From: *Rachel P. Leiton*
Rachel P. Leiton
Director, DEEOIC

Subject: 2016 FAB Accountability Review

This memorandum serves as the final notice to the Final Adjudication Branch (FAB) regarding the results of the 2016 Accountability Review.

Attached to this memorandum are the final scoring results for each FAB office based on the six Accountability Review categories. Overall, the scoring demonstrates a high level of performance. I commend all FAB staff for the commitment shown in producing these positive results. You exceeded every measure in all offices with the exception of one category in one office. We have discussed that category, and you will be working with that office on improvement.

I look forward to working with you to maintain and exceed our performance expectations in 2017. If you have any questions or concerns regarding this memorandum or its attachments, please contact me at 202-693-0081.
