In the event that such negotiations are mandated, the parties agree to meet as soon as possible after the action of the fiscal authorities, but no later than June 2; and they agree to complete such renegotiation within five (5) calendar days.

- c. Days: Refers to duty days unless otherwise specified.
- d. Time Limits: If the employer fails to answer within the time limits provided, the grievance may be appealed to the next step. If the grievant fails to appeal within the time limits provided, it shall be deemed as acceptance of the employer's disposition of the claim. Time limits may be extended by mutual agreement in writing.

5.2 Purpose

It is the intent of the grievance procedure to find equitable solutions to complaints or problems at the lowest possible administrative level. Both parties agree that these proceedings will be kept informal and confidential at all levels of the procedure. Nothing herein contained shall detract from the right of an employee to discuss any matter with his/her immediate supervisor or any other appropriate administrative officer. At any level of the grievance procedure, the grievant will be granted release time without loss of pay to attend level hearing if such are scheduled during the grievant's working hours. An employee may not utilize both the grievance procedure contained herein and the administrative appeal procedure to challenge the same alleged violation.

5.3 Procedure

Informal Level - Within fifteen (15) days of the event giving rise to the complaint, or within fifteen (15) days from the date that the employee could reasonably be expected to have knowledge of the complaint, he/she shall discuss, either orally or in writing, his/her grievance with his/her supervisor. Both parties will make efforts to solve the grievance at this informal level. The employee may have representation at this informal level of the grievance procedure at any meeting initiated by the employee.

Level I - If the grievance has not been satisfactorily resolved at the informal level, a written grievance may be presented on the appropriate form to the appropriate Area Assistant Superintendent, Executive Director, or other Administrator within ten (10) days following the reply at the informal level or thirty (30) days of the event if no reply is received at the informal level. If a grievance hearing is to be conducted it shall be scheduled (not necessarily held) within ten (10) days of receipt of the grievance by the Area Assistant Superintendent, Executive Director, or other Administrator. The Area Assistant Superintendent, Executive Director, or other Administrator shall within fifteen (15) days or after the grievance meeting, if held, inform the grievant as to the disposition of the claim.

Level II - If the grievance is not settled at Level I, the grievant may move to Level II by written notice to the Superintendent or a designated representative within ten (10) days. If a grievance hearing is to be conducted it shall be scheduled (not necessarily held) within ten (10) days of receipt of the grievance by the Superintendent or his designee. The Superintendent or a designated representative shall within fifteen (15) days or after the grievance meeting, if held, inform the grievant as to the disposition of the claim.

Level III - If the grievance is not settled at Level II, the Association, at the request of the grievant, may move the matter to arbitration. If such action is determined, the Association shall notify the Superintendent of its intent to appeal to arbitration within ten (10) days of receipt of the Superintendent's disposition of the claim¹.

¹As a result of the decision by the Maryland State Board of Education (Livers v. Board of Education of Charles County), cases pertaining to discipline and discharge shall no longer be subject to arbitration. Administrative review pursuant to Section 4-205(c)(4) of the Education Article will govern appeals. If legislation reverses the Livers v. Board of Education of Charles County decisions, cases pertaining to discipline and discharge shall be subject to arbitration.

5.3.1 Within ten (10) days after such notification of submission to arbitration, the Board and the Association will attempt to agree upon a mutually acceptable arbitrator and obtain a commitment from said arbitrator to serve and hold a hearing within thirty (30) days. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the American Arbitration Association by either party. The parties will then be bound by the rules and procedures of the American Arbitration Association.

5.3.2 The jurisdiction and authority of the arbitrator and his/her opinion and award shall be confined to the express provision or provisions of this Agreement at issue between the Association and the Board. The arbitrator shall have no authority to add to, alter, detract from, amend, or modify any provision of this Agreement, or to make any award which will in any way deprive the Board of any of the powers delegated to it by law. The parties further agree to accept the arbitrator's award, in writing, as final and binding on the aggrieved employee or employees, the Association and the Board.

5.3.3 The arbitrator's decision shall be made within thirty (30) days of the conclusion of the presentation of the case. The cost for the services of the arbitrator shall be shared equally by the parties.

5.4 Grievance forms and attendant papers shall not be placed in an employee's personnel file which is kept in the Department of Personnel, and/or the employee's work location.

5.5 An employee may be represented at each formal level of the grievance procedure by the Association.

The parties hereto intend to comply fully with the provisions of the Pregnancy Discrimination Amendments of the Civil Rights Act of 1964, as amended. An employee who is pregnant may use accrued sick leave prior to and following the birth of the child, subject to medical documentation indicating the physician's determination that the employee refrain from employment due to a disability resulting from her pregnancy, childbirth, and/or complications thereof. An employee absent due to these reasons must return to work as soon as she is physically able. The Board reserves the right to request medical documentation of her disability and of her physical ability to return to work.

An employee who selects this option and whose earned sick leave expires prior to the birth of the child, or the time she is able to return to work, may request an unpaid leave of absence for a period not to exceed six (6) months from the effective date of leave (last duty day worked). Should it become necessary to extend the leave beyond six (6) months, the employee's position will no longer be held. Reinstatement in an appropriate position will be made as provided in Section 8.14.

