To Whom It May Concern:

In connection with your authorization as a self-insured employer under the Federal Act marked above, you are advised that the privilege of self-insurance has been renewed for the year beginning July 1, 2003, subject to the maintenance of adequate security.

If your company is interested in exchanging its security in the Federal Reserve Bank with a letter of credit then you should contact the insurance branch of this Office. The telephone number is (202) 693-0910.

Whenever in the opinion of this Office the amount of security posted by a self-insurer is insufficient to afford adequate security for the payment of compensation and medical expenses under the Act(s), the self-insurer shall, upon demand by this Office, file such additional amount of security as this Office may require (20 CFR 703.309).

This self-insurance authorization cannot be transferred, and it cannot be assigned. Any change involving the corporate name, structure, ownership, organization, etc., may affect the self-insurance authority and must be brought to the attention of this Office prior to the effective date of the event.

Sincerely,

MICHAEL NISS, Director
Division of Longshore and
Harbor Workers' Compensation
