NV-2019-022-01-00	1625-2019-1-P1	7/31/2019	9/30/2019	9/29/2022

Project Description

This project will fund general operations of 17 subrecipients across Nevada. 15% of the total grant funds (federal share) is being set aside for intercity operations that will be acquired through an RFP process currently in development. Additionally, federal funds from this grant application will be used to administer

the state's transit program (NDOT staff and other support staff) as well as to support travel and training through the use of RTAP funds.

Project Benefits

This project will benefit transit operators and the individuals who use it statewide. This funding will maintain reliable transit services that provide increased mobility to the communities they serve.

Additional Information

None provided.

Location Description

The 18 subrecipients funded through this grant will serve communities throughout the state of Nevada. Specific locations of service can be found in the attached STIP and/or POP.
