In the case of visits for the purpose of conducting unscheduled meetings with bargaining unit members, the union representative shall give notice upon arrival in accordance with local campus/Laboratory/hospital procedures.
2. UPTE will furnish the University with a written list of all UPTE representatives, UPTE designated employee representatives and officers who are authorized by the union to conduct union business. This list shall be maintained in a timely manner by UPTE and any changes, additions or deletions to the list must be made in writing to the University.

C. EMPLOYEE REPRESENTATIVES

1. The University shall recognize UPTE designated employee representatives who are members of the bargaining unit. The function of the UPTE designated employee representative shall be to inform employees of their rights under this Agreement, to ascertain that the terms and conditions of this Agreement are being observed, and to investigate and assist in the processing of grievances.
2. For the purposes of receiving paid release time as provided in this section, UPTE may designate four (4) unit employees as "UPTE designated employee representatives" at each campus/Laboratory/hospital. Additionally, in the event a campus/hospital/ laboratory has more than two-hundred employees, UPTE may designate one (1) additional UPTE-designated employee representative for each additional one hundred (100) bargaining unit members thereafter, up to a maximum of seven (7) UPTE-designated employee representatives. - d. At its sole discretion, the University may authorize use of release time for more than ten (10) hours in a month per department. The exercise of this discretion and/or the enforcement by the University of the ten (10) hour maximum shall under no circumstances establish a precedent for the UPTE designated employee representative or department involved nor shall the allowance of greater than ten (10) hours in a month for a UPTE designated employee representative have any effect or bearing on the ability of the University to enforce the ten (10) hour maximum on any other UPTE designated employee representative.
- e. Should a question of possible abuse of these release time provisions arise, the University will so notify UPTE, and the parties will attempt to resolve the matter. If a question remains, the University may take corrective action when warranted.
- f. In the event that release time granted under Section C.2.a. above is not sufficient for the representative's duties and additional time is not granted under Section C.2.d above, the employee representative may elect to use vacation time in accordance with Article 43, Vacation, or leave without pay in accordance with Article 17, Leaves for Union Business.

D. MEETING ROOMS AND BULLETIN BOARDS

Except for LBNL, room reservations shall not be canceled by the University except where unforeseen circumstances require the room to be used for purposes such as teaching, or patient care-related purposes or staff conferences. If a reserved room is canceled, the University will attempt to provide a comparable alternative.
2. UPTE shall have access to general purpose bulletin boards and shall have the use of those bulletin boards subject to campus custom, usage and practice. Any materials posted must be dated and initialed by the union representative responsible for the posting and a copy of all materials posted must be provided to the appropriate University representative at the location at the time of posting. At those locations where the University is responsible for posting material on bulletin boards, the University will post copies of the UPTE-provided material within one (1) business day.

E. MAIL DELIVERY

United States mail which is received by the University bearing an employee name and accurate address will be placed in the employee mailboxes in the normal manner. In departments where employee mailboxes exist, the union shall have reasonable use of them. In departments where individual mailboxes are in a restricted work area, UPTE may make arrangements with the responsible University official in the restricted work area to have the UPTE mail placed in the employee mailboxes. Where mailboxes do not exist for employees, the University will distribute UPTE mail to employees by the normal method.

F. ACCESS TO EMPLOYEE HOME ADDRESS AND TELEPHONE NUMBERS

1. On a monthly basis, the University shall provide UPTE with an electronic list via File Transfer Protocol (FTP) of all employees in the bargaining unit. The list will include the following: name, title, title code, date of hire, annual salary rate, percentage appointment, appointment type, campus mailing address and hiring unit. In addition, the list will include the home address and telephone number of bargaining unit members unless the employee has specifically requested that the home information not be released. The University will provide UPTE a weekly list of changes (e.g. new hire, corrections, transfers, salary changes) via FTP that have occurred within the bargaining unit.

The mailing service shall keep confidential the home address of the employees who have requested that the home information not be released. UPTE will bear all costs associated with this service.
5. Employee work and home addresses and telephone numbers shall be maintained as confidential by the Union. The Union shall take all reasonable steps to ensure the confidentiality of all information provided to it under this Article.
6. The Union agrees to defend, indemnify and hold harmless the University of California (including its subdivisions and employees) from any claim, suit or liability of any nature arising from (a) a challenge to this Section F; or (b) any action of the Union taken pursuant to, or in violation of, this Section F. The Regents will give the Union prompt written notice of any claim, suit or liability which it contends is subject to this provision.

7. LBNL

The Laboratory shall continue to provide its monthly list and change list on a weekly basis.

G. PRINTING AND DISTRIBUTION OF AGREEMENT

1. A copy of this Agreement shall be given by the University to each employee in the Bargaining Unit. The University and UPTE shall split the cost of printing contracts for unit members. In addition, the parties shall each pay for the number of copies they need for administrative and other purposes.
2. The University shall provide UPTE a copy of the tentative agreement language in digital format within 14 calendar days of reaching tentative agreement. A camera-ready copy will be provided to UPTE within 30 calendar days from the parties' agreement of the final text. Within 20 calendar days of UPTE's receipt of the camera-ready copy, UPTE shall confirm the final copy or meet with the University to review corrections. The University shall then deliver the agreed upon camera-ready copy to the UC Printing Services. Within 20 calendar days of receipt of the "blue line" from UC Printing Services, the University shall notify UPTE to meet and review the "blue line." At that time, UPTE shall pay the University one-half (1/2) of the estimated cost of the agreement for the unit members. Upon receipt of full payment from UPTE, each location shall distribute the agreement to members of the unit within 90 calendar days.

H. TELEPHONE

shall not be such as to interfere with or disrupt the employee's completion of work assignments, nor impair the efficiency of University operations. The University may audit employee representatives' use of the telephone system to the same extent as it may audit other employees' use of such equipment.

I. E-MAIL USE

UPTE designated employee representatives may use their University e-mail account for the purpose of conducting union business which is specifically authorized by Article 10, Grievance Procedure. The use of email accounts shall be protected as outlined in the University's Electronic Communication Policy or RPM 9.01 Computing and Networking as of May 2001 at LBNL. 4. The University and UPTE agree to meet and discuss on a campus/hospital/laboratory basis over arrangements to accomplish the goals of this section.

ARTICLE 2 AGREEMENT

This Agreement, effective -March 25, 2010, is entered into between The Regents of the University of California, a corporation (hereinafter referred to as the "University", or "management", or "employer"), represented by the Office of the President of the University of California system, and University Professional and Technical Employees - Communications Workers of America Local 9119 union, (hereinafter referred to as "UPTE" or the "union"), pursuant to the provisions of the Higher Education Employer-Employee Relations Act (HEERA).

A. PURPOSE

1. It is the intent and purpose of the parties that this Agreement constitutes an implementation of the provisions of HEERA, and provides for orderly and constructive employment relations in the public interest, in the interests of the employees represented by UPTE, and in the interests of the University.
2. The parties hereby acknowledge that this Agreement represents an amicable understanding reached by the parties as a result of the unlimited right and opportunity of the parties to make any and all demands with respect to employer-employee relationship that exists between them relative to the scope of bargaining.

B. EXCLUSIVE REPRESENTATIVE

The University recognizes UPTE-CWA 9119, which was certified by the Public Employment Relations Board (PERB) on April 15, 1996 in SF-PC-1051-H as the sole and exclusive representative for the purposes of collective bargaining with respect to wages, hours, and terms and conditions of employment for all employees, excluding employees defined by HEERA as managerial, supervisory and/or confidential and all student employees whose employment is contingent upon their status as students, in the bargaining unit.

C. EMPLOYEE DEFINED

The term "employee" as used in this Agreement shall refer to employees of the University of California, including Lawrence Berkeley National Laboratory, in the unit except for those excluded pursuant to B., above.

DRAFT COPY – Subject to Edits – Pending Final Review by UC and UPTE

The classifications and title codes included in the unit are listed in Appendix A.

D. CREATION OF NEW CLASSIFICATIONS

1. UPTE recognizes that the University has the exclusive right to establish new title codes and titles for any individual, position, or title included in or excluded from the bargaining unit, as defined in Section B, of this Article. The University shall advise UPTE of any such new title/title code.
2. When the University creates a new classification and title within the bargaining unit, the University shall provide a notice to UPTE of the classification's bargaining unit assignment at least sixty (60) calendar days before the proposed date of implementation. The notice to the union shall include a statement of reason(s) for the creation of the new classification. UPTE shall have thirty (30) calendar days after mailing of such notice to contest the University's assignment of the newly created classification/title to the bargaining unit. Employees shall not be placed in the new classification/title until the thirty (30) day notice period is complete. If UPTE does not contest the bargaining unit assignment of the newly created position within the thirty (30) calendar day notice period, the unit assignment of the new classification shall be deemed agreeable to the parties and employees shall be assigned to the newly created classification.
 - a. If the new classification is in the bargaining unit in accordance with the provisions of Section D.1., above, the University and UPTE shall meet and confer regarding the salary range and ancillary pay practices for that new classification, except that the salary rate for a newly established Per Diem position shall be in accordance with the provisions of Article 31, Positions/Appointments.
 - b. If UPTE contests the bargaining unit assignment of the newly created classification/title within thirty (30) calendar days from the date on which the University's notice was mailed, the University and UPTE shall meet and confer in an effort to reach agreement on the bargaining unit assignment for the classification. If the parties are unable to reach agreement regarding the bargaining unit assignment of the title/classification, the dispute shall be submitted to PERB for resolution.
 - c. No employees shall be assigned to the newly established classification or title until the bargaining unit assignment is either agreed to or resolved by PERB, although the duties associated with the position may be assigned to the affected employees.
3. When the University creates a new classification and title outside the bargaining unit the University shall mail a notice to UPTE of the classification's bargaining unit assignment, if any. UPTE shall notify the University within thirty (30) calendar days of the mailing of the notice if UPTE intends to challenge the University's bargaining unit assignment of the new title and classification. The parties will meet to discuss UPTE's concerns. Following the discussions, any unresolved disputes may be submitted to PERB for resolution.

E. RECLASSIFICATION FROM UNIT TO NON-UNIT POSITIONS

In the event the University determines that a position or title should be reclassified or designated for exclusion from the unit, or the University intends to replace the major portion of a bargaining unit position with a position in a classification outside of the unit, the University shall notify UPTE in writing at least thirty (30) calendar days prior to the proposed implementation. If UPTE determines to challenge the University's proposed action, it shall notify the University in writing within thirty (30) calendar days from the date on which the University's notice was mailed, and the proposed effective date will be extended by thirty (30) calendar days. During such an extension, the parties will meet and discuss the University's proposed action. If the parties are unable to reach agreement regarding the University's proposed action, the University may commence PERB unit modification procedures, as outlined under PERB regulations. Until the bargaining unit assignment is either agreed to by the parties or finally resolved through the PERB unit modification procedures:

1. the affected position(s) or title(s) shall remain in the unit and shall remain covered by all provisions of this agreement
2. the University may, in compliance with Article 6 - Compensation, Section J. Other Increases of this Agreement, increase compensation for the affected position(s) or title(s), and
3. the duties associated with the proposed reclassification may be assigned to the affected employee(s).

The notice to the Union shall include a statement of the reason(s) for the abolition. In the event employees will be affected by the abolition of a classification, the University and UPTE shall, following the request of UPTE, meet and confer about such effects at least thirty (30) days before the intended date of implementation unless the parties agree otherwise. The University shall not abolish the classification unless the parties have reached agreement through the meet and confer process over effects of the decision, or conclusion of the impasse process.

**ARTICLE 3
ARBITRATION**

A. GENERAL CONDITIONS

1. An appeal to arbitration may be made only by the union and only after the timely exhaustion of Article 10 - Grievance Procedure. The appeal to arbitration must be signed by the President of UPTE-CWA Local 9119 or his/her designee, and filed with the Office of Labor Relations, Office of the President.
 - a. When hand delivered, proof of service must accompany the appeal to arbitration. The date of receipt will be used to determine the date of the appeal for hand-delivered appeals.
 - b. When mailed, the appeal must arrive in an envelope with a U.S. Postal Service Postmark. The U.S. Postal Service Postmark will be used to determine the date of the appeal for mailed appeals.
2. For the purposes of this Article, time limits are calculated in calendar days, and deadlines which fall on a day which is not a University/campus business day will automatically be extended to the next business day. All time limits may be extended by written agreement of the parties in advance of the expiration of the time limit. The union's failure to meet any time limit, or extension to a time limit, will render the Appeal to Arbitration ineligible for further processing and the University's Step 3 answer will be considered final.
3. If the appeal to arbitration is withdrawn or an arbitration hearing otherwise does not take place, the University's Step 3 answer will be considered final.
4. The decision of the arbitrator on any issue properly before her/him shall be final and binding.
5. An appeal to arbitration shall not prohibit efforts by the University and UPTE to resolve the grievance during the time the appeal is pending and until such time that an arbitrator has rendered her/his decision.
6. UPTE shall have full authority to settle, withdraw or otherwise dispose of any grievance brought on behalf of the union and/or on the behalf of employees. An agreement by the parties to settle, withdraw, or otherwise dispose of a grievance appealed to arbitration shall be binding upon the grievant(s).
7. Where two (2) or more grievances are appealed to arbitration, all grievances by or related to the same employee(s), or grievances which relate to the same incident, issue or course of action, may be consolidated by agreement of the parties.

8. TIME LIMITS

a. Initial Filing

An appeal to arbitration must be filed within thirty (30) calendar days of the issuance of the University's Step 3 decision to the union. Appeals which do not contain the appropriate union signature will be considered ineligible for appeal to arbitration.

b. University Acknowledgment of Receipt

Within fifteen (15) calendar days of the postmark or, in the case of hand delivery the date of receipt, of the union's appeal to arbitration, the University shall mail to the union an acknowledgment of the receipt of the appeal and the identity of the location to which all relevant correspondence should be directed.

c. Scheduling of the Hearing Date

Within ninety (90) calendar days from the date the grievance was originally appealed to arbitration, the parties shall select an arbitrator and schedule an arbitration date. Should the parties be unable to agree to a hearing date, the authority to schedule the hearing rests with the arbitrator. The parties may extend the ninety (90) day limit for scheduling the arbitration by mutual written agreement in advance of the expiration of the time limit. In such cases the arbitrator shall be provided with a copy of the written agreement.

d. UPTE Request that a Grievance Be Placed in Abeyance

DRAFT COPY – Subject to Edits – Pending Final Review by UC and UPTE

Should UPTE make a request that the grievance be placed in abeyance for any reason, the period of abeyance shall not exceed ninety (90) days, except in cases of sexual harassment where it shall be one-hundred-eighty (180) days. The provisions of Section H.1 shall apply to grievances placed in abeyance by UPTE. Failure by UPTE to reactivate the grievance within the ninety (90) or one-hundred-eighty (180) day time limit following agreement by the parties that it be held in abeyance will render the grievance ineligible for arbitration and the last preceding University written answer shall become final.

9. An appeal of an expedited grievance to arbitration may be made only by UPTE in accordance with this section. Requests for arbitration under the expedited grievance, Section F.2.e., of Article 10 - Grievance Procedure must include a copy of the completed grievance form.

B. DEFINITIONS

For the purposes of this Article, the terms:

1. **"Grievant"** means any employee covered by this contract who has a grievance or complaint (as defined by this Article);
2. **"Witness"**, for the purposes of release time, means any employee covered by this contract who is serving as a witness in a grievance proceeding;
3. **"Employee Representative"** means any employee covered by this contract who is a designated union representative of UPTE, in accordance with the provisions of Article 1, Access; and
4. **"UPTE Representative"** means any person who is a non-university employee acting in the interest of or on behalf of UPTE.
5. **"The Parties"** means the University and
 - a. the grievant; and/or
 - b. the "UPTE representative" or the "employee representative" serving as the grievant's representative.

C. EMPLOYEE REPRESENTATION

Union representation at the arbitration hearing may consist of up to two (2) representatives, with only one (1) of the two (2) representatives being eligible for without-loss-of-straight-time-pay status. Only one (1) of these individuals may be designated as the employee advocate for the course of the hearing.

D. SELECTION OF ARBITRATOR

Within forty-five (45) calendar days of the date of the appeal to arbitration, the arbitrator shall be selected using the following permanent panel procedures:

1. On a case by case basis, the parties may agree to the selection of any qualified and available person to serve as an arbitrator. Absent such agreement, the parties may agree to the selection of an arbitrator from their respective panel.
2. In the event the parties cannot agree to an arbitrator, the parties shall select the names of seven (7) arbitrators from the appropriate panel, as provided in Section L.6., below, by blind lot. The parties shall then alternately strike one (1) name each from the seven names. The first strike will be determined by a flip of a coin, and the last name remaining shall be the arbitrator.
3. If both parties disagree with the arbitrator who has been selected, the process shall be repeated once in its entirety.
4. A separate arbitrator shall be selected for each grievance appealed to arbitration, unless the parties agree otherwise in writing.
5. The parties may agree in writing to extend the forty-five (45) day limit for selecting the arbitrator. Failure to select the arbitrator within forty-five (45) calendar days, or to achieve a written extension of the time period, will render the appeal to arbitration ineligible for further processing and the University's Step 3 answer will be considered final.
6. If UPTE initiates the selection process in writing to the University with a preferred arbitrator from the arbitration panel and there is no written University response by the deadline for selection of the arbitrator (45 days from UPTE's appeal to arbitration), then the UPTE

DRAFT COPY – Subject to Edits – Pending Final Review by UC and UPTE

choice shall be final unless UPTE initiates the selection process within 15 business days of the deadline for selection of the arbitrator. In such case, the University shall have 15 business days to respond to UPTE's choice of an arbitrator and the period for scheduling the arbitration hearing shall be extended by 10 business days.

7. All arbitrability disputes, substantive or procedural, shall be subject to arbitration under this Article 3 including disputes arising from University claims that UPTE has lost the right to pursue arbitration of a pending grievance because of untimely processing or that the grievance is ineligible for further processing.
8. The process set forth herein to pursue an arbitrability hearing when the University claims that UPTE has failed to select an arbitrator in a timely manner shall be the exclusive process for such purpose, superceding and/or replacing any other claimed process.
9. When the University refuses to proceed to arbitration on a grievance on the grounds that UPTE has failed to participate in the selection of arbitrators in a timely manner as required by Article 3, Section D.5., of the contract, only UPTE will make a demand for arbitration of that issue in writing to the Office of the President within thirty (30) days of the postmark of the campus notification to the union that the case is ineligible for further processing.

E. SCOPE OF ARBITRATION

1. Unless there is an agreement by both parties to modify the scope of the hearing, the issue(s) to be heard by the arbitrator shall solely and in its entirety be restricted to the issue(s) stated by Step 3. Issues or allegations which were known or should have been known to either party but not introduced by the Step 3 process shall not be introduced by either party at the arbitration hearing, except as provided in Section E.2., below.
2. When practicable, the University shall inform UPTE in writing of its intent to assert the issue of arbitrability prior to the selection of the arbitrator in its Acknowledgement of receipt, according to A.8.b above. The issue(s) of arbitrability shall be resolved in a hearing prior to and separate from the hearing (if any) about the substantive facts and/or allegations in dispute, except as provided in Section E.3., below. In such case, the parties shall use the selection process described in Section D above to select two arbitrators. The first arbitrator will be selected to hear the issues of arbitrability, and the second arbitrator will be selected to decide the merits of the case if the issues are determined to be arbitrable. Unless either party requests a full and complete arbitration proceeding on the arbitrability issue, the first arbitrator shall issue either a bench decision, or upon either party's request, a written decision within seven (7) calendar days of the completion of the arbitrability hearing. In the event that the first arbitrator, as a result of the hearing referenced above determines a matter to be arbitrable, the first arbitrator shall have no authority to decide the issues pursuant to the merits of the case. A hearing on the merits of the case will be scheduled with the second arbitrator, unless the parties agree otherwise.
3. If, following the University's acknowledgement of UPTE's appeal to arbitration in A.8.b, the University raises for the first time issue(s) of arbitrability a single hearing on the issue of arbitrability and the substantive facts will be held, unless the parties agree otherwise. If the arbitrator finds the grievance to be not arbitrable, the substantive facts of the case need not be heard and the grievance shall be denied. If the arbitrator finds in favor of arbitrability, the hearing shall proceed to the substantive issues raised.
4. Section E.1. and Section E.2. above shall not prevent the parties from agreeing in writing to combine the arbitrability hearing with the hearing on the merits of the case.
5. If the union requests a postponement of the scheduled arbitration hearing following the University's raising issue(s) of arbitrability, the hearings on arbitrability and facts, if any, shall be separate, and the provisions of Section E.3. above, shall apply.

F. ARBITRATION PROCEEDING

1. The parties will attempt to agree on a location for the arbitration hearing.
2. The arbitration hearing shall be closed to anyone other than the participants in the arbitration hearing, unless the parties otherwise agree in writing.
3. The arbitration hearing shall provide an opportunity for UPTE and the University to examine and cross-examine witnesses under oath or affirmation, and to submit relevant evidence.
4. Settlement offers made any time during the Grievance and/or Arbitration Procedure shall not be introduced as evidence in the arbitration hearing.

