AL-2019-016-01-00	1000-2019-1-P1	1/14/2019	3/31/2019	3/29/2022

Project Description

FY 2017 Lapsing funds apportionment of the Section 5311(Non-Urban Formula) funds-\$15,847,087 and FY 2017 Lapsing funds apportioned Section 5311 Rural Transit Assistance Program (RTAP) funds-\$268,693. Federal funds totaling \$16,115,780. Activities in the project will consist of: Operating Assistance, Program Assistance, Intercity Bus Operating Assistance, Job Access Reverse Commute (JARC), State Administration and RTAP/Training. Provide support during FY 2019 for Section 5311 non-urbanized transportation activities: Capital, Operating and Program Assistance to rural sub-recipients; Operating Assistance to intercity bus and JARC sub-recipients; and other activities funded with State Administration and RTAP funds. See attached POP for details per sub-recipient.

Project Benefits

The statewide funding will assist with meeting transportation needs of the rural areas of Alabama. Additional operating and project administration funds will support the maintenance of vehicles, equipment, and facilities related to the operation of the transit programs. The funds will also support the employees salaries, and provide employee benefits for the members of our sub-recipients' staffs. Statewide federal funding will ensure services can be expanded into various area across the state.

Comment	<p>Executive summary missing Overview of projects to be funded- describe what is funded. End date needs correction- The Period of Performance end date should be set to the next March 30 a minimum of 2 years beyond the latest milestone date in the application. Missing Project Description- This information must be in sufficient detail for FTA to obtain a general understanding of the nature and purpose of the activities. If applicable, the project description should identify subrecipients funded through the grant application and the projects being implemented by each subrecipient. Project activities shall be sufficiently described to assist the reviewer in determining eligibility under the program.</p>

Include cost breakdowns for items in this project and a description of activities associated with each cost breakdown.

PROJECT BENEFITS NARRATIVE missing information- Each project must include a statement of the intended outcomes of the project and who will benefit from the project.

PROJECT LOCATION is empty- Applicants should identify the Urbanized Area(s) and congressional district(s) in which the project is located along and provide a brief narrative on the project's location. If the project is a fixed facility, the applicant should provide the street address or coordinates of the facility. If the project consists of transit service to be provided across multiple locations, the applicant should describe the area where the transit service will be provided.

Replacement list should show the year that the vehicles that will be replaced were originally purchased. it says 2019 which would indicate you are replacing vehicles you purchased this year. List of vehicles to be replaced provided? Should include: o

Make/Model o Year purchased/Age o Current Mileage

Describe type f vans purchasing- size

If 15% for intercity NOT included applicant needs to include details in the executive summary and attach the Governor's certification letter

Explain what shop equipment is being purchased.
