**Subject:** Directors Hearthway and Leiton DENIALS OF CES PGDP "SARCOIDOSIS" CLAIMANTS ARE DENIED THEIR STATUTORY CBD CHRONIC BERYLLIUM DISEASE/

KIRK D., DR REDICK, And DR MARKOWITZ,

AS VICE PRESIDENT OF COMMONWEALTH ENVIRONMENTAL SERVICES, LLC & NUCLEAR WORKERS ALLIANCE REPRESENTING ALL NUCLEAR WORKERS WHOSE CLAIMS WERE ILLEGALLY DENIED BY USING "LEITON INTERNAL MEMO'S", IT IS IMPORTANT THAT YOUR BOARD UNDERSTANDS THE THREATS MADE AGAINST ME FOR ORGANIZING "NUCLEAR WORKERS NATIONWIDE!"

TO PROTECT EACH OF THE BOARD MEMBERS I HAVE PROVIDED DOL EEOICPA WHISTLEBLOWER STEHEN SILBIGER AND SUSAN CRABTREE WITH IS CONSIDERED "A PROTECTED DISCLOSURE" THAT PREDATES ANY PENDING RETALIATION AGAINST EACH OF YOU, ESPECIALLY KIRK DOMINIC, DONNA STEELE, JOHN KNAUFF, AND JIM KEY!

I HAVE FULLY DOCUMENTED FOR DOJ AND FBI INVESTIGATORS THEIR FIRST DISCLOSURES OF TOXIC BERYLLIUM IN APPROXIMATELY 2003 AS THEY THEMSELVES DISCOVERED! IT IS MY UNDERSTANDING FROM CONVERSATIONS WITH DOJ BILL CAMPBELL AND HIS SUPERVISOR JACK KOLAR THAT DOE, SENATOR MITCH MCCONNELL, AND HIS PADUCAH AND LOUISVILLE OFFICE STAFF WERE FULLY AWARE THAT COMPRESSOR BLADES USED IN THE PGDP AND PORTSMOUTH URANIUM ENRICHMENT CASCADE BUILDINGS WERE MADE OF AN ALUMINUM ALLOY COMPRISED OF BERYLLIUM!  
WHEN PADUCAH NUCLEAR WORKERS WERE DIAGNOSED WITH SARCIODSIS

AND WERE COMPENSATED BEFORE MS LEITON BECAUSE EEOICPA DIRECTOR, SENATOR MCCONNELL'S STAFF DIRECTED MS LEITON TO SUSPEND AND DENY ALL CBD/SARCOIDOSIS PART B CLAIMS AFTER SHE AND SECRETARY HIDA SOLIS REPLACE HIS WIFE FORMER DOL SECRETARY ELAINE CHAO!

ACCORDING TO THE FBI AND DOJ FAC INVESTIGATORS, DOE HAD CONCEALED "BERYLLIUM EXPOSURES" THROUGHOUT THE DOE COMPLEX THAT AFFORDS CLAIMANTS ADDITIONAL PART B COMPENSATION OF \$150,000 FOR THEIR SEPARATE CLAIMS FOR CBD IN ADDITION TO THEIR SEC CANCER CLAIMS, And ALL OTHER CANCERS THAT ARE NOT SEC BUT EXCEED THE 50% NIOSH DOSE PROBABILITY OF CAUSATION. THAT WAS THE INTENT OF CONGRESS, NOT LIMITING PGDP NUCLEAR WORKERS TO ONLY \$150,000 TOTAL PART B COMPENSATION. MEMBERS OF CONGRESS, OTHER THAN SENATOR MITCH MCCONNELL'S STAFF LIMIT OF \$150K REALIZED A DOE PGDP NUCLEAR WORKER COULD BE INJURED AFTER INHALING BOTH BERYLLIUM AND RADIOACTIVE TRANSURANICS AND THERE THE STATUTORY MAXIMUM IS ONLY LIMITED BY THE SEPARATE PART B ILLNESSES THEY ARE DIAGNOSED WITH! IN FACT, SENATOR MCCONNELL AND OTHER MEMBERS OF CONGRESS WERE FULL AWARE IF BERYLLIUM, SILICA, and NON SEC CANCER WERE NOT SEPARATE \$150,000 PAYMENTS, CLAIMANT'S COULD SUE THE DOE CONTACTORS AND BERYLLIUM VENDORS IN FEDERAL COURT FOR MILLIONS! TO HALT THESE FEDERAL TORT LAWSUIT, SENATOR MCCONNELL ACTUALLY TOOK CREDIT FOR PROTECTION OF THE DOE MANAGEMENT AND OPERATIONS CONTRACTORS LOCKHEED MARTIN, MARTIN MARIETTA, and UNION CARBIDE!

DOES ANYONE WISH TO DISAGREE WITH SENATOR MCCONNELL'S LEGAL TEAM, ESPECIALLY RUSSELL M COLEMAN IN THE WESTERN DISTRICT FEDERAL COURT LOCATED IN PADUCAH KENTUCKY?

I DIDN'T THINK SO! NOW THIS BOARD KNOWS WHY MY FORMER LOCKHEED COWORKERS DON'T LIKE MEMBERS OF THE "NUCLEAR WHISTLEBLOWER

NO CONTRACTOR EMPLOYEE BEFORE LOCKHEED MARTIN WAS EVER MADE AWARE OF BERYLLIUM IN THE VAPORS AND DUSTS AT PGDP!

I HAVE NUCLEAR WORKERS IN 1995 WITH PLUTONIUM IN THEIR URINALYSIS THAT DOE PPO MANAGER BILL MURPHIE AND RACHEL BLUMENFELD CONCEALED AS RECENTLY AS LAST YEAR.

SO KNOW THIS ADVISORY BOARD IS AWARE THAT SENATOR MCCONNELL AND HIS STAFF WAS KNOWLEDGEABLE OF PGDP UNCONTROLLED RELEASES AND PGDP CONTAMINATION CAPTURED IN THE DOE PHASE I AND II INVESTIGATIONS IN 2000 DURING THE FBI INVESTIGATIONS OF DOE FRAUD AND MONEY LAUNDERING!

IF SENATOR MCCONNELL AND MEMBERS OF DOJ, FBI, LOCKHEED MARTIN, BECHTEL, AND DOE WERE FULLY AWARE OF WORKERS TRANSURANIC EXPOSURES THAT CONTINUE TO THE PRESENT DATE, "WHO DECIDED THE PADUCAH GASEOUS DIFFUSION PLANT SPECIAL EXPOSURE COHORT WAS TO END ON FEBRUARY 1, 1992.

GVB Response- DOE,DOJ, DOL, FBI IN 2000 WERE FULLY AWARE “RUSSIAN, FRENCH, and HANFORD SPENT NUCLEAR FUEL PROCESSING WAS CONTINUING AND NUCLEAR WORKERS WOULD NEED TO BE FURTHER EXPOSED AND SUBSEQUENTLY DENIED BY THE FABRICATION OF DOSE CALCULATIONS BY DOE/NIOSH/HHS/ AND THEIR SUBCONTRACTORS!

Under 28 USC, SECTION 1746, I GARY S VANDER BOEGH SWEAR TO THE ACCURACY OF MY STATEMENT TO THE BEST OF MY KNOWLEDGE AND BELIEF!