DRAFT COPY – Subject to Edits – Pending Final Review by UC and UPTE

5. Either or both parties may, at their discretion, file briefs with the arbitrator. The order and time limits of briefing shall, on a case by case basis, be as agreed upon by the parties or as specified by the arbitrator. Briefing time limits shall be extended by the Arbitrator upon the agreement of both parties.
6. The arbitrator shall consider the evidence presented and render a written decision within thirty (30) calendar days of the close of the record of the hearing.
7. In all cases appealed to arbitration pursuant to the terms of this Article and this Agreement, UPTE has the burden of initiating the steps in the procedure. With the exception of those cases in which the issue is that of actions taken by the University pursuant to Article 7 - Corrective Action / Discipline and Dismissal, UPTE shall have the burden of proof. The burden of proof in cases in which the issue is that of actions taken by the University pursuant to Article 7 - Corrective Action / Discipline and Dismissal, shall be the University's.
8. Prior to the hearing, the parties may endeavor to exchange the names of known witnesses and relevant materials to be introduced at the hearing.

G. AUTHORITY OF THE ARBITRATOR

1. The arbitrator's authority shall be limited to determining whether the University has violated the provision(s) of this Agreement. The arbitrator shall not have jurisdiction or authority to add to, amend, modify, nullify or ignore in any way the provisions of this Agreement and shall not make any award which would, in effect, grant UPTE or the employee(s) any terms which were not obtained in the negotiation process.
2. The arbitrator shall have the authority to subpoena documents and to require the attendance of witnesses upon the reasonable request of either party but not upon his/her own motion.
3. The expense of service and appearance fees, if any, shall be borne entirely by the party requesting the subpoena of witnesses and each party shall, in advance of the hearing date, inform the other party of the identity of witnesses it subpoenaed.
4. The arbitrator shall have the obligation of assuring that all necessary facts and considerations are brought before her or him by the representatives of the parties at the hearing. In all respects s/he shall assure that the hearing is a fair one. The arbitrator shall be the sole judge of the relevancy and materiality of the evidence and testimony offered. The arbitrator may receive and consider evidence but shall give appropriate weight to any objections made. All documents to be considered by the arbitrator shall be filed at the hearing, or within the post-hearing time lines agreed to by the parties during the hearing.

H. ARBITRATION REMEDIES

1. No remedy by an arbitrator with respect to any grievance which shall be submitted to her/him shall in any case be made retroactive to a date earlier than thirty (30) calendar days prior to the filing of the Step 1 grievance, except for the correction of mathematical, calculation, recording or accounting errors relating to the payment of wages. For grievances involving the correction of mathematical, calculation, recording or accounting errors relating to the payment of wages, an award of an arbitrator shall not in any case be made retroactive to a date earlier than three (3) years prior to the initiation of the written grievance in Step 1 of the Grievance Procedure. Additionally, no remedy shall be provided for any period of time during the grievance and/or arbitration procedure for which an extension of time limits has been granted at the request of UPTE; any period of time between the date a hearing was originally scheduled to be held, and due to a request from UPTE to postpone or change the scheduled hearing, the rescheduled date of the hearing; or any time an employee was on strike.
2. In any decision of a grievance appealed to arbitration involving retroactive payments, the appropriate University and UPTE representatives shall expeditiously determine the identity of the payees and the specific amount owed each payee. Such amount of payment shall be final and no employee or group of employees may subsequently grieve the amounts owed.
3. Remedies involving monetary payment and/or credit shall be limited in their calculation to the utilization of the employee's actual and appropriate wage or benefit amount at the time of the violation and shall not include the awarding of interest or any other payment/credit unrelated to a University benefit amount or the employee's hourly wage.
4. Upon the motion of either party, or at his or her own discretion, an arbitrator may retain jurisdiction in cases involving an award of retroactive monetary payment and/or credit.

In the event the parties agree to settle or postpone the arbitration during the period of time in which the arbitrator will charge a cancellation/postponement fee, the parties will equally bear the cost of the fee, unless the parties agree otherwise.

The party selecting first shall be determined by a flip of a coin.
2. After one (1) year from the date the panel members were initially selected, and annually thereafter, each party shall have the right to eliminate up to one (1) arbitrator from the panel. A party exercising this right shall notify the other party in writing of the name of the arbitrator to be stricken from the panel.

**ARTICLE 4
UNIVERSITY BENEFITS**

A. GENERAL CONDITIONS – Part I

1. Eligible employees may participate in a number of benefits programs generally available to other eligible staff employees of the University and non-represented employees at LBNL. The University health and welfare plans provide an annual open enrollment period during which eligible employees may elect to change plan or coverage options. Open enrollment provides an opportunity for employees to choose among plans due to changes in circumstances of the employees, changes in the coverage and costs of each plan, and changes in plan availability which may change from year to year. The University may, at its option, alter its health and welfare programs -. Such alterations include, but are not limited to altering eligibility criteria, establishing new coverage, altering or deleting current coverage, altering employee and University rates of contribution, or changing the carrier for established plans or programs. In the event the University makes such alterations, the changes will apply to employees eligible for benefits within the unit in the same manner as they apply to other eligible staff employees at the same campus/ and non-represented employees at LBNL. The sole exceptions to the above shall be 1) any alterations proposed by the University which affect only bargaining unit employees, and 2) if at any point in the course of the calendar years 2011, 2012, 2013, the aggregate amount of increases to the employee's portion of premium cost is proposed to increase more than eighteen percent (18%) for any one of the categories in Payband 1 (one), (See Section A.4 below), for either Kaiser or Health Net in such cases, the University agrees to meet and confer with respect to the proposed change(s) in accordance with specific provision outlined in the Duration Article addressing conditional re-opener negotiations.
2. -
3. Costs that exceed the University contributions, and employee costs for plans to which the University does not contribute, are to be paid by bargaining unit members, normally through payroll deduction.
4. The University and the employees shall pay the amount appropriate to the employee's pay band and the employee's selected coverage category (single, adult +child[ren], two adults, or family) and medical plan.
5. Payband placement for any year is based on the employee's January 1 full-time annualized salary as of the previous year. For example, for the 2010 calendar year, the placement is based on the employee's January 1, 2009 full-time annualized salary. Such salary includes stipends paid on January 1, but does not include shift differentials or other ancillary pay.
6. Appendix _contains the monthly contributions to be paid in the calendar year 2010 by employees in the bargaining unit depending upon the medical plan they have selected, their coverage category and their applicable payband.

B. EFFECT OF ABSENCES FROM WORK ON BENEFITS

1. Temporary Layoff/Temporary Reduction In Time/Furlough

Health plan contributions by the University will be provided for unit employees, in accordance with Section A.3, above, when the employee is affected by the following conditions lasting up to 4 months: a temporary layoff; a temporary reduction in time below the hours required to be eligible for health benefits; or a furlough. For health benefits to remain in force, employees on temporary layoff or furlough must comply with the terms of the applicable benefit documents, rules and/or regulations.

2. Military Leave

An eligible employee on military leave with pay for emergency National Guard duty or Military Reserve Training Leave shall receive those benefits related to employment that are granted in the University's Military Leave policy and its related documents.

3. Leaves Of Absence Without Pay

- a. Approved leave without pay shall not be considered a break in service and, except as provided in Section 3.c, below, shall not determine eligibility for benefits.
- b. Except as provided in Section 3.c, below, an eligible employee on approved leave without pay may, in accordance with the benefit documents, rules and regulations,

elect to continue University-sponsored benefits for the period of time specified in the benefit documents, rules and regulations.

- c. An employee on an approved Family Care and/or Medical Leave shall be entitled, if eligible, to continue participation in health benefit coverage (medical, dental, and vision) as if on pay status for a period of up to twelve (12) workweeks in any 12-month period. However, an employee who exhausts her entitlement to health benefit coverage while on an approved Pregnancy Disability Leave that runs concurrently with federal Family and Medical Leave, shall not be entitled to an additional 12 workweeks of health benefit coverage under the State Family Care and Medical Leave Act. Other group insurance coverage shall be continued in accordance with the provisions of the applicable group insurance regulations.

C. ENUMERATION OF UNIVERSITY BENEFITS

For informational purposes only, a brief outline of benefits in effect on the date the Agreement is signed is found in Appendix C. UPTE understands and agrees that the descriptions contained in Appendix C do not completely describe the coverage or eligibility requirements for each plan, the details of which have been independently communicated to UPTE.

Specific eligibility and benefits under each of the various plans are governed entirely by the terms of the applicable Plan Documents, custodial agreements, University of California Group Insurance Regulations, group insurance contracts, and state and federal laws. Employees in an ineligible classification are excluded from coverage, regardless of appointment percent and average regular paid time. For details on specific eligibility for each program, see the applicable documents, agreements, regulations, or contracts.

An individual so registered is ineligible for the services and facilities of the counseling centers, gymnasias, or student health services, other than those to which the retired employee may be otherwise entitled.

1. For an employee on the quarter system, the reduced fee limit is nine units or three regular session University courses per quarter, whichever is greater.
2. For an employee on the semester system, the reduced fee limit is six units or two regular session University courses, whichever is greater.

1. On or about April 15, 2010, the University shall resume employee member contributions to the UCRP. The initial amount of the employee member contribution shall be the same as the current rates for employee contributions that are being redirected to the Defined Contribution Plan (DCP). The redirection to the DCP of the member UCRP contributions will be terminated at that time.
2. When the University resumes the employee member contributions to the UCRP and ends the redirected contribution amount to the DCP, the University's contribution rate to the UCRP shall be at least four percent (4%).
3. Additional employee contributions to the UCRP after termination of the redirected DCP contributions shall be subject to Regental Approval and shall at least match the contributions made by staff employees of the University, up to (and including) one percent (1%), without a requirement to meet and confer. Additional contributions, which are beyond 1% each year, are subject to meeting and conferring with respect to the proposed increase in accordance with the specific provisions outlined in the Duration Article addressing additional reopener negotiations.

3. Employees who do not use vacation or compensatory time off may elect to take a leave without pay during the closure. Notwithstanding the provisions of Article 43, Vacation, and Article 39, Sick Leaves, if an employee is in leave-without-pay status due to a location closure which is three (3) consecutive days or less in duration, such a full-time or part-time employee shall continue to accrue vacation and sick leave at her/his normal rate.

C. UNPAID STATUS

Employees who do not select from Section B1., 2., or 3., above or who do not qualify for Section B1., 2., or 3., above, shall, for the period of time necessary, be placed in a leave-without-pay status. Such information will include employee name, employee number, job code, job title and wage increase amount. This information will be provided electronically in a Microsoft Excel spreadsheet to UPTE Local 184 and to the UPTE systemwide office. In the same manner as in previous fiscal years, any undistributed amount of the above merit increases will then be distributed across the board to all employees who received a wage increase based on the above eligibility requirements.
 9. Salary ranges may be increased at the Laboratory's sole discretion during fiscal years 2010 and 2011. The Laboratory shall provide UPTE with thirty (30) days advance notice regarding whether the salary ranges will be increased, and if so, the amount of the increase. Upon UPTE's request, the Laboratory will schedule a meeting to discuss the union's concerns relative to the basis for such decisions.
 10. Employee wage increases for promotions, reclassifications and individual equity adjustments shall be at the Laboratory's sole discretion, based upon business need. The Laboratory will provide to UPTE information concerning such wage adjustments within sixty (60) days following the end of each fiscal year. Such information will include employee name, employee number, job code, job title, wage increase amount and reason for adjustment. This information will be provided electronically in a Microsoft Excel spreadsheet to UPTE Local 184 and to the UPTE Systemwide office.
 11. For non-exempt (hourly paid) employees, all hourly rates will be rounded to the nearest penny. For exempt (monthly paid) employees, all monthly rates will be rounded to the nearest dollar.
 12. For the purpose of determining merit increases, the matrix that will be provided to UPTE each fiscal year per 1-3 above will group employee performance appraisal ratings into four categories:
 - Outstanding/Excellent
 - Very Good/Good
 - Acceptable
 - Marginal/Unsatisfactory
 13. When an annual wage increase per 1-3 above brings an employee's salary to the maximum of the salary range, the employee's position shall be reviewed for possible reclassification to the next higher level, if any, within the same job family. If a reclassification is deemed appropriate by management based on the actual job duties performed by the employee, the employee will be reclassified in accordance with Article 41 of this agreement.
 14. Retroactive pay increases for Fiscal Year 2009 will be implemented within one hundred twenty (120) days of wage agreement ratification and will be subject to the eligibility criteria described in 1 above. No separate paychecks will be issued.
 15. If this wage agreement is ratified later than June 15, 2009, pay increases for Fiscal Year 2010 will be implemented within one hundred twenty (120) days after Fiscal Year 2009 payroll distribution is processed in HRIS. Fiscal Year 2010 pay increases will be retroactive to October 1, 2009.

**ARTICLE 7

A. GENERAL PROVISIONS

1. The University shall have the authority to discipline or to dismiss a non-probationary career employee for just cause. For purposes of illustration but not limitation, such actions may be taken for misconduct or failure to perform satisfactorily.
2. A non-probationary career employee who alleges that discipline and/or dismissal is not based on just cause may appeal such action pursuant to the provisions of Article 10 - Grievance Procedure.

B. TYPE OF DISCIPLINE

1. The University may discipline an employee by written warning, suspension without pay, disciplinary demotion, salary decrease, or dismissal. A disciplinary salary decrease shall be limited to a maximum of 10% of an employee's salary and to a maximum length of thirty (30) calendar days.
2. At least one written warning shall precede any other corrective action except when corrective action is the result of performance or conduct, that an employee knows or reasonably should have known, was unsatisfactory. Such performance or conduct may include but is not limited to dishonesty, theft or misappropriation of University property, fighting on the job, insubordination, acts endangering others, or other serious misconduct.
3. For exempt employees, suspension without pay may be imposed only in increments of one workweek. However, suspension without pay in increments of less than a workweek may be permitted when the infraction is a violation of a significant safety rule relating to prevention of serious danger to the workplace or other employees.
4. A performance evaluation or a counseling memo is not in and of itself discipline.

C. INVESTIGATORY LEAVE

1. The University may place an employee on paid investigatory leave without prior notice in order to review or investigate allegations of employee misconduct which warrant relieving the employee immediately from all work duties and removing the employee from the premises.
2. The investigatory leave must be confirmed in writing to the employee and UPTE normally not later than three (3) working days after the leave is effective. The confirmation must include the reasons for and the expected duration of the leave.
3. On conclusion of the investigation, the employee and UPTE shall be informed in writing of the disciplinary action, if any, to be taken. If a disciplinary suspension is imposed, up to fifteen (15) work days of the investigatory leave may be converted to an unpaid disciplinary suspension provided the notice and employee responses provision of this Article have been followed before the final decision is made.

D. NOTICE

1. Written notice of intent to suspend, demote, or dismiss shall be given to the employee, either by delivery of the notice to the employee in person or by placing the notice of intent in the U.S. mail, first class postage paid, in an envelope addressed to the employee at the employee's last known home address. It shall be the responsibility of the employee to inform the University in writing of any change in their address. The notice of intent shall be accompanied by Proof of Service indicating the date on which the notice of intent was personally delivered or mailed, and this shall constitute the "date of issuance" of the notice of intent. A copy of the Notice of Intent shall be sent to UPTE.
2. The notice of intent shall:
 - a. inform the employee of the disciplinary action which the University intends to take, the reason for the disciplinary action, and the effective date of the disciplinary action;

E. EMPLOYEE RESPONSE

The employee shall be entitled to respond, orally or in writing, to the notice of intent described above. The response must be received within ten (10) work days from the date of issuance of such notice of intent in accordance with instructions given by the University in the written notice of intent sent to the employee. A request for an extension of the ten (10) work days shall not be unreasonably denied. If the employee chooses to respond orally, the employee may have present a Union representative, provided the representative is not a University employee who has been designated as supervisory, managerial, or confidential.

F. UNIVERSITY RESPONSE

After review of the employee's timely response, if any, the University shall notify the employee of any action to be taken. **ARTICLE 8
DEVELOPMENT AND TRAINING**

A. GENERAL CONDITIONS

1. Employees may participate in career-related or position-related development programs, subject to approval by the University. Unless the University determines the proposed training/development is not position- or career-related, or denies release time based on operational considerations, employees shall be granted flexible or alternate work scheduling, leave without pay, leave at full or part pay, full or part payment of fees and expenses, and/or temporary or part-time reassignment in another department, provided that:
 - a. the employee has completed her/his probationary period; and
 - b. the employee's performance is satisfactory or better; and
 - c. participation in education or training programs during scheduled work hours is approved in advance by the University.
2. When the University requires attendance at an educational or training program, the University will pay the fees and related costs for materials, travel and per diem, and the employee's attendance at the actual program shall be considered time worked. However, when an individual is hired with the understanding that specific additional training is to be obtained or completed, that individual may be required to participate in such training on off-duty time, without expense to the University.
 - a. Education or training which is suggested or recommended, but not required, is not "required" within the meaning of this Article.
 - b. Education or training for the acquisition or maintenance of a license shall not qualify as "required" within the meaning of this Article.
3. Employees attending University courses or seminars shall be eligible for fee reductions applicable to other staff employees at their campus/hospital/laboratory. Employees attending University courses or seminars shall not be eligible for the services or facilities of counseling centers, gymnasias, or student health services incidental to such reduced-fee registration.
4. Non-probationary career employees who are residents of the State of California are eligible to enroll in regular session courses for up to nine (9) units or three (3) courses per quarter or semester, upon payment of one-third of the University Registration Fee (URF) and one-third of the University Educational Fee (UEF). In the event the University provides additional URF and UEF reductions to other eligible staff employees, the employees in this unit shall receive such fee reductions, to the same degree that other staff employees are so eligible.
5. Eligibility for discounts for other University of California courses and programs, including University Extension courses, are at the sole discretion of the University.
6. Campus/lab/hospital staff training programs shall be available to employees covered by this Agreement to the same extent they are provided to all other staff employees.
7. Nothing contained in this Agreement will preclude the University from granting additional training and career development opportunities.
8. In the event the University establishes new training programs open to all staff employees, bargaining unit employees shall be eligible to participate in such programs to the same degree as other staff employees.

B. RELEASE TIME AND SCHEDULING

1. An employee who has completed the probationary period who wishes to participate in a development program during work time shall request advance approval in accordance with departmental procedures. On completion of the program, the employee may be required to submit verification of successful completion of the program and attendance at the program. Participation in educational or training programs during scheduled work hours must be approved by the University in advance. Such leaves must not interfere with staffing requirements.
2. A non-probationary employee is eligible for up to forty (40) hours of paid release time for job-related training per calendar year, prorated based on appointment rate. Except as

described below, such paid release time may not be accumulated or carried over from year to year, and must be scheduled according to staffing requirements. Training courses provided by the University shall be included in the forty (40) hours. Time spent, if any, in career-related training programs shall count against the forty (40) hours.

No later than November 1 of any year, an employee may submit a written request in accordance with departmental procedures to carry over paid release time for job-related training. Such requests will be considered on a case by case basis and shall not be unreasonably denied. Any hours approved for carry over must be used within one (1) calendar year.

3. The provisions of Section B do not apply to home study courses.
4. Development Leave Hours may be used for the time spent taking the American Association of Laboratory Animal Science (AALAS) certification exam.

C. PILOT PROGRAM

The University may establish, on a campus by campus basis, a pilot program for the professional training and development of bargaining unit employees.

D. DISPUTES

Disputes arising from this Article may be appealed to the department head in writing within 30 days of the denial. The department head, or his/her designee, shall respond in writing within 10 days stating reasons the appeal is denied. If the department head fails to provide the required response within 10 days, the employee may file a grievance in accordance with Article 10 – Grievance Procedure only through Step Two of the grievance procedure. In no circumstances shall such grievances be eligible for appeal to Step 3 of Article 10 – Grievance Procedure, or Article 3 – Arbitration Procedure. The remedy for grievances alleging a violation of this Development article shall be limited to providing the written reasons for the denial of training.

E. LAWRENCE BERKELEY NATIONAL LABORATORY

- A.** Position-related programs are directly related to the work assignments or conditions of the employee's current position. In improving performance or mastering responsibilities in the present job, the supervisor takes the lead by identifying development objectives along with corresponding action plans. This is done in conjunction with the employee performance evaluation process. All career employees are eligible for position-related programs. Employees in non-career appointments are eligible for position-related programs only when such training is specifically necessary for such employees to perform their respective assignments.
- B.** Career-related programs are related to the development of skills, knowledge, and other qualifications that prepare an employee for other positions within the Laboratory for] which an employee (as evaluated by the supervisor, department head, and Human Resources Operations Manager or designee) might be an effective competitor. In career planning and development, the employee takes the lead by self-assessing skills, values, career interests, and choices. After completion of the self-assessment, the employee discusses with the supervisor areas of interest to be developed. The supervisor is encouraged to act as the coach and advisor to the employee, helping to map out agreed-on developmental objectives along with corresponding action plans. All career employees are eligible for career-related programs. Employees in non-career appointments are not eligible for career-related programs.
- C.** Educational enrichment programs are related to an employee's personal or career interests outside the Laboratory that are not related to Laboratory positions for which an employee might be an effective competitor. For example, a course such as music would be considered an educational enrichment program. Educational enrichment programs are the employee's responsibility and are not eligible for benefits under this policy.
- D.** Attendance at all courses, seminars, and conferences of an instructional nature given by accredited universities and colleges, institutes, professional associations, and commercial training organizations is considered part of the Laboratory's education and training activities and may be part of a formal employee development plan. For administrative purposes, attendance at scientific meetings, professional society meetings, research conferences, and industrial conventions and shows is considered a work assignment and is not necessarily part of a development plan.
- E.** Every career employee is eligible to request a formal development plan. A formal development plan is developed by the employee and his/her supervisor and should be realistic and state job or career goals that are attainable within the Laboratory's job classification structure. Plans should be structured so that completion of the development program should result in greater employee capability. Formal plans often include a time frame longer than one year. When an employee takes

three or more Laboratory-supported courses or training programs in a fiscal year, the development plan must be formalized by using the Employee Development Plan form. At a minimum, the plan should include developmental objectives and corresponding action plans for improving or mastering performance in the current position, qualifying for other Laboratory positions, or obtaining a specific degree or specialty certificate of value to the Laboratory's mission.