8.7 Child Rearing Leave

During the fifteen (15) day period, accrual of benefits will continue. In order to implement this policy, the employee must present the Board with a copy of his/her military orders. In the absence of supporting documents, lost time due to military training or emergency duty shall be uncompensated. If a 10-month employee has an option as to when he/she participates in short-term duty, he/she shall do so at the time which has least conflict with his/her professional duties.

c. Active-duty - The Board will continue to pay its share of the health and dental benefits for the family of the employee called to active duty for up to one (1) year, provided the employee was enrolled in the appropriate coverage at the time of the order.

Upon completion of his/her military obligation the employee shall, within a reasonable length of time, be reinstated to his/her previous position, one of similar scope and complexity, or to an advanced position for which the Director, Department of Personnel believes the employee is qualified by virtue of his/her service, experience, and training. Where the employee is returned to his/her former job classification, the employee shall be entitled to all annual increments (allowable in his/her salary grade) for which the employee would have become eligible had his/her employment been continuous.

The above applies providing:

1. The returning veteran has been separated under honorable or general conditions. Veterans separated under other than honorable (undesirable, bad conduct, or dishonorable) conditions shall forfeit their rights under this policy.

2. The veteran applies for reinstatement within ninety (90) days of separation.

Service of the spouse shall not have been voluntarily extended beyond four (4) years total active duty and the employee must have applied for reinstatement within ninety (90) days of the separation of the spouse from service.

8.9 Urgent Personal Business Leave

a. Each employee shall be entitled to up to five (5) days per year for urgent personal business leave. A written statement of intent to be absent shall be submitted to the principal (or other appropriate administrator) at least twenty-four (24) hours prior to the expected absence. The principal (or other appropriate administrator) may make exception to the twenty-four (24) hour requirement in case of demonstrated need. Urgent personal business leave must be used only to conduct personal business of any nature that cannot be scheduled on a non-duty day. Urgent personal business leave may not be used on consecutive duty days except with permission of the principal (or other appropriate administrator).

b. A personal business leave day may not be used immediately preceding or following a holiday except upon special permission by the appropriate member of the Superintendent's Staff.

Absence for personal business leave shall not be charged to sick leave; unused urgent personal business leave shall be accumulated as sick leave.

8.10 Special Religious Observance Leave

Employees will be permitted a total of five (5) days for religious holidays. These five (5) days shall be comprised of two (2) days for religious holidays and three (3) days for personal business. The two (2) days of religious holiday are not cumulative. In determining these holidays, the Superintendent of Schools will request verification from appropriate religious authorities of the requirement to be absent from the worksite to fulfill religious obligations. Should religious authorities verify that more than five (5) days are needed by the employee; the employee shall have the option of paying a substitute employee's pay for the additional day(s) where applicable. If a substitute is hired, the employee outlay will be the lesser of the actual cost of the substitute or the current rate for a degreed daily teacher substitute. The day(s) shall not be subtracted from the employee's accumulated sick leave. The employee is required to submit one (1) week in advance to the appropriate administrator, a letter stating the intent to be absent on a duty day to observe a religious holiday.

8.11 Sick Leave

Any employee needing to utilize sick leave must contact his/her immediate supervisor prior to or during the first hour of each day of absence, stating the necessity for the absence so that time records can be properly maintained and work schedules realigned. Where a relatively long period of absence is anticipated, the employee need only contact his/her supervisor on the first day of the absence but must state at the time the estimated date of return.

The employee is required to submit to the appropriate administrator a letter or a suitable form giving the reason for absence.

Employees may be absent without loss of pay, within the limits stated below. Absences shall be charged to sick leave.

A full-time ten (10) month employee during the first fiscal year shall be advanced ten (10) days of sick leave. A twelve (12) month employee shall be advanced twelve (12) days during the first fiscal year.

A full-time ten (10) month employee, after the first fiscal year, shall be advanced fifteen (15) days of sick leave. A full-time (12) month employee, after the first fiscal year, shall be advanced eighteen (18) days of sick leave.

Sick leave shall be prorated for employees who have been in duty status for less than twelve (12) months.

A new employee or a rehire must be on duty at least five (5) qualifying months during a fiscal year to be eligible the following year for the higher advanced rate of sick leave.

A regular part-time or ten (10) month employee shall be advanced sick leave in proportion to the time worked.

All unused sick leave is cumulative.

An employee on less than a twelve (12) month schedule, who is employed for additional periods of duty on a temporary basis, is permitted to use sick leave during these periods. Such an employee shall receive sick leave for the additional term of employment in proportion to the time worked.

An employee on leave of absence requiring Board action shall not be advanced sick leave.

An employee who becomes seriously ill while on vacation may have his/her vacation extended or take vacation at a later date. A serious illness is one that requires hospitalization or is of prolonged nature. This illness must be confirmed by the attending physician.

An employee who, while on vacation, has a death in the immediate family, or of a close relative, may have his/her vacation extended or take vacation at a later date. An employee who leaves the employ of the Board will be granted sick leave days accumulated during prior service if he/she returns to duty within one (1) year. Ten (10) month employees who resign as of June 30 of any calendar year are eligible for such credit, provided they are re-employed the first duty day in September of the following calendar year.

When an employee is granted a leave of absence requiring Board action, his/her accumulated sick leave days are held in abeyance until he/she returns to duty. Upon return to duty, the employee will be granted sick leave days according to the policies in effect, but he/she will not lose his/her earned length of service for accumulation purposes. In matters concerning leave of absence because of illness, the Superintendent may require a written certificate from a physician as proof of illness and need for leave.

