It is agreed that the use, sale, distribution, or possession of illegal drugs or alcohol on Company premises shall be the grounds for immediate discharge. It is understood, however, that there shall be no random testing on employees covered under this Agreement. All employees are subject to the Walashek Industrial and Marine Drug and Alcohol Policy (effective 1/2/92) and any disciplinary action taken would be subject to Article 23, Grievance Procedure.

ARTICLE 22 UNION REPRESENTATIVES

22.1 The Business Representatives of the various crafts shall have access to the Employer's shipyard and shipyard shops by applying for permission through the designated office, provided they do not interfere or cause employees to neglect their work.

22.2 Shop Stewards: It is recognized by the Employer that Shop Stewards are desirable for the proper administration of the terms of this Agreement. The Employer also recognizes that it is desirable that the person designated as Steward shall receive his fair share of the work that he is qualified to perform. In no event shall the Employer discriminate against a Steward in the matter of overtime, layoffs, or rehires or discharge him on account of the proper performance of his duties. Twelve (12) hours advance notice will be given individually to the Steward if he is to be laid off. Every effort shall be made to deliver such notice during regular shift hours. However, notice of lay off may be given during the off shift by telephone or telegram, for circumstances beyond the control of the employer. There may be designated by each Union one (1) Chief Shop Steward on each shift.

22.3 The Employer will not in any way discriminate against any shop steward or committee man for presenting any complaint, dispute or grievance to their foreman or department head or to the personnel department in the manner provided for in this Agreement.

22.4 The Union shall advise the Employer of the name or names of Shop Stewards currently elected or appointed. The full grievance procedure as set forth herein shall be available to any Union which feels that its Shop Stewards have been discriminated against. It shall be the intention of the Employer not to allow the congregation, by assignment, of several Stewards in one designated work area, but to keep them, as reasonably as possible, spread out in a manner to cover all the work areas of their appropriate Union's jurisdiction.

ARTICLE 23 GRIEVANCE AND COMPLAINTS

23.1 THE GRIEVANCE PROCEDURE SHALL BE AS FOLLOWS:

STEP 1. The shop steward or committeeman shall call any complaint, dispute or grievance to the attention of the foreman or department head within five (5) working days from the time it arises. If the complaint, dispute or grievance is not adjusted within two (2) working days after it is presented to the foreman or department head, the shop steward or committeeman shall report such complaint, dispute or grievance in writing over the signature of the complainant to his respective Business Representative. Such complaint, dispute or grievance shall be submitted to the personnel department's representative or other official designated by the Employer over the signature of the Business Representative within twelve (12) working days from the date the complaint, dispute or grievance arose. However, this does not preclude the Business Representative from reporting such complaint, dispute or grievance directly to the personnel department's representative or other official designated by the Employer. Within five (5) working days after the personnel department's representative or other official designated by the Employer receives a communication in writing from the respective Union alleging violations of this collective bargaining agreement, the Employer shall reply to the communication, in writing. Any settlement reached in Step 1 shall be final and binding.

STEP 2. Within five (5) working days after the Employer replies to the communication from the respective Union alleging a violation or violations of this collective bargaining agreement, a Business Representative of the Union and the Director or Assistant Director of Personnel and Labor Relations or other official designated by the Employer shall meet for the purpose of adjusting such complaint, dispute or grievance. Any final decisions reached by the Employer Representative and the Union Business Representative shall be reduced to writing. Any settlement reached in Step 2 shall be final and binding.

STEP 3. If no agreement is reached in Step 2 within ten (10) working days, the parties may by mutual agreement, submit the grievance in writing to a grievance panel composed of two members from Labor, to be selected by the Union, and two members from Management to be selected by the Employer, requesting a Grievance Committee hearing or they may proceed to Step 4 of this Article.

STEP 4. In the event the grievance is not settled as above provided, either party may submit the grievance within five (5) working days following the expiration of the time limit provided in Step 2 to the International President of the Union, or his duly designated representative and a company representative duly selected by the Employer, for consideration and possible settlement. If a settlement is reached, it will be final and binding upon the Parties and shall be reduced to writing.

STEP 5. If no satisfactory solution eventuates from Step 4 within twenty (20) working days, then either Party may within ten (10) working days thereafter give written notice of arbitration to the other Party.