F. On-Site Training:

A division director or department head is responsible for arranging specialized training with a department or division. Assistance or advice in any phase of a desired program may be obtained from the Training Administrator in the Human Resources Department. Various organizational units within the Laboratory, including the Environment, Health and Safety Division, Computing Sciences Directorate, and Human Resources Department, are responsible for developing and/or providing training programs to Laboratory employees in their areas of expertise and that are required by law or will enhance employee performance. Procedures for attending interdepartmental training may be found on the Employee Self Service Web site. The Workforce Diversity Office is responsible for administering apprenticeship training programs, other special skills training, and internships.

G. Off-Site Training:

With the approval of his or her supervisor and department head or division director, an employee may attend off-site training (e.g., outside seminars and workshops) that will be of direct benefit to the employee's assignment. The division director or department head will approve attendance at off-site training only when the benefits to the Laboratory will, in his or her judgment, more than offset the costs involved, when the required skill or knowledge is not readily available through Laboratory training resources, and when the employee's time away from the Laboratory will not adversely impact current work demands. The division will pay course fees, travel, and all other expenses as necessary.

H. College Degrees, Specialty Certificates, and College Level Courses:

Career employees who have passed probation may take college-level, specialty certificate, and continuing education courses as described below. Satisfactory job performance is a prerequisite to participation in these Tier 1 and Tier 2 programs. The employee must have an Employee Development Plan approved by his or her supervisor, division director, or the Operations Department Head, and the Human Resources Operations Manager or designee. Approval is based on:

- Relevance to the Laboratory's mission
- Mutual benefit to the employee's career and the long-term interests of the Laboratory
- Whether there is a reasonable expectation that the employee shall remain in the employ of the Laboratory for a sufficient period of time to provide a fair return for the training costs
- Whether the proposed curriculum and timetable are realistic
- Whether the department/division's work needs can be met during any employee absences due to attending class

Employees may be reimbursed as noted below for tuition, laboratory fees, educational fees, and other fees required for registration when the employee submits proof of successful course completion and receipts for payment of fees to the Training Administrator in the Human Resources Department. Nonresident tuition is not reimbursable. Successful completion is receipt of a grade of at least a "C" for undergraduate work or "B" for graduate work if the institution uses the "A-F" system of grading. If there is a choice between receiving a letter grade or a "Pass/Fail" evaluation, the employee must take the letter grade. Reimbursement is also allowed when an employee is forced to withdraw from a course because of work requirements, provided he/she submits evidence from the instructor that the employee's work in the course was satisfactory at the time of forced withdrawal. When necessary, the Human Resources Operations Manager or designee may advance payment of the costs provided the employee agrees to return the payment if the employee is unable to provide evidence of satisfactory completion. Employees who are eligible for the University of California Reduced-Fee Enrollment Benefit must take advantage of that benefit. Employees who terminate employment before the end of the quarter or semester are not eligible for reimbursement of fees unless the termination is due to an involuntary layoff and when the employee was notified of layoff after the beginning of the class. Employees whose fees have been paid through an advance agreement must repay the advance at termination.

Time off with pay may be granted when the employee's absence will not adversely affect progress of work, in accordance with the following provisions:

- The employee must remain in career status during the entire quarter or semester.
- The course or courses must be listed on the Employee Development Plan and approved before registration for each academic quarter or semester.
- Time off to attend and register for approved courses may be allowed only when such courses cannot reasonably be taken outside the employee's scheduled working hours.

DRAFT COPY – Subject to Edits – Pending Final Review by UC and UPTE

- Time off with pay may not exceed six hours per week, including time for travel and registration. Time off with pay is not allowed for study, library, or faculty consultation time. Additional time required must be accounted for by an adjusted work schedule or by use of vacation credit.
- Time off with pay to take Web/Internet based courses is not allowed.

1. Tier 1:

College-level courses leading to an academic degree (A.A., B.S., Ph.D., etc.) or a specialty certificate (Certified Compensation Professional, Certified Cisco Network Technician, Integrated Circuit Engineering, etc.). Degree courses must be offered by an accredited college or university. Specialty certificate courses must be offered by an accredited college or university, university extension program, or recognized professional society. Continuing education units (CEUs) may be reimbursed under Tier 1 when they are part of an approved degree or specialty certificate program. These may be either position- or career-related programs. The employee must exhibit satisfactory progress towards attainment of the degree or certificate for continued eligibility under Tier 1, with the understanding that unanticipated department/division work needs may affect that progress. Employees may be reimbursed 100% for tuition, laboratory fees, educational fees, and other fees required for registration when the employee submits proof of successful course completion and receipts for payment of fees to the Training Administrator in the Human Resources Department.

2. Tier 2:

Career-related academic programs not leading to an academic degree or a specialty certificate. Courses must be offered by an accredited college or university. Continuing education units (CEUs) may be reimbursed under Tier 2 only when offered by a university or college continuing education program. Employees may be reimbursed two-thirds for tuition, laboratory fees, educational fees, and other fees required for registration when the employee submits proof of successful course completion and receipts for payment of fees to the Training Administrator in the Human Resources Department.

I. Government Licensing and/or Professional Certification:

For the purposes of this section, government licenses and/or professional certifications are those licenses and certifications required by the employee to hold his or her current position as documented in the position description. Continuing education credit (CEU) courses required for the maintenance of a professional license or certification as noted above are considered position-related courses. The course must be approved by the licensing or certifying agency. The request for course fee reimbursement is the same as for all other position-related training. Fees for license or certifications renewals as defined above are an allowable expenditure. The request is made in writing to the Financial Services Department and must include:

- Request for Issuance of Check form with valid project ID and approval;
- Endorsement by the cognizant division director that the cost is allowable as cited; and
- Copy of the license renewal or issuance documentation.

J. Professional Research or Teaching Leave

1. To promote the continuing professional growth and competence of senior administrative and scientific staff members, the Laboratory Director may, with prior written approval of DOE, grant Professional Research or Teaching Leave to a limited number of employees. Approval and recommendation from the division director are obtained before submitting the request to the Laboratory Director. DOE approval for such leave will be based on evidence that the Laboratory will benefit from the proposed work and that the candidate will continue employment with the Berkeley Lab or another DOE-funded employer for a reasonable period following the leave. The leave may be spent at appropriate institutions either within or outside the United States.

2. Qualifications:

The candidate must have outstanding professional ability and propose a firm plan of study, teaching, or research that is clearly relevant to the interests of the Laboratory and within the individual's competence. The candidate must also have been continuously employed by the Laboratory for four years or more.

**ARTICLE 9
DURATION OF AGREEMENT**

- A.** The terms and conditions of this Agreement shall remain in full force and effect commencing on -, and shall terminate at 11:59 p.m. on June 30, 2013, unless the University and UPTE agree to extend any or all of the terms and conditions.

B. **CONDITIONAL RE-OPENER NEGOTIATIONS**

The parties will engage in re-opener bargaining if the circumstances outlined in Article 4 – University Benefits, Section A.1 are satisfied. Obligations to meet and confer shall be made in accordance with the following:

UPTE shall, not later than thirty (30) calendar days from receiving written notice of the circumstances triggering the conditional re-openers above, serve upon the Office of the President, Director of Labor Relations written notice of its intent to negotiate those triggered sections of the Agreement.

C. **FULL CONTRACT NEGOTIATIONS**

In order to facilitate the negotiations of a successor to this Agreement or this Agreement as amended, UPTE and the University shall each present its written proposals for a successor Agreement to each other no later than February 1, 2013. Negotiations shall commence on or about March 1, 2013, unless otherwise mutually agreed to by the parties.

- D.** Unless mutually agreed otherwise, up to nine (9) UPTE representatives (no more than one from each campus) shall receive five (5) days of paid release time in order to provide the University with a comprehensive set of initial proposals for the beginning of bargaining. UPTE shall notify the University two (2) weeks prior to the dates requested for meetings pursuant to this Section and shall designate the UPTE representatives for purposes of this Section.

- E.** Except for Compensation, if either party fails to submit an article in its comprehensive set of successor proposals in the agreed upon form by the prescribed dates, that party will be deemed to propose current contract language for such article. With respect to Article 6, Compensation, if UPTE fails to present its compensation proposal as part of its comprehensive set of successor proposals by February 1, 2013, UPTE will be deemed to have waived its right to meet and confer over the Compensation Article for the 2013-14 fiscal year.

**ARTICLE 10
GRIEVANCE PROCEDURE**

A. GENERAL CONDITIONS

1. A grievance is a written complaint by an individual employee, a group of employees, or UPTE that the University has violated a specific provision of this Agreement. The University shall not have the right to use the grievance procedure.
2. No employee shall be subject to reprisal for using or participating in the grievance procedure of this Agreement.
3. **Filing**
 - a. All grievances must be filed with the campus/hospital/laboratory Labor Relations office at the campus that employs the grievant within the time frames specified in this Article, on a form agreed to by the parties (see Appendix C). If the grievance is for more than one (1) employee, all individuals adversely affected will be identified on the grievance form by UPTE to the extent UPTE knows who the affected employees are at the time of filing.
 - b. The grievance form must be signed and dated by the employee(s) or the employee's representative upon submission to the University. Union grievances must be signed by the UPTE President or designee. UPTE will identify designee(s) in writing to the University.
 - c. The grievance form (see Appendix C) shall be furnished to the employee by either UPTE or the University designee, although failure of a University Representative to provide a grievance form upon request shall not constitute cause for an extension of the time lines for filing, nor shall the employee or UPTE be able to grieve the University's failure to provide a grievance form.
 - 1) Only one subject matter shall be covered in any one grievance. A formal grievance must:
 - a) identify the specific Article(s) and Section(s) of this Agreement alleged to have been violated;
 - b) describe the action(s) which allegedly violated the identified Article(s) and Section(s);
 - c) identify the date(s) of the action(s);
 - d) list the affected individual(s) known at the time of filing; and
 - e) describe the remedy requested.
 - 2) Receipt of the grievance shall be acknowledged in writing by the University as soon as practicable following receipt, and sent to the non work address listed on the grievance form. If the grievance is incomplete or does not identify the information required in Section A.3.c.1). above, the University will advise the representative to complete the information within seven (7) days of the date of the acknowledgement. The provision of information does not in any way extend the original thirty (30) days to file the grievance.
 - 3) For the initial filing of a grievance, the date filed shall be the date received. However, if the grievance is mailed, the date of the US Postal Service postmark shall be considered the date filed. For grievance appeals and responses, the date of issuance shall be the date hand-delivered, or the date of the US Postal Service postmark, if mailed. Additionally, a grievance may be filed by facsimile if a signed hard copy is received by the University within five (5) business days. The date and the time registered by the University's facsimile machine shall constitute the official date of receipt. If the registered date on the facsimile falls outside the campus's business hours, the following business day shall constitute the official date of receipt.
 - d. No remedy shall exceed restoring to the grievant the pay, benefits or rights lost as a result of the violation of the contract, less any income earned from any other source including, but not limited to, workers' compensation, or any other employment.

4. TERMS / DEFINITIONS

DRAFT COPY – Subject to Edits – Pending Final Review by UC and UPTE

For the purposes of this Article, the terms:

- a. **"Grievant"** means any eligible employee covered by this contract who has a grievance or complaint (as defined by this Agreement);
- b. **"Other Grievance Representative"** means any person representing an employee covered by this contract, other than an UPTE-designated employee representative or an UPTE representative, in the resolution of her/his grievance other than a person who has been designated as supervisory, managerial, or confidential;
- c. **"UPTE-designated Employee Representative"** means any employee covered by this contract who is a designated union representative of UPTE, in accordance with the provisions of Article 1 - Access, Section C.;
- d. **"UPTE Representative"** means any person who is a non-university employee designated by UPTE to act in the interest of or on behalf of UPTE;
- e. **"The Parties"** means the University and
 - 1) the **"grievant(s)"**, when the grievant(s) is self-represented or is represented by an individual, as defined in Section A.4.b. above; or
 - 2) the **"UPTE representative"** or the **"UPTE-designated employee representative"** when the grievant(s) is represented by an individual, as defined in Section A.4.d. or Section A.4.c. above; or
 - 3) UPTE, when UPTE is itself the grievant.
- f. **"witness"** means any employee who is serving as a witness in a grievance proceeding; for the purposes of release time, said employee must be covered by this contract.

B. EMPLOYEE REPRESENTATION

A grievant shall have the right to be represented at all steps of the grievance procedure by an UPTE representative or an UPTE-designated employee representative, or any other one (1) person of the grievant's choice other than a University employee who has been designated as supervisory, managerial, or confidential.

C. TIME LIMITS

1. Other than the time limits for the initial Step 1 filing of a grievance, the time limits as specified in this article may be extended by mutual agreement of the parties. Extensions must be in writing and must be signed by the parties in advance. The parties may mutually agree to skip any steps of the grievance procedure. Such an agreement must be in writing and must be signed by the parties.
2. Deadlines that fall on a day that is not a regular business day will automatically be extended to the next business day.
3. If a grievance is not appealed to the next step of the procedure within applicable time limits, and an extension has not been agreed to in advance, the grievance will be considered resolved on the basis of the last University response to the grievance and shall be considered ineligible for further appeal.
4. **REQUEST THAT A GRIEVANCE BE PLACED IN ABEYANCE** - Should the grievant and/or UPTE make a request that the grievance be placed in abeyance for any reason, the period of abeyance shall not exceed ninety (90) days, except in cases of sexual harassment where it shall be one-hundred-eighty (180) days. Failure by UPTE to reactivate the grievance within the ninety (90) day time limit (except in the case of sexual harassment where it shall be one-hundred-eighty (180) days) following agreement by the parties that it be held in abeyance will render the grievance ineligible for arbitration and the last preceding University written answer shall become final.

D. GRIEVANTS WHO HAVE RESIGNED

Grievants who voluntarily resign or retire their employment with the University shall have their pending grievances immediately withdrawn and will not benefit by any subsequent settlement or disposition of any individual, union, or group grievance.

DRAFT COPY – Subject to Edits – Pending Final Review by UC and UPTE

However, if the group or union grievance is related to the implementation of a compensation provision negotiated in a UC/UPTE Agreement, the grievance may be continued if it has moved to Step 2 before the date of the employees' resignation or retirement. The foregoing provision shall not apply to LBNL.

E. GRIEVANCE PROCEDURE - INFORMAL REVIEW

Before commencing the formal grievance procedure, an individual employee, or group of employees, with or without their representative, may first attempt to resolve informally the grievance with the immediate supervisor.

F. GRIEVANCE PROCEDURE - FORMAL REVIEW

1. Step 1:

- a. All grievances (individual, group, or union) must be filed either by U.S. mail or hand delivery, and received by the Labor Relations Office at the campus/hospital/laboratory which employs the grievant(s) within 30 calendar days after the date on which the employee or UPTE knew or could be expected to know of the event or action giving rise to the grievance. Informal attempts of settlement to resolve shall not extend time limits including the initial thirty (30) day filing limit.
- b. Grievances received after the filing deadline will be processed solely for the purposes of determining whether the grievance was untimely. Any formal grievance which is not received in accordance with Section F.1., or this section, shall be reviewed only in accordance with the review procedures in Section Q.
- c. **University Review:**
 - 1) The University's written response will be issued to the grievant and the representative, if any, within fifteen (15) calendar days after the formal grievance is filed. If the response is not issued within this time limit, or if the grievance is not resolved at Step 1, the grievance may proceed to Step 2.
 - 2) Resolution of the grievance at Step 1 or earlier, although final, shall not be precedent-setting.
- d. **Sexual Harassment Complaint Resolution Procedures:**

An employee who elects to use the Sexual Harassment Complaint Resolution Procedure may return to the grievance procedure only if they filed a grievance within the thirty (30) day time limit for filing. An employee who elects to resume the regular grievance procedure in place of the Sexual Harassment Complaint Resolution Procedure shall do so by sending written notice to the University. The University's Step 1 Grievance response will be issued within fifteen (15) calendar days after the notice is received by the designated University official. If the second step of the grievance is not invoked by the grievant or UPTE, the University will hold the grievance in abeyance for up to one-hundred-eighty (180) days.
 - 2) Grievances that allege a violation involving sexual harassment may, at the grievant's option, enter the grievance procedure at Step 2.
 - 3) If no report issues from the sexual harassment process or the employee elects to use the sexual harassment process and for any reason the grievance is in abeyance for more than one-hundred-eighty (180) days, the case will be considered withdrawn by the grievant, unless expressly confirmed in writing to be in abeyance. Any request for extension of the abeyance will be subject to new deadlines pursuant to this Section.

2. Step 2

- a. If the grievance is not resolved at Step 1, the grievant or the Union may proceed to Step 2 by filing a written appeal with the Labor Relations Office within fifteen (15) calendar days of the date the written response is issued or, if not issued, is due.
- b. Unless the parties agree otherwise, the designated University local official shall convene a meeting with the grievant(s) and the grievant's representative, if any, to attempt to resolve the grievance. The meeting shall be convened no later than

- c. During the Step 2 process, the parties may agree in writing to amend the alleged violations stated in the original grievance.
- d. If requested by the grievant, a second UPTE representative may participate in the Step 2 meeting. In the event a second UPTE representative attends, only one representative may actively participate in the grievance meeting, and the University shall pay release time for only one representative.
- e. If a grievance that alleges a violation of Article 7 - Corrective Action/Discipline and Dismissal only is not satisfactorily resolved at Step 2, UPTE may appeal directly to arbitration in accordance with Article 3 - Arbitration Procedure.

- b. The Step 3 appeal shall identify all unresolved issues, alleged violations and remedies and shall be signed and dated by the grievant or their representative. The subject of the grievance as stated at Step 2 shall constitute the sole and entire subject matter of the appeal to Step 3.
- c. The Office of the President Office of Labor Relations official shall issue the University's written answer to a Step 3 appeal within thirty (30) calendar days of the receipt of the appeal. The answer will be issued to the grievant when self-represented, or to the employee's representative.
- d. By mutual agreement between the University and UPTE, Step 3 may also be the first step in the Grievance Procedure when UPTE is filing a grievance on behalf of employees at more than one location. Such a grievance must be filed within thirty (30) calendar days of the action that gave rise to the grievance and follow all other requirements of Section A.3 – Filing, above.

4. Appeals to Arbitration

If an appeal to arbitration is not postmarked or hand delivered within thirty (30) calendar days of the issuance of the University's Step 3 answer, Section C of this Article shall apply.

G. UNION GRIEVANCES

A group grievance must be so identified on the grievance form at Step 1. If an employee wishes to withdraw from a group grievance represented by UPTE, the employee shall notify UPTE. UPTE shall in turn notify the University in writing if the employee is to be withdrawn.

I. CONSOLIDATION OF GRIEVANCES

K. RETROACTIVITY

Settlement of grievances may or may not be retroactive as equities of a particular case may demand. In any case where it is determined that the settlement shall be applied retroactively, except for the correction of mathematical, calculation, recording or accounting errors relating to the payment of wages, the maximum period of retroactivity allowed shall not in any case be made retroactive to a date earlier than thirty (30) calendar days prior to the initiation of the written grievance in Step 1.

L. EXCLUSIVE PROCEDURE

The Grievance Procedure set out in this Article shall be exclusive and shall replace any other grievance procedure for adjustment of any disputes arising from the alleged violation of this Agreement. Unless otherwise indicated within this Agreement, any previous grievance procedure or other procedure in existence or adopted by the University shall not apply to employees covered by this Agreement for any purposes whatsoever.

M. RELEASE TIME AND PAY STATUS FOR GRIEVANTS, EMPLOYEE REPRESENTATIVES AND/OR WITNESSES

The availability of bargaining unit employee witnesses shall be determined by their immediate supervisor(s) on the basis of operational needs, and such requests shall not be denied unreasonably. Witnesses shall be in a without-loss-of-straight-time-pay status if the information they provide pertains to the subject of the grievance and the criteria enumerated above (Section M.1.a.1. and Section M.1.a.2.) are met. Grievants and UPTE agree that every effort shall be made to avoid the presentation of repetitive witnesses and the absence of any or all witnesses shall not require the meeting to be recessed or postponed.
- c. The University is not responsible for any travel or lodging expenses or any other expenses incurred by the representative, grievant or union witnesses.
- d. Paid release time for UPTE designated employee representatives for purposes other than University convended meetings shall be provided in accordance with Article 1 – Access.

P. GRIEVANCE FILE

Records involving the processing of an employee's grievance, such as the grievance form, step appeals/responses, and settlement documents, will be kept in a file separate from the employee's personnel file. It is not the intent of this section to exclude from the employee's personnel file final disciplinary action documents, including those that result from a settlement agreement.

Q. REVIEW OF GRIEVANCES CLOSED FOR PROCEDURAL DEFECTS

When the University determines a grievance is ineligible for further processing due to procedural defects, including but not limited to timeliness, UPTE may make a written appeal to the Office of the President Labor Relations within thirty (30) days of the postmark of the notification to the grievant(s). This appeal is solely limited to a review of the procedural issue(s). If the Office of the President denies this appeal UPTE may appeal the issue of the closure of the grievance directly to arbitration per Article 3, Arbitration, within thirty (30) calendar days of the issuance of the denial of the appeal.

They will not receive additional holiday pay.