8.11.1 Family Illness Leave

Employees may use a portion of their personal sick leave for illness in the immediate family. At the start of their leave accounting year, employees will be advanced a maximum of four (4) days from their personal sick leave to be used for illness in the family and they may accumulate up to a maximum of eight (8) days of such leave. The Manager of the Office of Staff Relations may approve additional days of Family Illness leave if the employee has sufficient personal sick leave, and can provide medical documentation of the family member's illness and the necessity for assisting the ill member of the family.

8.12 Unusual or Imperative Leave

Employees may be granted leave up to one (1) year without pay for unusual or imperative reasons where no other leave program is applicable. This leave may be granted by the Board and approval must be secured before absence occurs.

During this leave the employee may continue participation in the Board of Education Employee Insurance Plan by assuming full premium costs. The employee may neither withdraw nor make contributions to the Retirement System.

General Provisions

8.13 Benefit Continuation

While on approved unpaid leave of absence, insurance coverage may be maintained through payment of premium by the employee.

8.14 Reinstatement

Upon the expiration of a leave or written notification that the employee is ready to return from leave the employee shall be returned to his/her prior position if the leave has been for six (6) months or less. If over six (6) months and his/her prior position has been filled, the employee will be included with the employees to be involuntarily transferred or laid off employees and shall, in order of length of service, be offered any and all vacancies which may exist within his/her prior grade for which the employee may qualify. Should no vacancies exist for which the employee qualifies, offers will be extended as soon as they do become available prior to the employment of a new employee. An employee returning from leave shall be assigned no later than the beginning of the next school year. If necessary, the layoff provisions of Article 17 shall be invoked with the newly created vacancy utilized to place the individual being reinstated provided that employee would not otherwise have been laid off. An employee returning from an approved leave of absence shall be reinstated with all the rights, privileges and status accrued at the time of the effective date of leave and not utilized in the course of the leave. Failure to accept one of the positions offered, or the position offered in the case of only one position being available, will mean that the Board will have fulfilled its responsibility and will be under no obligation to make additional offers. The employee's name will be removed from the list.

8.15 Unified Sick Leave Bank

PURPOSE. The Board of Education (BOE) will provide a Unified Sick Leave Bank (USLB) benefit to employees represented by the BOE's bargaining units, and to non-represented administrative assistants and management employees. The purpose of the USLB is to provide a vehicle through which employees may donate their accrued sick leave for other eligible employees to use. This additional paid sick leave may be granted to employees who have exhausted their accumulated sick leave and urgent personal business days.

DEFINITION. The USLB may grant additional paid sick leave to an employee who through catastrophic illness, injury, or quarantine is unable to perform the duties of his/her position. Under a qualifying illness or

injury, sick leave from the bank may also be granted for medical, dental, or optical examinations, or treatments that are impossible to schedule on non-duty days. Only the individual employee may use the USLB for his/her personal illness or injury. The USLB may not be used to be absent from work to care for members of the employee's family. Sick leave from the bank may not be granted when the employee has an active Workers' Compensation claim or when the employee is receiving compensation from Workers' Compensation. The USLB may not be used by an employee who is eligible for disability retirement to postpone that retirement. In no case will the granting of leave from the bank cause an employee to receive more than his/her regular annual salary.

ELIGIBILITY. All bargaining unit-represented employees will be automatically enrolled in the USLB once the following eligibility criteria are met:

TEN (10) MONTH EMPLOYEES. TEN (10) MONTH EMPLOYEES WHO HAVE COMPLETED ONE YEAR OF CONTINUOUS SERVICE AND WHO HAVE ACCUMULATED TWENTY (20) DAYS OF SICK LEAVE WILL BE AUTOMATICALLY ENROLLED IN THE USLB.

TWELVE (12) MONTH EMPLOYEES. TWELVE (12) MONTH EMPLOYEES WHO HAVE COMPLETED ONE YEAR OF CONTINUOUS SERVICE AND WHO HAVE ACCUMULATED TWENTY-FOUR (24) DAYS OF SICK LEAVE WILL BE AUTOMATICALLY ENROLLED IN THE USLB.

Employees meeting the eligibility requirements will be assessed a contribution when enrolled. The initial assessment and subsequent employee contributions will be based upon the needs of the USLB as determined by its governing committee.

OPT OUT - An employee who is eligible for membership in the USLB may 'opt out' for any reason by notifying the USLB in writing of his/her desire to withdraw from the USLB. Employees who opt out of the USLB will remain eligible for membership and may request to be re-enrolled by making a written request to the USLB. Employees who have opted out and request to be re-enrolled must meet the eligibility requirements. Employees who opt out in the fiscal year the initial assessment is made will have that sick leave time returned to them.

USE OF THE USLB. Employees must use all accumulated sick and urgent personal business leave prior to drawing from the USLB. The life time total that an employee may draw from the USLB is one (1) year. One year is equal to the number of duty days for ten (10) month employees and is equal to two hundred forty-five (245) duty days for twelve (12) month employees. The USLB will not be charged for holidays, compensable non-duty week days, or vacation days.

USLB GOVERNING COMMITTEE. Each union will appoint a USLB governing committee from its membership. The committee shall meet as needed to: review and verify employee requests to draw from the bank; recommend the approval or denial of such requests to the employee, to the Office of Risk Management and to other Board of Education (BOE) offices, as necessary; and to review the decision of the Manager of the Office of Risk Management regarding approval or denial of the request to draw from the USLB. Representatives of the committees shall meet with representatives of the BOE to develop procedural rules for the administration of the USLB. After approval by the Superintendent and the bargaining units, the USLB rules shall be distributed to employees. The representatives of the committees shall meet at least once annually with representatives of the BOE to review the rules and procedures of the Unified Sick Leave Bank, and to make recommendations for revisions to the rules and/or procedures.

