DETERMINATION

Determination of a Complaint Filed under Title IV
of the Labor-Management Reporting and Disclosure Act of 1959

On August 23, 2017, the Secretary of Labor received a complaint alleging violations of Section 401 of the Labor-Management Reporting and Disclosure Act of 1959 (LMRDA), in the regularly scheduled election of officers conducted on May 2017, by UAW Local 909 in Warren, Michigan.

Pursuant to Sections 402 and 601 of the LMRDA, the Department of Labor conducted an investigation. The investigation disclosed that Local 909 improperly required a member to accept her nomination in person at the union hall in violation of the UAW Constitution.

Apprised of these findings, UAW Local 909 agreed to conduct new nominations and a new election of officers under the supervision of the Secretary of Labor, in accordance with Title IV of the LMRDA. The agreed upon remedial election was concluded on November 16, 2017. It is, therefore,

DETERMINED, that there is probable cause to believe that violations of Title IV of the LMRDA occurred which may have affected the outcome of the election conducted by UAW Local 909 on May 2017, but that these violations have been remedied by the new election, conducted in accordance with Title IV of the LMRDA, under the supervision of the Secretary of Labor, on November 16, 2017.

Therefore, civil action under Section 402(b) of the LMRDA to set aside the election conducted on May 2017 is not warranted.

Signed this 23rd day of January, 2018.