**ARTICLE 13
HOURS OF WORK**

A. EXEMPT EMPLOYEES

1. A workweek for full-time exempt employees is normally considered to be forty (40) hours, and for part-time employees the proportion of forty (40) hours equivalent to the appointment percentage; however, greater emphasis is placed on meeting the responsibilities assigned to the position rather than on working a specified number of hours. Exempt employees do not receive overtime compensation or compensatory time off. After extended periods of additional time worked or an unusually heavy workload, supervisors may approve employees' requests for a temporary reduction in work schedule with no loss in pay.

B. NON-EXEMPT EMPLOYEES

1. Standard Workweek

A workweek is a period of time consisting of seven (7) consecutive days. A standard workweek is from Monday morning (12:01 a.m.) to midnight the following Sunday. Alternate workweeks (beginning and ending on a day other than the above) may be scheduled by the University.

2. Standard Work Schedule

A work schedule is the normal hours of work for an employee within a workweek. The standard work schedule for full-time employees shall be eight (8) hours per day on five (5) consecutive days excluding meal periods.

3. Schedules

Employees will be made aware of their work schedule in the following manner:

- a. When practicable, the University will provide an employee with at least five-work days' notice prior to changing the employee's work schedule for a period of less than four workweeks duration.
- b. When practicable, the University will provide an employee with at least fifteen (15) work days' notice prior to changing the employee's work schedule for a period of at least four workweeks duration.
- c. Employees who do not have fixed work schedules will be made aware of their work schedule when feasible.
- d. Employees may request and the University may, at its sole non-grievable discretion, grant employee requests for flexible working hours.

4. **Alternate Work Schedules** may be established by the University to ensure adequate staffing and coverage to meet operational requirements. An employee may request an alternate work schedule. In the event the University decides to abolish, establish or change alternate work schedules in work areas, the University shall inform affected employees and UPTE at least thirty (30) calendar days prior to taking such action.

5. Meal Periods

A meal period of at least one-half hour is provided for any work period of six (6) continuous hours or more. Meal periods are neither time worked nor time on pay status. Whenever an employee is required to perform work or is not substantially relieved of work-related duties during a meal period, the meal period shall be considered time worked. The University may reschedule an employee's meal period during the work day when operational needs preclude relieving the employee of work-related duties during the originally scheduled meal period; however, regularly scheduled meal periods shall normally be provided.

6. Rest Periods

- a. Two rest periods of fifteen (15) minutes shall normally be granted during an eight (8) hour or a ten (10) hour work period. Three rest periods of fifteen (15) minutes shall normally be granted during a twelve (12) hour shift. A part-time employee shall normally be granted one fifteen (15) minute rest period for each work period of three continuous hours or more, not to exceed two (2) rest periods per day.
- b. Operational requirements may restrict the granting of rest breaks.

- c. Rest periods shall not be taken at the beginning or end of a work period or accumulated for use at a later time. The combining of rest periods with meal periods for some, any or all employees of a department/division shall be at the discretion of the University.

7. Changing And Clean-Up Time

The University shall determine when clean-up time is required. When the University requires that the employees must change into or out of protective clothing, or must engage in special washing or cleaning procedures, the time spent in such activities shall be considered as time worked.

8. Assignment Of Overtime

- a. The University shall decide when overtime is needed. Overtime must be approved in advance by the University. As soon as practicable after the need for overtime is determined, the University shall notify the employee that overtime must be worked. Employees are expected to work overtime when such work is assigned.
- b. The University will assign overtime work by rotation based on departmental seniority of those employees on the same shift who normally perform the work involved. For purposes of this Article, rotation means that the last employee to work overtime will be the last considered for new overtime assignments. For the purposes of this Article, departmental seniority may be defined by each department at the campus/hospital/laboratory. Such seniority is applied in the following manner:
 - 1) When there are employees volunteering to work the overtime, assignment of that overtime shall be based on greatest seniority, provided the employee(s) have the required skills, knowledge and ability to do the job.
 - 2) When no employee volunteers to work the overtime, assignment of that overtime shall be based on inverse order of seniority, provided the least senior employee has the skills, knowledge and ability necessary to perform the job.
- c. The University shall assign overtime to employees irrespective of their place on the seniority or rotation list(s) when the necessary skills, knowledge or abilities are not possessed by the employee who would otherwise be assigned in accordance with the above provisions.

9. Overtime Definition

Overtime is time actually worked that exceeds forty (40) hours in a workweek. For the purposes of calculating overtime, actual work does not include time in non-work status such as sick leave pay, vacation pay, holiday pay, military leave, compensatory time off and administrative leave with pay. Overtime hours do not count toward accumulation of sick leave, vacation, holiday or retirement system credit. Overtime hours are not compensated at one and one-half times the straight time rate unless the conditions described in Section B.10. below, are met.

10. Overtime Compensation

At the option of the University, overtime shall be compensated at the appropriate rate either by pay or by compensatory time off, if the department offers a compensatory time program, in accordance with this section.

- a. Unless the employee and the University agree otherwise, overtime will be paid. An employee may, upon hire and thereafter during the month of June, file a written indication of preference for either compensatory time off or pay with his or her immediate supervisor. The University shall grant the preference indicated. If no preference is indicated to the department in the annual June period for changes, the employee's previous election shall continue.
- b. Compensatory time shall be paid or scheduled by the University in accordance with departmental needs. Accumulation of compensatory time is limited to a maximum of two hundred forty (240) hours. An employee shall be paid for hours of overtime which exceed this limit in accordance with location practice. An employee may request to schedule the use of compensatory time. An employee's request for the scheduling of compensatory time shall be granted subject to the needs of the University and shall not be unreasonably denied.

- c. Employees in classes designated as non-exempt in Appendices A. and B. of this Agreement are eligible for overtime at one and one-half times the straight-time rate (OT(P)) Code (N) shall be compensated at the straight-time rate for hours of overtime not exceeding forty (40) hours of actual work in a workweek and shall be compensated at one and one-half times the straight-time rate only for those overtime hours which exceed forty (40) hours of actual work in a workweek.
- d. When an employee is employed at more than one rate of pay, overtime earned at the time-and-one-half rate may be calculated based on the employee's average hourly rate or based on the rate in effect when the overtime is worked, at the option of the University.

11. Call-Back

When an employee is called back to work after completing a work day and leaving the premises, the employee shall be paid for the time actually worked upon return or a minimum of three hours, whichever is greater. Call-back time, whether worked or not, is considered time worked for the purpose of calculating hours of overtime.

12. On-Call

The University retains the right to determine the need for, and the assignment of, on-call time. An employee is not considered in on-call status unless assigned on-call by the University. Employees in on-call status are required to inform the employer how they can be reached or to carry a pager in order to receive a call to work. An employee in on-call status is not eligible for minimum call-back payments. An employee in on-call status who is called to perform work or to return to the work site will be paid at the regular rate of pay for the time worked. Payment for on-call time paid at the on-call rate is included as part of compensation in calculating the regular rate when determining premium overtime pay.

- a. Unrestricted on-call is time during which an employee is free to engage in activities for their own purposes but is required to be available for work or timely return to the work site when called to work. Time in unrestricted on-call status is not counted as hours worked or time on regular pay status when employees are not required to be at the work location or to actually perform work from a location other than the work location. Unrestricted on-call will be compensated at the on-call rate, as listed in Appendix A.
- b. Restricted on-call is time during which the employee is required to restrict personal activities so that time cannot be effectively used for their own purposes. Restricted on-call will be considered hours worked and will be paid at the employee's normal pay rate (or overtime if appropriate).
- c. If the University proposes to establish an on-call rate for a title in the unit at a location where no rate is listed, the University shall meet and confer with UPTE. When employees in this unit at the location are assigned to work on-call, they shall be paid according to Appendix A. Current on-call rates where established will remain the same for the duration of this contract.

13. Travel Time

Travel between an employee's home and the workplace is not considered time worked. Travel on University business during an employee's normal working hours (including travel during those hours on the employee's day off) is considered time worked. Travel outside normal working hours is considered time worked when it occurs on a scheduled day of work and is to or from a work location outside the normal commuting area of the assigned workplace.

C. GENERAL PROVISIONS

- 1. This Article shall not be construed as a guarantee of or limitation on the number of hours per workday or workweek.
- 2. There shall be no duplication, pyramiding, or compounding of any premium wage payments in this Agreement.
- 3. The University will provide notice to UPTE (at UCSD) after the research ships return if any bargaining unit members were required to work more than twelve (12) hours consecutively in a twenty-four (24) hour period.

LBNL Hours of Work/Advanced Light Source Side Letter: LBNL and UPTE agree that unless and until changed pursuant to the terms of this Side Letter agreement or the overall UPTE-UC contract covering the employees covered by this Side Letter, LBNL's Advanced Light Source will continue to schedule and compensate covered employees in accordance with its current (i.e. effective on June 20, 1997) work schedules, which provide for employee work twenty four (24) hours per day, seven (7) days per week, consecutive days off, and no rotation involving the owl shift.

A. CHANGES IN WORK SHIFTS

During the life of this Agreement, the Employer may institute new work shifts, which includes elimination of one or more shifts and/or changes in workweeks. Any changed work shift will be first offered to employees in the order of their classification seniority. If an insufficient number of employees select the new shifts/weeks, the Employer will assign employees to it in the inverse order of classification seniority. However, in all cases, all employees going to the new shift/week must, in the Employer's judgment, currently have the requisite knowledge, skill and efficiency to perform the work. The Employer's judgment must be exercised in good faith and is subject to the Grievance-Arbitration procedures.

B. CHANGES IN SHIFT ASSIGNMENTS

Changes in regular shifts must be posted at least thirty (30) calendar days in advance except in cases of emergency or except where the employee involved agrees in writing to waive the period of notice. In this event, a copy of the written waiver shall be furnished to the Union. No employee shall be compelled to enter into any such waiver. Where the proper thirty (30) days of notification is not given, except in bona fide emergency situations, the first day of the shift change shall be paid for at the overtime rate of time and one-half (1-1/2). The Employer may make temporary shift changes for business reasons, which do not include discipline. The affected employees shall be notified of the expected duration of the shift change. Temporary shift changes must be posted at least thirty (30) calendar days in advance except in cases of emergency or except where the employee involved agrees in writing to waive the period of notice. In this event, a copy of the written waiver shall be furnished to the Union. No employee shall be compelled to enter into any such waiver. Where the proper thirty (30) days of notification is not given, except in bona fide emergency situations, the first day of the shift change shall be paid for at the overtime rate of time and one-half (1-1/2). The Employer may make temporary shift changes for business reasons, which do not include discipline. The affected employees shall be notified of the expected duration of the shift change. Temporary shift changes must be posted at least thirty (30) calendar days in advance except in cases of emergency or except where the employee involved agrees in writing to waive the period of notice. In this event, a copy of the written waiver shall be furnished to the Union. No employee shall be compelled to enter into any such waiver. Where the proper thirty (30) days of notification is not given, except in bona fide emergency situations, the first day of the shift change shall be paid for at the overtime rate of time and one-half (1-1/2). Pairs of employees can request shift changes which shall be granted if, in the Employer's judgment, the employees currently have the requisite knowledge, skill and efficiency to perform the work. The Employer's judgement must be exercised in good faith and is subject to the Grievance-Arbitration procedures.

C. The ALS 7-3-7-4 Alternate Work Schedule

DRAFT COPY – Subject to Edits – Pending Final Review by UC and UPTE

The ALS 7-3-7-4 alternate work schedule is as follows: Seven (7) consecutive days of work, followed by three (3) consecutive days off, followed by another seven (7) consecutive days of work, and then four (4) consecutive days off. At the end of this 7-3-7-4 cycle, the pattern repeats. Employees working the ALS 7-3-7-4 alternate work schedule are not subject to the Consecutive Days of Work provisions included in Article 13, Hours of Work.

In each seven-workday series, the first day is a nine-hour shift with one hour scheduled overtime. Each subsequent workday (days two through seven) in the series is an 8.5-hour shift with a half-hour scheduled overtime. Only employees assigned to work on the ALS 7-3-7-4 alternate work schedule are entitled to this scheduled overtime.

For example:

Friday	Saturday	Sunday	Monday	Tuesday	Wednesday	Thursday
Workday #1 9 hours	Workday #2 8.5 hours	Workday #3 8.5 hours	Workday #4 8.5 hours	Workday #5 8.5 hours	Workday #6 8.5 hours	Workday #7 8.5 hours
Day off	Day off	Day off	Day off	Workday #1 9 hours	Workday #2 8.5 hours	Workday #3 8.5 hours
Workday #4 8.5 hours	Workday #5 8.5 hours	Workday #6 8.5 hours	Workday #7 8.5 hours	Day off	Day off	Day off

This Side Letter agreement supersedes any conflicting or different LBNL RPM provisions. However, the RPM’s “Hours of Work” and “Reduction in Force” provisions shall remain in effect, except to the extent, if any, to which they are changed by the “Big Table” negotiations for the overall UPTE-UC contract. The Side Letter agreement shall be in effect for two (2) years or the life of the overall UPTE-UC contract covering LBNL ALS employees, whichever is longer. This Side Letter does not change any RPM provisions other than those addressed herein.

A. The “ALS Shift Assignment” side letter dated June 20, 1997 shall be applicable to Genomic operations with the following supplemental notations:

1. Workweek

The workweek shall commence at 12:01 a.m. Sunday to and including 12 midnight the following Saturday. The workweek shall be five consecutive eight hour days or four consecutive 10 hour days excluding the meal period.

2. Shifts

a. Initial Shift Assignments:

Any newly available work shift will be first offered to employees in the appropriate classification in order of seniority. If an insufficient number of employees select the new shifts/weeks/starting times, the employer will assign employees to it in the inverse order of seniority. However, in all cases, all employees going to the new shift/week/start time must, in the employer’s judgment, currently have the requisite knowledge, skill and efficiency to perform the work. The employer’s judgment must be exercised in good faith and is subject to the Grievance and Arbitration procedures.

b. For those employees on shifts or when operational needs require the efficient use of resources, within a work week, an employee shall have the same start time each day of the week.

c. Day Shift:

Shall correspond to work hours and flex time allowance hours as set forth in the RPM dated January 1, 2006.

d. Evening Shift:

Shift start times shall commence between the hours from 3:00 p.m. to and including 6:00 p.m. Shifts may start on the hour, or any quarter hour or half-hour. Shift premium under these circumstances shall be paid biweekly or monthly at the rate of seven and one-half percent of the base pay calculated on a weekly basis.

DRAFT COPY – Subject to Edits – Pending Final Review by UC and UPTE

e. **Owl Shift:**

Shift start times shall commence between the hours from 10:00 p.m. to and including 12:00 midnight. Shifts may start on the hour and any quarter hour or half-hour. Shift premium under these circumstances shall be paid biweekly or monthly at the rate of 15% of the base pay calculated on a weekly basis.

f. **Meal Periods:**

Meal periods shall be one hour in length, except that the employer may, upon request, grant a one-half hour meal period. Meal periods shall generally be scheduled at the midpoint of the employee's workday.

g. **Rest Periods:**

Employees shall be granted two 15 minute rest periods during the regular work day. Rest times shall not be taken at the start or end of the workday or be combined with each other or the meal period.

- h. If less than 30 days notice of a shift change is given to an exempt employee, the employee shall be paid the equivalent of one-half of one day's pay.

3. **Overtime:**

- a. Overtime is applicable to employees classified as non-exempt.
- b. When computing premium pay for time worked over the normal 40-hour workweek, paid holiday leave is considered as time worked. Sick leave, vacation, military leave, court leave, and any other leave with or without pay is not considered as time worked.
- c. Employees must receive prior authorization for overtime.
- d. Compensatory time off with pay, as such, is not granted to any employee. However, an employee who consistently works more than a standard 40-hour workweek may request Authorized Leave with Pay in recognition of their extra effort. Management shall endeavor to grant such request. Authorized Leave with Pay shall not be used to balance extra work above an employee's basic work period on an hour-for-hour basis.

**ARTICLE 14
INDEMNIFICATION**

Pursuant to and as regulated by the terms, limitations and qualifications of California Government Code 995 et seq., the University of California shall provide the defense and indemnification for University employees within the unit covered by this Agreement who are sued on account of acts or omissions arising from the course and scope of their employment with the University. The provisions of and applications of the Indemnification provision are not subject to Article 10 - Grievance Procedure or Article 3 - Arbitration Procedure of this Agreement.

**ARTICLE 15
LABOR- MANAGEMENT MEETINGS**

A. LOCAL LABOR-MANAGEMENT MEETINGS

The University and UPTE agree to meet, following UPTE's written request, up to four (4) times per year unless the parties mutually agree otherwise. Each party shall designate a chair, who shall have responsibility to make arrangements for scheduling the labor-management meeting and for drawing up the agenda. Non-employee UPTE representative(s) may attend the meetings.

1. Up to two (2) bargaining unit employees shall be released in a without-loss-of-straight-time pay status to attend each scheduled meeting, provided UPTE has given the University at least seven (7) calendar days' notice of her/his selection. The parties may agree to allow additional unit employees to attend the meetings and may, by mutual agreement, agree to place those attendees in a without-loss-of-straight-time status while in attendance at the meeting(s).
2. Items to be included and discussed at the meetings are to be submitted at least seven (7) calendar days prior to the scheduled date of the meeting. Items not so submitted need not be responded to at the meeting. Appropriate agenda items for such meetings include:
 - a. administration of the Agreement;
 - b. dissemination of general information of interest to the parties;

 - f. giving representatives an opportunity to express their views, or to make suggestions on subjects of interest to employees of the bargaining unit;
 - g. subcontracting issues; and
 - h. additional items mutually agreed to by the parties for placement on the agenda.

B. UNIVERSITY-WIDE LABOR-MANAGEMENT MEETINGS

1. The University (Office of the President Office of Employee & Labor Relations) and UPTE agree to meet, following UPTE's written request, at least once per year to discuss items such as the administration of this Agreement. Additionally, the University and UPTE agree to meet at least once per year, following UPTE's written request, to discuss the fringe benefit plans, coverages, benefit schedules, carriers, providers, premium rates, eligibility criteria and the amounts, if any, of University and/or employee contributions. The agenda of the meeting(s) shall be determined by mutual agreement of the parties at least seven (7) calendar days prior to the scheduled meeting date.
2. UPTE may request release time for up to a total of eleven (11) bargaining unit employees (but no more than one from each campus/hospital or Laboratory). Such representatives will be released from work in a without-loss-of-straight-time status to attend the scheduled meeting(s), provided UPTE has given the University at least seven (7) calendar days notice of her/his selection. The parties may mutually agree to allow additional unit employees to attend the meetings and may, by mutual agreement, agree to place those attendees in a without-loss-of-straight-time status while in attendance at the meeting(s).

1. Release time provided shall be in accordance with the provisions of Section A.1, Section B.2, and Section C.2, of this Article.
2. Without-loss-of-pay-status release time will be provided for the duration of the meeting, and for reasonable travel time to and from the meeting. Up to a total of eight (8) hours in one day release time may be provided for attendance at a university-wide labor/management meeting. Any travel and subsistence incurred by the employee(s) attending the meeting(s) shall be the responsibility of the employees or UPTE.

**ARTICLE 16
LAYOFF AND REDUCTION IN TIME**

A. GENERAL CONDITIONS

1. Layoffs may be temporary or indefinite and may occur because of budgetary reasons, curtailment of operations, lack of work, reorganization, or redefinition of the University's or department's needs.
2. The University shall have the sole right to determine:
 - a. when temporary or indefinite layoffs in career positions shall occur, the units of layoff, and the unit in which the layoffs shall occur, and
 - b. which classification and/or positions are to be subject to layoff.
3. If the University determines that a layoff is necessary, it will be accomplished in accordance with the provisions of this Article.
4. When the University determines that there is to be a change in a layoff unit within the bargaining unit, it shall give UPTE advance notice of at least thirty (30) calendar days, if feasible, and upon request shall meet and discuss such proposed changes. Changes to a layoff unit shall not occur more frequently than each one-hundred twenty (120) calendar days.
5. The terms of this Article shall not apply to probationary or non-career employees, except as specifically provided in this Article.
6. The procedures for fulfilling the terms of this Article may vary by campus. However, campus procedures must be consistent with the provisions of this Article.

B. DEFINITIONS

1. A layoff is an involuntary:
 - a. separation of an employee from employment as implemented in accordance with the provisions of this Article, or
 - b. transfer of a career employee to a non-career position, or
 - c. reduction in the appointment rate of an individual employee, or
 - d. reassignment of an employee in a full-time career position to a partial-year career position, to a limited appointment position, or to a part-time position at a fixed or variable percentage of time.
2. A temporary layoff is one for which the University specifies an affected employee's date for return to work of not more than one-hundred twenty (120) calendar days from the effective date of the layoff
3. An indefinite layoff is one for which the affected employee receives no date for return to work, or no date of restoration to her/his former appointment rate.

C. TEMPORARY LAYOFF

If the University determines that a temporary layoff of one-hundred twenty (120) calendar days or less is imminent, it shall be implemented in accordance with the provisions of this Section.

1. Notice

When the University identifies particular employee(s) to be affected by a temporary layoff, it shall give the individual employee written notice of the expected beginning and ending dates of the temporary layoff as follows:

- a. The University shall give, if feasible, fifteen (15) calendar days notice of the expected beginning and ending dates of the layoff to the affected employee(s).
- b. If less than fifteen (15) calendar days notice is granted for temporary layoff, the affected employee(s) may receive straight time pay in lieu of notice for each additional day the employee(s) would have been on pay status had the employee(s) been given fifteen (15) calendar days notice. Pay in lieu of notice is provided for reductions in appointment rate only for the difference between the two rates.