APPEALS. Appeals of decisions of the Office of Risk Management may be made in writing within ten (10) duty days to the Assistant Superintendent, Department of Human Resources and Governmental Relations. Pending the outcome of the appeal to the Assistant Superintendent, the employee will continue to be paid from the sick leave bank.

8.16 Workers' Compensation

Whenever an employee is absent from work as a result of personal injury occurring in the course of his/her employment, as used and defined in the Workers' Compensation Laws of Maryland, and such lost time is approved by a Board physician the employee will be paid as close to his/her normal net salary as possible for the period of such absence up to twelve (12) months, and no part of such absence will be charged to his/her annual or accumulated sick leave. If disability persists after the twelve (12) month period, the employee shall be placed on leave-of-absence and disability payments will commence consistent with the amount covered by Workers' Compensation Law. The employee, on termination of service with the Board of Education, who has indebtedness for advanced personal injury leave pay, must reimburse the Board for the amount of indebtedness.

8.16.1 The Board will continue to pay its share of the cost of health insurance for an employee receiving Workers' Compensation benefits, including up to twelve (12) months following the expiration of personal injury benefits.

8.16.2 An employee on Workers' Compensation may accrue up to one (1) year of service credit in determining his/her salary, including longevity, or vacation eligibility. These advance credits will become effective upon employee's return to work. Vacation time will be accrued at the normal rate for one year during disability leave. If such disability leave extends beyond one year, vacation time will not be accrued during the extended time.

In the event an employee is declared to have a permanent total disability verified by the Board's physician, he/she shall receive a contribution toward the premium for health and life insurance, commensurate to an employee retiring with thirty (30) years of service.

Increments are equal to .25 times the employee's basic annual earnings starting at .50 times the employee's basic annual earnings. The minimum amount available for additional coverage, therefore, equals .50 times the employee's basic annual earnings. The maximum amount available equals the lesser of three (3) times the employee's basic annual earnings or \$400,000. Optional life insurance coverage shall be available to employees by payroll deduction.

Section 125 Plan

Part-time employees hired after June 30, 1977 who work at least one-half time are eligible to participate with the Board contributing a prorated portion of the premium determined by the percent of time worked. Part-time employees who work less than half time are eligible to participate but assume full cost for participation.

9.4.1 Beginning each May, employees will be afforded a minimum three (3) week period to select their benefits and type of coverage. Every effort will be made to complete the open enrollment process before the last duty day for ten-month employees.

9.4.2 Each benefit option will have a “price tag” or cost to an employee if that particular benefit is selected. All employee contributions will be on a pre-tax basis. Employee contributions will be included in annual salary for retirement and life insurance purposes.

9.4.3 An employee may make employee contributions to a Dependent Care Spending Account provided the employee meets requirements prescribed by federal regulations. The account may be used, during the plan year for which the contributions were made, for tax-free reimbursement of qualifying expenses for the care of dependents to enable the employee to work. Any amounts remaining in the account at the end of the plan year will be forfeited.

9.4.4 An employee may make employee contributions to a Health Care Spending Account for tax-free reimbursement of qualifying health-related expenses incurred during the plan year for which the contributions were made and not paid by insurance. Any amounts remaining in the account at the end of the plan year will be forfeited.

The maximum out-of-pocket cost to the retiree for major medical will be six hundred fifty dollars (\$650) per individual per year of deductibles and co-insurance.

The Educational Assistance Program is designed to provide financial assistance to permanent employees who have successfully completed their probationary period and who are employed fifteen (15) hours per week or more. The Educational Assistance Program is for employees who wish to attend outside training courses to improve performance in their present position or to prepare themselves for recertification, relicensure, or a career ladder promotion within the educational system.

An employee must file a *Request for Course Approval Form* obtained from the office of the principal or other appropriate administrator to secure the prior approval of the appropriate member of the Office of Personnel to be eligible for reimbursement. Employees shall be eligible for up to two hundred fifty dollars (\$250.00) per credit hour for tuition and fees upon presentation of Grade C or better for approved requests. Only twelve (12) semester hours will be honored per fiscal year. However, in programs requiring more than twelve (12) credits per year, the twelve (12) credit limit will be waived.

Employees on approved leaves of absence upon returning to active service shall be eligible for reimbursement for courses taken while on leave in accordance with the other provisions of the Article.

ARTICLE 11
Transportation Reimbursement

The authorized use of an employee's personal car for transportation to accomplish his/her assigned duties shall be reimbursed at the rate established by the Internal Revenue Service. The use of a personal automobile may be authorized for:

- a. Attendance at a meeting called by an appropriate administrator.
- b. Banking and Post Office business.
- c. Travel from one work location to another at the direction of the appropriate administrator.
- d. Staff development activities held during the regular day.
- e. Employees assigned to two (2) or more locations on any given day will be reimbursed for the total mileage incurred less the normal round-trip commuting distance to the closest school or office to which the employee is assigned.

Reimbursement will be made subject to completion of the necessary form. No reimbursement of less than fifteen dollars (\$15.00) will be paid to an employee during any period of three (3) months or less except that the final mid-year and final reimbursement may be less than fifteen (15) dollars.

