NOTICE TO INSURANCE CARRIERS AND SELF-INSURED EMPLOYERS UNDER
THE LONGSHORE AND HARBOR WORKERS' COMPENSATION ACT (LHWC)

Subject: Conversion to Direct Payment for Section 10(h) Adjustments

As mentioned in our letter of August 7, 1981, we have now sent the notices to the individual claimants and beneficiaries advising them that their Section 10(h) adjustments will now be paid by the Special Fund for the period beginning September 10, 1981 and ending October 7, 1981. As indicated in our letter, your firm should not disburse any compensation for 10(h) adjustments after September 9, 1981, but must continue to pay the basic amount.

Enclosed are copies of the notices which were sent to the claimants or beneficiaries who were identified as being previously paid by your Company. In the event that any information which you possess differs from ours or if we have inadvertently omitted any open cases, please let us know so that corrections can be made. Your continued cooperation and assistance are greatly appreciated.
