

Division of Energy Employees Occupational Illness Compensation Webinar Series

Please join our virtual webinar:

DEEOIC Updates for Stakeholders

June 25, 2020
2:00 – 3:30 p.m. (EST)

Click for registration: [Register Here!](#)

About the Event:

The Office of Workers' Compensation Programs, Division of Energy Employees Occupational Illness Compensation (DEEOIC) invites you to a Stakeholder Update webinar. This is your opportunity to hear from the DEEOIC Director Rachel Pond and Deputy Director Doug Pennington. They will discuss a number of recent actions and initiatives. The webinar will conclude with answers to your questions. You can submit questions during the webinar or in advance at DEEOIC-Outreach@dol.gov.

Discussions will include:

- Bulletin 20-03 – Telemedicine for Home and Residential Health Care and Durable Medical Equipment
- Bulletin 20-04 – Telemedicine for Routine Physician Appointments
- Recent updates to the Procedure Manual
- Website tour – Frequently Asked Questions, Resource Center Operating Status, Electronic Document Portal (EDP)
- Employee Tools and Resources during telework

Moderators/Presenters

Rachel Pond
Director, DEEOIC

Doug Pennington
Deputy Director, DEEOIC

The Energy Employees Occupational Illness Compensation Program Act provides lump-sum compensation and medical benefits to current and former nuclear weapons workers whose illness is a result of working in the nuclear weapons industry. Survivors of qualified workers may also be entitled to benefits. Covered illnesses include radiation-induced cancer, chronic beryllium disease, beryllium sensitivity, chronic silicosis, or any illness due to exposure to toxic substances.
