

Timothy M. Clark, MD

curriculum vitae

PROFESSIONAL EXPERIENCE

Physician, Colorado Pulmonary Associates, P.C., Denver, Colorado. Partner of five-physician pulmonary/critical care practice serving inpatients and outpatients, as well as regular housestaff teaching duties. Primary hospital: Presbyterian/St. Lukes's Medical Center (affiliated with University of Colorado Health Sciences Center). Additional hospitals include Exempla St. Joseph's (teaching hospital), Select Specialty Hospital, and Kindred Hospital. Also perform outpatient consultations monthly at Goodland Regional Medical Center, Goodland, Kansas. Areas of clinical interest include pulmonary vascular disease, high altitude disorders, and computers in clinical practice.

August 2000- current

Physician, Escondido Pulmonary Medical Group, Escondido, California. Provided hospital-based internal medicine, pulmonary, and critical care coverage for seven-physician group, including admissions and daily patient visits. January 1998- June 2000

Physician, Kindred (Vencor) Hospital of San Diego, San Diego, California. Provided in-house emergency and critical care services. November 1999- June 2000

Physician, Alvarado Pulmonary and Infectious Disease Medical Group, San Diego, California. Provided hospital-based internal medicine, pulmonary, and critical care coverage for unassigned emergency room admissions. November 1999- February 2000

Research Assistant: Donald B. Goodfellow, MD, Department of Orthopedics, University Hospitals of Cleveland, Cleveland, Ohio. Project involved comparison study of evaluation methods for anterior cruciate ligament repair with specialty standards.

March 1990- December 1991

Research Assistant: Peter E. Politser, MD, PhD, Department of Epidemiology and Biostatistics, Case Western Reserve University School of Medicine, Cleveland, Ohio. Duties included library research and editing. January 1984- October 1985. Projects with published acknowledgements:

- Politser, PE: "A Structural Method to Guide Test Evaluation," *Med. Decis. Making* 5(4): 417-436, 1985
- Politser, PE: "How to Make Laboratory Information More Informative," *Clin. Chem.* 32(8): 1510-1516, 1986
- Politser, PE, et al: "A New Method for Reporting the Sources of Abnormal Activities of Lactate Dehydrogenase in Serum," *Clin. Chem.* 32(8): 1517-1524, 1986

EDUCATION

University of California at San Diego Medical Center; San Diego, California
Department of Medicine, Division of Pulmonary and Critical Care Medicine
Fellowship Training Program, expected completion June 2000

- American Heart Association Postdoctoral Fellowship Award: "Vascular Endothelial Growth Factor in High Altitude Pulmonary Edema"
Collaborative investigator in study of lung volumes at high altitude
- Poster presentation, American Thoracic Society International Symposium 1999

University of Colorado Health Sciences Center; Denver, Colorado
Department of Internal Medicine
Residency Training Program, completed June 1997

- All ABIM ratings superior
- Re-designed training program brochure
- Finalist, 1993 Regional ACP associate's abstract competition

Case Western Reserve University School of Medicine; Cleveland, Ohio
Doctor of Medicine, May 1994

- Honors: Internal Medicine , Pediatrics , Psychiatry , Radiology
- Recipient, Hacker-Mastin Scholarship, 1992-93

Baldwin-Wallace College; Berea, Ohio
Post-baccalaureate courses in organic chemistry, anatomy, and physiology
September 1988- June 1989 (dean's list all terms)

Cleveland State University; Cleveland, Ohio
Post-baccalaureate courses in cell biology, general chemistry, and physics
September 1986- June 1988 (dean's list all terms)

Ohio University; Athens, Ohio
Bachelor of Science in journalism with english/music minors
June 1982

- Editor, *Athens* magazine, 1981-82
- Staff, *The Post* (daily newspaper) 1979-81
- Staff, *Tracks* magazine, 1978-79