Expense reports for July 1 to December 31 must be submitted by January 15. Expense reports for January 1 to June 30 must be submitted by July 10.

ARTICLE 12

- Martin Luther King, Jr.'s Birthday

The list of holidays is for information only and not open to the grievance procedure.

12.1.1 If an employee is absent in unpaid status on his/her duty day prior to (a) holiday(s) and his/her duty day following (a) holiday(s), no salary payment will be made for such (a) holiday(s). A new employee or an employee returning from leave shall not be eligible for holiday pay unless he/she has been in pay status on the

duty day immediately prior to the holiday. An employee who resigns or is terminated prior to a holiday shall not be paid for that day.

12.2 School based office professionals shall receive compensatory time on a day for day basis, if an extended school closing which appears on the school calendar is eliminated because of the need to meet statutory requirements for pupil days.

ARTICLE 13

Vacations

(12-month Office Professionals and 12-month Paraeducators Only)

13.1 Regular full-time employees with less than five (5) years of service shall accrue paid vacation credit at a rate of .416 normal workday for each pay period of qualifying employment to a maximum credit of ten (10) normal workdays per year.

13.2 Regular full-time employees with five (5) years of service, but less than ten (10) years of service shall accrue paid vacation credit at a rate of .625 normal workday for each pay period of qualifying employment to a maximum credit of fifteen (15) normal workdays per year. Accrual at the new rate begins on the fifth anniversary of employment. Vacation accruals will be made on twenty-four (24) specified biweekly pay periods for twelve (12) month employees.

13.3 Regular full-time employees with ten (10) or more years of service shall accrue paid vacation credit at a rate of .833 normal workday for each pay period of qualifying employment to a maximum credit of twenty (20) workdays per year. Accrual at the new rate begins on the tenth anniversary of employment.

13.4 A qualifying pay period of employment shall be any pay period in which the employee was in qualifying pay status for a minimum of sixty percent (60%) of the period. Qualifying pay status shall include: hours worked, use of compensatory time, vacation, paid holidays, and paid leave.

13.5 In determining vacation schedules, effort shall be made to comply with the wishes of the employee. It must be recognized, however, that work schedules must be met, and when there is an unreconcilable conflict between work schedule and desired vacation schedule, the former will be dominant. Vacation shall be requested in advance and approved by the appropriate administrator.

13.6 Vacation payments shall be calculated at the current regular rate and on the basis of a normal workday.

13.7 Accumulated days will be capped at forty (40) vacation days.

a. Convenience of the Employee - With approval of the appropriate administrator, an employee may accumulate a maximum of one-half (1/2) of his/her accrued vacation days. In order to acquire permission to accumulate vacation, an employee must submit to the appropriate administrator the reason for the use of the accumulated vacation days.

b. Convenience of the Employer - When the responsibilities of an employee make it impractical to use all of his/her vacation time prior to July 1, following the end of the fiscal year in which it was earned, permission may be granted to use the time after said date, with the approval of the appropriate administrator.

13.8 A vacation in excess of that normally allowed requires the accumulation of the additional days, plus the written approval of the appropriate Area Assistant Superintendent, Executive Director, or other Administrator. Such written approval for an extended vacation shall be filed with the Office of Payroll. Normally, an extended

vacation shall be limited to thirty (30) days. Under unusual circumstances, the Superintendent of Schools may grant permission for a vacation in excess of thirty (30) days, to a maximum of forty (40) days in order to take a trip of such duration.

13.9 Earned vacation credits shall not be used to extend employment beyond the last day worked except in case of retirement.

13.10 Vacation credits shall not be charged to holidays or normally nonscheduled days.

13.11 At the time of termination, an employee shall be paid for the vacation time earned during the current fiscal year, plus approved accumulated vacation time.

ARTICLE 14 Employee Files

14.1 Upon written request to the appropriate personnel officer, each employee shall have the right to review, at a time mutually convenient, the contents of his/her file in the central office, excepting, however, any confidential references submitted as a part of the pre-hiring selection process. At the employee's request, a witness of his/her choice may accompany the employee in such a review. The review shall be made in the presence of the personnel officer responsible for the safekeeping of such files.

14.2 Any employee shall have the right to answer in writing any complaint filed in his/her personnel file, and the answers shall be attached to the complaint and reviewed by the Superintendent or his/her designated representative.

14.3 Material of negative nature shall not be placed in an employee's file without his/her knowledge. Except for evaluation forms, material of a negative nature may be removed from the employee's file after five (5) years upon the employee's request and subject to the approval of the division head.

14.4 Facilities shall be available for the employee to make Photostat copies of such contents and records, except in circumstances beyond the control of the administrator.

14.5 Any personnel files maintained other than in the central file shall be available for review by the employee, at a time mutually convenient to the employee and the appropriate administrator. At the employee's request, a witness of his/her choice may accompany the employee in such a review. The review shall be made in the presence of the administrator responsible for the safekeeping of such files.

ARTICLE 15 Evaluation

15.1 Formal evaluation including a conference must be made a minimum of once every two (2) years. Employees should be provided with feedback on their performance each year. The standard evaluation form will normally be used every other year. In a year when the standard form is not used, the feedback shall have no rating attached to it. In any fiscal year in which an employee is not evaluated, it shall be assumed the employee's performance was no less than the last written evaluation.

15.2 The evaluation shall be based on the conclusions and assessments reached by the evaluator. In the event an employee is assigned to more than one (1) location, the home administrator shall be responsible for submitting the evaluation form. All administrators should provide input to the home administrator prior to the completion of the form.

