RELEASE – NEW BLBA PM CHAPTER 2-303, DIARY ACTION SCREEN

BLBA Transmittal No. 11-02

May 2011

EXPLANATION OF MATERIAL TRANSMITTED:

This transmittal publishes BLBA PM Chapter 2-303, Diary Action Screen. It replaces the current chapter in full. This Chapter emphasizes that most Diary Action Codes are now mandatory. Some that had been optional, such as the overpayment codes, are now mandatory. There are a number of new codes, and some others have been redefined. Definitions are found in the text of the chapter.

Previous editions of this chapter included a statement that optional codes could be redefined by District Offices or National Office for management purposes. This statement has been removed, and the use of optional codes for a purpose other than their intended purpose is discouraged.

Claim Call-up, Claim Notes, and the MIS screens, which were non-existent when the previous chapters were published, are now the proper methods for management tracking and control.

The new codes include:
