

Section 4: For seasonal employees, time in “active status” will be used: to calculate seniority (Article 8); to calculate longevity (Article 18); to determine the end of probation (Article 6); and to set the date for movement from Class I to Class II wages (Addendums A & B). A seasonal employee will otherwise be considered to be “continuously employed” by the EMPLOYER unless the employee is voluntarily or involuntarily terminated.

ARTICLE 36 SKILL UPGRADING

Section 1. Missoula County will provide a method which will afford Department of Public Works employees covered by this AGREEMENT an opportunity to upgrade skills which will enable them to perform duties related to any classification or equipment. The EMPLOYER agrees to post notices of training opportunities a minimum of five (5) working days; interested employees must submit written applications for a trainee position within the five-day period. Nothing in this provision will exclude an employee from requesting to be trained at any time.

Section 2. An employee may be designated a "trainee" only upon mutual consent of the employee and the Supervisor. In the event it is necessary to limit the number of trainees, the most senior employees shall be given preference.

Section 3. The designation of "trainee" shall apply only for a maximum of forty-five (45) calendar days. No employee may be designated as "trainee" on more than one (1) piece of equipment at a time. Additionally, an employee may not be designated as "trainee" on more than two (2) pieces of equipment during any one (1) year.

Section 4. The Supervisor with the assistance of the Assistant Road Maintenance Supervisor, shall evaluate the performance of the "trainee" at the end of each ten (10) working days of the training period, and shall provide a written report of the evaluation to the "trainee". At the option of the Supervisor, evaluations may be performed more often than above if circumstances require. No final evaluation shall be given until the employee completes at least thirty (30) working days of training.

Section 5. During the training period, the EMPLOYER shall make all reasonable efforts to provide the "trainee" with opportunities to learn the designated skills, consistent with the work demands of the EMPLOYER and the availability of the equipment.

Section 6. At the end of the training period the Supervisor, after consultation with the Assistant Road Maintenance Supervisors, shall certify as to the skill level of the individual, and if the skill level developed is satisfactory, shall enter the name of the "trainee" as eligible for assignment to the particular equipment consistent with the other provisions of this AGREEMENT.

Section 7. In the event that the evaluation in Section 6 above, or any evaluation performed in Section 4 above, is adverse, the Supervisor may, at his/her option, terminate the training program. In that event, the employee shall return to the status held prior to being designated as "trainee" without loss of benefits.

Section 8. Assistant Road Maintenance Supervisors shall be assigned responsibility for the training of unit members, whenever possible. Other unit members may assist in training dependent upon availability and skill level. The Supervisor shall be responsible for evaluation and instruction of employees, as required.

- B. Working supervisors shall be appointed based on qualifications and capabilities.

- B. Operate equipment in emergency situations. The term "Emergency" shall be strictly construed, so as to protect, consistent with the protection of the health, safety and welfare of the general public, the rights of unit members under this AGREEMENT.

ARTICLE 39 OTHER CONDITIONS OF EMPLOYMENT

Section 1. There shall be two (2) persons on all snow plows not equipped with radios.

Section 2. Employees shall be reimbursed for all reasonable costs incurred for lodging and subsistence, in accordance with the Missoula County travel policy, when they are required to stay away from home.

Section 3. In the event the EMPLOYER requires the permanent transfer of an employee in a given job classification to another work location, volunteers will first be solicited. If no qualified employee volunteers for the permanent transfer, the assignment will be made to the least senior qualified employee. This does not apply to disciplinary transfers, which shall be covered in Article 9, Section 1. (A), or transfers made for safety, medical or emergency reasons.

Section 4. If an employee is required to submit to drug and alcohol testing based on a Reasonable Suspicion determination by the Employer, the employee will be placed on paid administrative leave pending the results of such tests. If test results are negative, indicating no drug or alcohol presence, the employee will be returned to work at the earliest opportunity. If test results are positive for drug or alcohol, the employee's own leave, vacation, compensatory or personal leave will be charged for the absence and the applicable provisions of the Employer's policy on drug and alcohol testing for CDL holders will be applied.

ARTICLE 40

This AGREEMENT shall become effective and be in force from October 1, 2010, and shall remain in full force and effect to and including September 30, 2012, except that wages and health insurance only shall be subject to negotiation effective October 1, 2011, if either party to this Agreement serves written notice of proposed changes upon the other party on or before July 1, 2011. This Agreement shall remain in effect from year to year after September 30, 2012, unless one of the parties serves a written notice of proposed changes upon the other party on or before July 1, 2012. Both parties agree to meet regularly at reasonable times and places.

ARTICLE 42
EMBODIMENT

Section 1. It is agreed by the parties who have hereto executed this AGREEMENT that this contract sets forth the entire AGREEMENT between the EMPLOYER and the UNION and that during the course of collective bargaining each party had the unlimited right to offer, discuss, accept or reject proposals and, therefore, for the term of this contract no further collective bargaining shall be had upon any provision of the AGREEMENT, except as provided in this AGREEMENT, unless mutually agreed to by both parties, nor upon any proposal which was offered and discussed but was not made a part of this AGREEMENT. Furthermore, there shall be no verbal or written agreement between the EMPLOYER and the UNION in violation or contravention of this contract.