15.3 The evaluation shall be based on observations of the employee's work performance. Less than satisfactory performance shall be discussed with the employee. Specific suggestions for improvement shall be

given so that the employee may have an opportunity and sufficient time, as indicated by the appraisal team, to improve.

An employee shall be given the name and specific complaint of any person who complains about the employee within a reasonable time if the complaint is to be given any consideration in the employee's evaluation. No employee shall receive adverse comments from any observer in the presence of pupils, parents, other nonsupervisory employees, or at public gatherings.

15.4 Provision shall be made for an overall assessment by the evaluator which clearly indicates a satisfactory or unsatisfactory rating. No employee shall receive a rating on the evaluation less than satisfactory without having received earlier written suggestions for improvement in the area of weakness and having been given an opportunity to show improvement. An overall evaluation rating may not be lower than the previous rating unless the employee has received advanced warning of a possible reduction and an opportunity to show the necessary improvement.

15.5 The written evaluation report shall be shown to the employee within ten (10) days subsequent to the aforementioned conference. The employee shall sign the report within three (3) days and receive a copy thereof. Such signature will not, however, necessarily indicate agreement with the evaluation. Provision shall be made for written comments and reactions by the employee which shall be attached and become a part of the evaluation report.

15.6 Matters relating to evaluation may be subject to the grievance procedure only for reasons of arbitrariness or failure to follow procedure.

ARTICLE 16

Job Security and Transfers

16.1 Assignment and Transfer

An employee who is transferred to a position of the same job classification shall be paid at the same rate he/she was receiving at the time of transfer.

An employee who is involuntarily transferred to a position in a new classification in a lower pay grade due to the abolishment of his/her former position shall be paid at his/her former rate for a period of one (1) year from the date of the transfer. During this period, efforts will be made to restore said employee to his/her former grade. After this period, his/her rate of pay will be adjusted to the appropriate step of the new grade.

Should the transfer to a lower pay grade, in the same salary schedule, be requested by the employee, he/she shall be placed on his/her current step on the salary schedule for the new grade. Any transfer under this provision is subject to the grievance procedure only for reasons of arbitrariness or failure to follow procedures.

Employees receiving a promotion or voluntary transfer shall be allowed to move to their new position as soon as possible.

16.1.1 Voluntary Transfers

Employees who desire a transfer to a position in their same pay grade for which they qualify shall fill out a transfer request and forward the request to the Office of Personnel by the last student attendance day or within seven (7) week days after learning that he/she is to be involuntarily reassigned. If such notice was provided fewer than seven (7) week days prior to the last student attendance day, or provided after the last student attendance day. Employees may also use the transfer roster to request to move from part-time to full-time positions and from full-time to part-time positions. Should an employee decline to be considered for a position or more than one (1) offer for placement in an area or a specific location that he/she had requested or

receive a voluntary transfer, the employee's name will be removed from the transfer roster until the annual registration.

Paraeducators will be considered for transfer opportunities from the time the transfer request forms are received by the Office of Personnel until September 30. All such transfers will not be effective sooner than July 1. After September 30, all paraeducator vacancies will be posted, and the established posting procedures will apply.

The employees on the transfer roster who have requested transfers within their grade for which they qualify will be referred to the appropriate administrator for review, provided the employee has demonstrated satisfactory competency. Among the data shared with the administrator at the time of referral will be the employee's adjusted hire date. When four (4) or more eligible employees have applied for the same position, the selection will be made from within this group except where the need to maintain balanced staffing is demonstrated. Where experience and competency are equal, seniority will prevail in the selection between two or more employees. Positions will be posted as indicated in Section 16.4.

A probationary employee who is transferred to a job of an identical classification level as the one in which he/she received his/her initial appointment will continue the probationary period already in existence and shall not be subject to starting a new probationary period.

16.1.2 Administrative Transfers

Administrative transfers may be made by the Superintendent, as the needs of the schools require. Notification of an administrative transfer will be given to an employee as soon as possible but not less than twenty (20) calendar days, except in case of emergency, in advance of the intended transfer. An administrative transfer will be made only after a meeting between the employee and the appropriate administrator/supervisor at which time the employee shall be notified of the reason for the transfer.

16.1.3 Involuntary Transfers

In the event of an involuntary transfer as required by the needs of the school system, the following guidelines will be observed:

a. When an employee who is performing satisfactorily is transferred involuntarily, he/she will be included with the employees to be involuntarily transferred, laid off personnel and employees returning from leave and shall be considered for any and all vacancies which may exist within his/her prior classification for which the employee may qualify. Employees may submit a list of worksites in preferential order for which they wish to be considered.

b. Where a transfer has not been requested and the transfer results from a reduction in the number of employees at a work site, the Director of Personnel, or his/her designated representative, shall discuss the reason for such transfer with the employee involved prior to the implementation of the transfer. The employee may list worksites for which he/she wishes to be considered. When more than one (1) clerical employee in an identical classified position is employed at a given school/office, the employee to be transferred shall be the one with the least seniority, except where the need to maintain balanced staffing is demonstrated.

When more than one paraeducator is employed at a given school/office, the employee to be transferred shall be the one with the least seniority, except where the need to maintain balanced staffing or to address special training or talents is demonstrated.

Employees involuntarily transferred shall remain on the transfer roster.