DRAFT COPY – Subject to Edits – Pending Final Review by UC and UPTE

- c. If the ending date of the temporary layoff is changed and the total duration of the temporary layoff is less than one-hundred twenty (120) calendar days, the University shall give the affected employee fourteen (14) calendar days notice of the date to return to work. The employee shall return to work on the date provided in the notice, unless the employee and the University agree otherwise.
 - 1) The employee shall return to work on the date provided in Section C.1., Notice, above, and shall notify the University in advance if he/she is unable to do so. The University and the employee shall attempt to establish a mutually agreeable return date. If, due to operational considerations, the University cannot accommodate the employee's request for an alternate return date, he/she will be considered to have resigned effective on the date provided in the notice in Section C.1., above.
 - 2) Notice of a change in temporary layoff dates does not invoke the pay in lieu of notice provisions of this Article.

2. Conversion Of Temporary To Indefinite Layoff

For conversion from temporary layoff to indefinite layoff, the University shall give thirty (30) calendar days notice, if feasible. If less than thirty (30) calendar days notice is given, the employee will receive fifteen (15) calendar days pay in lieu of notice.

3. The University may institute the State of California Work Sharing Unemployment Insurance Program on each campus/laboratory/hospital where applicable.

D. INDEFINITE LAYOFF

The University shall effectuate indefinite layoffs as follows.

1. Alternatives To Layoff

In order to avoid a layoff, the University may reassign an employee to a position for which the employee is qualified at the same or greater percentage of time and at the same or higher rate of pay. Such action will nullify the layoff.

2. Selection For Layoff

- a. The order of indefinite layoff of employees in the same classification within the unit of layoff shall be in inverse order of seniority. In the event all employees in a unit of layoff are equally affected by layoff of ten percent (10%) or less, seniority provisions do not apply.
- b. "Seniority" is calculated by full-time-equivalent months (or hours) of University service. Employment prior to a break in service shall not be counted. When employees have the same number of full-time-equivalent months (or hours), the employee with the most recent date of appointment shall be considered the less senior employee.
- c. The University may retain employees irrespective of seniority who possess special knowledge, skills, or abilities which are not possessed by other employees in the same classification in the layoff unit and which are necessary to perform the ongoing functions of the department. If an employee with less seniority is to be retained, the University shall notify the union in advance of the layoff date and in writing of the special knowledge, skills and abilities which support the retention of the less senior employee.
- d. The department head shall select employees for layoff, but shall minimize indefinite layoffs from career positions by first reviewing the necessity for existing limited appointment and casual/restricted positions within the department.
- e. Where electronic job placement bulletin boards are in use, the University shall provide bargaining unit members access to such placement bulletin boards to the same degree as such bulletin boards are made available to other staff employees. Employees who are laid off will be provided information about other University locations job placement bulletin boards according to local procedures.

3. NOTICE

DRAFT COPY – Subject to Edits – Pending Final Review by UC and UPTE

- a. When the University identifies particular employees to be affected by an indefinite layoff, it shall give individual written notice of the effective date of the layoff to each affected employee and the union. Advance notice will be provided as follows:
 - 1) For indefinite layoff, the University shall give sixty (60) calendar days notice, if feasible. The University may pay up to thirty (30) days of the sixty (60) days notice period in lieu of notice. In no event shall an employee receive less than thirty (30) days notice of indefinite layoff or pay in lieu of notice. For conversion from temporary to indefinite layoff, the University shall give thirty (30) calendar days notice, if feasible.
- b. An employee shall be provided all rights under Sections D.4. and D.5., below, beginning at the time of notification of his/her indefinite layoff.
- c. An employee shall receive at the time of layoff, information on how to activate preference and recall rights according to local campus/hospital/Laboratory procedures. Eligible employees must indicate an interest in and eligibility for the specific preference and/or recall rights. If the employee requests information about preference, recall and active vacant openings, the University will provide the information about how to access related job opening information. The University will, upon the employee's employment application, confirm the eligibility for preference or recall and will assess the employee's qualifications.

4. RECALL

- a. Career employees who are indefinitely laid off shall have a right to be recalled in order of seniority of those employees applying for recall to an active, vacant career position for which the employee is qualified in the same classification and department from which they were laid off. An active career position is a position which the University, in its sole discretion, determines to fill. The eligible employee shall file a timely application for recall and self-identify that they are eligible for recall.
- b. Career employees who are eligible for recall shall retain recall eligibility based on the amount of University service at the time the layoff occurs as follows:
 - 1) for one (1) year for up to five (5) years University service,
 - 2) for two (2) years for up to ten (10) years University service,
 - 3) for three (3) years for more than ten (10) years University service.
- c. Employees recalled from layoff status who are not returned to their same job and who fail to perform satisfactorily, as determined by the University, may at any time during the six (6) months following such recall be returned to layoff status with restoration of the unused portion of their recall rights.
- d. The right to recall terminates at the end of the eligibility period.

5. Preferential Rehire

- a. A non-probationary career employee who is indefinitely laid off shall have preferential rehire status for an active vacant career position. An active career position is a position which the University, in its sole discretion, determines to fill. The eligible employee shall file a timely application for preference and self-identify that they are eligible for rehire preference according to this Section.
- b. Such employees are rehired provided:
 - 1) the active, vacant career position is in the same bargaining unit and at the same campus/hospital/laboratory as the position from which the employee was laid off; and
 - 2) the active, vacant career position is in a class with the same or lower salary range maximum as the class from which the employee was laid off; and
 - 3) the active, vacant career position is at the same or lesser percentage of time as the position from which the employee was laid off, except as provided in Section D.6.
- c. The laid off non-probationary career employee will, along with any other qualified laid off University employees, be given preferential consideration for an active vacant career position which is being filled by the campus/hospital/laboratory,

DRAFT COPY – Subject to Edits – Pending Final Review by UC and UPTE

provided the conditions in Sections D.5.b.1-3 above are met. Qualified laid off University employees will be interviewed for the position. In order to be placed in such a position, the employee must be fully qualified to perform the duties of the position.

- d. Employees who are eligible for preferential rehire status with less than five (5) years of seniority at the time the layoff occurs shall retain preferential rehire status eligibility for one year. Employees who are eligible for preferential rehire status with five (5) years, but less than ten (10) years seniority at the time the layoff occurs shall retain preferential rehire status eligibility for two (2) years. Employees who are eligible for preferential rehire status with ten (10) years or more seniority shall retain preferential rehire status eligibility for three (3) years. An employee may exercise her/his rights to preferential rehire immediately after the employee receives written notification of layoff and meets with the campus/hospital/laboratory representative designated in the layoff notice.
- e. Employees preferentially rehired from layoff status who fail to perform satisfactorily may, at any time during the six (6) months following such return, be returned to layoff status with restoration of full preferential rehire status. In addition, an employee, at her/his option, may request to be returned to layoff status within sixty (60) calendar days of rehire. The time on job status will not be counted as part of preferential rehire eligibility time.
- f. According to local procedures, employees who are on layoff status and who indicate an interest in University-offered training classes will be offered classes when there are spaces available after the location's deadline for active employees to sign up.
- g. Preferential Rehire Termination

The preferential consideration described above shall terminate at the end of the period of eligibility described in Section D.5.d. above, or if an employee:

- 1) refuses an offer to return, at the same or greater percentage of time, to that department/division and class from which laid off; or
 - 2) accepts any career position; or
 - 3) refuses two (2) offers of employment for a career position at the same or higher salary level and the same percentage of time as the position held by the employee at the time of layoff.
6. If an employee voluntarily reduces her/his time due to budgetary reasons, curtailment of operations, lack of work, reorganization, or redefinition of the University's or department's needs within one (1) year prior to her/his layoff, the employee is entitled to recall/rehire rights to a percentage appointment equal to that from which the employee voluntarily stepped down. In order to be eligible for such increased recall/rehire rights, the employee must submit to her/his supervisor a written statement confirming the offer for the voluntary reduction in time when the voluntary reduction in time occurs and her/his supervisor must approve the voluntary reduction in time.
7. Severance - Effective July 1, 2003 through the Duration of the Agreement, but in any case, no later than June 30, 2008;

career employees who receive their notice of indefinite layoff may elect severance pay either a) or b) below within fourteen (14) calendar days as follows: If the employee does not timely elect either a) or b), and notify the University according to local procedures, the employee will be determined to have elected b).

- a. A career employee who has received her/his notice of indefinite layoff may elect, in writing to receive severance pay in lieu of preferential rehire and recall rights with reduced severance, within fourteen (14) calendar days of receipt of the notice of layoff. Election is irrevocable. Each campus department shall, in each instance of layoff, not reduction in time, offer severance in lieu of preferential rehire and recall rights with reduced severance to all employees in the department affected by the layoff. Employees who are reduced in time may elect only severance pay (proportional to their reduction in time) in lieu of preferential rehire and recall rights. Severance pay shall be in accordance with the following:
 - 1) Employees who elect severance pay in lieu of preference/recall with reduced severance shall be paid a lump sum amount of one week (five (5) workdays, based on 8-hour days) of salary for each full year of service from

DRAFT COPY – Subject to Edits – Pending Final Review by UC and UPTE

the most recent break in service, up to a maximum of sixteen (16) weeks of base pay.

- 2) Employees who are laid off following a reduction in time that occurred within sixty (60) calendar days of the layoff notice shall be eligible for severance, or reduced severance, on the basis of their percentage of appointment just prior to their reduction in time.
- 3) This section shall not apply to temporary layoff (except as provided in Sections D.7.a. and D.7.a.2. above).

b. Reduced Severance (with Preference and Recall)

- 1) A career employee who has received her/his notice of indefinite layoff may elect, in writing, to receive preferential rehire and recall rights with reduced severance, as an alternative to severance (Section 7.a. above) within fourteen (14) calendar days of receipt of the notice of layoff. Election is irrevocable. Each campus department shall, in each instance of layoff, not reduction in time, offer severance in lieu of preferential rehire and recall rights with reduced severance to all employees in the department affected by the layoff. Reduced severance pay shall be in accordance with the following:
 - a) Employees with less than five (5) years of service receive no reduced severance.
 - b) Employees with five (5) or more years of service receive four (4) weeks or 20 work days, based on 8-hour days, reduced severance.
 - c) Employees with 13 or more years of service receive eight (8) weeks or 40 work days, based on 8-hour days, reduced severance.
- 2) Employees who are laid off following a reduction in time that occurred within sixty (60) calendar days of the layoff notice shall be eligible for reduced severance on the basis of their percentage of appointment just prior to their reduction in time.
- 3) This Section shall not apply to temporary layoff (except as provided in Sections D.7.a. and D.7.a.2. above).

c. UPTE will be notified if an employee has been provided severance or reduced severance. Should, as a result of a grievance, arbitration, or settlement agreement an employee be returned to work, the severance or reduced severance received will be deducted from the back pay award, if any, or credited as an advance on earnings, if proportional severance is to be returned. An employee cannot be returned to work without first repaying the severance or reduced severance or signing a severance repayment agreement. The employee's failure to complete her/his severance repayment obligation shall not increase the University's back pay liability, if applicable.

d. When an employee is rehired to a career position before the expiration of the number of weeks for which the employee has received severance payments, he or she will be required to pay back the remaining severance amounts as a condition of employment. The repayment will be on a proportional basis if the rehired position is a different percentage than the original appointment.

If a career employee is rehired after previous layoff and severance payment and then subsequently laid off again, he/she may be eligible for additional severance based on employee's election in Section D.7 for the severance-eligible layoff. The employee's previous layoff election of severance or preference and recall with reduced severance will remain the same for any additional layoff action that occurs and the employee may be eligible for additional severance based on the following:

E. CONTINUITY OF SERVICE UPON REEMPLOYMENT

DRAFT COPY – Subject to Edits – Pending Final Review by UC and UPTE

1. A layoff of one-hundred twenty (120) calendar days or less does not create a break in service.
2. Reemployment in a career position within the period of right to recall or preferential rehire does not create a break in service.
3. Seniority accrues, and benefit accruals are accumulated, only when an employee is on pay status.

E. LAWRENCE BERKELEY NATIONAL LABORATORY

A. Career employees (excluding term appointees) who are eligible for vacation and sick-leave credits and are laid off from employment for an indefinite period due to lack of work or lack of funds are eligible for severance payments in accordance with the following provisions. Career employees who are on temporary layoff status, temporary reduction in time, or permanently reduced in time are not eligible for severance payments.

B. The following definitions apply for purposes of severance payments:

1. Service is continuous if an employee is on pay status each month without a break in service. A break in service occurs when there is a separation from Laboratory employment status.
 - a. Periods on an approved leave without pay for military service; illness or injury compensable by workers' compensation; assignment to another research organization at the direction of the Laboratory; or an approved leave without pay for any period of thirty (30) calendar days or less are counted as periods of continuous service for the purposes of severance pay, as are periods on pay status before and after any other approved leave without pay.
 - b. Periods of employment before a break in service are not counted as periods of continuous service for purposes of severance pay.
 - c. Periods of employment as a student assistant, graduate student research assistant (GSRA), or other trainee positions are not counted as periods of continuous service for purposes of severance pay.
 - d. Periods of employment on variable time (once called indeterminate time) are not counted as periods of continuous service for the purposes of severance pay.
 - e. Time spent as a postdoctoral fellow is counted toward calculating severance payment if the postdoctoral fellow continued their employment in a career appointment without a break in service.
 - f. When a limited appointment has been designated as a career appointment after attaining one thousand (1,000) hours of qualifying service in any twelve (12) consecutive months without a break in service of at least one hundred twenty (120) consecutive calendar days, these hours on pay status will be counted for purposes of severance pay. Qualifying service includes all time on pay status in one or more limited appointments at the University. However, only those hours worked at the Laboratory will be counted toward calculation of the severance payment.
 - g. Continuous service is reestablished when an employee is rehired from recall or preferential rehire status from the Laboratory.
2. An equivalent job is any career position with the Laboratory or the University at a beginning salary at least equal to the salary paid the employee in the job from which that employee was laid off, regardless of salary range.
3. One (1) week's pay for nonexempt hourly rated employees is defined as the basic hourly rate (excluding shift differential and overtime) times forty (40) hours or the specifically approved work week. One (1) week's pay for full time exempt employees is defined as the hourly equivalent of the monthly rate times forty (40) hours (or, for part time exempt employees, times the percentage time equivalent).

C. Severance Payment Calculations and Methods of Payment

1. The severance payment will be made in an amount equal to one (1) week's pay for each year of continuous full-time-equivalent Laboratory service (including service at Lawrence Livermore National Laboratory and Los Alamos National Laboratory while these labs were managed by the University of California). A fractional year of full-time service of six (6)

DRAFT COPY – Subject to Edits – Pending Final Review by UC and UPTE

months or more is counted as one (1) year of service. The severance payment is not to exceed a total of 26 weeks' pay.

2. Severance will be paid in a lump sum at time of termination.

D. Limitations

1. Severance payments will not extend the period of employment beyond the date of termination due to layoff.
 2. Severance payments made to an employee will not include payment for any period of service for which the employee has previously received such payment.
 3. Severance payments will not be made to any employee who terminates for any reason other than layoff, with the following exceptions:
 - a. An employee who resigns after receiving formal notification of layoff but before the effective date of layoff may be provided severance payments with the approval of the Chief Operating Officer (COO) or designee.
 - b. An employee who resigns in lieu of another employee who would have been laid off may be provided severance payments with the approval of the Chief Operating Officer (COO) or designee. Normally, such approval will be given only if the resignation will not have a detrimental effect on work in progress and if the employee concerned had not announced plans to resign or retire before the announcement of a layoff within the employee's division.
 4. Severance payments will not be provided to an employee who has received a formal notification of layoff and who transfers to another Laboratory position or University career position without a break in service or to an employee who refuses a transfer to an equivalent job with the Laboratory or the University.
- E.** An employee at the Laboratory shall not receive duplicate pay for any period during which she/he has received severance pay. In the event an employee is compensated by the Laboratory for any period during which she/he received severance pay, the employee shall be responsible for returning the severance pay for that period.
- F.** Should an individual who has received severance payments be rehired at the Laboratory before the expiration of the number of weeks for which the employee has received severance payments, the amount of the balance will be repaid to the Laboratory.
- G.** Policies, procedures, definitions and qualifications in effect on February 17, 2010 relative to rights to recall and preference for reemployment that are in conflict with the Agreement shall remain in effect for employees at the Lawrence Berkeley National Laboratory.
- H.** If an employee voluntarily reduces his or her time within one (1) year prior to layoff because of budgetary or operational considerations that, in the judgment of the Laboratory, make it necessary to reduce the hours of the workforce, the employee is entitled to recall/rehire rights at a percentage of time equal to that from which the employee voluntarily reduced his or her time. The request for the voluntary reduction must be submitted by the employee in writing and approved by the supervisor and must state the effective date and the percentage of the reduction in time.
- G.** In the event an alleged violation of this Article with regard to notice is grieved/arbitrated, any remedy, settlement or arbitrator's award or decision acknowledging improper notice shall be limited to an amount of back pay and /or reinstatement of benefits which would make the employee whole for the number of days the notice was deficient. In no case shall such amount be calculated for a period of greater than sixty (60) calendar days.

The employee shall request Parental Leave sufficiently in advance of the expected birth date of the child or placement of a child for adoption or foster care to allow the University to plan for the absence of the employee, but the employee shall not be required to provide more than thirty (30) days advance notice. The anticipated date of return from Parental Leave shall be set at the time such leave commences, or if requested in conjunction with a Family Care/Medical Leave on account of the pregnancy/childbearing disability, shall be set at the time such Family Care/Medical Leave commences. Parental Leave, when taken for adoption, stepchild, legal ward or foster care, could commence prior to the date of placement.

b. Duration

Parental Leave, alone, shall not exceed twelve (12) workweeks within a calendar year as defined in Section B.2.b.2. and B.7., above. However, when Parental Leave is combined with a leave for pregnancy-related and/or childbearing disability only, the total Family Care/Parental Leave shall not exceed seven (7) months in a calendar year.

- 1) An employee on Parental Leave shall use accrued vacation time prior to taking leave without pay.
- 2) The University shall grant a Parental Leave of less than two (2) weeks duration on any two (2) occasions during a calendar year.

9. Continuation Of Health Benefits

An eligible employee who is on an approved Family Care and/or Medical Leave shall be entitled to continue participation in health plan coverage (medical, dental, and vision) as if s/he were on pay status for a period of up to twelve (12) workweeks in a calendar year. However, an employee on an approved Pregnancy Disability Leave who is dually eligible for leave under the federal Family and Medical Leave Act and the California Family Rights Act, shall be entitled for up to twelve (12) workweeks of health plan coverage for the combined Pregnancy Disability Leave/Parental Leave which runs concurrently with FMLA and/or CFRA. Other group insurance coverage and retirement benefits shall be continued in accordance with the provisions of the applicable group insurance and retirement system regulations.

10. Return To Work

When an employee has been granted an approved Family Care/Medical Leave of Absence and returns within twelve (12) workweeks of the initiation of the leave, s/he shall be reinstated to the same or an equivalent position upon expiration of the leave. If the position has been abolished or otherwise affected by layoff and an equivalent position is not available, the employee shall be afforded the same considerations which would have been afforded had the employee been working when the position was abolished or affected by layoff. No employee with a predetermined appointment end date or predetermined date of separation shall be granted a leave of absence beyond her/his appointment end date or the predetermined date of separation. An employee who has been granted a Family Care/Medical Leave for her/his own health condition, may be required by the University to provide a written medical release to return to work prior to her/his return to work.

If sick leave is exhausted, the employee may elect to use accrued vacation time prior to taking leave without pay.
- c. **Additional Family Care Leave in a Calendar Year.** Upon termination of the Pregnancy Disability Leave, which runs concurrently with federal Family Care/Medical Leave, an eligible employee shall also be entitled to the unused portion of CFRA/FMLA leave up to a maximum of twelve (12) workweeks for any covered reason except leave for a pregnancy-related medical condition. The amount available for use is determined by the amount which the employee has previously used under FMLA/CFRA in the calendar year.
2. **As An Alternative To Or In Addition To Pregnancy Disability Leave,** the University shall temporarily transfer a pregnant employee to a less strenuous or hazardous position upon the request of the employee and with the advice of the employee's health care provider, if the transfer can be reasonably accommodated. For the purpose of this section, a temporary transfer includes a temporary modification of the employee's own position to make it less strenuous or hazardous. A temporary transfer under this section is considered time worked and shall not be counted toward an employee's entitlement of up to four (4) months of pregnancy disability leave, unless the employee is also on a reduced work schedule or an intermittent leave schedule.
3. **Reduced Work Schedule**
- When medically necessary, and supported by medical certification, the University shall grant an employee Pregnancy Disability Leave on a reduced work schedule or on an intermittent basis including absences of less than one (1) day. If the same job has been abolished or affected by layoff, the employee shall be reinstated to a similar job. If a similar position is not available, the employee shall be afforded the same considerations which would have been afforded had that employee been working when the position was abolished or affected by layoff. The date of reinstatement is determined when the leave is granted.
5. **Continuation Of Health Benefits**
- An employee on Pregnancy Disability Leave who is also eligible for leave under the federal Family and Medical Leave Act and the State of California Family Rights Act, shall be entitled, if eligible, to continue participation in health plan coverage (medical, dental, and vision) as if on pay status for up to twelve (12) workweeks in the calendar year. A medical release certification shall include a statement by the employee's health care provider of the employee's ability to perform the essential functions of the position.

