---

In 2005, the OWCP stated in the District Medical Consultants' Handbook a list of reference which each district will have in their library.

#### IV - Selected Resources for DMCs

A. Procedure Manual - (complete manual on the DEEOIC website)

B. DEEOIC Bulletins

- Bulletin 8-15, Adjudication of Part E Claims for Parkinsonism
- Bulletin 8-39, Privacy Act -
- Bulletin 10-08, Laryngeal cancer and solitary plasmacytoma cancers

C. Web-sites

1. National library of Medicine
2. ATSDR
3. National Toxicology Program (NTP)-Report on Carcinogens (RoC)
4. International Agency for Research on Cancer (IARC) -
5. NIOSH  
Current Intelligence Bulletins
6. OSHA
7. Toxnet - Toxicology Data Network
8. Hazmap
9. Site Exposure Matrix (SEM)

D. Textbooks

Textbook of Occupational and Environmental;  
Environmental and Occupational Medicine.

Guides to the Evaluation of Permanent Impairment, 5., Edition. AMA Press, Chicago, 2001.

E. American Thoracic Society Position Statements found as PDF documents

1. "1. "The Occupational Contribution to the Burden of Airway Disease"
2. "The Adverse Effects of Crystalline Silica Exposure"
3. "Diagnosis and Initial Management of Non-malignant Diseases Related to Asbestos"

Toxic substance means **any material** that has the **potential to cause illness or death** because of its **radioactive, chemical, or biological nature**

**I personally would like for the SEM to accept the data base from the environmental perspectives**