Any complaint, dispute or grievance not brought up or carried forward to adjustment or arbitration as provided for in this Article shall, unless the Parties otherwise agree in writing, be regarded as waived.

No employee shall refuse to work or otherwise curtail production or engage in any slow down or interfere with the Employer's operation because of any complaint, dispute or grievance which he may have.

If the Employer has any complaint, dispute or grievance with any Union or any employee covered by this Agreement, the Employer shall likewise avail itself of any or all of the foregoing grievance procedural steps.

ARTICLE 24 JURISDICTIONAL DISPUTES

24.1 The Unions agree that in the event any jurisdictional dispute shall arise between the Unions signatory to this Agreement, with respect to the jurisdiction of work on any classification of employment, whether or not included in the schedule attached hereto, such dispute shall be settled by the Unions in accordance with the Jurisdictional Policy of the Metal Trades Department, AFL-CIO as amended May 10, 1968, which provides that pending the adjustment of a jurisdictional dispute there will be no stoppage of work.

24.2 It is agreed that Unions involved in such jurisdictional disputes shall be primarily responsible for the prevention of a stoppage of work because of jurisdictional disputes.

24.3 It is the intent of the parties to maximize the productivity and competitive position of the employer in order to secure and stabilize the work force. To help in achieving this mutual goal, the parties agree to a program of craft assistance. It is the intent of the employer to maintain the traditional craft functions within the yard; however, it is recognized and understood that inefficiencies and standby time are detrimental and are not desired by either party, and are to be eliminated whenever possible. In the event a union should desire to discuss a jurisdictional issue, the employer agrees to discuss the matter with the crafts involved. Alleged abuse of this provision shall be subject to the grievance procedure.

24.4 The provisions of this section of the General Agreement shall be equally binding upon the Employer and the Unions.

ARTICLE 25 NO STRIKE OR LOCK-OUT

25.1 During the life of this agreement no strikes or work stoppages shall be caused or sanctioned by the Union, and no lockouts shall be entered upon by the company. Any action of the company in closing its plant during a general strike, riot or civil commotion for the protection of the plant and property shall not be deemed a lockout. Any action of the employees in refusing to go through a picket line for their own protection in case of an officially declared strike by some Union directly working on the job, if said strike is sanctioned and approved by the International Brotherhood of Boilermakers, AFL-CIO, shall not constitute a violation of this clause of the agreement or cause for discharge.

ARTICLE 26 PAY DAY

26.1 The Union and the employer agree that payday shall be bi-weekly in accordance with the established practice of the employer. Employees shall be given their paychecks prior to the end of their regular shift on payday. Second shift employees are to be paid on Thursday each week and third shift employees no later than Friday morning barring circumstances beyond the Company's control. Should a pay day fall on a holiday, the day preceding the holiday shall be pay day.

26.2 All regular pay checks shall have a detachable stub or equivalent, which will set forth the amount of the check, hours worked, and an itemized list of deductions. Any employee who is laid off shall receive all wages due him within forty-eight (48) hours of the termination of his employment; unless he is laid off during a pay week, in which case he shall be paid on the regularly scheduled pay day. Any employee who quits of his own volition shall receive all wages due him on the next regular pay period following his date of termination (Saturday and Sunday excluded in (48) hour pay-off).

ARTICLE 27 TRAVEL TIME, OUT OF YARD, OUT OF TOWN WORK, AND TRIAL TRIPS

27.1 Subsistence shall be paid at \$40.00 per day except in the case where a customer will pay more than that amount (examples: Japan & Europe). Lodging arrangements are to be provided by employer with consideration of comfort for the employee. Coach rate for air travel will be utilized, unless unavailable.

27.2 When employees are required to work on voyage trips, overtime shall be paid at two times (2X) their regular straight-time hourly rate of pay. No subsistence shall be paid when the customer provides meals and room accommodations. When on voyage trips, employees shall receive no less than twelve (12) hours pay for each day on the vessel.

27.2.1 When employees are required to work on sea trial trips they shall be paid at two times (2X) their regular straight-time hourly rate of pay for all hours worked on the sea trial trip.