Military Caregiver Leave

Military Caregiver Leave is an additional type of Family Care and Medical Leave available to eligible employees. An employee may take Military Caregiver Leave to care for a family member who is a "covered servicemember" undergoing medical treatment, recuperation or therapy for a "serious injury or illness."

1. Eligibility Criteria and Duration

An eligible employee is entitled to up to 26 workweeks of Military Caregiver Leave during a single 12-month leave period. The employee must be a spouse, domestic partner, parent, son, daughter or next of kin of the covered servicemember to be eligible for this type of leave and must meet the eligibility requirements for Family Care and Medical Leave set forth in Section B.2.a.

2. Definitions

- a. "Covered servicemember" means (a) a current member of the regular Armed Forces (including a member of the Reserves; a member of the National Guard; or a member of the Armed Forces, the National Guard, or the Reserves who is on the temporary disability retired list) who has a "serious injury or illness" incurred or aggravated in the line of duty on active duty for which he or she is undergoing medical treatment, recuperation, or therapy; is otherwise in outpatient status; or is on the temporary disability retired list or (b) a veteran of the Armed Forces (including the National Guard or the Reserves), provided that the veteran is undergoing medical treatment, recuperation, or therapy for a "serious injury or illness" that was incurred or aggravated in the line of duty on active duty within five (5) years of the date on which the veteran left the Armed Services.b.
"Outpatient status" means the status of a servicemember assigned to (a) a

DRAFT COPY – Subject to Edits – Pending Final Review by UC and UPTE

military medical treatment facility as an outpatient; or (b) a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients.

- c. “Serious injury or illness” means an injury or illness (a) incurred or aggravated by the covered servicemember in the line of duty on active duty in the Armed Forces that may render the servicemember medically unfit to perform the duties of his or her office, grade, rank, or rating or (b) of a veteran of the Armed Forces (including the National Guard and the Reserves), provided that the veteran’s injury or illness was incurred or aggravated in the line of duty on active duty and that the medical treatment, recuperation, or therapy that the veteran is receiving for that injury or illness is occurring
- d. “Parent of a covered servicemember” means a covered servicemember’s biological, adopted, or foster parent or any other individual who stood in loco parentis to the covered servicemember. The term does not include parents “in law.”
- e. “Son or daughter of a covered servicemember” means the covered servicemember’s biological, adopted, or foster child, stepchild, legal ward, or a child for whom the covered servicemember stood in loco parentis, and who is of any age.
- f. “Next of kin” means (a) the nearest blood relative of the covered servicemember (other than the covered servicemember’s spouse, domestic partner, parent, son or daughter) or (b) the person who the covered servicemember has designated in writing as his or her nearest blood relative for purposes of Military Caregiver Leave.
- g. “Single 12-month leave period” means the period beginning on the first day the employee takes leave to care for the covered servicemember and ends 12 months after that date. (This leave period differs from the calendar year definition of the leave year used for determining eligibility for other types of FML at the University.)

Leave is applied on a per-covered servicemember, per-injury basis. Eligible employees may take more than one period of 26 workweeks of leave if the leave is to care for a different covered servicemember or to care for the same servicemember with a subsequent serious injury or illness, except that no more than 26 workweeks of leave may be taken within any “single 12-month period.”

If an eligible employee does not use all of his or her 26 workweeks of leave entitlement to care for a covered servicemember during this single 12-month leave period, the remaining part of the 26 workweek entitlement to care for the covered servicemember for that serious injury or illness is forfeited.

As with other types of Family Care and Medical Leave, this leave may also be taken on an intermittent or reduced schedule basis. If the need for intermittent or reduced schedule leave is foreseeable based on the planned medical treatment of the covered servicemember, the employee may be required to transfer temporarily, during the period that the intermittent or reduced leave schedule is required, to an available alternative position for which the employee is qualified and which better accommodates a recurring periods of leave than does the employee’s regular position.

4. Documentation and Certification

Employees may be required to provide a certification completed by an authorized health care provider of the covered servicemember that provides information necessary to establish entitlement to Military Caregiver Leave. In addition, employees may be required to provide certain information (or have the covered servicemember provide that information) including information establishing that the servicemember is a covered servicemember for purposes of Military Caregiver Leave, his or her relationship with the employee, and an estimate of the leave needed to provide the care. The employee may also be required to provide confirmation of a covered family relationship between the employee and the servicemember.

5. Use of Accrued Paid Leave

Military Caregiver Leave is unpaid leave, except an employee may use sick leave in accordance with Article 39 – Sick Leave and shall use accrued vacation time prior to taking leave without pay.

6. Advance Notice

DRAFT COPY – Subject to Edits – Pending Final Review by UC and UPTE

7. Reinstatement

Reinstatement shall be to the same position or, at the department's discretion, to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment provided that the employee returns to work immediately following termination of the leave. If the employee would have been laid off or terminated had the employee been working during the leave period, the employee shall be afforded the same considerations afforded to other employees who are laid off or terminated pursuant to the provisions of Article 16 – Layoff and Reduction in Time.

8. Continuation of Health Benefits

An employee on an approved Military Caregiver Leave shall be entitled to continue participation in health plan coverage (medical, dental, and optical) as if on pay status during the leave.

MEDICAL SEPARATION**

A. GENERAL CONDITIONS

1. When the University determines that a non-probationary career employee is unable to satisfactorily perform the essential assigned functions of her/his position due to any disability or other medical condition, that employee may be medically separated. Prior to medical separation the University will determine what accommodation, if any, may be reasonably provided. Such accommodation, if any, shall be provided in accordance with the provisions of Article 33, Reasonable Accommodation. An employee who is medically separated is eligible for special reemployment procedures as set forth in Section E., below.
2. Except as provided in Section A.3, below, a medical separation shall be based on:
 - a. a University statement describing the essential functions the employee is not able to perform satisfactorily; and
 - b. any pertinent information, including medical information provided by the employee's licensed health practitioner and/or the University's physician, and/or work-related information provided by appropriate University officials.
3. A medical separation may also be based on the employee's receipt of long-term disability payments from a retirement system to which the University contributes, such as UCRS or PERS.
4. If an employee who is on an approved leave of absence related to a medical condition has a specific return to work date established by a health practitioner licensed by the State in which s/he practices and such return to work date is within one-hundred eighty (180) days of the beginning of leave of absence, the employee shall not, during the period between the beginning of the leave of absence and the return-to-work date (a maximum of one-hundred eighty (180) days), be medically separated.

Proof of the employee's disability is required and is subject to verification by the University. When the University requests a medical opinion as verification of disability, the University shall pay the costs of the medical examination(s) requested.

C. NOTICE OF INTENT TO MEDICALLY SEPARATE

A written notice of intent to medically separate shall be given to the employee either by delivery of the notice to the employee in person, or by placing the notice of intent in the U.S. mail, first class postage paid, in an envelope addressed to the employee at the employee's last known home address. Proof of service shall accompany the notice of intent. The notice shall:

1. inform the employee of the action intended, the reason for the action and the effective date of the action;
2. inform the employee of the right to respond and to whom to respond within ten (10) calendar days from the date of issuance of such notice of intent, in accordance with the instructions given by the University in the written notice provided to the employee.

A copy of the notice of intent shall be provided to UPTE. The University shall place a copy of the notice in the U.S. mail to UPTE the same day (or the next business day) it provides the notice to the employee.

D. EMPLOYEE NOTICE

After review of the employee's timely response, if any, the University shall notify the employee of any action to be taken. An effective date of separation shall follow the employee's timely response or, if no response is provided, shall be at least fifteen (15) calendar days from the date of issuance of the notice of intention to separate, pursuant to Section C, above.

E. REEMPLOYMENT

1. For a period of one (1) year following the date of a medical separation, a medically separated former non-probationary career employee may be selected for a position without the requirement that the position be publicized. However, if the former employee is receiving disability benefits from a retirement system to which the University contributes the period shall be three (3) years from the date benefits commenced. In order to be eligible for rehire under this Article, the medically separated employee must provide a medical

DRAFT COPY – Subject to Edits – Pending Final Review by UC and UPTE

certification from a University-approved medical physician describing in detail the medically separated employee's ability to return to work.

2. When a vacant position is designated as a term appointment, the Laboratory shall provide a notice to UPTE at least five (5) working days before the proposed date of posting. The notice to the union shall include the business reason(s) for the term appointment designation. Upon UPTE's request, the parties shall meet to discuss the union's concerns. If a meeting is requested during the notice period but cannot reasonably be scheduled prior to the proposed posting date, posting may be delayed up to two weeks to allow time for such a meeting to occur.
3. Term appointments apply to staff hired to work on a specified project of clearly limited duration for six (6) months to three (3) years. If the initial appointment is between six (6) and twelve (12) months, the individual must be on a fixed 100% schedule. If the initial appointment is one (1) year or more, the appointment must be fixed at 50% time or more. Time spent in term appointments is cumulative.
4. Extensions of term appointments beyond three (3) years, to a maximum of five (5) years, will be considered on a case-by-case basis and require an explicit written agreement between LBNL and the President of UPTE local 184 or designee.
5. Term employees do not serve a probationary period, unless the initial appointment is for longer than one year.
6. Term employees are not eligible for career-related or educational enrichment programs described in Article 8 and Appendix E of this agreement. Term employees are eligible for time off with pay for class attendance and reimbursement of course fees for position-related programs when such training is specifically determined by Lab management to be necessary for them to perform their respective assignments.

DRAFT COPY – Subject to Edits – Pending Final Review by UC and UPTE

7. The layoff and severance provisions described in Article 16 and Appendix F of this agreement do not apply to term employees.
8. Employees in term appointments are automatically terminated as of the last day of their appointment unless there is a written notice of extension of the appointment. Employees in term appointments may be terminated before the end of their appointment for disciplinary reasons or substandard performance. The appointment may also be terminated early for lack of funds, lack of work, or changes in operational/business needs in which case, whenever possible, an employee should be given at least 30 days' advance written notice that his/her appointment will be terminated. The early termination of a term appointment is not grievable or arbitrable.
9. Once a position has been designated as a term appointment per #2 above, the posting of any additional term appointments supporting the same project requires an explicit written agreement between LBNL and the President of UPTE local 184 or designee if the appointment dates of the positions overlap.

**ARTICLE 32
PROBATIONARY PERIOD**

A. GENERAL CONDITIONS

1. Employees appointed to career positions shall serve a probationary period of six (6) months of continuous service at one-half (1/2) time or more without a break in service, commencing on the first day of actual work.
2. Time on leave, with or without pay, is not qualifying service for the completion of the probationary period.
3. During a full probationary period, the employees' work performance and general suitability for University employment shall be evaluated in writing, at or near the midpoint.
4. Employees who are rehired following a break in service of one (1) year or less shall not be required to serve a new probationary period, provided:
 - a. rehire occurs in the same class and specialty within the same department, and
 - b. the rehired employee had regular status in that class at the time of termination.

Otherwise rehired employees serve a probationary period. This Section does not apply to employees rehired pursuant to Article 16 – Layoff and Reduction in Time sections on preference and recall.

B. TRANSFER FROM NON-CAREER TO CAREER POSITIONS

1. A non-career employee appointed, transferred or promoted to a career appointment within the unit may, at the sole discretion of the University, be required to serve a six (6) month probationary period upon employment in the career position.
2. However, a non-career employee in a limited appointment who has met the criteria in Article 31 - Positions/Appointments Section B.2 for conversion to career status and who has worked in the same limited appointment in which s/he is directly converted will have such time in that appointment applied against the probationary period for the new career appointment. For the purposes of this provision, "same appointment" means an appointment in the same department/unit and with the same duties as the appointment to which the individual was assigned prior to conversion, and which reports to the same supervisor as did the previous limited appointment.
3. A non-career employee in a limited appointment who has at least six (6) months of continuous service at 50% time or more in a non-career appointment and who is appointed or is converted in accordance with Article 31 – Positions/Appointments, Section B.2. to a career position with substantially similar job duties shall have three (3) months service credit toward completion of her/his probationary period in the new career position.

C. EXTENSION OF PROBATIONARY PERIOD

The University may choose to extend an employee's probationary period. Such an extension shall be for a specific period of time not to exceed three (3) months. At least seven (7) calendar days prior to the effective date of the probationary period extension, the University shall provide the employee with written notification of the extension of the probationary period, including the period's end date and the reason(s) for the extension.

D. RELEASE DURING PROBATIONARY PERIOD

Prior to the completion of the probationary period, an employee may be released at the sole discretion of the University. The employee shall be informed of the general reason(s) for her/his release.

E. DISPUTES

1. Except for the University's failure to provide a performance evaluation pursuant to Section A.3, above, actions taken by the University under the provisions of this Article are not subject to the grievance or arbitration procedures of the Agreement.
2. In the event an employee alleges that the University failed to provide a performance evaluation as provided in Section A.3, above, the remedy shall be limited to evaluating the employee's performance in writing.

**ARTICLE 33
REASONABLE ACCOMMODATION**

A. GENERAL PROVISIONS

1. The University provides reasonable accommodation to otherwise qualified employees who become disabled and need assistance to perform the essential functions of their positions. The interactive process shall be used to determine what, if any, reasonable accommodation will be made. Reasonable accommodations shall be provided in the following, non-exclusive scenarios:
 1. When an employee with a disability needs an accommodation to enable him or her to perform the essential functions of the position.
 2. When an employee with a disability needs an accommodation to enable him or her to gain access to his or her workstation; and
 3. When an employee with a disability needs an accommodation to enjoy equal benefits and privileges of employment.
- 2.

B. THE INTERACTIVE PROCESS

1. Upon receipt of an employee's request for an accommodation, the parties will engage in the interactive process, which is an ongoing dialogue between the employee and appropriate representatives of the University about possible options for reasonably accommodating the employee's disability. Options may include, but are not limited to: assistive devices; modification of existing facilities; and restructuring the job. Both the University and the employee are expected to participate in the interactive process, so as to ensure timely, good faith communications and a reasonable accommodation, if any, for the employee with a disability. The employee may have his or her representative participate in this dialogue.

During the interactive process the University considers information related to: the essential functions of the job; functional limitations; possible accommodations; the reasonableness of possible accommodations; and implementation of a reasonable accommodation. This information will be used by the University to determine what, if any, reasonable accommodation will be made.

2.
 - a. The University will process requests for reasonable accommodation and provide accommodations where reasonable and appropriate and in as short a time frame as reasonably possible. The parties recognize, however, that the time necessary to process a request will depend on the nature of the accommodation requested and whether it is necessary to obtain supporting information.
 - b. Should an employee wish to receive an update as to the status of his/her request, he/she may contact the assigned University representative. The University representative will respond to the employee's request for updated information in a timely manner.

C. MEDICAL DOCUMENTATION

The employee is responsible for providing medical documentation to assist in understanding the nature of the employee's functional limitations. When necessary, the University may require that the employee be examined by a University-appointed licensed healthcare provider. In such a case, the University shall pay the costs of any medical examinations requested or required by the University.

D. SPECIAL SELECTION FOR OTHER POSITIONS

A non-probationary career employee who becomes disabled and who has received vocational rehabilitation services may be selected for a position without the requirement that the position be publicized. **E.. TRIAL EMPLOYMENT**

When recommended by a vocational rehabilitation counselor and approved by the appropriate University official, a non-probationary career employee who becomes a qualified employee with a disability may be offered temporary trial employment to evaluate the employee's interests and abilities. The length of this trial employment, which shall not exceed one year, shall be determined by the counselor in consultation with the employing department/division head. Positions used for trial employment shall not be designated as career positions, except that an employee shall maintain benefits to the extent permitted by benefit plan rules.

**ARTICLE 34
RELEASE TIME FOR BARGAINING**

- A.** UPTE shall designate as a bargaining team member for the unit not more than one (1)
- B.** active status bargaining unit employee per campus, for a total eleven (11) bargaining team members from the bargaining unit. UPTE shall provide in writing the names of the designated permanent members of its bargaining team to the Office of Labor Relations at least thirty (30) calendar days prior to the first scheduled bargaining session. In the event any designated member is to be permanently replaced, the name of the permanent replacement shall be communicated in writing to the Office of Labor Relations. The Office of Labor Relations shall acknowledge in writing the newly designated permanent replacement, and inform the appropriate work location. Such notification of a permanent replacement shall be made to the Office of Labor Relations two (2) workweeks prior to the first scheduled bargaining session to be attended by the replacement employee. Designated team members who are members of the bargaining unit may be released from their work assignments without loss of straight-time pay to attend scheduled bargaining sessions. Alternates or substitutes for any of the designated team members may be permitted when UPTE has provided the University with the name and work location of the replacement at least two (2) weeks in advance of the date of the change, unless the parties agree to a shorter notice period.
- C.** No more than a total of nine (9) bargaining unit employees shall be in without-loss-of-straight-time-pay and benefits status for attendance at scheduled bargaining sessions for the unit including reasonable travel time to attend bargaining sessions. Without-loss-of-straight-time-pay status shall be provided only for bargaining sessions, and only for the days which the member would have been scheduled to work had s/he not been released from her/his work assignments to attend scheduled bargaining sessions. The hours for which any of the designated union bargaining team members are in without-loss-of-straight-time-pay status shall not exceed the bargaining team member's actual scheduled work hours for any one day of a scheduled bargaining session and shall not exceed forty (40) hours per week. Time in without-loss-of-straight-time-pay status for the purpose of bargaining shall not count in the calculation of overtime, and will not result in any double payment for the hours in such status. Deviation from this paragraph may be made only by mutual agreement of the parties on a case-by-case basis.
- D.** Bargaining sessions are defined as the pre-scheduled face-to-face meetings, and related caucuses during meeting days, for the purpose of negotiating terms and conditions of an Agreement. If no meeting actually takes place during the scheduled meeting day as the result of the University's unavailability to appear at the bargaining table, or the University agrees that a full-day union bargaining team caucus is necessary to the bargaining process, the University may designate a day without a face-to-face meeting as a "bargaining session".
- D.** An employee designated as a bargaining team member for the unit shall provide her/his supervisor with written notice of their intent to attend scheduled bargaining sessions as soon as practicable following the scheduling of bargaining sessions. A bargaining team representative may be denied release time for bargaining, either in paid or unpaid status, if her/his supervisor is not provided at least fourteen (14) calendar days prior notice of her/his need for release time, unless the parties agree to a shorter notice period.
- E.** UPTE shall provide an attendance roster at the end of each bargaining session.
- F.** Reasonable travel time means actual travel, via the most expeditious method of transportation available, to and from scheduled bargaining sessions for the designated employees.
- G.** Attendance by a bargaining team member at scheduled bargaining sessions shall constitute fulfillment of the employee's work obligation for that day.
- H.** The University shall make a good faith effort to modify a bargaining team member's work schedule in order to accommodate her/his participation in bargaining sessions.

**ARTICLE 35
RESIGNATION / JOB ABANDONMENT**

A. RESIGNATION

1. Employees who voluntarily separate from employment with the University, other than retirement, are considered to have resigned their employment with the University.
2. Upon the employee's submission of a written notice of resignation there shall be no withdrawal or rescinding of the resignation except by the written mutual agreement of the University and the employee.
3. In the event an employee provides an oral notice of resignation, s/he may rescind such notice within two (2) scheduled work days following the oral notice. If such oral notice is not rescinded within the two (2) work-day limit, there shall be no withdrawal or rescission of her/his resignation except by the written mutual agreement of the University and the employee.

4. FINAL PAYCHECK

- a. With the exception of retirement, the final paycheck (including earnings to date, overtime, compensatory time and vacation hours) shall be paid to the employee in a timely manner normally within 72 hours and in conformance with appropriate sections of the Labor Code. If the employee gave 72 hours or more notice, the final paycheck will be provided on the last day of work. Retirement compensation shall be provided pursuant to retirement plan regulations.
- b. When an employee does not give seventy-two (72) hours notice of intention to resign, the University shall make the final paycheck available within seventy-two (72) hours. Upon the employee's request, the final paycheck may be mailed to an address designated by the employee. Otherwise, it will be mailed to the employee's last known mailing address on file. If the date of pay falls on a Saturday, Sunday, or weekday holiday, actual payment may be on the next business day. Monday through Friday will be considered business days at all locations including Medical Centers and other 24-hour/7-day operations.

B. JOB ABANDONMENT

Failure to report to work as scheduled for five (5) consecutive work days may be treated by the University as an employee's job abandonment resulting in her/his resignation:

1. In the case of job abandonment, the University shall provide the employee and the Union with written notification of its intent to separate her/him. This notification shall include the reasons for the separation, the employee's right to respond to the University within fourteen (14) calendar days, and a Proof of Service. The notification shall be sent to the employee's last known mailing address.
2. The employee shall have fourteen (14) calendar days from the mailing of such notice to respond to the University prior to her/his separation. The response may, at the option of the employee, be in writing or may be a meeting with a designated University official. The official must have the authority to effectively recommend reinstatement of the employee.
3. Following the employee's timely response, or if no response was provided within fourteen (14) calendar days, the decision of the designated University official is not subject to the grievance and/or arbitration provisions of this Agreement.

C. The University shall notify the employee in writing at the employee's last known mailing address of all actions taken under the provisions of this Article.

**ARTICLE 36
RESPECTFUL AND FAIR TREATMENT**

- A.** UPTE and the University recognize that respectful, fair treatment of others promotes a work environment and organizational culture that supports and values all members of the University community. Therefore, officers of the University shall treat members of the bargaining unit with dignity and respect in all interactions. In addition, members of the bargaining unit shall treat officers of the University with dignity and respect in all interactions.
- B.** Nothing in this Article shall be construed to change established University policies and practices about political expression and/or freedom of speech; nor shall anything in this Article impede normal expression in labor-management communications.
- C.** Any complaints arising from this Article, Sections A and B above shall be grievable only through Step Two of the grievance process.

