RELEASE – REVISION TO EXHIBIT 845 OF BLBA RESOURCE BOOK

BLBA TRANSMITTAL NO. 12-01

February 2012

EXPLANATION OF MATERIAL TRANSMITTED:

Exhibit 845 provides a comprehensive list of mileage rates from October 24, 1980 to the present. The General Services Administration has announced that starting January 1, 2011, the latest mileage rate is 51.0 cents per mile, and that this rate continues after January 1, 2012. Exhibit 845 has been updated to include this new rate.

The rate from January 1, 2010 through December 31, 2010, was reduced to 50.0 cents per mile, although we did not announce that change. Miner medical travel should be reimbursed at the rate which prevailed when the travel occurred. Travel claims paid at a previous rate may be resubmitted for adjustment.