When an employee is transferred involuntarily after the beginning of the school year, he/she may elect to be included on the excess list for the following school year. Involuntarily transferred office professionals and paraeducators, and office professionals and paraeducators requesting a transfer to another position, shall be considered for appropriate vacancies simultaneously.

16.1.4 Acting Positions

When an employee is voluntarily assigned duties of a higher skill or responsibility than is normally associated with his/her job classification during a temporary emergency he/she shall be compensated at the appropriate rate for the assigned job when such an assignment exceeds one (1) calendar week, retroactive to the date of assignment. The employee's records shall reflect placement in the higher classification in an "acting" capacity. Such an assignment must be made in writing by an appropriate administrator authorized to make a salary change.

Emergency temporary assignments do not need to be posted. Should the position develop into one of a permanent nature or the emergency temporary assignment exceeds six (6) months, the job must be posted and a selection made in accordance with promotional procedures.

16.2 Promotions - Demotion

Promotion – Promotions from one (1) pay grade to either of the next two (2) consecutive pay grades on the same salary schedule shall be made in such a manner that the employee promoted shall move to their current step on the salary schedule for the new pay grade. If the promotion is more than two (2) pay grades, the new rate shall not be less than 10% over the rate received immediately prior to such promotion. In no case shall the employee receive less than the minimum of the new grade.

Demotion - When an employee is demoted, his/her pay shall be adjusted in a manner opposite to a promotional adjustment. If a recently promoted employee must be demoted within six (6) months of his/her placement in the new position, he/she will be returned to his/her grade and step immediately preceding the promotion.

16.3 Probation

All new employees shall serve a ninety (90) calendar day probationary period without any right of appeal. This period may be extended to one hundred twenty (120) days, or in the case of health assistants*, to one hundred eighty (180) days at the discretion of the appropriate administrator. One (1) month prior to the date an employee completes his/her probationary period, his/her supervisor will evaluate the employee's performance. It is the responsibility of the supervisor to complete this evaluation and indicate whether the employee should be placed on permanent status, receive extended probation, or be terminated. The Office of Personnel will be notified of this decision three (3) weeks (15 duty days) prior to the completion date of the probationary period. In the event termination is recommended, a two (2) week (10 duty days) notice shall be given to the employee. The employee shall have no right of appeal through the grievance process.

*As a result of certification and training requirements imposed by the Maryland State Board of Nursing through the Department of Health and Mental Hygiene, health assistants shall serve a one hundred eighty (180) calendar day probationary period consisting of two (2) consecutive ninety (90) day periods. All existing notice and evaluation requirements listed above shall remain in force for the initial ninety (90) day period. At the end of this initial period, the supervisor must either terminate the employee or continue employment for the second ninety (90) day period. The extension to a one hundred twenty (120) day probationary period shall not be an available administrative option regarding the performance of health assistants.

*Upon completion of the second ninety (90) day portion of the probationary period, the employee must have successfully completed all certification and training requirements and received a satisfactory evaluation to

continue in the position. In the event the employee does not successfully complete the requirements by the completion of the second ninety (90) day portion of the probationary period, BCPS agrees to consider the individual for employment as a paraeducator, if the individual meets or exceeds the hiring requirements of the Office of Personnel for that position.

16.4 Posting

All full-time office professionals (other than entrance level positions) that are not filled through the transfer roster (Section 16.1.1) shall be posted. Paraeducator positions may be posted if the vacancy is not filled through the transfer process. Information will be shared through electronic mail, the Employment Opportunity Line and by written copy of specific information at all work locations for no fewer than seven (7) duty days before the position is filled. A copy of such notices shall be sent to the Association. The Association shall receive notification of all filled positions on a semi-annual basis. That notification shall be received on October 15 and April 15.

Employees of the Board of Education shall be considered first and take preference over outside applicants for these positions, provided the employee possesses the qualifications required for the job opening that are equal to or greater than outside applicants. Where experience and competency are equal, seniority shall prevail in the selection between two (2) or more employees.

16.4.1 Employees interviewing for a position shall be notified of their selection or rejection within ten (10) duty days after a decision has been made.

If a position that was posted and filled becomes vacant within ninety (90) days, the Board may select a candidate from the original group of applicants without repeating the posting and interview process.

16.5 Notification of Assignment

All employees shall continue in their assigned positions on an annual basis unless transferred, laid off, or terminated under the provisions of this contract.

Request forms shall be provided by the Board at the time the employee is notified of the involuntary transfer.

Beginning in June, employees who are involuntarily transferred shall be notified by seniority of available positions.

16.6 Any full-time employee who voluntarily accepts a part-time position shall be guaranteed the opportunity to return to a full-time position in the same classification for which he/she qualifies at the beginning of the next school year or any subsequent year before a new employee is hired. Any part-time employee who has requested full-time shall be considered for a position in the classification for which he/she is qualified before a new employee is hired. Whenever feasible, part-time positions that can be combined will be full-time positions if appropriate to the school's instructional program.

ARTICLE 17 Reduction in Force

17.1 Authority

The Board retains the right to lay off or reduce its work force in accordance with the procedures included herein. Decisions for the necessity of such actions are not subject to the grievance procedure.

17.2 Layoff

Should it become necessary to reduce the work force due to lack of suitable work, by terminating a satisfactory employee(s), layoffs shall be effectuated beginning with the clerical employee having the least seniority within the same job title/job classification within the county, except where the need to maintain balanced staffing is demonstrated. Should it become necessary to reduce the work force due to lack of suitable work, by terminating a satisfactory employee(s), layoffs shall be effectuated beginning with the paraeducator employee having the least seniority within the category, e.g., paraeducator, special education paraeducator, within the county, except where the need to maintain balanced staffing is demonstrated. Notification of layoff will be given to the employee thirty (30) calendar days prior to termination.