**ARTICLE 37
SEVERABILITY**

If any provision of this Agreement is found to be contrary to law by a court of competent jurisdiction, such provision shall be of no force or effect; but the remainder of this Agreement shall continue in full force and effect. The parties shall promptly meet and confer in good faith with respect to any provision found to be in contravention of the law, in order to agree on a substitute provision.

**ARTICLE 38
SHIFT DIFFERENTIAL**

A. GENERAL PROVISIONS

Non-exempt eligible employees who are regularly assigned to an evening or night shift shall be paid a shift differential for all hours including overtime which are worked, in accordance with the following provisions. These provisions only apply to those working in titles with established shift differential rates as listed by location in Appendix A. Work that is scheduled during the evening or night hours on the basis of convenience to the employee shall not be considered an assigned evening or night shift for the purpose of receiving shift differential.

B. EVENING AND NIGHT SHIFTS

An evening or night shift differential shall be paid for all hours of a shift when four (4) hours or more of a shift are worked after 5:00 p.m. and before 8:00 am.

C. TEMPORARY ASSIGNMENT TO SHIFT WITHOUT A DIFFERENTIAL

When an employee who usually works on an evening or night shift is temporarily assigned to a day shift for a period of four (4) working days or less, the employee shall continue to receive any shift differential. A temporary change of four (4) working days or less in shift assignment initiated by the employee is not covered by this provision.

D. SHIFT DIFFERENTIAL WHEN ON PAID LEAVE

The shift differential shall be included in payments for all types of paid leave, provided that the employee would have been expected to work that shift or shifts if the employee were not on paid leave.

E. SHIFT ASSIGNMENTS TO TITLES WITHOUT ESTABLISHED SHIFT DIFFERENTIAL RATES

Prior to assigning a shift differential rate to a classification that does not have an established rate, the University will provide notice and meet and confer with UPTE the shift differential rate to be assigned to that classification.

**ARTICLE 39
SICK LEAVE**

A. ACCUMULATION OF SICK LEAVE CREDIT

1. If a campus/Laboratory/hospital implements the Factor Accrual System, an eligible employee shall earn sick leave credit at the rate of .046154 hours per hour on pay status, including paid holiday hours but excluding all paid overtime hours.
2. If a campus/Laboratory/hospital uses the Table Accrual System, an eligible employee shall earn sick leave credit at the rate of eight (8) hours per month for full-time employment. Sick leave credit is earned proportionately, as set forth in the Sick Leave Credit Table below, for hours on pay status over one-half (1/2) of the full-time working hours of the month but less than full-time.
3. Until a campus/Laboratory/hospital provides notice to UPTE of a proposed change to either the Table Accrual System or the Factor Accrual System, current accrual practices will remain in place.

4. An employee must be on pay status for at least one-half (1/2) of the working hours of a month or quadri-weekly cycle to earn sick leave credit for that month or quadri-weekly cycle. Time on pay status in excess of a full-time work schedule does not earn sick leave credit. Sick leave is earned during leave with pay. For the purposes of this Agreement, a quadri-weekly cycle is defined as two bi-weekly pay periods designated by the University to be considered as one unit for the purpose of leave accrual.
5. For employees on either system, earned sick leave for each month or quadri-weekly cycle is credited on the first day of the following month or quadri-weekly cycle, except that proportionate sick leave credit for an eligible employee who is separating from employment shall be credited at the completion of the last day on pay status.
6. The number of sick leave hours which may be accumulated is unlimited.

B. ELIGIBILITY AND USE OF ACCUMULATED SICK LEAVE

1. General Provisions

- a. Requests for the use of sick leave shall be made in accordance with campus or departmental procedures.
- b. Sick leave is to be used for medical appointments with advance approval, personal illness or personal disability; and for the death or serious illness of others as provided in Section B.3. and Section B.4., below. In the case of medical appointments, a request for sick leave shall not be unreasonably denied.
- c. Sick leave shall not be used prior to the time it is credited. Sick leave shall not be used in excess of the employee's normally scheduled hours or work for the day or days for which the sick leave is claimed. Sick leave shall not be used beyond a predetermined date of separation, including retirement or layoff, or beyond a predetermined date beginning a leave of absence without pay.
- d. Exempt employees – Except as provided in Article 18, Leaves of Absence, records of sick leave used shall be recorded in one (1) day increments only or in increments of not less than that portion of a day during which an employee on less than full-time status is normally scheduled to work. When an exempt employee has exhausted all accrued sick leave, salary shall not be reduced for absences of less than one (1) full day or less than that portion of a day during which an employee on less than full-time pay status is normally scheduled to work.
- e. Non-exempt employees – Records of accrued sick leave usage shall be maintained to the nearest quarter (1/4) hour.
- f.

2. Pregnancy

A pregnant employee on approved leave without pay on the date certified by her doctor as the date on which she is no longer able to work or the date of delivery, whichever is earlier, can use sick leave beginning with that day and continuing through the period that she is physically unable to perform the normal duties of her job. A pregnant employee may also be eligible for Pregnancy Disability Leave as provided in Article 18 - Leaves of Absence, Section C.

3. Care of Others

DRAFT COPY – Subject to Edits – Pending Final Review by UC and UPTE

Up to thirty (30) days of accumulated sick leave per year may be used when the employee is required to be in attendance or to provide care for either:

- a. The serious illness of the employee's parent, spouse, same or opposite sex domestic partner, child(ren), brother, sister, grandparent, grandchildren, father-in-law, mother-in-law, son-in-law, daughter-in-law, or step-relatives; or any other person for whom the employee has a personal obligation who is residing in the employee's household; or
- b. The employee's spouse, parent(s) or child(ren), suffering from a "serious health condition" as defined in Article 18 Leaves of Absence, Section B.1.d.; or
- c. Sick leave granted under this section may be used to offset unpaid Family Care and Medical Leave granted pursuant to Article 18, Leaves of Absence.

4. Bereavement

Sick leave for bereavement purposes may be used as follows:

- a. Up to five (5) days of accumulated sick leave per occurrence may be used when attendance is required due to the death of the employee's parent, spouse, same or opposite sex domestic partner, children, brother, sister, grandparent, grandchildren, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, or step-relatives; or any other person for whom the employee has a personal obligation who is residing in the employee's household.
- b. In the event an employee has a personal obligation for a person other than someone in Section B.4.a., above, the employee shall be permitted to use up to five (5) days of accrued sick leave per calendar year for funeral attendance/bereavement.

5. Illness While on Vacation

If, while on vacation, an employee becomes ill and is under the care of a physician and submits a physician's statement, the employee may use accumulated sick leave for that personal illness. Sick leave may not be used for illness of a family member during the employees' vacation.

C. SICK LEAVE PAY

Sick leave is paid at the employee's straight-time rate of pay including any shift differential, provided that the employee would have been expected to work that shift or shifts if not on sick leave.

D. SICK LEAVE NOTIFICATION AND VERIFICATION

1. No sick leave pay shall be payable to an employee unless the employee's immediate supervisor or designee is notified of the illness/disability and the probable duration thereof as soon as possible, but in no event later than the beginning of the employee's work day except when the University determines that the employee's failure to notify is due to extreme circumstances beyond the control of the employee. Subsequent to an employee's notice of illness/disability, no time for which the employee has requested and/or received sick leave authorization may be charged to accumulated/anticipated compensatory time, leave with pay, vacation, or holiday time, except as provided in Article 18, Leaves of Absence.
2. Any employee who anticipates a series of three (3) or more medical appointments which will require a repeated use of sick leave, or who knows in advance the date and/or time of scheduled appointments, shall inform his or her immediate supervisor of the anticipated or known schedule of treatment.
3. The University may require reasonable documentation of an employee's sick leave absence when an absence exceeds three (3) consecutive scheduled days of work, or for shorter periods when:
 - a. it appears to be justified and,
 - b. notice has been provided to the employee prior to his or her return to work, that documentation will be required, or
 - c. the employee has been given advance written notice that documentation will be required.

DRAFT COPY – Subject to Edits – Pending Final Review by UC and UPTE

4. Employees who have unscheduled absences due to illness on a scheduled work day preceding or following a holiday may be required to bring a medical verification of illness to the employee's supervisor on the employee's return to work in order for the absence to be authorized.
5. When medical documentation is required by the University, it shall be from a health practitioner licensed by the state in which he or she practices to diagnose and certify illness or disability or from an authorized representative of a recognized treatment program.
6. The University may have an employee claiming disability examined by a physician or physicians of its choosing, in accordance with Article 18, Leaves of Absence. The University shall pay the reasonable costs of any such medical examination and, when practical, shall send the employee to a physician of its choosing on the employee's work time.
7. When the University has determined that an employee's repeated use of sick leave is abusive, and has given the employee prior written notice that accrued sick leave use may be denied on future instances of illness, such employee may be denied the ability to use his or her accrued sick leave when absent due to illness.

E. TRANSFER AND REINSTATEMENT OF SICK LEAVE

1. Transfer/Promotion/Demotion to positions covered by this Agreement

- a. An employee transferred, promoted, or demoted without a break in service to a position that does accumulate sick leave shall have any accumulated sick leave transferred.
- b. An employee transferred, promoted, or demoted to a position that does not accumulate sick leave shall have his or her accumulated sick leave held in abeyance. If the employee subsequently moves without a break in service to a position which does accumulate sick leave, the previously accumulated sick leave shall be restored.
- c. An employee who has been laid off and is recalled or preferentially rehired within the employee's period of recall or preferential rehire eligibility shall have all sick leave accumulated from prior service reinstated.

2. Reemployment in positions covered by this Agreement

- a. An employee reemployed from University service or State of California service into the bargaining unit after a break in service of less than fifteen (15) calendar days shall have all sick leave accumulated from prior service reinstated if the new position is one which accumulates sick leave.
- b. An employee reemployed in this bargaining unit after a break in service of more than fifteen (15) calendar days but less than six (6) months shall have sick leave accumulated from prior service up to a maximum of 80 hours reinstated. For purposes of this Section E.2. only, "sick leave accumulated from prior service" includes sick leave accumulated in State of California service.

3. Transfer/Promotion/Demotion to positions not covered by this Agreement

- a. An employee who is transferred, promoted, or demoted into a position not covered by this Agreement shall have the accumulation, use, and transfer of sick leave governed by the policies and/or contract covering employees in that unit or personnel program.
- b. This Article shall apply to employees with split/multiple appointments in accordance with the provisions of Article 23, Multiple Appointments.

F. CONVERSION OF SICK LEAVE ON RETIREMENT

Upon retirement, members of the University of California Retirement System shall have their accumulated sick leave converted to retirement service credit at the rate authorized by the University of California Retirement System for each day of unused accumulated sick leave.

G. CATASTROPHIC LEAVE

When the University implements a catastrophic leave program at a campus/hospital/ laboratory, or a department at any of these locations, the provisions of the program shall apply equally to eligible employees covered by this Agreement in accordance with local campus/ hospital/laboratory procedures.

I. LAWRENCE NATIONAL BERKELY LABORATORY

Sick Leave (supersedes section B.1.d of the Sick Leave article in the RX contract for exempt employees at the Lawrence Berkeley National Laboratory only):

Except as provided in the Leaves of Absence article, records of sick leave used shall be recorded in half-day increments only by exempt employees on full time status. For exempt employees on less than full time status, records of sick leave used shall be recorded in increments of not less than one hour. When an exempt employee has exhausted all accrued sick leave, salary shall not be reduced for absences of less than one full day or less than that portion of a day during which an employee on less than full-time pay status is normally scheduled to work.

**ARTICLE 40
SUBCONTRACTING**

A. GENERAL PROVISIONS

1. The University retains the right to subcontract all or any portion of operations. When the University decides to subcontract, and such subcontract will result in the layoff of employees in the bargaining unit, the University will provide UPTE with a copy of the Request for Proposals (RFP) seven (7) calendar days after it is issued. In the event no RFP is issued and the subcontract will result in bargaining unit employee layoffs, the University will give at least sixty (60) calendar days notice prior to the commencement of work by the contractor.
2. Prior to the commencement of the work that has been subcontracted and following receipt of a timely request from UPTE, the University shall meet with UPTE to discuss the effects of subcontracting upon bargaining unit employees who may be laid off. Failure to conclude such discussions, if any, prior to the date on which the subcontracted work begins, shall not preclude the University from implementing the subcontracting on the date agreed upon by the University and the subcontractor or the layoff of employees pursuant to Article 16, Layoff and Reduction in Time.

B. DISPLACEMENT OF EMPLOYEES

1. Except as provided below, the University of California will not contract out services that result in the layoff of non-probationary career bargaining unit employees.
2. Examples of instances in which a contract for such services may be appropriate include:
 - a. The need to obtain special services and equipment that are not available internally;
 - b. The need to obtain special expertise or efficiencies that are better provided through an outside contractor than by the University; and
 - c. Financial necessity.
3. Where financial necessity is the reason for the exception, before contracting for work which is fully or partially supported from state funds, including those at the teaching hospitals, the University shall first seek funding from the Legislature to address the financial necessity.
4. When the University has determined to contract for services it will provide UPTE with a copy of any RFP within seven (7) calendar days after it is issued pursuant to Section A.2., above. Such notice shall demonstrate the appropriateness for the contract, in accordance with Section B.2., above.
 - a. If UPTE asks to meet with the University about the proposed contract for services, such a meeting will occur as soon as practicable following the University's receipt of the request. The meeting will not delay the commencement of the contract.
 - b. If UPTE believes that the University failed to comply with the provisions of Section B., above, it can file a formal complaint with the Office of the President, Office of Labor Relations. The Office of the President shall make the final determination as to whether the contract meets the conditions in Section B. The Office of the President decision is not grievable or arbitrable.

C. EFFECT OF CONTRACT ON EMPLOYEES

To minimize the effects of layoff, when a non-probationary career bargaining unit employee is notified of layoff because the University entered into a contract for services that the employee performed, the University will make available another bargaining unit position for which the employee is qualified. The position will be at the same campus/hospital/Laboratory from which the employee was laid off. Where the provisions in this article are inconsistent with the provisions of Article 16, Layoff and Reduction in Time, the provisions of this Article and Section shall control.

1. The available position shall be offered at the same duration, percent time, and appointment type held by the employee when displaced.
2. The available position shall be offered at the same base rate of pay earned by the employee when displaced.
3. The right to be offered a position pursuant to this section shall begin on the date an employee is notified of layoff (displacement).

DRAFT COPY – Subject to Edits – Pending Final Review by UC and UPTE

4. The right of the displaced non-probationary career employee to be offered a position pursuant to this section shall terminate upon acceptance or refusal of the offered position at the same base rate of pay.
 5. A displaced non-probationary career employee who refuses an offered position at the same base rate of pay shall be placed in layoff status.
- D.** Nothing in this article shall be interpreted as prohibiting action, which must be taken to establish or maintain eligibility for any federal program, contract or grant – including the contract requirements contained in the agreement between the University and the Department of Energy – where ineligibility would result in a loss of federal funds to the University of California.

**ARTICLE 41
TRANSFER/PROMOTION/RECLASSIFICATION**

A. GENERAL PROVISIONS

Until a campus/hospital/laboratory implements an electronic recruitment system, a notice of vacant positions shall be distributed and/or posted in accordance with current practice(s). Prior to implementing an electronic recruitment system, the campus will provide to all employees information about the employee application process under the new system. Any new electronic recruitment process shall be generally accessible to employees and shall have a method available for employees to determine classifications or positions that are generally available to all employees for application, in accordance with the campus system. Upon written request, the University shall provide or make accessible to UPTE a regular list of and information about positions that are under recruitment.

B. RELEASE TIME FOR UNIVERSITY INTERVIEWS

Employees who are scheduled for a job interview at the same location as the employee's current position shall be granted reasonable time off with pay, as determined by the University, if the interview has been scheduled during the employee's normal work hours. An employee scheduled for a job interview at a campus/hospital/laboratory other than where the employee is currently employed shall be granted reasonable time off with pay, as determined by the University, for an amount of time normally equal to the time that would be required for an interview on the employee's own campus/hospital/laboratory, if the interview has been scheduled during the employee's normal work hours.

C. FILLING VACANT POSITIONS

1. An active vacant bargaining unit position shall be filled in the following order:
 - a. by recall of a qualified indefinitely laid off non-probationary career employee in accordance with Article 16 - Layoff and Reduction in Time
 - b. by preferential rehire of a qualified indefinitely laid off non-probationary career employee in accordance with Article 16 - Layoff and Reduction in Time
 - c. by any other qualified applicant.
2. When "other qualified applicants" are substantially equally qualified, the University shall first consider providing transfer and promotion opportunities to qualified career employee applicants, including considering their work performance history and experience.
3. In those instances where the University is considering the employment qualifications of individuals available for reasonable accommodation or reemployment following medical separation, the provisions of Section C.1. need not apply.

D. EMPLOYEE TRANSFERS/PROMOTIONS

1. In considering an employee for transfer and promotion, the University shall consider the employee's University work performance and experience.
2. Upon promotion, an employee shall be compensated at a rate at least equivalent to the minimum of the salary range of the new class. In addition, the University at its sole discretion may determine that the employee should receive an increase to greater than the minimum of the salary range of the new class. The University may exercise this sole discretion on a location-by-location basis and on a promotion-by-promotion basis and on a non-precedential basis. In those instances where such discretion is exercised the resultant individual rate of pay shall not exceed the maximum of the position salary range.
3. Upon upward reclassification, an employee shall be granted at least a salary increase to the minimum of the salary range of the new class, with at least a 4% increase, provided that the new rate does not exceed the maximum of the new class.
4. In accordance with campus/hospital/laboratory practice, the University shall inform employees of career development and/or training programs which might assist them with transfers and/or promotions.
5. An eligible employee who has been laid off and is rehired at another University location within the employee's period of recall will be eligible for the following, only if the employee is eligible for recall, as a result of no break in service:
 - a. reinstatement of all sick leave accumulated from prior service,

- b. reinstatement of vacation accrual rate,
 - c. calculation of University service based on full-time equivalent months (or hours) of University service, and
 - d. buy-back of UCRS service credit according to the University Benefit Regulations.
6. Decisions or actions regarding the promotion or transfer of an employee are not subject to the Grievance and Arbitration provisions of this Agreement.

E. MOVEMENT BETWEEN POSITIONS/REASSIGNMENT AND REQUESTS FOR RECLASSIFICATION

1. Request For Classification Review

- a. An employee may request a review of the classification of her or-his position. The review shall be based on the employee's job description, as approved by the employee's supervisor.
- b. If the employee makes the request for review of a classification and the supervisor fails to respond within thirty (30) calendar days, the employee may forward the request to the designated University office responsible for classification review.
- c. The response from the University office shall be directed to the supervisor with a copy to the employee.
- d. The University's decision to reclassify or not to reclassify is not subject to the Grievance and Arbitration provisions of this Agreement. However, an employee may request a review of a decision denying a reclassification. The request for a review shall be made in writing to the Human Resources Office within thirty (30) calendar days of the date on which the reclassification decision was issued. The request shall state the basis upon which the employee is requesting a review. The result of the review shall be issued in writing by a representative of the Human Resources Office. The representative who issues the second decision may not be the same individual who performed the initial review.
- e. Beginning July 1, 2006, employees in Staff Research Associate I titles shall be reviewed for reclassification if they are career appointees who have served two full years in the title with at least satisfactory performance. The review shall be conducted by the University in accordance with local classification procedures. The results will be provided to the department, the employee and to UPTE. Upon reclassification to Staff Research Associate II title, the employee will receive at least a five percent (5%) increase provided that the new rate does not exceed the maximum of the new class.

2. Salary Adjustments

- a. Any salary increase resulting from a reclassification shall be retroactive to the first of the month following the date on which the request to the designated University office was received.
- b. Upon movement between positions with different salary range maximums, or the reclassification of the employee's position, an employee shall receive a salary that is within the range of the new classification.

**ARTICLE 42
TRAVEL REIMBURSEMENT**

A. GENERAL PROVISIONS

Employees are eligible to receive travel reimbursement in accordance with applicable University or Laboratory policies and/or procedures.

B. REIMBURSEMENTS

1. The policies, procedures, definitions, qualifications, calculations, covered hours and rates relative to travel reimbursement(s) shall be applied, changed, or implemented for employees covered by this Agreement in the same manner as for other staff employees in the University, except as provided in Section C., below.
2. The University may determine, on a department-by-department basis and consistent with the Business and Finance Bulletin, the requirements for reporting travel expenses.
3. Reimbursement rates reflect the maximum daily reimbursement provided for specific subsistence expenses, including meals. Only actual reasonable expenses may be reimbursed, including but not limited to mileage, transportation, toll fees, and parking fees.
4. When subsistence expense(s) are paid directly by the University, the employee's per diem reimbursement eligibility will be reduced accordingly.
5. University-approved out-of-state lodging expenses will be reimbursed based on the expenses actually incurred as supported by receipts, provided the University gave prior approval for or requires actual-expense reimbursements.

C. LAWRENCE BERKELEY NATIONAL LABORATORY

Policies, procedures, definitions, qualifications, calculations, covered hours and rates relative to per diem rates at the Laboratory shall be applied, changed, or implemented for employees covered by this Agreement in the same manner as for other staff employees at the Laboratory.

