Determination of a complaint Filed under Section 458.63 of the Assistant Secretary’s Standards of Conduct Regulations (29 CFR 458.63) Issued pursuant to Section 7120(d) of the Civil Service Reform Act of 1978 (5 U.S.C. 7120(d))

On October 22, 2012, the Secretary of Labor received a complaint alleging violations of Section 458.29 of the Rules and Regulations of the Assistant Secretary issued pursuant to Section 7120(d) of the Civil Service Reform Act of 1978 (CSRA), in the regularly scheduled election of officers conducted on July 18, 2012, by American Federation of Government Employees Local 2274 in Saginaw, Michigan.

Pursuant to Section 458.50 of the Rules and Regulations, the Chief of the Division of Enforcement of the Office of Labor Management Standards (OLMS) caused an investigation to be conducted by the Department of Labor. The investigation disclosed that the conduct of the challenged election may have violated Section 458.29 of the Rules and Regulations in that the union disallowed the content in campaign literature; failed to treat candidates equally in the distribution of campaign literature; failed to elect by secret ballot when ballots were not collected in secret ballot envelopes; and failed to provide adequate safeguards in the ballot count and failed to keep a record of absentee ballot requests.

Apprised of these findings, the American Federation of Government Employees agreed to conduct new nominations and a new election for the offices of president, first vice president and chief steward under the supervision of the Chief of the Division of Enforcement, in accordance with Section 458.29 of the Rules and Regulations of the Assistant Secretary. The agreed upon remedial election was concluded on May 29 2013 with a runoff election on July 2, 2013. It is, therefore,

**DETERMINED**, that there is probable cause to believe that violations of Section 458.29 of the Rules and Regulations occurred which may have affected the outcome of the election conducted by American Federation of Government Employees Local 2274 on July 18, 2012, but that these violations have been remedied by the new election, conducted in accordance with Section 458.29, under the supervision of the Chief, Division of Enforcement, OLMS, on May 29 2013 with a runoff election on July 2, 2013.
Therefore, enforcement proceedings under Section 458.66 of the Rules and Regulations of the Assistant Secretary to set aside the election conducted on July 18, 2012 are not warranted.

Signed this 13th day of March, 2014.
