Energy Employees Occupational Illness Compensation Program Act (EEOICPA)

DOE's Core Mandate

Work on behalf of the program claimants to ensure that all available worker and facility records and data are provided to DOL, NIOSH, and the Advisory Board.

DOE Responsibilities

1. Respond to DOL and NIOSH requests for information related to individual claims. (employment verification, exposure records).
2. Provide support and assistance to DOL, NIOSH, and Advisory Board on large-scale research and site characterization projects through records research and retrieval efforts at various DOE sites.
3. Conduct research, in coordination with DOL and NIOSH, on issues related to covered facilities designations.

Individual Records

- Claimants often worked at multiple DOE sites, for multiple contractors and subcontractors, and in different jobs or divisions over a career.
- Records packages that DOE provides to DOL and NIOSH can be hundreds of pages long.