**ARTICLE 43
VACATION**

A. VACATION ACCRUALS/CREDIT

1. If a campus implements the following Factor Accrual System, an eligible employee shall earn vacation credit each month or quadri-weekly cycle based on the number of hours on pay status for that month or quadri-weekly cycle at the following rates:

<u>YEARS OF QUALIFYING SERVICE</u>	<u>PER HOUR ON PAY STATUS*</u>	<u>APPROXIMATE YEARLY EARNING**</u>	<u>MAXIMUM ACCUMULATED BALANCE</u>
Less than 10	.057692	15 days	240 hours
10 but less than 15	.069231	18 days	288 hours
15 but less than 20	.080769	21 days	336 hours
20 or more	.092308	24 days	384 hours

* Hours on pay status, including paid holiday hours, but excluding all paid overtime hours.

** Full-time rate.

2. For campuses retaining the Table Accrual System, an eligible employee shall earn vacation credit each month based on the number of hours on pay status for that month at the following rates:
 - a. ten (10) hours per month for a full-time employee with less than ten (10) years of qualifying service;
 - b. twelve (12) hours per month for a full-time employee with at least ten (10) but less than fifteen (15) years of qualifying service;
 - c. fourteen (14) hours per month for a full-time employee with at least fifteen (15) but less than twenty (20) years of qualifying service; and
 - d. sixteen (16) hours per month for a full-time employee with twenty (20) years or more of qualifying service.
3. Earned vacation for each month or quadri-weekly cycle is credited on the first day of the following month or quadri-weekly cycle, except that proportionate vacation credit for an eligible employee who is separating from employment shall be credited at the completion of the last day on pay status.
4. Employees in titles formerly covered by the Administrative & Professional Staff Program (A&PS) as of November 1, 1997, shall continue to accrue vacation under the A&PS schedule until whichever event occurs first: a break in service of four (4) or more months, or transfer out of the unit. Upon return to University service after a break in service of four (4) or more months, or to the unit from a position outside the unit, such an employee shall earn vacation in accordance with Section A.1. or A.2., above.
5. Should the University adopt a vacation accrual schedule for non-represented staff employees that provides for higher accrual rates at an earlier date in the employee's University career than stated in this Article, members of the RX bargaining unit identified in Section A.4., above, except for those employed at LBNL, will also be eligible for the revised vacation accrual rates on the same effective date to the same extent as the revised policy for non-represented staff employees.

B. ELIGIBILITY

1. An employee is eligible to earn vacation credit from her/his date of hire, prorated in accordance with Section A., above, if appointed at fifty percent (50%) or more of full-time for a period of six (6) months or more. An employee who is not eligible to earn vacation because of a part-time or short term appointment becomes eligible to earn vacation after six (6) continuous months or quadri-weekly cycles on pay status at fifty percent (50%) time or more. For the purposes of this Article, a month of qualifying service is a month of service at one-half (1/2) time or more and a quadri-weekly cycle is defined as two (2) bi-weekly pay periods designated by the University.
2. An employee does not earn vacation credit for time on pay status in excess of a full-time work schedule.

C. VACATION SCHEDULING

1. An employee may request vacation.

2. The University has the sole discretion to approve or disapprove vacation requests. Vacation requests shall not be unreasonably denied. An approved vacation request shall not be unreasonably canceled.
3. Vacation leave requested by an employee will be scheduled in accordance with the University's operational needs and departmental procedures. Departmental procedures which restrict an employee's ability to schedule vacation shall be based on operational needs.

D. VACATION LEAVE RECORDS

1. **Exempt employees** – Except as provided in Article 18 - Leaves of Absence, records of vacation used shall be recorded in one day increments only or in increments of not less than that portion of a day during which an employee on less than full-time status is normally scheduled to work. When an exempt employee has exhausted all accrued vacation, salary shall not be reduced for absences of less than one full day or less than that portion of a day during which an employee on less than full-time pay status is normally scheduled to work.
2. **Non-exempt employees** – Records of accrued vacation usage shall be maintained to the nearest quarter (1/4) hour.

E. VACATION CREDIT USE

No vacation shall be used prior to the time it has accrued, except as provided in Article 5 - Campus/Laboratory Closure.

F. VACATION MAXIMUMS

1. A full-time employee shall not accrue vacation in excess of the maximum of two (2) times the employee's annual accumulation. A part-time employee shall accrue vacation to a pro-rated maximum number of hours as a full-time employee with comparable years of service.
2. Sixty (60) days prior to an employee accruing the maximum amount of vacation, she/he shall be given notice that the maximum accrual will be reached. The employee must request the scheduling of vacation prior to her/his reaching the maximum accrual. If the employee's request to use such accrued vacation is denied due to operational considerations, that employee shall have an additional four (4) months within which she/he must take the vacation to bring her/his vacation accruals below the maximum. Normal vacation shall continue to accrue during the additional four (4) month period.

G. VACATION PAY

1. Pay for accumulated vacation shall be at the employee's straight-time rate, including any shift differential paid to employees permanently assigned to a shift which provides a differential.
2. An employee who separates from employment or who is granted extended military leave shall be paid for any accumulated vacation through the employee's last day of work, except that an employee who is retiring may use accumulated vacation up to the effective date of retirement.
3. An employee released during her/his probationary period shall be paid for accrued vacation time.

H. TRANSFER OF VACATION CREDIT

An employee who is transferred, promoted, or demoted to another position at a University campus in which vacation credit can be accumulated shall have any accumulated vacation credit transferred, unless such transfer is in conflict with the terms covering the new position. An employee who is transferred, promoted, or demoted to a position at a campus in which vacation credit does not accumulate shall be paid for any accumulated vacation at the time of transfer. An employee who is transferred, promoted, or demoted to or from a Lawrence Berkeley Laboratory position shall be paid for any accumulated vacation at the time of transfer.

I. DONATIONS FOR CATASTROPHIC LEAVE

Any bargaining unit employee may participate in a campus/hospital/laboratory's Catastrophic Illness/Injury Leave program, if any, in accordance with the provisions of that location's program.

J. LAWRENCE BERKELEY NATIONAL LABORATORY

Vacation (supersedes section D.1 of the Vacation article in the RX contract for exempt employees at the Lawrence Berkeley Laboratory only):

Except as provided in the Leaves of Absence article, records of vacation used shall be recorded in half-day increments only by exempt employees on full time status. For exempt employees on less than full time status, records of vacation used shall be recorded in increments of not less than one hour. When an exempt employee has exhausted all accrued vacation, salary shall not be reduced for absences of less than one full day or less than that portion of a day during which an employee on less than full-time pay status is normally scheduled to work.

**ARTICLE 44
WAIVER**

- A.** The University and UPTE acknowledge that:
1. During the negotiations which resulted in this Agreement, each party had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining;
 2. This Agreement constitutes the entire contract arrived at by the parties after the exercise of that right and opportunity;
 3. This Agreement supersedes and replaces the specific rights and/or procedures set forth under the various personnel programs and policies, which previously applied to employees covered by this Agreement.
- B.** As a result of the acknowledgments in Section A, above, the University and UPTE agree that, for the term of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to, or covered within this Agreement, or with respect to any subject or matter not specifically referred to or covered by this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.
- C.** Notwithstanding Section B above, the articles in this contract may be reopened for negotiation at any time by mutual agreement of the parties.

**ARTICLE 45
WORK-INCURRED INJURY OR ILLNESS**

A. GENERAL PROVISIONS

This Article defines the application of sick leave and vacation for employees who are unable to work due to a work-incurred injury or illness compensable under the California Workers' Compensation Act, and provides extended sick leave benefits for such employees when sick leave is exhausted and employees are still unable to work because of such injury or illness.

1. An employee unable to perform the normal duties of her/his job due to a work-incurred illness or injury compensable under the California Workers' Compensation Act may be granted leave for the duration of a verified disability but not to exceed twelve (12) months or a predetermined date of separation, whichever comes earlier.
2. Work-Incurred Injury or Illness Leave runs concurrently with Family Medical Leave.
3. An approved leave of absence for work-incurred illnesses or injuries shall not be considered a break in service.
4. Employees who are unable to work due to a work-incurred injury or illness compensable under the California Workers' Compensation Act are eligible to use accrued sick leave and vacation as provided below. When sick leave is exhausted and when employees are still unable to work because of such illness or injury, employees may use extended sick leave or leave without pay as provided below.
5. An employee shall notify her/his supervisor of the need for leave for a work-incurred injury or illness, or any extension of such leave, as soon as practicable after the need for such leave or extension is known. This notification shall include written medical certification of the need for such leave or extension, and the anticipated return to work date.

B. EXTENSIONS OF WORK-INCURRED INJURY OR ILLNESS LEAVE

In the event an employee requires an extension to her/his work-incurred injury or illness leave, s/he shall provide the University with a statement from her/his licensed health care practitioner of the need for the extension and the anticipated return to work date.

1. Such a statement must be provided ten (10) calendar days prior to the date the employee was previously scheduled to return to work.
2. In the event prior notice is not provided, the University will not pay extended sick leave to the employee for the period between the previously scheduled return date and the date the statement is received.

C. RETURN FROM WORK-INCURRED INJURY OR ILLNESS LEAVE

1. Prior to returning to work, an employee granted a work-incurred injury or illness leave must provide the University with a statement from her/his licensed health care practitioner of the employee's ability to return to work. When possible, an employee granted a work-incurred injury or illness leave must provide the University with ten (10) calendar days notice of her/his ability to return to work. If a return to work specifies restrictions, the University will consider what accommodation, if any, will reasonably be made.
2. If the position held has been abolished during the leave, the employee shall be afforded the same considerations which would have been afforded had that employee been on pay status when the position was abolished.

D. SUPPLEMENTAL SICK LEAVE AND VACATION

1. An employee who accrues sick leave and vacation shall be permitted to use accrued sick leave and vacation to supplement temporary disability payments received under the California Workers' Compensation Act.
2. Sick leave and vacation payments shall be the difference between the amount payable to the employee under the Workers' Compensation Act and the employee's regular salary. The additional payment made to an employee to provide the employee with full salary prior to receipt of disability payments shall be deemed an advance temporary disability payment within the Workers' Compensation Act.
3. An employee who receives advance temporary disability payment shall reimburse the University for such payment. The reimbursement is used to restore proportionate sick leave and vacation credit as appropriate.

E. EXTENDED SICK LEAVE

1. An employee who is receiving temporary disability payments and who has exhausted all accrued sick leave shall receive extended sick leave payments from the University in an amount equal to the difference between the payments from Workers' Compensation and eighty percent (80%) of the basic salary plus any shift differential which the employee would have received. If such an employee returns to part-time University duties, the earnings plus any temporary disability payments, if less than eighty percent (80%) of basic salary plus shift differential, shall be supplemented to eighty percent (80%) by extended sick leave payments, provided the employee continues to be medically authorized for Workers' Compensation temporary disability. Total extended sick leave payments shall not exceed twenty-six (26) weeks for any one injury or illness or 100% of original pay plus shift differentials.
2. An eligible employee who does not have sufficient accrued sick leave to cover the three (3) calendar days waiting period for receiving Workers' Compensation payments shall receive extended sick leave payment to cover any part of the waiting period not covered by sick leave. Payment shall be made only after determination that the injury or illness is compensable under Workers' Compensation.
3. An employee who elects not to use all sick leave is not eligible for extended sick leave benefits.

F. EFFECT ON PAY STATUS

1. Supplemental Leave

An employee who is receiving temporary disability payments and supplemental sick leave or vacation as described in Section D. above is considered on regular pay status for purposes of application of provisions of this Agreement, except completion of the probationary period. Sick leave and vacation accrued during this period may be used as soon as they accrue.

2. Extended Sick Leave

An employee who is receiving temporary disability payments and extended sick leave benefits as described in Section E. above is considered to be on regular pay status for purposes of application of provisions of this Agreement, except completion of the probationary period. Sick leave and vacation accrued during this period is credited to the employee only upon return to work. However, if an employee separates without returning to work, the employee shall be paid for vacation accrued during the period the employee received extended sick leave payment.

3. Leave Without Pay

An employee on leave without pay and receiving temporary disability payments accrues sick leave and vacation on the same basis as if regularly employed, but such accrual is credited to the employee only upon return to work. If an employee separates without returning to work, no payment shall be made for such vacation credit.

G. SEPARATION

An employee shall not use vacation, sick leave, or extended sick leave to supplement Workers' Compensation payments beyond a predetermined date of separation or leave without pay. Any vacation credit remaining on the date of separation shall be paid on a lump-sum basis.

H. LIGHT DUTY

Subject to operational considerations and budgetary constraints, the University will endeavor, on a case by case basis, to modify duties consistent with documented medical restrictions, for employees who have experienced work related injuries. This section shall not be construed as a guarantee of a specific form of accommodation nor shall accommodation in one case establish a precedent for similar or dissimilar circumstances.

**ARTICLE 46
WORK RULES**

A. GENERAL PROVISIONS

1. The University has the sole right to promulgate, supplement, alter, modify, amend, and rescind, work rules. For the purposes of this Article, work rules are defined as rules promulgated by the University which regulate employees relative to and affecting their employment. Work rules may be implemented only for reasons of bona-fide business and/or health and safety necessity.
2. For the purpose of general definition under this article, work rules shall be understood to mean rules governing work determined by the University to be required for the purpose of ensuring the orderly and efficient operation of the University and for ensuring the health and safety of employees and others. Work rules promulgated by the University shall be consistent with the provisions of this Agreement.

B. NOTICE

At least forty-five (45) calendar days prior to the implementation of new or changed work rules, the University shall inform UPTE. Upon receipt of a written request from UPTE received within thirty (30) calendar days of notice, the campus/hospital/laboratory shall meet and discuss the proposed work rules with UPTE prior to the proposed implementation date. The University shall provide responses to alternatives suggested by UPTE. Such responses shall be in writing if requested by UPTE.

C. APPLICATION AND GRIEVABILITY

1. The University will reasonably enforce its work rules for employees during working hours and/or when they are on University premises. The University may implement work rules governing employees during non-working hours only for reasons of health and safety necessity.
2. In the event the University's enforcement/application of its work rules is inconsistent with any portion of this article, a grievance may be filed in accordance with the provisions of Article 10 - Grievance Procedure, and appealed to Arbitration in accordance with the provisions of Article 3 - Arbitration Procedure of this Agreement.
3. In the event the application of a work rule is appealed to arbitration, the Arbitrator shall have no authority to newly fashion or to modify the work rule, although she/he may consider the reasonableness of the grieved work rule when rendering her/his decision and related remedy.

**ARTICLE 47
UNIFORMS**

A. UNIFORMS

1. GENERAL PROVISIONS

Uniforms are attire required by the University to be worn in the performance of assigned duties.

2. PURCHASING AND REIMBURSEMENT

- a. The University shall have the sole discretion to determine if a uniform shall be worn, who shall wear a uniform and the conditions under which it must be worn. Employees shall wear the uniform and maintain a proper appearance as specified by the University.
- b. When a uniform is required by the University, an employee shall be responsible, at the time of employment, for the purchase of uniform components specified by the University.
- c. Where the University currently provides either requires uniforms or reimbursement for uniforms and, for as long as the University continues its requirement that the uniform be worn, it will provide, at its sole non-grievable, non-arbitrable discretion, either the uniform or the reimbursement for the uniform at the current rate.

3. LAUNDERING

Where laundering of uniforms is currently provided by the University, such laundering shall continue while the requirement for uniforms continues.

**APPENDIX D
ENUMERATION OF UNIVERSITY BENEFITS**

A. HEALTH BENEFITS

1. **Medical Program** – A variety of medical plans are available to cover eligible employees and their eligible family members. Choice of plans may vary from location to location. Eligible part-time employees appointed and paid by the University to work a specified minimum appointment and average regular paid time may be covered by the CORE major medical plan.
2. **Dental Program** – Dental plans are available to cover eligible employees and their eligible family members.
3. **Vision Program** – A comprehensive vision care benefit is available to cover eligible employees and their eligible family members.

B. UNIVERSITY OF CALIFORNIA RETIREMENT SYSTEM

1. **University of California Retirement Plan (UCRP)**

Eligible employees covered by this Agreement shall be covered by the University of California Retirement Plan (UCRP), which provides retirement, disability, and survivor benefits. Currently, member contributions are as follows:

Member Class	Member Contribution Rate on Covered Compensation
Coordinated with Social Security	2% up to Social Security wage base, then 4% over Social Security wage base, minus \$19/month
Non-coordinated	3% minus \$19/month

All current member contributions to the UCRP made before April 15, 2010 are redirected to the Defined Contribution Plan. The redirection of member contributions to the Defined Contribution Plan is scheduled to end April 15, 2010, and those contributions will be reinstated to the UCRP.

2. **Tax-Deferred 403(b) Plan**

Voluntary participation in the Tax-Deferred 403(b) Plan is available to all University employees who normally work less than twenty (20) hours per week. The Plan provides a mix of internally and externally managed investment options.

3. **Defined Contribution Plan (DC Plan)**

- a. **Pre-Tax Account** - The redirection of the UCRP mandatory member contributions into the DC Plan is scheduled to end April 15, 2010. Voluntary participation in the Pre-Tax Account is available to eligible employees. Although contributions default to the Savings Fund, participants are offered a mix of internally and externally managed investment options.
- b. **Pre-Tax/Safe Harbor Account** - Employees who are not in a UC-sponsored defined benefit retirement plan make mandatory contributions of 7.5% of earnings up to the Social Security wage base to the Pretax Account in lieu of paying the Old Age, Survivors and Disability Insurance portion of Social Security taxes (Safe Harbor contributions). Although payroll reductions default to the Savings Fund, participants are offered a mix of internally and externally managed investment options.

SIDELETTER

CAMPUS GRIEVANCE RESOLUTION COMMITTEE (CRC)

PROGRAM GUIDELINES

1. General

The parties agree that a Campus Grievance Resolution Committee Program (“CRC”) may be implemented at campuses, where they do not already exist. Except for the general guidelines set forth in this sideletter, the particular elements governing the CRC will be negotiated at each participating campus.

The procedures to be used by each campus CRC shall be determined by agreement between the local parties. While the CRC is intended to be an informal process, individual campuses may agree to use a formal process of testimony including, but not limited to, examination of witnesses.

2. Obligations Of Parties

The parties at each campus may meet and confer separately over the specific terms of the CRC.

3. Subject Matter Excluded From CRC Review

The parties agree that the subject matter of the grievances suitable for the CRC shall be determined by the parties at each location. CRC is not suited for grievances involving complex contractual interpretations.

4. Composition Of The CRC

Upon submission of a written grievance to the CRC, a panel composed of four members, two chosen by each side, shall be convened. To foster an impartial panel, the parties shall not select panel members from the same control unit or individuals who are involved with or have a vested interest in the outcome of the grievance. The union may only select bargaining unit employees to serve on the CRC.

5. Decisions Of CRC

The CRC has final and binding authority to adjudicate a grievance only if it reaches a unanimous decision. Such unanimous decisions by the CRC will only address the specific issues and remedies stated on the grievance form. The CRC shall issue either a unanimous decision in a written statement that sets forth the reasoning behind their decision or a written decision that the CRC failed to reach unanimous consensus. The record and findings from the CRC may not be introduced as evidence in any other proceeding.

6. Limitations On CRC's Authority And Remedy

The CRC's authority and ability to fashion a remedy shall be subject to the same limits placed on an Arbitrator authority as set forth in Article 3, sections G(1) and (4) and H (1)(2)(3) and (5).

7. Return To Grievance Procedures

The CRC shall lose jurisdiction over any grievance following the issuance of its decision but no later than ten (10) days after the close of the CRC meeting.

SIDE LETTER OF UNDERSTANDING: ARTICLE 4 – UNIVERSITY BENEFITS

This side letter of understanding shall provide for an additional circumstance under which the University must provide UPTE with notice and an opportunity to bargain under Article 4 – University Benefits during the term of this contract.

Article 4 – University Benefits provides that the University may make changes to its Health and Welfare Programs and Retirement Programs without bargaining except in those defined situations in which the University is obligated to provide UPTE notice and an opportunity to bargain over specific proposed changes to the Health and Welfare programs (See Article 4, Part I, Section A.1) and the Retirement System (Article 4, Part II, Section A. and B.). For the duration of this agreement, if the University proposes major structural changes to the Health and Welfare program, retiree health insurance, or the University of California Retirement Plan, the University would be obligated to notify UPTE and UPTE may demand to bargain or may accept the changes as proposed. SF-CE-877-H

UPTE agrees to withdraw this ULP in exchange for the following:

- Effective the first pay period following sixty (60) days from the date of ratification or 7/1/10, whichever is later; a one-time payment of \$1000 will be paid to each full-time employee who is in the RX or TX unit on the date of ratification and on the date of payout. The \$1000 payment will be pro-rated based on the appointment percentage (pre-START appointment percentage), is not base building or covered compensation for retirement, etc.
- All TX and RX employees who would have been subject to the systemwide furlough/salary reduction plan and who have not yet been temporarily laid off in relation to this program in order to effectuate the State Budget shortfall for FY 09-10, will:
 1. Have the opportunity to enroll in the START Plan at their location to effectuate the savings required by the system-wide furlough/salary reduction plan.
 2. This understanding does not cover temporary layoffs of RX and TX unit employees for reasons other than the temporary budget shortfall.
 3. Employees who opt to do this will begin such START reduction on the pay period following the date of ratification through 12/31/10.
 4. As an example, if an employee would have received a 4% reduction in pay and 11 days of furlough then the employee would need to effectuate the annual equivalent of the 4% reduction in pay through the START program. (\$40k, 4% equal to \$1600 annual savings so this would need to be spread out among the months remaining from date of ratification to 12/31/10.)

UPTE agrees to withdraw the portion of this ULP related to Blue Cross health plan participants. The portion related to paybands will continue through the process.