27.3 All travel to and from job sites, on Sunday, is to be paid at one and one-half (1 1/2) times the employees' straight-time day shift rate.

27.4 There will not be any loss of holiday pay or holiday/overtime work premiums caused by crossing an International Dateline.

27.5 If an employee's surface travel time exceeds four (4) hours to the job and he is not given a full shift's break before work starts, he shall be paid from the time of his departure from the shop or home whichever is applicable. If the employee's work period exceeds fifteen (15) hours, he will be given a full shift's break at the end of such job to rest at lodging provided by the Company before being required to travel.

27.6 If an employee's air travel time exceeds five (5) hours to the job and he is not given a full shift's break before work starts, he shall be paid from the time of his departure from the shop or home, whichever is applicable. If the employee's work period exceeds fifteen (15) hours, he will be given a full shift's break at the end of such job to rest at lodging provided by the Company before being required to travel.

ARTICLE 28 WELDING

28.1 It is recognized the autogenous processes of welding, burning and brazing are tools of the trade signatory to this agreement.

28.2 Where US Certificate is required by the US Coast Guard or other recognized agency for welding on pressure vessels, boilers and Class I piping, as defined in the US Marine Engineering Regulations and Material Specifications, the rate of pay shall be an additional fifty cents (\$0.50) per hour, over and above the standard mechanic's rate, for all time assigned to such certified welding jobs.

28.3 When an applicant is required to take a test, he shall be paid for the time required to take the test, not to exceed four (4) hours per test, provided he passes the test successfully.

ARTICLE 29 APPRENTICE AND TRAINEE PROGRAM

29.1 In order that an adequate supply of competent, skilled craftsmen shall be available at all times, it is agreed between the Parties hereto that an Apprentice and/or Trainee program including safety, shall be established by the craft Union and the Employer. Such an Apprentice and/or Trainee program shall not conflict with Federal or State Apprenticeship laws. All existing Apprentice and Training programs shall remain in effect until changed by mutual agreement of both parties.

ARTICLE 30 ARBITRATION OF DISPUTES

30.1 In the event the Parties shall be unable to adjust any complaint, grievance or dispute involving the express terms of this Agreement, such complaint, grievance or dispute shall be referred to an impartial arbiter selected from a panel, mutually agreed upon by the Parties, in each respective Port. The panel shall be utilized only in the Port selecting said panel. The panel will consist of no more than five (5) and no less than three (3) impartial arbiters. The panel may be modified from time to time by mutual agreement of the Parties in each respective Port. If the Parties are unable to agree on a specific arbiter from the panel, then the Party desiring to arbitrate shall send a request by mail to the Director of the Federal Mediation and Conciliation Service requesting the Director to furnish a list of five (5) arbiters. Each party shall have the right to strike a total of two (2) names from the list, and the right to strike first shall be determined by lot, or as otherwise agreed by the Parties, and each party shall alternately strike one (1) name. The name remaining on the list after each Party has stricken two (2) names shall be the impartial arbiter. The Employer and the Union or Unions involved shall equally pay the arbiter's fee, the cost of any hearing room and the cost of a court reporter, if requested by the arbiter. All other expenses shall be paid by the Party incurring such expense. The decision of the arbiter shall be final and binding upon the Parties. Such decision shall be limited to interpretation and application of the express terms of this Agreement and shall not change or add to any of its terms or conditions. In his decision, the arbiter shall specify whether or not the decision is retroactive and the effective date thereof.

30.2 Awards or settlements of grievances may or may not be retroactive as the equities of each case may demand, but in no event shall any arbitration award be retroactive beyond thirty (30) calendar days prior to the date on which the grievance was first presented to the Employer unless agreed to by both parties; provided however, that this provision shall not have any application to grievances pertaining to the payment of either the fringe benefits provided for in this Agreement or the wage scales for the various classifications set forth in Schedule "A" of this Agreement.

ARTICLE 31 HEALTH, WELFARE AND PENSIONS

31.1 Effective July 31, 2006, the Employer will pay \$7.26 on actual hours worked to the applicable jointly administered Trusts as allocated by the individual Unions. The allocation of monies among the various benefit trusts may be changed at any time by the individual unions. The change in allocation for the trust(s) involved will be made effective upon the next regularly scheduled payment date after receipt of notice.