17.3 Recall

The affected employee(s) shall be placed on a recall list and no new employees shall be hired until all employees laid off have been placed in their job classification or in a position for which they qualify equal to or less than the position they occupied at time of their layoff; except where all qualified employees on layoff decline the offer to fill the existing vacancy. Employees who are considered for a position may decline one (1) offer for placement and still remain on the transfer roster. No employee that was full-time shall be offered less than a full-time position, if a full-time position or its equivalent is available. If an employee is recalled to a position involving less time than the employee previously had, that employee shall be offered any subsequently available full-time positions for which they qualify before such position is offered to a less senior laid-off employee.

17.4 An employee who has been laid off due to a reduction in force shall remain on a recall list for two (2) years. As vacancies develop in classifications which are not filled through the transfer process, the employees on the recall list will be offered these positions as described in 17.3 in inverse order of layoff. Failure to accept one (1) of the positions offered, or the position offered in the case of only one (1) position being available at an equal grade/salary level will result in removal from the recall list. An exception will be made for an employee with a proven medical disability. Employees shall (a) receive a written notice at least five (5) days in advance of the deadline for determining whether to exercise recall rights, (b) be available to begin work within twenty (20) days following the exercise of recall rights.

Employees laid off under the provisions of this section shall have the option of continuing membership in the Board's group insurance program for a period not to exceed two (2) years by paying full premium costs. This benefit stops if an employee loses recall rights.

ARTICLE 18 Salaries

18.1 Basic Salaries

Each employee will be paid at the rate set forth in Appendix A which is attached to and incorporated in this Agreement for the job classification in which he/she is employed. All salaries shown in Appendix A will be paid within one dollar (\$1.00) of amount stated. These salaries shall be modified throughout the 5-year duration of this Agreement as noted in Article 21, **Duration**.

18.3 Educational Credit-Office Professionals

Office Professionals shall receive a biweekly increase equal to one (1) step of their salary schedule for thirty (30) credit hours of college work accepted as being work-related. Fifteen (15) of these credit hours may be earned in Baltimore County approved in-service programs. Such employees shall be entitled to an additional pay increase equal to one (1) step of their salary for an additional thirty (30) credit hours of college work accepted as work-related. Up to fifteen (15) credit hours of Baltimore County approved in-service credit may be used to meet the requirement of the additional thirty (30) hours.

18.4 Paraeducators

Up to fifteen (15) credit hours of Baltimore County approved in-service credit may be used to meet the requirement of the additional thirty (30), sixty (60), and ninety (90) credits.

18.5 Salary Errors

When an overpayment occurs, a repayment schedule will be developed with the employee. Unless a separation from employment is anticipated, the employee must be paid at the correct rate of pay for two (2) pay periods before repayment deductions begin. However, at the employee's request, repayment deductions may begin immediately.

When an employee has been underpaid, the employee will be paid in one (1) lump sum or according to a schedule that is mutually determined by the employee and the Office of Payroll.

ARTICLE 19 Ad Hoc Committee

19.1 Definitions

Matters which cannot be negotiated to finality without additional research and study may be referred to ad hoc committees of the negotiating teams appointed jointly by the two (2) teams. These committees shall report to the negotiating teams in time for the next scheduled negotiating session.

19.2 Representatives of BACE and the Board of Education will examine the following issues and submit recommendations to BACE and the Office of Staff Relations.

1. Joint planning opportunities for paraeducators and teachers;
2. Use of paraeducators and office professionals for purposes other than those for which they were hired, including the practice of and compensation for paraeducators and office professionals to substitute or provide classroom coverage;
3. Compensation for summer employment for 10-month employees;
4. Contract issues that will allow employees to transition to a teaching career; and,
5. The impact of ESEA on the above, including assessment requirements for paraeducators.

ARTICLE 20 Effect of Agreement

20.1 Change in Rules or Policies

All Board functions and responsibilities not expressly modified or restricted by this Agreement are retained and vested exclusively in the Board. The Board retains the right to make or change rules or policy not in conflict with this Agreement or with Title 6, Subtitle 5 of the Education Act of the Annotated Code of Maryland.

20.2 Contrary to Law

Should any article, provision or application of this Agreement to any employee or group of employees be declared unlawful by a court of competent jurisdiction, said article, provision, or application, as the case may be, shall be automatically deleted from this Agreement to the extent that it violates the law. The remaining articles, provisions and applications, however, shall remain in full force and effect for the duration of the Agreement. The Association agrees that it will abide by the provision of Title 6, Subtitle 5 of the Education Act of the Annotated Code of Maryland.

ARTICLE 21 Duration of Agreement

The provisions of this Agreement shall be effective from July 1, 2007 through June 30, 2012, except as indicated in the following. Unless the parties mutually agree to the contrary during negotiations, negotiable items for FY 09 through FY 12 will be limited to wage re-openers, i.e., wages and other rates of pay included in the Agreement and three (3) articles selected by each respective party. Article 9 shall remain constant through FY 09. In subsequent years, Article 9 shall be subject to the re-openers noted above. Implementation of negotiated fiscal provisions each year of this Agreement is dependent upon the appropriation of the necessary funds by the County Executive and County Council of Baltimore County.
