

**Joint Outreach Task Group  
United States Department of Labor  
Office of Workers' Compensation Programs  
Division of Energy Employees Occupational Illness Compensation**

# Outreach Event

Bolingbrook, Illinois

You are invited to an outreach event in Bolingbrook, IL, on Thursday, September 5, 2019, to learn about the Energy Employees Occupational Illness Compensation Program Act (EEOICPA).

The EEOICPA provides lump-sum compensation and medical benefits to current and former nuclear weapons workers whose illness is a result of working in the nuclear weapons industry. Survivors of qualified workers may also be entitled to benefits. Covered illnesses include but are not limited to radiation-induced cancer, chronic beryllium disease, beryllium sensitivity, chronic silicosis, or any illness due to exposure to toxic substances.

Current/former employees of Argonne National Laboratory, Metallurgical Laboratory, Fermi National Accelerator Laboratory or any facility involved in nuclear weapons production, are encouraged to attend!

Representatives from the Department of Labor (DOL), U.S. Department of Energy (DOE), National Institute for Occupational Safety and Health (NIOSH), and the Offices of the Ombudsman to both NIOSH and DOL will be presenting information as well on their roles in the Program.

**Current/former employees of Argonne National Laboratory or any facility involved in nuclear weapons production are encouraged to attend!**

- You may be eligible for compensation and medical benefits!
- Meet DEEOIC, DOE, NIOSH, and Ombudsman staff.