31.2 The Employer will pay additional fringe monies with allocation of these fringe increases to be determined by the International Unions.

July 31, 2007	\$.40 Increase
July 31, 2008	\$.40 Increase

31.3 Failure to Make Payments. Upon the failure of the Employer signatory to this Agreement to make any of the payments required by this Article, the Unions, or any of them, may undertake economic action against such defaulting Employer to enforce prompt payment,

31.4 It is the joint responsibility of Management and the Unions, signatory to this Agreement, to instruct the Trustees of the applicable Pension Plans to take appropriate action to eliminate any unfounded liability that currently exists or unfounded liability that develops during the term of this Agreement as soon as practical.

ARTICLE 32 TOOLS

32.1 Employees will be furnished tools. They shall use all reasonable care in the use of tools and return them to the custody of the Employer when no longer used. Employees shall have sufficient time prior to the end of each shift to put away tools on the Employer's time. Determination of sufficient time shall be at the Employer's discretion.

32.2 If the Employer fails to furnish tools, then the Employer shall pay each employee fifteen (15) cents per hour for tools furnished by employees.

32.3 The Employer has the right to take action against those employees who misuse property supplied to them by the Employer.

ARTICLE 33 WARRANTY OF AUTHORITY

33.1 The officials executing this Agreement in behalf of the Employer and the Unions signatory hereto hereby warrant and guarantee that they have the authority to act for, bind and collectively bargain in behalf of the organizations which they represent.

ARTICLE 34 SAVING CLAUSE

34.1 Should any part hereof or any provision herein contained be rendered or declared invalid by reason of any existing or subsequently enacted legislation or by any decree of a court of competent jurisdiction, such invalidation of such part or portion of this Agreement shall not invalidate the remaining portions hereof; provided however, upon such invalidation the Parties agree immediately to meet and negotiate such parts or provisions affected. The remaining parts or provisions shall remain in full force and effect.

ARTICLE 35 HELPERS

35.1 It is the intent of the parties signatory hereto to utilize helpers for unskilled/semi-skilled work. Along this line, a committee shall be formed to review any abuse of the helper's intended functions. Such committee will be comprised of two management representatives and two union representatives. Employees hired as helpers may assist journeymen employees by:

- I. Using simple hand tools (hammer, pliers, etc.)
2. Performing work of a routine, repetitive nature where tolerances and precision are not a factor.
3. Using power tools such as grinders, sanders, washers.
4. Parts and tool chaser.
5. Parts cleaner.

35.2 This list is intended to be examples of the type of work that the parties agree is properly performed by helpers, it is not intended as an exclusive or exhaustive list of acceptable helper assignments.

35.3 It is understood and agreed that helpers shall work under the direct supervision of a journeyman or lead person assisting in the performance of the work of their trade. (This provision does not apply to helpers assigned to a composite crew.)

35.4 No helper shall be upgraded to journeyman without the mutual consent of management and the Union effected. Alleged abuse of this provision shall be subject to the grievance procedure.

ARTICLE 36 EFFECTIVE DATE AND DURATION OF AGREEMENT

36.1 This agreement shall become effective on **July 31, 2006** and shall continue in full force and effect until July 31, **2009**, and from and for year to year thereafter, unless either party shall, at least sixty (60) days, but not more than ninety (90) days prior to any anniversary date, notify the other party in writing of any desire to make changes in or to terminate this Agreement.

36.2 If either Party gives notice to the other as herein provided, representatives of the Employer and of the Unions shall negotiate such proposed changes without unnecessary delay.

36.3 Practices, customs, understandings, agreements of interpretation or agreements of any nature whatsoever, which have been previously mutually recognized at *Walashek Industrial and Marine* by the Employer and the Unions, whether expressly covered by this collective bargaining agreement or otherwise, will continue in effect unchanged until the expiration of this agreement, except as specifically modified as provided herein or by mutual agreement between the parties.

36.4 Yard Closure or Relocation: The Employer will give timely notification (normally not less than sixty (60) days) to the unions of any decision to close down the *Walashek Industrial and Marine* or relocate its operations, and will negotiate with the Unions to develop a course of action designed to minimize any adverse impact on the members of the bargaining unit of such events.
