**INDUSTRY NOTICE No. 140 TO INSURANCE CARRIERS AND SELF- INSURED
EMPLOYERS LONGSHORE AND HARBOR WORKERS' COMPENSATION
ACT AND EXTENSIONS**

**SUBJECT: CY 2012 ASSESSMENT FOR THE SPECIAL FUND, SECTION 44
OF THE LONGSHORE AND HARBOR WORKERS'
COMPENSATION ACT**

On January 23, 2012, pursuant to Section 44 of the Longshore and Harbor Workers' Compensation Act, a Notice was sent to all insurance carriers and self-insured employers authorized under the Act and its extensions (including the District of Columbia Compensation Act) , requesting a report of the amount of all compensation and medical payments made during calendar year 2011. Form LS-513, Report of Payments, was attached to the Notice.

All payments made during calendar year 2011 by insurance carriers and self-insured employers have now been reported. A total of \$773,656,732 in compensation payments has been reported under the Longshore Act and three extensions, the Defense Base Act, the Outer Continental Shelf Lands Act, and the Nonappropriated Fund Instrumentalities Act. A total of \$3,090,518 has been reported under the District of Columbia Compensation Act for compensation and medical payments in cases where the date of injury arose prior to July 26, 1982.

This Office has determined that for calendar year 2012, a total of \$124,000,000 is needed for the Special Fund under the Longshore Act and extensions (excluding the D.C. Act) and a total of \$8,000.00 is needed for the Special Fund under the District of Columbia Act. Proceeds from the Special Fund assessment are used for payments under Sections 8(f), 10(h), and 18(b) plus other payments provided for under Section 44 of the Act.

This notice accompanies the bill for final amounts owed on your CY 2012 assessment. The attached billing form shows the calculation on which your assessment is based. Under the Longshore Act and extensions (except the D.C. Act) the assessment is based

on (1) the ratio of the amount each carrier or self-insurer paid during the prior calendar year for compensation benefits in relation to the amount all such carriers and self-insurers paid during that period, and (2), the ratio of the amount of payments made by the Special Fund attributable to each carrier or self-insurer for cases being paid under Section 8(f) of the Act during the preceding calendar year in relation to the total of such payments. The resulting sum is divided by two and multiplied by the estimated expenses of the Fund. The amount paid for the advance assessment is credited against the total assessment and the amount now due is shown as the last figure.

Under the District of Columbia Compensation Act the ratio of the amount each carrier or self-insurer paid during the prior calendar year for compensation and medical benefits in relation to the amount all such carriers and self-insurers paid during that period is multiplied by the estimated expenses of the Fund.
